To tell you why you should go vote on Tuesday, the legislators

01:25

and the executive offices be the the local supervisor, get the statewide run your life. They run

your life and they spend your money when they collect tax money from gay people. And don't give us anything back in return. Take it for their golf courses, take our tax money for their pet projects. And give us an Taavet insult us by not giving us our rights. That's not motivation if you like being harassed by the police, if you like being a third class citizen, if you like being beat up by pugs, if you like the church yelling at you don't register, don't vote. But don't complain. If you want to shove you'd be shoved back in your closet. If you want to be the traditional gay person who gets beat up and whip his home and say, Well, I'm gay and I deserve to get beat up by otherwise the only thing you can do is registered to vote.

02:21

In Chile, 8 million people who want to vote can't in South Africa. 25 million people who want to vote in the United States 81 million people who can vote don't democracy. It can't be of the people and for the people. If it's not by the people.

02:55

If the 30 or 40 million queens in this country would get out and vote maybe Georgia might have to come out of the closet.

03:03

Speaking of out of the closet, did you see Romanovs Kim Phillips last night

03:07

bet your boy what a great fabulous so so many after hours listeners there too.

03:14

It's it was a good stuff. Yeah. Anyway, the Texas gay rodeo is going to be here this Friday, Saturday and Sunday. Sam Houston Coliseum and you're going right I sure am first time. I'm a first time want to go to a rodeo. You're a virgin rodeo. Oh girl. I just want to go down there and find me a cowboy Michael I started nevermind

03:49

what were you saying that

03:51

we always want a cowboy or some man with a hairy chest or

03:55

something? What's wrong with that? Nothing.

03:58

You know what really kills me? What? George? George? Miko, honey.

04:02

Well, this queen we know she wants to come out of the closet. That's why we're saying

04:07

this album. I mean, the song is like he's trying to tell us something.

04:11

You know, what really kills me. I was at the police department today. Because you know, I work as a dispatcher at HPD. And this cop came in and sat down and talked to one of the girls who works in dispatch one of the other girls. Yeah, whom he seen. And they were laughing and nudging each other and carrying on. And I thought, well, how nice. Why can't one of the gay police officers who we know are out there? Why can't he come in and sit down and talk to me like this? Not that I want to, you know, fair with them. But just as a friend, I mean, maybe they weren't having an affair. They were just being really friendly, friendly. Why can't somebody who's gay come in and talk to me like that? They don't come in and talk to me at all. Maybe they're scared to death but sort of the Queens down at the tubs because they can't stand the homosexual that so screaming queer. And

05:09

well, it seems your head Queen these day

05:12

and you know, we were playing this song earlier from from 242 What was it

05:20

called? Something about paradise.

05:22

Yeah. And this line in the song goes oh yeah, I was down at CBC one time. And it was a fabulous night darling. Everyone had their towels in the proper place. And everyone was parading around. And they were playing, they were playing this song. And this voice came over the speaker. And this man ran up to me with this shirt look of panic on his face, who'd obviously had one too many margaritas. And he grabbed me by the arm when he said, Excuse me, could you tell me who they said is here?

06:00

I said Yes, girl, they said

06:05

that has got to be a true story. It's too

06:07

wild. True story.

06:10

I mean, she was wrapped up in her town looking for sin and she just heard or other girl who did you say is here? Do you say they're cowboys or here? They've circled the wagons. We can't get out. Speaking of circling, we saw Ron and Paul.

06:26

We sure did. They did lots of new stuff. Lots of holes.

06:29

We have some of their new stuff that we're gonna do here in just a minute. Yeah, he did one of my favorites. And we're gonna play this and then we're going to listen to Clayton Williams theme song. Oh, and then we will be talking to the TG Ira folks. So don't go away. This is one of my all time favorite musical numbers. I don't want to play this for Dr. Steven Hulsey. Because Steven, I know you're listening Mary hiding in the closet with those headphones turned up real loud. This is just for you.

07:05

With so many new men and so little time

with so many gay men and so little time

07:15

08:43

that was oh, they did that with the Montrose singer and always close

08:48

But Election Day is Tuesday, it's your last chance to get out and vote. errs make a difference. There's a good chance that Jesse Helms is going to be swept away isn't that terrific? That fabulous? We'll be back with Clayton Williams special longtime after hours dedication we know clearly you just can't wait to kick up your heels. Ooh, the high ones to this so we'll be back right after these few words.

