02:06

Hello, Houston and welcome to after hours queer radio with attitude heard. Every Saturday night at midnight right here on KPFT Houston and ke O 's College Station. I'm Jimmy Carper. And with me tonight is Peter.

02:28

Yo, Jimmy, baby, I don't even think I'm on. Yes, you are. Are you sure?

02:34

Look at these. Hey, look at those guys, baby. We're on by

02:39

Connie Lingus.

02:41

You know what?

02:43

I think she's having a blessed, a breast. Blessed. A blessed breast in transplant or something. I think the bodacious Tata has got too much for it. I think she's out Ric reduction. I think she's having a breast reduction or something. I don't know. She called me last night.

03:00

She got to spread it around. She can make about 20 women happy

03:04

girl she could make half a northwest Houston happy anyway.

03:09

I don't know for sure too. Well, we

03:12

can dish her to death child. I don't know. I know. She is not on a Carnival Cruise. But I don't have a clue. She called us that I was not there. Didn't gotta get the call. I've called repeatedly during the day. Don't have a clue. Oh, my God. I don't know. I hope she's alright. Oh, I'm sure. But I think I think she went down to see what happened to Mayor Lanier and got caught up in the thing and probably some doctor decided they needed to do about breast reduction. So maybe she's having a breast? I don't know. Well, that's the rumor of the night. Rumor. The night is Connie Lingus is having a breast reduction. Lord only knows

03:57

the Peter and Connie Lingus show without anyone.

03:59

Well without bodacious thought. Yeah. Oh, God

04:02

only knows a lot of people will be

04:03

very unhappy. Well, I

04:05

know. I know. Especially

04:06

good old Wayne Wanelo. Probably

04:09

just frustrated as hell. I know. And yes,

04:14

how are you? How are your guys doing?

04:16

Oh child, I hear yes. Via the grapevine that Paul was moved. Yeah, Chow was moved out of wherever he was when Gorky whatever or however you say that because he was making me this thing. I mean, this present for Christmas they were working on and kind of got her of course that fabulous. Little House. Yeah, but the ultimate detail from Mr. Wayne. And he was making me something and evidently, the powers that be did not like what it was that was being made. Yeah, well I guess you can't make large. erectus is magnanimous is out of match ticks I get that's not hard anymore I don't know, say move to something like love, love something love Lady Love this love that. I don't know there's some love something that where they go with different unit or something. Yeah, a whole different place. Oh, now, according to the rumors I hear they say that in this particular place, they do not get our show because it's blocked why they did not get the Friday night prison show either. Because evidently, it's like a cable thing where they can block what they want to blow kidding. I never knew that. Yes. And I they say to talk to the lady that does the Friday night show peg something and let them know that it's being blocked, because that's like about rights. So anyway, yeah. So they didn't like the project. So rather than move the art project, they moved him.

05:56

I remember Ray talking on the prison show about one unit being blocked for a couple of weeks. But they were back up again. Right?

06:06

Well, this whole section is blocked. Oh, and they don't get the prison show. And they don't get this show. And so this letter that came through, said, Well, no, it's not as a matter of fact, it just, it really is not legal. And anybody out there that wants to do something about that really probably got to start making some phone calls. Because in love Lady Love, love, love something. It's a by Huntsville. And he said that he gets all the shows that he got on his radio when he was at the one place, but he's not getting this anymore. So so they may try to show and they didn't like project their their blockchain specific shows. Well, they're blocking either a this whole station or B for sure. The Friday Night prison show and this one.

07:07

Wow, that that's not right.

07:11

No, can't do that. But that's being done. As we speak. It's being done.

07:16

Oh, somebody called Ray at 52669695236969. And tell him about this.

07:22

Yes. 5236969 are that Ray know that there's this issue? Although they said they would probably get farther with this peg woman. Yeah, that is, I don't know. Some peg lady that does the Friday night show as well. Really? Yeah. So anyway, this is not cute. No. So they moved him away. They didn't like the art project, there was a gigantic bank, well, you know, made out of matchsticks in the form of a rather large projectile. Well, one of those words, we can't say on the air,

07:57

you could put lots of pennies and lots of hands. Many many, many, many,

08:02

08:02
many of you anyway, so that's never going to be well you know,

08:06
I almost like don't want to say hello to some of the guys that have written us. Well write a fairly yellow

08:14
letters and if you say that then some you know dickhead wardens gonna decide to you know, scramble the signals and screw the show

08:23
or take the you know, these guys that have been writing to us and move them elsewhere.

