- P** Peter 00:00  
He said, Dear Connie and Peter, my life is a mess. I spend my free time watching X rated videos, sleeping with anyone who comes along. Whether it's a woman in her 50s Or a teenage girl, it doesn't matter who they are or what they look like.
- J** Jimmy Carper 00:18  
Sounds like that one article we read.
- C** Connie 00:22  
to the problem it all seems normal so far. She needed advice.
- J** Jimmy Carper 00:29  
What is this? What is the problem there?
- P** Peter 00:31  
At 30 My life should be organized and I should have some gold. Instead, I hang around hotel lobbies and get picked up by tourists or business women I cruise at the disco bars and at the beach. I never make. I never make the first move. I get my kick out of being submissive. In other words, everything I do were everything I do except work revolves around sex. As a teenager, I fantasize about sex. Now I'm living out my fantasies but I'm sick of myself and my life. There must be something wrong with me.
- 

**C** Connie 01:02  
You're whining too much.

**P** Peter 01:05  
All right. One of our experts in this video said she's whining too much. Well, there it is true. You're just a sex junkie. I'm sorry. It is true sex junkies, they like to use sex consummate a loving relationship but to drown their little pain and empty feelings. But you know, recovering from sex addiction is like, you know, recovering from an eating disorder. Connie, you could tell it's about you don't stop you learn how to meeting poop deck. A 12 Step meeting on the second day. You learn how to eat in healthier ways, for example. So with sex addiction, you learn how to have healthier relationships. So we have developed a quiz.

**C** Connie 01:43  
Oh, we just love quizzes.

**P** Peter 01:46  
We do love quizzes. Billy couldn't pass his but maybe you all can pass yours.

**C** Connie 01:51  
Do you think we'd love-.

**P** Peter 01:53  
To wake up sick tell that joke again. It's almost like the new mantra. It's our new mantra we have what was that first joke I told about the the the new nike yeah, the new Nike tennis shoes called Nikes with 12 inch tongs and only takes one finger to get off. Anyway if you are in residence sex is sex expert is rolling your eyes. Anyway so we have this little test for you to think to see if you may be our sex addict. Now this is really kind of you know, I'm serious. This this really works. If you can answer yes to the following questions you should consider getting some possible help. Because do your sexual activities have a negative impact on your life? No. Okay. Do you have sex at inappropriate times and inappropriate places or with inappropriate people?

**J** Jimmy Carper 02:43  
What does that mean? Yeah-.

**C** Connie 02:44

I mean my boss,

Kirk Keevert 02:45

Like calling what appropriate

Connie 02:47

My boss and like when we do it on his desk, but it seems appropriate to me. Yeah.

Peter 02:53

I'm not gonna do you have sex regardless of the possibility of consequences for example, disease getting caught in physical danger?

Connie 03:01

Well, I mean, I could be doing-

Jimmy Carper 03:05

I wrap it but I'll do what on Main Street at high noon?

Peter 03:09

Do you make promise will? Did have thinking about it tomorrow? Do you make promises about your behavior set rules for yourself that you don't follow?

Jimmy Carper 03:21

No, no, no. Yeah, I know myself?

Peter 03:22

Do you obsess about sex to the point where it interferes with your daily responsibilities?

Jimmy Carper 03:27

What other what responsibility?

P Peter 03:30  
That's the only thing to do.

K Kirk Keevert 03:32  
Do you have to take Stanley to the airport?

J Jimmy Carper 03:36  
Can't go to the bookstore. I have to take Stanley to the airport.

C Connie 03:38  
Now how do they define sex? Is that involving another person or

J Jimmy Carper 03:43  
whatever?

P Peter 03:44  
Do you use sex to deal or escape with your life problems? Do you wish you could stop or control your activity now? Do you feel remorseful you all are not sex addicts but anybody that's having some of those things and getting all caught up in that stuff if you would talk to any licensed you know what they would ask you some of those questions and if you will-.

J Jimmy Carper 04:06  
We're gonna get calls from people saying you know that's a serious quiz and you shouldn't make fun of it.

K Kirk Keevert 04:10  
Well I don't think we're making fun of it. I think I think that I think it-.

P Peter 04:14  
making fun of it. Oh no.