09:19

Wow. Do you know me? I have appeared in hundreds of one brother cartoons with that squirrely rabbit who always does drag Yeah, whenever I travel homophobic troublemakers are always telling me that there's no rooms and no hotels. No available seats in Midwest Juan's and no cars to rent. It gets downright frustrating. my sexual orientation got to do with my being a good customer. Then I got a gay Mexican Express card. Now I use it everywhere. From crepes in France to tropical foods in Honolulu to pick up chicks in Australia. Make American Express card does it all. Get now kennix Less Don't be home or without it have

10:20

10:37

10:59

just leave that and join in the fight. We're not giving it until we've gotten no right we're being rude all the time.

11:06

That make our way is that f isn't Frank

11:12

calling on you though

11:18

numbskulls on broadcasting oh man I was

11:28

really excited

11:40

is that f is in Frank? Yes, it certainly will heighten Williams I love you, girl. Your arms must be tired. I'm walking in here and all I see his arms flying.

11:50

I had an affair with Clayton Williams want you to I'd say anything to make the guy mad so that he would

11:58

put his whatever foot he's got left in his mouth.

12:02

Yeah. Listen, the minister Mike thing was fun one. But I'll tell you what, Michael and Ted got mad because they saw this awful video on on axis Houston. Uh huh. Todd's greatest regret. And we're here to tell you that you should feel good about being gay. And I hate hearing all these queens say, Well, I can't come out of the closet. And I go, Yeah, girl, I worked for the police department since 1984. And I do a gay radio show every week. So don't tell me about coming out of the closet and having to face what might happen because I see it every day. Yes, I'm protected by the city and maybe by civil service. But there are still those arrogant homophobic bastards down there, who would love to come up and hit me in the head and it doesn't happen. And it's not going to happen. Ray hill called a few minutes ago and said there was a young, nice looking Hispanic man out on the west side of Houston, who had gone into a convenience store to get an Orange Crush, I'm sure. And when he came back out, there were several guys that were making cracks about the way that he was dressed. And Ray said that he left rather quickly, and sort of came back in a few minutes with some of his effeminate homosexual friends. And they beat the Holy hell out of the thug. Run for the queen don't make a queen mad. Now I'm not saying I'm not saying to go out and beat up straight people. No, although when the quilt was down at the Washington Mall in 1987. And the country ignored us.

I mean, even though there were 750 800,000 Faggots in Washington and nobody put us on the news. Even though everybody had this beautiful quilt. I think if we had knocked people out and pile them on the quilt instead of just those squares, we might have gotten some median. So yeah, I don't want to say you should go out and hurt people. But by God, we're not going to stand around, let people hurt us.

14:11

There you go.

14:11

I talked to a young gay man the other day, had called the police department. He had been raped, coming home from the store. He was not at any bars. He wasn't at the baths. He wasn't at the bookstores. He had been to the market, spending money a single man he could even he could have even been straight but he was gay. Coming home from the market, was thrown into the back of a van and raped by three thugs. And then did not want to report it because he was afraid of what the police would say. And finally, Jimmy, I just had to say, Listen, queen, I'm queer. I work for the KPFT I do the after hours thing. We've got to help you. Your friend is upset, you're hurt. You're obviously in the great deal of pain. Let me send an ambulance out there. I promise that the policeman that comes is going to be on your side. And I just had to, like, beg this guy to let us help him. And so many times, things happen to us as gay and lesbian people, and we don't think anybody cares. They do care. And the Constitution in Washington begins with the words, we the people, and that's us. And if we claim it, we can win.

15:18

Right? And then, for some reason out there, there's this philosophy that men cannot be right. Yeah,

15:25

it's just crazy that we don't fight back. But anyway, we got great things happening this coming weekend. I'm on vacation. I took vacation because I want to go to the rodeo chop. Have you been before? Oh, yeah,

15:39

I haven't. I'm a virgin.