08:30
Yeah, nice. Nice shot. That sucks. Well, it does. I think so too. But anyway, it happened and it's a done deal. And he is doing something about the rights thing because it is about being moved because they didn't like his art object which has something to do I'm sure with First Amendment whatever, because you got to be able to make what you want to make. I mean, my God arts are well yeah, around this town, and you'd see more Damn, I know it projectile art than you could imagine. But anyway, yeah. So that's just

09:02
Washington Memorial. Hello.

09:06
out there for President Clinton and his artwork.

09:12
Alex symbol if I ever saw one.

09:14
Good morning, Gladys and Quirk and I find went Oh, anyway. Glad to go to Washington and sit on the monument to make me

09:24

you got to sit on something. Oh, please.

09:27

At this point in my life job I

09:29

think I'd sit down about Oh, it's getting to be a long hard line. Oh, yeah. Oh, yeah. She

09:35

probably had it since I Oh, I'm gonna go there. You will later Oh, I may later. You never can tell. We may go all sorts of places later. So anyway, it is it is Friday night, and I was supposed to say Oh, actually,

09:49

it's Saturday night. Well, you're

09:53

good God. I've lost the day. Or else I have one more day to live. I'm not sure how you look. I was supposed to say either to hep, hep hep app hep. I could tap okay. Yeah, yeah, I was talking to him over rascals a bit ago. Oh, wait, he said the blind man and he beat the detainment? Yeah, yes, we're gonna say hi to him. And um, we should say hi to Brad.

10:26

Brad. Oh,

10:29

Brad. Yes, Brad. We should add a brad. And let's say we should say hi to everybody else out there that

10:35

about CJ and Rob.

10:37

How about CJ and Rob? I mean,

10:40

what a couple. They were on the cover of twit

10:43

for Valentine's Day. Yeah. Wasn't that a nice deal? nice mix. And they're a nice couple. A nice mix. Yeah. Yeah. A little black. Little White. Yes. I like that. I mean, we're about being so Hey, callers, not an issue. So speaking of same, yeah. Are you ready for the joke of the night? I know it's early. We may have to repeat it.

11:05

Well, you see at this time we wait no with this hour. The general manager may be listening and he loves jokes. Oh, does it Yeah. He really he really liked your your one about the guy going to hell?

11:19

Did he like my one about the old lady who went to the doctor? Yes. I have loved one of my breasts. He said no. What's your shoes?

11:31

Well, did you hear about the little kid that says to Mommy says mom. He said is God. Black or white? And she says no, honey, she said God is neither black nor white. He's just He's everything. He's black and white and yellow. And he's everything. God has everything. She has all I say. He said Well, it's got a man or a woman she's won a God is both to both. He says yes, God is everything honey, he's man and woman and everything is total. So I see. He said, Well, is God straight or gay? And she's wanting his bow. There is no sexuality and God he's just everything he's all he says. All that means that Michael Jackson is God

12:24

Oh, yeah. Michael Jackson. Boy that was funny that came out of left field for me.

12:35

Just slammed you right across the side. Hey, Jordan. Yes. Oh, and we got a little top 10 for later but rodeo it's rodeos going on? Bro. Do you know how you know rodeos going on? Now? You can't get anywhere in this damn city. Free weights are therefore, they're just for.

12:57

Everywhere you go. It's

12:58

another nude dementia. Oh, God. So we have a little top 10 About rodeo. We whip that out. We saw that. You know,

13:07

we've got lots of little things to talk about.

13:09

We do we have fun little things. Yeah. So

13:11

you know, I made a list this week of all things I wanted to discuss.

13:15

Oh, good. Yeah.

13:18

A couple of things. I bet you my list looks a lot like your Well, I

13:21

hope it doesn't look identical, or we're gonna be pressed for time.

