 Chris Harrison 00:00

Haven't been well we almost caught you. We almost caught you talking about your nude pictures you got on the website.

 00:06

Hey.

 00:09

nude pictures. What am I doing?

 00:11

That's enough of the native language talk that's another show. Naked late night you didn't tell me you spoke Cherokee I didn't know your scrotum was of many colors was a cartoon What

 Bobby 00:25

do I look like sour omen.

 00:27

Okay, the music we had playing which is still playing stop. Okay,

00:33

and yet again the CD players start fighting back. Whoa,

00:36

well and Merlin fell over with playing with his staff

00:41

not in the

00:43

started off with Mark Weigel with love your body like it is. And we brought that up with Gary Vee Gary Floyd band.

Bobby 00:54

What was that? Funny like it was like it is

00:57

loving it like it is oh,

00:59

and I could get somebody

Bobby 01:01

to love my body exactly as it is.

Jimmy Carper 01:04

Actually, what they're talking about is the use of alcohol and drugs.

01:08

Okay, where is he at?

 **Bobby 01:10**

For this? We have a Jimmy in the studio. Yeah, in the corner.

 **Chris Harrison 01:14**

He's in one for Gina doesn't have one night. Because I was having trouble. I'm hearing an echo kind of Yes. So I was just trying to make sure which microphone you're on there. The second song was the Gary Floyd band. The album were dedicated to brother Steven. And it's called backdoor preacher, man. And the song we played was a better man.

 01:37

That's right.

 01:38

She needed in a better voice.

 **Jimmy Carper 01:40**

No better man.

 **Bobby 01:42**

To preacher man. I wouldn't

 **Chris Harrison 01:45**

know there's I don't know that. I've learned. I've learned the difference. Okay. Men are better. Men are better. follow that logic. They're sure all the Catholic priests out there who are listening. Hey, I was an altar boy.

 02:05

That looks like you're done. Yeah. He's had a lot of cokes and candy bars.

 **Chris Harrison 02:12**

So do it. We've all been sucking down on Jimmy's candy that he brought us from Hawaii. Yes, he doesn't burn it. Jimmy.

J Jimmy Carper 02:22

So everybody's on the sugar high here. You've had enough caffeine. I'm good.

C Chris Harrison 02:27

We didn't bring anything. You didn't bring any of the Hawaiian boys. No, no, really. That's

02:31

what we really want our

C Chris Harrison 02:33

boys. I enjoyed watching a little bit of the Hawaii they were showing some guys going on one of those outrigger canoes. And it was like, Oh, that's nice. You

J Jimmy Carper 02:42

know, the interesting thing about Hawaii, Hawaii is different from any other state in the union. Because that's an island, there is no majority. Everyone there is a minority. Because there's been people who've come there from, you know, Asia, America, and they've all interpreted Native Hawaiian, and they've all intermarried. And so you just have this collection of different people. So while nobody really kind of stands out, everybody's accepted. The gay community is, is not really large because they don't have to be they're accepted.

03:30

And there's a really cool license plates to Yeah,

J Jimmy Carper 03:32

just rainbow on them. And, you know, then and there's a couple of gay bars in Waikiki and downtown for the tourists mainly, but it's really not necessary to have the gay community accepted.

C Chris Harrison 03:49

Also, you really can't that long of a pride parade or fall in the ocean have a parade of a bride swim? And

 **Bobby** 04:02

you know, there's an old joke about what is worn under the kilt not nothing. Everything's in perfect working order. Yeah, I want to know what's under the

 **Jimmy Carper** 04:10
hula skirt.

 **Bobby** 04:11

Skirt. Yeah, because this is pretty high. Except for the ones who are like you know, the big boys who come you know who basically have more Samoan blood than anything else and those

 **Jimmy Carper** 04:25
beautiful men and that those guys are the they're the friendliest guy skies you're ever going to meet anywhere in the world. Or at least people are truly friendly.

 **Bobby** 04:39
Because you've got some of the ancestors Yeah, that's right there. Yeah.

 04:44
We can convince the radio station to send all of us to Hawaii to do a remote

 **Jimmy Carper** 04:54
that boy, you know, he can he can do things he can pull all this old stuff. Yeah, he's got us doing what? A Super Bowl show. Yeah, there

 **Bobby** 05:05
was any group. As far as Hawaiians are concerned, if ever there was any group of people who are more as a as a complete, you know, person are relate. connected to their spirituality. Oh, yeah. Because they're their greatest Goddess is Pele, the goddess of fire? Well, for obvious reasons because you know, they're the fire created.

