is it really like that? It's like that. It's like that was like that for is it really like that mark? No You should know you sat on the end of that, Mike. It's not really like that. That's like, two or three minutes. Yeah, two, he goes on for days, and sometimes nothing ever happens. That's true. That's true. Can be weeks, weeks and months. And then it happens in less than four seconds. Sometimes unexpected 90% of time, and we're talking to Mark timmers. A personal friend of mine, I guess I should say that maybe I shouldn't say that. I don't know. You can set it up. I want to be seated in your company, right? I wouldn't worry about that. But anyway, Mark is a ex Houston police officer, right? That's for class one a live class 111. So all you police officers are tuned in you can run get your book and look him up. If you don't already know him. He's the cute man. I've never had an affair with by the way. That's one of the rumors that's been going around 61 reasoner that we've had an affair, I've been gone for a while. I've heard that rumor. Right? You left the department that's October 30. On your own, on my own, with a little coercion from some other people.

06:15

That goes on for a little while. And it gets a little personal and it's a little dated. But Mark timmers Wasn't was a gay cop who had to leave the forest because it was discovered he was gay. But but he did put together that thing and I want it before I go to the fun part. I wanted to let you know where you hear the officers been shot. That you noticed how everybody got into action. But the dispatchers remained very calm. And right gave out that information. And it's got to be very unnerving down at Dan at the police station in dispatchers when you hear a policeman has been shot. Oh, yeah. And also that the policeman that was shot in this instance. It was a slight wound and he recovered. That's good. He did. He did well,

07:07

we don't like anyway. No,

07:09

we don't. We don't. We don't. So this is this is the other side of buddy and his police career. This is called the queer

07:19

policeman. Oh, if you ever need a policeman all you got to do is holler. They're always there right on the job. For instance, here's the best one that money can buy. Oh

07:36

I'm a real police. Oh, would I love to give you the third degree? My gazing at my sexy farm with rapture you'll be stricken. Take one look at me fellows. In me you'll find some chicken. My Robin wants to bite me. I gave him one called gays. And as I really met with her, I said to him, I said you're arrested. You're arrested. Not covered once with me. We're going to the station and the sergeant shields serve tea. Now stop that. tittering I insist you horrid hard man. Because I'm a real policeman now honest to God. I am. Oh, you're a large. You are. Walking down the street one day with my girlfriend by my side. She said look at that horrible fistfight. I think I'll run and hide. But instead of fanning it, just suppose my smelling salts I drew and dashing mascara on my eyes and to the fray. I flew. So I said to him, You booger. You're arrested. You're arrested now cabbage wants with me? We're going to the station and Assadi she'll serve tea. Now stuff that snickering I assist you horrid hard man. Because I'm a real policeman. Now honest to God. I am. Cruising in my squad car last night. I came upon two lovely boys parked in the car. Lobby Damn, there they are. So I shined my flashlight in the car and I says, okay, fellows, what's going on in there? One of the boys said, well, nothing officer what is sitting here talking, just chewing the fat, you know? So I said, Well, how long have you been parked here? He said about an hour, sir. I said, You mean you've been parked for an hour and nothing has happened? He said No, sir. I said, well hear you get out and hold the place light. Let me in there. Well, I'll never forget my toughest arrest was a bartender big and rough. He says I wasn't a policeman. I didn't look tough enough. But did I bought him out something terrible, right? Then I called his bluff and soldering my kerchief in his face. I said, I've had enough. I'm so mad I could bid. So I said to him, but the authority of my voice, your arrest your rents, and not Thomas was with me for going to the station and the sergeant. She'll certify

09:47

Wait, hold everything. You said three times the sergeant she'll serve. Certainly I said that three times. Now you mean the sergeant He'll serve to you don't know your English. Well, you

09:58

don't know my sergeant. that's got this thick ring guy and said You hired hard man, because I'm a real policeman now. God I

10:12

and that was the fun side of buddy. We're policemen. I don't even know who did that. Actually, I believe it was rainbow to clown that provided that originally to us. Good, man. Good. All

rainbow wherever he may be.

