JD Doyle, Jimmy Carper

J Jimmy Carper 00:01

I was really amazed that at some of the other talent that we have in Texas, the Fort Worth group I thought was really

♂ 00:09

Oh, yeah, we were, we're pleasantly surprised.

J Jimmy Carper 00:13

They were really, really wonderful surprise. So they have lots of talent and they got it together. And you know, those three songs by Hey, they do.

♂ 00:28

They haven't been together for even 10 years. Yeah,

♂ 00:30

no, it's they're one of the ones they're probably less than five. Around five around five guide. They are the newest, Gay Men's course. Wow, Texas. Yeah, yeah, that would be true. Yeah. Cuz Austin has been around for a while. But working with Austin,

J Jimmy Carper 00:48

from Dallas was really good to kind of Yeah, it kind of made me kind of bemoan the fact that heart song isn't together anymore Yeah So if there are any women out there who do sing

heart song isn't together anymore. Yeah, so if there are any women out there who do sing, Kumbaya, please get your song. Yes, yes,

01:06

no, believe me, we know what it's how much energy it takes to get any kind of an organization, whether it's a musical performing arts, or whether it's an archives, to just maintain the momentum, it takes money, it takes time, it's a lot of sweat.

01:23

It takes a lot of people and some people are only going to be interested in one organization, some people are gonna be interested in a lot of different organizations, and they're gonna spread themselves thin. But anytime you have a new organization come into town or an organization changes, then that's always a chance for growth for all the people in the community, because there may be something there for them.

01:44

Yeah, if you only do one thing in an organization, that's immense, an immense effort, that they there's something that got done in that organization, and something that possibly would wouldn't have to be put off, and maybe they'd have to raise money to do it. Then do you have the pride of knowing that you did something for yesterday? Charity?

02:06

Yeah. I mean, the one thing that I think is always gotten to me over the years is just kind of watching so many people just sit at home men and women sitting at home, and they never do anything outside of let's watch TV. Yeah. may rent a few porn videos, something like that. There's so many organizations. Oh, yeah. You know.

Jimmy Carper 02:29

Bobby's here also laughing Yes, he's, he's rented those videos.

02:35

You probably saw Oh, yeah. But there's so many organizations out there, where if you're not comfortable being having your name in bright lights or anything, you're not comfortable being up on stage under the banner with the G word on it. There's the pride band, if you play musical instrument, or the archives over here could use all kinds of help. It was a schoolteacher, if you're a school teacher,

J Jimmy Carper 03:01

always the gay and lesbian switchboard.

♂ 03:04

Yes. There's all kinds of computer nerd groups, all kinds of wonderful little organizations that you could associate yourself with, and just get out of the house and do something. Yeah, that's right.

♂ 03:17

I mean, we have a member of his use of the of the archives already, that I think will be a very influential member of the organization. I've never known this man to belong to any other organization in town. He is very infamous in in his own right. I think as far as I'm concerned, I know who he is where you're concerned. Mr. Carper? Yeah. Oh, but at the same time, he doesn't want his name associated with the organization. So we simply refer to him as Stan Jimmy's lover. That's how we win when Raul is called. That's how roll is called. Yes. And that's how his name is recorded in the minutes because he's not comfortable being out and being attached to the organization. But he feels it's important that that he be there and the

J Jimmy Carper 04:07

poor guy, he's married to the big, professional fag, you know.

♂ 04:14

went you know, it's all a process of coming out to we've seen some of our own members go from. I don't want I'd want to be out there that much too. Yeah, no problem flying them all over.

♂ 04:27

That's a whole different aspect of the course and most people don't realize, and it's what we do kind of as a service to the community to is because we deal with a lot of different people from within the community. And a lot of people who move here from a foreign country just to come out, but we also deal with people who live in Brenham that want to come out

♂ 04:48

all kinds of horrible places Pasadena.

