 Jimmy Carper 01:21
Or listening to after hours on KPFT Houston end ke O 's College Station and all those right folks
up there. They've already done I think they've already done graduation up at a&m. Something

so so it's either they're gone or it's party time.

P

Peter 01:37

The sheep are all safe. Have a mules too. For those of you who turned in do tune turned in Hawaii. For those of you tuned in late Did you hear that? Ellen DeGeneres died. What they found her floating facedown in Ricki Lake. Oh. My only little. But But did you hear it? Did you hear that? There's, I do have one other little joke that we're

J

Jimmy Carper 02:11

listening to Jimmy Carper. And Peter from the Peter. Lingus so don't have any Connie. Lingus didn't know we didn't have

P

Peter 02:18

Connie. Connie have we got lots of Peter. You got that right. Oh, anyway. So did you hear that this jumbo jet is cruising across the Atlantic or Pacific wet man big body was going the other last bout three quarters of the way they realize they're in deep trouble. Why? What happened? Well, they're going down. No. So the pilot announces to the people listen, take precautions, Buck lab, you know, take off the glasses, put your head between your knees and get your butt you know, we're going down and and whatever. And we radioed and all this and that but we got them. So I go get get turns it over to the other to the assistant and goes back into the cabin to see what's going on. And finds this one lady. They're just putting on all this jewelry child just putting on jewelry galore. And he says, What are you putting on all this jewelry for honey? He says we're going back on its own. She said Well, with all this jewelry on I know I'm going to be the first one to be found this vile sparkle and I'll shine and there will be and they're going to rescue me first. And he goes well, honey, whatever, you know, at this point he does fairly wouldn't deal with it. So it goes back in the plane a little farther than he's trying to calm the passengers down a little bit. And he there's this one gal sitting there and with no top on big ol bazooms hanging out with Dolly Parton TVs it's all over the place big resumes hanging around. He goes and he says, What are you doing? He said your boobs are all out all over the he said put those things away. He said oh, he said no, no. She said, these are going to make us better than that floatation device. And she said I'm gonna No I'm gonna be the first to be rescued. Because look at all these bodacious Tatas that I'm going to be laying in the water and I'm going to be floating in there. No, I'm going to be rescued. And he goes, dear, whatever. We're you know, so it goes on to the blank, consoling passengers and he gets in the back. And there's this big black lady back there and she is stark, naked. Not a thing on he said, Well, he says What have you done? You're sitting in his plane. stark naked. You don't have a thing on woman? She says yes. He said and I know I'm gonna be banned first because they always go for the black box first.

J

Jimmy Carper 04:32

Oh, we'll get calls on that. We'll get

P

Peter 04:37

calls on that one. Yes. planes going down. Myrna has a job I can always do bad. I just heard that. I heard that a couple of friends of mine told me that at one of the local libation establishments prior to prior to radio land, and they said you won't tell that there and I said yes, I will see you well. They said now you won't. You want to bet me

J

Jimmy Carper 05:01

ain't proud.

P

Peter 05:03

Proud. Yeah, he is proud. He is she's just super. There was something I'm looking for in the voice this week about an upcoming workshop. And I saw it when I was running through this earlier. There's a workshop coming up. And it's very important that we get some press on this because it's about some safe, it's not just the old routine safe sex workshop thing, but it's about something a whole lot better and more wonderful than that. And I am what? Well, it's it There's gonna be loads of experts there and they're talking about they are talking about safe sex, but they're also talking about the real issues of it not like putting, you know, condoms on cucumbers and things but they're talking about and it's going to be at Behringer. I think it's on the 26th I'm looking through this thing trying to find it anywhere in everywhere and I can't find it.

J

Jimmy Carper 06:04

But there's still a sudden the product guy, did you? Well, there's

P

Peter 06:08

two things going

J

Jimmy Carper 06:09

on. There's an HIV AIDS.

P

Peter 06:12

Well, what does that say? Well,

J

Jimmy Carper 06:14

this is on Thursday, the 26th. There are pride events that are going on. Well, right. This is

this is on Thursday, the 26th. These are pride events that are going on. Well, right. This is seven to nine at 1407. Hawthorne, at the corner of you Pong, sponsored by the Center for AIDS Montrose clinic in Continental Airlines. This is an informative community forum with nationally known experts on oral sex, Ks and transmission that's kept see sarcoma. Yes. reinfection eradication and other topics.