**K** Kirk Keevert 04:15

I think that if if you feel that you've got a problem. Get off your butt and deal with it. Go go find some help for that and deal with it.

**P** Peter 04:28

There is no holding Connie back is it.

**K** Kirk Keevert 04:33

Oh my god I have to go to my pearls please. Excuse me.

**P** Peter 04:39

I'm not going there. Anyway, it took it is a serious thing. But the bottom line is you're exactly right. If you answer those questions they really like hit you home you need to go think about it. But if if you can answer my you all did obviously what to how to heat ha Yeah. Then you obviously have like, know who you are know where You're going and know what it's about and have gotten your life somewhat in order. But we got that letter and we just felt like, you know, oh my god, we need to answer this poor person who's out there. I mean, doing these wild things and probably need some help, you know.

**J** Jimmy Carper 05:13

Okay, so let's go to a piece of music. Now. Let's take a little break.

**P** Peter 05:16

We need to say though, before we do that, yes, we do. There are bumper stickers and T shirts.

**J** Jimmy Carper 05:22

Oh, the tshirt. That's the T,

**P** Peter 05:24

that's the T. It's the K p f, t t shirt. A bottle KPFT Springwater. Two T shirt. And it for 90 bucks. I haven't had jobs, gym bags, all kinds of stuff going on galore. But the bottom line is it's 5265738 Call with your pledge to keep this kind of absolute zany radio on the air along with the

POCUS and the blue tinted lesbian s&m Masters and I'm not sure what all is on this station. But it's two fabulous forwards and you don't get this anywhere else with no commercial interruptions. That's right. So now and your pledges 5738-.

**J** Jimmy Carper 06:03

Now we're gonna go to a piece of music that we ended up with last week, but you didn't get to hear all of it. It's by a guy named Ke. Yeah. And that's. Yeah. And it's a remake of an old Melanie to no kidding. Way back in the 60s. Hey, I remember that. And it's I have I guess I have to dedicate this to you, Peter. It's called lay down Wow, isn't that a cool remake? Oh, isn't that good?

**P** Peter 06:41

Let's do what we can. But that basement below? We're on it.

**J** Jimmy Carper 06:51

Gonna do with them.

**P** Peter 06:52

Please. Would you like me to tell? No, right here on the air?

**K** Kirk Keevert 06:58

Do we?

**J** Jimmy Carper 06:59

We are right. Michelle, who was a longtime listener of After Hours. And a member of cute patrol. All right, Michelle, we're gonna get a couple of T shirts. Hey, Michelle. Michelle, way to go baby and then anonymous.

**K** Kirk Keevert 07:19

And anonymous from the anonymous family. Yeah. All right.

**J** Jimmy Carper 07:23

One of our largest contributors anonymously, large contributor via anonymous family and-

**K** Kirk Keevert 07:29  
On his family. Hey, we love that. A lot of big box big O bucks.

**P** Peter 07:35  
Hey, you know what? Out of all the donations we've got. And we didn't meet our quota for this particular time slot plus, which we're really, really grateful to all you out there. Thank you very much.

**J** Jimmy Carper 07:45  
And we didn't have to, you know, beg or plead or no pleading no begging. No, I'm really proud. I'm proud of KPFT listeners.

**P** Peter 07:54  
And really, especially the listeners that listen this time slot and let's face it, this is a unique audience.

**K** Kirk Keevert 07:59  
Like Jimmy was saying last week, I mean, of the early morning, late night shows, After Hours is the number one here at KPFT.

**J** Jimmy Carper 08:13  
We have the most listeners more or less the midnight show at this at this hour. And we also have bring in the most money of any Midnight Show. All right,

**P** Peter 08:23  
Qe're all that and you know the and did you know the only most disgusting thing of the whole thing? Why we have earned all this money. People have just lavish their bounty upon us. They have done wonders with this but out of all the people that have called the wonderful folks that have pledged nobody wanted Brian's chicken No. Well and I can understand that it should have gone back in the freezer. Yeah, but the one thing I can understand-

**K** Kirk Keevert 08:50  
Nobody wanted to go to coffee with with Peter and Connie.

P Peter 08:53  
I know that is just I mean I'm just like,

C Connie 08:56  
That's just an example of the selfless audience we have out there. They don't want anything for themselves. They just want to give to KPFT.