15:41

Oh, please. Ladies and gentlemen. The words virgin, and Jim Carper do not go. We'll be back in a minute. So stay with us. Listen, please get angry and get angry enough to take your money

out and spend it for things like rodeo tickets, or money to the switchboard or money to the AIDS Foundation, or money to keep food on the shelves that stone soup or money to keep this radio station going. This is all volunteer stuff, kids. Everything, just about everything happens in the gay and lesbian community and the money that you spend at the bars. A lot of it stays there, but some of it needs to go to these other places. So think about it get angry enough to go and vote on Tuesday. And if you need some help this this may get you there. Okay, here's Craig Washington and we got a special election push come in for you. And then in a couple of minutes, we're going to be talking to TG ra so stay with us.

16:36

poppers clean their horns, chains and locks forged. The Crusade has begun. Once again flags of Christ are unfurled and the dawn and cries of soul saviors sing apocalyptic on airwaves. Citizens good citizens all parade into voting booths and in self righteous sang to the X away our right to life. I do not believe at some that the vote is an end. I fear even more. It is just a beginning. So I must make assessment look to you and ask Where will you be when they come? They will not come a mob rolling through the streets but quickly and quietly move into our

homes to remove the evil the queerness the faggotry from their midst, they will not come closed and brown and swastikas are buried in chest heavy with gleaming crosses the time and need for such Rousses are over. They will come in business suits to buy your homes and bring bodies to fill your jobs. They will come in robes to rehabilitate and white coats to subjugate and where will you be when they come? Where will we all be when they come and they will come? They will come because we are defined as opposite perverse, and we are perverse. Every time we watched a queer hassled in the streets and said nothing. It was an act of perversion. Every time we lied about the boyfriend or girlfriend at Coffee Break. It was an act of perversion. Every time we heard I don't mind gays. But why must they be blatant and said nothing. It was an act of perversion. Every time we let a lesbian mother lose her child and did not fill the courtrooms it was an act of perversion. Every time we let straights make out in our bars by we couldn't touch because of the laws. It was an act of perversion. Every time we put on the proper clothes to go to the family weddings and left our lovers at home. It was an act of perversion. Every time we heard who I go to bed It is my personal choice. It's personal, not political and said nothing. It was an act of perversion. Every time we let straight relatives bury our dead and push our lovers away, it was an act of perversion, and they will come for the perverts. And it won't matter if you're homosexual, not a faggot, lesbian, not a dyke. Gay, not queer. It won't matter if you own your own business have a good job or an SSI. It won't matter if you're a black Chicano, Native American, Asian or white. It won't matter if you're from New York or Los Angeles, Galveston or Sioux Falls. It won't matter if you're British or FIM not into roles monogamous, non monogamous. It won't matter if you're a Catholic, Baptist, atheist, Jewish or MCC, they will come they will come to the cities and to the land to your front rooms and in your closets. They will come from the perverts and where will you be when they come?

27:21

As President as President of the Board of Supervisors, it's my duty to make this announcement. Both Mayor Moscone and supervisor Harvey Milk have been shot

31:29

And if you don't vote, we could have that Clayton Williams guy. on on on in Austin. We need to say a few words about Clayton Williams. We're

31:41

talking about the nonsensical ravings of a lunatic mind

31:46

now now now being I don't know. That's pretty close. We went over to the Clayton Williams office last week, didn't we? Yeah. And we got that. Where is that? Where's that Jay? Clayton Williams? Clayton Clayton Williams. Clayton Williams, what comes to mind?

32:05

Please, I don't think I could say that on the air. Is it or is it everyone lost it now? Oh, here it is. Ah, Clayton Williams.

32:17

Oh, yes. We went over to the Clayton Williams office and we got this tape here. They are getting their campaign strategy together. You're ready. Yeah. Me

32:30

you like the radio. I love it. You got it.

32:35

Quiet numbskulls on broadcast.

32:42

Now remember, if you don't vote, we're gonna have that Clayton Williams guy

32:46

talking about the nonsensical ravings of a lunatic mind. But

32:54

it really will be Looney Tunes around.

32:57

Can you imagine? He's just about insulted everybody and then I read in the paper yesterday where he didn't pay any income tax. Why? 1986

33:07

How can he not

33:09

He probably forgot about it like he forgot about that thing on the ballot. Yeah, you know how it is. Anyway, don't forget about this please. Because we've been talking about it for

33:19

eon weeks month.