13:28

11 13:20

Probably playing a lot of music. Oh, my Jesus. And what the fans just love it. And speaking. Speaking of music, let's tell them that if they would like to call in Oh, yes, tonight would be a really good night. Now you can call in and complain about the lovely Connie Lingus. Where in the world may she be? Right. I don't know. She's not care about cruising.

13:54

She needs she deserves a beating. Oh, and I've got a guy coming. Who's just the guy that do it.

14:02

I think I think her friend would probably be able to handle that. Okay, anyway. Yes. And then let's see, I can use the beatings. As a matter of fact, as long as we're talking about the owner, beating we don't do that well. But wiki these couple of things. So we could have call ends and tell us just what's going on in your life. And what's going on here. What you might like to talk about, we're just opened about anything. And if you want to call in you can call in to live 265738526

14:35

KPFT. That's right. And I really would like to hear from Scott, who called last week. He was our the first person this marathon who who pledged money, who was yes. And we talked with him very briefly last week and we couldn't get back to

14:56

him. Yes, how nice and we did well. That was worked out really well. And I had the surprise of my life. Yes, you Oh, yes, Miss Beth.

15:06

Oh, yes.

15:08

I was speechless, shall we say? Oh, that's

15:12

Richard just. Yes. Yes. She made

15:15

me speechless both of us. Yes. I was like, hello. Thank you very much.

15:20

You thought that was impossible? It happened. Yes. Never

15:23

Peter has never been speechless but he were oh he were childhood most

15:27

beautiful transsexual

15:29

that you have ever seen. Yes. Your entire life. Oh. Oh, honey. She's gorgeous. She is beautiful woman inside and out. Yes. And gave me a very new understanding of the whole thing. Just really good. Yes. Really good. I enjoyed being with those people. Good. We had big fun. Good, good, good. Good. And so we'll take messages. Oh sky god is on to can we talk to Scott before we

15:57

do we can if I press all the right buttons. Scott, are you there? Hey, how you doing? Good. Okay,

16:09

got you. Wow, man. How are you? I'm okay. All right. We got we

16:15

didn't get back to you last week. You had a question? And

16:19

well, it's kind of been somewhat answered. Oh, okay. In the press. When the ladies have been fighting us for quite a while and fighting everything that's not within her decency level. suggested a red light district here in Houston. Oh that one? Yes. Oh, that one? Yes. 25 years

she spent wasting her time well anyway. They got it in Amsterdam. Yes, they do. And they've got him and Thailand everywhere else even the Germans have illegal prostitution and also the stuff you know, that way they can tax it and make sure everybody stays healthy. What do we know you know?

16:55

Well, hey, put it all in one place who cares what's horrible go one of

16:58

the suggestions I had was if they keep this up why don't we just start a cruise line or do something similar to what they're doing over in Louisiana put it on a rebuilt barge

17:09

oh that's right and then just go a little out the 12

17:11

mile limit where new buddy can touch anybody doing anything?

17:16

Well now isn't that just a clever as the little thing I've ever heard all night

17:20

or that is a good idea we see then we can all jump

17:23

ship down to the ship channel head on out into the golf and just go crazy. Yeah, I

17:29

mean, what I was meant to do they don't

17:31

have to worry about regulations. They don't Well of course we can police ourselves up much

have to worry about regulations. They don't well of course we can police ourselves up much better probably in the public.

17:38

And what have you only knows we know more about them? They do. Oh yeah.

17:42

Oh, that would be terrific. I mean, I can see it now it's like a big cruise thing you could go for the whole weekend

17:47

we see what they can do if they Yeah, and that way they say okay they don't want red light district will put out to all my limit will bus people out there on small boats or what have you. To me small boats.

18:02

We like that idea a lot.