K Kirk Keevert 09:03  
Oh no, they got the T shirts.

P Peter 09:11  
Another old queen from Atlanta right?

K Kirk Keevert 09:14  
Oh, they got the T shirts.

P Peter 09:16  
I know but I thought Connie was going in a wonderful direction with their selfless giving.

K Kirk Keevert 09:21  
She did she did it was touching and moving she covered her ass very well.

C Connie 09:27  
And that tiny thing to do.

P Peter 09:29  
There's not enough paper in this world of cover. She uses it for an Afghan she's going down to the desk second deck now to get ready for the aerobics class. Lollipop if you could see. Anyway, really it's true. It's fun, you people. We will take you to coffee and we could do that on

another week and we don't have to be on the A membership drive weekend time we can if you call it and really want to go to coffee, with sure and Connie Lingus. Yeah, we'll do it. I mean, you know-.

**C** Connie 10:09

Hey, real people,

**P** Peter 10:10

we're real people. She's cheap. I'm inexpensive.

**C** Connie 10:16

Hey, downright free if you're.

**P** Peter 10:18

Oh, well. I'm like that and I might have in my head. Anyway. Did I hear that somebody over there had a was gonna try and do a one upsmanship on a joke.

**K** Kirk Keevert 10:28

Oh, that's such a joke. I just wanted to share a little experience I had with you in a real life experience or real life experience. Okay, I swear what, could I make this up? I don't know. I haven't heard it yet. Big boy. No. So um, so I was I was in a in a bookstore in an adult adult bookstore. Tell Sopris was an adult bookstore in Atlanta.

**P** Peter 10:52

And any bookstore wherever you happen to be living in Miami, Denver Houston get ready it anyway drooling.

**K** Kirk Keevert 11:05

It was so funny because this nice demure little lady walked into the bookstore and went up to the to the quite frankly jaded man behind the counter and asked him very nicely I thought how much the white dildo was there in the case? Yeah. And and she was very shy about it and he didn't even look up. Bastard didn't even look up he's written a book and it goes there the white dildos, 25 bucks. You know, I swear to God, so so she wants to know some more information. So she asked how much the black dildo is. And he said it was 75 bucks. And again, he didn't even look up. Still read his book. sad, pathetic little man. But then she asked him how much the plaid dildo was. Well, that got his attention. And he had to turn around and look and see what she

was talking about. He turned around he said it was \$200 200 Yeah, \$200 for the plaid dildo. Well, she laughed and the guy's boss came out and asked him asked him how he done and he said, well, not bad. He said in the past couple hours, he'd sold two white dildos. And three black dildos. And he sold his thermos for \$200. You had to be proud of him. Yeah. To be innovative young man.

**C** Connie 12:23

Is that what that collection of-

**P** Peter 12:26

Mine have all the little you know?

**C** Connie 12:32

Take care of business.

**J** Jimmy Carper 12:33

That's funny. Very funny.

**K** Kirk Keevert 12:35

So next week when they come up and tell you that joke, it rascals. You tell them that's Kirk's joke.

**P** Peter 12:41

Well, they do people grew up and told me about my what Katharine Hepburn joke and I don't even go mine. And now we've got a village. Hall around the country and sources and find some more for our next show. A good one. That was that was very, very good. Very, very good. Well, we'll tell that again. And again, so

**J** Jimmy Carper 13:06

What else is going on in the in the well, did you read the the triangle?

**P** Peter 13:15

I haven't had a chance to read that this.

**K** Kirk Keevert 13:17  
What's the scoop on that triangle?

**J** Jimmy Carper 13:19  
May be the last chance you'll get?

**P** Peter 13:21  
Oh, you know, funny. Brian's with the loose chicken told me that they were going out of business. Yeah, I just didn't.

**J** Jimmy Carper 13:30  
There's gonna be a meeting in Austin. But if something doesn't happen drastically, and soon, this is the last issue of the triangle. Oh, on their fourth-

**C** Connie 13:41  
It might be commemorative.

**J** Jimmy Carper 13:42  
Yeah, yeah. Oh, oh. And that's a sad thing. Because it's a very good weekly newspaper. For all of Texas. I don't know why it didn't go. Maybe because I don't know. Quite, quite frankly, I read the voice more than I read the triangle. Because there's just more local news in the voice. And here lately, with Deborah Bell being at the helm of it, it's really a lot better. It really is. Yeah, well, nothing. I'm not taking anything away from Sherry Carter, the ex editor because I mean, she, she turned it from a bar rag into a newspaper. Right. And Deborah is just continuing in that tradition.

