♂

03:52

Oh, really? Yeah. See me. Okay. See, there's this. There's this like, 23 year old but I'm kinda like, I don't know. See? Often. Yeah, well, no. Anyway, he works. He works the mining company. And you know, I don't I don't begrudge anybody doing whatever the heck they want to do. I'm just not somebody who who? Who hangs out with drag queens. And he's a drag queen. Well, no. Well, no. Well, he wasn't drag. He wasn't drag when he was working out if they have open toed shoes. But he

♂

04:30

he was I think I can dress

04:33

you can pass as a man. Anyway. Kirk's being better tonight. Everyone surprised. Anyway. He was all in drag. And I just and I was supposed to see him last night and you're on Dragon. And I just you know, I just wasn't into it. So I don't know. And he was we're supposed to get together last night and he kind of dismissed

J Jimmy Carper 05:00

So, anything else going on in your sex life we can talk about on the air. People can know it.

G Gigi 05:06

I can talk about some stuff.

J Jimmy Carper 05:10

What's going on in your life?

G Gigi 05:12

Well, we just had a good party last night. That was fun. Yes. And I've been doing some really wild crazy stuff. GiGi's Breakfast Club. Why yes. I dress up a radically I shudder to think what's for breakfast kick breakfast. Oh, and then I put on a show for everybody. Whoa, okay. In my house of course.

05:42

And what a show invited audiences only type of thing. Oh,

G Gigi 05:47

it is baby. Wide open and

05:52

more of a wake them up. And and it's a show for them then? Because they're already there. Oh, yeah. The night before? Oh, it's soon

G Gigi 06:01

as they see me they are awake baby. Whv do I I have no doubt that we had a lot of fun and

as this, see the they are aware baby, why do I have no doubt that we had a lot of fun and miss days been calling me every few days going now. What can I do with my dessert dishes ever since I told her what we did with ours.

 Jimmy Carper 06:27

Oh, keep trying to imagine what kinds of things you can do with dessert dishes.

 Gigi 06:31

You know, it's amazing.

 06:35

The show is devolving in a circle, like like, like Dante's levels of hell? Deeper and deeper and

 Gigi 06:45

whenever Miss Gigi comes on and does that. The

 Jimmy Carper 06:49

first Saturday of the month. It is and we expect hatch to be here

 06:54

expect they're probably out galavanting just a bunch of kids with what they are is

 Jimmy Carper 07:00

20 wire for the second half of the show. And she's going to have a guest

 Gigi 07:06

he is Yes. We've got a person coming to talk on s&m and bisexuality and Wacom smack a man. We thought that would be a good thing for Halloween. Yes. In the dungeon.

 07:24

Would this be the person that that was on? No, he's not been on the show. But okie dokie this this is a verge I was asking about no. Okay. The one that was on the one that was on that the

the one time I came up here when? When Sarah was here. And this guy.

J Jimmy Carper 07:41

Oh, no, not that. Yeah, that's who this is a different guy. Okay, you're gonna fall in love. Many people have seen really? He's really handsome. Really handsome. Yes.

G Gigi 07:54

And he was handling the dessert dish.

J Jimmy Carper 07:56

Was he

∅ 07:59

speaking? I think I think the most stunning guy that's been on that's been on the cover of the twit lately has been the guy that was in that Halloween show. This was a couple of weeks ago. Oh, and he was like, just this leather guy and the leather cap and this. This chest that just screaming for attention? My

J Jimmy Carper 08:22

favorite was a couple of months ago a guy in a bathing suit. Who was excited

∅ 08:30

I don't recall that. Oh, I

J Jimmy Carper 08:31

do. I've got not got the camera. I

G Gigi 08:34

got my outfit tonight was pretty good. It's pretty well add little jingle lead. Gently things.

J Jimmy Carper 08:44

Little leathery fringe things to barely cover?

G

Gigi 08:51

Neither jingle

J

Jimmy Carper 08:55

jingle and a a kind of shiny black cloth. C 3k.

G

Gigi 09:03

Yes. Oh, yes. We definitely had to have a C 3k

J

Jimmy Carper 09:08

gossamer fabric.

♀

09:11

You know, now. Oh, okay. What else? Um, the

J

Jimmy Carper 09:14

other thing I'm having tonight, Jay is doing impact. Yes. And she had a few book reviews. She does the best book reviews I've ever heard.