33:33

This is Vicki new president of the Texas gay Rodeo Association Houston chapter here to tell you that Texas rodeo is coming so stay tuned after hours and KPFT

35:08

so you got some folks here from T gra

35:09

finally rounding up a couple. Okay,

35:12

let's see what we got here.

35:13

David Chapman.

35:14

Okay David

35:16

Felicia Webb Hi.

35:17

Hello. So we're Where are you last week girl?

35:25

No, you weren't.

35:27

I know I can I shout in 2008

35:30

You've been you've been working in little buns off getting ready for this rodeo and it is a lot of work right? Well, you're telling me now when we say rodeo, Vicki, we're really talking. Honest to God hard work and dangerous physical type rodeo. Right?

35:42

Exactly. We do everything for bull riding, bareback bronc riding, steer riding breakaway calf rope and everything. But we are we have our little Quizlet camp events too.

35:52

And T gra stands for Texas gay Rodeo Association. And that's made up of different associations around the state. Right? We have

36:00

eight cities that are members of TTI eight chapters.

36:04

So every year the rodeo is in Houston. No, that's the key every year they do is somewhere

36:09

else. Exactly. This is first time. It's been in Houston since since 1985. And we're really excited

36:14

about that. And in fact, I'm so excited. I took vacation time girl so I can come down there. All right, and every week, rodeo and tape a lot of stuff there. And we're gonna be down there recording and interviewing people and talking about it next week on the show, and hopefully everybody will come down and see us.

36:31

It ought to be a big wingding we've had calls from Canada, Australia. Everybody's a big, windy Soiree. No, I'm kidding. We do that at night. Oh, that's Yeah, that's right.

36:45

We tried to do that at night. Everybody's just sitting around the steam. Nevermind. That's another story. We we talked about rodeo and everybody knows what rodeo is. I don't know if I ever told you this. Jimmy. One of my first experiences in radio was as a kid I was hanging around Stan steel. Yeah, K FSA in Fort Smith. And one of our assignments one weekend was to go out to the Arkansas, Oklahoma livestock show and rodeo and do a radio broadcast. And we Oh girl, Arkansas. I mean, that's another show will tell you to tear down Arkansas. But we were on our way to the Arkansas livestock rodeo in fairground. And on the way we had a flat. Yeah. So Stanley being a great radio personality that he was he taught me most of what I know, got out of the car and said quick fix the flat. And she ran to the back and pulled out the transmitter. Yeah, it's a little portable generator things and fired it up. I'm trying to change as flat because we go on the air in like 10 minutes and we got to be at the rodeo. And I thought what in the hell is this queen trying to do? He put everything together, sent the signal back to the station. I'm sitting there in the ground watching him in the middle of nowhere. And he came on the radio at the perfect time and said Here we are live at the Arkansas Oklahoma livestock exposition fairgrounds, and you can just smell the popcorn poppin and you can hear the cattle cowboys are coming in.

38:15

And you're out in the boonies clean. We're in the middle of nowhere.

38:19

But it's radio and you can do that. Yeah, but this is gonna be real rodeo.

38:25

That's right. Well, yeah. won't be out in the middle of nowhere next weekend.

38:29

David, this this is physical, right? The events

38:32

extremely physical.

38:34

What what are you what are you going to be doing? Are you did you just come down here to show us that hat?

38:38

Watch it. Watch. This year I'll be watching.

38:42

No. Have you ever done anything in the past? Just kidding. He

38:45

has on a black hat we need to talk about

38:47

you know, in the past.

38:49

You need to go into what we know. We've talked royalty before and Mr. Ms. Ms. TG right, David Chapman and Mr. TJ 1988. A man has raised many bucks for gay Rodeo Association.

38:59

Most of that money goes to charity. All of it goes. So David, tell us about the events and how

most of that money goes to charity. All of it goes. So David, tell us about the events and how the candidates one of the candidates was here last week and talk to us about all of the hard work that he's done to kind of explain what all that's about.

39:13

As far as the candidates their hardest adventure is fundraising for charity. That's what they're mainly judged upon. As well as Western tire horsemanship talent, but a main stress upon raising money for charity which is one of the bases that T gra was brought upon. So that's the main part of their, their stress as far as their judging,

39:47

and a lot of okay, what do you do to raise money?

