00:01

Oh, wow, okay. Okay, I

00:06

gotta go, Jimmy. Bye, guys.

00:07

Would anybody actually be interested in card for free room at Midtown?

00:17

We'll talk after the show.

00:18

Oh, okay. Okay. Thanks. Bye.

00:23

Chuck is great. Yes,

00:24

... As a matter of fact, he opened my eyes to a lot of things I grew up kind of on the nudgy

yes. As a matter of fact, he opened my eyes to a lot of things I grew up kind of on the punny side. And all my life, it was like, I was a fat kid and just trying to keep the weight off. And going to the performance art. It made me realize that skinny kids had the same problem. Yeah, yeah, very much. So. And in that way, I was always under the impression that Boy, I wish I could be thin. I wish I could be thin. And then I saw the opposite.

00:53

Yeah, I mean, it's an I don't want to give the impression that this is endemic to the queer communities. But gay men, queer men, in particular seem to have this obsession with, you know, body image, body fat, and so on. And it's just bizarre. I mean, and I can see myself falling into that, some of that, you know, when I joined, the wind started working out, and how, you know, how, and I haven't been in like six weeks, because I hurt my foot, and I'm limping and can't do the Stairmaster and all that. But I've noticed that I feel unattractive, you know, that I feel like, I have to be in the gym, and I have to be working out in order to be like, this image of a queer man. And it's really funny, because it's not like, I haven't been queer.

01:43

People, you know, because with you, it's, you know, really the brain the inside. You know, what you project? I mean, the the physical is never been part of it for you.

01:53

Yeah. And now I find myself like, wow, you know,

Kirk Keevert 01:58

what, I think all of that is very, very addictive. Is the word I'm looking for? Absolutely. Absolutely. I think it is. I think that that once you obviously, I mean, look at me, obviously, I know not of what I speak. However. I just I think once you start doing that, it's it's you do get addicted to it. And the the adrenaline and the the physicality of it? Well,

02:32

I, I've been there. Yeah, I've done that. When I was still working. I was went to the gym, at my job for religiously for a year. And what you notice is that good looking people are starting to I you or give you the time of day, and it gives you this ego boost, right? Yeah. And then when you gain a couple of pounds, you feel ugly. Yeah. Yeah. And, and it's all, you know, it's surfacey stuff, but it's it's very real. Yeah, I'm sure it is. How do we get out of that?

03:12

I don't know. I mean, because part of me is like, I mean, you know, that whole the whole stereotypical thing about being missed to see teenager who would rather be in the library than

stereotypical thing about being a teenager who would rather be in the library than being in the gym. That was me. Yeah, you know, I never wanted to be around men doing sweaty things. Ever, right? And boy did that. Yes, it did. And now when I'm at the gym, and you know, I'm working out and I'm getting sweaty, I like it. You know, I like being in that kind of masculine environment. Is that it? Well, I mean, it's part of part of it is that and, I mean, I used to have like this real big fear of like being in the showers with other guys. You know, like when you're a teenager you're gonna share that dream? Well, I mean, I no longer fear it. And you know, the shower thing, the sauna thing, the Whirlpool thing, you know, all total. I totally love that. No, never mind the fact that the shower shower number M Asana number three is a very hot sauna.

04:17

I'll keep that in mind.

04:19

So but yeah, I mean, and like you say, I mean, once you start working on and developing, you find out that these people who you think are very attractive are starting to be attracted to you. And it's great. Yeah, but we just can't get too caught up in it.

04:34

Exactly. Exactly. Because it's good for the ego. But you've got to deep down inside remember that it's only the surfacey thing.

04:43

Yeah, yeah. And what's really count I think is I mean, well, for me personally, is how committed the people are to community what their social and political ideals are and I know that sounds like really PC, but that's just me. No, but

04:58

no, I think it's forever everybody. I mean, is their whole life hanging out at the gym?

05:03

Yeah, yeah, that would be. Well, I wouldn't say that. It's because that's what some people do. I know, but it's just not for me.