18:05

Well, he can be one of the backers. Well,

18:08

he could be one of the backers and he could take a little shuttle at right from his little thing over to the thing and out in the barge we go and everybody is on board by seven and off you go. Yeah, and you come back at at whenever whenever 234 Pull into the back and everybody's

18:27

going out for the weekend with an NVQ Yeah, register your

18:30

own room or what have you. And you know

18:36

18:30

lovely Yeah, I could use

18:41

you something a second Oh,

18:43

what'd you say you know that that's by studying organized crime and being able to to how do you say use their their type techniques to make money and stay within certain laws and stuff and subjugate some of these religious writers we can we can you know, show them that hey, you know if you'd let us on land you know we can show them we can make a profit and if you let us on land you know we can police ourselves

19:07

not only that, but you know you could make a hell of a lot of tax money. Oh

19:11

kidding. And they're gonna transfer some of these property taxes which is worth I owe a lot of money to to tax on goods and stuff here and here in the state. You know, the Governor Bush had wants to do that. So how they can make a lot of money doing this Sure. Good and

19:28

great bumper sticker the other day, but don't blame me I didn't vote for his dad either.

19:33

Well, I mean, you know, the hotel tax I've someone told me that the hotel tax in Houston now is 15%

19:41

Isn't that pressure?

19:42

I mean, you know how much higher can it get? 20 Yeah, that's traps. Yeah.

19:52

Yeah, most choose traps like your Kissimmee, Florida and your Ia have 2025 30%

19:58

Really, I didn't know that. Oh, yeah, whoa yeah.

20:01

But you know wherever that was so fine so put us on one spot find Medicare. Yeah, who cares? You know like it's fine put it somewhere I don't care Well, everybody's gonna go there anyway, so it gives them

20:12

the problem now they're gearing up the fight so that no matter where we put it, it won't get approved. They'll just take it off to buy it by barge, send it into refitting company, refitted as a hotel barge. You know we can put our this is what's cool. We could put a casino on it. We could put you know how these people hate gun nuts? Well, they're not really nuts. I mean, I'm in the NRA. But you know, we can have a firing range on

20:41

hey, no honey we can do without the firing range. Thanks. Well, some people might like Peters and Yvonne and he gun you can

20:50

Babs you can have gay bars. You can have dancing you can

20:54

cruise ship we didn't know cruise ship is not going anywhere. And you

20:56

can you can have rent boys. Yeah,

21:00

how love

21:03

and you can rent your guns. They're just like some of these other places here in Houston, and fire and indoor firing range. You know, that thing is when you over constrict, there's ways of making money. And the problem is, if they if they over constrict, I can guarantee organized crime is gonna move in and make some bucks and who's the money going to go to not our community, not the legitimate regular people community or not regular people, but you know, the people who believe in freedoms and stuff, it's going to go to the organized crime, people have unlimited money, who wants to exploit it? That's right. And it's not going to help the state go to paying property taxes, like Governor Bush wants to do our if we upped sales tax to eliminate, you know, nationwide to eliminate two income tax is not going to help any of that. So they better get their act together. For somebody whom we don't want to invest in that gets invested in an alternative. I mean,

22:00

they didn't they learned from Stonewall, that was the era when gay bars were against the law, and they were all mafia. Ron. That's right. And

22:09

didn't they learn for Vegas? Right? And on top of that, I guarantee Louisiana did and I remember Port Arthur had had had the initiative to go before Louisiana to have their own little casinos and stuff out there on Treasure Island. And they turned it down doggone religious community fought against it. And guess who's making all the money now Lake Charles. That's right. Charles, Louisiana is raking it in. And so is what's his name?

22:33

Well, we'll thank them because we always do.

22:37

Yeah. And if we don't think of it, we better think of it and get it going fast or poor, organized crime gets in because I sure don't want those boys in.

22:43

No, no. None of us. No, no,

 22:45
we really don't. We could do better when they play.

 22:48
They're probably good. Yeah, they do. They do.

 22:50
I think the big boys know that. And so they'll probably do as well. Okay. Well, thank

 22:54
you, Scott.

 22:55
Thanks, guys. Have a good night, man. Thanks

 22:57
a lot. Okay. Hang in there, buddy.

 22:59
That schedule.

 23:00
Go buy a cruise. Ship it guy.

 23:04
Take care. Bye. Bye. Thanks for calling. Let's go to a piece of music.

 23:08
Let's do.