**P** Peter 14:32  
A lot of political stuff going on now. But yeah, it's that time of year so hey, you know, yeah, speaking-.

**J** Jimmy Carper 14:36  
Politically. That's a part of speaking apart, right. Don't even go there.

**C** Connie 14:44  
Yes. Did you say bar hag?

**P** Peter 14:48  
Well, Connie, you're saying-.

**J** Jimmy Carper 14:53  
Tom, political arena.

**T** Tom Richards 14:56  
Well, now we are hoping this next week too. To get our interviews and get them wound up there on your own the problem is I'm still hoping to find somebody that would like to go along and and ask questions with me of course I will not be left out because there are questions I will ask that nobody else seems like we'll ask but I'd like somebody to go along that has a pretty positive attitude but

**J** Jimmy Carper 15:30  
if you'd like to be part of like be part of after our school give us a call at 5265738 we promise we won't rag you for money if you call us-.

**K** Kirk Keevert 15:42  
If you call us and give us money we won't write you about it

**J** Jimmy Carper 15:45  
It will not do that you want to get involved and if you're a politically motivated like Tom that is-.

**T** Tom Richards 15:52  
I am still trying to find out from Lee Brown if he will give me an answer Are you or are you not going to run for mayor of Houston Texas.

**J** Jimmy Carper 16:02  
I'd like to know that too.

**P** Peter 16:05  
I'd be interested in knowing the answer that question.

**T** Tom Richards 16:08  
But he only hands out hints of maybe.

**P** Peter 16:13  
All things in time

**J** Jimmy Carper 16:14  
I guess he's trying to wait and see who else is gonna throw their hat in the ring and you know see what kind of competition there is.

**T** Tom Richards 16:22  
I had been hearing rumors that mattress Mac might even be interested in the mayor while I just cannot understand why mattress mac would want to would want a lesser position and what he already has.

**C** Connie 16:40  
What's that give me mascot for the city.

**P** Peter 16:45  
Let's give he and what's who's the guy on 13. That gets ignored at salary that talks about slimy ice was.

**K** Kirk Keevert 16:54  
Marvin Marvin ZZ and learn-.

**P** Peter 16:59  
Let's give he and mattress Mac a free trip on the good ship Lollipop. Extended cruise in the Bahamas. During the next tornadoes hurricanes made for me to try those girls-.

K Kirk Keevert 17:14  
Take them on a cruise in the iceberg fields.

P Peter 17:17  
\$189,000 Road steer in a chicken pool.

T Tom Richards 17:23  
And Jimmy since I you ask ask what I'm doing. I have been listening to other sob business. Not going well. That's what I've been called here a couple of times lately. But anyway-.

J Jimmy Carper 17:37  
Sexual oriented stuff.

T Tom Richards 17:40  
Yeah. I've been listening to that and-

J Jimmy Carper 17:44  
Are good friends to Don Don Boney and Helen Huey.

T Tom Richards 17:46  
Oh my god. And, and Jew Don Boney. I definitely would love to ask him a few questions. Jew Don Boney is an activist has been an activist in this community for a long time. Yep. And but I have I simply do not trust him and that's what I told him when I first met him that I didn't trust him.

P Peter 18:13  
Yes, love that name.

J Jimmy Carper 18:16  
Well, you know I've been very disappointed and I expect that out of Helen Huey but I've been very disappointed in Don Boney with all of the sexual sexually oriented business you know, it's

very disappointed in Don Boney with all of the sexual sexually oriented business you know, it's if they're going it goes the way they want it to go there will be no dick dancers.

**P** Peter 18:37

Well, hello and because they wanted to go you won't be able to handle anybody a buck from six feet away what are they going to do pass it back and forth on a stick? Well while those men and teddy bears that stripe people I mean I can't give it to you honey.

**T** Tom Richards 18:51

Any chance that any supporters of Jew Don Boney is is listening. You might telling that, that if he wants to talk SOB here here is an SOB that will talk to him about SOB. And the question I'm going to ask him is Mr. Boney you keep your damn dirty bigoted breeder fingers off our bars and establishment period.

