00:01      cultures means entirely different things and has different taboos and all of that kind of stuff. Oh,

00:08      that's why I brought it to Argentina thing. Yeah. I mean, this is a revolution. This is not a country friendly to the gay queer movement.

00:18      Well, they're all doing it. They're just not talking about it.

00:21      Now, there's a woman talking about it. Ah, big difference making big waves and just won an international award for her efforts. Wow. I mean, she is transforming your country. Good. Movement is afoot.

J Jimmy Carper 00:43      So why can't we have that here? Because, you know, there's got to be at least twice as many bisexuals as gays, at least. So why have the byes not form a stronger community?

00:59      Well you know the problem is a lot of people have problems with the term bisexuality. And I

Well, you know, the problem is a lot of people have problems with the term bisexuality. And I think if we came up with a new word tomorrow, a lot more people would identify with it.

01:09

Oh, you know, I've been saying that about gays and lesbians, too. You know, if we could come up with a lot, so many people don't like queer and you know, and if we could come up with a new name, then we would like get rid of that argument. But now that you know, yeah, definitely a cultural thing.

01:27

The problem is that so many there's so many people out there who who act bisexual, but they don't use the name right? They do they do sleep with men and women at not necessarily at the same time. I mean, I wish we all could but it you know, you don't have to do it at the same time. But they've done it in their lives, but they are just afraid to call themselves that. Right. And this is John here. I was like that I didn't use the word for quite a few years. I was married and and I guess what everybody has to do is get on the internet and punch in bisexuality. And get familiar with the word maybe as Americans, we have a problem using a word that has letters sex together in it. No, you got a

02:12

point there probably. Well, that really is a lot of it. Yes. You think? Oh, sure. Because you can always tell the countries with the most anti gay persecution or the countries with the highest sexual prohibitions and inhibitions.

02:26

Well, the heterosexual problems with that

02:31

depends on who you talk to. Because I mean, this is really probably the most sexually repressed major country in the world. If you think about it, we're certainly a lot have a lot more trouble with it than Europe.

02:39

That's definitely something we're finding out talking to the other people. I'm amazed at how oppressed we really are.

02:44

Yeah, and you hear

02:48

more freedom in sexuality than than we do,

02:51

which is incredible. Yeah. And it's especially incredible, considering we're supposed to be the country founded on freedom.

02:57

Well, you know, the thing is people misrepresent our history. Totally. You cannot believe history when it leaves out as many gays and lesbians, bisexuals, as history does, as officially written so, so so don't believe history on that.

03:13

Well, two things about that, that pissed me off about about gays and lesbians, and that they are so they have this thing about bisexuals. Many gay and lesbian people feel that bisexuality is just a cop out for not stating that you're gay. Yes, I

03:35

had dinner with a guy today who is that way? Like a man sitting on the sand is very prominent here in Houston. The other

Jimmy Carper 03:40

thing that gays and lesbians do that pissed me off is claim bisexual people as gay. Like Oscar Wilde, right? Hello. He was married with two

03:53

children. David Geffen. Yes. David, Barbra Streisand and Cher

03:58

and still talks about sleeping with women.

04:01

Yeah, you know, it's all terminology. I mean, you know, in some sentences I'll say I'm gay, including that I'm by and some ways you say it is gay is something different than by but But Mike came out first is gay and later is by Yeah, I was pretty well known gay journalist. And then when I was sneaking around with a woman for two years

04:27

what is this the I'm in the closet.

04:29

I was living in West Hollywood in the game Mecca. Oh, they couldn't bring a

04:33

woman. That's right.

04:37

It was a phase that it was dating a woman

04:41

Well, sunrises it's a kind of a pain in the neck. You know, describe your whole sexuality. So a lot of times I'll just say I'm gay rather than getting into it. Why is it save the explanation for people that are gonna want to discuss

04:53

it? Why is it that a persecuted group feels the need to persecute others,

04:58

so they won't feel so bad? Go.

