SPEAKERS

Speaker 3, Speaker 4, Michael Crawford, [Introduction], Jewel Gray, Speaker 2, Roy McCarthy, Speaker 1, Jimmy Carper

J Jewel Gray 00:01

I saw a couple of interviews earlier during the day where they had talked to y'all during the day. And you guys looked flawless by the way.

J Jimmy Carper 00:10

And you got pretty radical, Michael.

J Jewel Gray 00:11

Yeah, I like that.

J Jimmy Carper 00:12

I mean, you were like, You were letting those cops habit. Yeah, that what you thought? Right. But oh boy.

M Michael Crawford 00:19

I mean, one interesting thing was like last night when Scott was talking about constable ever see his office and how we had a really great relationship with them. And the crowd cheered, you know, because they help us they protect us, and they treat us like we're people. But Houston Police Department treats us like we're less than human. And when anybody makes a mim, they got booed. I mean, so, I mean, I don't think it's that queers are anti-cop. It's just queers are anti-cop who are anti-queer.

J Jimmy Carper 00:51

Absolutely.

M Michael Crawford 00:54

But anyway,

J Jimmy Carper 00:55

Oh, it was wonderful, though. It was just wonderful. And the energy really flowed. And it was nice to see men and women together.

M Michael Crawford 01:03

Yeah, yeah, WAC was there, which was great.

J Jewel Gray 01:07

I love those WAC women?

M Michael Crawford 01:08

Yeah. They also had an action today against Hooters.

J Jewel Gray 01:11

Yeah, I saw,

J Jimmy Carper 01:12

That was on the news. I saw that, that was cool.

J Jewel Gray 01:14

I talked to Cecily the other night and she said they were going to do that. She said that Hooters was going to be very upset because they were going to be out there with their drums. They were going to be screaming and yelling, and they were going to try to stop traffic.

WAC - Women Against Crime 01:04

Michael Crawford 01:24

Yeah, they did. And, and that, as you would expect, the owners of Hooters had no comment. But I also want to announce our next action. Okay, which is actually a pretty nice, actually kind of safe action. We are going to speak before city council. And we're gathering on September 28, which is a Tuesday, and the city council meeting starts at nine,

Jimmy Carper 01:51

Nine when?

Michael Crawford 01:52

9am.

Jimmy Carper 01:53

Okay,

Michael Crawford 01:54

And in order to speak, you must sign up before 8:30 on that Tuesday morning. And you can speak for one, two or three minutes. And in order to sign up to call the city secretary at 247-1840. Okay.

Jimmy Carper 02:13

And they want to talk about what?

Michael Crawford 02:15

What, well, you can pretty much talk about anything you want. What we're there for is to condemn them for their complete and total silence on all issues relating to queer and to AIDS.

Jewel Gray 02:27

Good, it's time we started dressing them in their face. I wish we could get about 40 people lined up for just atomonopolize their, their morning with with people in their face about gay issues.

Michael Crawford 02:39

I wish we could, if anybody who can be there should be there. We only have like six, seven weeks more to go on the election. And they haven't mentioned us at all.

J

Jewel Gray 02:48

Oh God. They're too busy trying to count votes.

J

Jimmy Carper 02:50

Let me tell you, I heard Annise the other day and she said, somebody asked her what was going on at City Hall. She says, remember when you were a kid and you saw this anthill and you kick the top of it. So that was, that's what's going on at City Hall. No work is getting done. I heard there was scurrying trying to cover the rats.

J

Jewel Gray 03:08

I heard there was a rush of people to go down and register to be, to run for council seats now, so many council seats, the Houston City Council is going to look a lot different.

J

Jimmy Carper 03:20

Ray Hill is running against

M

Michael Crawford 03:24

Eleanor Tinsley, he's filing on Monday.

J

Jimmy Carper 03:26

Ah, he made

J

Jewel Gray 03:29

He may be alone, unopposed. That's, it looks like that's a possibility with several of these seats that they may somebody may walk in there on the polls. We need to pay attention to that, Michael.

M

Michael Crawford 03:40

Yeah. And also rumor has it that, Steven Hotze

J

Jewel Gray 03:43

Oh, God.

