G

Glenn Holt 00:30

you come out to Rich's this coming Friday night, they're gonna have computers set up at Rich's. Oh, yes, a CD ROMs playing Oh, so you can interact with them and play with them and see what they're all about. Plus, we're gonna have another interactive play with somebody who's playing well, that's okay. Because you can do that. And we're going to have models, dancers, dancers and tittie dancers. Whoa

G

Glenn Holt 01:02

Yeah, and they're gonna be doing they're gonna be signing autographs and too you can take your picture with the with the dick dancer. So, you know, I asked the guy said, Well, okay, can I get the dick dancer to sign my butt? On I will. About that. But anyway. Wow. Thanks, sweetie. This is exciting. Not only are they going to be raffling off this multimedia computer, that's the first prize Oh, second prize. There's going to be CD ROM has given away his door prizes. I found out last night from the guy that's organizing this that one of the one of the record companies here in the Montrose has has given up some CDs. So I mean, regular music CD. Oh, so that's going to be part of the package dice. Hey, great. So we have the adult entertainment celebrities, the video demos of the CD ROMs photo ops with the celebrities and dancers. Of course, a good time to be

J

Jimmy Carper 02:00

had by all No kidding. And roll gets the benefit you

G

Glenn Holt 02:04

patrol benefits. That's cool. Yeah. Are you on the internet? Yes, I am. Alright. Yeah, Q Patrol has a website. It's www.surf.com/q. Patrol, and you have to capitalize the Q and the P. And we have a very nice website up there. How cool. And if you want to take a look at the company that does the CD ROMs, they have a website at www.cdDashROM.com for you. And that's the figure four and then the letter u.com. So I'll say that again. www.cdDashROM.com for you.com. Cool. And, of course, I have a website, too, if anybody's interested in that one. Oh,

P

Peter 02:51

is there a website that somebody can put on for me, but looking for Hispanic men that you know,

G

Glenn Holt 02:56

oh, there's lots of rooms, full figured women? Lots of chat rooms where you can sign on. That's a good way to meet people as chat rooms. Ah, and

 Peter 03:09

I know I can hardly wait. I was bogging it all on one of these things. And he is and it would just be dude, God.

 Glenn Holt 03:16

I was on a chat room earlier this week, and we were in the middle of chatting and one of the people started sending pictures in the middle of our chat. What kind of pictures do that? Well, it started out with lesbian threeways.

 Connie 03:31

Wow, thank you send that to my email address.

 Glenn Holt 03:35

And then it devolved into bestiality. Whoa, whoa.

 Connie 03:41

I kept that to themselves. It was

 Glenn Holt 03:42

the it was the German Shepherd and the lady. And then the snake and the lady. Oh, no,

 Peter 03:48

no, no, no, no, we didn't. Only they're connected to a gorgeous

 Glenn Holt 03:54

but anyway, getting back to our subject here about the high the high tech fundraiser for Q control. Yes, tickets are available at any of boots enterprise. Yes, it's like Boudreau is on leather by boots and all that sort of stuff. Weatherford can also get them in the door, right? Yeah, you can get them with the door. What are they at the door? They're \$10.10 doors the door? 10 bucks at the door? Yeah. Then that includes a raffle ticket

P

Peter 04:19

includes raffle tickets. It's a \$5 raffle ticket and then five bucks.

G

Glenn Holt 04:23

Ticket which is normal. And also, if you've been out there on the streets recently, the the queue patrol fundraising and recruiting booth at Pacific Street. Yes. Last night and tonight has been selling them. Hey.

J

Jimmy Carper 04:40

All right. And that's located where

G

Glenn Holt 04:43

that was at Pacific Street. I think since it's after midnight they they probably shut down oh by now. Okay. Yeah. And there are probably some other locations around town by now where you can get the tickets

J

Jimmy Carper 04:54

as well. But if worse comes to worse, you can always get him at Rich's. That's right. Just show up. Have a nice day on Friday right and riches is located where?