**C** Connie 19:16

Well, there you have it.

**P** Peter 19:17

Well, there you have it.

**J** Jimmy Carper 19:20

This not necessarily the opinion of KPFT radio.

**P** Peter 19:26

Or Peter and Connie.

**J** Jimmy Carper 19:29

But probably should be right.

**P** Peter 19:31

Well, it may should be but we don't want to go on record.

**T** Tom Richards 19:36

TOM RICHARDS 19:30

Most of my opinion is not shared by KPFT period.

Jimmy Carper 19:43

As we always say Tom is the activist with the accent on the word act.

Peter 19:48

To the Yeah. Let me tell you before you go to that another piece okay. It is the Love Boat is getting ready to leave dock sail away. We're going yes, we're going up to the luau deck for the midnight buffet time. Ooh, would miss it frosted hams. You name it. They're all their thighs. Ooh. Anyway, we're going on up to do that. Anyway, so we are going to bring this little edition of the Peter and Connie Lingus show to an end, little piece of music. We're just pleased as punch to be part of Houston radio. And Connie and I just are absolutely speechless when it comes to how thankful we are for all you people that-

Connie 20:50

The generosity of the gay listeners out there. It's been incredible.

Peter 20:53

It has been fab. It has really been fab. It's always fun to work with you. It's just too much fun. We will see you again on the fourth Saturday of the month for the next Peter and Connie Lingus show which will have our same old same old stuff. That'll be in November news. That right personal this that and whatever.

Jimmy Carper 21:11

Yeah, we're not going to hear for a long time. Well, unless-

Peter 21:14

Somebody you know.

Jimmy Carper 21:16

Well, you know, in this in November in December, people may need to switch around so well. You never know. You never know. Look stay tuned because

- P** Peter 21:25  
You never know what you're gonna find on a Saturday night. Is that fun? Nene are wayward brother who decided to do everybody in Atlanta and everybody in Denver before he came back after giving us all a break. Oh, but we're ready for you now big boy.

- K** Kirk Keevert 22:18  
Is he really?
- J** Jimmy Carper 22:19  
Oh, yes.
- J**

K

Kirk Keevert 22:20

Cute. Yeah, he's he's pretty cute. Let me say. Yeah, he's cute. Yeah, yes. Cute. Yeah.

J

Jimmy Carper 22:26

And that he does a lot of traditional type jazz. Yeah, like one that is the one openly gay. jazz song he does. It's his own creation, but he does a remake of polka dots and moonbeams for you jazz fans. It's good. It's called moods and groove Stephen Kowalsick. And you're hearing it on after hours career radio with attitude on KPFT Houston and KEOS College Station, where we have just gone over our goal.

J

Jimmy Carper 25:19

You know, unless you enjoy deep sea fishing. You know, that's got to be a lot of fun to do to get with family

K

Kirk Keevert 25:25

John is at 5236381 They've already got their first outing planned. It's gonna be an all day tip all day trip out of Galveston. It will include clewd, transportation, lunch, and beer. I park in the Montrose and the signup sheet for those interested is right next to the front door. So stop by the 611 or give John a call, like I said at 5236381 for the yet to be named gay and lesbian deep sea fishing.

J

Jimmy Carper 26:29

There you go. And don't forget about lambda Roller Skating Club. Hey, Wednesday night eight to 10 at the starlight skating Academy. 8075 Cook road OTL. Okay. Oh, outside the loop. Yes. Way, way outside the loop. But yeah, we there's a lot of careers out there. We're out there. That's right. That's right. I'm currently OTL. Oh, man. That's a lot of fun. Let's see, October 16. Is southern country groups. Group skate. So it's going to be country western night. And on October 23. The rainbow Wranglers. Wow. More dancing. And I'm sorry. What are the rainbow Wranglers? That's a country and western dance group. Awesome. Well, there you go. And October 30. Hell on Wheels for Halloween skate cash prizes for best costume? You know,

K

Kirk Keevert 27:23

I think I may just do that for when is that? When is that? October 30. We'll see now there you go very close to Halloween. Yeah. Yeah. Sounds like sounds like the thing to do.

J

Jimmy Carper 27:33
