No, but you both are a great couple. Thank you. And you have done quite a bit for this community that people don't realize, because your business is catering. And you're constantly either donating food for a fundraiser, or giving it to them at cost to you, at the very least. So then people don't know that, you know, it's it, then that's kind of why I have so much respect for you, because you're doing all of these things. You've been doing all these things and you're not making a big deal about, hey, look at me on you know, donate Saturday, you know, yeah, you know, you just do it.

∅ 29:01

Jimmy, when when I see so much of the community going out, and they're putting their time their effort into performing doing shows, this is the part that I can do and, and give back and help out. So great.

J Jimmy Carper 29:16

That's what I do. Great. Well, obviously minor 40 or older.

J Jewel Gray 29:21

Obviously this so horrible.

J Jimmy Carper 29:23

Well, no, because Mr. Braun doesn't know what the rules are. 40 Mr. Probably doesn't look 40 is a man 40 or above. He doesn't look yes. That I'm above and yes, that incorporates 30 You know, ideals of masculinity and manliness and men and, and and the whole idea, I think of it is that, you know, there are hot men who are not just in their 20s Yeah, you know, there are hot men, who are much older and older than 40 ordered older than 50 women to Jimmy Exam. Yeah, exactly. That's huge. Yeah. That's what I love about this contest. It's that it's

J Jewel Gray 30:07

fun. Yes. Rather than it is pompous? Yeah. Well, there's

30:12

nothing wrong with being over 40 No, no,

J Jimmy Carper 30:15

not at all. No part of this. I mean, there's there's kind of, you have to jump through a few hoops. And part of the hoops is is having fundraisers? Correct. So, can you tell us about, first of all, tell us about the fundraisers and how much it means to you being elected Mr. Braun choice?

30:37

Well, since the contest is actually judged 30% of my score, so to speak, I is based on my fundraising that I do. And my beneficiary that I've chosen is the Lazarus house. So we have several different events that are going on. I know you spoke about the one tomorrow at

J Jimmy Carper 31:02

keys West. Yes, we speak about it again. Because jewel has the paper in front of her right in front of me

31:07

that that we're doing that's going to be a fantastic show going on. And Mr. Manhattan, Mr. Manhattan sets, I'm originally from New York, but now, I've been transplanted here for many years. And,

J Jewel Gray 31:19

and you don't have a bit of that New York and you know,

31:23

so I think, a few Estonia now. So that's going to be a really exciting, great show. And then the rest of the fundraising that I'm going to do are parties.

J Jewel Gray 31:36

Oh, I think that's a wonderful idea. Yeah, contest, that there's a contest that you win by winning for someone else. For for your charity that you're fundraising for absolutely wonderful. Yes,

J Jimmy Carper 31:50

it is. And Lazarus house is certainly a worthy, worthy charity

31:56

I had. When I found out about the Lazarus house, I just fell in love. And and Danielle, tell

J Jewel Gray 32:02

us about the Lazarus house, because a lot of people don't know, okay.

32:07

Lazarus house is so unique. It's an actual house that has gym equipment in it, but it looks like a house. And chronically ill patients. Clients, actually, I should say, suffering from wasting disease, go there and work with a personal trainer, and nutritionist to keep themselves healthy. And my whole stance on what I'm doing as Mr. Prime choice, and the reason I've chosen

Lazarus house, is we keep hearing until there's a cure until there's a cure. Yeah, well, until there's a cure. We need to keep our community and our brothers and sisters and our friends and family healthy. Yeah, you're right. So they can be there for that day.

J

Jewel Gray 32:55

So is it a fee to go to Lazarus house? No, it is not? Well, so then and that's a big deal of paying for to go to a gym. And assuming that insurances are paying for the physical trainer. The it's not, not Lazarus house doesn't pay for volunteer.

♂

33:13

It's it's all it's all volunteer to the to the clients who go, there is no cost to them, or it's a very low cost.

J

Jimmy Carper 33:22

So these are mainly clients that are indigent are on SSI. And so that's what

J

Jewel Gray 33:27

I was gathering that these were people from HIV. Correct. And usually those are the, you know, and more HIV cancer, insurance and medical problems. Yes. But of course,

♂

33:38

they are suffering from a wasting disease, which is so common with illnesses as such as HIV, that you know, they're there to keep you healthy.