P

Peter 06:46

That must be the one. The Center for AIDS presents a forum. Is that the one that's and it's a reception will precede this forum from six to seven I was at the one doesn't say that here. Well, I don't know. Maybe there's more than one forum. But anyway, this is the center for AIDS. It's the hope and remembrance project.

J

Jimmy Carper 07:03

Why is it where is it located?

P

Peter 07:05

We'll be presenting a community forum co sponsored by the Montrose clinic. That's the one examining issues surrounding HIV sex on Thursday, the 26th, seven to nine. And the forum is called Writing bareback. is safe sex necessary will constitute

J

Jimmy Carper 07:21

there has been a lot a lot in all the gay press. I saw. It was an out it's been in the advocate about Fairfax parties that have been going on. Yeah,

P

Peter 07:32

not not wise. And the I mean, I've had so many people come and talk to me about things that are saying, well, you know, I'm it's okay, I've met you know, somebody else in there, HIV and then. But people don't realize you can share a viral load of things, you might have one thing and they're a little different angles just a little strain different and then you end up with more than you ever wanted to. So they're bringing in these experts as Michael Samuel from the epidemiology in New Mexico and crowfoot from locally here from on call. Dorothy Lewis, a virologist from Baylor. And this Paul Simmons from the center of AIDS treatment information. And this panel is going to discuss things and that like I said, Put condoms on cucumbers, but between two HIV positive individuals, whether any bowel treatments less than the risk of transmission whether or not an individual could be reinfected. And there's a reception preceding this forum from six to seven. Oh, that's cool. And the event is going to take place at the bearing Memorial United Methodist Church 1440 Harold Street, and for more information you may call 5278 to one nine, that's the one. That's the one and I thought that just needed to be talked about just a little because it sounds you know,

J Jimmy Carper 08:43
really a lot of things that are going on. Well, there is

P Peter 08:47
yes, there is. And there's a National HIV Testing Day Free tests from 9am to 8pm at the Montrose clinic on Friday the 27th. And so yeah, they're gonna do all kinds of wonderful things, as they're just lots of stuff going on. And but the biggest thing going on is Miss thang with her heels in the air. In the front riding car for the parade, that's gonna be there next Saturday night, nine o'clock, up and down the big Westheimer

J Jimmy Carper 09:21
starting around the 1500 block of West timer going towards town, that word town where the numbers get smaller. And then around Stanford. I don't do the East West,

P Peter 09:35
you know, do east west thing. We're going toward downtown.

J Jimmy Carper 09:38
That's right. And it's going to end right around Stanford. So the bay 1000s of people around the intersection of Westheimer in Montrose and around Mary's Oh, they're always hanging around marason ratable Incredible, incredible. And I'm gonna be in I don't know if I'm gonna have lights on In the car yet, but I'm gonna

P Peter 10:02
grade you must you'll have lights on but I'll be throwing beads.

J Jimmy Carper 10:06
Oh my god those those light up bracelet things oh, oh and all that kind of good stuff

P Peter 10:15
you are just into this. Oh yeah Do you are you wearing a tux or ground

J llimmv Carper 10:19

 Jimmy Carper 10:27

I am wearing I've got a friend of mine is making a shirt for me out of a metallic shiny pink fabric.

 Peter 10:28

There'll be no missing your happy shiny pink.

 Jimmy Carper 10:35

I will be glowing with pride.

 Peter 10:37

Oh honey, and if there's nobody that deserves this more than she will glow with pride. Let me tell you it's gonna she's already glowing this weekend. If you could just see her on this live radio. She is glowing with pride as we sit here

 Jimmy Carper 10:51

and so much going

 Peter 10:52

on your hands there just has I

 Jimmy Carper 10:54

attended two things today. The absolute rainbow wranglers kickoff party.

 Peter 11:00

Well, and you know, I was supposed to be there for that. And well, you should have it was fun. I know. I really wish I couldn't get away benefited bearing.

