- P** Peter 00:00  
A lifetime membership. Anyway, I'd run my hands over the strange and artificial curves of my body and look at myself in the mirror and smile and wink. A quote from the lovely whatever we reading out of this week. This is another globe globe special.
- C** Connie 00:16  
And something wasn't unleashed I think it was the ugly stick all over that poor man's stick.
- P** Peter 00:24  
Let me tell you the net talk about running things over artificial places in your body. Connie, have you looked at lately?
- C** Connie 00:30  
Oh, oh. Moving on.
- P** Peter 00:33  
Moving right on.
- C** Connie 00:35  
Something I think might pertain to some of our older audience members, or radio hosts such as Peter nine untold secret to eternal use. You gotta get them in when you can. Oh, that's something-

something.

**J** Jimmy Carper 00:48  
That's my motto.

**P** Peter 00:50  
I was gonna say that sounds like something Jimmy but-

**C** Connie 00:55  
Apparently, there's the 16 sisters at a poor convent in eastern Poland.

**P** Peter 01:00  
In Poland, Poland. We're talking in Poland. Right. You know those 16 nuns at St. Jude's convent.

**C** Connie 01:06  
Right and some of them claim to be 800 years old.

**P** Peter 01:12  
One of them taught me in third grade. I know what I'm taught me in third grade. I think her name is Sister Mary. Looking at these two pictures, I think it is.

**C** Connie 01:22  
A picture of Sister Mary Francis. And I'm looking at this picture. I will believe she's 800 years old.

**P** Peter 01:28  
She does look a bit over the wire doesn't she she has crossed over it. If you would like a copy of this, please call 5265738 We will send you a picture and an article about Sister Mary Francis who is 9 million years old to the dirt. But right above her is Sister Mary. Good God only knows what that name is. And she looks just fabulous. Now these girls claimed to be on this earth since 1187. When the when the convent opened God when he first opened they have tested their blood they have tested their whatever-.

**C** Connie 02:02  
They need to test thier breath for alcohol.

**P** Peter 02:05  
I think they're going into the stacks and drinking this. Whatever it is it's anyway she says that she helped bury the convent's Mother Superior in 1347 After she succumbed to the plague. Oh, no. Girl has been around entirely too long after she made it through the plague girl. I think she said some leftovers. I don't know.

**K** Kirk Keevert 02:25  
It just sounds like a joke to me. How many Poles how many Polish nuns does it take? 16 apparently.

**P** Peter 02:34  
That's 16 to run a convent, and they're gonna stay because they're not getting any new candidates with those old bags looking like that. Good God.

**K** Kirk Keevert 02:41  
Wow, who wants to do an 800 year old nun for God's sake? Well, I've heard

**P** Peter 02:47  
Anybody doing that. I don't care if they're 20. Where did we go with this show? Connie, bring us back. Bring us back. Connie. Take us down to the first deck of the ship and go to aerobics and stat and-.

**C** Connie 03:02  
That is 5265738.

**P** Peter 03:07  
All right. If somebody would call f526. Somebody, nevermind somebody if you would call. Hey, listen, you're sitting there listening to this wonderful, fabulous show. If you would call 5265738. And give us your membership pledge, which is a minimum of 35 bucks. Give us that now I have the most fabulous joke. Yeah, well, now they're fabulous. I do one a week at least for the show. You know that? I have this fabulous joke about Billy not learning math. And if you will give us a pledge for 5265738. I will share this little piece of thing that will-.

**C** Connie 03:44  
Cause because I need to hear oh baby.

**J** Jimmy Carper 03:46  
I am so scared.

**P** Peter 03:47  
Listen, I mean it is when you heard my last one. Yes. Yes. That was the last one but then the week ago or on the fourth Saturday. We had a couple of for that.

**C** Connie 03:58  
On everybody about that Hepburn joke. He told-.

**P** Peter 04:02  
had three people walk up to me rascals and damage their bets a bit. It's mine. Don't even go there.

**K** Kirk Keevert 04:09  
Save everybody's money. I'll tell you why Billy. Billy has trouble with math. He's getting taught by six by 800 year old nun.

**P** Peter 04:20  
You will learn this. Now I will beat you senseless about the face and neck. Does s&m lesbians in turn Yeah. Oh, back. Oh. Anyway, get off my ship. Get off my ship. It's a Love Boat.