J

Jay 09:25

Yeah, I have a lot of them tonight. Good.

J

Jimmy Carper 09:26

Good. Good. Good. For sure. What have you got?

J

Jay 09:30

Well, when Gigi went to Los Angeles, the Los Angeles bisexual conference. He met Carole Queen wrote. Yeah, she just recently has a book out. It's called real live nude girl.

J Jimmy Carper 09:46

Yes.

J Jay 09:47

Oh boy. Now, people tuning into that

J Jimmy Carper 09:52

is one of my favorites.

J Jay 09:54

She writes into black sheets and essays very sex positive essays. are included in this but Oh good, good. Good. So we got that and that's

J Jimmy Carper 10:03

our friends. Black sheets from San Francisco. Rent. Yes.

J Jay 10:07

Bisexual.

J Jimmy Carper 10:10

Actually, it's a bisexual. Magazine, but I have every copy. I do

G Gigi 10:16

now because Gigi got it. Yeah, her birthday.

J Jimmy Carper 10:19

It's just sex positive and you

10:23

know everything I'm just staring at you in amazement you know everything gay. It just it just I mean everything queer, you know about you are like, you're like the the encyclopedia, you are

the Rosetta Stone generation.

J

Jimmy Carper 10:42

Actually, actually, I learned something tonight. I was reading a store or reading an article about Franz Schubert. Who the gay world knows is being gay. But it's still being discussed straight. I had always I had read and I always thought of him as being like a great beauty of his time. Yeah, he died of syphilis at the age of 31. And he surrounded himself with the the gay men of the times. And I had always read that he was like this beautiful guy who got kind of got passed around. Well, this new article I read says, Well, he was very shy. Very large. And large, like fat. Yes. Oh.

♂

11:35

I'm just trying to clear up the terms

J

Jimmy Carper 11:37

here. Just a terrible introvert. I was just shocked over that. So I don't know everything.

♂

11:45

We're, we're well, now you do. You know, that French humor thing. Now that pretty much covers, you know,

J

Jimmy Carper 11:51

black sheets is a great magazine. Because in this day and age, if you read a lot coming out of the gay press Get the gay literature. It's so sex negative. Yeah. And the one thing I like about black sheets is that it's sex positive.

G

Gigi 12:10

And they make fun of everything. I mean, and have fun with everything from beastie ality to kinky sex kind of thing. You name it, they do. And

J

Jay 12:22

I mean, it's not just you know, some sleazy, cheapo Xerox thing. It's really high quality stuff. So anyway, we got Carol queen here, and I'm going to talk about that's a really good book. It's good. It's a really easy read. Well, I'll talk more about that later, I guess. And then I have a book

by this woman named Jessica Maxwell. And I can't really pronounce it Sam dove into or something like that. I don't speak French so excuse my accent you just do it and

⌚ 12:52

sorry. Just like this Jimmy just a spiral. Anyway, she's

⌚ G Gigi 13:00

started Yeah, baby.

⌚ J Jay 13:04

But she's she's a female adventurer, as long as your true life adventure, things like that hiking the Amazon stuff like that. Yeah, it's an interesting book. It's just a lot of the stuff is out there. But it's mostly men. Here's a woman right even have a list in the back is from seal press. And they have a whole genre whole subsection of their press, which is the called the Add Ventura series or something like that, which is all about women travelers. And this is something my sister is very interested in. So I saw this, I said, Oh, hello, I've got my sister's Christmas present.

⌚ J Jimmy Carper 13:36

Yeah, well, see, we've been getting a lot from SEO press lately, and they have a lot of buried.

⌚ J Jay 13:43

Well, there's another one I have in here too, which is a book on domestic violence. And it's pictures of women who have been abused by their husbands, spouses, lovers, whatever. And by a woman who herself was abused, and it's very, very powerful book, just some pictures and Alexa, just short page, you know, half a page about them. So that was really good, too. And then I have a book as from Kinari press, different press here, up many women of medieval times. Oh, my Yeah, well, it's a series that started with wild women was, let me see if I can remember the subtitle. Course it was curmudgeons and wild and Willy women from the otherwise virtuous Victorian era.

⌚ 14:28

Alliteration from HG synchromed.