 Jimmy Carper 11:09

Yeah. And it was fun. And then I saw simple pleasures. That is the Gay Men's Chorus of Houston put on their show. And you know that that one? I don't know. For some reason the Gay Men's Chorus really pushes the button for me. You know, I sit there and ball through half of it. Because it's just the idea of, of men up there singing about how proud they are to be gay. I mean, it just is really uplifting. That's cool. This is this is my definition of pride. They had a

performance tonight at the First Unitarian Church, but if you missed it, you can still see them because there they are repeating it. Oh really? Where's the day afternoon at 230? No kid First Unitarian Church is 200 fan and right it's

P

Peter 12:00

and if you really want a day of music and thrill and fun you know you can go MCC Oh, church, absolutely mind choir from from Knoxville, Tennessee. They're having a huge big thing at the Music Hall downtown on Bagby and that starts like, oh, no, yeah, well, that says nine but but I think there was a little misprint and tickets at 11 right that the show is or the big performance gospel music thing. It's like 11 I think the doors are gonna open like with Reverend doors are gonna open with

J

Jimmy Carper 12:31

modeling. Well, yeah, doing doing gospel music.

P

Peter 12:36

Ah, and I think they're gonna have my 930 or 10. But anyway, they're going to be there in case because people come off the pride guy. They said they'd have to be there because that's what it got printed. The show really kicks off like I think 11 It's been an hour and a half or something like that. And other agencies are going to have their wares out and things no Yeah, information stuff. So they've really done a great job with this. And that's going to be a knockout. So the gospel sing I mean, major, major and at the music on the list. Oh, baby, too good. And so that's going to be at like 11 ish. And then there's you can go over after that and go to Gay Men's Chorus 30 Right down to 30 right down the street and just have a full afternoon of music and fun. And it'll the Montrose softball or Cup games at Memorial Field if it didn't rain like it did all day

J

Jimmy Carper 13:29

and that didn't get for some reason it didn't get in the product guide. But the Royal Sovereign and imperial court of the single star you can all say that one breath I can't do that. Oh, is throwing a reception for the grand marshals. No Yes at said January's at Gentry at six to eight six to eight and then they're having a show at nine. No Yes, yes. Yes. Got to be there. Come meet me. I'll be there. There along with Oh, with the crew who is the the honorary Grand Marshal

P

Peter 14:08

group they're gonna have a lovely float.

J

Jimmy Carper 14:10

J Jimmy Carper 14:10

Oh, I'll bet I'll bet

P Peter 14:14

yay. That's gonna be to funds will be at that little picnic.

J Jimmy Carper 14:18

And then for people and then dancer

P Peter 14:21

Did you? Yes, I did. I saw some last night we were selling beads out in front of Miss Jr's rainbow bees towers. Yeah, and then at the venture in in case you'd like to get up in the morning and never come home till nightfall. At the venture in the cowgirls are putting on a performance about eight I think Oh really? And you know Miss Thumper? No? Yeah, doing number what Miss? She's Miss Mary's. You saw that award winning performance on that stage a few weeks back. And so she and the cowgirls and all are doing the performance of the venture about eight I should be hot. So I mean, this is just a day of music and fun and drinking

J Jimmy Carper 14:59

and confusing. I just can't attend the mall. I just want to go to everything and you just can't do it. You know, that's the only drawback to product.

P Peter 15:08

I know you just have to you just have to have skates on your feet and keep on and spend a little time here and a little time on time there and just go go go God, I

J Jimmy Carper 15:15

want to say it all in every little bit

P Peter 15:17

of it. Well, we know you do. Just want to see it all. What are some of the other isn't likely to take a little bit of time. But one thing she likes to just jump into it all?

J Jimmy Carper 15:29

Now here's some more music no wear make a joyful noise? Oh, yes. By the community Gospel Church. This is happening Monday, June the 23rd. No, I'm sorry, I sorry, Tuesday, June the 24th. This is happening at 4305 Lillian Street, which is where the community Gospel Church is. Gospel concert featuring talent from local churches to Refreshments will be served after the concert in the fellowship hall. Cool.

 Peter 15:59

I mean, it's like love gospel stuff.

 Jimmy Carper 16:01

Really doing lots of things, you know, but they're all there.

 Peter 16:05

You know, I was trying to read my pride guide and I got three of them somehow and each and every one of them have a no printed pages.

 Jimmy Carper 16:12

Oh, there's some of them. Yeah, were printed that way.

