20 9pm Oh, we're having fun here in the KPFT studios tonight. That was Tory fix from his brand new CD, mocha sutra. And it's a very, very good one. Gosh, I've got his first one. And this one I like a whole lot better a whole lot better. And then the first one was pretty good. Yeah. You can get this at WWW dot Torre fix.com. That's t o r i, f I X X. He's got that. And he's got there's about two or three others that I'm going to be playing on the air. And I like a whole lot more.

00:45

I think that's interesting that the game music, you know, gay artists are, are into every every state. I mean, we're everywhere. We're everywhere. I mean, we're literally now. I mean, who would have thought? That is? Yeah, yeah.

01:01

Oh, yeah. And very good to you know. From my point of view, it started out with rainbow flavor. And I've played their music here quite a bit. In fact, I'm going to be playing some later on. Before that. I play mark and Dean from their CD man of my dreams, the title cut. And I don't know where you can get this. I got it on the internet. That sounds getting somebody's getting so much. Yeah. First to the opening. When we opened up. I didn't talk about the first two songs I played right at midnight, like an hour ago. So all the faithful ones there. Yeah, that last one was Steve Cohen from his brand new CD called I must have been crazy. And the song was called rain may fall. I like that because it's talking about, he's talking about a guy that from Texas. And so there's Texas references in there a lot. And so that kind of caught my ear. And the very first song I played was requested last week by a listener and I really really like it. It's from a group called duality. And it's from their CD 2000 called stand up. And duality has their own website also. And it is I don't have it here yet. No, www duality. music.com d u a l i t y music or anything? yeah.com I know every Yeah, everybody's got a website. Well, you know, a lot of these artists are also on mp3. You know, if you remember the artists name, you might catch them on mp3 Also, because a lot of them are putting their music there and they're selling more than they ever would. anywhere else. Because they you know that yeah, they're reaching everybody under the sun. Yeah. You are listening to after hours queer radio with attitude. On KPFT Houston and ke O 's College Station. We're gonna be playing some music that the schedule for this month is kind of reversed. Normally about Yeah, normally we've, we do. Since

we got five Saturdays in this month we do a music program. On the fifth Saturday. JD Are you listening? JD Doyle is the one who usually put some music together. But we've had some changes here. And normally. Gigi does the bisexual segment this on the first Saturday and he couldn't make it. So we're putting him on the fifth Saturday on the second half. And Chris and Jason usually do their show on the second half of this show. But Jason's in the hospital

04:06

otherwise occupied so

04:10

and here's Chris to

04:11

flat on his back and not having any fun.

04:14

Actually what Jason's getting his plumbing rework so next month will be a whole new woman.

04:18

Oh my but actually with Jason I being here we have a topic tonight we're going to be talking about politics.

04:24

We are Yeah, okay. It's a mute Assamese and some music.

04:28

We're gonna be looking at it from the Generation X perspective.

04:32

Oh, well then there's going to be just one person talking well.

04:39

Jimmy, we consider you Generation X. Hey

04:48

watch, watch it with those Roman numerals. Yeah.

04:52

You can take up several chairs that we will pretend we're having a large forum here because you're a teenager. Yeah, twice. Your sounds over

05:03

two and a half times over.

05:07

And you're like, Did you never get home?

05:09

I just liked Clark.

05:11

Are you kidding? The last time I saw me? Let me tell you he's not looking as

05:15

young as he is. Oh, he's he's finally falling apart how those stitches are coming loose. He was not looking well. He quit using that makeup, I guess. Well, let's get back to the music because I've got a lot of it I want to play and there's all sorts of great queer music in this world. And I like to get in as much as I can. And you know, the motto of this show. If you hear anything on this show, you assume it's by a queer artist will tell you if they're straight. Assume they are queer.

05:49

And next, telling somebody that earlier today,

05:52

that's right. That's, that's how I do it. And next, something from a woman who was here in the studios just a few weeks ago, horse Wasn't she fantastic? Oh, God. I am. I'm still getting emails about that, that show that segment. It was so good. I mean, yeah, and she sang live here. Thank

06:19

you. I mean, just she's got

06:21

a brand new album out called horse with the Scottish Chamber Orchestra. It's called both sides. And God where's that? I don't have that information here either. She is I don't have a website here.

06:41

www dot random dot something.

06:46

Here it is. Yes. Yes. Yes. wq cubed. Horse dash arann dand. r a n d a n. Yeah, it's a word for something in Scottish and that she could we couldn't even get under we can even translate it. So random, ra n d a n.

07:10

I'll look it up this way. You're gonna look it up. Get the definition. Great. And return with it next.