10:30

Wherever sort of like maybe he and Connie are out running about now that would be a pair. Now that would be a pair. Speaking of pairs, she's got Oh, yeah, go ahead.

10:41

bodacious Tata. Let's see. Let's see. Let's see. There is a something serious. I want to touch on. Yes. That I heard on CNN this evening. Okay, go out a gay bar in Atlanta. Called the other side that got bombed. No. Yes. And the thing of it was, it was exactly the same kind of bomb that was used at the Olympic site. Oh, really? Yes. It's that kind of contained bomb with nails in it. Ooh, and the same kind of bomb that was used just recently at a woman's clinic. So you know abortion? Yeah, mess. Yeah, this, this. They're thinking that it might be a serial bomber now. Ha, because they did it at the Olympic thing. There was the rock group on or something right? And then at the women's clinic and now at a gay bar. And that's very hate motivated.

11:43

gusting individual

11:45

five people were hurt. Not seriously, only one is spending the night in the hospital. Good. And the thing that was there was that he had planted a small bomb in the bar and a larger bomb in the parking lot so that when the people poured out, it would get them but that one did not detonate.

12:08

Well now isn't that just clever? Yeah. Yeah. So

12:11

this is this is. This is this is pretty serious. This is a motivated stuff. This is a real sicko out there. A real sick. Yeah. And boy.

12:23

Why did we do this to each other?

12:25

I don't understand. So disgusting. Yes. Why can't people just

12:29

live? Just live? I mean, life's tough enough without adding any more ugly frustration. That's right. You know, we all have enough to deal with without and we asshole running around. Doing whatever. And not

12:42

all of us. Not all of us have the same value systems. Not all of us think alike. Not all of us. Well, thank God because how damn boring. You'd be if we did I know. And why can't we just respect other people just let these people

12:56

be who they are. And just you can? You don't? I mean, you don't have to be around and there's 10 zillion. Trillions. Probably think the same way you do. So go be around them.

13:06

That's right. That's right. However, you think there are lots of other people who think the same way so

13:11

go find them and think with them and do your thing with them with somebody else alone

13:15

either. So either you know, if you're you know, go to Montrose or go to Idaho or you know, wherever, really, you know, however you think, go there

13:24

and then put a big fence around South Dakota incarcerate all these assholes that are setting up to let him live with one another. See if they can have a happy little community. I

13:34

know. I know. And I hate to leave on a note like

13:36

well what a disgusting note to leave the Peter and Connie Lingus show on however note we want to leave it on as well somebody please come and sweep Peter off his

13:48

boy that would take some Oh, but it

13:50

wasn't that bad just because we played that side about the big day I

13:54

would take a street cleaner honey

13:55

oh just play that song about the big pink bonds

13:59

bad bad right? I'm kidding. Scott

14:07

is larger than I

14:08

got Scott Lewis comes in here and you know and always gets me about my

14:11

age. Somebody team that has big thighs underside can't sit in the chair on one side rails on it  
No. Well, we've

14:23

got jobs and we got CDs waiting John

14:26

Bennett VTEs and the Winkies getting ready to do something about Okay. Oh, oh the leather community that I was gonna do. We talk about the night in dark leather. Not yet on Friday the 28th

14:42

Who's doing that one? Well

14:43

done, Gil. Oh, Don Gill, Mr.

14:45

Everything. I know everything. I know that John is going to talk about that. I'm sure he's going to talk about you are John's one of the CO producers.

14:55

Well cool. Then we got that down. We got King club thing down because Kim is on the board. To Stephens house, he can clog it. He's wonderful.

15:03

He's doing doing. Oh and and Nancy board is going to be there at the BRB tomorrow night. And if we only need 100 Other people

15:12

Yeah. 1000 the cast to pile Yeah. So anyway he

15:16

forward is like my favorite lesbian. Well, that's cool. And I ran into her lover this this past week.