05:00

Well, you know, the people who persecute are the ones who have some issues themselves that they haven't looked at really deeply. That's exactly right. Well,

J

Jimmy Carper 05:07

I have to say that I have been there because there was a time in my life. I didn't believe in bisexuality either. Are you? Are you by now or something? No, but I'm in love with a bisexual man. He happens to be in your room.

♀

05:23

Well, and you know, that's the danger is there's so many people people always say that oh, you're bisexual. You have double your chances of dating like Woody Allen said, but but the reality is it has your chances because nobody wants to date a bisexual

♀

05:37

There you go. It's very tough. Yeah, good

♀

05:39

points think that you're gonna leave him for what the easy relationship or something? Yeah, for the for the other sex. And we get a really bad rap from gay men too.

♀

05:48

I know.

K

Kirk Keevert 05:49

Well, and bisexual women get a really bad rap from lesbians as well. Right? Like,

♀

06:01

they get put on pedestals

♀

06:03

the lesbian, straight, man. Let's start her on.

K

Kirk Keevert 06:07

Oh. you're talkin?

... you're coming.

06:08

I know what I'm sorry, Gigi. I didn't hear that.

06:11

Oh, I said the lesbian community can sometimes be much harder

Kirk Keevert 06:15

on yeah, that's, that's what I was saying that they're out in

06:19

the community. And it's a tight knit community. But But

06:23

what's really good is the internet because people can get on there and they can, you know, test out a chat room that says, you know, it's name is straight men look to and, you know, they try it out anonymously and maybe find out that our whole society keeps him from thinking about something that may be a part of them.

06:42

Yes. I really agree with you. Although I am a computer virgin, but I have heard of more and more people who are getting more worldly from the internet. And as a matter of fact, almost to the point of obsoleting a gay and lesbian switchboard.

07:03

This is Mr. G. I'm a bad bit Jim. Okay. He wants to say a few words. Cuz he is like floating in heaven.

07:12

I'll bet he is. Oh, Gigi.

07:14

I want one quest.

07:16

Hotel.

07:16

Is he still there?

07:18

Hey, hey, Jim. How you doing?

07:21

Fantastic. Oh,

07:24

you're having a good time.

07:25

I met Carol queen. Oh, and guess what? She's like my all time favorite video. Oh, San Francisco lesbian. No kidding.

07:37

I didn't know that. We'll have to watch it together again.

07:42

I know I made it. I said I know that face. I know. They recognize revolver close on. And then talk to her, you know by shuffling your feet looking down at the ground.

07:52

I know how you do. One of my favorite videos.

07:54

She's all bounced around. Really? I did so many. Carol told

08:00

me that she and she actually gave me a copy of the tape. I haven't seen it yet. But she just did a video that's about to come out of women who penetrate men. Oh god. Oh, jam.

08:11

You'll love that.

08:15

Oh, it also went to the safer sex workshop. Yeah.

08:20

I said on the radio. Yeah.

08:26

Sex slot. We said dress tech. For God's sake.

08:30

I offered this couple to make a gin sandwich out of me, but they didn't take me up on it.

08:37

This isn't over yet.

08:40

I was gonna say how many people have you done since you got there?

08:44

...  
...  
...

Carol queen.

08:46

I'm not gonna say

08:48

well, darn how you have to the lawyer and me must know.

08:52

Okay, I got to ask this question. If anybody there. Has anybody there seen Bill breadstick yet? No. I haven't any

09:00

way. Oh, John.

09:01

I didn't know it was a special dig. Well, if I'd

09:05

seen it, I wouldn't tell because I am a gentleman.

09:08

Well, I've seen a picture of it in black sheets. Everybody's seen it. That's pretty impressive.

09:14

I think that's lack of opportunity.

09:16

I mean, he'll just pull it out anytime. It's not about how many notches you have in your list of what you've seen and what you can tell

09:26

about Ah.

Kirk Keevert 09:29

Oh, it isn't. Oh, okay. Get the lawyer off the phone. Really?

09:35

Is getting deep in here.