 Peter 16:15

I mean, lots were evidently printed that way because I have three myself and I got them in three different places. And I have blank the blank pages. I don't know what's going on on the 20 was whatever I mean, we've got

 Jimmy Carper 16:27

some here at the studio, so

 Peter 16:30

I want to check and see if they have all their patients. But I mean, other

J

Jimmy Carper 18:01

You don't think? Yeah,

P

Peter 18:02

we've been here. We've been there. We've been everywhere. Yes. Yes. Talk about parties that we could do T ON. Honey. Let me tell you about a party last weekend. Did you happen to make it to the ripcord as long as we're doing it didn't let me tell you. The Brotherhood of Payne put on at their very first annual daddy master. Now they've done slave auctions. Yeah. But this was a daddy master auction. Oh, child and Mr. Ken Claude. Oh, yes. Mr. drummer was one of the contestant and brought in. They have been Mr. Gulf Coast drum mischievous golf coach who's going for that big title and has millions of others. But anyway, they were doing daddy bucks like it is excellent. And I guess for weeks now you've when you got to drink you got a daddy back about so you can really accumulate. He brought in \$375,000 in daddy buck. Wow. Which is? That's yeah, and there's a bigger Oh, honey. Yeah. And people were buying bikes. And he was hot. Oh, Lord child. Well, he always is. Yeah, yeah, he is. And so he was there. And there was Mark was in market Mark was there and a guy named Dirk who was a Texan guy who was in not black leather, but brown leather. Oh, hairy chest got ripped his shirt off his back out child you would not believe there were eight of these contestants, each one finer than the next and there's a write up in this week's voice I might add about this. And there was the first annual daddy maths daddy master auction which was very successful and they did it for Stephens house anyway and the director of the Steven house guy was up there, getting his body wiped on stage by really lucky. Much. Oh honey was my And then so that night just went off just too wonderful for words. Then I hear my sources habit that the Montrose softball league the next night had this to die for Jackson dresses thing where each of the tones Yeah, jocks are out playing baseball. Yeah, did a turn around thing. Hey, I was more hair entity, then beards and beauties. It could have been called a lot of things. But it was a fun, fun, fun and performance. I

mean, each team did some stuff. And it was really funny. Funny, funny. And I mean, some real great numbers and some of these people. I mean, they not I can hold the bat, but they got balls anyway. Up and did this thing where it was too

J Jimmy Carper 20:46
diverse things to get up and oh,

P Peter 20:49
it was fun. And there were pumps for it from hell. And there were people there and oh, it was it was a fun, fun fun night. out there. And oh, Lord, there were some people that you wouldn't have believed. Bet Oh, and they were pretty. Oh, they were pretty. I bet there's some big girls, there was a big girl there with blonde hair that nobody knew. Oh, no, it was. It was and

J Jimmy Carper 21:17
are they talent? Are they telling on? I

P Peter 21:19
don't think they are. But I mean, that was last week. And you know, this week. It's just packed full and the week and then we got pride and that's next week and it just keeps going. Going. And then you know, we got this theater crowd we're talking about Oh no. After that does Chico's theater crowds incredible and it just keeps on going all summer long.

J Jimmy Carper 21:36
Yes. Just keeps going. We were talking about Ken Clark, because next Friday night, Friday, June the 27th. Another Pride event is going to be at night in black leather. Oh, at the venture. Have you ever seen those 10 o'clock? Yeah. Putting up put on by the National Weather Association.

P Peter 21:59
Huh? Knights and black leather is to die for that's the venture when

J Jimmy Carper 22:05
veteran 10 o'clock next Friday night. That's the 27th is the day before the parade.

P Peter 22:14

And the one thing good about the parade is you can sleep in after you go out and just kill yourself the night before because it Brady's until nine o'clock that night.

J Jimmy Carper 22:21

That's right now, you know. There's some things going on for women to want to mention. Yes. At Mrs. B's that same night, Friday night. And that's at 9200 Buffalo speedway. That's the ranch complex. Yes. Like the biggest dike complex bar in the United States. Every time

P Peter 22:40

I've gone by there, and I'll see the main kind of are you kidding? Really Jambo?

J Jimmy Carper 22:44

The original rock and roll group, Pam Ross and 10 till six. We'll be playing tonight at Mrs. B's For more information, call triple 634 64. So that's an event sponsored by Becky out there at the ranch.