G

Glenn Holt 05:06

Oh, that's a good 120 401 San Jacinto. Yes,

P

Peter 05:11

everybody knows where wretches is honey.

J

Jimmy Carper 05:12

Yes right around the corner from the tubs don't even want to go oh yes we do

P

Peter 05:20

20 more days and you won't be able to go there again. So be law comes in.

J Jimmy Carper 05:26

I know but there'll be

P Peter 05:28

magicks dancer they'll be glory halls, no bookstores. Yeah, yeah right now Miss Miss Carper. Yes, we have never done a bookstore or a bath.

J Jimmy Carper 05:44

I'm so sorry.

P Peter 05:46

That quiet in this dead silence that dead,

J Jimmy Carper 05:50

so deprived.

P Peter 05:53

Well, honey, I just don't know how to do those. I need somebody to show me how it's like

J Jimmy Carper 05:59

learning how to swim. You just jumped into the deep end, honey. Oh, no.

P Peter 06:04

I don't think we ever did they have big towels. Yes, do they? Course you have to pay extra dammit. It's like everything else.

G Glenn Holt 06:14

I don't. I was wondering about the bookstore. So where do you put the tokens?

P Peter 06:20

God only knows I don't even want to go there.

C Connie 06:24

headed down in eglee road.

P Peter 06:26

I think this is information overload I KPFT.

C Connie 06:31

Am I too much? Fran, you're

P Peter 06:33

still not listening? Oh, no.

G Glenn Holt 06:36

If anybody wants any more information about Q patrol, the number to call is five to eight safe.

J Jimmy Carper 06:41

That's right.

P Peter 06:42

And God knows we love the Q patrol. We do we do they have saved many a person. Yes, really, I was out walking between one of the bars on Pacific Street. And there were just this great little entourage. And somebody started being really stupid, and a car. And all of a sudden there was this, they came out of out of nowhere. And really like, you know, made the evening and said, you know, thank you and good night. It was really nice, because this person was not feeling real comfortable at the moment. You know, I patrol and the rest of us we you know made this little number like this is not where you belong. Thank you very much. Please come back to Pasadena Kingwood. wherever you came from. Leave us alone was really good. Yeah.

G Glenn Holt 07:32

I've heard that back from several people actually, that. I mean, we we often don't hear that. But

occasionally we hear back from people that we just happen to be there at the right time. Yes, yes. And that's the main thing about how cute patrol works. And visible determine

J Jimmy Carper 07:48

the fact that we can have a mobile a foot and roller skates and bikes, we can cover a lot. We can be in a lot of places at once. And we're all connected by radios and we're all connected by radio. So your system is secure. If something happens anywhere that the mobile can be there in just a minute or so

G Glenn Holt 08:06

it's okay most people on skates they fly. That's right. They

P Peter 08:09

really ran one of those poor babies down the other night. Jesus, it wasn't pretty, right? It's screaming out around schools running overnight. isn't gonna work for maybe. Good God, man.

G Glenn Holt 08:23

The really neat thing is that the straight community seems to recognize the Q patrol symbol because if the troublemakers see the Q patrol symbol, they move out. And they seem to know what it is.

J Jimmy Carper 08:35

Wow, that's fine. Yeah. That is fine.

G Glenn Holt 08:39

That's exactly how we want it to be back.

P Peter 08:41

Thank you very much. Yes, yeah.

J Jimmy Carper 08:43

We also we took a couple of breaks last night we went to love craft, which is really it's a fun. It's on Fargo or something? Yeah,

G

Glenn Holt 08:53

yeah. Well, you know, there used to be a Mexican bar way off in the corner of the Magic Kingdom. And it was kind of a chroma key blue color. And now I don't have a

P

Peter 09:07

clue where you are. Okay.

O

09:08

You know, we're fair viewers. Yeah. Thank you. Okay, that now it's on the other side of Fairview from the side you're used to. Fargo runs parallel to Fairview. It does. Yeah. Okay.