Kirk Keevert 09:37

Yeah, John. It's been nice thing.

09:39

Boston so much fun. I love the subway. It's like it's like, it's like an amusement park. You know, you get on this kind of bumpy jerky ride, you know, and then you get to your destination.

09:51

It's called the tee out here. The subways are called the tee. You're kidding me. You can go down there and you can have a tea party.

09:59

Let's Do the tea girl.

10:02

Have you ever checked the restrooms out yet?

10:08

You know, the bisexuals are all down there.

10:10

YEAH B\*TCH

You bet.

10:11

What is the tea? Yes.

10:16

We're emphasizing stereotypes, I guess, aren't we?

Kirk Keevert 10:18

Yes, we are out. And speaking of emphasize,

10:21

let's enjoy it.

10:23

And the houseless people seem to you down here or up here. The Sesame Street song and this woman knew it, man. She's boom. Took off. Sesame Street song.

10:36

He is having a good time. I

10:39

know earlier today. Just a couple of little flakes come down and oh my gosh, no,

Kirk Keevert 10:45

Jim, Jim. Jim. Jim. Their conference members

10:47

that way.

 Kirk Keevert 10:50

Get out more often.

 10:52

I haven't seen snow in a couple of years. I hate to tell you this, but

 10:57

Jamie is having too much fun.

 10:59

He deserves it. That's my baby. He deserves to have fun.

 11:03

Oh app thinks that we are all having too much fun. Good. It is like

 11:09

getting later.

 Kirk Keevert 11:10

I don't well see that was my next question. I I'm just assuming here. Is there a big huge naked fest planned in in GGS palatial suite later this evening?

 11:23

I don't know everybody's got their clothes on. Except one woman just came out in her pajamas.

 11:29

Pajamas on that must

 11:29

be J No.

11:35

No, she came out years ago.

11:38

Solyndra

11:41

I don't think is there a naked fest plant here. Oh, we can do this.

Kirk Keevert 11:44

Now okay. Don't blame this on me. I was just asking. Alexa,

11:50

we know have you done it yet?

11:53

It's getting ready to

Kirk Keevert 11:54

happen. Okay, with that note, we should say that you're listening to after hours. We're radio with attitude on KPFT Houston, and ke o s college station

12:08

or a Pacifica network and sound a Texas they are the sound of Texas and our number is 71352657385 to 6k P F T

12:22

and you're also listening to Boston internet International. I sexual conference number five number five oh, palatial hotel

suite. Okay.

Kirk Keevert 12:34

That's the other thing I was talking to Jimmy earlier. Didn't you guys just like have one of these in LA?

12:41

That was that was the original conference. Believe it or not next month in Phoenix, the Southwest Regional. We have a conference anytime we can

12:52

apparently anytime you feel like

12:55

so. In October.

Kirk Keevert 12:57

Okay, and Mike and John. Are you guys gonna be there in Phoenix? Yeah, Shelby. Give me the date.

13:03

It's May 1 through third in Phoenix.

Kirk Keevert 13:06

Okay. I may see you there. I'm just I love these guys. I know I get

13:13

to conferences there. I'm gonna do one on by porn. Actually. No, they called it by adult erotica.

13:22

~~norms or those~~

porro, or these

13:23

are the flicks that have that carefully have by in the title everywhere and just Yes. Yeah. The hills have bys. Yes.

13:36

things in perspective for a moment.

13:38

Okay.

13:40

Mike ski is someone that wrote and research. The bike car rally in Los Angeles. Oh, no

Jimmy Carper 13:50

kidding. Oh, that was Andre. Yeah, we went. We went through that on the air. Oh, cool. It was wonderful. It was it was like it was it was incredible. By car around and research on that. Yes. Oh, yeah. It was it was like taking us on the tour over the air. It was terrific

14:12

on it. Do what my house was on it.

Kirk Keevert 14:16

Well, that made it all worthwhile. And that was quite frankly, the highlight. We got calls and calls and calls about that.

