aren't yesterday. The next thing I wanted to mention is that this Tuesday at MCC er at the church, a part of the empowerment for living will be a open discussion on hate crimes. Hate crimes has touched many of our community. And all of us should be alert to the dangers and take measures to minimize the risks of being a victim. There will be dinner served at 630 followed by a film and an open discussion. Everyone is encouraged to come and attend this very important program. The guest speakers presenting the program will be Gary Norman. Gary's a social worker and counselor from the Montrose Counseling Center. And also this person I've never heard of them before. I think it's Michelle Meyers. I don't know. Anyway, Michelle, me is the patrol coordinator and vice president of Q patrol in that same line about hate crimes. There is a Letter This week in the twit No,

R

Roy 02:33

Michelle, wasn't it? This wasn't this incident that brought Q patrol into being.

M

Michelle Meyers 02:39

Yes, that's why I want to mention that there's a Letter This week in the twit from Nancy Rodriguez. Nancy Rodriguez is the mother of Paul Broussard, who was murdered on July 4 1991, here in the Montrose and I'm going to just read the first two paragraphs. I would like to ask the gay community for their help once again, one of the men who murdered my son Paul Broussard because he was a gay man because he was a gay man is up for parole review. Oh, you're kidding. Yes. I asked everyone to write the Texas Department of Corrections. An urge to patrol parole board not to release Galen Randall T MC numbers. 727682 letters should be mailed to the Texas Department of Criminal Justice pardons and parole division, Post Office Box 1341 Austin, Texas 78711. Please be sure to include in your letter Randles name, teaching number and the facts that he This was clearly a hate crime. I again, this is the first two paragraphs from Nancy Rodriguez is letter to the community. This you can find the letter you can find in the twit on page 53. Please read it. Please respond to her plea. And please do something to help the community in this regard. Thank you.

R

Roy 04:06

Okay. No, I like to mention on a lighter note, that Lobos bookshop and cafe is proud to support hex that's the Houston air team coalition of homosexuals. By declaring every Wednesday hatch day that percentage of every purchase made on Wednesdays will go to helping the youth of our community. Now, don't you wish there was a hatch organization when we were teenagers kidding. I'm telling you, and Lobos bookshop is located at 3939 South Montrose that's 399 rows South Montrose or no 3939 S on Montrose Boulevard.

M Michelle Meyers 05:25

Okay, on a more serious note. Okay, a more serious note. Gay father's father's first weekly support meeting for fathers and their partners is how every week on Mondays from 8pm to 9:30pm. The meeting takes place at the Grace Lutheran Church, which is located at 2515 Wha it's a great opportunity to get together with other fathers and talk about the difficulties. Particularly it's a

∅ 06:00

great group we've had them on before. It's a great group.

M

Michelle Meyers 06:02

Yes. It's important. If you are a father, it's important to continue to be a dad. You bet. And you can take that from me myself. Since I am actually a father. Good.

R

Roy 06:17

Dad. No, it isn't a southern by telling you how to deal with deal with your your children when they find out that you're gay and or would have

J

Jimmy Carper 06:27

well that's part of fathers. First father's father's first.

M

Michelle Meyers 06:30

Yeah. It's, it's a way to open up to understand yourself first, and accept yourself first in the role of a father in a situation, right? And then once you can accept yourself, then your children have a much easier way

J

Jimmy Carper 06:46

of accepting because there's a lot of gay and bisexual dads out there. Yeah.

M

Michelle Meyers 06:49

And if you can't accept yourself, how can you ask your kids to accelerate? So that's that's what you deal with? How to get there. For more information, you can call area code 713-861-6181. That's 8616181.

J

Jimmy Carper 08:00