J Jimmy Carper 04:52

For a family we

04:54

create a network sure that they can meet gay people. Be Because I guess our community has gotten too focused on raising money for one cause and saying that you have to be sick before we care for you. Yes, yes. And that this is a good issue of the archives. There are so many organizations out there that need volunteers. But the ones that are getting the volunteers are the ones raising money for illness, but their other organizations need your help,

J Jimmy Carper 05:26

too. We have a whole new generation of queer folk out there who want to do things. And they, they, they're probably weary of the AIDS organizations. I know I am. And I'm a person with AIDS. And so you know, this is a chance it's time to do other things in the community, we need other things being done,

05:48

it's time to take our lives back and move forward. Back.

05:51

Yeah, even as a person with AIDS, you want places to go and things to do and be gay, that you don't just have to have AIDS to do it.

J Jimmy Carper 06:00

Exactly. Exactly. And, you know, I've seen so many, as we all have seen so many friends die. And I think that's that was my impetus. And getting involved with the Gulf Coast archives and museum is that there is a whole generation of gay men gone, and probably nearly all of that history. So let's not waste any more time.

06:25

Yeah, exactly. Exactly. And there's, there's lots of ways you know, we can address history, there's lots of ways we can do all kinds of things in the community. I know one of the things we want to do one of the things we've talked about as having a historical walking tour within the city, oh, just within the Montrose area, something that would maybe take an hour or two. But most of us on the committee don't have all the nitty gritty details of well, this happened in this spot on this year. At this time. How

J Jimmy Carper 06:53

many people know that one of the first bookstores if not the first gay and lesbian bookstore in this town was located where the police substation is right now.

07:05

Oh, cool. All right. Yeah, that's nice. Yeah. So you know, one of the things that you can do if you know of something that happened, say, in the Montrose area, you know, where a building used to be, that's not today, email us, and let us know about it. gc am@gmail.com.

J Jimmy Carper 07:21

Cool. That's easy. That's easy. You know, if

07:24

you want more information about the club, about the organization, he may list telephone us, you know, whatever, find our web page, any of those, you know, we'll get you information. And we would love to, you know, have any input you can give us

07:41

NYC, you got some flyers here to get these around town.

07:44

Hopefully, we'll be getting them out. Um, we're in the these things are really hot off the press. They've already gotten problems as we can tell. So I've got changes to make before they actually go to the printer tomorrow. We've got them speaking to the Chamber of Commerce Monday night, yeah. To let them know about us. And I talked about the archive anywhere and everywhere I go. If you would like someone to come speak to your organization, email us or telephone us and let us know. And we'll definitely get that on the calendar. There aren't a lot of us at this point. But we're trying to, we're trying to work on that situation as well. And we can always use people that can go out and sell the group to other groups as well. Okay. Sounds good. GCA m@gmail.com.

J Jimmy Carper 08:35

That's it. If you don't think KPFT reaches a lot of people, the season tickets for the Gay Men's Chorus was won by a faithful listener from plantersville. Cool, right. All right. So we'll be sending those out. We'll be sending those out to him, right? Yeah, yeah. Okay.

08:55

Yeah. We'll just need the address. Right here. Good. Very good. You're so good.

J Jimmy Carper 09:01

Yeah, it was. It was big, Roy.

09:03

 JD Doyle 19:18

Yeah, I'd like to ready for another set. Yeah, a few are next as a lesbian sets.

 Jimmy Carper 19:25

Well certainly is. And some some old stuff from 77 and some newer stuff from 98. We're going

 JD Doyle 19:31

to start out with a su think singing leaping lesbians and their surprise in the middle, followed by a wonderful, lesbian, acapella group. They're called di cappella, huh? They are excellent.

 Jimmy Carper 19:43

Okay, let's go with it

 19:58

would you like to vote Have to get arrested. I believe what a lesbian yes I do. There's these two pretty lady that live down the block that greenhouse with three dogs in the yard. And I asked them why there's no daddy at their house. So they said it's because they must be. They told me it. Yes. And I've seen them kiss each other goodbye on their porch yesterday. I would ask mother if she knew what a lesbian was. She said she didn't know. So I told her. She knows now. I think I will change by April either they add to lesbian or fake it sounds cute. Is that true?