**C** Connie 04:37  
I would like to appeal to the lesbian community right now. Girls put down the cans of tuna and pick up the phone.

**P** Peter 04:46  
You could say that Connie? Oh 526 to 65738 and only Connie could tell you what to do girls,

and believe me if you could see her. Now I'm give those SM lives.

**C** Connie 04:58

Let's dispel the myth that lesbians are cheap. I know y'all aren't cheap.

**J** Jimmy Carper 05:02

What do you mean?

**C** Connie 05:03

Oh, don't ya now to talk about us and say that we're cheap and we're not-.

**J** Jimmy Carper 05:08

Our first pledge was by Sarah. Yes. And an out dyke.

**C** Connie 05:13

Love Sarah, for that, that see there?

**P** Peter 05:15

And do we have? Do we have any gay males out there or even heterosexual males who are listening to show who want to be? I mean, I don't know. Or anybody have-.

**J** Jimmy Carper 05:23

Heterosexual male last week come by and give us 100 bucks. Oh, yeah, we love that and-.

**K** Kirk Keevert 05:30

Didn't even want a Hummer for it or nothing. I was willing to give him 100 But that well listen on the day that that that leaves out who? Who exactly would you not be willing to give a hummer to?

**P** Peter 05:45

If you would meet me on the poop deck of the cruise ship while they pop? You do. If you could see us now, I would be happy to give Noah a whole lot less 95265738 We got Brian out there

see us now, I would be happy to give Noah a whole lot less 95205738 we got Brian out there who we need him to stop playing with his chicken and get on that phone and he will make you chicken dinners. We've got a wonderful husband Kimmy who has kicked in and now we're waiting for the we're waiting for the rest of this crowd. I have this most fabulous joke that I am just dying to tell.

**C** Connie 06:18  
And has anybody called in and asked for their coffee with Connie and Peter?

**J** Jimmy Carper 06:22  
Not that I am aware of.

**I** [Together] 06:23  
believe that no grabs-.

**C** Connie 06:25  
And you guys are really going to hurt my feelings personally. If you don't

**P** Peter 06:29  
Connie, don't go to the crowd. You got it together. Oh, God. Please.

**J** Jimmy Carper 06:39  
I didn't think we were ready to open the begging and pleading

**P** Peter 06:42  
No, we're not you know, it's disgusting. Because in these things that they tell you about, you know, fenders Yeah. begging please listen at the time of your damn life. And if you don't want to have coffee with Connie and Peter and continue this outrageous bullshit for at least an hour, or maybe less doing how fast you drink coffee. It could happen to you. I mean, your life can be changed by this and if you don't want to do it, well fine. Connie, you and I'll go and have a coffee and right but just send us the money will throw your ass overboard.

**J** Jimmy Carper 07:15  
After Hours on KPFT Houston and KEOS college station.

**J** Jimmy Carper 07:52  
Anyway, watch this grow.

**P** Peter 07:54  
Don't even go there. Oh, look at those dials. Look at those dials. Oh my god. Anyway, let me tell you, if now is the time you too can call in. Because this craziness can continue and go on and on and on. And we're going to have this great time and great fun. But let us know that you

really appreciate this. And let us know that it's your time. I mean, we all give to all the FM stations, we all go here and we go to that and we spend our money doing things. But only five bucks is not going to kill anybody to just kick in and make your pledge and let everybody know that you really believe in free public radio that has no commercials, that is not a whole lot of holds barred. And it's just up for grabs. So you just really need to do that. So the sooner you call in, the better off we're going to be absolutely. And the more you can have, you can have coffee with Peter and Connie, you can have-.

**C** Connie 08:45

The stuff for \$60 you get a t shirt for 75 A bottle and KPFT Springwater. 90 bucks get you two T shirts for you and your girlfriend or your boyfriend or a CD case. And for 150 you can get a KPFT gym bag to take to the fluid exchange proudly-.

**P** Peter 09:05

And display it proud that you can take it to President First Ladies and then they would know where you listen to me. I think that might even get you more. I think you could carry it up and down the aisles of the Home Depot and 610 and 59 and everybody would know send the girl the truck lining section.

**J** Jimmy Carper 09:22

I thought we got to a piece of music real quick.