J

Jewel Gray 33:49

Well see now you've let people know that didn't know before that Lazarus house is there. Yeah. So on that and tell

J

Jimmy Carper 33:54

me I'm 120 pounds I need to go that's a big plus.

J

Jewel Gray 33:57

So tell me what they won't let. So essentially, what you do is you put together events and parties and such and you raise money and you donate to them. And that's 30% of how you're

judged on the Mr. Prime choice or Mr. Prime choice. And is there a talent contest? A bikini maybe

⌚ 34:15

I have to do a video

⌚ J Jimmy Carper 34:16

oh, a fantasy fantasy

⌚ 34:19

is not revealing

⌚ 34:22

what it is.

⌚ J Jimmy Carper 34:26

And it goes right to the edge but we have to mention that this contest is held in a bar so there's not nudity in the videos. No, maybe in the Director's Cut.

⌚ J Jewel Gray 34:41

Okay, so you do you've this video and well 30% I'm looking for you know, like, where's the rest? What are the other things that you're judged by?

⌚ 34:50

That are judged by interview and appearance?

⌚ J Jimmy Carper 34:55

There's outfits

⌚ J Jewel Gray 34:56

so they like to job interview or social A commitment interview. I'm not sure what we're trying to do but well

uu, but well,

J Jimmy Carper 35:04

it's like, it's like, almost like a Miss America type interview. The judges will be asking questions.
Do

J Jewel Gray 35:12

you want to world peace?

J Jimmy Carper 35:13

And they Yeah, and they will peace. They can be from like, what's your golden life to? Do you shave your crotch? You know, it's like, it's all we're not sure. Anything.

J Jewel Gray 35:28

And how long does this you? You said you did this, you know, several parties this year, several events this year. How long do you run for Mr. Prime choice? We're all year for two years for two years is a two year title once once he has some commitment? Yes. Two years? Yes. Three months.

35:46

It gives me two years to have a title and to continue doing what I do. Cool. And hopefully taking advantage of it. So cool.

J Jimmy Carper 35:54

Current Mr. Prime choice. Steve Carbone has raised 1000s upon 1000s of dollars for this community.

J Jewel Gray 36:02

Okay, I got it. What do you do after you're Mr. Prime choice

36:04

that's doing having fun, right? That's right. Yeah.

J

Jimmy Carper 36:08

As Mr. Prime choice that's that's the whole idea of is is awareness of Mr. Prime choice and raising money

J

Jewel Gray 36:16

upsets the public have anything say back because I could I vote right now? If you mean, if I if there's like,

♂

36:22

the public does the public it needs to be there for the contest.

J

Jewel Gray 36:27

Oh, like applause meter

♂

36:30

salutely Absolute absolutely show their support. Donations, again, towards the beneficiaries. It's,

J

Jewel Gray 36:40

I bet. I bet that could be pretty interesting, right. The last minute, a couple of last minute donations could throw right, you know, could make a difference. But that could be pretty Oh, yeah. Oh, yeah. I bet that happens too. Huh. You bet that does. Yeah. Yeah. Well, tell me when this is it sounds like a great time. April 9, April 9 April March

♂

37:00

at the ripcord

J

Jimmy Carper 37:02

where else where else?

J

Jewel Gray 37:04

I love the report because you could never see it. Or you sees the people next to you?

37:09

Yeah, it's great. That place I do

J Jimmy Carper 37:14

not mention that you you're doing this fundraiser tomorrow night. Keys. Keys West? Eight o'clock, I guess seven o'clock? Seven o'clock? Seven o'clock. Okay. And that you were doing some more fundraisers? I am.

J Jewel Gray 37:30

In a flurry of last minute fundraisers? Well, yeah.

37:32

J Jimmy Carper 37:42

Oh, yes. And actor js and actor and actor have seen him on the stage. Yes. Kind

J Jewel Gray 37:49

of haven't been EJ.

37:51

And Brad is very, very dear friend of mine. And he is a very big Jimmy Buffett fan. So we're doing back to Mark Margaritaville. Whoa, birthday party for him. And he has generously offered to have his birthday party as a fundraiser.

