P

Peter 08:41

Fabulous. Nobody knows how to you know what it is no dancing. No. What do you know? Honey is the most fabulous thing in the world. You know that the like think of Mardi Gras in New Orleans. Okay, okay, now the cruel lampposts puts on this gigantic parade indoor Yeah,

J

Jimmy Carper 09:02

like an indoor parade. Getting in at the

P

Peter 09:05

J Jimmy Carper 09:11

what they're called tableaux. Tableau, yes. Where someone stands there and just kind of models

P Peter 09:19

honey through beads and they carried on and they scream and yell and the you know, they had this it was pride. It was the Pride and Prejudice Pride and Prejudice. It was the most the game ever the theme of gay pride thing of this whole last year and Pride and Prejudice. It was wonderful and each and every one of this thing like they did a big thing with the flag and they did a wonderful thing. They did everything that's that's prejudicial and prideful starting

J Jimmy Carper 09:47

with with Nazi Germany starting with Nazi Germany. Yes.

P Peter 09:51

Peter 13:10

past years. You see, it's usually just the medallion that's inside that they gave two special people.

Connie 13:21

Well, in New Orleans there even the fact that we were in New Orleans. They're called platoons or blood balloons.

J Jimmy Carper 16:49
She had like a 25 foot black velvet and sequined train. Oh, it was gorgeous. Sounds like

P Peter 16:58
the Queen of England has never seen such a deal. It was just absolutely How do

J Jimmy Carper 17:04
you that that train cost a week salary? Girl

C Connie 17:10
making some money.

P Peter 17:13
I mean, I heard that rather than move the train they moved the sewing machine. That big and that heavy and that fabric? I believe it was gorgeous and just gorgeous. Okay,

C

Connie 23:09

Anyway, that must be a new feeling for you. But anyways, what did you bring tonight?

P

Peter 23:15

I brought this. You know, do you remember that time that I told that joke about the sun that

I brought this. You know, do you remember that time that I told that joke about the guy that went to hell?

 **Connie 23:22**

I have told that joke so many times and so many people in case

 **Peter 23:25**

anybody hasn't heard it again. I'm going to tell it again. Because it's so fun. Okay, this guy dies and goes to hell, right? And so he meets Satan and Satan says So hey, you know welcome and the guy said, oh my god like it here. Saying goes well, you worked hard enough to get here. You probably will. Okay, so what happens the guy goes well, on Monday, Satan says we smoke you smoke guy goes yeah, the smoke goes great. On Monday we smoke and smoke and smoke and so I was my was my was my good smoke and smoke and smoke and smoke and smoke and smoke and smoke till we can't stand anymore. Oh, all right.  **Connie 24:31**

cuse me

 **Peter 24:32**

live it. Anyways, so the guy this friend of mine, who's listening to this show from God only knows where this note says Sunny, Southern California. Now how does radio show get the sunny Southern California? God only know they got some weird stuff. They do. And I don't know how we made it that far. But we did. Oh, and so he sent me this joke. So here's the joke. There's a conversation about differences between heaven and hell. Okay, so in heaven all the cooks are French their cooks are French cooks are French and all the police are English. bobbies, okay? The mechanical work on your car is all done by the Germans. Absolutely. And the lovers are all Italian yes Lord and this is wonderful stuff is all coordinated by the Swiss okay

but in hell all the cooks are English Okay? Boil but they just don't go far all the police are German all the French mess with your cars all the lovers are Swiss oh damn mess was ran by the Italians somebody

C Connie 25:52
apologies to our Italian

P Peter 25:57
I thought that was tricky did you not think that was me and guess what else somebody sent me? Girl I don't know where this came from. But I think this is too fine for words. It is a newsletter January 1997. Number three men's edition guy knows what that means. Volume six number five. Can mayor's loving you large support network. So this

C Connie 26:22
way it is that your address I see on the front? No, it's you. Subscription.