39:51

Different fundraisers, anything from drag shows? car washes, garage sales, car washes, any Anything you can think of to raise money for charity will work.

40:03

Okay. Okay. And what have you been doing to raise money this year? Drag shows car. Bike sales? You were running for Ms. DTRA? Yes. Has it been going?

40:21

Stressful? A lot, a lot of work. We've, we've really been pushing this hard because I believe that this is an this is going to be another wonderful example of how the community can come together and really show that we're more than just whatever it is society thinks that we are

40:40

exactly. You know, it's not just drag shows and everything we do that all your lungs, put this roadie on. But everybody's Right, yeah, it's rodeo something different than just being in the bars. All we call

40:51

people, people that I work with in the police department go, he's so good at what he does dispatching because, you know, I work there and really am a good dispatcher. But then they go, he's so clear. And it just, it doesn't happen, you dispatch. It starting to balance out. But as a whole society looks at us. And this is one way where they can kind of put us on that scale. And

say this is something that's really wonderful. And really positive because of the positive image. Yes, all the income out of the energy that goes in and all the money that is raised goes to charity, and then all of the hard physical work that goes into it, where society can look at us and say, Wow, this is really something special. That's true. And it's really something special. And I hope that you call your neighbors and your friends and your mother's and your sisters and your brothers and everybody that you work with and say hey, come with me this weekend and we're going to the rodeo

41:42

so it's not just Texas to there's like 19 states are involved in this TJ is a member of the International gay rodeo. So there will be countless 19 states that are even just a member of international gay rodeo. So girls from all over the country. They'll be here to compete against Texas. It's not just Texas competing when

41:59

I took the weekend.

42:02

Last week David was saying something about Houston or this the Texas rodeo is like the first of the season and there rodeos all over

42:10

exactly. This Texas rodeo is the first one of the year we start our year even though it's November 1990 is the first rodeo of 1991. And then we go all year long, every two three months to different cities. And then we have our finals. We even have a finals in October of

42:24

every year. And we're going to be at the Sam Houston Coliseum. Exactly. That's downtown. So there's no excuse in the world for anyone not going no excuse.

42:35

Right in the heart. Right and what I want to mention too is not only is Friday night our dance and kickoff and registration at the Hyatt Regency Friday night at eight o'clock in the rodeos all day Saturday all day Sunday, same events both days if you go one day, you won't miss anything from the next day. It'll be the same thing both days. And also Thursday night which is not advertised We advertised as ninth 10th 11th But Thursday night the eighth is the royalty

contest the portion of it where we have five out of state judges come in and judge the royalty has been working all year long around the state of Texas competing for this title. It will be at the ranch November 8 at eight o'clock.

43:12

I have to work I didn't wasn't able to get off because I didn't know about that yesterday.

43:17

I mean it's not advertised Louise

43:19

Cronkite here will be down at the ranch for and listen, we plan to be there and get as much on tape as we can.

43:29

And not only that, I want to make a point here at the ranch has moved recently. It's not the old ranch anymore. Thank you

43:35

very much for bringing that up as they moved 9200 Buffalo Speedway at Morrow

43:39

worth it's the old dome shadows Exactly. as I as I hear it's just a couple of blocks away from the old one so it's not like you're gonna get lost.

43:47

So what happens on Friday? Do you need this or do it by heart you know by heart by now

43:52

Friday night is our kickoff dance and registration. In other words, all the contestants from around the United States belong to IG re will be in town to register for the rodeo. From 6pm to 10pm. They register the contestants register. Kickoff dance starts at eight. Now this is Hi cowboy drag. That's it. I mean we're talking girl like little buns and tight Wranglers.

44:14

I don't have any of that stuff because all I got is

44:17

no he's got a big bond shut.

44:20

Hateful queens have cowboy stuff and he doesn't

44:25

matter. It doesn't matter. Because I don't have a lot of cowboy stuff. But there will be there will be exhibition booths set up at the Coliseum Saturday, Sunday so you can buy all that little stuff. Everything goes back to charity girl.