Her lover is going to college and Austin and told me an interesting story about she was going to this private college. And she was going there on a full full ride. sports scholarship, right? Well, they discovered her orientation. asked her to leave the college.

15:48

Well, now we met just make great press. Yeah.

15:51

So now she's going to Sam Houston. And I don't I don't know what she's going to if she's going to do anything about this. I mean, because she had the full scholarship. And somebody else and they were like hassling her day and night once it was discovered.

16:08

Wasn't that cute? We all

16:10

and this is Hostin.

16:12

Yeah. Now that that doesn't

16:14

make any sense, whatsoever. She said, that's a small private college and that's

16:21

but every every every gym coach I ever do in the whole wide world, tell me male or female was just a little film.

16:29

Tell me Tell me. Okay, so as in between here between you and John, I want to play a little music.

16:36

Okay, so we'll just say good night, Houston till next month, until next month, we may have to move next month. Oh, come to think of because I've got some guests coming from New York. Oh, well, we want to drag them on the radio and make that really crazy with the world. But anyway, so we will just see you and I will chat. Okay. Okay. And then call we'll do coffee and lunch.

17:00

In the meantime, in the meantime, this is a song for big Roy that. He requested this by Steven classic. Who does? Who seems jazz while we look at this wonderful CD called moods and grooves openly gay jazz player and singer. And this is just for Roy and his guests.

And you know, I have to congratulate Bob out and Chris Patterson and the members of HCC, they work there. It was a success for St. Louis to we had. I think we had a total of 100 566 registered guests. You're involved in Louis? Yes. Yes. Not as much as I probably should be. But it's a lot of work. Yeah, I have to commend those people that that you know, get the schedule together, make sure all the meals are done. I think we also had 80 clubs represented across the country and incredible. We had four foreign countries

19:44

that present right, that's great. I know. I was I was with the switchboard. I am with the switchboard and we did a cocktail party at genties on Saturday. And it turned out to be a wonderful day. It was beautiful. We were It was going to be too cold. But it will turn out to be beautiful if we had it on the patio. Everybody was having a great time.

20:08

Well, from the from the picture there was a lot of people. Oh, yeah, yeah.

20:11

In the map there on the map. This I love the map. I have every issue. Montrose area fried I'm on the I'm on the front and you're on the back. Wait, I'm the one in the

20:27

weight or you're on the top and I'm on the bottom. That's okay. No, but it was it was really a great weekend. It was unbelievable. The cocktail parties were great. Yeah, they were I know, we had our cocktail party on Friday, the night of registration. And I know we went through about six bottles of vodka. And like 30 minutes, yeah,

20:56

we went through four bottles. That's all they would allow us in 13 minutes.

21:02

Oh, I couldn't believe I know how these Leatherman drink. I've been out with him before.

21:05

It was incredible. But everybody was having a good time.

21:09

Oh, they always do. They always do. This has been the fourth Louis I've been involved with and they've always been really great. This show. This past year. I heard that Dean Waldrip really got got it hands down as Cruella Deville I wish I would have been able to see that. I'm gonna have to get the tape of that. So I can watch it. Oh, yes.

21:33

Oh, yes. Before we go any further I have to remind people that you're listening to after hours career radio with attitude on KPFT Houston, and ke O 's College Station. And I'm John and Jimmy.

21:46

And I guess before we go on a little bit further, I'd like to mention, yes, some birthdays that. Yes. If I can find the right page where I can you can hear every single one of these pieces of paper that I'm throwing around. Okay, milestones, we first want to congratulate Steven and Tim they're celebrating their second anniversary together. Oh, and Adrian? Oh, and David in with the Houston area bears are celebrating their birthdays. Happy Birthday goes to Clifford and Glen Webber. You Weber Yes. With the voice is having a birthday. Oh,

22:29

you know, I had heard he was in the hospital recently. I don't know if he's out yet.