**P** Peter 09:24

We can do that in America. Come back and give you some what's going on in this city. We got Halloween magic to talk about. We've got some other things to talk about. We can do that. And while you're listening to this, please call your 5265738 Give your pledge to continue-.

**P** Peter 12:52

It's very depressing. No one's calling. No, he's putting his chicken back in the freezer.

**K** Kirk Keevert 12:58

Yeah, you know that. Brian's had that. Brian's had that chicken out for a while it was frozen when he first got it out. It's not lasted now.

**P** Peter 13:07

It's going back to the freezer. He's wanting to make this chicken dinner. Legs and thighs.

**C** Connie 13:11

I feel like chicken tonight. Chicken tonight.

I especially now that's all flacid.

P Peter 13:27  
I think it's the other one.

K Kirk Keevert 13:28

So anyway, the poor man is sitting there with no phone calls. No one none.

C Connie 13:38  
Couldn't relate to that. Well, Oh, no.

P Peter 13:44  
Connie, the only reason that you don't have to deal with this is because you are married. Thank you. Those of us who are a little more particular. Who's that?

**C** Connie 14:27  
In a way she was putting those dollar bills on the wallet. She was contributing to his children's college fund. Going to Harvard.

**P** Peter 14:36  
Thanks. Now we do trade. Oh, bad. No, we don't get \$1. You know, really, we were we do massages and instead of giving money. They like it. I like it. It works. You know what? Our fabulous research staff was also standing out there looking at that that plastic piece of chicken that Brian's holding because he's not getting any phone calls at 5265738 we have a cast 1000 out there I mean literally cast 1000 Our research people are here with us tonight, the paparazzi the paparazzi are here standing outside there was people dressed as homeless people that it's the early Halloween outfits. C Connie 16:50

For the women this week women seeking women yes go find something interesting. Princess slave. Take me please me I like everything outside inside day and night spoiled me rotten super fem. So all you butch girls that are sitting up there listening to the show. After you get off the phone dial in 5265738 you might want to give that that add a call

P Peter 17:17

Your own very own little slave rented 35 bucks what can we ask for?

C Connie 17:21

And one last one-.

P Peter 17:23

This is my most favorite.

C Connie 17:25

Absolutely, I guess this person is going for the less is more kind of concept. This is all this ad says you're single black male I'm 26 race is not important to me. If it is not a problem to you. Give me a call if you're interested in so basically a heartbeat is what this guy is looking for.

P Peter 17:47

Warm blood coursing through veins right heartbeat wore anything I mean he's not particular no color no eyes. Size no-.

C Connie 17:56

Right. It's great that race is not important but give us a little something else.

P Peter 18:00

Yeah, you may be or you may be right but are you into what do you want to do? We have read 1000s of personal this one didn't even take up a line in the half right? We're talking about no specific this guy will take anything with that moves I guess I guess.

Connie 18:19

Well, maybe we could hook him up with this thing of blackmail. And all he has to say is he's well hung and looking for someone to have a good time with.

Peter 18:27

But at least we know one thing about him Oh hey. Which is more than we know about the guy who wanted mode okay or whatever else optional. I think on that one guy that's the only thing he's looking for. If it's if it's warm, the heart is still pumping. It's is good God. So our personal this week have taken a definite decline.

Connie 18:50

Maybe he should call Peter and get that chicken dinner.

Peter 18:52

Brian's got the chicken dinner. Fried chicken dinner Brian's with-.

Connie 18:58

The chicken eaters pushing the chicken.

Peter 19:00

Peter Peters pushing the chicken beaters pulling the chicken push pull push pull push pull.

P Peter 19:19

Weldon Washington. Yes. Right? Yes, right half the world's there's probably why no one's calling us back. Nobody wants to hear my joke. I'm so depressed. I could just fall over. Anyway, at least let me tell you this joke is is probably in my top 10 At least in the top 10 It is so fat top 10 joke for \$35 You couldn't hear it anywhere else. Good for words. And it covers both the heterosexual community, the gay community, whatever. I mean, it's a joke you can tell across the board. Yeah, it's not Yeah, it's wonderful. But you know, anyway, the quilt is going on this week in Washington and we really need to like just take a second.

J Jimmy Carper 20:01

And what else?