 **Jimmy Carper** 05:26

J Jimmy Carper 05:50

Now there are some native Hawaiians who have banded together because they really would like not to be a state anymore and become their own country. But that's probably not going to happen. Yeah. Oh, yeah. There is a big push to, to bring back the Hawaiian language and customs. Hawaiian language is actually very easy because there's only 16 letters in the alphabet.

C Chris Harrison 06:02

But they're all vowels. They have all the vowels and put an apostrophe in the name of their state.

J Jimmy Carper 06:11

Yes. Yeah, I know. It's because

B Bobby 06:14

to Hawaiians. It's not Hawaii. Its Hawaii.

J Jimmy Carper 06:19

Yes, that's right. It's, it's not like that you pronounced Yeah. The greeting

C Chris Harrison 06:25

is Aloha, not how are ya? Charging many New Yorkers, you know how well yeah, Hawaii.

J Jimmy Carper 06:33

And most of the words have like two letter syllables in them. So they're very easy. I mean, they're very long, but it's very easy to pronounce. So would it

B Bobby 06:44

be nice if there were more cultures who just saw Gay Straight by whatever as just sort of a part of it all? Well, you know, most of Native Americans, certain Native American cultures.

J Jimmy Carper 06:57

There's, of course, there's probably Baptist there. But most of the other religions are very, very tolerant. Last year when I was there, Phelps, Phelps clan, was there lovely. And the people were

outraged over it. All sorts of people were outraged over it.

B Bobby 07:20

I'm seeing a sacrifice to Pele happening there. Oh, yeah. Talk to the ring from like, melt is

C Chris Harrison 07:31

also gonna look at the fact that the University of Hawaii for years was called the rainbow warriors. Their logo had a rainbow on it going into letters U H. And recently because of especially right after the gay marriage debate started up in Hawaii, they got rid of the rainbow. Yeah, off of their score. They dropped the rainbow from the Warriors are now called the Warriors. Their symbol is now an H with spikes on both sides. It's kind of it's supposed to be this Hawaiian native.

J Jimmy Carper 07:58

But you have to remember that the vast majority of students at the University of Hawaii are from the mainland. So that's where you get the problem. And you don't get the problem within the time

B Bobby 08:13

by the way, Jimmy, how was your trip?

C Chris Harrison 08:17

Did you get laid when you got off the plane? No,

J Jimmy Carper 08:19

it was very passable. I

o 08:21

was gonna lay but he didn't get laid right

J Jimmy Carper 08:24

now I got a tan that's that's what we do. Yeah, we

C Chris Harrison 08:29

were polite this year. We didn't do that the shout out to the West for you.

B Bobby 08:36

Yeah, my parents went to Hawaii twice as when I was a kid left me at home of course. All I got was a bottle of black sand

J Jimmy Carper 08:48

when she got candy for me

B Bobby 08:49

yeah, at least. They although I did I did learn what my first my real first name is in Hawaiian. It's Lopaka

J Jimmy Carper 09:00

Lopaka when his chi

B Bobby 09:03

we were talking about that earlier. I'm a big sci fi geek so hit the fact that his name is Chi is kind of cool because Chi in Star Trek terms is a mature and spiritual leader is like would be the Catholic Church's Pope Mason he's kinda hardly it's you know, I wouldn't I wouldn't quite say spiritual leader.

C Chris Harrison 09:29

But he's used for the silver picker candle. And Jamie, Jamie he is someone removed the the silver coating from one of them. Excuse me. Who sets it off?

B Bobby 09:45

But Chris's wife it's Steven

09:57

overcoated anymore, baby. Have

B Bobby 10:05

you seen silver flakes on floss on any dental floss in the garbage? Can

♀ 10:18

this conversation get any worse.

C Chris Harrison 10:21

Are you new here?

♀ 10:23

Oh, wait a minute. I just totally forgot what or

B Bobby 10:27

somebody brought up the I was having conversation with somebody this week about different pagan sects from. Yes, ancient times and in Strega in Italian paganism, there was a group called the kava lino. And they were an entire sect of what were essentially homosexual. worshipers of the Goddess.

J Jimmy Carper 10:55

I didn't know that. Back then.