⌚ G Gigi 14:30

Can you say that?

J

Jay 14:34

I can really say at one time,

J

Jimmy Carper 14:35

the virtuous Victorian times were not exactly.

J

Jay 14:39

I want to talk about all these women who are like get into fights and duels and marrying and I mean, literally marrying their girlfriends and stuff like that. And it's and then there's a pretty woman of ancient times and uppity women of medieval times. So they have three books now. Great. And it's just a very short, you know, one page two pages. Maybe biographies of these women written in a very contemporary style. Very interesting, you know, with a lot of information in the back if you want to know more about, but just very briefly, here's a whole bunch of women you know, you say, there were no women in the medieval times it didn't anything. Here's a whole book. It's 200 and some odd pages 236 pages of women who, who did cool. And then finally the last one is a book called lap dancing for Mommy.

Ω

15:33

Oh, my God who's been talking to me. And it's been writing about my life

J

Jay 15:38

that right there says a lot it's a very interesting book and I'm not quite sure how I'm gonna review it because it's really defies description by Erica Lopez. And it's it's most interesting stories of disgust, blame and inspiration is the subtitle for this. Wow,

G

Gigi 15:55

that sounds like Miss JG device description. Yeah.

J

Jay 16:00

Very interesting. On the cover. There's two Barbie dolls. One is dancing on a table for the other Barbie doll. Yeah, it's most intriguing, but it was a very good book. So

G

Gigi 16:10

it's like our breakfast table.

J

Jay 16:14

We have a lot of interesting things to talk about.

J

Jimmy Carper 16:16

Okay. Well, we'll see you in the second half. And right now,

∅

16:22

before you get into that, I want I want to throw this in. Yes. Throw it in. Okay. I've been listening to Roger gray talk show on weekday afternoons on the way home on his his new FM talk station. You know about this? Yes. Roger Gray has a new FM talking couch.

J

Jimmy Carper 16:42

I have no idea. I know. It's not gay. Right. I don't know.

∅

16:47

I don't know. So anyway, I and this guy owns the station and so obviously is going to show but you would think you know, he's been doing it. 22 years. And he's somebody that in Houston media, you know? Yes. Yeah.

J

Jimmy Carper 16:58

I even I know his name. You know who Roger gray is?

∅

17:01

So I was I've been I've listened to the show. And when I do, I think you know, these people are getting paid, you know, decent money for this, I would think and they're really not any better than we are. And I'm not saying you know that we're bad or anything. I'm just saying that are that we're fabulous that we that we reach that level anyway. Honestly, wow, I just I thought that I thought I should share

J

Jimmy Carper 17:27

that. You should. Especially to your horse.

17:30

I mean, what I'm doing it I'm doing it here now on here. I'm preaching to the converted What the hell is that? But

J Jimmy Carper 17:37

actually, we do get a lot of people who listen and they they hear about us when there's a strange show. They say all kinds of stuff. You got to listen to it. We have a lot of straight listeners.

17:47

And you know what, I gotta say this I mean, throw this into another TV and other media things is when TV related was watching South Park tonight. Oh, isn't that incredible? It's so funny. Oh, show it's so funny. irreverent and and totally iREP it's on cable on Comedy Central Comedy Central. And it's a cartoon. Oh, wait.

J Jay 18:10

They'll round kids. There's little round

J Jimmy Carper 18:12

kids all in snowsuit inside outside. That's a man. Yes. It's it's totally

18:17

irreverent. Hartman is the little fat kid. And did you did you see the did you see the did you see the Halloween one? Yes. I thought that was so funny. Cuz he kept me kept saying not kidding. But Kyle kept saying saying every time Cartman would say something mean to him, Kenny would respond with Yeah, well, at least my mother's on a crack whore like three or four times. And finally, towards the end of the episode, you find out that she's on the cover of crack core magazine. Which Isaac Hayes the chef, I mean, at least that kid y'all got to give me that. I'm gonna do some research with that later. And then they showed him looking at the magazine.

J Jimmy Carper 19:01

I love that. It's amazing, to me, is amazing. It's the most irreverent show I've ever seen

19:07

the focus talk show. Yeah, he's just ready to talk show. like color. the focus. My problem is Yeah

the jesus talk show. Yeah, he's just ready to talk show. Like color. Hi, Jesus. My problem is Yeah, I know.

