Honest to God, I am Using my squad car last night, I came upon two lovely boys parked in a car where they are. So I shine my flashlight in the car and I says, Okay, fellas, what's going on in there? One of the boys said, well, nothing officer. We're just sitting here talking, just chewing the fat, you know? So I said, Well, how long have you been parked here? He said about an hour, sir. I think that's a wonderful segue. And we may we may

J Jimmy Carper 06:32

even be able to buggery on the high seas.

P Peter 06:35

We may be able to bring a little Spock in next week.

J Jimmy Carper 06:38

I'll do it for Friday. Normally we have Spock here in the station. That's why I don't bring it but it's not here this week. So you know, yeah. yourself you know, that's how it works.

P Peter 06:53

But those were fun songs. They are fun songs. And now maybe those will be the favorite.

J Jimmy Carper 06:57

And thanks to Rainbow we have the queer policeman Oh, and we may get more we may we may get more Jim's

P Peter 07:18

Oh my god. We aren't going to be playing well maybe

J Jimmy Carper 07:20

not

P Peter 07:23

we grabbed the wrong tape

J Jimmy Carper 07:24

rather on tape. Let's see what we can do about that

P Peter 07:26

well oh my god yeah, we were gonna do and now we may not here is

J Jimmy Carper 07:31

a piece that was requested by Woody in North Montrose.

P

P

Peter 07:36

What do you North Montrose?

J

Jimmy Carper 07:38

It's also requested by Tom in central Montrose. Oh, you ready? What is it? It's Pet Shop Boys.

P

Peter 07:47

Oh, it's Oh, how'd we know that our boys go west. Whoo

J

Jimmy Carper 08:00

hoo. Yeah, go west. That was for Tom and for Woody. For Montrose, both of them for much. Yes. Oh, guess what? I found the history of the Stonewall Riots take you found? Yes, I did bring it. So we'll be playing that in the two o'clock hour.

P

Peter 08:20

You've got it after all I do. And every listing out there and radio land turn around.

J

Jimmy Carper 08:25

So also, I have a piece of new music from a local man. Really? Who wrote the piece and it's been it's sung by Yeah, Tristan, MC Avery, the writer from the triangle. Nas? Yes. It's Oh, two beautiful tune.

P

Peter 08:47

When are we gonna get to hear that?

J

Jimmy Carper 08:48

We're gonna we're gonna play that soon. But we got a couple of things we want to do. We got a couple things we're gonna do first. Uh huh. Oh. I hear somebody. Well, you know, first of all, I mean, we were talking about we've got all of these calls from Copperfield. It's just incredible. You know, next weekend, they can do their own pride parade, or come to Houston and

P

Peter 09:11

they really got to come to yesterday. Have you ever thought about down Highway six? A bunch of days? I don't. They ought to come on into Montrose say

or days? I don't. They ought to come on into Montrose say.

Jimmy Carper 09:21

Come on. Come on to Houston and follow rainbow. He knows

Peter 09:28

follow Jimmy Carper down. He'll be the one with the legs up in the air the big heels on first guy

Jimmy Carper 09:35

and they cry what has big Roy

Peter 09:36

has something he needs to say? Get ready. Get your stomach out of my face now. Oh.

Roy 09:41

Ooh. Paul out there now so I want to thank you for that card. Oh, that was so great.

Peter 09:48

So he's been in the bathroom ever since he got it. He's bleeding profusely all over the place. He's damn paper cut.

Roy 09:55

I wish I had some that big in my

Peter 09:59

mind. My mind you do honey? You're leaning over me with it. Oh it's a little tummy. Yeah. And it's boob out. You don't really know what it means stop stop.

Roy 10:13

We really have been getting an awful lot of stuff out of Copperfield and

 Peter 10:17
halfway through we did wonderful few weekends ago we didn't know there was anybody inside the loop listening that we are everywhere.

 Roy 10:23
I know. But you know what? We got one really unusual one tonight. Oh, yeah, he had one request come in from North Montrose.

 Peter 10:34
Yeah, we played that already. We did it.