05:10

No no Yeah Well why don't we play one of your pieces here? Which Which would you like?

NO, NOT TEAM VEN, WHY DON'T WE PLAY ONE OF YOUR PIECES HERE? WHICH WHICH WOULD YOU LIKE?

05:17

Okay, can you hold them up so I can see. Crystal Vegas? How about Yeah, the Prodigy. And you're going to play track number two. And this is the Prodigy from the CD fat of the land. And the song is going to be entitled breathe.

05:38

And you're hearing it on after hours a queer radio with attitude on KPFT Houston, and ke O 's College Station. The number to call to renew your membership is 526573852 6k PF T.

Kirk Keevert 06:01

prodigy from the quack library from the quack music library.

06:07

You bet. It's just lovely. Thanks to Michael Crawford. Yeah, it was still in the studio in case anybody wants to call and and ask him about quack number is 5265738

Kirk Keevert 06:21

but also the number KPFT. Also the number to call if you want to pledge your support to after hours and Kpf T. Spinning which should probably throw in here that you're listening to after hours on KPFT Houston and ke O 's College Station?

06:39

As a matter of fact we are and I'll wait for a minute, because I've just realized that our ke O 's people join us at one o'clock. Oh, yeah. Oh, I didn't realize that until just a little while ago.

Kirk Keevert 06:56

Do you mean like minutes ago or no? Before you a couple of weeks ago?

07:00

Yeah. But while we're there, I'd like to thank the anonymous Baba who pledged support for after hours

K

Kirk Keevert 07:13

anonymous Baba

👤

07:14

yeah came in with cash money. We like that who doggies who doggies is right? We take cash money. We also take credit card.

K

Kirk Keevert 07:23

Oh sure we do all of them. You know what the fun thing is, though? That EFT love the FTS just wacky, isn't it? zany? Is guy guy electrons out there electronic funds transfer and Paul Shaffer.

👤

07:41

Okay, so

K

Kirk Keevert 07:46

let me be I explaining like

👤

07:49

I'm tripping over my tongue. Oh.

K

Kirk Keevert 07:55

I, on the other hand, can trip over might anyway. Feeling goofy electronic funds transfer is a really cool way to to pledge your support to KPFT because it's virtually painless. What they do you decide how much how much what annual amount you would like to pledge to after hours and KPFT? And that that amount is divided into a number like 12? Yes, for months. And each month, that amount is withdrawn automatically from your checking account.

👤

08:29

I think there's a minimum of \$5 a month. Well, okay, okay. Okay. Well, that

K

Kirk Keevert 08:33

seems to make sense. Well, that gets your T shirt. Heck, fire.

08:37

There you go.

Kirk Keevert 08:39

Good lord and butter. I

08:39

know. So, and it's so painless.

Kirk Keevert 08:44

It is I mean, you know, you don't even miss it. You don't even I mean if unless you unless you're like me and you like no matter how much you make you live paycheck to paycheck, he's like, Oh, I have money. I have to spend it. Yeah, I mean, you don't even you don't even have to think about taking that five bucks out. Right? Have your your balance in your in your checkbook there. And so there's the t shirt electronic funds transfer. Okay, good. Okay. Um, so there's that. Can I talk about this? I wish you would Okey dokey. Because I do because you do what I get the Comedy Sports you do get the county sports newsletter and I want to talk about something in the Comedy Sports newsletter since since Michael brought up diverse works okay,

09:26

and while we're there I want to now that it's 102 in the ATM, then I can welcome ke O 's listeners. Yes, sir. Ours. Hi. Hi. Hi, kids.