J Jimmy Carper 19:17

He doesn't give him an answer. Well, dammit. Jesus says, I heard that.

o 19:23

Anyway, God so funny. Let's but the point of that was yes. They curse a lot.

J Jimmy Carper 19:30

They do. They say things that we're not allowed to

o 19:33

say. I know. I mean, they say I hope Yeah. And they say gunned down. Yeah. And I you know, that dam was always something you could say you put God in front of it. And that's not something you can do on television and right and they do it and they do it. And they say I hope Yeah, and yeah, and I mean, oh, what was it? Oh, God. There was something that was just so sexual. on that on that one tonight usually is when The shirt. No, this was this was with the pervert teacher.

J Jimmy Carper 20:04

He wasn't dressed

o 20:10

it's got just a Nelly Little Voice anyway. Yes is a land puppet. I know. Everybody was dressed as a rookie, including the hand puppet. So funny. Have you seen the

J Jimmy Carper 20:22

episode with big day owl?

o 20:23

I have not seen that. And I wanted to it's good. It's good. I heard it was it was it was irreverent. But you know, but, but it definitely didn't treat it any worse than it does everything else now

J

Jimmy Carper 20:35

and it taught them a lesson. Yeah, yeah. About tolerance. And that's what we try to give you every week as we're tolerant along with kind of a three hour gay life. You know, this is what happens in gay life when you're hearing right now. Yeah, this is how we really are

G

Gigi 20:54

exactly. Enter the kingdom. Anyway. Watch TV.

o

20:57

Scary. Anyway. on VH one in case you don't have cable. This was so cool. I know. They're running Rocky Horror. I got nostalgic tonight. Absolutely. And you know, it's really kind of weird, because I have a tape of Rocky Horror. It's not the same as it being on TV on Yeah, that's an event. I can watch it anytime I want. Yeah, but it's on TV. So that's an event, sort of like your favorite song. You know, you have it and you can play it anytime you want. But when you hear it on the radio

o

21:29

that yeah, it's a little

J

Jimmy Carper 21:32

well, I almost didn't get here tonight because I left our apartment and we left exactly at the same time right after this next song that I'm going to play.

o

21:43

Yeah, so So where are we not playing something that we haven't heard tonight?

J

Jimmy Carper 21:47

I want to hear it out there who don't have cable and can't can't watch it or go to the River Oaks theater to see it because I do that again. Every Saturday night at midnight. Just like That's why I don't like to advertise it because it's there. Yeah.

o

22:03

We should do we should do a live show from the mall. Why wouldn't that be fun? That would be fun. We need to look into that we need that's an idea. We need to look into that.

J

Jimmy Carper 22:12

This is the show that this is the song that was on when we left? Well, I actually I stayed until it was over. I did too. You're listening to it on after hours career radio with attitude on KPFT Houston and ke O 's College Station. Big ROI we'd like to hear from you. And so give us a call at 5265738.

♂

22:35

reclusive 130 We're

J

Jimmy Carper 22:37

inside the loop they know that Oh. Anyway, here goes enjoy it well, I found out how to stop it. We have a new CD machine here at the station. And I'm not quite sure on all of the Appalachians. Apparently you're listening to after hours on KPFT Houston and ke O 's College Station. I'm Jimmy Carper. And Kurt Keever is here. And of

♂

23:07

course I am and a whole bunch of folks in our there are a plethora. Almost almost a plethora. Not quite. So we're definitely not to record Neucopia No,

J

Jimmy Carper 23:18

no naughty nor even a cornucopia. Although there are condoms on the table, and

♂

23:25

you brought those in? Yes, I

J

Jimmy Carper 23:27

did. For the hatch kid. Yes. If they ever get their asses here. Well, that's what they need them for.

♂

23:34

I knew the second it came out of my mouth.

J

Jimmy Carper 23:39

I don't know what it was. Oh, wow. So Kirk has the Comedy Sports

o

23:46

going? Oh, you just try to segue into that. And you know, he's just tried to make it sound so, you know, we hadn't planned this at all. And it didn't work.