 Jimmy Carper 10:37
Yeah. What do you North Montrose? Montrose? Yes. Pet Shop Boys.

 Peter 10:41
Oh, that's good. We're in the bathroom again.

 Roy 10:42
Oh, that would it is.

 Peter 10:44
Can't get her out of that. TOLDY tonight whatever problem

 Roy 10:49
Well, I gotta go back to my phones. Love you all out there.

 Peter 10:52
Oh, get give big boy. Something to do to keep out the bathrooms call in quick. Oh, my God. Get that car back fast. Boy, he's gonna kill himself.

 Jimmv Carper 11:04

 Spring branch has called in amber are

 Peter 11:07
inhaling. Oh, woman. We love this. Thank God. There's women under this. Sorry.

 Jimmy Carper 11:13
I'm sorry for you, Amber. Anyway. You have to put up with that.

 Peter 11:20
Oh, we have some feelings about that. Anyway,

 11:25
you don't say that again? So she knows what we're talking about. Oh, he's district. Yeah.

 Peter 11:33
Yeah, we all know where spring branches.

 Jimmy Carper 11:36
Yeah, I certainly wasn't talking about Amber.

 Peter 11:41
Everyone is gotta be sweet loving.

 Jimmy Carper 11:45
Yeah, no kidding. I wanted to hear anything from CWA.

 Peter 11:50
CWA. Yeah,

 ..

J Jimmy Carper 11:53
I'll tell you what that stands for later.

P Peter 11:55
I think I know.

J Jimmy Carper 11:57
It. Okay, it's C with attitude. Okay. No, I didn't I don't have anything from CWA. You're just

P Peter 12:07
out of all kinds.

J Jimmy Carper 12:10
I only have one. I have to tape. I know with CWA. That's all I have on it. You know, I've looked I
you know, but anyway, I have a group called Special head.

P Peter 12:26
Not quite as CWA but

J Jimmy Carper 12:28
no but it's in that same vein, let

P Peter 12:30
me tell you. Oh, and then maybe we come back we may talk about Disneyland. Yes, I

J Jimmy Carper 12:35
think we're going to anyway this is for Amber and spring branch and it's motorcycle but okay,
well if I put the right number on that that always helps when I can talk about let the joyous
news be spread the Wikidot with CIT love dang dang that damn Witch is Dead

P Peter 13:50
No, no, no, no, no, no, no, no. Oh, and you are listening to all this frivolity. Yes. On ABET

no, no, no, no, no, no, no, no. Oh, and you are listening to all this frivolity yes. Oh AFT

J Jimmy Carper 13:57
Houston and ke O 's College Station. This is after our

P Peter 14:01
90.1 and 89 point when

J Jimmy Carper 14:04
we're radio at queer radio with attitude.

P Peter 14:11
We missed that pronounced Justin gave that just free. Yes. Well, you know, but there may be some out there listening in their closets and under their covers. Not wanting anybody to know that they have seen Mickey Mouse live. And they've been there and it has ears. Did you

J Jimmy Carper 14:28
know what the damn bath just won't go to Disney World now

P Peter 14:31
when I women? The my big thing. I think the funniest thing about it is, is if a gigantic community. I mean, the whole Southern Baptist Convention met and if they don't have anything more important to talk about than Mickey Mouse ears. I think they are in big serious trouble. I mean, you know, like look at the where the world is today and the messes we're in and the major issues of hunger and, and and deprivation and addiction And world mass and family dysfunctions and love and pain and hurt and sorrow and 1000 million other things and they're worried about Disney and they're gonna like one day Gay Day. Yeah, yeah, let's let's boycott that thing because they have a queer day. What just don't go on queer day. What's the big problem? I mean, and you don't have anything else more important to discuss? Do

J Jimmy Carper 15:22
we pitch because they might have back to stay? No, we just don't go get over it.

P Peter 15:31
with a lot of people with the bunch of states and for the people to the world around

who'd want to be there with a bunch of jokes and run loving people the world anyway?

Jimmy Carper 15:34

I mean, these are dancing, have sex ending up? Because they don't want people to think

Peter 15:39

they're dancing. I was gonna say I've danced with my Baptist. Baylor.