Kirk Keevert 09:36

Glad you're here. And I mean kids in the nicest possible sense. That said, Yes. I'm an event that Comedy Sports of which I am a member of at the ComedySportz has coming up at diverse works. Oh with diverse, diverse works on February 21. Is the company sports benefit for Gildas Club? What you might ask is builder's club I have no idea. Well Gildas Club is actually the official national charity of Comedy Sports. Oh, and that's that's the only affiliation Gildas Club is a support space for people with cancer and their families. Ah, that's from Gilda Radner. Exactly, exactly. It was It was started by Gilda Gilda had said that she, when she found out she had cancer, she felt like she belonged to a club, that she never really wanted to belong to bad and Gildas Club started in New York, and they're starting to branch out there are there are tentative plans to build one here in Houston. Good. And it's it's not a hospice. It's not a place where people can stay. It's it's it's a support space, and it gives people it teaches people how to live with cancer. Because very important. Yeah. So what were and all the ComedySportz troops around the country having a 2324 ComedySportz troops around the country, each one has a

Gildas Club benefit sometime during the sometime during February. And it may be it may be nothing more than Tonight Show is you know, all of our money is going to be called as club. We are having a special show we have sent out. We're certainly not going to get this money back. But we've sent out 110 cards that that we designed and had made to celebrities. Everybody from I mean, well I hate to I hate to say names, but there were some big names. To you know, not so big names. But there were all people that you would recognize we've gotten some back we've we got a card back from Dan Castile Aneta. Who is the voice of Homer Simpson.

12:03

What do you mean by car

Kirk Keevert 12:04

just basically a index will not index card a little bigger than index card and autographs asked, you know, ask him to autograph kiss. You read a sentiment something like that on it. Oh, and so we're going to be auctioning those off. We've gotten an autograph book from former governor and Richards we got card back from John Osborne nose ring free, wherever and what we've gotten, we've gotten several things back some stuff from the arrows got some stuff from the rockets and the Astros and we're going to be auctioning those off. When does this occur? And this is gonna be February 21, at eight o'clock PM,

12:48

that diverse work at diverse work Damn, this whole show is the hardest

Kirk Keevert 12:52

work certainly is. So that's it's gonna be it's gonna be a lot of fun. We've been we've been really putting a lot of work into it. And we're really looking forward to doing it especially since we're not playing right now on a regular basis because tree beards is is in the process of renovating. Oh, no figures. Well, yeah, it's it's just a big it's if if you've driven by Market Square, I hadn't looked into. Well, you should. Well, I don't know why you should. It's got it down there. The whole downstairs is just gutted right now.

13:21

They're just slightly space. Yeah,

Kirk Keevert 13:24

they're redoing the whole the whole thing upstairs and down. Wow. And are you playing?

13:28

Are you going to be playing at the verse works?

Kirk Keevert 13:30

No. Well, we are at that night. Yes. In fact, everybody that's available. Probably 20 or so of us is gonna be a big big match that night. So it's gonna be a lot of fun. That will be fun. Yeah. Show tickets are 10 bucks. The number to call for that for more information is 71352122 to six now.

13:57

For people who have never heard of Comedy Sports, what the hell is it? I don't know where you're in it.

Kirk Keevert 14:03

Oh, Comedy Sports is competitive improvisation. It's set up like a sporting event but that's that's where the sports stuff ends. Thank God because if you had to know anything about sports, I'd be just clueless except to say that Brett Farve is cute but that's really Matt Maloney is a hawk we're still wondering about Troy Aikens Aikman whatever apparently still wondering what his name is.

14:31

Gordon regardless of what he does

Kirk Keevert 14:35

and no we're not wondering about Troy Aikman we all know he's a camo if they can say it on the Roger grey show, then by God we can say it here. I guess so. Okay. They said no. Yeah, I said all the time. And, and it's

14:55

so it's so so it's competitive

Kirk Keevert 14:58

improv comedy improvisation. And we get suggestions from the audience and do scenes and make stuff up and and people laugh a lot. I know I did when I was saying it's a lot of fun we did we did a lot of shows over Christmas for you know we do we do a lot of private functions for we

did Christmas parties for several companies around town. It's a lot of fun. I enjoy doing it and people that come to see it, enjoy watching it.