14:24

No, it was fun. It really was fun. I enjoyed that. I like to do different types of segments. And that was especially since I visited West Hollywood a couple of times and so I was familiar with a couple of the landmarks. That was fun. That was fun. Well, there we go. Oh, what's going on tomorrow? More more.

14:50

I'm doing a workshop tomorrow.

Kirk Keevert 14:53

Good. God. What the hell?

14:58

Spirituality right Martha smbd Oh, man. Well, okay, so, everything.

15:07

So today you did what?

15:09

Well, spirituality and philosophical approaches to bisexuality presented a whole brand new day. That's gonna rock the world.

15:22

Well, I was gonna go to the 70s, bisexual chic revisited theoretical social sciences, by wannabe isms in the 90s. That sounds so harsh.

Kirk Keevert 15:34

Okay, all the fun out of it. Like brevity, just one word brevity.

15:41

I'm looking at. Let's laugh about sex. I like that one. Yeah.

15:45

And we have transformed Harvard, Harvard will never be the same. Well, this is John.

15:54

John John who's on the phone. He thought he was he's a Harvard

John John was on the phone. He thought he was in a Harvard

15:57

point. Pink triangles drawn in chalk all over the sidewalk telling you where

Jimmy Carper 16:01

to go? Well, you know, with Boston, you think of it such a staid town. And actually, it's a kind of a blue collar town. Very pretty. Lots of brick. Oh, yeah. Little taverns where people congregate and stuff like that. But it's a hunting

Kirk Keevert 16:18

Ally McBeal. Right, the practice. Cheers.

16:24

But I you know, sexuality, I don't think is a is a talked about a subject in Boston. Well,

Kirk Keevert 16:32

it is now

16:33

it is now. I mean, wait a

16:36

minute. Ted Kennedy came from here. Right?

16:38

Well, he did it all, but he didn't talk about it.

16:42

Yeah, that's the difference.

K

Kirk Keevert 16:46

Just Just a hint for the future. If Ted Kennedy offers you a ride home, me decline. Just I'm just trying to get helpful hints for the Boston area. That's all I have.

♀

17:03

So what else is going on tomorrow?

♀

17:07

I want to talk a little bit for a minute. Okay. The energy at this conference. The love energy is like such a dynamic. And even this Gigi is blown away.

♀

17:24

Really? Yes. I mean, is your Are you the one that usually creating this dynamic?

♀

17:30

Oh, I've created some here.

K

Kirk Keevert 17:33

But Color me surprised. Oh, I have

♀

17:37

infants, new people.

♀

17:39

Good. Good. androgyny and polyamory.

♀

17:43

Gender, yeah. And some things have happened at this conference that is going to shape the world.

♀

17:54

How so?

17:56

Well, like I say, there's some new movements that fit

18:01

in like this, this this conference, this seminar that they had today called What's safer sex partying, party hosting one on one. And the sex and aging. That's interesting.

Kirk Keevert 18:14

The safer sex party hosting now Gigi, you did go to that one. Oh, JJ could

Jimmy Carper 18:18

host that. Baby, when you got to GG house Jesus house, there's, you know, condoms everywhere. He puts them in your hand when you go off with somebody.

18:29

I feel sorry for the poor hotel people that do the cleaning around here. I've got all my latex gloves and rubbers and everything. And webs and bondage equipment. Well, they just have to deal with it, you know, all over the bedroom. And it's like, the poor lady came in tonight to unpack our sheets. And pillow mints on the power.

18:53

Yeah. So under the couple minutes under the whips.

18:59

You know, something, if

19:01

you don't have bad breath and you're getting flogged, I mean,

19:06

20:00

I had a more honest dialogue in our society about sexuality. We would talk to those ladies and they would talk about how many times they've come into a room of some businessman from somewhere who's married. And they found something like that.

19:23

Oh, sure. I'm sure it happens to them all the time. And

19:27

like Miss TGI says, Man, Chad's finished when it doesn't matter who takes to the senior prom.