M Michael Crawford 03:45

In 1984, I think put forth the, what they termed the straight slate. That they are going to put together a complete round of stealth candidates to run for every available office.

J Jimmy Carper 04:00

Are you serious?

M Michael Crawford 04:01

Yeah. And the thing and the reason why they're called stealth is because they hide the real right wing, anti-queer, anti, you know, people of color, anti women agenda.

J Jewel Gray 04:13

Behind mom and apple pie.

M Michael Crawford 04:14

Yeah. And what we have to do is to figure out who these people are, and expose them for the right wing scum that they are.

J Jewel Gray 04:20

That's right. That's right. I know you will be on top of it, Michael. If there's something I can do, you call me.

M Michael Crawford 04:25

Okay. And well, that's all I have to say. So thank you.

J Jewel Gray 04:29

Thank you, Michael. Take care.

M Michael Crawford 04:31

Bye.

J Jewel Gray 04:32

Bye. I love that man. I love that man. I love his energy. I just, I just, I couldn't do what Michael does. And that's why I love the fact that he's out there doing it for me.

J Jimmy Carper 04:43

Well, we're still in membership drive.

J Jewel Gray 04:46

That's right.

J Jimmy Carper 04:47

And Michael was talking about Dr. Steven Hotze. We have this to say about that.

S Speaker 1 04:58

Ladies and gentlemen The following is a subliminal commercial.

S Speaker 2 05:02

Hi, I'm Dr. Totze Hotze. First off, I want to say I have nothing against disgusting sodomites and homosexuals. Kill them all. Even though my mother hates them. I'm a doctor, so I can maintain neutral perspective. They are evil. I have nothing against KPFT. Bomb it. But if it were any good, wouldn't a reputable media mogul bias and the ads don't have you care about the health of Houston, don't call 526-5738. Major support, support my group, HELP. Help eliminate lesbians and faggots, and make Houston a safe place to live again. And the blacks and Hispanics. Don't call 526-5738. And the Democrats. I can't stand it. They make me afraid. Afraid of myself, don't call 526-5738, if you don't support KPFT, maybe they'll go away.

S Speaker 3 05:54

Hello, my name is Congressman Craig Washington. I want to talk to you about something that's very important to you and to our community. That's KPFT Public Radio. Public Radio is so extremely important to make sure that the people in our communities get clear and concise information. Whenever I'm in Houston, the first thing I do when I land at the airport, I turn on KPFT community radio so I can keep up with what's going on in our community. KPFT community radio serves the needs of all Houstonians. Good listening, good conversation,

thought provoking ideas being expressed by wonderful people all define KPFT community radio, they need your support. So please call 526 KPFT. That's 5265738 and pledge your support, I'm pledging mine, this is Congressman Craig Washington. Thank you.

J Jimmy Carper 07:04

And that really was Congressman Craig Washington.

J Jewel Gray 07:07

And thank you, Craig.

J Jimmy Carper 07:08

No kidding. And that Dr. Hotze Totze was

J Jewel Gray 07:12

I love that Hotze Totze.

J Jimmy Carper 07:13

That was done by

J Jewel Gray 07:15

Kill queers. I love that.

J Jimmy Carper 07:17

Otis Hardy Maclay, another one of the hundred, one of the 100, over 100 volunteer producers here at KPFT.

J Jewel Gray 07:27

You mean I'm amongst 100?

J Jimmy Carper 07:29

Yes. There's a lot of people putting in a lot of time to make this radio station work. And what we need I mean we've got that going for us what we need is the bucks. And you know it's

REALLY, I MEAN, WE'VE GOT THAT GOING FOR US, WHAT WE NEED IS THE DUCKS. AND YOU KNOW, IT'S AMAZING WHAT WE GET DONE WITH HOW LITTLE MONEY WE DO HAVE. I MEAN, THIS IS BARE BONES STUFF, AND WE BEG, BORROW, AND STEAL AND USE OUR OWN MONEY TO BUY STUFF. AND I DON'T MEAN, I MEAN, LIKE TAPES, AND NOT ONLY JUST MUSIC, BUT TAPES AND ANY OTHER

J Jewel Gray 08:01

Or glue sticks.