∅ 15:23

So diverse works February 21. That's right. It's a benefit for Gildas Club,

K Kirk Keevert 15:27

and it's gonna be a lot of fun.

∅ 15:29

Let me tell you after this show, you'll be able to rent a cot at diverse works and just hang out there. That's right. All this stuff going on.

K Kirk Keevert 15:38

We should let the people of diverse works know that they should get some cards available. Yeah, before we start getting

∅ 15:45

that no lessness away. Realize this is supposed to be a music show tonight. Is it Yeah. Thanks.

K Kirk Keevert 15:59

Well, I do want you to play that sometime tonight. This is it's from the fifth element. And I'll get into I love that. It was such a cool movie. I really enjoyed it. And that diva just paid didn't shave. Oh, she paid for day she walked out and I was like, Oh, girl, and she started singing. I mean, with her little tentacles everything you start singing I like operate. It's just so clear. I love it. I mean, you just have reached in and pulled him stones. With you. It was fun. I want to see I'm gonna run it. It is good. And so I want you to play that little diva thing later. Okay, but

∅ 16:35

there's that, you know, this is we're still doing membership drive. We certainly are. And we're not getting a whole lot of calls.

K Kirk Keevert 16:41

Oh. Why do you suppose that is?

16:45

I don't know. People don't that's the

Kirk Keevert 16:49

extent of it. I thought You thought you'd go somewhere. There are some

16:52

some marathons we do very well. And some we do very poorly. And it

Kirk Keevert 16:57

doesn't you know what I've noticed? It doesn't really matter what time you can't really, you can't predict by the time of the

Jimmy Carper 17:01

year. No, you really can't. And there's sometimes I come on and I just say okay, it's marathon, you know, call in, give us your money. And then we go on to do a show when people do

Kirk Keevert 17:13

it. And you and you almost and you don't even have to hardly mentioned at all

17:16

I know. And other times, it's like pulling teeth Yeah, or whatever.

Kirk Keevert 17:22

And this is dentist week.

17:25

But we you know, we have that thing going with Michelle because she you know she's going to put up 25 bucks. That is so that is just so groovy. And her company is going to put up, he's going to match it for another 25 So, you know when when you give a pledge it you know, just

add 50 to it. Yeah, I mean, this is this is the time to do it. Because it really gives us a lot of money.

K

Kirk Keevert 17:54

I just I think that's I think that's so impressive. I do too. It's very cool. And I don't understand why people aren't calling you folks in College Station who just picked us up the number to call 713526573871352 6k PFT

♂

18:13

This is your opportunity to keep queer radio on the air right. And speaking of queer radio Daniel cardi a openly gay man who has been featured on

♂

18:35

the show they do during the Jay Leno no. Oh, dude, World Cafe. Oh, you're bringing oh hey here has he? Yes, yes, they featured his his which I thought was pretty neat. Well, yeah, some white dude with a shaved head all tattooed on it.

K

Kirk Keevert 18:52

And quite frankly, it does things to me that I just don't want to discuss you looking at that man. Wow,

♂

18:56

that good, huh? Well, it looks kind of funky. The name of the album is Avenue way and the title of the cut we're going to play right now is called tumbling faster. You're hearing it on after hours queer radio with attitude on KPFT Houston and ke O 's College Station Okay, Daniel, cardi a from Avenue A that was tumbling faster. That was fun. Hope you liked it. And he had nuclear music. So JD call me and tell me what you thought of it. Who? Friend of mine out there who is very into queer music. Oh, some shameless plugs. Ready for shameless plugs. Okay, there is a new well, there's a company who is advertising in the voice for the first time it's called Video ace. And it's a book The No it's a Full Service video rental and sales in Pasadena. Oh, they have already in the voice Yes. All ratings G through x. It's 1418 G Spencer at Allen Genoa.

