Hello, are you a Christian? If you are, please stay tuned. If your art may the Lord have mercy on your soul

00:37

Hello again, and welcome to the Mr. Mac show. I'm Mr. Mac. This is Linda had hit card there. And we're recording live from the Montrose savings Center here in Montrose, Houston, Texas. At the saving center, we save souls, we save lives, we save money by renting in a near town urban ghetto. Just a simple little studio with a downlink satellite at church too. Of course, of course, we call on Oh, you good Christians out there, you know who you are your support. But just in case you don't know who you are. Here's a simple test. If you find yourself porn in your index finger at the people around you and shaking it wildly in their face, then you are probably a Christian. Tonight, we want to talk a little bit about saving homosexual rise, Jesus,

01:48

let us pray. Oh, Lord, if I can bring just one of those homosexuals to Jesus than I have done my job. Praise Jesus,

02:04

Jesus.

02:06

Now, I know that the Bible says those without sin cast the first stone

02:12

Christian television audience, I just Dare You to come right over here with a rock and throw it

out that window. You will probably hit one of those homosexuals on the sidewalk right outside our studio.

02:25

Bike. Thank you.

02:26

You're welcome.

02:27

Now, we all know that God hates homosexuality. That's why He gave us a

02:34

well now if God gave the aids to homosexuals, then how come the lesbians don't get it? I

02:41

don't know. I'm sure God has something else planned for lesbians. Maybe some kind of terminal yeast infection. I'm sure that once the Lord has read us of the homosexuals, then he'll work on a new disease just for lesbians. And speaking to lesbians. No. Good. And Linda. I'm kidding. Y'all give a big hand to Linda had Hicks. She's gonna sing a little song from her spiritual girl cassette tape

03:22

some boys kiss me some boys hug me. I think they're okay. If they don't go to church on Sunday. I just walk away Hey, they can beg and beg and plead but they can't see the line I tried. Cause the boy on the cross is always mister. Because we are living in our own spiritual world, yet I am a spiritual girl you know that we are living in a non spiritual world yet I am a spiritual girl and and and spiritual world and and spiritual world. I was blond. I had fun. Life was swell. I was pegged for a while till he made me see Jesus called upon me now I'm self righteous and true move like a Christian Hey, Bowen again for the very first time like agree he's Jen. When the Lord whacked my be Hi. Living in Ireland spiritual unspiritual Well, yes, I am a spiritual girl you know that we are living in and and spiritual well, yet I am a spiritual guru. well being in an and spiritual world, on spiritual world, and spiritual

05:19

Okay, believe you said

05:20

that Oh, Linda, I was just having a little fun with you. Lots of people think Christians don't have a sense of humor. Well, it's just not true. Christians love to laugh and smile rise, jeez, man. Now, Linda, I know you to be a strong crusader for Christ here in the Montrose area.

05:43

Yes, I have a ministering preference for homosexuals. The Lord called on me when I was just three years old. And I remember saying, fine, Lord, I'll do whatever you want, but just what is a homosexual? Well, I came to find out when years later I discovered that Minister MK here at the Montrose Saving center also had a preference for homosexuals ministering preference for homosexuals in that what I said,

06:15

I invited Linda on the show today, because we want to talk a little bit about detecting homosexuals. Christian people aren't always aware when they are in the presence of homosexual That's right.

06:31

Some Christians think that homosexuals just walk around wearing women's clothing but you know, it's not always true. Some homosexuals are very masculine man,

06:42

Linda Taylor, Christian television audience the little story you told me

06:48

Minister mug a few weeks ago I was at the stop and go store here in the Montrose neighborhood and as just parched from reaching real loud in this heat. So I went on and got me at Orange Crush. Well, I just paid for my drink when in walks this handsome man and tell

07:07

him what he was wearing. You know, he had all normal masculine clothes, a plaid shirt, cowboy hat jeans.

07:15

Well, yes. And yeah, he was just about as handsome a man as you ever did see? And when I caught his eye, he smiled at me. Pray to Jesus that he was a Christian because he up here to be interested in me. So I asked him right off the bat. Are you a friend to Jesus? Well, at first he looked at me kind of funny. Like

07:41

it was a weird kind of questions answered. Yes.