22:34

I really am not sure. I

22:35

don't know, either. You know, Glenn, if

22:38

you're still in the hospital, you know, hope you get better and no nine glad you made it as we

miss your articles. So yes. And Ralph and Dwayne are celebrating their 10th anniversary. Oh, I guess that's it for as far as birthdays. Now I know that. Y'all had already talked about Kim clods?

23:00

No, actually, we just we touched on it very briefly.

23:03

Now Ken Claude is a candidate for Mr. Prime choice. And he's he's a past winner. He is Daddy of Montra. Ah, yes. Now, he has anyone if anyone has not, or does not know how Mr. Prime choice works. It's for men over 40. And it's not on what they look like. It's really not based on their fantasies. It's based on how much money that they raise within the time that they register to the time of the contest I say and if anyone is listening right now please go out and support can he is his next event is going to be for Bazi body positive Houston and it's called positively all that. And that's going to be at the BRB tomorrow night at seven o'clock. So everyone bring your money and give it to Ken

23:55

and there's just like hundreds of people I mean, just incredible. We you heard about the here's here's a list of the people. First of all, Nancy Ford. Oh my god, you know, Nevada, Mr. and Miss BRB. God, Travis and Devin.

24:13

Now they were just they were just given those titles weren't Miss camp

24:18

America of honor star. Mr. BRB 1996 Armand po sauce. The Texas cow girls, Chris Graham and company Jerry chiona. Us? Uh huh.

24:36

I don't have that list. So if you didn't say

24:38

hi, Connor, and and more and more,

24:41

he always he always does something spectacular.

24:44

Now they're going to do something a little different here. They've got table seating is available for 10 bucks to see, which ought to be pretty good. I mean, because this is gonna be a long show. Oh, yeah.

24:53

So Oh, yeah. Hey, did you go did you happen to go to Mary's on Sunday after

25:00

no I missed that, and I wanted to because they did over \$2,000.

25:04

They did like 540. In tips that Tiffany Swaggart who is present Miss TLP and Ken clawed, because they were bartending they raised that much money and tips. And then they did an additional like 15 to 1600. In the jewelry. Yes. In the jewelry. Yeah. And I know that's putting that's getting down deal a little bit closer to where they are. That is wonderful.

25:29

That is wonderful. Because of all the horrible stuff that's happened. We're really at the LTL The other thing I wanted to mention, were you at the gentry on Saturday. No, I wasn't they were doing it for as a fundraiser for LBL they were doing skin shots

25:48

from where

25:50

some man's

25:52

Oh, yeah, they were doing those apparatus. Yes. I've seen them do it from the navels but you

know, if you do them from the other, they're actually bigger.

26:01

I can imagine, especially from this one.

26:04

It wasn't I didn't know isn't a didn't get his. Next time get the name next time get the night. Well, I

26:13

thought that was incredible screenshots as a fundraiser. Now I

26:16

was also when I was going through the voice I picked. I noticed there was a little article in here about night and black leather. Yes, it should be. And I would like to of course invite everyone out that is going to start this Friday. It is a two day event this year that's being done, of course by the fabulous Don Gale. Wow. Missing out every day, Mr. Everything Of course now why would he be called that other than the fact that he is absolutely fabulous in every way. Now, this is really exciting for me because I have helped on deal in the past either by performing or helping him put things together in the past three that he's done. And this year, he has asked me to emcee it. Oh, no kidding. Yes, myself and Larry Arbo will be the MCS Eric Yarborough. Yeah. Larry Arbo has been the emcee for a couple of years. Are you nervous about them? Seeing no, I've done it before.

27:10

Are you nervous about working with Larry? No, I've

27:13

done it before. What can I say? I see. I mean,

27:19

his plan was pretty spectacular.