K

Kirk Keevert 20:20

♂

20:23

Oh, see well, that's long gone. Yeah, that's

K

Kirk Keevert 20:25

♂

20:31

And if you can get a hold of a Houston voice and get that ad set under entertainment 10 10% rentals 10% off rentals and buy one adult free film and get one free. Well,

K

Kirk Keevert 20:47

♂

20:50

Buy one adult film and get one free. Really? Yep.

K

Kirk Keevert 20:54

That might be worth a drive to Pasadena. See, not that I'm any sort of connoisseur of adult films. Full service.

♂

20:59

video rental.

K

Kirk Keevert 21:01

Not that I've ever seen a pornographic film at all. Pornographic video on the other hand, all over the place. Coming out my Wazoo tape. Yes. Container.

♂

21:15

Closer to home. I want to remind everybody about Marvins barber shop. They had to move they were in the same location for 46 years around the 900 block of Richmond. Same guy it really a very nice older guy. Straight Guy. Okay, who has a gay son? Uh huh. Half of his clientele is gay.

K

Kirk Keevert 21:38

Good friends gay men go to barber shops I do.

21:41
Shut up

Kirk Keevert 21:46
I don't know what you what do you just go and drop the to pay off and then come back and pick it up later? You grow Jimmy?

21:57
Somebody slapped him? No. In fact, a lot of fact, a lot of leather men go to barber shop. Well, okay,

Kirk Keevert 22:05
there's a thought. Yeah. I go to mom's house dot cuts my hair.

22:10
I say yeah, I just got overpay and you know, \$40 at a stylist and you know, when when I got home and the next day, I could never, I could ever recreate it. So, you know, I really liked the idea of going to a barbershop. Well, they've moved further oak Richmond. And they're in the same center as the outpost. Oh, okay. Right there on the 1400 block arrangement. So stop by say hi to Marvin, and get one of the cheapest haircuts in town. Really? Yeah. Well, I

Kirk Keevert 22:43
may have to do that. Yeah. I hate driving all the way up to spraying. Yeah. Yeah,

22:48
I'd say I've talked about rain in the hospital to see Mala at the time.

Kirk Keevert 22:53
Oh, but but she got a new car this week. Mom ditch. I mean, just throw that in. Yes, the company is leasing our car. Right. So you got a Nissan Maxima. Oh, pissy? Oh, Miss Thing is just paying for days. And I stopped by the office the other day on the way home? I stopped by her

office. Yeah, I was like, Okay, let me see it. So she gives me the keys and I go down and look at it. heated leather seats heated heated Bose sound system. Oh my god. I mean, it's, you know, it's got this little like, quarter size speaker on the door,

23:24

and that blast you Oh, man.

Kirk Keevert 23:25

It rocked. And, and I said, I said I of course, I was just listening to radio and I said, Okay, so do you have any? Have you listened to the CD player yet? No, I don't I keep forgetting to bring one from the house. Well, I haven't have some CDs in the car. Where do you know? What are the odds? And so I left her with eagles Hotel California and this and this.

23:49

I wonder that was in your car? You didn't care if it? Oh,

Kirk Keevert 23:54

my gosh, I love the Eagles. Anyway, I ride and go on. You have it on crank. Anyway, I'm gonna try and this thing that I got Sam is is Hollywood musicals CD. This got like, it's got like, over the rain over the rainbow on it. You know, all these all these songs from from Hollywood musicals. And she just loved that. She called me the next day. And she was like, Can I borrow this for a while? Yeah, sure, mom. So Mom's got her pissy new car and she said, come see me this weekend and you can drive it. I just don't know that. That's consolation enough for going all the way up there. Love your mom. She's asleep. She's not listening.

24:37

Well, you know some moms bribe their kids with dinner some bribe them with cars, you know when? Oh,

Kirk Keevert 24:46

no, not with the car just driving the car and dinner. If mom were to bribe me with dinner, it would pretty much be here. Open the box, throw in the microwave.

24:54

Or she wanted a bribe. You should have some startup there.

K Kirk Keevert 24:58

She can even provide meaning that she didn't provide herself with that. I hate to think how long it's been since she's been laid.