P Peter 20:03

Well, we need to take a little second.

J Jimmy Carper 20:04

J Jimmy Carper 20:12

Yes. They expect at least a half a million people. And we're where are they?

P Peter 20:16

Where are they going to stay?

J Jimmy Carper 20:17

I know because the quilts on the Mall were-.

Connie 20:25

Well, I'm surprised Peter stayed in town with all this fine Hispanic men being in DC. We know that's your cup.

Peter 20:31

Oh it's my cup. Well, they're all there. I might as well be here. I couldn't go the quote. I'm too cold. But I can take you to two peas for coffee. If you call us at 5265738.

Connie 20:44

So poor, she can't even buy our just poem. Just Oh.

Peter 20:56

By a vowel like it'd be a double Oh, my next I'll take your bra size uho. Now we're getting right down to it. Hispanics. Yeah. Anyway, so the cool that's going on. And I really think we need to take a moment of silence about I mean, that is just like yes, to wonderful I have seen and every time I've been there, it's just like, touch my heart so much. Whether it's been in Washington for the March on Washington, or whether it's been locally here where it's done. I mean, that is just the most incredible thing of everything. And if you'd ever want to, you know, like, get those videos. Oh, look at that. I mean, there's some incredible stuff there. That's going on moment of silence. We did it. And also, well, meaning that we can only do a moment. I mean, this is right.

Jimmy Carper 21:41

I know. I know.

Peter 21:43

I'm 5265738 Call me you while doing anyway. Also, as we mentioned you at Rascals was on Sunday night this fabulous film person or so. I mean. we're talking to them really fast. right?

Wednesday's is a strip night Mondays is a football with pizza. I mean, something for you. Oh, yeah.

[ Together ] 22:16

No, it's tomorrow. It's Sunday tomorrow. Sunday night.

P Peter 22:19

Sunday night tonight. Is the employee turn about.

J Jimmy Carper 22:25

Oh, no.

P Peter 22:26

And it is a stitch. Have you ever gone to the BRB and watched employee turn about those BB tenders and buybacks do dirt about-.

J Jimmy Carper 22:34

Ehen they get in drag?

P Peter 22:35

Oh, they do. John is too much. And the benefits of Colt 45 stone soup. Oh, hey, it's a big fun. Yes, you bet. And then on Saturday, October the 19th in our fine city, which is only next week and is one reason why we do this weekend. And next because we've got to be out and about for these things. At 6:30 at the Texas Medical Center Conference Center at 2151 Holcombe which is the old Shamrock Hilton. Yes. The wonderful Halloween magic.

**C** Connie 23:03

They did the sound of Montrose. They did Montrose Boulevard. And this year they're doing A Streetcar Named Montrose 35 bucks a ticket. It's great for 50 more I think you can do a party with the cast after hours and stuff. It's a lot of fun 5876005 For more information and or whatever you need to do.

**J** Jimmy Carper 23:40  
Who benefits from this?

**P** Peter 23:43  
I meant to look that up. Yeah, it's a major event if they've raised about, oh, God, I saw the figure somewhere over the course of the last since 92, they've been doing this. They do do very well. They've turned a lot of money in the community for that. But if you go to that, to that little afterwards when you'd like to have a cocktail and kind of chill out and think about the show and who and bet and color. The place do that is the Venture Inn.

**C** Connie 24:13  
Oh, what's going on?

**P** Peter 24:14

**K** Kirk Keevert 30:33  
Oh, okay. Okay, wait. Peter. Yeah, Peter. Yes. Did you or did you not tell us that after we got to pledge we could hear the joke about Billy and his lacking in math skills.

**P** Peter 30:52  
The women have called in tonight with fabulous, but where are we shaming?

**C** Connie 30:57  
You are shaming our queens out there?

**P** Peter 30:59  
They are shaming the queens out there. James, are you aren't you not? We're gonna have to dress up for the rest of our lives. If this doesn't stop. We don't get some gay male or straight male or male, male, whatever, calling in to give us some pledge. I mean, I would be shamed to death. I mean, never be able to go on-.

**J** Jimmy Carper 31:20  
We we have another pledge from Tom. Tom would be a male and actually Tom is doubling his pledge from last week. Yeah. And he's taking advantage of the electronic funds transfer.

