Harvey have a few words for KPFA come on out. Join us. Bring your friends. What do you think about the turnouts? Well, never No, never. No, never. No. We must destroy the myths runton Draw shatter them. We must continue to speak out. And most importantly, most importantly, every gay person must come out you must tell your immediate family. You must tell your relatives. You must tell your friends if indeed they are your friends. You must tell your neighbors you must tell the people you're working with. Buddy Johnston 05:19

That's only if you're not on a Pride Week committee. Hey, they don't want anybody out. And on that, I've got it in the voice in there. I'll read it to you. Oh, what's the deal? I'll read it to you in a minute. Sometimes, they Well, they tried to pass a resolution saying that the people involved should be openly gay, and so on and so forth. And it failed. God forbid anybody involved in gay pride, gay, lesbian Pride Week be out of the closet. I mean, we know you can't be out and successful, like maybe working for the police department doing a gay radio show. But we'll get into that later on. As we'll get into a lot of things later on, I'm sure. I just don't know what kind of mood I'm in tonight. It was so busy at work are really the old police department where I'm openly gay and well, we're in queer and

Jimmy Carper 06:11

Saturday night you do work Central. So you have all the Montrose Westheimer traffic to

B Buddy Johnston 06:17

it wasn't that the Heights was real busy tonight. Oh, yeah. Plus, we had those storms. Wednesday and Thursday. Oh, God, baby. It was so busy. Anyway, I felt I thought maybe if we played the regular opening, it was snap. But it didn't. Maybe if we heard Alan say something. We clear.

J Jimmy Carper 06:37

Thank you, Alan.

B Buddy Johnston 06:38

We all know that almost got it. Anyway, we're here at work where I didn't even have to look at you that know. Where we're here and clear. All right. And have we got a show for you because there's a brand new CD player here. Yeah. And we've got like tons of CDs for doing and we're gonna we're just gonna go CD crazy tonight and play a lot of stuff for you and have a lot of fun. B Buddy Johnston 07:27

I wish they'd read that book to me when I was in high school.

J Jimmy Carper 07:29

Look forward to the next one of junior night.

B

Buddy Johnston 07:31

Once disease strikes, we don't blame those who are suffering. We don't spurn the accident victim didn't wear a seatbelt. We don't reject the cancer patient who didn't quit smoking. We try to love them and care for them and comfort them. We don't fire them. We don't evict them. Don't cancel their insurance.

people should do one thing you ever run out fingerprints good enough never enough never we must destroy the Miss ones in raw data. We must continue to speak out. And most importantly, most importantly every gay person must come out you must show your immediate family you must tell your relatives you know your friends, your friends, you left for your neighbor. You learn from the people you're working with you let other people shop you once they realize that we are indeed their children and we are indeed everywhere every every lie every innuendo will be destroyed what do you do your nails are much better? can do right now?

B Buddy Johnston 13:55

On Don't you believe that the power within we must use it to where we can use it to where it is so true. So, so very true. I think that's

J Jimmy Carper 14:11

the point of the song. Did you see this and the Montrose just kind of glance and I cannot believe it was that child. I was just glancing over. But do you see where it is? The point is what you were talking about.

B Buddy Johnston 14:28

They don't want to be

J Jimmy Carper 14:29

out they don't want to be out here it is.

B Buddy Johnston 14:33

Details changes for was rarely Harrington would have required Pride Week officers to be open enough to appear before the media. God forbid anybody be before the media and would have made inclusion of the words Lesbian Gay Pride Week or gay lesbian Pride week depending on the year of course we have to flip flop that around in a fight on how the thing is said anyway you can petition Aries and another No, no, no, no, no, no

J Jimmy Carper 15:00

that quote by Lee Harrington,

B Buddy Johnston 15:02

those can those opposed to the motion side of the concerns of people who wish to be involved in the planning process, like telling you, you can't wear anything but Adidas type shorts, and you can't throw anything and you can't do this. And you can't do that. And you can't do this. And you can't do that. And you can't do this. You can't do that. With I can't be on television, Mary, but they can be back there, right. And all these damn rules, posted the media, not to allow their participation, depriving the plan body of valuable talent, energy and organs and organizational skills. Yeah, give me a break. And

