G

Gigi 01:43

although while she kind of does both like me. Yeah. But anyway, very androgynous both she's gonna do a review on it. Oh, okay. What is it? It's a vagina. Monologues, Vagina Monologues. Oh, yes. It is so cool. Well, I

J

Jimmy Carper 01:59

knew those things where I knew those things could do a lot of things but I didn't know they could talk.

G

Gigi 02:04

Well, actually what the Vagina Monologues are is someone went around the country interviewing women about their vaginas.

J

Jimmy Carper 02:19

Love to ask a bunch of men about their penises.

G

Gigi 02:23

Questions this woman asked. Yeah. If your vagina could speak what would it say? Oh, boy, it's gonna be a match. But beyond that coming up next week, right? Yeah. Okay. And and then after not only that, but she is planning to do a workshop at the conference.

J

Jimmy Carper 02:49

Next fall the conference in October the by NASA by sexual conference.

G

Gigi 02:54

Yeah. And and all the women attending this workshop at the conference will be asked of course. What would your vagina speak? And oh, you should read. I couldn't imagine a hot

course. What would your vaginas speak? And um, you should read. I couldn't imagine a book. I tell you. I see. And oh, my my vagina was speaking by the

J Jimmy Carper 03:17

way. I just saw your vagina a little while ago. It hangs my dad. Okay.

G Gigi 03:34

We're getting in trouble. Yeah. We are. We are we are. Anyway, the conference will be coming up in October 22. To the 24th here in Houston. And it's gonna we're bringing in quite a few guest including Fritz Klein, who wrote the bisexual option. Yes. And

J Jimmy Carper 03:56

we have an interview with him a couple.

G Gigi 03:58

Yeah. And also Carol queen is coming. She confirmed now good and she's gonna be dynamite.

J Jimmy Carper 04:10

Absolutely kind of one of my favorite songs really good. Oh,

G Gigi 04:15

exhibitionism for the shine. Of course, I had someone read it in bi-net and they said, When is she coming out for the with the next sequel to that exhibitionism for the not so shy. Advance pointers that

J Jimmy Carper 04:33

yes, I think you should be writing that one. Oh, well

G Gigi 04:35

think about I don't want to step on toes here. But who knows? Maybe me and Carol could co write well, I'll see you putting music in the bar. Yes, I

Jimmy Carper 04:50

J Jimmy Carper 04:50

am. I'm about to play a couple of things. When we were talking with Charlie I was I didn't know that he knew Doug Steve. bins. I thought that Doug Stevens lived in New York. Several years ago when I went there, his first album came out, and I played it. I sent a tape to a New York address. Hey, we're playing your music and all that kind of cool. So

G Gigi 05:20

Anagha shall have to send it to the San Francisco you still got a bet? None overs there's that's causing the squeak. Yeah. Okay.

J Jimmy Carper 05:30

So, I'm going to play a little duck Steven. A little more, Charlie.

G Gigi 05:37

And then when we come back, I've got another little announcement. Oh, my I'm scared of you, girl. scared of you. Oh, it gets better and better. Just spread wider and wider.

J Jimmy Carper 05:53

Oh, yes. This is why I do the show folks.

G Gigi 05:55

See any wedding there?

J Jimmy Carper 05:57

It's certainly my mind. Let's see. Let's go to Doug Stephens. This. This is this song is is the one one that Stephens most requested songs, especially by Rainbow de cloud Rainbow asked for it all the time, as well as many others and believe it or not, it's not white trash. That's the one I used to use to dedicate to all my good friends. But this is especially with Pride week coming up. And in Houston it's already started because the gay and lesbian Film Festival that started last night. Saw that it's gonna be good for the next couple of weeks. But this is Doug Stephens with out in the country and you're listening to it on after hours queer radio with attitude into we have added we do KPFT Houston and ke O 's College Station. Hey, Aggies. This is the sound of Texas Yeah, Charlie Petroleo from his brand new CD that isn't even out yet, folks. So I hope you're taping taping this or something. Here come two blues. That was Shame shame on me.