J Jimmy Carper 38:09

Great. So what how's the fundraiser part work? donations from people who show up

38:15

donations from people show up we're gonna have games we're gonna have performers who are going to have different items that we'll have to think oh, it's gonna be a really great afternoon something for everyone. Daytime events

J Jewel Gray 38:35

Oh, that's better. Oh, yeah. Those are the ones I could go to. Yes. Is it night? That you know I have you know, by the time I six o'clock seven o'clock I'm you know, I'm rolling up.

♀ 38:45

J Jimmy Carper 38:47

Oh, yes. And you don't want to miss that. Cool. Do not want to miss that. Yes,

♀ 38:52

that we have a lot of great items that will be raffling off. And

J Jewel Gray 38:59

any wet t shirt. Like the wet t shirt. Oh,

♀ 39:03

yeah,

♀ 39:04

I can hold that kind of early if I can be. Me too. Me too. All right,

J Jimmy Carper 39:11

that's fine with me. That's fine with me. That's great. That That sounds like fun because that's Sunday afternoon at EJ so I've served and just a birthday party with games and stuff and entertainment and raffle items and

♀ 39:27

you know, yeah, that's it and then my big blowout party will be on April 8. Yes. Cousins. And taking the New York

J

Jewel Gray 39:41

theme because it smells like a lesbian bar

O

39:47

we're gonna do a night at the anvil. And whoa and vote was very s bar in New York. Yes, it was and we're going to recreate the theme of The eremo Wow, we'll have rent boys and racers. I'm trying to find fan dancer so if anybody knows any

J

Jewel Gray 40:10

say that because you know for a second I thought that was a group fanboy. What was it? You said band boys and racers?

J

Jimmy Carper 40:15

Rent boys, right? Boys

J

Jewel Gray 40:17

and racers thought that was a band. Oh,

J

Jimmy Carper 40:21

no. Oh, no. I'll talk to you about that later. Oh, yes, yes.

J

Jewel Gray 40:30

Racer voice. Oh, that's the voice. Oh, now I get that. Yeah. So it's a man thing. Yeah. Well, I don't know any rate girls in idea if they were here, I'd know about it. How about fan dancers in colourful attire? Oh, no, none of those. Unless you know what? That you know, that young man had a great idea. I'm gonna start talking about that later. Lesbians don't have in town. No. Fangirls There you go. No. Rent girls,

J

Jimmy Carper 41:01

no spas,

J Jewel Gray 41:02

no spas. And you know, I've been jealous that every minute I've been in this

J Jimmy Carper 41:05

town. I know it. I know. That's been a common thread. Yes. So anyway, yes. So we digress. thought that that would be April the eighth cousins, cousins. Oh, that'll be fun.

o 41:19

It's gonna be a great evening. And we're gonna have live DJ playing the music from the late 70s. Early 80s. The days of the anvil?

J Jimmy Carper 41:30

Oh, yeah. Oh, no wonder he wants to fan dancers. Yes, yes. Yes. Yes. And lots of

o 41:37

you know. Yeah, yeah. That's it arms

J Jimmy Carper 41:40

in the air. Just you know,

J Jewel Gray 41:42

was it the Village

J Jimmy Carper 41:43

People days? Yes, it was perfect.

J Jewel Gray 41:47

And they were just just beginning heartbeat yell.

J Jimmy Carper 41:49

I remember the village people when they were gay when they were gay. And then they got

straight. Then they kick. They got gay again.

♀

41:55

They had to get I didn't know they were gay.

J

Jimmy Carper 42:00

Oh, yeah. Big time. You know that. You're from New York. And you're over 40

J

Jewel Gray 42:05

Come on. You said yourself. Okay. against it. But you said so. Okay. Take away my queer card. The Indian chief?

♀

42:15

Oh, well,

J

Jewel Gray 42:16

I think he's the only one real real one left. No, no, there's

J

Jimmy Carper 42:20

a couple.

J

Jewel Gray 42:21

I really, I thought they there was only one left. No, no, no, no, no. I almost had a heart attack when I couldn't go see him at AstroWorld. Last year. They were there. You know, it was like, oh, let's relive those days. I'm all for that.