Jimmy Carper 15:45

Oh, yes, you can dance at Baylor.

Peter 15:47

They have the problem. Now.

15:48

Why did they vote on that? Who

Jimmy Carper 15:49

knows?

Peter 15:51

Why did they vote on that row cares?

15:54

I heard this on the radio on another radio show. They had 40,000 messengers. That's what they call them at their, their meetings. You know, the convention? Yeah, a year ago. This year, they had 12,000 and only 6000 This year voted for the Disney boycott. Really? So I mean, how could you

Peter 16:11

tell what do you tell your kid Mickey's queer? And what difference does it make? And who wants to do a mouse anyway? Mickey isn't queer. He's just fucking goofy. We can't get through

a radio program without saying the word. I'm sorry. It slipped it was an old joke. If we missed that little thing. We just missed it. But as after the family I'm glad it's after the family army to science and I'm glad it's really entertaining. But anyway, oh, and the Disney world where it's back is free. But did you also know that I think when you when you not only have to tell your kid that we can't go to probably one of the biggest theme parks the most incredible plaques that you know, that is Jan, then second of all, now that means the you also cut out, you know, ever giving your child pizza again? Yes. And other. I mean when they say I want to go see you know, beating beating Hercules. So now you can't go to theater. No more cartoons no more whatever. No more pizza and the 1000 entities that they all oh, we're touchdown fail no more those no more of that. And they also own they're big. They own a large part of Miramax. They own a bunch of stops drinking. Okay, so yeah, McDonough no more McDonald's because they own portion of that. And they own like, there's this big percentages of other corporations. Plus, if you really follow through on this and your issue is they have Gay Day, and they don't like it because they give their employees a little extra. Now that means that you

J Jimmy Carper 17:46

allow you're not really extra what everybody else gets.

P Peter 17:50

Yeah, it's not extra. It's like right, what they should get, but it's extra according to some of these idiots that are voting.

J Jimmy Carper 17:56

It's not nothing special. It's just what everybody else gets. Yeah.

P Peter 17:59

But then they go from that to now then you can't have a computer. Or if you do, you're gonna have to some off brand because now you've got IBM compact, all the big major computers, they all give all their employees fringe benefits, right and have equal things for same sex employees. Now so we've got we've got in the computer industry and the insurance industry. That's right, so you better pick your insurance company real carefully, because many of them

J Jimmy Carper 18:25

don't even think of going

P Peter 18:25

to San Francisco don't even think planes, trains, buses or anywhere in their Mecca.

18:32

You don't have insurance, you get a gold card here at Harris County, which is paid for by the taxpayers, which has the taxpayers include what base atheist to Baptist, right.

Peter 18:44

And the next thing you gotta be real careful of is guess who owns the Houston Chronicle? I don't know. First publishing guess where his publishing is from? San Francisco. Oh, guess who gives all their employees equal benefits? So not only are you not you will never know what's going on at this time because you have to cancel your subscription to the Houston Chronicle. So you're gonna really be as they say in the dark or not in the know so you know sure can advertise your Southern Baptist Church can things which are take a big huge pages have you ever seen First and Second Baptist pages when that when is the it's the electric light parade which they have a Christmas which is almost like the Disney electric light parade if you've ever seen it and you know more of that so now where are they going to advertise where they gonna be? What are they gonna do you know? I mean, can't you find something a little more important to talk about i for deal with thanks so one with there are problems and I will venture a guess if the Gestapo went out tonight and searched every Baptist home, they find Mickey Mouse ears there. I know they would find them in those houses say nothing but blood on your door post because the Gestapo is coming tonight. And they're gonna pass over those houses. With bloody

Jimmy Carper 20:00

drink up that little girl's

Peter 20:03

or liquor down your frown your Fern docks in the front yard and get rid of those Mickey Mouse ears, because we're coming looking for a

20:11

first time that the Baptists have been upset with Disney though. Oh, no, of course not. They gotta have something was a lie. They were upset because he Satanism the movies at the head? Well you know the you got the beauty and not the beauty of these. The witch witchcraft, they were always 101

Peter 20:30

Dalmatians rather developed a little bit

20:36

I remember the days when the Baptists were upset with Elvis Presley. You watch now you watch the religious channel you don't even know if you're watching MTV or religious channel because they all got that rock'n'roll music now. Yeah, but they're not shaking them. Oh, yes, they are.