J Jimmy Carper 25:03

I don't want to know. Anyway, I've been receiving several introductory letters from men behind bars have you who are interested in writing to other men? So anybody out there would be interested in that. Give us a call at 5265738. Talk to Roy.

K Kirk Keevert 25:27

And while you're at it, make a pledge. Well, you

J Jimmy Carper 25:29

don't have to, you know, if you if you just want to do the pen pal thing, I mean, because several of them and they seem like really nice guy. We're not going to, you know, take responsibility. No, we're not going to take responsibility. You know, just don't give him money just right. Yeah. Yeah. You know, one guy even sent a picture. Did he? Yeah, pretty nice looking. Where are the pictures in the pink box? Show me later? Well, okay. Okay. But it's coming up to the bottom of the hour. And that means it's just not

K Kirk Keevert 26:03

going their way to the top of the hour.

∅ 26:11

Ashley sketting. Saying that I'm gonna like it. Oh,

K Kirk Keevert 26:15

not on my most hardest day.

∅ 26:19

Not even if you shave those legs. Anyway, that's at 130. Right. And Michelle will be coming to you with the news. And just spiraling down. They want you to remember to have a pen and paper handy because they've got lots of stuff that they're going to be throwing at you

K

Kirk Keevert 26:39

addresses and phone numbers. You

o

26:40

K

Kirk Keevert 26:43

o

26:48

Oh, hey, we got another play. Oh, somebody's got a t shirt. Can Can we say who? Yeah. Victor Victor, a new member. Groovy. And Victor has been listening to after hours since last summer. Wow. And he's still listening. Cool.

K

Kirk Keevert 27:07

God bless you, Victor. Yeah, you and your your immaculate taste. Thank you so much in radio enjoyment.

o

27:13

And, Victor. Because you pledged tonight, Michelle and her company will be adding 50 bucks to that play. That is so so that is really, really cool.

K

Kirk Keevert 27:26

Making it \$1,000,050. There you go. That'll be nice.

o

27:30

And you too can join Victor in pledging by calling 526573852 6k PFT. I want to talk about what's going on in court.

K

Kirk Keevert 27:44

Oh, okay. Well, because there's I got jury duty this week. Why I gotta go to jury duty. I didn't
~~mean that court~~ Oh

27:53

The Royal Sovereign and imperial court or the single star? Yeah, yes. Yes. Well, a lot of stuff was going on Friday and Saturday night. And oh, they don't they didn't have anything on for next Friday and Saturday night. Well, Sunday night, February the eighth. That's next Sunday night. At the venture end. There's going to be a memorial show for Giovanni. Oh, yes. Who died December? Well, we want to December 31. Oh, matter of fact. And that's going to be in the evening at the venture in February the eighth and February the 21st. Well, okay, Shawn is giving a benefit at the venture in at 10 o'clock. Is that going to conflict with your thing?

Kirk Keevert 28:43

You can you can go to actually we need to back up February because February 8. Yes. Is the woman's thing. Yeah. But that's in the afternoon. And I don't mean to belittle it by calling it the woman's thing. I just want to make that clear. But it's a woman's thing at demodulates Already routing. When I was pouting, I won't turn around. Look at him then. Oh, good. God, there's a semi naked man. No, he's entirely naked man in front of me. Kind of likes crossing the cover of blue so I can see as Willie. Okay. Speaking of Willie,

29:20

I just want to throw this on Versace.

Kirk Keevert 29:22

I know it's not I mean, I know it has that little if anything to do with gay, lesbian, bisexual or transgender issues. However, I think Monica Lewinsky is is a psychopathic slot. I'm not a big I'm not a big Clinton defender or anything like that. I just think I just think she's been lying. And now she got caught in it

29:41

about let's see. How can we say this?

Kirk Keevert 29:45

Stars Grauer? Yeah, exactly. Except I don't think she screwed him. I don't either. I don't think she did anything to him. I think she flirted and tried to get something to happen. And it didn't. And so she was telling all of her friends there There's a pair. Michelle.