♀

42:33

Why MC I love that.

J

Jimmy Carper 42:36

So that sounds fun. And then the next night is the current

42:39

and the next night. So contest.

J Jewel Gray 42:40

Well, you sure priming them for that contest. Those two nights of those kinds of nights before it are going to make people want to see how it comes out.

42:49

But we have we have a few other things. A couple other surprises that I'm going to pop in. So in between.

J Jewel Gray 42:55

He's got the bubble machine.

43:00

Some other things I have a great sponsor out of the UK that is gonna allow me to introduce a few things to really say,

43:13

oh,

J Jimmy Carper 43:14

we can't say even even the general direction. Well, we can. Okay. It's

43:20

a great game that's played in the UK. And it's called P ball. People that's all I can.

J Jimmy Carper 43:29

Oh, boy. Okay, let your imaginations go wild. Yes. Okay.

43:36

So we'll be hosting some people parties

Jewel Gray 43:39

as well. Cool. Okay, and girls can keep on.

43:44

Unfortunately, girls cannot play table seats. And I knew I was trying to devise a way that girls can play but well as of right now we can

Jewel Gray 43:53

you know, we play key and stand up now. They devise ways we can do that. Standard equipment.

Jimmy Carper 44:01

Well, that sounds like fun. That really sounds like

44:04

that's gonna be yeah, those are going to be great party. So you'll see posters around.

Jimmy Carper 44:12

Great. And when I get the information, I'll be talking about it on the absolutely you bet I will. Hi, Greg. Thank you for being here. Thank you.

Jewel Gray 44:23

Music you it was really a pleasure to meet you. Thank you so much. Fun, thank you. I'm gonna see if I can get behind and you know, throw some money to have you you know, hey, if the lesbians can come throw money at you you know the men can

Jimmy Carper 44:35

Oh, yeah. Oh, yeah. Chris, what do you got?

c

Chris Harrison 44:39

Well, I thought I'd go a little with the predators at my pool. That's a mark Weigel. know that'll work. And we'll do a little station ID thing. First, just just throw it in because Mark did it's four so we'll be right back.

j

Jewel Gray 46:27

Tell us about the music. We

c

Chris Harrison 46:28

started off with Mark Weigel. A good day. And then a double shot of horse

j

Jewel Gray 46:33

who you know, Chris was jealous when I told him that horse gave me that.

C

Chris Harrison 46:37

Start off with and she smiled. Love

J

Jewel Gray 46:39

that. Oh, yeah, I do, too. It's one of my favorites. But that before I knew she was alive. That's why and that's why you brought her here. And what a thrill that was. That was a wonderful night.

C

Chris Harrison 46:48

And then the last one we heard was the speed of the beat of my heart.

J

Jewel Gray 46:52

That was a nice one, too. Yeah.

○

46:55

She's charming. Yes, yes. Oh, very

J

Jewel Gray 46:57

charming. I'm telling I walked out here my tongue dragging the ground. Me and Jim Vaughn. He's like who could, you know, cream their jeans more? She was so hot. Yes. Jackie Thoren called from Austin to tell us that she was at divas and stud muffin show tonight in Austin. It drew 30 performers, and they raised \$2,000. And I asked her what charity was the beneficiary but she didn't have that information on there. But I'm sure is a good one. And yeah,

J

Jimmy Carper 47:26

she was holding on but we're having some phone problem. And

J

Jewel Gray 47:29

I've tried we got her twice and lost her twice. So I hope she she will forgive us but we just we can't get her on the air. But we did want to you know make the announcement. She driven all the way to Austin and several other performers from Houston to participate in the study muffin. The Divas instead muffins I you know, the divas I can understand where they get the stuff. And

J

Jimmy Carper 47:52

she told me. She told me she was going to to Austin and asked if she could do a call in and I told her yes, that was I didn't expect to storm.

J

Jewel Gray 48:01

Yep. And it's pretty bad. And we're having problems with phones down here tonight. So if you're calling in, honestly, you know, give us a minute. Yeah. Long distance which is a little more difficult. But give us a minute. We're trying to do best we can down here with the limited resources that we just have marathon down here.