44:37

She doesn't know about my MasterCard

44:42

met and that's one thing you got to remember. Remember about this weekend is if you show up the rodeo and shorts and a tank top in a baseball cap. You're still raising money for charity

44:52

and it's going to be fine.

44:53

That's it. Oh yeah,

44:54

that's the whole thing we want you to go.

44:57

We were mentioned about Friday night, Houston bandit. We'll be there a little bit of Texas is playing the Hyatt Regency Friday night we talked about them and they call us up every once in awhile they talk about me girl yeah heard can call last Saturday

45:09

45:16

they'd send us some we'd play it. In fact, I've told him that yeah, let me look here.

45:22

Madonna romanovski and Phillip

45:26

45:35

45:57

And this is no little little town hometown thing. This is the host hotel this year is the Hyatt Regency. So I'm sure you want to say thank you to the Hyatt there, and also to American Airlines. The official Airlines for the seventh annual Texas gay rodeo who's doing all kinds of folks favors with special flight information if you have friends that are coming in and they don't know about that. You can have them call one 800 What was that number two tickets 1-800-275-1000. Or if they need information on T gra the numbers 214-520-7137 Now they're now

Yeah. Five two O's easy two because we know all that. Laying on bed, the middle of night go and five, two.

46:50

Yeah, I'm sure he does. Exactly.

46:53

Especially we're talking about our sponsor, American Airlines. And then I also want to mention that Miller brewery is one of our national swans yay. Another brewery is helping us put on this rodeo not just the Texas rodeo. They help us put on every rodeo the whole year long. What about

47:05

the actual rodeo? Now it starts Saturday and it says the box office box office opens at 10 right and then the grand parade starts at noon.

47:16

Yeah, grand entry starts at noon. There will be some events starting at nine o'clock in the morning both days. But what that is is just the slack events, the ones that aren't in performance, like the BS like calf, roping on foot and some things like goat dressing, maybe

47:28

half roping on foot. Can you kind of go through that for the version that I am

47:35

not sure calf raga roping on foot is one of our 13 events. What you do is you stand in the box next to the calf shoot. Yeah, you got to picture okay, okay. There's a little chalk line. There's what do you for your barrier? Are you did you swing a rope. And whenever you nod your head or call verbally for your calf, they open the chute Katherine's out and you just have one loop two loops if you desire to try to catch a calf, but you can't slip out of that box is that no You crossed the line and you're

48:03

disqualified? Girl you got it.

48:06

So bring your rope Jimmy

48:10

said that to me before chains.

48:15

No change can throw change. Ropes only.

48:18

So what about what about this goat dressing business

48:21

gala dressing? That's one of our camp events. Oh speaking. It's a two man team.

48:30

Team it's a two person, two person team. And one. One person in the person's group is holding a pair of jockey shorts with a goat tied down. And you both run up to the goat. Putting the jockey shorts on the goat running back to a timer. It's a timed event. Actually quite hilarious. To save them.

49:00

I'm sure the goats not too pleased.

49:02

Necessarily. No, it sounds pretty scary for the goat.

49:08

Sounds like a lot of fun. We have a lot

49:12

of fun doing it. It's, it's great.

49:17

If you've never been using anything like it, the rodeo

49:20

is it's gonna be great. And honestly, you listen to us all the time we talk about all the things you can do. This is something you can come do with your friends and your family and it's really going to make you feel great. And we want to encourage you to come down to the Sam Houston Coliseum this weekend. Can you hang around for a minute because we got to take a break? Sure. Three o'clock. Okay. Well, girl, get off your knees.

49:45

With all these cowboys here and you're telling me to get off my knees.

49:49

Imagine a world in which millions of people are at the mercy of a small band of extremists in which works of art are subjected to government censorship, and freedom of expression is a crime. Now stop imagining Welcome to America 1990. This is calling you Hearst. As an actress. I'm terrified by what is happening in our country today. extremists like Jerry Falwell, Pat Robertson and Senator Jesse Helms are trying to destroy freedom of expression for their own political and personal needs. And since this freedom is so powerfully demonstrated in the arts, they especially want to silence the artist. That's why they're determined to restrict the National Endowment for the Arts that an organization that supports artists all across America. We must fight back. Please call or write to your member of Congress today. Because silence for the arts is silence for America