J Jimmy Carper 08:01

Yeah, I mean, you know, talk to people, hey, you know, steal office supplies from your work, you know.

J Jewel Gray 08:09

Need to run off 100 copies of this.

J Jimmy Carper 08:11

Absolutely, absolutely. Because we don't have the money. And we're using all the, all the precious funds that we have just to keep the station going. Yes. So that number is 526-5738. We don't care how much.

J Jewel Gray 08:28

Maybe in a time in the future if Bob Dole has his way that this station and other stations like this don't exist. You know, we were talking about that earlier. And,

J Jimmy Carper 08:38

What a thing to destroy just for somebody's ego.

J Jewel Gray 08:40

What is this with Rush now? The Democrats have been on Rush Limbaugh's back about what he's doing on television. And now the Republicans are like on our back about what we've been doing with radio.

J Jimmy Carper 08:51

Go figure.

J

Jewel Gray 08:52

I think this is a trade off. Leave Rush alone, we leave you guys alone. No, I don't think so.

J

Jimmy Carper 08:56

I don't think so.

J

Jewel Gray 08:57

Rush, what we do here we do with respect to all people. Even if we vehemently disagree with an opinion or we do it with respect to all people. What Rush does has malice. There is maliciousness to what he does. And I'm one of the people who says I don't mind his opinion. I mind that he calls people like what was it he called feminists? Nazi cows.

J

Jimmy Carper 09:22

Feminazis.

J

Jewel Gray 09:23

Feminazis, he called them Nazi cows.

J

Jimmy Carper 09:25

Nazi cows?

J

Jewel Gray 09:26

Yes.

J

Jimmy Carper 09:27

What the hell is supposed to mean.

J

Jewel Gray 09:28

This is malice. This is malicious. This is not what KPFT or any other show that, I mean, this is not what After Hours or any other show I've listened to on KPFT does. They don't do anything with malice. That we are open to all opinions whether we agree or not. That is not like Rush. And

whatever they do with Rush, I hope that they boiled him in oil. That's not what's, Flush Rush, that's a new bumper sticker. Flush Rush. I like that. Cindy doesn't want to go on the air but she wants to talk to me. Okay, Cindy, we won't put you on the air. But who else do we have out there? Does Roy want to be on the air? Let's talk to Roy then. He's on, he's on one. Is he calling about his tapes again? He wants to, he wants to chat with you about his tapes. Yeah, Roy. Roy, I know. I was only kidding. He was talking about his computer room and tapes. And I told him yours were too down here. So you want to put him on? I think he's on one.

J Jimmy Carper 10:31

One?

J Jewel Gray 10:32

Yeah. Hey, Roy, are you there?

R Roy McCarthy 10:34

Oh, oh, Jewel. Hey, listen, I was just hearing, Michael talking about Steven Hotze and about straight slate. Okay, and there's a very easy way of telling who's who on the straight slate.

J Jimmy Carper 10:49

Okay, I'm ready.

R Roy McCarthy 10:51

They have very low key buzz words, such as family values. You know, hatred and bigotry is a very standard family value.

J Jewel Gray 11:03

Like my family.

J Jimmy Carper 11:04

So it seems you know.

R Roy McCarthy 11:06

Traditional, traditional Judeo-Christian values,

J Jewel Gray 11:12
Values or ethics, yeah.

J Jimmy Carper 11:14
Right. And that usually means less guilt.

J Jewel Gray 11:16
Right.

R Roy McCarthy 11:16
So this goes right along with that article I sent you a couple months back from my Playboy.

J Jewel Gray 11:24
Yeah.

R Roy McCarthy 11:26
That I lifted from somebody else's death. You're wondering, what was I do reading Playboy?

J Jimmy Carper 11:30
Oh, at least he didn't pay for it.

R Roy McCarthy 11:35
Never, I would never pay for it.

J Jewel Gray 11:37
In the article about the right taking over the GOP. That was the article about the Christian right taking over the GOP. Oh, yeah. Yeah. And you're afraid that some of that is what they're, that, that's what's gonna be happening here.