P

Peter 09:22

How many blocks north?

G

Glenn Holt 09:24

One block,

P

Peter 09:26

one block. One block. one block north of Fairview. Yep.

J

Jimmy Carper 09:31

You can kidding. No. It runs parallel north of ripcord. Yes, it is parallel. And around Whitney.

G

Glenn Holt 09:40

Yeah, and Whitney is probably closer to 20 T shirts,

P

Peter 09:44

right? Yeah. Okay, right. Got that down now. Right.

J

Jimmy Carper 09:47

And it's a it's a little kind of a punk bar. Actually, there's a lot of little little of everything going on here. Stray.

G Glenn Holt 09:55

Whatever doesn't matter at that.

P Peter 09:57

Point. It really doesn't

J Jimmy Carper 09:58

know it does not matter. Everyone is welcome. Oh, and we stopped there. You know, I know whenever I'm on patrol, we usually stop there just to check how everything is going and they have some of the best coffee in town. Did he used to be Lola's? No. Okay, that's at the other end. Okay, okay. Yeah. All right. Sounds good.

G Glenn Holt 10:21

It's a nice little place that that Jimmy it's a nice little place that Jimmy has been talking up and they when they opened up, they were, they were a bar without a constituency. Right. And

J Jimmy Carper 10:34

now they have one. They have one and it's great to see. Divergent people. All getting along having a good time together.

C Connie 10:42

That is cool. Yeah. Is it like a hangout place? A bar?

J Jimmy Carper 10:45

Yeah. tavern II type place. There's a TV there and pull tables and sofas and, and,

G Glenn Holt 10:53

and two black and white movies playing at the same time on the same screen and

J Jimmy Carper 10:58

you know, all kinds of stuff going

P Peter 10:59

on. So, Jimmy? Yes. Have you been to rascals lately?

J Jimmy Carper 11:04

I have not been to rascals lately ever. No, I've not been to rascals at all. You gotta be kind. No,

P Peter 11:12

so Fabrice. Not you promised me you were gonna go. I know it. I know honey, and is to die for. It really is. Yeah,

J Jimmy Carper 11:20

I know. I know. I know. I think they must be paying him something every every fine. Everyone who's gone to rascals has raised beds

C Connie 11:28

in a beautiful bar. It's really beautiful.

P Peter 11:30

I took Connie. Yes, she loved it. We had good time. And what are you going to do for Superbowl Big Jim? Hi. Jim, I was spoken. go poopoo Oh, Spoken like a true queen.

C Connie 11:47

I think the top 10 list is something that Jimmy should listen to. I think the

P Peter 11:51

top 10 was Jimmy should listen to tonight because it's gonna be big time Super Bowl stuff. But they have this they're gonna do fun things and Monday night Devil's pool tournament and Wednesdays they have this great little strip thing you know with cash.

J Jimmy Carper 12:03

Excuse me. When you got my year there

P Peter 12:07

strip night. Rascals. Yes, it is big fun. Amateur strip right now. You know these professional? No,

J Jimmy Carper 12:14

I like the amateur. Yeah, sometimes the pants come down. Yeah. Oh,

P Peter 12:17

you're right. Exactly. And it's big fun cash prizes. And they're gonna have this gigantic Mardi Gras ball and you and I could wear all of our little betta already dressed for it. It's gonna be on February the eighth. Yes. Mardi Gras bra, dressing your favorite Mardi Gras garb? Then you God knows you have enough beads. I'm looking I know. And I got enough. And we can you and I could go that. And every Friday is this video post office. What's that? Honey? It's too fun. You get this number and you slap it on your chest. Right? Yeah. And then other everybody's got a number. And there's these little tickets laying all over the bar and you write little messages and you take them over to the the DJ, which is you know, Brian, by women, Brian, the game from the mine. Yeah, who would you use to just pack them on Sunday night, honey, he's got that place rockin. He's over there full time. And so you turn this little thing into the disco guy. And you can write little things like, you know, you see this number somebody really want to get like, you know, you number you know, 176 meet you in the bathroom and kneepads, you know. So funny. And so these and then they put them up on all the video screens all over the bar. So you read your messages, and then you may get one and it's from somebody you gotta run around, find out who this number, whatever it is. It's great fun. On Fridays, it's really fun. And Wednesdays, Wednesday, Thursday, and Friday, they have like from six to eight they have a little buffet and there's been fabulous.