07:45

I felt myself perspire a little

07:49

Lord, You sure work in mysterious ways. There you are in the middle of this decadent and perverse homosexual community. And you wind up meeting handsome Christian man in stopping Goldstone was also

08:04

drinking Orange Crush which are to be a sign from God, Jesus. Well, the burning question on my bed was what church he attended. And when I asked he said the NCC church here in Montrose never heard of it but he said it was real nice and he asked if I'd like to join him this Sunday it worship I was overjoyed Minister mind

08:32

that she was looking for a new church mind you because Linda loves the saving center just fine. Yes,

08:39

but a good Christian man. Well, especially a good look in Christian man is hard as Heidi's to find go on with the story, Linda? Well, Sunday morning I put on my best dress got myself all fixed up and this handsome man drove all the way out to Lake City and picked me up or this MCC church and what did you discover there? Linda? It was a temple for Satan. Oh, I walked in there and oh wait up here normal and everyone acted like they was Christians but they was all homosexuals.

09:19

Even your hand so Mayan fell to my knees

09:23

and I thank the Lord Minister Mac for not only had he touched my arm, but I had been sorely tempted to do the WoW thing with this devil. I screamed and screamed again. And I ran ran out of that den of iniquity just as fast as my little Christian legs would carry me and I've got myself right back to minister Max Montrose savings center. Hallelujah.

09:50

We need to pray for you Linda a man. Oh, Lord, please give us lose sight of Jesus so that we will recognize sin before we go on a date with. Linda, was there no way for you to detect that he was a homosexual before he confessed

10:22

it? no outward signs at all? To understand Minister Mike is how these homosexuals have the nerve to worship Jesus. You see

10:33

Linda and Christian television audience. These homosexuals who think they are Christians are misinterpreting the Bible to suit their own agenda and perverted needs. Everyone, please open your Bibles to Corinthians. And I think y'all know this verse. Those who cannot enter the kingdom of heaven. Let's see. thieves, murderers, adulterers, fornicators isolators. And here it is of feminists right here in black and white of them,

11:08

which is just exactly the same thing as saying homosexual. Well, of course, now Minister Mac, could they possibly mean only the effeminate homosexuals, you know, as opposed to the masculine ones?

11:23

That's a good question, Linda. Thank you. I can better explain this distinction with some illustrations. Millie of those tax exempt Ledger's over there by the Coke machine on that chair, the chair about the Coke machine bring those to me here. Bow the Coke machine. Thank you Millie. Now, here is a drawing of an effeminate homosexual did you draw? Yes,

11:51

were here a good artist. Thank

11:53

you. Now lotus, the tight skirt, Spike heeled shoes and bouffant wig, a feminine Wouldn't you say? Yes, I would. Now here's the tricky part. The masculine homosexual notice on this drawing, Linda, the thick mustache, leather vest and motorcycle boots. But look closely. Is there anything else? You notice? Why I'll say? Yes, Linda, those are Levi's 501 jeans, and they are just a little too snug to be comfortable. Now, we all know that ladies, even our little Christian ladies will wear uncomfortable clothing at times to appear more attractive to Jesus. For instance, Linda, those shoes you have on? Do they hurt your feet?

12:46

Oh my yes, that Minister Mac I don't mind a little suffering for my savior

12:53

bless you, my child. Thank you. But you see, God fearing Christian men are more concerned about comfort, we wear baggy and ill fitting clothes, whereas the masculine homosexual man will wear tight fitting clothes. And he does this to appear more sexy and attractive, which we know to be an effeminate quality. Therefore, even masculine homosexual men are a feminine, so no homosexual period can enter the kingdom of heaven.

13:31

But now let me just clarify that point for our audience. Now that only applies to effeminate man, not a feminine women. Right,

13:40

right, Linda. God likes his man masculine and his women feminine and so do I. Well, enough on that subject for the time being, Linda, I believe you have some viewer mail for us to read. Shall I begin please?