Peter 20:51

They're not paying their little selves on velvet things and hanging when they're ugly, tacky, living rooms.

20:56

I'm a little bit confused. Yes. You're always confused. Confused about if these people with their kind of reasoning does that mean that if they do anything doggy style, that they'll wind up and bark or walk? You know, what's this all about?

Peter 21:12

Only you would take this to the all time ultimate depths. We can't do Mickey years without doing doggy style. Now see, I could see they could have some problem with that. Yeah. Why? I mean, well, if they want to do missionary style, that's okay. I mean, I could see him problems. Wow, boring. Well, it may be but if that's all I had to do, why are boring they don't drink they don't dance it I mean, and if you don't want to go to Mickey Mouse land AND, OR, and do a doggy style, then stay home. That's fine. We don't care. But you know if that's all you had to look forward to? I mean, you know, I would think a trip on a roller coaster could be a hoot.

21:51

Do the boycotts of today are not like they used to be because every corporation owns every other court. Yeah, it's really not like the elite of riot days. And what happens when Anita Bryant you know, down hill after after that without down lands? Well, you know, you want to talk about theme parks. Disney runs their theme park a lot better than those Christians did at Heritage USA

Peter 22:17

theme park Oh, yeah. Well, now that they hadn't, if they hadn't closed that they could have all gone there for the summer when Jerry Falwell went down the chute, which would make us a whole lot a whole lot more room and Disneyland go down the chute. That was a give it give everybody else a whole lot more room and AstroWorld

limmv Carner 22:41

 Jimmy Carper 22:44
Well, you know, we're talking about extremists.

 Peter 22:44
But you know, my thing is, I really don't care. I really

 Jimmy Carper 22:47
Christianity and religion and spirituality are very, very important to a lot of queer people, a lot of games has been a lot of, well,

 Peter 22:57
they're very, very important to anybody who's about a holistic living. Sure, but when you when you got all these we just talked earlier an hour ago, we must have given what at least 15 different religious things going on in this city from MCC RS concert tomorrow to I mean, we just went through community gospel community gospel, we went through a bunch of things that are just with gay pride things alone, that's not even counting you know all the stuff that goes on a bearing all the stuff that goes on in all these churches who are dealing with daycare centers for HIV people dental clinic, the only one in that city, all these things that people are doing and reaching out, you know, my thing

 Jimmy Carper 23:33
is, you look in the back of the twig and you see the religious organizations and they're dressed as many religious organizations as there are bars

 Peter 23:41
right. So what I think it's really important something about the whole deal is is if you don't have more to think about and deal with then boycotting a place because they have a gay day then you know why drag all these people from all over the country to meet what a damn waste of money you know, there's not there isn't anything more important that you could boycott like maybe abortion clinics or something? I mean, I don't know dream if anything who knows if that was your bag? I mean if that's your bag or maybe like nuclear weapons or or you know we've just killed What 20 People in two months in our in our you know, in our file things hunger and hunger children's issues of all kinds that they don't have toys and food than a visitor and some of them are in abusive homes. But I mean, if you want to jump on something, you know, what if What about you know, should we or should we not have capital punishment? We've killed 20 people in Texas which is quite a bunch lately. I mean, there's loads of issues out there just just hanging all over the place really important of poverty and issue disease that

 Jimmy Carper 24:56

a spiritual leader Yeah, As rope should get behind.