C Connie 13:41

You know, Peter will be at the buffet. Yeah.

P Peter 13:45

Don't even talk about the vase. Connie. Please, girl. So yeah, it's really big fun. Maybe we ought to do. Maybe we ought to do the the top 10 thing. Well, I

J Jimmy Carper 14:00

want to tell everyone that they're listening to after hours on KPFT Houston and ke O 's College

Station.

C Connie 14:08

Are they absolutely. Or else would they be? Well,

P Peter 14:12

they just wouldn't be anywhere else but right here right now.

C Connie 14:14

You know what Peter? I think since we were talking about the CD ROM stuff and all the great stuff going on with Q Patrol this little story. Mr. Wrong goes perfectly with that you think so? It's all about the online stuff and who you meet on online and are they who they say they are? Because there's no way to tell? You just have to take their word for whatever they say. Ah, you could be anybody and that's what happened to this poor woman. Really? What's the title?

P Peter 14:41

Mr. Right wasn't a Mr. Woman seeks an annulment after finding out she was due. And you know you This is from Associated Press Alexandria, Virginia. Margaret Anne Hunter had been a bride for four months before she discovered it just how big a mistake that she had made the biggest not only was Thorn Wesley Jamison grows not Mr. Right? He wasn't even a Mr.

C Connie 15:12

Okay, this was a woman Thorn groves

P Peter 15:15

whom Hunter first met through the American online chat room baby. Let me tell you about your chat room stuff was really Hollyanne groves a woman who claimed to have AIDS to avoid intimacy in the bedroom and who bound her breasts sat with elastic bandages because of what she said were chest injuries suffered from a car accident this poor woman, Hunter said that when she confronted grows with her with suspicions confirmed once and for all by a look at gross passport photo. The woman admitted the deception and gave no explanation.

C Connie 15:54

I'm sorry, but do you marry somebody that you haven't seen naked?

P Peter 15:58

Hello? Connie. We're not even married. And I've seen you naked almost. Oh. But that's because I've known you since you were 14. Anyway, he wasn't after my money because I don't have much said Hunter, who still refers to her husband as he. I know that he did. What he did was incredibly hurtful and cruel and fiendish she says, as to why he did it. I don't know. I don't think Thor knows either. Hunter is seeking an ailment. She also file for 575,000 fraud suit. Among other things, the cost of the lavish wedding her parents put on right, they

C Connie 16:40

had a wedding at the Ritz Carlton Say it isn't so it's so. And you know, when she was on Oprah talking about this, people asked a question that all of us were wondering, did you ever see any genitalia? I mean, how didn't you know? And she said that things just came about. So gradually, and they're such a logical explanation. Each time an issue was raised that she just bought the story. And that, you know, the woman who was supposed, supposedly the husband told her that he had HIV. And that's why they couldn't have sex together, then told her that they couldn't see each other naked as so they wouldn't be tempting each other into a sexual situation, and was in an accident and had to bind her ribs, which were actually her breasts. I mean, at this point, I would assume that something was wrong, terribly wrong.

P Peter 17:32

And bind those but he has taught us I promise not to hurt. And

C Connie 17:36

the way she actually finally found out she had kicked him out of the house because he wasn't helping to contribute to income. So he was basically living off of her and saying he was sick with HIV. Well, he wasn't getting sick. And he wasn't working. So she kicked them out. And an ID came in the mail with his picture but a woman's name. So that's when it all clicked and made sense to I

P Peter 18:01

think it's funny, like her lawyer. Put it this way, if you meet someone in a bar, and he said he had a Jaguar and you go outside and there's no Jaguar you might be suspicious, but that can happen on an online camera it

C Connie 18:13

really Oh, it's scary. So I mean, just I know a lot of you out there are and

P Peter 18:19

in the wedding photos, the groom strapping physique yields no clue that he's a woman.