J

Jimmy Carper 23:57

I know it didn't work. I couldn't I couldn't really couldn't segue from assholes. Comedy Sports you know?

o

24:07

Yeah, I was blowing asshole earlier and thinking you know, I probably shouldn't say that. I'm probably shouldn't either

J

Jimmy Carper 24:14

but you know, they do it on TV. This is the same you know, this is media.

o

24:18

And we're on later we're on later than so absolutely. Absolutely. All those people who would be offended by us all should be asleep by now. One would say at any rate, Comedy Sports, okay, cause jobs now. Yes, comedy. Okay, so anyway, so we had our Halloween show last night on Halloween was not a full crowd. Well, obviously, I mean, yeah, you know, the shows, shows eight to eight to 939 45 something like that. And that's, that's our candy time. Exactly. Get you a little taste to candy. Anyhow, so I was playing last night and and we decided to you know, all the games we played were sort of going to try and be Halloween themed. Okay, because this is all ad lib comedies. Yeah. Exactly, it's not you know, it's not scripted, right at all. So and we do it based on suggestions from the audience. So, God if

J

Jimmy Carper 25:07

they're twisted that can really get

o

25:09

well but but we there are fouls that we call and one of them is a brown bag foul and that's if anyone on the field or in the audience says something lewd, crude, lascivious or dirty, you're

any one on the field or in the audience says something lewd, crude, lascivious or dirty, you're out of context and say no, we do a clean show. And it's something that we're pretty proud of, oh, we do a clean show because it's I mean, it's easy to be dirty. Anybody can say asshole. Evidently. I mean, them kid down South Park and tell you as I know it, inhale. We, so we do a clean show. So anyway, get suggestions from the audience. And my captain wants to do this, this game that we just sort of made up called horror movie musical.

J Jimmy Carper 25:53

Horror movie musicals. You know, rocking ours, okay. Yeah. But

♂ 25:59

what we were doing was we get we get a suggestion of a musical. Yeah, Broadway or movie, you know, whatever. And we make it into a horror movie. Oh, okay. So slasher film kind of thing. Okay, so. So I started off by singing, you know, oh, what a horrible evening. Oh, what a terrible day.

J Jimmy Carper 26:18

Oh, it was Oklahoma. Yeah, it

♂ 26:19

was Oklahoma. Did I not mentioned that? We got Oklahoma. Oh, no. Oh, what a terrible evening. Oh, one horrible night. I've got a terrible feeling that that is going to go right. And I sang it. And Judy, Judy, our keyboard player says you did that so good. You just You did it. But you did it in like a minor key. And I'm like, Oh, okay. I didn't know you could say I didn't need it. So anyway. Actually, I'm one of the better musical players we have. So anyway, Ba ba ba ba ba. It's me. My

J Jimmy Carper 26:47

words all about you. Yes.

♂ 26:48

And, but I got the speaking of that. I got the biggest laugh of the evening. What did you do? Um, I got I was playing curly. Well, there's three of us on the team bite me. There's three of us on the team. And there's there Stephanie, who's this tall girl with big humongous

J Jimmy Carper 27:10

tracts of land. Exactly. tracts of land. Do large

27:16

breasts. Yeah, large, large, large and she's a big girl. Okay. And then then the other guy on our team is is Peter and he's more he's he hasn't shaved in a few days. So he's more of the evil looking guy. So he has played jutsu I've played early. So I want

J Jimmy Carper 27:30

the audience to know that your hair is straight as a board, just

27:34

like curly from the Three Stooges. Okay.

J Jimmy Carper 27:39

There's the connection must be talking about your pubes.

27:41

You've not seen my pubes. That's true. I'm one of the probably one of the few people who's been on the show that that can say that. That's not true. But I anyway, out of that anyway. So you were at one point, Judd kills me pretty early on, just kills me. A horror movie. We don't know what. And the guy who's playing Judd didn't have a clue about Oklahoma. I was I was the gay guy. I had to know you know, anybody not know. In fact, when somebody goes when they said, Okay, we need a suggestion for a musical. Oklahoma. Both of them turned me and go, Okay, what's Oklahoma about know? Your day? You have to know this. So it's a musical. So at any rate, Judd kills me Okay, and one of the guys one of the team jumps up and starts does this rise from the dead thing for me? And so I rise from the dead and I stand there and I say, I don't want to rise from the dead but I'm just a girl who can't say no. I killed I was so excited because I was laying there thinking how do we get a two and a half so there we go. I don't want to get Eddie Albert into but yeah, he did make it Oh, it didn't make it time was called good match.