J

Jimmy Carper 48:17

We just had so

J

Jewel Gray 48:18

listen up folks, this is one of the things that we could show you some extra dollars for you even if you didn't pledge last week or last month. You know, you can always call up and tell people that you'd like to help KPFT and we'd be glad to

C

J

Jimmy Carper 48:43

Judy Reeves is joins

J

Jewel Gray 48:44

us he came in to talk to us about what's going on in G cam. I you know I've been watching the news on the Internet you know lately I keep an eye you know, that's the first thing while I'm still in my underwears before I get up really going in the morning first thing I do is turn on the computer and look at the news delighted

48:58

to hear from TRUDY

Judy Reeves 48:59

Oh, well okay then Judy. Didn't know she was gonna be heard from

Jewel Gray 49:03

Judy comes on. I got to have her I got to have harass people. Yeah, I was telling a little kid out in the lobby. I've been chasing this woman since before he was born

Jimmy Carper 49:11

haven't I Jimmy? Yes, you

Judy Reeves 49:13

and we decided those are stories that cannot be told and

Jewel Gray 49:17

we got close once or twice. I think so. I don't think we could see your hair either. But I've been reading the local you know, gay information pages that you're that get G cam is about to have a fundraiser to help

Judy Reeves 49:41

you can write checks to

49:43

everybody that bodes

Judy Reeves 49:46

well. Hey, you know, Robert, Texas Good to

49:47

see you. Searly How can I help?

Judy Reeves 49:51

Um, help, come to meetings, volunteer,

Jewel Gray 49:54

come to meetings, you can walk with their word. That's the other thing spreads the word I've been Everywhere I go, I talked about, I swear to

50:02

you to take you out, you could do it to know if I can do it, you can do it.

Judy Reeves 50:06

G chem.org and read all about us. We have a fabulous web page. And we have over 12,000 pictures on the webpage. I mean, come on, guys, we've put some work into this sucker. So who are we benefiting? How are we benefiting? We benefit the entire community we benefit the entire world. She came as a gulf coast archive and museum of gay lesbian, bisexual and transgender history

Jewel Gray 50:27

and history is something we

Judy Reeves 50:30

we benefit we benefit the entire time.

50:33

Yes. Yeah.

Jewel Gray 50:34

Well, it's it's a little it's not just something recent that he came over five years fooling around for five years. Five in November.

50:42

Many of our listeners are small but intense. explain more.

Judy Reeves 50:45

explain more. What do you say about G camp? We have things in G cam that date back as far as are you holding on your chair here? 1950 No kidding. Houston, Houston. 1950. Okay, Houston, Texas.

Jewel Gray 51:01

Yeah, great hill swear something was going on back.

Judy Reeves 51:04

There. And actually what we have or we have two items, and they're like one of a kind items. Nobody has ever seen them before, much less known they existed. So that's great. We have the original Pride Week.

51:16

So this is this for

Judy Reeves 51:19

this museum for Gob, bisexual some trenches.

51:23

Absolutely. So this is the purpose of the museum is so we can learn. That's right. Indeed,

Judy Reeves 51:31

we have the original, we have the original pride guide, pride guide. And that original pride guide today, believe it or not, was high, two inches wide and four inches long. It was several pages. But it was like a little mini book you could hold in the palm of your hand. Oh, cool.

Jewel Gray 51:48

-

Because they wanted to be able to close it. That's right. Pocket. That's right. It's amazing.

51:53

What it printed.

Judy Reeves 51:56

Don't ask me questions like that. I have a headache. I guess.

Jewel Gray 52:00

She's got a lot of stuff. He can't she can't.

Chris Harrison 52:03

The first Pride Parade. And we've been doing it for

Jewel Gray 52:08

79. Yeah, I think it's 78 or 79. Yeah.

52:11

Well, I'll tell you about maybe an old? No. You kind of appreciate that people have been working towards where we are now. Absolutely. Yeah. Lucky. us know. It's that easy now, but was a lot more respect for

Judy Reeves 52:27

a man. Being an old fart. You would appreciate it? I didn't. You would appreciate this. As of this evening, we announced at the fundraiser that we are about to acquire within the next few days, two weeks, 25 years. And or a complete set is what it is. This week in Texas. Oh God, I

52:50

know people are dedicated. Absolutely.