J Jimmy Carper 15:40

here's the quote by Jean and tell the community and its leadership comes to grips fully with the closet. We can never expect our rights to be granted. Well, that's a truth. I was thinking about something along those lines this this week when I heard about this coming up with with Pride Week. You know, Liberace made a career out of suing people for calling him gay. Exactly. I frankly don't see why anybody should be allowed to be sued for that. I don't look at being gay by Queen like that. Yeah. The whole thing is, I'm suing you for for saying that I'm gay as if it's something detrimental. They have a program at HPD I am proud of being gay. They have a program

B

Buddy Johnston 16:31

at HPD called the reasoning report that comes up every once in a while where they're called new laws and the chief speaks and everything. I wish the hell the chief would go on and say there's a faggot that does a radio show every Saturday night. That's openly gay. You're in dispatch. So these queens down there would get a grip and come out of the closet. But they're never going to do it as long as they have people like this afraid to take a stand and have their picture on television. Yes. And I have just one message for people like that love may be free.

17:07

gum out of the closet. Gum gum gum. I know it's a dark in there. So come out tomorrow with a screen job and see everybody everywhere.

B

Buddy Johnston 17:18

You know, it just makes me crazy. Oh, who else have noticed? Yeah, screw on. Anyway, here's the story of a guy that came out of the closet. We're gonna hear it next week reflections of Rock Lobster. Oh, yeah. Story. Aaron frequently asked to take his boyfriend to the prom. He went into the to the principal's office and he said he wanted to take a male date to the prom. Aaron kind of stood up for his love rights. He just yet and it was a teenager. Listen to this.

17:45

You want to do what?

17:47

I want to bring a male date to the senior prom?

17:50

And what makes you think you can do that? Well, you see,

17:53

sir, the rules say that any senior can take the date of his or her choice. Being a gay man. I think I'm entitled to take a male date.

18:00

Absolutely not.

18:01

Can I talk to the student council about it?

18:03

No, you can't talk to the student council. Now, look, I know what you're trying to do. And I won't allow it's how come? I don't have to defend my decisions to you, Eric. We went through all this last year, or have you forgotten what happened to your friend Peter Grayson?

18:19

I haven't forgotten. But there's a difference. Peter was only 17 Then but I just turned 18. I could take this case to court if I wanted to. You would go to court with this. Yes. If I had to.

18:33

Well, My decision is final Aaron. Nothing's going to change it.

18:38

Yeah. Well, we'll see about that. Let's tell him

Buddy Johnston 18:49

what he did? That's exactly right. After hours, we're here and we're quick. The only thing in my closet is so much garbage that you can throw anything else in there if you wanted to. Bliss on it. I'm here partly

19:04

tonight to say some good things about Texas. I'm proud to be it. I know that I could not have heard Harvey Milk challenge to me, and not something in my life. And this day prepared me to

heard Harvey Milk challenge to me, and not something in my life. And this day, prepared me to hear the word of freedom that Harvey spoke to us. I am here tonight. Because it is time that all of us who love this state that gave us life and as nurtured is an honest our values to stand up and claim the history of this state for freedom and justice and human respect, away from the forces of narrow mindedness and bigotry. That too often dominates politics in the state of Texas.

20:00

I don't

Harvey Milk 20:18

know

20:31

you want to

20:37

know how

21:21

when you're ready to

21:30

build your dog

Harvey Milk 21:48

already have a few words for Campea come on out we must destroy the myth Swanson's was shattered, we must continue to speak out. And most importantly, most importantly, every gay person must come out.

22:35

Even the Pride Week, people Harvey

H

Harvey Milk 22:38

you must tell your immediate family, you must tell your relatives, you must tell your friends, if indeed they are your friends, you must tell your neighbors, you must tell the people you work with, you must tell the people to the story once they realize that we are indeed their children, and we are deed everywhere. Every lie, every innuendo will be destroyed one day much better.