R Roy McCarthy 11:40

 Roy McCarthy 11:42

Well, then.

 Michael Crawford 11:55

That's exactly what Steven Hotze is.

 Jewel Gray 11:56

That's right. That's exactly what he is. And they destroyed the Republican delegate party here in town to do it. He destroyed what used to be a decent group of people so that he could have his little egotistical maniacal way. The party in town here split up.

 Michael Crawford 12:17

Right. Now, the thing is, is that these people do not have even the foggiest idea, you know, why this country is in existence in the first place.

 Jewel Gray 12:30

That's right.

 Michael Crawford 12:30

People, it was not founded on Judeo-Christian ethics, first of all.

 Jewel Gray 12:35

Nobody knew about Judeo anything then. Right. Because when the Pilgrims first came over, Jews was still hated. It wasn't until after World War Two. After World War Two that Jews were accepted around here.

 Roy McCarthy 12:47

Right. And anti semitism is on the rise again.

 Jewel Gray 12:50

Big time. And you I'll tell you what, you think that these people using that word, Judeo-Christian, aren't some of the people who were very much standing outside synagogues spraying paint on the walls? You gotta be deaf, if you don't think that that's what's happening.

R

Roy McCarthy 13:04

And white sheets.

J

Jewel Gray 13:05

That's right. Now these are the Judeo Christians. There was a wonderful cartoon in, I believe it was The Triangle last week about, about this very thing. I can't recall it. But if you have an opportunity to check out The Triangle, there's a wonderful cartoon by Tom Tomorrow.

R

Roy McCarthy 13:21

Right. Now, there's one other thing too, which is that this is not a, this country is not a democracy, it is a republic. And I cannot understand why Rush Limbaugh and the rest of them fascists love using the word republic, because under a republic, the minority is protected against the will of the majority.

J

Jewel Gray 13:40

Of the majority. That's right. You know, and I am a minority. I am as gay as a guy comes, as they get. You know what I'm saying?

R

Roy McCarthy 13:50

Yes. And you are a woman, and for no unknown reason they say that women are minorities.

J

Jewel Gray 13:58

Yes.

R

Roy McCarthy 13:59

And a gay woman is even more a minority.

J

Jewel Gray 14:01

Although women technically are more populous on the planet than men, we are a minority.

R

Roy McCarthy 14:08

Right. You know, there's all this convoluted thinking, which is going on and every, you know. I

... you know, there's an article circulating, which is going on and every, you know, I have, I myself made a number of copies of that, that article and I'm going to be getting on the phone first thing tomorrow morning. And I'm going to be your, calling people. And I hope we get some of our leaders to run for councilman at large. We need, you know, gay or lesbian councilmember at large, as well as one for the Montrose district.

J Jewel Gray 14:44

Well, I think we ought to elect Dick Hurt. I think we ought to let Dick Hurt,

J Jimmy Carper 14:51

Who's that?

J Jewel Gray 14:51

That's, that is Rainbow de Clown.

J Jimmy Carper 14:54

Oh.

J Jewel Gray 14:56

That that's Rainbow de Clown and he's talking about running, I want him to run. Get in there and we'd have councilman at large, Dick Hurt, that's right, billboards. So we're getting

J Jimmy Carper 15:09

Is Rainbow serious?

J Jewel Gray 15:11

Yes. Didn't you know that was his name?

J Jimmy Carper 15:12

I always heard Ricky.

J Jewel Gray 15:17

—

I hat's the stage.

R Roy McCarthy 15:18

Name around with a last name, oh my goodness.

J Jewel Gray 15:21

Oh yeah yeah, Hurt comma Dick.

R Roy McCarthy 15:28

Well, we need to worry about with Jewel.

J Jewel Gray 15:30

That's right. That's right. He was giving me the real, the real polish a while ago.

J Jimmy Carper 15:35

Where's, where's that red cart that we need to play?

J Jewel Gray 15:37

Yeah, which one, the one that says oh my god, we're saying dirty things?

J Jimmy Carper 15:42

Hold on everybody, hold on a minute here. We got to make this legal.

I [Introduction] 15:45

Oh, hold on. The following program contains language or images of a sensitive nature may be considered objectionable by some, listener discretion is advised.