C Connie 18:25

He would kind of womanly to me when I saw the pictures. But

P Peter 18:29

But how could you share a bed with a girl for four months and not discovered the Jimmy, come on? What did you do for four months? How low? And she said

C Connie 18:37

there was never any sexual contact? Come on. You're married? Somebody's doing something?

P Peter 18:44

Well, yes. I don't know why this is going on.

C Connie 18:49

What's really going on?

P Peter 18:51

I've never met any new friends. This person never had a family had no history, right? Oh, I don't know.

C Connie 18:57

So the lesson here is that for those of you who are online and are meeting people, just use some common sense. People are not always what they seem on what they say on the computer. Don't go traveling across the country to meet somebody that you've just met online. Because you just don't know. I mean, what's going on? Hey, thank God, she escaped. I mean, all right from this, it could have been somebody

P Peter 19:26

she looks a little dance or pictures, papers. She looks

C

Connie 19:29

a little slow at the brightest bulb. And this woman who dressed up as a man I mean, she's a sandwich short of a picnic that's just not

P

Peter 19:46

short of a job. Oh, it's back, but it's not stopping and all the floors really. That's scary. That is scary. That is so that's our Mr. Right wasn't Mr. Ride from the Houston Chronicle January 12 1997.

C

Connie 20:05

And thank you research department for doing that.

P

Peter 20:09

Yes, we found that right there screaming at us like how could you be so damned?

C

Connie 20:21

We amuse ourselves. We amuse ourselves.

P

Peter 20:24

Thank God we do because maybe nobody else does too terribly Damn. amused. Let's do top damn

C

Connie 20:30

do all right. The big game is coming out tomorrow. Big game between the Green Bay Packers. Great the pack

P

Peter 20:38

is back for you. jocks out there. How much attack

C

Connie 20:44

and New England New England Patriots. Is that right? All right. I'm doing exactly right girl. My girlfriend's got me taught.

P Peter 20:51

Oh, they all drive those damn. Explorers and trucks and shit. They have probably know more about football than we do. Girls.

C Connie 20:59

All right. So it's okay, we're doing the top 10 reasons to watch

P Peter 21:03

the Super Bowl the top 10 reasons Where's Jimmy Carper really watch Super Bowl, he's write all these down. He needs to take notes. He needs to do this. And he's invite friends over. He needs to just do it. Absolutely.

C Connie 21:18

Peter you want to start with number 10

P Peter 21:19

Number 10 The talk before

J Jimmy Carper 21:21

you start that Yes. I really wasn't listening to what you were saying but I'm sorry.

Ω 21:29

I am produced

P Peter 21:32

she's squiggled in her in her silver vestido in the other room sparkling like you know I max Mark jeweler window.

J Jimmy Carper 21:41

Joe you were talking about some some transgendered thing

P Peter 21:46

we were talking about this Mr. Right? Wasn't Mr. Right? And this poor woman seeks an old man after finding out that she was duped. This baby evidently met this guy and online. And four months later found that it was a man it was a woman a woman excuse me a woman there are lots

J Jimmy Carper 22:01

of female to male transsexuals. It was

C Connie 22:04

transsexual No.

P Peter 22:06

Oh, it was just but how could you do buddy buddy for like four damn months? What were they doing? Well, hello.

J Jimmy Carper 22:12

Evidently not sex. Maybe. Other thing?