G Gigi 07:37

My oats are dirt there.

J

Jimmy Carper 07:40

I'm Jimmy Carper. J Miss GG cars here. And we're doing a little bi-Net stuff. We're doing a little music stuff I've already got to get dedication or another piece of music that we'll be playing in just a little bit. And you can make your dedications or requests by giving us a call at 713-526-5738

G

Gigi 08:12

I have set a fire busy yeah. Oh yeah. Yeah. Have

J

Jimmy Carper 08:20

you been up to?

G

Gigi 08:21

Well, I got talking to some people. Yeah, the internet have started a new movement. Coming up. New movement. Yes. It's gonna be a global event. It's called Celebrate bisexuality day. Oh, okay. And it's gonna be on September 23. And we have people from England, from Canada from all over the world jumping in. I mean, it's just amazed me how many terrific, we've got a listserv where we're planning events as we speak. It's one less.com Yeah, yeah. And the actual list is by

J

Jimmy Carper 09:13

day by bi da why? One word, one word. Okay. So you got one list.com which everybody can do. Even me I can do that.

G

Gigi 09:23

And you become a member of one list. And then you join by day

J

Jimmy Carper 09:28

by day b i d a why? Yeah. Okay, that sounds good. It's amazing. I'm a die hard gay man. I mean, you know, that's it for me. But it's amazing to me the number of bisexuals that that are around and actually amazing to me the number of bisexuals that gay people count as gay. Yeah, like Oscar Wilde.

G

Gigi 09:50

Well, there's the thing that kind of came to me and this has been coming up and buying it on the phone line and even sometimes in the Meeting is that there's a lot of bisexuals that are very much in the closet. Oh, yeah. And part of the celebrate by day is my sexuality that is aimed at reaching everyone who's bisexual whether you're in the closet as by for whatever reason,

J

Jimmy Carper 10:21

this sort of sort of like National Coming Out Day.

G

Gigi 10:25

Not really we're not looking to bring people out of the closet so much but just except to themselves and to have pride at least for one day or who we are in what we celebrate.

J

Jimmy Carper 10:37

It would be it would be amazing to I bet there are twice as many by folks as there are

G

Gigi 10:43

gay folks. Yeah. And we even have someone who's going to be on the air next week. Yeah, who is running a web page for bisexuals called by cafe?

J

Jimmy Carper 10:53

Oh, I've seen a pamphlet on that. Cafe. Yeah, it's a is it a chat is the chat room, isn't it? Well, it's

G

Gigi 11:00

more than that. Yeah, it's it's a chat room. It's a you can post political activism. You can also it's a dating service room. No. You name it. There. They even have a marked by Mark where you can get a buy flag.

J

Jimmy Carper 11:19

Oh, did you design it or did someone else on it Michael

G

Gigi 11:23

patrons this okay. And he designed the buy flag. I like your box flag I've seen that came from him. Oh, okay. Well, hello. And it's sweeping the country? Well, actually, the world is over. And I think for biday we've even had some discussions of making bicoloured underwear for those in the class that want to just show their underneath. I see. I see. We can do it with pride and all sorts of ways all sorts of

J

Jimmy Carper 11:59

ways. That's right. And it's an interesting, it's the bisexuality thing is very interesting, because there's a lot of folks that are really deeply in the closet. Oh, yes. Because both straight and the gay. Yeah. Yeah. Oh, yes. Either because they're they're married or they have children and they're afraid of losing their children or jobs or something

G

Gigi 12:20

lesbian community. Sure. Oh, if you're by then I wouldn't want to date she is

J

Jimmy Carper 12:27

a big thing. Lesbian and Gay Can

G

Gigi 12:28

you might leave me for me. Yeah,

J

Jimmy Carper 12:30

something like that. You know, love is love course what

G

Gigi 12:35

Jay would say is that I might leave you for women.

J

Jimmy Carper 12:41

But I you know, gosh, I don't understand. Well, there's a lot of stuff I don't understand. And it all comes down to prejudice. But there's a lot of like in in other ethnic communities where bisexual that bisexuality is looked down on and not even believed you have sex with the same sex at all. When you're gay.