J Jimmy Carper 19:36

There you go. See in Houston right now there's a transgender fest going on, really. And it's it's been in the even an eye opener for me. And we've had I've had transgenders on the show for three and a half years. Because there have been queers and dikes and everybody involved in this questioning gender and how many genders are there and what it means To be a man or woman and doesn't matter, that whole that whole thing and doesn't matter who you sleep with, and and what happens when that cute guy that that you're really hot for turns out to be a transgendered man.

20:14

Well, you know, I think that doesn't matter because I have seen some very beautiful, beautiful transgender people this Yes. Yes. Like astounding, stunning. Oh,

20:26

and what does you know, what does it matter?

20:30

Well, it was really funny because there was a woman from the television local television station. And as the media coordinator, I was trying to show her people I said, Look, over there, that woman was nominated for an Oscar for her documentary last year. And that person over here, you know, all the different scientists and everything that we had all around, and they said, Well, we're looking for the odd looking people. Slap you real hard trans people that the people who were cross dressers did they dress up? And I said, Honey, they're all around you. Good for you. For your mind.

21:11

Exactly what we need

♂ 21:13  
to do a roll plug here.

K Kirk Keevert 21:14  
Okay. Oh,

♂ 21:15  
okay. Well, two new books out on the market. Who doesn't? Mind? Oh, okay.

♂ 21:21  
Mickey ski, actually. Well, the adult books, right, yeah, you're talking about Okay. Yeah. Yeah, the films of Ken Riker who's a bisexual porn.

♂ 21:31  
Oh, yeah.

K Kirk Keevert 21:32  
I saw something about that. When I was on the internet somewhere today and saw something about that. Well, He's big. He's a big guy. Well, yes, he is.

♂ 21:40  
Isn't that the point? And then,

♂ 21:42  
also, the best of gay adult videos Mickey skis Dirty Dozen.

♂ 21:47  
Oh, oh, I like that.

21:49

We will do a show on that someday. Maybe, right? Yeah, definitely.

21:54

Oh, that'd be fun. Talk

21:55

about my porn background.

Kirk Keevert 21:57

Oh, everybody. Shut up. Shut up. Shut up. I'm the producer. I could care less about porn. Yes. I want to talk about porn. Who doesn't? You have

22:10

to see expert porn. I was

22:13

just named an attitude magazine is one of the top 10 People in porn and right underneath. Jeff Stryker in the list. Good for

Kirk Keevert 22:20

you. We No, no, no. Okay,

22:24

everybody was born. But no one wants to talk about it. I don't understand this.

Kirk Keevert 22:28

Oh, I'll talk about porn in a heartbeat. Okay, so so. Yeah. Have you done porn?

22:33

Well, I mean, you know, I do cameos, but they never let me take my clothes off. Why not? I mean, well, they should. If anybody well. Oh, no, I mean, yeah, you people think that porn reviewers are these you know, fat, ugly, bald men, but

22:47

rather ugly bald men need love to have oats. I say every dick is sacred. Okay.

22:54

And desirable. Well, the truth is porn reviewers. Some of them are pretty good looking and have big text too. But I wrote No, I wrote a couple of porn movies and and I've appeared in cameos in some of them in non sexual roles.

Kirk Keevert 23:10

Well will tell me something that you've been in so they can go read it. Oh, well,

23:13

I was I got killed in rescue 6911. And, and, oh, I'm in Romeo and Juliet in the gay romantic porn music. I play at Bartle. Oh,

23:28

and March roll.

23:32

GG is about to come out and black sheets and porn.

23:35

Yes. I think that's very exciting to do.

Kirk Keevert 23:40

I'm sorry. Well, you know, it's

23:42

this thing that the whole world is either on the east coast or the west coast. There's, there's there's a lot happening right up the middle. You know.

23:56

That's the place to start. What do you say about your pictures? Gigi?

24:00

Oh, she liked them that there's a few that I need to redo because of the contrast.

24:05

Yeah, that the contrast between you and her right.

24:11

Back with you other details?