P Peter 26:26
Oh, no, not really. This is this is all about a bunch of women out there man. There's just like, like, generously endowed Pam 40 years old DFW whatever the fuck that means. But it is on five six to 10 pounds. Moon lit nights poetry football being pampered off the wall humor and romantics for the mean they have all it's just loaded with all these things and whatever's on whatever's. And it's this newsletter for rather largely endowed people.

C Connie 27:03
Does it have

P Peter 27:04
any doubt people just large people obviously.

C Connie 27:07
Did they have any people who are looking for these individuals? Or is it

P Peter 27:12
Yeah, I guess it's it's women must strive to touch their uniqueness and sexuality on their own.

They can't take their cues from advertisers or self imposed role models. Our world is about making money, not healthcare quality of life, ladies is not about your happiness, so don't pursue a body to die for. Does it make sense to torture yourself through starvation? God knows. Connie, you don't want to do that for amusement or tormentors and and so it's all about these big big big people. So it's this support network for loving you large

C Connie 27:45

but who is kin mayor's I don't have a clue.

P Peter 27:48

I just got this in the mail. And those little things and there's these little love Lauren columns and this and that and I thought I'd give it to you.

C Connie 27:58

Thank you I have a love interest and well

P Peter 28:01

honey just because Wayne send you an outhouse doesn't mean that you know

C Connie 28:08

you might be up for parole

P Peter 28:11

God only knows I wish ball was row there's razor it's

C Connie 28:16

a great thing because who would enjoy sleeping with like Kate Moss? A stick figure girl?

P Peter 28:23

A nobody? I just don't get that question for the cushion. For the low.

C Connie 28:28

What did they say? It's not the size of the wave. It's the motion of the ocean.

P

Peter 28:33

Oh, you couldn't I couldn't have said it better myself. But here is this lovely way you can give it to your love interest in yourself and maybe we can find a three way I'm not gonna I'm not gonna go there.

C

Connie 28:48

Probably wouldn't be enough room in the bed.

P

Peter 28:55

Oh, have to say it, didn't she? She just had to say Don't you do have a king size bed that are too precious Of course. Thank God. Oh, thank God. Well, what did you find for us tonight?

C

Connie 29:10

J Jimmy Carper 38:39
the more fun times that I've had in a long time. We had a nice large crowd. We had mobile we had a foot and we had roller skating and bikes. It was just

J Jimmy Carper 39:37

and I don't I'm not everyone knows I'm not a computer person at all. I'm still a virgin.

G Glenn Holt 39:43

A computer version Yeah Can digital version but

J Jimmy Carper 39:47

you know when I heard this

G Glenn Holt 39:51

was was hot. And you're gonna be hearing about it that we've got advertisements in in all of the major papers and magazines. I say the whole back pay To the voice. And that's right. And it's also going to be on krB II during primetime. Now the reason for all this is because we have been blessed to be to be sponsored by for this event by a group called multimedia world. It's paradox media is the Promote promotional coordinator. And what this is all about is CD ROMs. And you're familiar with what those are. It's like the Compact Disc second compact disc. And that does stuff, right, you put it in your computer, and it brings up pictures and it plays games for you. And it's got software on it. They have a wide selection, and I've held some of them in my hand. Yeah, they have a wide selection of compact disc CD ROMs for your computer, which have, they're all adult oriented. Some of them are produced here in the States and some are

from Europe. And they run the gamut from exercise videos, you know, with naked men dancing. Oh, yeah. I know you like Oh, yeah. too. Hard core. s&m. Really? Yeah. And everything in between. So I mean, there's there's straight stuff. There's bisexual stuff. There's like two women and one guy. There's two guys and one women. Sit, there's okay. Okay, you're on.

P

Peter 41:22

Oh, good. I want to be part of this conversation.

G

Glenn Holt 41:26

G

Glenn Holt 41:37

These, these CD ROMs have pictures, they have videos. Some of them have games, interactive games, you know, like this, strip the model or

P

Peter 41:50

stuff like that. Where does this tell me about when you get this What's

G

Glenn Holt 41:54

Well, these are this is being introduced to Houston by this company. And by way of introduction, they're doing this fundraiser for Q patrol.