J Jimmy Carper 29:07

It's good. Did you win?

29:09

I think we did it's not really a you know, it's not really about the competition. It's just you because we never know who we're gonna play with until we get there. You know, they they don't

J Jimmy Carper 29:17

like a party I'd like

♂ 29:21

sounds like more than one party you sort of like it's a bath house is what quite frankly, so bad house or comedy? Where

♂

31:03

and Bob Smith. Bob Smith. I'm very excited about Bob's. I'm also very obviously very excited about about about Scott and Kevin however, yeah, I see guys. I had heard about him for years had not seen him finally saw them for the very first time at the thing at the Georgia Brown. Oh,

J

Jimmy Carper 31:23

yes. Yes. That's Yes. They had they had a booth.

♂

31:27

Yes, they did. But I didn't know it was them. But But I saw that there was a show afterwards. Did you know this? Yes. I did duty to neuter. Right. And they performed? Yes. And as did Nancy for we I think so. Oh, cool. I've not met Nancy. And I think that was the name. Yeah, yeah. Yeah. There you go. There you go. Okay, okay.

J

Jimmy Carper 31:52

Yeah, Nancy. She's here on the third Saturday. Yeah, it was very cool. So it was a little inspiring, except for last last. Last time. She was saying, oh, what we're looking for. I love her. She was very fun. And yes, she's here. She usually comes with her. Her significant other Jessica? And together they're really hysterical. Are they? Yes, yes. Jessica. could probably do some stand up comedy too, because we'll

♂

32:20

just talk to Nancy for because, because I I really, you know, I did some of that in Atlanta. I haven't done any here. I would like talk to her about where she did it and how she got started and shoot. Yeah, well,

J

Jimmy Carper 32:34

Saturday. I'll be here. Okay. Oh, my God. Yeah. Well, this is the so anyway. Yeah. This this cake what you were trying to talk about? That's the official release party for their CD. For Kevin and Scott and Bob. They have a new CD. I don't have it yet. But well, is

♂

32:53

Bob on the CD to Yes. Oh, yes.

J Jimmy Carper 32:55

Yes. This is a benefit for Q patrol, as a matter of fact.

∅ 33:01

Well, you had mentioned that earlier. Did I? Well, off the air to me. Oh. I don't know. Break that fourth wall. Whatever.

J Jimmy Carper 33:09

Hi. Scott and Kevin have really, I mean, they have pioneered gay comedy. Yeah, they put together this Comedy Jam and thought, you know, well, maybe we'll be able to play a couple of cities. You know, they're booked up. Yeah. I mean, the in Podunk towns. I mean, they traveled like 200 days a year or more. That's just a million this conference amazing in a Comedy Jam. It's

∅ 33:33

incredible in Birmingham, Alabama. I mean, it was just, I mean, I've been to Birmingham, I'd

J Jimmy Carper 33:38

be afraid to go, you know, just as a tourist, much less perform is incredible. It's just incredible. What these guys do. And then Bob Smith. He's really very, very

∅ 33:51

funny. He has a new book out called

J Jimmy Carper 33:52

openly, Bob. Yes.

∅ 33:55

You're correct. That is I was trying to remember the name of the book. But you I bet you have it right in front of

J

Jimmy Carper 34:00

you. There. That's I'm reading it. That's why

♂

34:03

no, it's and again, you are the Rosetta Stone of the gay community. Anyway, if

♂

34:08

you want to reserve your tickets, call 5242333 Because it's going to be at the last stop right there. 1952 a West gray in not in Botros. It's kind of kind of River Oaks River Oaks

♂

34:25

since that's what they in fact, that's what they have. On the sign originally was was last stop River Oaks, Texas. Ah, cool.

J

Jimmy Carper 34:35

So I'm looking forward to that. I've seen them perform before and they really are funny when it's November, November 9. Man Sunday, November

♂

34:42

is the one day that I have that I can go to the rodeo. Whoo.

J

Jimmy Carper 34:45

Well, that's it. It's at night. It's at eight o'clock at night. Okay,

♂

34:49

and it will be during the day. Okay, okay, okay. Okay, I'll go you gotta go. I have to go there. I

J

Jimmy Carper 34:55

gotta be the last time that's gonna be in Houston. Probably.