24:14

Again, you know, this is gay porn we're talking about and and I just not bisexual porn. Well, we're talking about gay porn, these movies, whatever. And I just volunteer that the bike community is very gay friendly. Yeah. And very straight friendly. So you know your listeners who are in either of those camps are not absorbed. Wait a minute, John and I are in a bisexual porn movie. We have cameos in. In United living by dolls.

24:47

No, really? Yeah, we played.

24:49

I've watched that evil. Did you? I love that movie.

24:53

Oh, did you see the part where we're one of the guys is that the one

24:56

where Sharon Kane is singing a lot. Yeah. Yeah, Sherman. I've watched that and you're what?

25:03

I'm the one I'm the I'm the zombie who eats Sharon Kane's tip. Movie

25:13

was probably the right one wasn't good enough for you.

25:17

It was it was, you know, part of my.

25:20

Oh, that's terrific. Well, I'll have to read that again.

25:23

You know, Hannah's with the queer community.

25:27

I live with Sharon Kane. Oh, no

25:29

kidding. Yeah. Tell me all about her.

25:34

Well, I live with her and her pig. Yeah, pot bellied pig.

25:39

Ah, life a character from designing women.

J

Jimmy Carper 25:43

I mean, no. She has. Well in everything I've ever read. I mean, she's like no other woman in porn. She's a goddess. Yes. And that, that movies that gay and straight men, gay and bisexual men all flocked to her. Yes. That she can really have sex with just just because of her personality. I guess it just draws people in and you find yourself having sex with

♀

26:13

the both of us.

K

Kirk Keevert 26:14

That would be fun.

♀

26:16

Just call me up late at night and I'll go downstairs and wake her up.

K

Kirk Keevert 26:20

Well, you know what, like for you?

♀

26:24

I like for them all the time.

♀

26:27

I love her. She's great.

♀

26:28

We can also include I get the first name is Mick set that

♀

26:36

door

♀

26:40

Christian door beyond door the one had the cream all over self

26:48

care in New York. Karen Do you?

26:51

Yeah, we can have her on live. Okay,

26:55

she's with the call tonight.

26:58

She's just gonna come tonight but

26:59

with a girl or as a girl.

27:03

She's with a real girl. Okay, kind of weird to see. I mean, it's a bisexual couple. Girl, a guy dressed up as a girl dating a girl. And they're, you know, they could be a straight couple. In any other, you know, if they were both dressed like,

27:17

like, whatever. It's

27:18

very confusing. Yes,

27:19

sometimes it's very confusing. Well, you know, like somebody once told me if somebody's wearing a dress just call her ma'am. That's it. Gigi

27:31

No. Oh, yes.

27:33

It doesn't matter what Gigi

27:36

with Mr. G I get that ma'am is for

27:39

Right. Right. And he's not offended by either one. Just don't call him sir.

27:46

It's it's set by gendered thing.

27:49

He is one of the the important assets of the center of the country.

27:54

Thank you. I think so too.

27:58

I hear me is that how Gigi always comes to the bisexual conferences no matter where they are on her motorcycle. I know it's incredible.

28:07

And then do that

28:10

I'm sorry I'm certainly glad it's a cold weather

28:14

I cannot read a motorcycle and severe cold temperatures

28:20

you know it was it's really cold outside now. Oh

28:24

it's really warm down here it is

Kirk Keevert 28:30

not tonight it's not my nipples are hard.

28:32

Well it's because you're talking to

28:34

my nipples are heard that it's for other reason I know.

28:38

Clamps she has on

Kirk Keevert 28:44

I swear they're gonna yank this show off the air. The FDA anymore. Do what

28:51

do the the SEC listens to this late late at

28:54

28:54

night. Who knows? About half our listeners are straight.

29:00

And welcome. Oh, yes.

29:03

They certainly certainly get it get an education and that's what we're here for to have fun and educate.