**P** Peter 31:32  
Is he really?

**K** Kirk Keevert 31:33  
Yes, that is just the grooviest thing. Yes. It is so easy. I do my car payment that way. I do. I do. I've got several things that I do that way.

**P** Peter 31:42  
KPFT that way.

**K** Kirk Keevert 31:44  
I am in fact.

**P** Peter 31:45  
Well, thank god yo ho. Anyway.

**J** Jimmy Carper 31:48  
He's not old. Oh, he's-.,.

**P** Peter 31:49  
A young ho. Well, not from where I'm sitting. Oh, anyway. Of course. I'm looking through a KPFT sign but what can I say?

sign but what can I say:

Kirk Keevert 31:56

You just wish you could see me.

[Together] 31:57

Oh, I do. I could see.

Peter 32:04

Anyway, Tom, Tom, can you tell me anything more about where's he from? Can you give me no, you can't tell me anything.

Jimmy Carper 32:12

Some things I'd like to keep for myself.

Peter 32:15

Oh, it's a means you got it. Well, let's joke. All right.

Jimmy Carper 32:19

Love the joke you old hag-.

Peter 32:20

Okay, Tom, this is just for you, baby. We love you. If you want to go out with Peter, you call me to hell with this. Oh, anyway, you can call back. Okay, you ready? Billy? Billy is having just an A god awful time with math. I mean, like, this is not working well at all. So teacher says okay, Billy, I've had it. You can just have to learn to concentrate. That's it. You will meet me in my office after school and we are going from the basics. You are going to get this out if it's the last damn thing I do. Like oh, shit. All right. So we go. And that's let's say that we're in radio. Sorry. Anyway, so Billy goes to teach his class afterwards and you know, under the office and she goes, Okay, Billy, we're gonna start from the basics is about your concentration and watch it below. You have three birds sitting on a wire, and you shoot one of them. How many are left? elegances perplex. Look, he goes, none. No, no. God, watch my watch. Three little fingers up. What? Three Little Birds on a wire. Shoot one. How many are left? None. Billy, explain to me how you ever can come up with that answer. He goes well, teacher. If you got a gun, you shoot a bird off a wire. The other two are gonna fly away. She got a ha Billy. Not the right answer. But I like the way you think I like the way you think. So he goes Hey, teach. Can I ask you a

question? He goes yeah, what is it Billy? She goes, Okay, teach you got these three women. And they all have ice cream cones. Hey-. Listening, one of them licks it from the bottom up. And the other one licks it around like that. And the other one puts the whole thing in her mouth. Teacher which one's married? She goes oh Billy you have LifeLock so you want me to say the one that puts the whole thing in your mouth because now teach the one that with a wedding ring but I liked the way you think.

**J** Jimmy Carper 34:11

Oh, He did not tell that joke.

**C** Connie 34:18

He did.

**P** Peter 34:22

If you could see Connie now with their red face on the dah da da that we liked the way you think Connie honey, we you girl. So Billy, he learned math. The teacher learned more than she ever wanted to know. Because Billy was sick. That reminded me of this other fabulous joke but I get it. Oh god I can't-.

**C** Connie 34:44

Oh, maybe if somebody called in with a big old.

**P** Peter 34:47

Somebody called me with a big pledge I would eisk the show to tell this one.

**J** Jimmy Carper 34:54

Says this to the producer right? He's gonna risk the show.

**P** Peter 34:57

Okay, well, I mean it may have I'll tell you at the at the next little musical interlude and then you can tell0,

**J** Jimmy Carper 35:05

K Kirk Keevert 35:09  
That directly.

P Peter 35:13  
Let us take you to the first floor of the cruise ship lollipop better known as The Love Boat. Let us take you down there now to the disco arena. Were on the cruise ship right after you come down from stuffing your fat little face with all those goodies up on them ever dagger knows a lot about that's why you do exercise classes bit.

C Connie 35:34  
And we're not gonna go there, but at least I'm doing something about it. Oh, fire time.

P Peter 35:42  
We can go down to the lower decks where we have music and include on The Love Boat. And we can play a little tune at while we get ready to give you some more absolute craziness from the Peter and Connie Lingus show, right?

C Connie 35:55  
Why are you listening? Call that number f5265738.