G Gigi 13:04

Oh, here in Houston. I'm burned into that. Oh, you're just transitioning. Oh, y'all wake up one of these days.

J Jimmy Carper 13:13

No, absolutely. Now.

G Gigi 13:16

I have woken up.

J Jimmy Carper 13:19

You certainly have a baby.

G Gigi 13:23

Spread and big and wide. And it's a big welcome.

J Jimmy Carper 13:28

Scott Lewis called.

G Gigi 13:29

Oh, my missed him.

J Jimmy Carper 13:37

Yes, he certainly is. But Scott Kennedy was supposed to be on the show tonight. Yeah, he is the gay comic, openly gay comic. And he and his deceased partner, Kevin Mae started the gay Comedy Jam, where they would take gay comedy to places like Jackson, Mississippi, baby, Idaho, and, and fill the theater. Wow. Absolutely. They were really surprised that it because they thought they would have a hard time doing anything with gay comedy, but people flocked to him. So Scott is at the last stop tonight. In fact, he had a something like a nine o'clock show when the Midnight Show. Both shows sold out. So they're adding like a two o'clock show. If you can imagine. So he's not going to be by he was going to be here but he's going to be me. When he said he lives in LA and in Houston, when he's in Houston, he's a member of to patrol and goes out on patrols. And in LA he's, he's doing all kinds of things out there. You know? You're Probably next gonna see him as a character in a TV sitcom. He's doing that kind of stuff out there. As you

G

Gigi 15:09

mentioned, cube chop, and it's doing Q patrol now. Yes, good.

J

Jimmy Carper 15:13

Good. I know that there's quite a few transgendered members and we've got by members, so we're covering the whole community. Yeah.

G

Gigi 15:24

Yeah. And safety in numbers. Yeah,

J

Jimmy Carper 15:27

that's the whole idea. Keep this the bar area free from all of those who would do us wrong? Yes, he noticed. Anyway, Scott called and yeah, back to my original. It seems as though Martha wash is going to be here for gay pride. Oh, wow. She's gonna be riding in the parade. Yep. And the word is that it's being sponsored by Gallery Furniture. Yes. The other thing that I heard is that they're going to have a big mirrored ball at the at the intersection of Montrose and Westheimer. Wow. Huge nerd ball.

G

Gigi 16:19

Ooh, baby. Are they gonna put up special street signs? No,

J

Jimmy Carper 16:24

I don't know what they're gonna do. But he knows since we have this parade at night, that is going to be really spectacular hours. You know, Miss Martha wash up there on that float jazz belt and her? Well, just belt?

G

Gigi 16:38

Yes. Since jazz.

J

Jimmy Carper 16:40

Yeah, she's really like her voice and have enjoyed her music over the years. And so I'm glad that Houston is getting Martha wash for our pride. But pride that it used to be called the Pride Week celebration, and now he's covering has grown it we've almost week, I call it Pride Month.

And here it is. They're starting the gay and lesbian Film Festival at the end of May. Yeah. So you know, I don't know.

 Gigi 17:09

What is on tonight?

 Jimmy Carper 17:10

Yes. And you can find the pride schedule, either if you're if you're not on the internet, because it's all over on the internet, especially with hand net. Or you can find it in this week's edition of the triangle. It's right there in the center as a little pullout thing, and it's really spectacular. Wow, really. So I stocked up on a couple of extra issues of the triangle this weekend. So I think it's really great. Those folks printed it up. And it's really it's really nice. Next week, speaking of pride, next week, we're going to have the grand marshals of the parade right here on after hours. Sean Carter and Nancy Ford. Both

 Gigi 17:59

have right along with banana along

 Jimmy Carper 18:03

with by net and along with Tony from the Gay Men's Chorus, who's gonna be talking about their performance that's coming out.

 Gigi 18:13

It's gonna be a production in which we're gonna have Michael Page from bike cafe.