P

Peter 25:02

I mean, those people are a bunch. Yes. I mean, their churches a bowling I mean, and they do a billion things. They have incredible education. I mean, all their people are active. I mean, they're a great spiritual community. But surely they've got to have more to worry about than that. I mean, when you gather as many people have you ever been to like anyone the Baptist churches? There's two of them. I mean, first and second what you can It's like going into the music hall is literally 1000s and 1000s of secret plays a huge and and and their pastors on TV gives excellent, excellent messages sometimes, you know, I mean, for people that are staying home, watch that. I mean, the guy's no dummy. And the good stuff there music programs, I know the music director, one of the places he's a really person. I mean, good. God Myrna. I mean, it's just as you get, you know, hundreds 1000s of people their traffic cops having, you know, to do their parking lots, and all they got to worry about is mouse ears and who goes on queer day? Why published the day we're all going and then you can stay home. What's the big deal? That leaves you 364 Other days to go? I mean, give me a break.

J

Jimmy Carper 26:13

Anyway, I want to get to this piece of music and one against the local one. Yes. And I want to get to the history of the Stonewall riots. I want to hear this local thing. The history of the Stonewall riots. It's very important. I like to play it every year because that lets you know why we have the pride parade. Yeah, it is it is the celebration of what happened in New York. City Greenwich Village, at the Stonewall Inn July June 27 28th 1969. I say 27th 28th because it happened right around midnight. It started on June 27 into June 28.

P

Peter 26:53

We played this last year. Yes, very weak. If I remember correctly,

J

Jimmy Carper 26:57

yes. It's very important when big. It's important for people. It's important for all queer people, because you may not know your history, and you may not know why we marched down Westheimer once again, this this is this is the reason for it. You know, there's a reason why we celebrate the Fourth of July and we have parades. And there's a reason that you know, all Memorial Day. Yes, yes. And various other thing is this. The Stonewall Riots is the reason that we have projects.

P

Peter 27:30

And there's there's a reason why we have Juneteenth. And there's reason why we have Martin Luther King's birthday. And there's a reason why we have that is because it's anytime that people are discriminated against or die for a cause. People parade and do things. Yeah. Well,

maybe some of our people who decide to discriminate in that go to Happy Land Disney places may want to listen to I mean, how can you be for this one group of people that are discriminated against and not for another? I mean, a lot of like Baptist Baptists who are for the whole issue of the black discrimination issues and all that. Well, discrimination is discrimination and discrimination owning different colors, whether it's black painted

 Jimmy Carper 28:09

Martin Luther King say about that. None of us are free until all of us are free.

 Peter 28:15

Absolutely. So there could just be big lessons here. Yes, yes.

 28:20

I realized years or when was 1987 the parade in 1987. This is gonna be I'm not that old. The day we walk down the street and we didn't have floats. We didn't have anything. That's right. And it's gonna be a complete change from a decade. Yes, yes. 8799 he said next week's parade will be a lot bigger and better. Because that was a year we it was all doing the solemn thing of walking down a hole

 Jimmy Carper 28:46

the whole thing was why should we spend money for the floats when the it should go to AIDS causes? Yeah, and then we didn't do it that that year and the next year we said you know, eight eighths needs money, but we do need to budget other money for celebrate Celebrate. Yes, because we need the celebration as much as we need

 Peter 29:09

and especially now we need to celebrate and glow with probably because there's been such great strides. People are living with AIDS and not dying with it.

 Jimmy Carper 29:18

Yes, yes. I am one of them.

 Peter 29:21

I mean, we're talking living not just existing That's right. We're talking no reason to party

29:28

yeah now looking for jobs when they were just Yeah. Oh, yeah.

P

Peter 29:33

Well, this be a cute mess when this all goes when the government gets a hold of that. Yeah.

J

Jimmy Carper 29:39

So to to pre to come before this history of the Stonewall riots. I've got a piece of music, local music by skip would skip what he wrote it and it's being sung by Tristan and Nick Avery who writes a column for triangle dynamics. I've been reading his columns for a long time, and I didn't even know he could sing. This song was it was. Now I'm gonna give a little background on this. It's called, isn't it enough that I love you? It's dedicated. It's for Chris who skipped knew a long time ago and wanted a relationship but Chris was HIV positive with AIDS and didn't want to get involved with anyone who wasn't. And so this is a song about and actually these two men did love each other but But Chris held back because he had AIDS. And you know, love is love. Yeah. So