34:58

What do you mean like ever? Yeah.

34:59

Why because they have a hard time finding a place to help to hold it. I was talking to the president and he was saying, you know, will you have the Coliseum closed down? We, we could hold it at, you know, like the SRO arena. But the rent there. Yeah. \$1,000 and, you know, this rodeo is a fundraiser. Yeah. He said that \$30,000 could go for a lot of AIDS agencies, or go to breast cancer or a lot of other things that this community needs. So they hold it, they try to hold it in other places. And this time, it's on Mason Road, way out there. Big Roy is gonna be doing news at 130 and telling you more about that. Okay. Well, we'll I'll get that information. Yeah, and I suppose yeah. And coming up Tuesday is the most important thing. Almost of the year.

35:54

Oh, shall we long gonna be on Frasier again,

Jimmy Carper 35:56

wrong. Oh, wrong. Loose breath. It's going to be Election Day. This is when we get to, to elect a nice Parker to city council. Okay,

36:09

cool. Cool. And I think that's pretty much a lock. Quite frankly, buddy.

Jimmy Carper 36:12

You know, if we if

36:16

if ever in the history of this town, we have a chance to elect a gay person. Now is the time because I have to go out and vote though. Yeah, it's not a given. We have to do it.

Jimmy Carper 36:32

No, it's not locked in yet. Oh, well, no, everyone has to vote. Oh, absolutely. And this is one thing you can do and still be in the closet. She is running for position one.

36:44

And so that's city wide. Right. You know, at law, okay. Yeah. at large. Everyone gets to vote. What you do in the voting booth is your business. Nobody will know. But she is not running as a gay person for gay rights race. She is. She's like the Harvey Milk of Houston. You know, she Well, that's an interesting analogy. Yes. Now, because we're 501 C three, we cannot tell you that you must vote for this one person because what we can't we cannot be politically can't do an endorsement. No, we cannot do endorsement, we can tell you that she's running. Yes, she's very good at running and that she's a gay that she's a lesbian, right?

J Jimmy Carper 37:29

Like last week, we had Terrence O'Neil on who was an openly gay man running for trustee of HCC. been endorsed by law cabins, so Okay, good. So was Ray Hill, right? Yeah,

37:48

I did see that. I did see that and I think I thought doors by the law cabin. I'll be I'll be dipped in butter. Yes.

J Jimmy Carper 37:55

I bet he is happy as a pagan chiffon.

38:01

Your push pushing me man. I got that word that we're pushing me. I'm so scared of what's gonna be on the radio waves just a little bit later.

J Jimmy Carper 38:12

But you're listening to after hours on KPFT Houston and ke O 's College Station are number for queer music requests, or anything else you have to say is 5265738. You're listening to Jimmy Carper and Kirk Keefer. babble. Yeah, well, and you know what? That's okay. Something else. Something we're good at. At the end of the month, November 29. Panzer Division is coming to town.

38:39

Oh, what again? Yeah. Where are they? Where they going to be this time? Same

J Jimmy Carper 38:42

place. Fitzgerald. It's, it's playing their music later. In fact, I invite you to call in with your favorite pansy division song and I'll play it. Cool.

38:54

Um, you know what we need to? What not what day the week is at? I have no idea. God, can

J Jimmy Carper 39:02

you pick? November 29? November

39:04

29. Oh, God,

J Jimmy Carper 39:05

I can't think it's. I see it. It's a Saturday night. Oh, cool. Yeah, I can see the calendar from see

39:12

we need it. We need to try and get them on. That would be great, wouldn't it? They would do it too. You know, because I went up and I talked to them after the last show. And they were like, oh, man, I wish we'd known. I know I know. You've talked to

J Jimmy Carper 39:29

Colorado before I've got their number. Well, I've got a number to their agent.

39:35

Yeah, yeah, yeah. Well, I I went to their website and found that all on my own to try and relay something about getting them on last time. But they were in Austin, I think at SX SW or something like that. Oh, yeah. The last time they were here, but they were doing uh, yeah, we're gonna do that. Yeah, once I got mail, I'll do it from from the after hours website, which if you would like to send us we don't have a website. I'm sorry. If you'd like to send this email oh we'll just throw that in since you've never do it