13:58

Dear Minister Mac, I was raised to be a Christian, but I'm afraid I'm a homosexual. I'm quite confused. Well, you can say that again. I was brought up to believe homosexuality is a sin. And although I have tried to fight my urges, I am sometimes weak and have let go to my desires. Yuck. Because of the way I was raised, I hate to think of myself as a gay person. My question is,

am I only a homosexual when I'm engaged in homosexual acts? Or am I still a homosexual when I'm doing my tax returns and I'm not really thinking about sex at all, son would hate to be gay.

14:48

Thank you for your letter, Mr. Gay, simple answer. If you are a homosexual for one fraction of a millimeter of a second, then you are a homosexual period and cannot be a real righteous Christian. When you do your tax returns. Do you ever think of cheating, Mr. Guy? Of course you do. And that is Satan working within you. You think if you cheat on your tax returns you'll have more money to spend in your home and sexual bars because you have more money to spend you're there longer and your chance for a homosexual encounter increases so although you're thinking you're not thinking homosexuality when you're doing your tax returns, you're really our

15:40

boy that site and Sheree is a crafty devil

15:42

amen to the class and we pray for Mr. Guy. Yes, but we really don't have tab let's get on to another letter. Okay.

15:51

Dear am and that's you. Last week when I was walking home from a nut job was attacked our mystery but to skin heads. As they beat me up, they shouted obscenities and suggested that Christians have declared war on the maggots and kind of Christians could condone let alone encourage such violence against their fellow man sad hailing slow.

16:18

Thank you for your letter slow. Now first of all, you don't tell us whether you consider yourself a Christian or not. We'll presume you do. We'll also presume you are a homosexual. As a Christian, slow. You should find the love in your heart to forgive these overactive us for doing what many All American Boys do. Why? Beating up queers is a normal part of growing up. As far as condoning violence. I do not. I don't know of any Christians who do these youngsters might have got that idea about declaring war on homosexuals. From something they heard the good Reverend Lewis Sheldon from Orange County, California say on television. Now, brother Sheldon did not mean be violent to homosexuals, but rather be violent to their seeing there's a difference. So youngsters we're just blowing up a little youthful Christian steam that so you're obviously strong enough to write this nice little letter so I'm sure you'll be just fine in a few months. In the meantime, your mat trap practice and to walk a little more masculine. And

maybe like that fella Linda had a date with, you can walk home undetected. But remember, were ill fitting clothes. And I hope you don't have this problem again. Linda, I believe we have time for one more letter.

18:01

Dear Minister Mac. I am a good Christian mother with a big problem. My son is a homosexual. What can I do to bring him to the Lord son? No grandkids. Oh, done that just break your heart

18:19

that it does lend to that it does. Dear Mrs. No grandkids. I want to tell you about a sweet little Christian lady that I saw on a video called Todd greatest regret on the Houston public access channel. She had a problem like yours. When Jerry McGee discovered her boy, Todd was a homosexual. She did what any loving mother would do. She prayed to the Lord to give her son a eats. Well, the Lord answered Jerry's prayers. And recently young Todd died. But this isn't a sad story. Because right before Todd died, he accepted Jesus as his Savior. Praise Jesus. Now, he's in heaven with our loving father. It takes great faith, to pray to God to afflict your child with a fatal disease. Well, I can see that we are just about out of time now. But Christian television audience Tune in next week, we are going to have a former environmentalist who is now a born again Christian, the real funny and remember, because we've come to the end times, why waste your time trying to save the environment. Give back to Jesus Linda or We're gonna sink or woods. Well, of

20:02

course we are. But first I just want to say if I can, homosexuals you bet our flag right now if you want to spend eternity with Minister Mark and me,

20:14

Me Well I can tell by the way you shake and shout you're a Christian man. No time for now. Saving folks. If you've been serving God since you were two, we'll start all right. It's not okay. You should look the other way. seculars don't understand. Costas. COVID He'll be mad if you are sitting here feeling like a winner. God's

20:40

sakes love Satan to love Christians are the victims of

20:45

Satan to love Satan to love. Oh, no. Oh, no. Satan to love Satan to love. Oh, no. Oh,

20:54

no Satan's.

21:10

Minister Mike Show was written and performed by tech Wilson and Michael Morrow, Mike and Linda's accompaniments were arranged and performed by Ray Simmons. This performance for radio was produced by the civil service broadcasting Empire. The minister Mike Show copyright 1990 little video productions.