B

Buddy Johnston 23:26

Don't get me wrong. I don't mean to keep bragging those people because they're I'm sure they're nice people. But being in the closet is not ever going to solve anything. I don't understand why they can't see that.

J

Jimmy Carper 23:36

I must. I must say though, in defense of the executive committee, I'm looking at this picture. And everybody I see is openly gay, of course, except for Claire who's straight.

B

Buddy Johnston 23:46

But that's in the Montrose voice. So he doesn't want to be on channel two. This is the Executive Committee in the Montrose voice. Mary, everybody wants a picture in the hall. I understand

J

Jimmy Carper 23:55

that. But see this this vote was all the people in the room. Yeah. So who knows who was in the room.

B

Buddy Johnston 24:03

Bunch of closeted

J

Jimmy Carper 24:05

queer. There we go.

B

Buddy Johnston 24:07

You know, maybe some of those officers that HPD would come out if they thought there was a community that would support them when they got out. That's that's the ticket along with 1000s of other kids.

Jimmy Carper 24:16

And it's so strange to have a gay and lesbian Pride Week committee. Run by people who are in the closet.

Buddy Johnston 24:25

Oh, well. Here we are. I don't understand it. I don't understand anything. And it just it just makes me mad as hell. Because we've been fighting this for almost three years. I understand. I didn't realize how angry I was until my father died and I buried him very close observer getting close to him. Because we live in a society that says Hide, hide, hide and we go, okay,

Jimmy Carper 24:47

well hide. Well, no, we're not hiding. Well, we're not. And there's a lot of people here on this executive committee who are not hiding.

Buddy Johnston 24:54

That's true. Good people. That's true. In fact, I heard him on Wildenstein last week at salutely Wildenstein, by the way is on Tuesday nights 10 until midnight, with Jack and Deborah and

Jimmy Carper 25:05

John and John nicks and Ronnie DS

Buddy Johnston 25:09

we're on Wall instruments we hope you heard it because it was a great interview it really was and Ronnie said some very beautiful things maybe we'll get her on here to say something

Jimmy Carper 25:18

that would be nice we'll see.

Buddy Johnston 25:41

course the last time the Pride Week people were on they sent that guy that I've never heard of and he came down here and tried to pick a fight with me.

Jimmy Carper 25:46

I remember that.

Buddy Johnston 25:49

You don't believe that I can play the tape back. Anyway, this is after hours radio celebrating live from the heart of Montrose where we're here and we're calling we're just having gay and lesbian

26:28

woman autumn last in my dreams. I have a plan. Got me you wealthy man. I wouldn't have to work it all around

Buddy Johnston 26:59

and we're gonna say happy birthday to Janet. Oh, Happy

Jimmy Carper 27:02

Birthday Jana. Thanks

Buddy Johnston 27:04

for listening after hours radio celebrating live from the heart of the Moto three back in just a minute. Five to six 4005 to six

Jimmy Carper 27:13

KPFT

27:25

shop window and it makes me so depressed there's not a sold out

Buddy Johnston 27:46

man by the name of the dog. We should play the scene. Nothing because I ain't getting that. And that's what was that thing? Well,

Jimmy Carper 28:08

J Jimmy Carper 28:00
we have a request. From Sylvester. From Sylvester. No, no, no. From a guy named Sylvester. Who wants to hear some Sylvester we can handle that. I know that's so different from the world.

B Buddy Johnston 28:29
Oh, well. I just don't know what to think. What do you mean? Oh, I don't know. John.

J Jimmy Carper 28:36
Are you still hepped up over the Pride Week thing?

B Buddy Johnston 28:40
No, I'm over that now. We're over it. All we want is a man up to me. I've got a union meeting today. Yeah, yeah. The Sunday the openly. The openly fagot dispatcher of the police department is getting ready to run for president of the Houston Police support personnel union, which is the union that's over all the civilian personnel. HPD Oh, that's me, man.

J Jimmy Carper 29:07
How many people are

B Buddy Johnston 29:09
3000? Oh, and they want the fact to be the president. I can find me not because I'm queer.