Jewel Gray 52:54

A lot of space duty.

J

Judy Reeves 52:56

Yeah, that's okay with that. Are you ready? We're never ready for it. But we're always there. We're always at G cam has grown by leaps and bounds over the years. Five years, you know, we talked in one of our first meetings is like, well, when do you think we'd be ready to take in collection? Well, we got to start now because people need to know and we'll be lucky if anybody gives us anything. Next thing we knew my pleasure. It was really amazing.

∅

53:23

Intercepted time. Personal history. I was so lucky man. Because I when I came out in the mid 70s, just after they stopped having raised and K bars. I was the luckiest man in the world. I've never been arrested for being in a gay bar. And I know so many people who have been and my gosh taught you don't have that we didn't get this power. For no reason at all. It's because people have worked for and

J

Jewel Gray 53:51

listen to her. When Mary's was closing, the big thing was to get Mary's bar that would have been wonderful. But Lord Almighty could imagine where you'd put it.

J

Judy Reeves 53:59

Oh, well, that was what we were going to do there. And this is still in the works. I mean, this is something that's going to happen someday. Someday Someday is there. The plan is to cut the bar up carefully to cut the bar up into auction off many pieces of it. The money will go to T cam. And you can keep some of it. Oh cool. That's a great Mary's bar. Oh,

J

Jewel Gray 54:23

it's an institution.

∅

54:25

Can you speak up here? If you must see. A picture being very fight. Fight bucks. Yeah, there's a picture we had about marriage.

J

Jewel Gray 54:35

Yes, we're white bucks. You admit to that? I

54:41

take it all the time.

Jewel Gray 54:45

You were trying your John Travolta stuff.

Judy Reeves 54:48

I really want to do with that bars. We want to get in there like during the day when it's not so busy and clean it up section but we want to scan it so that we can get it into the door. We don't have absolutely no equipment to do right now. But if anybody had it in one of the volunteer, donate, please submit. That'd be great.

55:08

DNA labs everywhere.

Judy Reeves 55:11

So you gave me this great segue into something, you're talking about old people and things that have happened and people starting in May, starting in May, it's already in the plans. We will be doing, we will be starting up the history series, again, in conjunction with the community center. So may believe it's the 15th or 16th. I don't have my calendar with me, this is kind of an impromptu trip. I think it's the third Sunday, though, is going to be the very first program at the community center. And it's going to be at four o'clock. Probably from about four to

55:42

six. Now, am I wrong? Is this y'all escape are in Texas?

Judy Reeves 55:46

Mary's? Yeah, yeah. Yeah. Yeah. So and

Jewel Gray 55:51

it's more than a bar. It's a it's an institution? Well, what I mean, is that, you know, it's a guy had friends who were there. And I mean, yeah, 24 hours a day. Yeah. Because when they died in the 80s, their ashes were scattered in the backyard.

J

Judy Reeves 56:07

You know, that's why we couldn't bury the time capsule there for the cameras, because the fear was, we'd started digging the hole and come up with bones and the police and the authorities, and shut them down.

♂

56:16

Yeah. Make up your mind about the term sacred ground. I kind of think of it that way.

J

Jewel Gray 56:23

too. And, you know, marriage has never been really a lesbian Mecca. You know, if you're part of this community for any period of time, you know, that it's definitely someplace you want to step into, because of its history, because of its history. It's gone through many incarnations, from, you know, being the, you know, dark and you know, slept bar, and then it was the juice bar, and then it was the preppy bar and

J

Judy Reeves 56:52

the biker bar window, you know,

J

Jewel Gray 56:55

I think what it's done is it's grown. It's, it's, it's moved with its culture. But it has the cult as our culture has evolved, so did marries into what we were at that time. And that's why I think it is so significant, because it has that significance.

♂

57:10

But I've moved to Houston. And there were a lot of loudspeakers in the queues and Mary's when I first moved here,

J

Jewel Gray 57:18

Mary Mullins Yeah, sounds like a lesbian bar.