J Jimmy Carper 15:56

Okay, I think that makes us legal now.

J Jewel Gray 16:01

We look crazy down here after two. I've done, I'm a little early tonight.

R Roy McCarthy 16:05

I'll tell you what the what though, we ought to do a KPFT for Hotze, is send him to Jimmy, Jimmy's favorite restaurant.

J Jimmy Carper 16:16

Absolutely.

J Jewel Gray 16:18

Well, I say let's get Steve Hotze's phone number and call him at home. Or let's get a picture of a man who's died from AIDS and parade out in front of his front yard for six months.

M Michael Crawford 16:31

The same tactics, that the pro lifers use, who you know, everything that was bombing and shooting and everything else. That's right, you know, protest in front of Steve Hotze's home and you know, with pictures of people dying of AIDS, and it's, you know,

J Jewel Gray 16:47

That's right, somebody call me and give me Steven Hotze's phone number, we'll give it out over the air. I swear, I swear.

R Roy McCarthy 16:56

Well, you know, call it you know, you know, just exactly, you know, the code, the buzzwords that they use, which was family value Judeo-Christian ethic and all this stuff. And they're so far removed from anything that's called, that really is Christian or that really is real American value that it's not even funny.

J Jewel Gray 17:18

Well, I really appreciate you calling and pointing that out. Because that's something I wouldn't have thought of. And you're right, those will be the buzzwords, the little, the what did they call them now? Data? No, they call them? No, they call them media blips or what do they call them?

J Jimmy Carper 17:33

Sound bites.

J Jewel Gray 17:33

Sound bites, that's, that's their little thing. Now since the Reagan years, it's everything's in sound bites. Nobody talks in language anymore.

R Roy McCarthy 17:41

I did find this on my, in my studies that when the Pilgrims were first coming over, and the Indians saw them over there, on Plymouth Rock, they said, good Lord, here come the boat people.

J Jewel Gray 17:56

So we all were boat people one time. That's right.

J Jimmy Carper 17:59

Alright, y'all have a good one.

J Jewel Gray 18:00

Thanks, Roy. Wow, is that guy fun guy or what?

J Jimmy Carper 18:05

I know it, so let's take a break here. I got a couple of fun things to play.

J Jewel Gray 18:10

Good, I need a cigarette.

J Jimmy Carper 18:12

Yeastie Girlz thing that I play.

J Jewel Gray 18:13

The Yeastie Girlz. I can't wait to hear that. Well, that brings up real pictures for me, the Yeastie Girlz.

J Jimmy Carper 18:18

That was the FCC thing.

J Jewel Gray 18:20

They couldn't be the Beastie, they couldn't be the

J Jimmy Carper 18:22

Beastie Boys? No, there's Beastie Boys and Yeastie Girlz.

J Jewel Gray 18:26

Yeastie Girlz. It brings up real lovely pictures for me and any lesbian out there.

J Jimmy Carper 18:32

Actually, it's kind of strange because they are straight women.

J Jewel Gray 18:37

Oh really?

J Jimmy Carper 18:37

Yes.

J Jewel Gray 18:38

Oh, cool.

J Jimmy Carper 18:38

But inside, let me, let me get it.

J Jewel Gray 18:41

See I am not PC, I do not know who these women are. Okay, except by name.

J Jimmy Carper 18:46

Well, I ordered this out of the Ladyslipper catalog. Oh, that's. that's, for those of you,

J Jewel Gray 18:51

We look at the pleasure chest catalog.

J Jimmy Carper 18:53

Ladyslipper carries all of this great women's music. It's like all great women's music. Not necessarily lesbian but

J Jewel Gray 19:02

Women's music.

J Jimmy Carper 19:03

Women's basic. And so I ordered this thing. I've been looking for it for a long time. It's something that Buddy used to have, the FCC rap. And inside here they talk about how to make your own tampons.

J Jewel Gray 19:18

Cool. With sponge?

J Jimmy Carper 19:19

With natural sponges. Yeah. They talk about a recipe for natural spermicide.

J Jewel Gray 19:25

Bleach?