27:21

Oh, Larry is great. Larry is great. Larry is an unbelievable man. Of course, I've gotten all new outfits so I can where I see. But actually, my wardrobe for the evening is going to be donated by leather by boots. And I'll be changing several times. So you need to come out and see it because it's stuff that has not been seen in Houston in about 15 years. No kidding. Yes. Unbelievable stuff. Unbelievable stuff. I hope I could help bottom chaps Wow. Actually, actually, I'm going to be wearing a I'll be wearing a sailor's outfit. There'll be several uniforms. There'll be a new heart harnesses that were made years ago for people in particular. Armen, I don't know if Armand

28:09

puts us

28:10

yes, they passed away. Oh, that one? Yes. Several of the things that were made for him. There are several of the things that were made for a leather man. There were some stuff that I saw Don doubt, man, no kidding. Yes. And they haven't been made in about 10 years. Wow. Well, you know, Boots pulled out for a little while, even though he owned it. And he, he made sure everything was going properly. He did not do a whole lot. Yeah, he left it to the running of his managers, and so on. You know, I can't find this thing about the fact. Yeah, but that's okay. I'll tell you what I can tell you by memory here. We're gonna have Shankar who is a lesbian comedian. She's unbelievably she is unbelievably funny. She is going to be doing a show on Friday that will kick off the weekend. And then she'll be doing a spot during the show on Saturday. And we're going to have Kyle branded in from California he is the current Mr. Drummer. Wow. Oh, if you've seen the picture, he's he's a beautiful man. Yeah, beautiful man. And of course, we're going to have several entertainers throughout the whole evening, titleholders present and past that we'll be performing fantasies and so on. We're also going to be doing always wonderful. Oh, yeah, we're also going to be doing a leather fashion show. Again, this is going to consist of things that haven't been seen in Houston in years. That's pretty exciting. Oh, you know,

29:41

that's I mean, that's worth going just to see

29:43

that. Oh, yeah. I was boots was giving you know, telling me this you're showing me this stuff and saying you need to clean this you need to do that. So I have a lot to I've got a lot of leather I have to clean, but to get it in the show. Unbelievable. Unbelievable stuff. I can't believe It hasn't been shown beforehand before now. Well, but then again, we had to get boots to go get it because it was all stored away.

29:49

30:09

He's he's an incredible guy.

30:11

I also I don't mean to jump ship subject no good. I also heard you talking about the situation in Atlanta.

30:20

Yes. Yes. I caught it on CNN

30:24

truly believe that. Do you know what the bomb was in? No, I didn't it was in a backpack. No. And people were working at PS I get a lot of people asking why don't you allow purses? Why don't you allow hands and all this stuff? And I you know, that's that's that's been a big deal about bars that not allowing that stuff and not allow large purses. See the big reason women are mad? Yeah, it doesn't matter. Banking hacks anything? Yeah. A lot of people will assume that we do it because we don't allow we don't want to allow women in the bar. And not only do we do it because it's a law. Well, it's not really a law. It's a an ordinance that was passed that is up to the individual bar owners about not having bags because of concealed weapon. Yes. Even though you can carry a concealed weapon in Texas. You cannot carry a concealed weapon into a place that serves alcohol. That's exactly

31:23

right. So never firearms and alcohol. No,

31:29

never. Well, I had a customer asked me today about it. And I was like, you know, that's another reason. Even though it wasn't done here. All it takes is for one insane person that's right here about what was done somewhere else for a tattoo. Yeah, to be a copycat. The only thing I can say about that is look at the I don't believe, for instance, the churches that are being burned. The black churches. Yes. I do not believe that. That is a single organization. No, I believe it was probably an area that was having the problem. They advertised it so it started happening everywhere by different people. That may be why they really haven't caught anyone. Yeah.

32:08

Yeah. But this is this could be a serial bomber. And that's, that's really scary. That I think there were only like five people, five people. And only one had to spend the night at the hospital. The other four other four were really,

32:24

you know, I can picture that happening in a bar here in Houston. Any of them that are busy on a Friday and Saturday night? I don't think just five people would have been hurt.

32:33

No, that's right. That's right. At all. You're absolutely right.