♂

57:24

Skirt LeBron, who notices? But yeah, I noticed when I went through yellow to married, people helped out in different lesbians. And it's not the first time in my life that has happened, that we're not in the opposition, that there's community. Sure, in Texas, that I hope everywhere that

we understand and appreciate each other. And it's something to cry about cry make, I'm

58:02

gonna make an

J

Jewel Gray 58:08

interesting place, but I'm not it. But it's not the only thing that you know, is significant in our history. And the point of G cam, is to hold those things right and protect those things for the people who come along after us not just the kids who are running around now with you know, the wild hair cuts in the you know, purple. You know, I

J

Judy Reeves 58:26

actually had somebody asked me the sacrum, speaking purple, I

J

Jewel Gray 58:29

had the most wonderful purple experience. And that's all I'm gonna say about it. No,

J

Judy Reeves 58:34

we'll talk later. But I wanted to say

J

Jewel Gray 58:37

I wanted to say that most

J

Judy Reeves 58:40

accessible Oh,

J

Jewel Gray 58:44

what's that? Oh, to digital libraries? Yeah, well, that's exactly what you said. Basically, trying to, you know, limit time and, you know, that's one thing people can volunteer for, you know, a lot of people shy away from volunteering, because they think it's like, like back breaking work. And a lot of times it is, but gkm can use some people who can type. That's true. can input information one finger keyboard is good. For Mm hmm. You actually that's something you could do.

59:11

I can type

Jewel Gray 59:12

not that you couldn't do a lot of things. But that's one thing that you would be good at. Yes. Well, you should talk to type two

Judy Reeves 59:24

as well. It's not just typing. You have to have access to a computer. Right, right. Well, yeah, but But yeah, I

Jewel Gray 59:28

assume almost everyone does these days. I know it's terrible, but I do oh my god, you've been

Judy Reeves 59:33

in therapy hammock. Oh, we're gonna dialogue. Well, no, seriously, we're one of the few organizations who has set it up to where you can actually volunteer for G cam. In your own living. Yeah, I did quite a bit. Yeah. You come to G cam. You literally check out boxes, right? And you can go home and have x and we'll train you how to to catalog these boxes. You can go she's not

Jewel Gray 59:58

hard and Was it hard? Well, you can actually go I mean, I'm not a moron. But it was not hard.

Judy Reeves 1:00:03

You can go into our webpage and you can look at what's been cataloged. I cannot change it. But your

1:00:09

web page, how do I contact you?

Judy Reeves 1:00:12

Hey, Cam, G km ci CAMCC a

1:00:17

m.com.org org.org g can.or.

J Judy Reeves 1:00:22

You were right there or beautifully for you on the cutting except rainbow the hotline, we got 12,000 pictures in our picture catalog there, which you just go in and you have to do password and so on. And it's guests and guests. It even tells

J Jewel Gray 1:00:37

everybody that really Oh my god. I mean, if you can read, Oregon's gonna be all over there next week.

J Judy Reeves 1:00:42

It's the bios of our board members. It's

1:00:47

a good type. And you can cheat. Once you call it, you can

J Judy Reeves 1:00:50

go back.

1:00:52

If we had a computer and good tape, we need your help.

J Judy Reeves 1:00:57

That's right. That's right. You check it

J Jewel Gray 1:00:59

and not only that, there are a lot of things that people can do. Absolutely.

J Judy Reeves 1:01:03

I'm sure we are constantly moving, changing packing we have what we picked up as dual knows, I believe, not too long ago, a 3000 book library.

J Jewel Gray 1:01:13

Yeah. conda is that that's where I can't help move.

J Judy Reeves 1:01:18

Yeah, that's why I say you know, within 2000 books, we pack them. We took them off the shelves, pack them into boxes, and we brought in their

J Jewel Gray 1:01:26

kinds of books. Mostly lesbian game. Yeah. And I was jealous. was a great collection. What books

J Judy Reeves 1:01:34

basically Oh, I can't even go there. Oh, we have we have we have gay fiction. We have lesbian fiction. We have good erotica, music with music. We have videos with videos. We have some things from clear music. You know, one of the

J Jewel Gray 1:01:51

things that I treasure, one of the things that I treasure, and I've always treasured whenever I was there is the set of the ladder that you had that was that was coming to that. Yeah, it was hard bounce set of the ladder when it came out of the ladder was a lesbian newsletter in the form. Before there were any magazines. I remember reading the ladder. Tell me more. And it was a it was a like a. Weekly, not a weekly. It was a monthly newsletter. Yeah. And it was the actually the only news source for lesbians for for a long time.