 Jimmy Carper 18:18

Whoo, baby. Okay,

 Gigi 18:21

and he's hot. We dig around this picture.

 Jimmy Carper 18:26

To kick Jason out on the second half, because we're gonna get the time. I know what we're so light back, you know? Oh, yeah, whatever. Yeah. Let's have, let's go to a piece of requested

music from romanovski and Phillips. And this, this CD has been around a long, long time. But gosh, the music never gets old or stale for me. And this is from Chris and he wants to dedicate this to Terry. It's romanovski and Phillips with give me a homosexual and you're listening to it on after hours queer radio with attitude on KPFT Houston and ke O 's College Station. We are at the sound of Texas

19:25

as you began

Jimmy Carper 19:32

Ah, yeah, Romanovsky and Phillips, give me a homosexual. And that's for Terry from Chris. Good song. Good song. And it's a song that we've been playing on after hours. I hate to have to tell you ever since the first show, I wasn't here for that first show. This show was originated by a man named Buddy Johnston, who is now in San Francisco working with the names project and another thing But the show has been on the air since September of 1987. So we're coming up to 12 years on it. I've been here for 11 and a half of those 12 years. And we have another request before we go to any of the news and musical requests. Hello, I met my teeth in from Danny in the Montrose who wanted to dedicate this to Johnny on our first anniversary. That is really nice. Nice. One year anniversary that's well when they're first anniversary then it's probably a year on. I'm assuming that could be a month I don't know. But Danny, and Johnny, congratulations on your anniversary and Johnny here it is for you.

20:55

If you ever need a policeman all you got to do is holler they're always there right on the job. For instance, here's the best one that money can buy. Oh

21:10

I have a real Oh, would I love to give you the third degree. My gazing at my sexy farm with rapture you'll be stricken. Take one look at me fellows and me you'll find some chickens. I ruffian wants to bite me. I gave him one call gays. And as I really met his hair, I said to him, I says you're arrested. You're arrested stuck up. It was with me. We're going to the station Anasazi. She'll serve tea. Now stop that. tittering I insist you hard, hard man, because I'm a real policeman now. God I am your allies. Walking down the street one day with my girlfriend by my side. She said look at that horrible fistfight. I think I'll run and hide. But instead of fanning it, just suppose my smelling salts I drew and dashing mascara on my eyes to the fray. I flew. So I said to him, You booger you're ready. You're ready. Now cabbage wants with me? We're going to the station and the Saudi she'll serve tea. Now stuff that stickering is this you harvest hard man? Because I'm a real policeman is the God I am cruising in my squad car last night. I came upon two lovely boys parked in the car. They are. So I shine my flashlight in the car and I says Okay, fellas, what's going on in there? One of the boys said well, nothing officer what is sitting here talking, just chewing the fat, you know? So I said, Well, how long have you been parked here? He said about an hour, sir. I said You mean you've been parked for an hour and nothing

has happened? We said no, sir. I said well, here you get out and hold the place like lead me in there. Well, I'll never forget my toughest arrest was a bartender biggest rough. He says I wasn't a policeman. I didn't look too happy now. But did I bought him out something terrible, right? So I called his bluff and soldering my kerchief in his face. I said, I've had a no, I'm so mad I could bid so I said to him with authority of my voice. You're a restless you're not Thomas was with me, but going to the station and Asante. She'll serve.

23:23

Hold everything. You said three times the sergeant she'll serve. Certainly I said it three times now you mean the sergeant He'll serve to you don't know your English well, you don't

23:33

know my sergeant. That's that that's thicker a guy and said you a hard hard man. Because I'm a real policeman now honest to God.