J Jimmy Carper 19:26

No, no, no, no, no, it's lemon juice.

J Jewel Gray 19:29

Lemon juice? Oh, how tasty.

J Jimmy Carper 19:32

And well, that's kind of what they said. No more teeth guys for going down. And if you think you're pregnant, they've got a little thing here for you. I mean, you've got like

J Jewel Gray 19:51

A pee test.

J Jimmy Carper 19:52

Yeah, no, it's no. It's a tea that you drink.

J Jewel Gray 19:55

Oh, a tea that you drink that tells you whether you're pregnant or not.

J Jimmy Carper 19:57

No.

J Jewel Gray 19:58

Once you get pregnant.

J Jimmy Carper 19:58

That maybe if it's early enough and you drink enough of it, helps you get unpregnant.

J Jewel Gray 20:05

A spontaneous abortion.

J Jimmy Carper 20:06

There you go.

J Jewel Gray 20:07

Oh yeah, I've heard that.

J Jimmy Carper 20:07

And then they have a little thing here for yeast infections. You know, if you have one so kind of make things,

J Jewel Gray 20:15

Tell me.

J Jimmy Carper 20:16

Oh, it's a acid--acidophilus yogurt?

J Jewel Gray 20:21

Yogurt, yeah, yogurt.

J Jimmy Carper 20:22

Yogurt, capsules. You can get those in health food stores. And you put those inside of yourself.

J Jewel Gray 20:33

Yeah, then they're prepared.

J Jimmy Carper 20:34

Yeah, they said it's kind of

J Jewel Gray 20:35

These are pictures you probably have never seen before.

J Jimmy Carper 20:38

It's messy, but it works. Anyway, they have, I mean, there's only two songs on this entire record that I can play over the air.

J Jewel Gray 20:49

Good.

J Jimmy Carper 20:50

And I've already played one and I want to play the other because it is really, really funny. This is a woman who plays a tune with a tampon applicator.

J Jewel Gray 20:59

Cindy, we're going to talk about your grandbaby, hold on.

S Speaker 2 21:11

Before the show, we were kind of bored and I was sitting around kind of playing with some tampon stuff and it occurred to me that it's possible to play a tampon applicator. You can, you can do this at home or at the bus stop, or when you're waiting for a job interview, you know sitting in the office, just whip out your applicator. It's really easy, you just stick your hand in the, in the, you stick your finger in the in the smaller part. Um, it's good for you man too, to get acquainted with what women had to deal with once a month. Stick your finger in the bottom part, the smaller part and you blow into it as though you would a bottle or like a regular flute, okay, and you can move it up like that. Okay. Wait, you haven't heard anything yet. Okay, let's see if I can do this now.

J Jimmy Carper 22:40

Okay, that was the Yeastie Girlz doing "Ode". That's a little song you can play with your tampon applicator. It's coming up to the two o'clock hour and I want to remind everyone that we are in the marathon membership drive and our number is 526-5738 If you've got questions about marathon, if you've got questions about membership drive, if you've got questions about where all the money goes to a KPFT, give us a call and we'll tell you all about it. But since it is, well, it is kind of at the top of the hour and you are listening to After Hours on KPFT Houston, I wanted to play something to get you in that two o'clock mood.

J Jewel Gray 23:45

A great time tonight it's hard to remember that you guys out there need to be button pushed to

join us when we have a good time sometimes. So we get a little carried away with what's going on. Which one is it?

J Jimmy Carper 23:56

Yes, I know. You know, there's, there's something that we haven't played in a very long time and we once had a woman call and say that she really hated it. But it's on the This Way Out tape this week. And I just I haven't heard it in a couple of years. It's just a little one minute piece that I'd like to play. Is it okay?

J Jewel Gray 24:20

Yeah. Okay, you have permission.

J Jimmy Carper 24:24

Here it is.

S Speaker 3 24:25

Become Butcher Nelly in less than a day, simply by taking the little pink pill. There's no need to recruit, seduce or rely on environmental conditions anymore. The little pink pill does it all. Just one tab before breakfast breaks the cycle of heterosexuality for a full 24 hours. For years, heteros have been asking gays if they would take a pill if it would make them straight. Well, at last, Queersville Labs have responded to this dilemma by giving heteros a taste of their own medicine. Yes, the little pink pill does it all, the boring cliched life of a heterosexual can vanish in one gulp. Mrs. Betty Morgan of Gresham, Oregon talks about the little pink pill.