21:47

Wasn't that too wonderful? I am inspired. Is that what you call it? So we can expect more from Minister Mike. And the lovely Linda? Definitely. Oh, good. Good. Michael, do you? Do you think the message is going to get across in that few moments when you talk about Todd? Well, that's

22:11

hard to say. I think for anybody that saw Todd regret, especially the community in Houston. So many people saw that and were very upset and angered by it. It's sort of a comeback for that.

22:30

I think anyone that didn't see it, it's such a powerful moment in that in that piece. Yeah, it really is.

22:36

We worked on that moment a lot in our rehearsals and also in our writing. We wanted it to be short and to the point and but very gripping. And it is. And we didn't want it to be overly you know, pervasive throughout the whole thing. We wanted it to be essentially a funny piece of material, but also very pointed.

22:57

I have that moment. I have a friend that saw the video and he said, What's sad is a lot of good Christian people will see it and not know that it's a real gas.

23:07

You know, we've we've been very curious about what what our response would be once it's on

public access, we feel that now it's in its proper medium, the screenings that we've had up until now and showing it at our home or it's over at somebody else's house, it's been pretty much to an overwhelmingly sympathetic audience, a built in sympathetic audience. And it's also been a special circumstance of come and see what we've created or look at this. And now it's going to be just it's out there big out Houston, in the middle of a lot of other things that are that are, you know, that are real of this nature. And because we do play it very realistically, we're just wondering, at what point will people snap to the fact that it is a sad char will nice snap at all, and

23:56

be really stupid if they don't? Well, if they start sending a donation? Remember, you're talking about good Christian people, that same thing.

24:04

So what maybe we're almost out of time, okay. Did this get the anger out for

24:10

you? Oh, yeah. Oh, yeah. It's great. Because we're, it's, it's taken off. And like, as we were saying earlier, we can deal with a lot of issues.

24:20

Right. Great. Listen, thank you very much.

24:23

Thanks for having thanks for having us. It's been a lot of fun. Oh, good. It'll

24:27

be fun this way out with Greg Gordon and Lucius Powell coming up in a couple of minutes. And then T G ra the Texas gay Rodeo Association. Are they gonna be here? To wish to said this and they didn't circle the wagons last night again. Yeah, but the rodeo is gonna be here. Next Friday, Saturday and Sunday. Are you going to the rodeo? You go on. Sure. It'll be on this guy

24:53

John cow shit on it never.

24:57

Anyway, the minister Mike Show today at To what 930 and 11 and 11pm on access Houston which is Channel Four, if they don't have those Warner Cable correct little boxes that cost \$25 A month or so. This way always Greg Gordon, Alicia Powell coming up. So stay with this. Once again, please read these registers to like, once again, please go vote. And if you don't understand why, here's Harvey Milk to tell you,

25:25

the legislators and the executive offices, be they the local supervisor, be the statewide run your life. They run your life and they spend your money when they collect tax money from gay people. And don't give us anything back and returned. Take it for their golf courses, take our tax money for their pet projects. And give us an Taavet insult us by not giving us our rights. That's not motivation if you like being harassed by the police, if you like being a third class citizen, if you like being beat up by pugs, if you like the church yelling at you don't register don't vote. But don't complain. If you want to shove you be shoved back into your closet. If you want to be the person who gets beat up and whip his home and say, Well, I'm gay and I deserve to get beat up by otherwise the only thing you could do is registered to vote.

26:21

In Chile, 8 million people who want to vote in South Africa 25 million people who want to vote in the United States 81 million people who can vote don't democracy. It can't be of the people and for the people if it's not by the people vote.

28:15

Everybody knew that it was too much of a coincidence. Everybody was basically talking about how obviously someone from the Archdiocese has made a phone call those charges are completely untrue. They have no basis whatsoever. In fact,

28:27

if you're a gay and you try to take up for yourself and all that you're being booked and blame you're being accused of instigating it, you're being accused of being responsible and that's just simply not fair.

28:37

Whether or not you're greeted with military guys, and many gays and lesbians don't. No one has any right to keep gays and lesbians out

28:46

in the sounds of the wave.