J Jimmy Carper 29:17
No, because I wish they would make a real good dictator.

B Buddy Johnston 29:22
I don't want to be a big dictator. I want to be the president. Do you want to be Yeah, we're gonna make changes for the better because things need to get better down. But I just think it's worth that they had asked me to do it. That is strange. And the meeting one of the meetings is this afternoon at noon. Oh, brother.

J Jimmy Carper 29:39
It's not so stranger. You're good at that type of thing. Yeah. Now I

- B** Buddy Johnston 29:42
spent three years running around trying to get involved in the gay community. They wouldn't let me do nothing. So I just do this radio show. Pitch. Just bits that's all I do is you've heard it all. bar every night. And when I wouldn't go out with you said things that weren't very nice and I wish he was smart
- J** Jimmy Carper 30:12
bar friends back. Hey Bobby
- B** Buddy Johnston 30:16
Chow. I didn't know this music.
- J** Jimmy Carper 30:17
Oh, I am empty this stuff, baby.
- B** Buddy Johnston 30:19
Maybe you don't have to scream This is 100,001 I know. She's just
- J** Jimmy Carper 30:24
so excited. I was a teenager when this was hot. What year was that? Never mind.
- B** Buddy Johnston 30:30
Hey, you know what next Sunday is what? Please. Let's say
- J** Jimmy Carper 30:35
it's
- B** Buddy Johnston 30:36
my birthday girl. My birthday. Oh yeah, you got those diamonds and jewels and earrings and furs out a hawk count on it, baby. Hey, hi there. Hello. Well, who is this? This is Rick. Rick. How are you?

J Jimmy Carper 30:49
Oh, pretty good. I got a comment for

B Buddy Johnston 30:51
you. Oh, yeah. I thought they said he had a birthday call. No, I'm kidding. That's next week. My birthday is next week. What's your comment, baby?

J Jimmy Carper 30:59
You were saying how people won't come out around here because there's no community to greet them. Well, I grew up in Shirley, Arkansas, you ought to be real familiar with that area. Was that? Just off the mountain Burg?

B Buddy Johnston 31:12
Are you serious? I grew up in Van Doren. Clinton. Yeah, I do. I'm urinaria. Sure do right there. There's nobody up there. But me and you. What are you doing in Texas?

J Jimmy Carper 31:24
Getting a life? I know. That's right. The hell out of dodge. Oh, how backwards that area is and how close my they could be. I was able to be openly gay, in front of my entire family and everybody in the county and nobody minded. But here in girl, nobody wants you out. Nobody wants you to do any work.

B Buddy Johnston 31:47
While you know there's a there's another listener, a regular listener that I saw, who went to the very first Pride week meeting and he was so excited. And then he got angry and mad. And I think he just got really off because they wouldn't let him do nothing. It gets frustrated wouldn't return his calls or nothing. Oh, well. There's a lot going on, though. Don't get me wrong. There's a lot of good things going on in Houston.

J Jimmy Carper 32:12
Yeah, but people need to wake up and come out a little more. And there are their rights. They need to learn how to earn them.

B

Buddy Johnston 32:19

That's right. And there are good people on in the Pride Week committee and on the Pride week program. In fact, Brian Keever with the Pride Week committee, he's gonna be here on May the 19th talking about Starlight 90, which is a two day event I think at the multi turret multi service center following the parade this year. That's right. So we'll find out from Brian what's going on on that number 19. You have anything you want to hear this morning special?

J

Jimmy Carper 32:41

Yeah, I want to have something played for my lover. It's what kind of self respecting fagot am I?

B

Buddy Johnston 32:49

Your lover listening now? You sure is. What's his name? Alan. How long have you been together?

J

Jimmy Carper 32:56

Three years, October 1, three years. Hey,

B

Buddy Johnston 32:59

wait a minute. What did you come to Houston?

J

Jimmy Carper 33:01

We've only been here since October or August of this year.

B

Buddy Johnston 33:05

And what did you find this man? Oh, met him up in Flint, Michigan. Listen, I'm gonna be going to Flint, Michigan for a couple of weeks.