32:38

You have a guest Yes, I do. This is do you want to be called Margo grace. This is Margot grace. And she is the lady that is handling. Miss Gulf Coast leather.

32:51

Well, Mark. It's been a long time since Martha was on the show. But you know, we're all match. Oh, yes.

32:57

I thought I knew everybody knew or

33:00

what can I say? I've been? I've been drafted into graduate school again.

33:06

Oh, my God. She had surgery on her feet. She had been units removed. Oh,

33:11

actually, I like that. That sounds so. Bunion ads. Yeah. So they're the smaller version was

33:17

talking about possibly, prevention of bombings and such.

33:24

Oh, okay. Do we want to continue the bombing thing for just a little bit? Sure. Color. That's fine.

33:35

Excuse us. Will we hit all the right buttons here?

33:38

Hold on caller Hey, Roy.

33:40

Hey, how you doing? All right. I just want to say what people can do to prevent something like this from happening and why should

33:48

know I was in the security business. I've been in it all my life. In fact, he spent some time in Atlanta.

33:54

That's right. And in fact, I was gone for a couple of weeks on the show for at any rate, what you need to do is whether it's at a club or at an office building or something like that, or at an abortion clinic. Keep your eye open for bags, Parcells, briefcases, any kind of a satchel that is left behind by someone who walks out the door. That is probably one of your biggest giveaways.

34:29

Wouldn't you suggest Roy that it would probably be a good idea in most situations as far as bars go, that the doorman or the club owners just not allow them in?

34:39

Definitely, definitely not allow them in and not allow them to be stored outside either.

34:45

*But see, I also think I also think in a situation like that it would probably be good if they're not*

But see, I also think I also think in a situation like that it would probably be good if they're not going to allow him in because we do have a lot of women that that patron PS for, for example, and Jr's and so on that day put something in there as to let the women know, or the man carry purses, not to bring them in. But to keep their IDs on him. Because I know that if I, you know, especially with the parking situation in this area, if I parked my car five blocks away, oh, I had my little purse with me that it would, I don't know how happy I'd be if I'd have to turn around and walk those five blocks to put it out.

35:24

Well, I want to say this too, though, to help prevent gay bashing and stuff. A lot of people like to park in the darker areas as much as possible Park in well lighted areas. Just because gay bashes like to operate in the dark and they can just like any other bathroom. Well, just like any other crooks,

35:49

we've got to understand that anybody who is going to violate you in any way is going to do it in a situation where they have more control. Right. And that's, that's going to be where you're not very familiar with your surroundings. And usually it's going to happen on a dark street. Right. And another good thing is never, never be alone. Always try to travel in groups. Absolutely. I mean, that's not a failsafe way. Because if you've got somebody running at you with a baseball bat, it's not gonna matter if there's five of you.

36:19

Well, Paul Broussard was with a group of us I was with a group, but it's still better to be with a group than to be alone. You bet. And I wanted to point that out. And like you said, though, there's a danger of these copycats trying to copycat. What's happening out in Atlanta? Those were pipe bombs with nails. That's right. Yeah. Yeah.

36:46

I just don't understand. I don't I'm sorry. I don't. I don't understand that.

36:50

Okay. Thanks, Ryan. Take care, baby. See you next week. Next. Definitely. I'll be there. Especially buddy's gonna be there. That's right. You know it.

36:58

I was sure. Come on on day when I'm not working. I'll remember that. Roy.

37:08

Are you? Okay, bye bye. Because I think you know, something I heard from someone a while back ago was, you know, a big it's a big no, that's right. It doesn't matter if they're if they're going after blacks or if they're going after Asians or if they're going after guys. A big it's a big hit. And that's subject to watch for.

37:29

Okay, John, your knights and black leather.

37:32

Yeah, I've got it right here right here on the veneration. Yeah, the beneficiary this year is going to be the co 45. Of course, it says the Masters of Ceremonies will be Mr. Larry our bow with that was Mr. Gulf Coast drummer 99 D and myself. Better 80s. I was Mr. Gulf Coast drummer 1995. Don Gill has put a lot of effort into this. And I know that because he has not failed to call me and tell me to do so.