P Peter 22:15

Well, no, obviously not even things. I mean, hey, how do you get in bed every night? This is like that mirror. What was that show with Barbra Streisand was the mayor has to face the mirror has to face and how long did they spend tilling around in two other beds. But anyway? This just wasn't sick, sick sick issue. Well, now maybe. Well, now read there are

J Jimmy Carper 22:40

lots there out there from from? I haven't seen that. Well, you can have it from history there. There really are a lot of people who may have done this.

P Peter 22:54

Why not? You know, I was I do? Well, I did counseling. And this friend of mine went to New York.

J Jimmy Carper 23:00

Somebody that was kind of sad. They may be in transition was

P Peter 23:02

out at a party. Just not knowing what was cooking. Went home with this person. Yes. And when things finally got right. After lots of whatever's and all of a sudden found out that there was an appendage there that he hadn't planned on. Oh, that's not a nice one. This boy. And this boy for live thought he was gay. I mean, just like it took me like, well, months to get that all straightened out. But this poor thing. She doesn't look real bright in this picture. I mean, just not a real bright bulb. And as Connie said, but how could you spend four months and now see this person \$575,000 And God knows what all for this big mistake because she wrapped her boobs because she was in a car accident. God knows what all 1000 Nothing. I mean, like hey, well, excuse me the sex careful in the chat line very well.

C Connie 24:00

That's what I'm thinking. She says there was no sexual contact at all, but somebody was doing something. For months of marriage months.

J Jimmy Carper 24:09

Remember the old Lucky Strike? Is MFT less let's screw my fingers tired

P Peter 24:20

Thank you, Jimmy. I thought less time means fine tobacco.

C Connie 24:26

I don't need it to be explained to me.

P Peter 24:28

Oh, you don't miss Connie. We all know we're getting ready to the top 10 Okay, so

J Jimmy Carper 24:34

we really wanted you to listen to this because I'm going to listen to this

C Connie 25:00

I mean, come on. That's reason enough right there.

J Jimmy Carper 25:02

Yeah, but I don't have to listen. I don't have to watch that lousy game to do that. Yeah.

P Peter 25:06

A lot of people do. They don't have an excuse. They're all on diets.

C Connie 25:09

All right, but number nine, this is a good one. If you didn't watch it last year, you Miss Diana Ross performing at the halftime show. And you don't want to miss something like that again. Really? So those of you who didn't watch last year

J Jimmy Carper 25:23

P Peter 25:27

are good reasons to watch the Super Bowl. Testosterone zone. Testosterone zone testosterone zone.

P Peter 27:25

reconsider breakout the junk food it's your chance to sit there and just gorgeous up on stupid things you can never allow yourself to eat on a regular basis when somebody said You sat around all day and they weren't

C Connie 27:36

on Super Bowl Sunday there is no calories there's no fat grams. Thank you. Just eat to your heart's content

P Peter 27:43

DVD am Connie God knows all right. We don't need to go. testy I'll miss things she spent too long at the midnight buffet. Good.

C Connie 28:01

We got in the news. Let's move on. Let's move quick counties. Abuses to one sided All right.

P

Peter 28:07

Get a grip girl. Come on. You can fire back. You know how it's done.

C

Connie 28:09

That's right. I'm above it.

P

Peter 28:12

Get that forked tongue of yours out. Make it happen.

C

Connie 28:16

Don't tell my secret weapon. Oh my

P

Peter 28:25

goodness. My hair is so gorgeous. And you brought your coffee err. This night with you? Yeah, it is the most gorgeous red color of just honey. That's

C

Connie 28:36

my good friend Charles is work and people think all the time that's natural. I was meant to be a redhead. You were you were the guy wrong. Oh, yeah. When the wrong lines. We got hair mousy Brown. But now I'm a beautiful redhead. Oh, is that color all over? Well, you'd have to ask. I don't even want to go there. All right.

J

Jimmy Carper 28:58

Yeah, well, Paul does.

P

Peter 29:01

Oh, no, Paul's Wayne honey Wayne is her

J

Jimmy Carper 29:05

you can Oh, okay. That's right. Wait, go. Oh, you're

P

Peter 29:08

gonna see these little claws come out. Ooh.