30:04

Sorry, we're so professional,

 Kirk Keevert 30:06

I think. And I think that she told her little her little trip friend, and probably all of her friends back home. Oh, I've been given Bill Hummers in the Oval Office. Isn't that just the coolest? And? And probably most of body and, and the main reason I think this is because she was is because she was screwing the only straight drama teacher in the country. Tell me I couldn't believe and if you heard this route I, I couldn't. I couldn't believe I heard him on the radio. I haven't seen a picture of anything, but I heard him on the radio. And he was like, Yes, I have discussed this with my wife. It's like, Girl Bucha you're trying to tell the world that you've been talking to Monica Lewinsky, but

 30:53

we're Where are we going with?

 Kirk Keevert 30:57

You give me a microphone and let me babble. I'll keep you entertained for

a couple hours. While you pissed off, Michael. That's where we started.

 Kirk Keevert 31:04

The company sports what time is the Comedy Sports thing? Eight, eight. Okay. Then you can run over to the benefit at the venture in okay for the court. Okay. And like, like I said last week, I still want to congratulate Emperess 14, Jennifer Ellsworth and Regent Emperor 14. Buddy Thompson. of the court. It was

K

Kirk Keevert 32:08

so funny. I think. Was it Michelle? Michelle? Are you ever there Michelle?

∅

32:13

She is a

K

Kirk Keevert 32:15

turn. The night the night that they announced all that. Yes. Y'all came in and told me that buddy Johnston had one.

 Kirk Keevert 32:44

 33:11

Jason from hatch just walked in. I got my machine from him tonight. Wait, that's the music from dance, which introduces the new segment on after hours. New news. Oh, good news, local and whatever news that big Roy and Michelle can dig up for you.

 Kirk Keevert 33:35

You guys gonna be doing this long enough for me to go smoke.

 33:37

Oh, yeah. Cool. See, take five, five. And here we are. Okay, want to start off the news this week with a little bit of a sad sad note here. As you probably already gathered, my guys nerd left us after a very hard struggle with cancer back on the 12th of this month, and he survived by his partner Neil Thompson. Now Mike was a member of the National leather association of Houston since 1993. And President from 1994 through 97. He was also an independent member of the Texas conference of clubs, and most recently a member of the Royal Sovereign and imperial court of the single star. And this fellow supported many educational and charitable activities held throughout the year. And so we've lost a very significant and very dear member of the community and he will sorely be missed. And a memorial service was held Saturday. Today at the venture in in Houston.

 Michelle Meyers 34:51

On a on another note here, I'd like to mention that they there are a few women out there in the

community, lesbian angels as they're called, who have organized Sunday food for Montrose, homeless, oh, that's Linda Allen and Frank, Frankie, Toronto. And they get up early in the morning each Sunday morning and they pass out free brown bag lunches to the homeless. Now these women are not part of an organization, they're doing this on their own great. But they're targeting older people who can't work due to their age or health, although they say that no one who is hungry will be turned down. And they were Christian Christian the angels by one of their local recipients. So they are well, they will welcome any food donations, especially from local businesses. And anybody who wants to help them, I've found to volunteer are encouraged to go out and to get on the phone with them and talk to them. You can call on Linda Alan's at area code 71352305998. Let me repeat that 713-523-0598 Or Frankie fronto at area code 71345568212 Women who are really helping out in the community.

Right. Now according to an Associated Press news release, new AIDS cases rose more than twice as fast among those over 50 years old, then among the younger adults between 1991 and 96, suggesting that older people aren't protecting themselves against the disease. 6400 AIDS cases were diagnosed in the United States among people at least 50 years old, in 1996. Now that my friends is a 22% increase from 1991. Now cases for the 13 to 49 age group rose only 9% During that same period. Now, more of the older folks have been infected by unprotected sex then from injected drugs. Older women as well. The number of new AIDS cases linked to unprotected sex more than doubled between 1991 and 96 from three