J

Jimmy Carper 33:12

And this is a traveling girl. I'm gonna come back with a lover. I mean, what's your daughter's name? Michigan. What's his name? Alan.

B

Buddy Johnston 33:20

And what's your name? Rick. Rick. Well, listen, thanks for calling baby. All right. Can you believe this? The old come to town and stay in a house and come to town and stay in a house.

believe this? The girl comes to town and she's got a lover and everything and then she's getting the nerve to call up and talk to me. Can't even get a date. I mean, what kind of self respecting fagot is she anyway? Tell me Tell me Come on. Tell me here's romanovski Phillips you know we love you baby.

33:52

gets that I was destined to

Buddy Johnston 34:06

Romanovsky Phillips said which is what got us up respecting? fagot are you anyway? I'm not gonna say that. No, the FCC might be oh, this way out with Greg Gord and Lucia Chapelle. Coming up at one o'clock. Roger is going to read the final chapter of a way of love. We have live three o'clock and next week Ray Hill and Rock Lobster. Wow, what a combination.

34:35

Listen, I did it. I finally told my parents I'm gay. It's great. How they take it. Well, my mother kind of suspected. But my father. He just broke down and cried. You're kidding. No, it was pretty bad. He was sitting at the kitchen table. didn't say anything. The tears just rolled down his face. That's okay. You'll get over it. God I hope so. It was awful. How do you feel? That's the important thing. I feel all right. I really do.

Jimmy Carper 35:19

Reflections of a Rock Lobster. A story about growing up gay in rural America What's matter me What's with that background music its pomp and circumstance. They're talking about the Queen Jeff slept

Buddy Johnston 35:34

that Queen Thank you. I needed this is brand new from the album world party. Have you heard of this group? Yeah, I really like group is World party. The album's called good by Jumbo.

Jimmy Carper 35:48

Yeah, they're on their first album. It was World party and the album was called World party and the big hit from the album was called World party it was very confusing

Buddy Johnston 35:58

some of the world party well this is our second album I guess the song is called way down now that was just a minute album here's Perfect moment. Oh yeah. Because that's what it is.

that can just a minute. album has subliminal messages. Oh, yeah. Because I've listened to it about 100 times and every time he listened to it, it just gets better. Like yeah, I'm serious. There are a couple of cuts on here that want to play later for you in the show one about death. Oh, believe it or not. It's called Sweet soul dream. So we'll get to that later on. Sounds good. Anyway, that's from the new album from World party goodbye jumbo and it's called the way down now. That's a little different than what we're usually used to here right?

 Jimmy Carper 36:45
Yeah, but I really do like them.

 Buddy Johnston 36:47
Yes. What? What this way out? It's not in the box job. Oh,

 Jimmy Carper 36:51

 Buddy Johnston 36:52
We're gonna call LA and get it on the phone.

 Jimmy Carper 36:54
We have to set up a slapping booth and put somebody in here will be back in just a minute.

 37:00
Hello? Do you know me? I have appeared in hundreds of one of the cartoons with that squiggly wabbit who always does to AG yet whenever I travel homophobic troublemakers are always telling me that there's no wombs and no hotels. No available seats in the West Juan's and no cause to went. It gets downright frustrating. At first, I wanted to cry. What's my sexual orientation got to do with my being a good customer. Then I got a game that can express card. Now I use it everywhere. From crepes and flats to tropical foods and Honolulu to pick up chicks in Australia. My good American Express card does it all. Get American Express. Don't be homo without it. Girl.

 Jimmy Carper 37:44
Oh, well. Isn't that cute? Do you have a little teeny tiny baby CD? It is. Look what's on with a little frame around it. Oh, the Beatles.

B

Buddy Johnston 37:53

Can you believe that? This is one of those little three inch jobbers because I've been trying to buy this on CD forever and I can't like afford all those CDs. But they finally got let it be my favorite of all Beatles hits on CD. That's great. You get the news? Yeah. Can you talk for like half an hour we'll put him in the slapping booth.