C

Connie 29:12

We would have to ask Charles about the hair color everywhere because he does my hair. So.

P

Peter 29:18

Hey, a woman's hairdresser. What can we say? He knows I think I'm gonna be a coffee here.

C

Connie 29:23

All right, we got another ex wife.

P

Peter 29:25

Oh, what's your article?

C

Connie 29:26

The research department busy as usual has turned in this month. A story about we love her Babs. We love Streisand. She's like butter. But she's like, like a tub of butter. Like

P

Peter 29:40

a tub of butter. Oh, she

J

Jimmy Carper 29:41

gained weight. Oh, no.

C

Connie 29:43

Don't talk about Barbara.

P

Peter 29:45

Don't talk about Beyonce. It's called 4444444

C Connie 29:51

Thank you for joining us for coffee talk coffee talk. So

J Jimmy Carper 29:54

what did you really think of The Mirror Has Two Faces.

C Connie 29:57

I haven't seen it. Did you like it? Yeah.

P Peter 30:00

I did a love story. It's kind of cute. I mean, you know, most happy endings Did you like I loved it actually. All right, we're all who does who the only one who knows what color. Connie? Lingus is real live QB care is what color I think we can we already too late it's a down deal now.

J Jimmy Carper 30:22

So what color is your public hair?

C Connie 30:26

My public my private is another story so what it does stem from

P Peter 30:37

Oh, my God and we've obviously only

J Jimmy Carper 30:42

to step all over that.

P Peter 30:43

Oh, Lord, why do I

— · — - - -

C Connie 30:46

have to be the punching bag in this family?

P Peter 30:50

Oh, just because because you got it quick enough to jump me that's why

C Connie 30:56

I couldn't get up that I

P Peter 30:57

Oh, girl. Well tell us about bad. What did our research department find?

C Connie 31:03

She has a son by Elliott Gould. His name is Jason Ghul. She does Yes.

J Jimmy Carper 31:09

Used to be in love with an international male model. Yeah. Oh,

P Peter 31:14

that two rows from him at her concert in Detroit. Who is a good looking boy? Yes. A Yes. Dedicated this fabulous song to him in case you have not seen the Barbra Streisand H. Bo rerun of her concert

C Connie 31:27

but we know that everyone has. Okay. Okay. But um, he also appeared in one in her movie with Nick nanti. What was that? Fabulous?

P Peter 31:36

Hello, hello. Don't know, Prince of Tides.

C Connie 31:38

Thank you. Yes, they loved it. So he was in that he played her son in the movie. Oh, you're

THANK YOU. YES, THEY LOVED IT. SO HE WAS IN THAT HE PLAYED HER SON IN THE MOVIE. OH, YOU'RE RIGHT. FOR THOSE OF YOU WHO DON'T HAVE A FACE TO GO WITH THE NAME. ANYWAYS, RECENTLY, HE PRODUCED A SHORT FILM A 15 MINUTE FILM AND WAS DEBUTING IT IN LA. AND BARBARA WAS A NO SHOW.

P Peter 31:56

What yet? No. So the

C Connie 31:59

title of the article is Streisand breaks Jason's heart. Which really surprises me because Barbara is always supported. Started out Yeah, started out gay bars right supported aids.

P Peter 32:13

Yeah, yeah. All

C Connie 32:15

throughout her career. So let's see Barbra Streisand was a glaring no show at her only sins movie premiere, Jason gold, the superstars openly gay son from our sixth marriage to La go, Yeah, we talked about them and blah, blah, blah. Um, the film was called Inside Out a fictionalized story about the homosexual son of two celebrities who was outed by the press. So maybe a little bit on his own life.

P Peter 32:37

Say looks like an autobiography to me. Maybe that's why she didn't show.

C Connie 32:43

It says that his sheet he asked her to be in the movie. She declined. But his father did appear Oh, good as playing his father.