23:10

Okay, you said it was rodeo. It's rodeo girl. On my list of things to talk about tonight. Yeah, I know it's not, you're not going to save but what's the connection here? I've got rainbow de clown. And it's like, I have not seen rainbow the clown and two or three months. Never seen anything. Rainbow Declan used to come down to the station about every other week and just hang out and have good comments to make and stuff like that. But I haven't seen her in a while. And I mentioned that because rainbow D clown loves this group that I'm going to play Doug Stephens in the out band.

23:48

Doug's demons anyhow be

23:50

original out Country and Western band. Hey, they they played at the March on Washington.

23:59

And I was there in the urine. They did.

24:01

Yes. And this is one of the songs they did a let's do the rainbows favorite song that's called out in the country. Doug Stevens in the out band you're hearing it on after hours queer radio with attitude on KPFT Houston and ke O 's College Station. I grew up

24:29

I remember an incident four years ago when I was walking through an amusement park holding hands with my lover and was called queer by a child six years old. And from that day forward, I've been all too aware of who the child molesters in this society are. These are gay and lesbian people seeking out here what's your reaction to that? I have

24:42

a little boy and I would hate for my little boy to be like that. Those are animals. I think it's terrible how to rock and throw them out

24:56

all the queers want equal rights why? Do your mother father lead any person who is gay?

25:09

Children learn to hate from their parents to hate other people and themselves. Which is why as a lesbian and gay public awareness project wanted you to hear and think about this message. For more information write us at Post Office Box 65603 Los Angeles, California 90065.

25:49

What is the number one growth industry in Texas? It's prison. Are you interested in the inner workings of the largest unregulated agency in the state? It's our prisons. Heard about vital pro shoddy construction deals nepotism, kickbacks, questionable use of deadly force. Marginal medical care is you know, hundreds of millions of dollars of your tax money pays the bill. Want to know why Europe calls Texas the gulags state? Listen to the prison program with Ray Hill, Martin glass, Dewey and others. You hear the truth about Texas prisons and the almost 140,000 men and women and children behind the razor wire. listen to the voices of the other set of victims and mothers, dads wives siblings and sadly the children of Texas prisons. They may not have an advocate in the mayor's office, but they have them on the prison program. That's the prison program with Ray Hill martini glass Dewey friends and an interesting array of guests. Friday night nine to 11pm KPFT Houston.

27:10

Oh yeah, the PRISM program. That's a brand new cart. I heard it for the first time Friday night. Oh, yeah, it's about time.

27:19

Hey, um, what was I going to tell you? I had something really fighting women cover. I was just out in the other room running for a quick game, right? Yes. You just had to tell the listening audience and Peter. Now everybody knows that I have bodily functions. How disgusting now? I thought it was a God. And He ruined it all. Anyway. Anyway, so yes, we were taking a pee as you put it. And Gyre, Jim answered the phone. And he went yellow.

27:59

I've got this great job. He always says that. No.

28:01

Did you hear about the the Mexican lady was caught got caught crossing the border. No. As long as this before the producer quits listening or the owner whatever pops up one more. He may have heard this was caught swimming across the border child and the guards caught her

and said, Honey, you're going the wrong way time to go back. She says no, no, just the five speak perfect English. I'm

28:23

an American citizen. They

28:24

went yeah, right. Swimming. They went Oh, yes. No, no, I'm American. I speak perfectly because they what is that? Right? Use the following three words in the sentence. Pink, green and yellow.

28:35

Green and yellow. See when

28:38

all I know the telephone goes green, green green. I pick it up and say yellow.

28:50

Jim is out there. Anyway, yellow and I went. Oh my god is the lady that swam the border.

28:57

Green Green. Yellow

29:03

families. We didn't even know it. That's funny. Oh, I love it. I love that.

29:10

Yellow.

29:12

That in the report lady with the shoes. Oh, yeah. Oh, and Micajah

29:19

Well, this is the Peter and Connie Lingus show with no Lingus.

29:25

Isn't that an unfortunate state of affairs I might add Yeah. Oh, and everybody's already heard the other one about the poor kid that. Yeah, the dog. Yeah, I heard that one. So we won't go into that one tonight. We will do it later when things were really were on.