S Speaker 4 24:57

My life was a mess. Bridge clubs, gross husband, alcoholism, you name it. Then one morning, I got my act together and took the little pink pill. In an instant, my sexual orientation changed, as did my desire to be married. Within a week I ditched my old man, met a terrific woman, and got joint custody of my children. All this without water retention, headaches, or loss of appetite. Thanks little pink pill. You made a new woman out of me.

Results may vary, but don't consult a physician. The little pink pill. it does it all.

J Jimmy Carper 25:31

Remember that?

J Jewel Gray 25:32

Yeah, that guy sounds like Polo.

J Jimmy Carper 25:34

I know. Boy, that guy talks fast. Isn't that amazing?

J Jewel Gray 25:38

Yeah, yeah. What are we gonna do now? What'r we gonna do now?

J Jimmy Carper 25:43

I could do the QMZ.

J Jewel Gray 25:46

Oh, cool. And then we have we're gonna do This Way Out tonight? I was just telling you,

J Jimmy Carper 25:51

Well, you know, we're kind of running out of time. Do you see how it happens? You know, we are we gonna have enough to fill the show. And then we just kind of almost run out of time.

J Jewel Gray 26:01

That's the way it is. We get a lot of good people call down here and talk to us. And we just let them talk and have a good time.

J Jimmy Carper 26:07

Mm hmm. Well, that's kind of what this is.

J Jewel Gray 26:09

That's right. This is, this is your forum, we would love for you to call and say what you need to say, what you feel like saying, or ask questions or invite other people to participate in groups or organizations that you belong to. If you need to promote some benefit or thing coming up in

your group or organization to call us and, and let us be part of that by announcing it on the radio.

J Jimmy Carper 26:35

Like that guy who came by tonight talking about the skydiving club, it's incredible.

J Jewel Gray 26:39

That's right. Some, some paperwork on it, news releases press releases,

J Jimmy Carper 26:44

They call up, somebody called last week and talked about it and I thought this can't be real, you know, but he came by tonight and dropped off pamphlets and stuff. Yeah, we recruited John here to join up already. Alright. And it's a real thing. And he's he's really sincere. And he wants to get a group together and be in the Gay Games. And hey, why not.

J Jewel Gray 27:04

That's why I like that, you know, the Gay Games, because that's what they do with the Olympics, there's Olympic skydiving. Oh, yeah. Great. That'd be great. Can you see, what, you know, in Olympic skydiving they do these patterns in the in the sky.

J Jimmy Carper 27:22

Where like now guys hold hands.

J Jewel Gray 27:24

Hold hands and do, can you imagine a bunch of queers up there? What would they be doing? Oh, no. They'd be doing something to A Chorus Line.

J Jimmy Carper 27:32

The Rockette numvers.

J Jewel Gray 27:36

I love it. I could just imagine, what a pretty picture. I got mine tonight.

J Jimmy Carper 27:42

Well, let's get into the QMZ. All right. That's the queer music zone here on

J Jewel Gray 27:47

Zone, zone, zone, zone, zone.

J Jimmy Carper 27:50

KPFT Houston, After Hours, a continuing tradition,

J Jewel Gray 27:56

Tradition, tradition, tradition. You can get this nowhere else in town absolute like you get it here.

J Jimmy Carper 28:01

And on the QMZ, honey, everybody we play is gay, lesbian, bisexual, transgenderal, just what we call queer.

J Jewel Gray 28:13

Part of the family.

J Jimmy Carper 28:13

You know, there's just too many names there. So we use the term queer, if you don't like it, give us a call and give us a better word. And we'll use it. But starting out, we've got one of our favorite all time queer groups, Erasure, only half queer, but hey, we're working on the other half. They do this great number of "Love to Love You." Yes, I know you've heard it before. But unless you listen to that version that I, unless you listen to a few weeks ago when I played this before, you've never heard it like this.