 JD Doyle 20:45

Okay, let's talk about that. That was a die cappella. Fortunately, the first song was not the song I announced that we heard instead rhythm method doing a wonderful, I guess parody of I met her on

 Jimmy Carper 20:57

Yeah, yes. Isn't that I love that song. You're, we were going to do leaping lesbians from lesbian concentrator. Yes. Yeah, yeah.

J

JD Doyle 21:08

We've done that before on. Yes, I've heard it. We've heard but we heard rhythm method instead. Yeah.

J

Jimmy Carper 21:13

Great group. And then that wonderful thing in the middle.

J

JD Doyle 21:17

I got that from you. Yes. Can on on lesbians. I guess that's probably came from laughing I'm

J

Jimmy Carper 21:26

Yeah. When she was doing the thing in the chair. Right. Yeah, right. Yeah.

J

JD Doyle 21:29

So I thought that in the middle. Yeah. That

J

Jimmy Carper 21:32

really do like that. And this last group boy, are they talented?

J

JD Doyle 21:37

The CD? By di Capella is excellent. Lots of lots of umur lots of very good voices. Yeah, harmony. A couple of naughty things. Good. It's a neat CD.

J

Jimmy Carper 21:50

I'm hoping they do a Christmas version. Hmm. Wouldn't it be nice if I was thinking about that today because I forget who it was. I'm not even going to attempt to say who it was told me that they're putting out an EP for Christmas. Like three, three Christmas songs.

◊

22:13

Someone Someone

J Jimmy Carper 22:14

and and I wrote back saying yes, please send me some I'm always looking for new gay Christmas. Exactly. You know, because here was where Paul's big year? Yeah, yeah. But you know, it's nice to have more than just one new artists that Christmas. I know everybody likes Venus envy and all of that kind of stuff. But Indiegogo boy Yes. But you know, it's played year after year after year. Anyway, that was good lesbian music. And di Cappella Do you know if that's available in Houston?

J JD Doyle 22:43

I've not seen it I got it off the internet. Oh, okay. So he was doing a search on out of his to undertake Cappella

J Jimmy Carper 22:53

Well, hey, and a lot some of this music is available though. Lobo I've noticed

J JD Doyle 23:02

the newer stuff. Some of this obviously is stuff from the 70s and you're not gonna know me find anywhere

J Jimmy Carper 23:08

you're not you're just unless you go to thrift store and find somebody else's thrown away stuff. Or sometimes like you said on the internet you can find stuff

J JD Doyle 23:20

very well on the internet just you do excellently sometimes I go search engine and do search on game music and see what surprises are are

J Jimmy Carper 23:32

what do we have coming up next, or do we not? Let's talk

J JD Doyle 23:36

about it after we hear it. Oh, okay, surprise.

J Jimmy Carper 23:40

You're listening to after hours queer radio with attitude on KPFT Houston and ke O 's College Station on Jimmy Carper JD is here and we're doing gay music. It's the fifth Saturday of the month and we're really doing gay music this time because JD is holding my feet to the fire. And right now we're going to another set of all the music that JD has brought brought.

24:19

If loneliness drives some girls to prostitution, it drives some men in another direction. The history of homosexuality is as long as the history of man from the glory that once was Greece to the decadence that destroyed Rome. homosexuality has been both despised and idle. Alexander the Great, Julius Caesar, Frederick the Great, Leonardo da Vinci, and Michelangelo. But some of the names that any homosexual will point to as examples of virility ended up sense of his way of life

25:08

though nothing new, homosexuality is having an upsurge since the war. Whether it is an actual increase or merely an increased public acceptance is a point to be the magazine's society. An organization for homosexuals, claims that one male out of six is homosexual. Homosexuals no longer hide in shadows giving secret signals of recognition to each other. But rather they have joined together into groups or clubs in an attempt to seek freedom and acceptability for their type of sexual inclinations. They can be found in all walks of life and on any street in this lonely world, forever searching for whatever it is that drives them.

26:25

Dearly beloved, we are gathered here in the sight of God, and in the presence of these witnesses are joined together, Peter Sanford, and Barry Johnson in Holy mackerel. Which is an honorable state.