29:45

So what what

29:47

do you know there's a whole bunch of new restaurants opening up.

29:51

Oh, really? Yes. Yeah. We'd love to eat. Maybe that's where it got

29:59

to I mean that's it. Maybe that's it. Now because there's there's I saw one advertised in the voice of this week. The Lodge which is over there, Shepherd and enrichment.

30:15

Shepherd and Richmond. Yeah. Oh yes. Okay God over in Kiki windy wiki lodge so I've seen that as I've gone by Kawi for cow weed

30:25

law yes like how the cow we

30:30

don't say that again unless you mean it

30:34

but there's another one I saw another one advertised over on TAF 905. Taft

30:41

905. That's right behind the

30:48

ear and tones.

30:50

Oh yeah, I was on the wrong street

30:53

box cafe I believe gay owned and operated. No kidding that joins the ranks of all the other wonderful day restaurants we have like Boudreaux rose. Have you been to food rose yet? No. Oh, gosh. It's on Crocker across Fairview from the ripcord

31:11

behind the Hispanic one. Yes.

31:15

It's a converted house. They have wonderful sandwiches. They have wonderful Cajun food. Oh, a to Fe.

31:26

Oh, yeah. Oh,

31:29

wonderful coffees. Oh, yeah. trawl always takes a coffee break there.

31:35

Well, now we know where to find the good. See there now we know. Oh, good for getting beat up.

31:43

We just have a wonderful array of wonderful gay restaurants in this town. like Popeye. Tuesday's

31:55

to be Been there done that a billion times? Yeah, no.

31:59

Okay. Yeah, he owned and operated. We're kind of talking about this a little bit last week about supporting gay and lesbian businesses.

32:06

32:19

normally Well, at least they're gonna be gay friendly. We would hope I mean, oh, yeah. Yeah. You know? Yes. How wonderful. But by

32:29

all means, support your gay businesses, queer businesses, because there may be businesses run by bisexuals or transgenders and we were whatever those do

32:38

Oh, all the cooks are English. Ah, all the police are German. The French mess with your car. Oh, no, no. Lovers are Swiss. And the Italians run the whole mess. Ah yes, I sent that in and said while you're doing things about, yeah, and about various human endeavors. Please include this. I said, Well, alright, I will. So out there. Whoever sent that in, it was rather anonymous. I might add. No kidding. Yeah. But evidently they're listening and they love us. So okay. Do you know somebody called in and told me that I said, I'm gonna take a little sip of mine, Joe All public hopefully that's better. Anyway, they'd called in and said that I sounded like the guy on missed out fire. Harvey fire seems Oh yeah, are you bad? Well,

38:24

Because the record Oh. Or mine? Or, or somebody's played? Who knows? We can do all kinds of you know, some things are coming up that I really wanted to talk about? Oh, yeah. One of them is they're going to do an estate planning and financial issues for non traditional families, which obviously means have kids

38:48

and we need to do that. And

38:50

I it's a major big company that's doing it. i It's like Merrill Lynch, Pierce Fenner and Smith is somebody Yeah, they're doing this thing.

39:00

They're doing it to drum up business. But I mean, but hey, we don't have we don't have marriage. So when it comes to inheritance, we have to have very strong wills.

39:12

Well, not only that, but but this is a state planning Yes. And protection thing and taxes thing for non traditional family. And there's a lot of people out there that are in non traditional families that need this estate protected and neither other legal documents are beside the point. But this thing is going to be on Wednesday the 26th of February at 7pm at the love it in Oh, and there's a guy named Scott Garrison that you can call for further details who I'm sure works for Maryland or whatever. Anyway, familiar? I know certainly does dandy. Anyway, his number

39:51

I think he's part of the community

39:54

must be anyway. That's who you call. It's got Gerson at 840 04816 And that would give you more information, but there's an estate planning and financial issues. And there's a lot of financial issues over and above your will and testament. But this is about many issues for non traditional families. And I thought that was something we really ought to kind of mention. And

another little thing that I wanted to mention, I'm sure we'll get to all your little things later but and CCR, oh, yeah, my metropolitan church Monday reflection, and my good friend over there, Miss Carolyn

40:31