P Peter 32:52

My mind. So

C Connie 32:53

it says that Barbara didn't go because she was in New York for the premiere of her movie. The mayor has two phases, which Peter loved. And then she flew to Europe. And that's why she

couldn't be there. But you would think her son she might make

P Peter 33:07

just slight adjustment because she certainly fell all over him at the concert. Right.

C Connie 33:11

So you know, we don't always believe these rags. Not always

P Peter 33:15

but the research department has indeed but it's

J Jimmy Carper 33:17

nice and juicy. It's worthy.

P Peter 33:21

It's worthy of chit chat. It's worthy of Coffee Talk right here on KPFT. Coffee Talk. If you have a question, call him 4444444. And so bx, tell us Oh,

J Jimmy Carper 33:35

wow. Well, while we're talking about stuff like that. Yeah. There was an article about Ray hill in the in the paper.

P Peter 33:41

Yes. The voids. The regular paper.

J Jimmy Carper 33:45

Yes. Another one. And it had something to do with he may be in trouble with his campaign fund. Right was gonna be on tonight. Oh, god, he's got bronchitis. I talked with him right before the show. And he said, Please, let everyone know, I am in no trouble at all with my campaign funds. And I knew that I knew that beforehand.

P Peter 34:11

He wouldn't be that stupid.

J

Jimmy Carper 34:12

No, I mean, come on. Lots of political savvy. He knows how it works. And you know, he's not going to be dumb enough to do something.

P

Peter 34:24

No, no, no. So do we

C

Connie 34:26

smell a conspiracy?

J

Jimmy Carper 34:27

Of course, of course, because he is backed by ALF adults for legal freedom. And this is the group that opposes the new sob. And so folks are going to be taking all of this to court getting injunctions and all of this kinds of stuff, and making Juden Boni and Helen Huey look like the idiotic fools that they are.

P

Peter 34:50

I was at a council meeting with Judah money the other night. Oh,

J

Jimmy Carper 34:53

I'm so sorry. Hello. Can you say no, no,

P

Peter 34:58

I can say it. Yeah. Yes, you're right. I can say I can't say. Yeah, and it isn't ready.

J

Jimmy Carper 35:03

No it isn't that all I can say is that the gay community in the back one time too many.

P

Peter 35:10

Yeah, well, the next time it's comes time

J Jimmy Carper 35:13

Yeah, he better look elsewhere because he ain't gonna get the gay vote.

P Peter 35:17

Right? Uh huh. Yeah, it was real cute.

C Connie 35:23

So we wish, Ray. Speedy. Oh, yes. Yeah. bronchitis.

J Jimmy Carper 35:28

He'll be here next week. Good. Okay, yeah.

P Peter 35:31

And next week is

J Jimmy Carper 35:33

Marathon Man. Week weekend, the next two weeks next two weeks will be marathon.

P Peter 35:41

Yes. And I have offered to come to come but offered to show up. Yes. And do whatever I can do.

J Jimmy Carper 35:49

I wish you would. Well,

P Peter 35:50

I'd love to. Great. What can I do and Connie would come as well if she could. Oh, no, I'll bet she don't go there. Don't even go there.

Connie 36:00

Yes, also, I also an examiner. I was just flipping through here. And I saw this picture somebody Peter I think you might be interested in Oh really? Who the the World's Most Pierced man.

Peter 36:19

Ooh, bear me Myrna.

Connie 36:24

And 36 137 piercings this man has on his body. Wow. I counted 17 in one year. Well, I mean, what's really good?

Peter 36:35

I was at video post office of rascals the other night this great line went up on the board on the video cameras all over the place. It said number whatever. Is it true that your Prince John No. Is it true that your Prince Albert it's really been in John's camp? Oh don't even want to go there job.

C Connie 39:01

J Jimmy Carper 39:03

I'm just trying to think of the concept of saving money in an outhouse

C Connie 39:08

J Jimmy Carper 39:12

There you go.

P Peter 39:13