26:41

Doesn't theater look simply stunning? You know what they say about Brian's? No, of course Peter made that gown himself. Oh, I know. He is also with unbelievable. Berries are lucky. He certainly is Peter going to continue working with the magazine of course, made that quite clear. It's not just for your homemaker. Jobs. The feeders first of all, I know Harold just wouldn't allow him to be her. decided to get married so they had to

27:15

any man can show just cause why Peter and Barry may not lawfully be joined together. Let him now speak or else hereafter forever old his peak.

27:27

Reverend Perry. I have a reason to know. This mother. Now look, I am the father of the bride. I mean, Peters father. I hate to have to do this. But I tried to reason with Peter before it got to this point. Now I'm no dummy. And I'm not a stick in the mud. I read the articles about this kind of marriage. I know the percentages and the statistics. Other ways. I love Barry. I'm sure you do Peter. I'm sure he's a nice enough guy and I've got nothing against him personally, but darn it, Peter. These black white marriages just don't work.

J Jimmy Carper 28:11

Oh, okay.

J JD Doyle 28:13

That first one was a very strange it's from an album from 1968 1968 teenage rebellion. It was different people talking, doing like voiceovers over musics on different subjects. A lot of them were drug related. Remember, this was late 60s. Oh, yeah. This was early track dealing with gay and it wasn't really anti gay. It was just kind of like a documentary type style. The the artists on that one was bark topper, but his name was even hard to spot on the album. Art topper. Yep. Wonderful voice though. Yeah. That was followed by Sandy Baron from one of his comedy albums. Oh, and then that was their little wedding skit.

J Jimmy Carper 28:58

And from the 60s to Yeah, that

J JD Doyle 29:00

was late 60s about 60 at all. So he's the queen of Fire Island. No, that was Sandy Baron. Oh, we didn't hear the queen.

J Jimmy Carper 29:11

Sorry. I'm sorry. I'm sorry.

J JD Doyle 29:13

We skipped instead to a strange guy in a bocce. Brian doing parodies. This one was a parody of kind of a drag. This was kind of a

J Jimmy Carper 29:22

fan. I like that. And that's relativly new. Yeah. that's

J

JD Doyle 29:26

from 96 It's a strange he does some parodies of Michael Jackson. Things like that. It's interesting. Okay. Okay.

J

Jimmy Carper 29:37

I like that. I'm coming up next will be something very brand new.

J

JD Doyle 29:44

I got it just this week.

J

Jimmy Carper 29:44

Ah, so I don't even have it. It's not available yet folks, except on the internet. And it's that great group that you've heard here, the Kinsey six,

J

JD Doyle 29:56

and that's si si que es appropriate

J

Jimmy Carper 29:59

prime appropriately Yes. For drag queens who really have good voices?

J

JD Doyle 30:05

Indeed, yeah, their second release.

J

Jimmy Carper 30:09

And we're going to hear,

J

JD Doyle 30:11

I will swallow him. You recognize the tune, not the words.

J Jimmy Carper 30:18

And followed by

J JD Doyle 30:21

GAE Surat Surat. You're hearing it all on after hours or the first time in Houston.

J Jimmy Carper 30:27

That's right the first time in Houston anywhere. You're hearing it right here on KPFT Houston and ke O 's College Station.

♂ 30:38

I will swallow heavy

J JD Doyle 30:46

Thank you.

J Jimmy Carper 30:49

They always come through. I can't wait to get my hands on the CD. There's some great stuff on here

J JD Doyle 31:00

is where the boys are on there?

J Jimmy Carper 31:02

Where the boys are? Yes. So long for an answering machine Titanic Why does saline go on? And anal warts a sing along? That ought to be fun. I hope that they get to play somewhere in text. Oh,

J JD Doyle 31:30

I love to see that.

J Jimmy Carper 31:31

I will. I will even go to Dallas to Sam.

J JD Doyle 31:36

So far, I think they've just done you know, California shows.

J Jimmy Carper 31:41

Oh, and so the stuff that we heard before that was

J JD Doyle 31:47

where we finished with Boca Brian. That was the end of that last Okay.

J Jimmy Carper 31:51

Okay. Okay. And let's see. Let's throw a little something else in here. Get mail? Oh, yeah. Do you know if it wasn't for eat for and yet? I don't think I could do the show anymore. To tell you the truth. You've heard me talk about Donna Garrett.