J Judy Reeves 1:02:26

Well, what was really tricky about the ladder is it it took place back in the was it 15. And it was national. I mean, these loaded on their little typewriters, it was there. So it wasn't it wasn't from Houston. Okay. It was national, that the trick was man, these people with their typewriters, these women got together and they did these newsletters and they dispersed them all over the country. This is amazing. Now what's really amazing about these books, too, and I have to tell you where we got them, just because I like to do those kinds of things. What's amazing about

these books is you can open any volume to any page at this point, you can stick your finger in the middle of that page and read and the problems they're talking about are I couldn't have said today the exception of computers. Yeah, I mean, you know, it's just, they are absolutely the same. And that's scary.

J Jewel Gray 1:03:11

And no matter how many how no matter how much it changes, it stays the same.

J Judy Reeves 1:03:15

And that's why God exists.

♀ 1:03:16

So I don't know where your lesbian was something called. Yes. Rochester, New York. He carries

J Jewel Gray 1:03:22

that badge pretty proudly. I heard that

♀ 1:03:24

absolutely shouldn't be recognized.

J Jewel Gray 1:03:30

Well, Dennis, people you have just been elected the new ambassador. Mr. T cam. That's right. Let me tell you everywhere you go. You should say something but I tell you about God. And tell them lesbians are grossly under represented. Absolutely.

♀ 1:03:44

I assume the mantle does have some

J Jewel Gray 1:03:50

because Dennis gets around.

C Chris Harrison 1:03:52

Yeah, Dennis, but I mean, how much talk about lesbians? Can you do it the ripcord?

1:03:59

I'd tell you about my earlier experiences. Absolutely. That's always been I've been so fortunate. The first people I ever met when I came out were lesbians. So

Judy Reeves 1:04:10

you were fortunate?

1:04:12

It really was no, I did that cheap and myself. On purpose, but aside from that, no.

Jewel Gray 1:04:20

And they took you under wing. We had similar stories. I remember we compared them one time because I had burlesque gay burlesque entertainers who took me under wing when I came out and that's where I learned the ropes from gay from two men who were burlesque who did the burlesque shows the real body shows you know, where they would sing those you know, really body songs back that's why I love it so much. And whenever JP does it not JP JT,

1:04:48

we know that people do JD

Jewel Gray 1:04:51

JD does his music. Does that that bend I love it. I love it. And he's got a great web page.

Judy Reeves 1:04:57

Well, we have some of JDS musical people. Yes, I

1:04:59

What else when people don't really speak it's just like you because they don't identify with you and there was sympathetic there

J Judy Reeves 1:05:08

well I want to talk about when I came out but my mentor after I came out the second time the right was

J Jewel Gray 1:05:13

because you can't remember it.

J Judy Reeves 1:05:16

I can't but I don't what can I say? What can I say? Oh, Chris isn't here. We're in trouble now. No, what did we do? What are we doing?

C Chris Harrison 1:05:26

I just thought you guys have Dennis could hear that he's interrupting other people. Oh,

J Jewel Gray 1:05:31

Dennis has had Dennis Dennis came to us straight from the record so he's got a nice he's got a snoop full

J Judy Reeves 1:05:39

you know, when they worry if their hair is too frizzy to be on a radio you know you're in trouble. Yeah. Ah, okay, Dennis. It's okay. Um

1:05:50

I appreciate your patience.

J Judy Reeves 1:05:52

Actually, we're supposed to have us and I guess I'm not giving away any secrets. We're supposed to have a spread and outsmart next month. Oh, cool. And the latter is one of those things that we're going to be taking special photographs of and try to do a little accent thing on you know, because that's a very important but we don't have a lot of lesbian stuff. Hello lesbians. Are you half there listening? We need lesbian stuff I know. Enough lesbians

J Jewel Gray 1:06:17

to lose