07:15

Okay, we're gonna find out next week what random n means. Okay. Okay. And this is from her album. And it's a it's a cover tune. And I think she does a beautiful job of it. And it's a beautiful song. The Look of Love by horse right here on KPFT Houston and ke O 's College Station. I'm Veronica Klaus from her album, All I want and if you listened to JD Doyle's queer music heritage this past Monday night, which he does it every fourth Monday on lesbian and gay voices. Now let's meet in gay voices is every Monday night, eight to 10 and he does the queer queer music. News. Keratin. Ouch. Nine o'clock, nine o'clock. It's an hour long. He did the whole hour on transgendered music. And he played Veronica class because she is a transgendered woman. He played Black Diamond days off of the same CD. That the blind hearts and knowing glance is the

one I played. And that's my favorite. And it's beautiful. It's a beautiful album, the whole thing. You can get in touch with her at W cubed. Veronica klause.com. That's VRONICAK L A U S one. word.com. She's out of San Francisco.

08:57

Got a picture on the cover?

08:58

Yeah, yeah. It's beautiful. Hello. Yeah. In fact, I had the CD a couple of months before I knew she was transgendered.

09:07

doing that. Yeah, it's just Sex Kitten.

09:10

It's beautiful. There's beautiful. Before that. We had some crazy, Houston's favorite Scottish group from their last album private wars, which is very, very jazzy. And that was called fall until you fly. I think that's a really good message. And for us Raizy fans, that's ZR a zy. She's, they're coming to Houston. They usually make it twice a year. They do a women's festival in music festival in the spring. And they're gonna be here on October 5 at the mucky duck. When he for 25 Northfolk love the monkey. Yeah, that's a great little place. That fabulous music.

09:57

Fabulous. One heck Have a St. Patrick's Day. Oh, well,

10:03

they do over there. Yeah. Ooh. So mark that dams. Raizy October 5, at the mucky duck and of course started that out with horse. You are listening to after hours square radio with attitude on KPFT Houston and ke O 's College Station. Let's see a couple of things here. I wanted to talk about if I have them handy. Oh, oh, I'm a premiere. The film version of Margaret shows. Live concert. I'm the one that I want. It's now a movie. And it's we've got a pass. For Tuesday, September the fifth at 730. At the landmark River Oaks theater. Tuesday, September the fifth, you must come to the station and pick them up. You don't need to call just come to the station and pick them up. They'll be here we've got a large stack of them. They'll be in the after hours mailbox. Just do I don't have time to I can't possibly mail them out. Yeah. So I'm the one that I want. That Margaret show.

11:13

That's that's that sounds like a very sort of one of those affirmation kind

11:17

of Yeah, considering some of the stuff she's been through over

11:22

the land. No kidding. No kidding. Landmark River Oaks, theaters giving giving up these passes. So we've got that. What else do I have? Oh, I want to mention that. On the fifth Saturday of this month, the first half, we're going to have a phone interview with Woody Miller. And some of you may say who the hell is winning Miller. And I see hands racing there in the peanut gallery. If you've ever read the clips, there's a column in there called need wood. Oh, and it's done by Woody Miller. He's going to be calling in and we're going to take your sex questions on the air. You know how to keep an erection and what to do with it.

12:15

Subject the peanut gallery doesn't

12:17

know anything about.

12:20

Well, you know, people have questions. Now I want to remind everybody that Woody is not a doctor, and he is not giving out medical advice. He's giving out other advice. You know, it's kind of a yes, specialty and landers thing go in there. And lenders

12:39

with

12:42

lots of lots of it. Oh, and the court the court is always doing something every weekend. And this time. Let's see. The benefit will be at the outpost on Friday, September the eighth. There's a benefit for the court. And they're going to have a jukebox show which is kind of fun. They kind of like put a random song on the jukebox. And the performer must do it. Oh, so that can be kind of fun. That could be cute. Yes, yes. And it's to raise money for the caregivers wall. Just come

with lots of money to tip the performers. And it's gonna be a whole lot of fun over at the outpost and that's our fun bar from the Locanda neighborhood bar. Right there. It's the 1400 1500 block of Richmond is a strip shopping center there. Yeah, it's really kind of nice. So let's go to a little more rockin stuff that was kind of that set that I played was kind of laid back and jazzy and laid back but I've got some rock some rock by a great called beloved toys. That this is a group that Joan Devlin queued me in on Joan Devlin can be heard every Monday night on lesbian and gay voices right here on KPFT Mondays eight to 10 and this is I gave this a listen read listen, you know I've heard it and you know you Okay, so I listened to it again tonight and I thought hey, you know, there's some good stuff here. This is a I liked this little song. It's kind of a rockin sweet heart song by the love toys. It's called Sweet thang, and you're hearing it on after hours career radio with attitude. And this is our 13th birthday on KPFT Houston and ke o s college state.