29:09

Well, okay, listen, you listeners out there who you think you're straight? Have you ever fast been ever ever imagined yourself being with somebody of the same sex? Think about it, just think about it. Because our definition of bisexuality is acknowledging the possibility of a relationship sexually, emotionally or spiritually with a person of the opposite or the same gender, but you don't have to do it. You can just bisexual. Right? There are people out there who are bisexual who've never acted sexually on it but if I just imagined it and like I had acted on it, but I still for many years did not consider myself bisexual.

29:54

And then like another element in this okay I had A friend once who claimed he was straight. And he tried to talk to me and back. Same sex level, I've

30:10

slept with so many straight men. And

30:13

after the challenge to him one day, yeah, I said, Don't talk to me about this until you try it. Because you do not know you have preconceived ideas about what it is. But until you experience it, you've really don't know. That's right. That's right.

Kirk Keevert 30:33

That is that is so much a better line than then Scott Lewis's line to get little straight Mexican boys to come home with him. Yeah.

30:42

I have a six pack and a drawing. No,

30:44

we came back four years later to me. Yes, I guess what, what? I tried it and love it. Okay.

30:52

And then if he could have said, I tried it, and I didn't care for it, and that's okay, too. Oh,

30:59

definitely. Sure. But he tried it. And he found out what was right for him.

31:06

And that's the only way.

31:08

The only way you try something like going through a restaurant. You look at the lineup on the catering service, or whatever you call this menu. And you see some exotic new feed and you've never tried it. And you can intellectualize it, that's, and so this thing looks horrible. But until you actually put it into your mouth.

31:44

JJ, with that, I'm going to say have a wonderful conference.

31:52

We'll be putting a lot of things in their mouth and respect.

Kirk Keevert 31:58

Mike And John, and Gigi, it has been a pleasure talking to all of you tonight. Yes, it has. Mike And John has been a pleasure meeting you guys

32:06

and have a wonderful time. Please.

Kirk Keevert 32:10

Call us again sometime

32:11

and take pictures, lots of pictures.

32:14

Pictures, and I tell you, yes. These bisexual conferences don't last long in that I could live in a bisexual conference for the rest of my life.

32:27

I can see that happening. And

32:32

I think if that ever happened, I would just flip it off to the class.

32:37

Is everyone check out by cafe.com? It's a it's a plug not of mine. But we've met the guy who runs by cafe.com. And he's put us on as lifetime members. So you can meet us there the cool bisexual internet thing? Oh, yes. Like Cafe like Starbucks by cafe.com. And find it USA has a.com to.

33:04

Okay, very cool.

Michelle Meyers 33:08

Dan has something to say

33:09

□ 33:09

by the USA. Yeah, Dan, I do have to put a very definite plug in here. Because banner USA has done so much for the bisexual moment. I mean, things are happening, things are moving. And there's some things coming out that are going to transform the world.

J

Jimmy Carper 33:38

Well, I look forward to hearing more about that. Me too. And on your next show. I expect the full report of the rest of this conference with pictures. Oh, we can show them over the microphone. You know, just grab them.

□

33:52

we can. Okay, and basically Gigi answers it. So when she gets back from the conference, she'll let she'll call you back. So there's that My big announcement. Cool.

35:01

Thank you, Dan. And thank you too. And of course, get your pens and papers out because it's time for the news with big Roy and Michelle.

Roy 35:34

Good evening, I'd like to start off tonight's News, with Michelle and myself by welcome y'all back here. And tonight I want to talk about the incident that's been in the news lately. And that's regarding that, that murder that happened over by her brat or bought us about a week ago. And you've been hearing a lot of talk about the police not responding quick enough. And all this other stuff. I do want to say that contrary to public opinion, the police department is not a private 24 hour bodyguard agency. They never have been. And no police department can be expected to, to do such a thing. And we do have to take some responsibility for our own actions. And one of the things that we can do if we have a former lover, or someone who has been creating a lot of trouble in our lives, we can get a peace bond out on that person, which is also known as a restraining order. And that will prohibit the person from coming within X amount of feet of you and or contacting you in any way. But before such a thing happens. When we go on dates, and we're first meeting people, please be aware if that person is up overly possessive or in any kind of way. If you feel something wrong, something's not right about the about that person, you know, pleasantly and kindly just break off the, you know, continuing relationship with that person because it can turn into an abusive relationship. And we really don't want to see things like this happen to folks.