P Peter 36:00  
Really, and there's a lot of things you can get. There's a lot of stuff you can do. It's not about anything you get everybody's got pens and T shirts and pencils and whatever

J Jimmy Carper 36:09  
It's about great. It's about the program. It's really about the programming.

P Peter 36:12  
Like we said 1000 times, you can hear anything you want on this radio station. I mean none or when you turn it on, it's something new and wonderful. Most fabulous blues was great rock-.

---

**C** Connie 36:23  
Who's giving you a Zydeco who's giving you Polka?

**P** Peter 36:27  
Right now that is the ultimate and an Irish show. I turned on one day, a major Irish Sunday afternoon. I love the I love to be in an academy. Anyway. Purple. Purple hardens. Anyway. Anyway. Thank you. Anyway, the little Irish course.

**C** Connie 36:48  
That's what I read on the bathroom wall anyways.

did you anyway, they there's everything in anything. And it's yours for just turning it on. And there's no car commercials No. No commercial for anything. Every now and then you get this please come on. Give us a you know.

**J** Jimmy Carper 37:05  
Your membership money.

**P** Peter 37:06  
Yeah, give us your membership. Membership. That's how it always goes. And so that's no big thing. And you call in you say here's my membership. People are calling in, you know, they've been given six on another bumping it up. That's what keeps us kind of programming going and you don't hear unabridged news unabridged craziness like this? That's for damn sure. Nor is there a place in town for a mere 35 bucks. Can you go out on a date? Sort of kind of two with two bees with Peter and Connie Lingus. I mean, come I mean, hey, one other show and you call that FM station that does this where you just have to turn it off. Because it's too much. You don't get an offer like that.

**C** Connie 37:50  
And well, we got chicken, we got coffee.

**P** Peter 37:52  
Oh, baby, we got Brian's chicken out there. Is that thing gone in the freezer yet?

- J** Jimmy Carper 37:57  
I hope so. Oh, but between a lesbian and gay voices, which is heard Thursday nights from eight until 10. And after hours, that's five hours of queer programming per week. Five hours.
- K** Kirk Keevert 38:11  
That's a bunch. Five hours more than you get on any other station in town.
- J** Jimmy Carper 38:15  
That's exactly right. My point and no other station right. And as Kurt was saying, last week, we were talking about the gay and lesbian programming radio in Atlanta.
- K** Kirk Keevert 38:28  
Not not a wit they did. They did carry there was a station carried this way out public station that carried this way out.
- J** Jimmy Carper 38:35  
That was the week, no live gay and lesbian radio at all and Atlanta and that's a big town. There's a large-.
- C** Connie 38:44  
With a lot of gay people.
- P** Peter 38:47  
Gay- Pete Street is like a floating carousel show.
- J** Jimmy Carper 38:52  
So you know, folks here in Houston are really really fortunate to have two shows, you know, a nice conservative mag newsmagazine show like lesbian and gay voices. And then the radical show that you hear every Saturday night at midnight, which is After Hours.
- P** Peter 39:09  
Radical radical Connie. He's calling you a radical.

Connie 39:12

Radical feminist lesbian. That's me.

Kirk Keevert 39:16

Watch out, she'll whip out a car. She came out. She just came out

Jimmy Carper 39:20

To grow her hair long and without a guitar. Oh, my

Connie 39:23

I am woman.

Peter 39:24

No, she's gonna cut her hair off. That's it for Katie. Anyway, but she just came out screaming out on the show. So let's do some music. And while you're listening, please pick up your phone 5265738 Give us a buzz. We might even be able to think of another good really, really good joke for you. We just could.

Jimmy Carper 39:46

One the most popular songs on after hours is by Erasure and it's called Gimme Gimme Gimme a Man After Midnight. But I want to play something a little bit older than that. That folk my age or maybe maybe a lot younger will recognize from the from the bars because it was a big disco hit-.

Kirk Keevert 40:07

Was the erasure was a ratio around in the 30s

Jimmy Carper 40:09

Thank you so much.

Peter 40:11

That was before ships floated by the- 1830s

Jimmy Carper 40:15

By a woman named Hazel Dean Hazel D. Does that strike a note to anybody?

Peter 40:20

I think you've just outlived

Jimmy Carper 40:23

If you remember this song by Hazel D.