38:01

You haven't mentioned the absolutely gorgeous woman. That's Oh,

38:03

yes. I have Shankara. Oh, yes. And people have to come out and see her on Friday. It's an unbelievable show that she does. And she told me that she has all new material, which I can't wait to hear because I know that I'm probably the inspiration for several parts of it. That's Friday, February 28. Yes, the venture and if you go to that you have to turn around and come back on the first Oh, yeah. Just Saturday, the first for the actual show for night and black leather. And we'll have some unbelievable performances. Kyle Brandon has brought a videotape of the fantasy that he performed at drummer. Okay. And we're going to be playing that he is also bartending Friday night at the ripcord and donating all of his tips. Wow. Lady, I think to the lady victoria last. Not that he's probably doing it to the coat. 40 fives I'm not sure if he's doing it to the Senate van or not.

39:02

Mr. Gulf Coast drummer Don woods.

39:04

Yes, Don Woods will be performing. We'll also have Tiffany Swaggart. We will have Texas LP Yes.

...

39:12

Who is who is in the running? Oh, yes. Gulf Coast leather. Oh,

39:17

cool. So if you have a list, we'll have to go over that too. Of course, they will also have the current Mr. Texas drummer Doug Decker will be performing in the show. We'll have a Regina Dang. Oh,

39:30

yes. Oh, she is just she is probably what? I don't know. I have my favorite drag queens I think is Regina Dane and Shelby St. John. Oh, yeah, I you know, these are professionals. You're

39:46

talking about drag queens. And did you happen to see the Oprah show with Tina Turner? No. Well, I saw it and you will. Hot chocolate was right on the front. He was at a drag. He was Larry but Oh, that's great. He was right up there and The front I thought he should have gone in drag. I thought you know, girl I think he's seen you

40:05

know now I have to ask you this talking about drag. Did you happen to see an LA show?

40:13

Yes, I mentioned it already. Yes. Dean, Dean Waldrip as Cruella Deville No. Yes. Yes. And he sang this song. He sang the song. That bitches back. Ah,

40:25

and I think the only reason that he did it recently is because he doesn't live here anymore. He shaved his face. No, okay. No, no, no, no, no.

40:38

They had advertised he was gonna do that they could have raised \$5.

40:43

Now of course, the question is, did you get your Bob pin?

40:46

I did. I got my Bob 10 They were

40:50

I did a wrapping. Well, you see the switchboard had leis and we only had 40 after men. So they were in great to man.

41:01

So you did a wrapping? Yes. Well, you know,

41:05

what did you wrap? A person and what did you wrap it with? It's okay, I understand. As long as it would attempt to put a pin through this.

41:20

I actually got I have to say this. I actually got from the Houston area bears. I got a real pinning. Because most of the time when when you know when I get pinned by by men's clubs, they kind of look at me funny and go here have the pin.

41:36

Girl I'd get on my knees and I'd put it where it needed to be. That was that would be it.

41:41

No. I mean, I got the look and everything.

41:43

Wow. That's pretty impressive.

41:48

You mean what was it about one of those little guys running around in a tutu?

41:52

No, it was it was by no that that was the renegade Oh, or no, no. I thought that was the bear. No, that wasn't the bears. That was not the guys were the cows. Yes. It was not the fire dancers. The guys were the cows. I think it was not the Renegades wasn't Sundance. No, it was Sundance. No, it wasn't Sundance. I don't know, but it wasn't.

42:12

I didn't care. He felt me up. That was enough. They were

42:15

they were running around getting underwear, checking for underwear and cutting.

42:20

No, you can't wear came to me and asked me do you have underwear on? I was like, Do you want to check? Go ahead.

42:26

They never got they never got to daddy. I kept telling him that daddy always wears underwear but they never got to him. I think he scared them off.

42:34

They probably thought No. Maybe I shouldn't ask. But yeah