B Bobby 10:59

Yeah, well, Merlin's do age backwards. So I'm getting pretty old. I'm getting pretty young now. The

J Jimmy Carper 11:06

here Yes. Because the youth ones.

B Bobby 11:09

Yeah. The, the Catalino actually, they were they wore women's what, you know what, 3000 years ago, it was all you know, toga type and, but it was they were women's clothing, even

more what was essentially women's makeup and stuff and during their rituals and stuff.

J Jimmy Carper 11:29

So we're talking cross dressers? Yeah,

B Bobby 11:31

basically great that and, you know, most they didn't in their daily life, they were you know, they didn't do that. But mostly for their major rituals that I started it was one of my focuses when I first really started studying the various

C Chris Harrison 11:53

you need to put on your headphones if you're going to catch up that was

B Bobby 12:02

one of my focuses when I really started studying pagan beliefs and stuff was studied because I'm half Italian and half Irish. I immediately went to piss him off. My mother was Irish. My father was Italian don't get in the middle of a fight when they're dead, and I still wouldn't want to get into the middle of a fight without the ordination. COSTA one of the things was studying things like traigo which is a Dalyan which also unlike other beliefs were in Wicca which is a wish whether you're a man or a woman in Italian, there are separate words for a male witch and a female witch it's Strega and struggling

J Jimmy Carper 12:46

we just got taken off the air.

C Chris Harrison 12:48

No. Oh, just Mike for was

∅ 12:52

that was hardly where Echo was coming from to Oh,

C Chris Harrison 12:56

yes, no, we're still here. I just figured out that that's what was making all the horrible noise in the background. It was whoever sittin over at microphone number four.

J Jimmy Carper 13:04

What is he doing?

C Chris Harrison 13:05

I don't know.

B Bobby 13:08

He's not even anywhere near it is just so

J Jimmy Carper 13:09

no part of his body is near it. I don't know maybe his knee

C Chris Harrison 13:16

Okay, Jimmy, if you're looking at his knees that wasn't his microphone

J Jimmy Carper 13:23

in my dreams Thank you. Thank you. Thank you.

C Chris Harrison 13:30

We'll be now

J Jimmy Carper 13:31

oh glad to feel wanted. Yes.

13:34

13:36

B Bobby 13:37

C Chris Harrison 13:49

Jimmy was putting the rim and Pacific Rim

J Jimmy Carper 13:56

I was raised with Stanley.

C Chris Harrison 14:03

So I mean, Jimmy now look at this way back a bigger suitcase next time so I've got room for me.

♀ 14:12

And multiple pieces of luggage. For the rest of us.

J Jimmy Carper 14:15

When you travel with Stanley you only take carry on luggage you don't you do not check any luggage. No matter where you're going. No matter how long. That's okay. I don't want to be checked. I don't want to talk about it. I don't want to be striped you know? Well,

B Bobby 14:32

your husband when it comes.

C Chris Harrison 14:36

I can occasionally be ribbed for your pleasure or his well.

♀ 14:45

What time is it? Born? It's

B Bobby 14:48

about four minutes to show to be over. Yeah,

C Chris Harrison 14:51

well actually, actually with the one minute there we've got two minutes. This is your two minute warning. This is

J Jimmy Carper 14:57

your terminal. Don't we have that going music or Anything basketball here?

C Chris Harrison 15:02

Because we got the election stuff we got to do. Oh, I see yes. We just kind of bring it up here towards the end

J Jimmy Carper 15:09

of the smiley even though we can't hear me until March

C Chris Harrison 15:14

yeah as we say there's we can we can talk about his penis since he's can't hear us talk about it right?

J Jimmy Carper 15:20

Hello I want to talk about smilies penis because he

C Chris Harrison 15:23

said we can't

∅ 15:25

that's fine enough reason for me

J

Jimmy Carper 15:26

Does anyone here I've never stopped anyone here ever seen smilies penis? No,

C

Chris Harrison 15:32

And I ended up going up and getting it

♀

15:53

J

Jimmy Carper 15:57

Oh, he was a dancer. It's a line between

B

Bobby 15:59

blackmail.

C

Chris Harrison 16:00

That's where we get the jokes about smiley wanting to see the nose on the smiley face because he used to wear the joke boxers with a smiley face on it.

♀

16:09

I have seen him okay, yeah, back in back in my party days when I used to be nice.