P Peter 23:12

Cool. Yeah. And there's loads of stuff going on locally at all the O bars around? Oh,

J Jimmy Carper 23:18

absolutely. That's not even, you know, not official stuff. But just all kinds of entertainment. That's the thing here these days, you know, 10 years ago, if there was one show on a Friday night, you know, that was a big deal. Oh, people went and now you got to choose now you have to choose and that it's terrible. You know, am I going to go see the court show or am I going to say yes. In dresses? Or you know, yeah, it's just and like you

P Peter 23:47

say to try and do them all like tomorrow, you could get up at the crack of Copas. Yeah, and not make it home until you know, the pumpkin can go to 32 events and just

J Jimmy Carper 23:57

not only that, there are shows being put on at the tubs now. It's fabulous.

P Peter 24:02
Fabulous. It will be something

J Jimmy Carper 24:05
one, one, but I'm gonna see more of them. Oh, yeah.

P Peter 24:10
It's really got your allowance got.

J Jimmy Carper 24:13
You've got drag going on. You've got dancers. Drag at the tub. CJ dances at the tubs.

P Peter 24:22
Oh, yes.

J Jimmy Carper 24:23
I've heard Yes.

P Peter 24:25
You have heard

J Jimmy Carper 24:26
Yeah. And CJ. I saw a guy that you just want to. There was an eye on your knees and look something you know.

P Peter 24:33
Probably his knees. Anyway, there was a guy that was dancing over at 611 the other night yeah, who was a very very, I went to him to see Leona queen to me and see if she had any good jokes or anything. And the guy who stands there said that he dances it. The tubs. Oh, what I find Yes.

J Jimmy Carper 24:56

 Jimmy Carper 24:50

What's amazing. Anyway, I knew Number one and you know usually the the you know the tickets go to a charity or something you know a lot of these charity shows and I noticed in the paper that rainbow was hosting one and fancy paste Lawrence from the court was hosting another one is that incredible? I ran

 Peter 25:16

into rainbow at the Montrose some Jackson dresses thing

 Jimmy Carper 25:20

I can imagine you run into rainbow with just

 Peter 25:23

about everywhere you could run into rainbow with a car going

 Jimmy Carper 25:27

alright if you hang out if he J's long enough you're gonna see rainbow and if you're after hours long enough you're gonna see

 Peter 25:36

if you hang out after hours long enough Miss rainbow she just shows up in a rainbow outfit Hey Miss rainbow here she's here live

 Jimmy Carper 25:48

shows over at Midtown

 25:51

let me go to a break to tell you what I can we can find out what we can

 Jimmy Carper 25:58

do what she needs I always I promote Midtown always have because it's a nice fun place. It's a safe place.

Peter 26:05

That's where that guy was from six slum. I mean, yeah, body to die poor child.

Jimmy Carper 26:10

Yes. I mean, you know, when we're talking about man to man sex, you're gonna have it. Go to the tab

Peter 26:17

we're talking about here. I'm having

Jimmy Carper 26:22

ridiculous to stick your head in the sand and say that men don't have sex together? Because they do. And so you know, here's a place that provides a wonderful arena for it to occur and locked in safe and safe. And you know, and you have opportunities. You get visits from the Montrose clinic, you know, for HIV testing and, and all that kind of good stuff. Big towns, big towels and condoms everywhere. They do they do. They have towels for those big girls say do. Rainbow dropped in here and tell us about don't

27:00

think you have a big enough towel. You can bring your own. You want me to say

Jimmy Carper 27:07

so what? I saw that you had a show last weekend. And it was varied entertainment, varied

27:12

entertainment. We had male dancers and we had drag Yeah. personation entertainers and we dance and we did a lot of numbers just like we would do it at a gay bar. You know? And that

Jimmy Carper 27:26

was it. That's it. Let's say where did you have it? Was it we have TV? We have it

27:29

they have a stage room. They have a room with a stage and a shower on the stage. Oh. yeah.

they have a stage room. They have a room with a stage and a shower on the stage. Oh, yeah. So that when they do have guys that do their shower dancing, they do that they're the only thing is, oh my God doing my show, you know verse because all these guys are like bleacher seats, and they're all wearing all the towels, or your towels and you have you know, when you perform you sort of look at one person. And it's kind of

 Jimmy Carper 28:00
like, Were

 Peter 28:04
you looking at those girls towels?

 28:06
No, I don't have to because they're kind of open sometimes. Oh my God want to stare at no one you know, but it's just wow, I cannot believe that you just rows and rows. It's a lot of fun.