M Michelle Meyers 37:28

Yeah, and I did want to mention on that same subject. At the caucus meeting this Wednesday, Matthew Easter showed up. And he did say and who is Matthew Matthew Matthew Easter's is the new rep liaison with the gay community. He's an administrative assistant to Mayor Brown. And he assured everybody that Mayor Brown is personally looking into this thing. He is very concerned about this particular incident and incidents like this, but it does take time to do a full investigation. And let's please give them time the mayor has come through for us before I'm sure he'll come to us for this one. Okay, I will also want to talk about the community center. The Community Center as part of the greater Houston Gay and Lesbian Chamber of Commerce, has a meeting quarterly meeting of all the groups in the area. And so this past Wednesday, they had the first and it was really great in the new facilities. Now the thing I do want to mention is that the community center does need some help. And what they need helping is furnishings, supplies, art, equipment, tools, and all those kinds of things. So if you have something tasteful, tasteful furnishings things that

38:52

fall, remember taste for hateful,

M

Michelle Meyers 38:56

tasteful, if you have tasteful furnishings that you would like to donate to the community. So the first thing we can eat that tastes good, not quite, that you can call June rose, future and June can be reached at area code 713-521-7863. Now, she will also haul your furniture for you. You need to give her 48 hour notice pool so she can make arrangements. And if it's really big, get some help. I mean, she says she can only benchpress a sailboat. That's what she said, whoa. So June will come and pick this stuff up. And if it's a lot of stuff really heavy, please have some help there for her. Again, her number is 713-521-7863 The community center looks good. It's a place where it's a real neat space and everybody can do it. I think it's really going to grow.

R

Roy 40:02

Okay. All right, everybody, the weather has started getting real good and it's starting to warm up and it means it's also time to start getting ready for the 1998 Houston gay pride 5k Fun Run, which will take place on Saturday June 13 at 7:45am. So now's the time to start training and getting yourself in shape for this. It's a 5k run. Whether it's fun or for work is not something that you can just jump into on the day of the event. It's time to start getting yourself trained for that. And the fun run will emphasize health, fitness and AIDS awareness and it is an official event of Pride Week celebrations. And it will be the kickoff for the Pride Week jamboree weekend, and the fun run will benefit the body positive Houston incorporated Wellness Center. Application forms can be found in the fellowship hall at MCC are at 9090 indicator, as well as at the Memorial Park tennis club, the Metropolitan mount multiservice center, the Houston Community College fitness center, the Houston gym and other locations.

Now the complex that we've been talking about that apartment complex that we've been talking about recently, oh yeah, it now that's located right next to the house that will provide shelter for the women with HIV. And this is going to be an all women facility and it's going to be called TLC hit heaven Haven and it will open on around April 15. While the apartment complex that we've been talking about last few weeks, that's going to be called the TLC center apartments. And that's set to open on May 1. Now the TLC house is a facility for HIV positive men. So it's about time we got this shelter for women. And it's been open since 1994. Roy 45:45

Okay, now I got some serious news here. The CO 45 Stone Soup fund is running out of money folks, and the fund has not received funding from any group or organization this year. And if donations are not forthcoming, in the very near future, the CO 45 Stone Soup fund will be forced to shut down. Now 100% of the monies donated to this fun is used to purchase food at wholesale prices. And at present spending levels \$27,000 is necessary to provide these items for the coming year. Now even this large amount only averages out to \$1.11 per client per week. So this money that you donate is definitely well spent. Now every penny helps every performance level helps. Now, please help these folks helped me you know, quote 40 fives, continuing success. You can make any checks payable directly to co 40 fives and present them, you know, to you know, to these folks, and they're going to make every effort to recognize each contributor and sponsor