J JD Doyle 32:16

Oh, yeah. She was at the Empower 99 Oh,

J Jimmy Carper 32:19

yeah, she is great. Not only is she a great writer, but she's a great performer of her own work. I've heard so many other poets just kind of breeze through their work, but she takes it slow and easy and gives it all meaning. She has her very own website now. Check it out. It's HTTP dot slash slash members.aol.com/d 5001. Let me give you that again. Please don't because I know it's probably confusing. Okay. Okay, it's http colon slash slash. Members. dot h o l.com/d 5001.

J JD Doyle 33:12

That was better. That was that was

J Jimmy Carper 33:13

better. Okay, good. She prompt she may. I don't know how but she may have a few copies of her. Her book available. And it's it's truly wonderful. It's a short read. But I mean, she says a lot and few words. And she says it very well. Yes. Okay, and coming up. Let's see. Let's go to

and new words. And she says it very well. Yes. Okay, and coming up. Let's see. Let's go to another.

J JD Doyle 33:46

Let's read this play and see what happens. Okay.

J Jimmy Carper 33:49

Not a problem here

J JD Doyle 33:59

Yes, both girlfriends and boyfriends are back.

J Jimmy Carper 34:03

Oh, that was a good set. I liked that one that

J JD Doyle 34:05

started off with a Joan Collins fan club.

J Jimmy Carper 34:10

But that is just kind of London sound.

J JD Doyle 34:13

real person behind them. Julian Clary. Ah, he's a UK comedian. Very good. He's got a couple of videos out. very campy, he's gay. Oh, yes. Oh, yes. Indeed. The followed that with the BJs doing my boyfriend's back from 86. Yeah, can I wish I had to give equal time to the fabulous Dichtung Oh, yeah. My girlfriend's back from 88 live in P town.

J Jimmy Carper 34:38

Yes. That's

J JD Doyle 34:39

a real neat. cassette. They do a lot of cover versions in twist those pronouns.

J

Jimmy Carper 34:45

Ah, that's what we'd like to hear. That's what we like to hear. I can remember back in the days when we didn't have this kind of music indeed. Or we didn't have it available. The early days of after hours. Were just about the time of all of these songs we just didn't know about them here in Houston. He it's hard to know about them. Yeah, it's work. I know you do really. Every time I have something that you haven't heard, I think it's a big good. Just about but but honestly, I back in 88 and 89 I always thought it was a big deal if any performer sang a song that was gender. nonspecific.

There wasn't much of it. You know, there's Tom Robinson, but you know,

J

Jimmy Carper 35:34

I look up straight artists, if they did some gender nonspecific stuff, and and now we've come a long way, because it's like, I want them same sex pronouns

in all kinds of styles. Country r&b.

Yeah, choral gospel, cabaret,

J

Jimmy Carper 35:56

man, you're right. In addition to all the classic and all that other stuff, gosh, we really, you know, I don't know that anybody who isn't filthy rich. could really own all of the gay and lesbian, bisexual and transgendered music.

J

JD Doyle 36:16

Oh, he's just to find it. Yeah.

J

Jimmy Carper 36:19

Yeah. Yeah. Because you don't go to sound waves and look in the gay section. No, you have to know the artists

J

JD Doyle 36:27

warehouse does have a gay section. But it's dance music. And I don't consider that in the same genre at all. Well, no,

J

Jimmy Carper 36:34

not really. It's a whole different thing. Dance

J

JD Doyle 36:36

music is music. You might hear it a gay club, but it's not saying about it.

J

Jimmy Carper 36:41

That's that's the way I look at it. But then again, you got to Lobos and more than 50% in the is all dance compilation.

J

JD Doyle 36:47

I guess it must sell it myself. Keep putting it back in those racks. Yeah.

J

Jimmy Carper 36:51

And then, you know, there are artists like Charlie Pacheco, which I try valiantly to push and you know, he gets to sell three or four CDs during CD is there. Yeah, still? Yeah. Yeah. There's a lot of artists are Representative

J

JD Doyle 37:09