J Jimmy Carper 24:18

Well, that's the music that brings in our boys. Big Roy and Chris with the after hours, news and views. I wanted to start out I know you want to talk about a lot of pride stuff, but I got a couple of other things. Okay. Because after after the news interviews, I've we've got a memorial to do or someone who died 10 years ago today. Oh, and it's probably somebody I want to keep his his memory alive because, you know, 10 years people forget things. And I just I I I am embarrassed to say that I have to say the same thing this week that I said last week and is that I'm going to, I've got some hellos for some guys who are incarcerated. And I owe just about all these guys a letter still. And it's Hello there to Terry, Randy, Mike, Paul, Roger, Michael and Richard. So I better get my ass sitting down with the pen and start writing stuff. The other thing I wanted to Well, a couple other things I wanted to say. But we congratulations are in order. We've had another record breaking membership drive, we had \$210,000 pledged by over 1900 donors. And our that sounds good. Our Jack

C Chris 25:52

can hear the papers rustling by the two microphones are on the on the ground there. So I move when I say

J Jimmy Carper 25:56

garland Ganter our general manager is thanking everybody for their hard work and thanking everybody who pledged. Thank you very much for that. Let's see what else I got. Let's see. Oh, that's Charlie stuff. Yeah. We already talked to Charlie. Okay, Charlie.

R Roy McCarthy 26:21

Roy McCarthy 26:21

That was a very good interview. Yes. All the feedbacks and everything. Well,

Jimmy Carper 26:25

thank you so much. I did want to give a farm and market report. Okay, new farm and Market Report. This and and for those of you who have never heard Farmers Market Report, this is some statistics about all of the Escort models who advertise regularly. And they gave publication publications.

Roy McCarthy 26:51

All the profit sharing yes, they're well, not exactly. Sure. So the profit? Well, it's

Jimmy Carper 26:57

general information. The range for an escort here in Houston, the range can be from 52 to \$200 per hour. The median is 85. That stayed the same. The average is 96. The two most frequent numbers 100. And and that's what 90% Of the escorts polled. So Oh, okay. Yeah. Just one dress bringing you that information. You know, during the day we bring you. It's always good to show us escort poll. You know, during the day, we give you weather and traffic and Saturday night, we give you the Farm to Market report, or other kinds of traffic. There you go. Okay, what do you got?

Roy McCarthy 27:45

Well, first of all, I want to welcome everyone to this week's edition of after hours, news and views. Chris and myself big Roy, I want to apologize everyone for not being here last week, there was some other things that was going on them

Jimmy Carper 27:57

me first, you know, life. Life happens there. Yeah, I have to say that because when midnight comes, this show goes on. But life happens to people and sometimes they can't be here. You know,

Roy McCarthy 28:11

and it was totally unexpected. Normally, I would let my boss Jimmy here know ahead of time. And I didn't even let him know how it was good day. It was just one of those things that happened, folks. And at any rate. I want to give a shout out to all my friends, especially to Tony way up there and Midway and Randy down there and Beaumont, and to all of our other listeners in the far flung reaches of our listening audience out there and KOLs College Station and wherever else you may be. Yeah, get on with the news. Anyways, before I get on with all

the private events coming up for this week, I do want to mention that the Women's Network on June 9 is going to be having a deal called the politics of touch. G

Gigi 32:06

Yeah, definitely skate to your job.

J

Jimmy Carper 32:08

Yeah. She puts it out like on a Monday for that Wednesday. So, you know, our information about what's going to be happening at the Skate Night is always a week old. But we just we know the basics. There at the zenith place. What, eight to 10. Every Wednesday?

R

Roy McCarthy 32:29

That's correct. But on June 23. Yeah. They're going to be having their roller ball skate party. And that's their official Pride Week event. J

Jimmy Carper 33:57

~~he's got his fingers in a lot of nice because he Pride Week and he's also now doing he's the~~

He's got his fingers in a lot of pies because he pride week and he's also now doing he's the sales rep for the triangle.

R

Roy McCarthy 34:09

Right now also, yes. past Friday, they had the pride power and art in which they celebrated pride with the art of Houston artists, Kermit Eisenhart and he's known for his playful style and his palette knife renderings of abstract realistic and Sir surrealistic subject. So we missed that right? Yeah, no, that was at the Chase Bank of Texas. Okay, so what went on today? Today we have dear Jesse, which is a once a letter to Jesse Helms, and his personal diary, a revelation by Tim Kirkman have his own personal journey in coming to grips with his gay identity.
