05:20

Have you been up to?

S Stacy Bolding 05:21

Well, let's see. Last month I had to go to Dallas to take care of my dad. And then the month before that, I just overslept. Imagine that

05:33

I showed up a day late. Oh, okay. It was Sunday. Know I showed up. I'm sorry. Not a day late a whole week late.

 Stacy Bolding 05:43

You came by the first first weekend of the new month and said the last weekend

 05:49

was not the last month it's it's the third

 Stacy Bolding 05:54

Saturday. And

 05:55

there were four in this particular one.

 Stacy Bolding 05:57

And you were like really confused. And I came on the fourth. Yeah, you were really confused. Well,

 06:06

actually, I thought it was supposed to be that night. What else came up that fall rounder. Oh, okay. Oh, yeah, it was real bad. Lots of hot down. Oh, cool. Yeah,

 Stacy Bolding 06:21

that's a drink but it's not the guys okay. It was done anybody till dawn. Okay. He's

 06:29

probably listening. Actually already knows. Yeah. But oh, yeah. Tell the people on the air that I left my brain somewhere between venture in and Mary's it had a name tag on it. Just dropped it in the mailbox. It would come back.

 Stacy Bolding 06:44

It hasn't made it yet. How?

06:47

Come back and then left again. Okay, that's it. That's

S Stacy Bolding 06:50

my my our tape was really good. No, it was

06:53

fabulous. Yeah, we sat here for a whole 20 minutes. We talked afterwards about it.

S Stacy Bolding 07:02

I was in Dallas. We're all saying we do.

07:05

We know. She's gone. She's out of town. Let's talk bad about her.

S Stacy Bolding 07:13

We're really the opposite. John. Yes. And your Stacey chi. We've changed a lot. Uh huh. Well, I want to I walked in with this

You bet. We'll get to it later. We have a guest. Oh, no, no,

07:40

no. That I noticed that when we came in. Yeah, he screamed at me. You know what? We have a guest.

Stacy Bolding 07:44

Oh, my God. A live person. Not Memorex. Okay, I am here we are. Here we are. Yeah, finally. Yeah. Again, oh my god. With rusty and Karen. Okay. Of Autumn seasons. It is a new SM club.

08:05

I don't know what I guess we might prefer to call it a BD club.

Stacy Bolding 08:09

What's the difference?

08:11

Well, you're not a social group. Or you are but not in the sense of like Texas leather in life. No.

08:18

Well, no, we we kind of look at s&m Like the rack and smack them in the BND. Like the relationship aspect. So we're more into what happens after you on time. type thing.

Stacy Bolding 08:30

Okay. Okay. Okay. And they are here, they're gonna tell us so you're gonna tell us a little about autumn seasons, and what's been going on how long it's been going on and things like that. And I just want to say that too. and I were at the play party tonight. And it was a lot of fun. We really enjoyed it. I like the small room. The small rooms, the closeness, that was really fun. There were a lot of neat things to see. So let's just start with how long has autumn seasons been around?

09:02

Oh, officially, probably about a year now. Oh, good. Well, we were up to 80 members. Good. And one of the requirements about being a member is that you have to come back and if you

don't make sense to me? Well, the thing is, we would rather have we would rather have eight active members. Add people on a membership list, right? If we don't hear a see from you in six months, you get deleted.

S

Stacy Bolding 09:29

Okay, that's good. That's good. And this group isn't gonna go national or international like in LA. It's not. Well, you were telling me tonight that you're going to try and keep it or your bylaws, we're going to try and keep it to about 250 members.

👤

09:43

Well, that's true, but the thing is each chapter okay, that big. We do have high hopes of going nationwide. Good. So but the thing is we we find out or that we feel that when you keep them small. Everybody knows everybody Eat and a lot more people will play, you know, when you're not surrounded by a mass multitude of people. And that's not to say there's nothing wrong with big play parties. No, it's just that we are observation is a big play party you have more spectators less players, right. Whereas was we keep our small as you saw, we have more players and less spectator. Right? So it really works out good for us.

S

Stacy Bolding 10:26

Good, good. And what was the basis for starting on him seasons, I mean, because there's no lay, there's all kinds of leather clubs, there's PEP, and things like that What made you want to start another club

👤

10:43

will be I don't know, it's kind of a hard one to say. Basically, it was education. Now I know. NLA offers education and everybody offers an education. But I wanted, I wanted to get something that was going to reach out to the public, and set up something for them, as well as for our own people. Because to me, not being an authority on SNL or BD, I'm not trying to present myself in that category. But it's just that I felt that there was a lot of people in the lifestyle that had bad information. And they were and they were passing on bad information. And this is not to say a lot of people but just enough to where to me it was like there's something wrong with this picture. Right?

👤

11:29

Now, I'm gonna assume and I could be wrong. This is a predominantly straight, is it? I don't know. How many caveman do you have there? I want to know, well,

S

Stacy Bolding 11:39

let's see MIKE geyser and his lover and another gentleman. I think we're there. Not that

11:45

we'd ever mentioned names. But

S Stacy Bolding 11:47

he's used to it. He's used to it. And then

11:50

the reason why I was saying that reason why I wanted to make that particular statement was because it's good. One of the things we have talked about a lot on this show, and when we go out and talk to people, you know, out in the public, is that we wished there were more organizations that cater just to the our straight leather brothers and says, Yeah, because we wanted to make sure that we're playing by the same rules we were. Because I mean, even though there have been straight people who've been into leather for probably many more years, than there have been gay people right into it. Most people think of leather and I think of gay people,

S Stacy Bolding 12:27

right? We're talking the safety rules that you'd like you and I discussed

12:31

publicly for a long time, we've dealt with a whole lot of different issues from drugs on to whether or not you actually have sex during a placing all right, the safety issues about sex. Right. And it's nice to see an organization that's catering, you know, to the overall Street Community and letting them know we you know, we have rules. We have guidelines you have to follow, or somebody's gonna get hurt.

12:59

That's right. Well, probably one of the reasons why we do attracts a lot of heterosexual is because we're not in the Montrose area. Right? That's another thing. Yeah. Location?

13:08

Because no, like, yeah, it gives great information. And if you want to go to that those are, you know, informational, little sit downs. That's great. I've taught many of them. But we don't have that many straight people that attend them on a regular basis, because it's in the Montrose ,

because it has a predominantly gay client, you know, following Yeah, yeah. And even though we're into the same things are a lot of people that are straight that wish to practice with those people,

S

Stacy Bolding 13:42

right. This seemed, this seemed there was a good mix. Oh, yeah. I mean, and it was nobody had any problems or any comfort. I mean, it was really nice. There were three rooms set up, there was one nice little hallway. There were what 25 People now there

o

14:02

was 30, but to bolt in for the door.

S

Stacy Bolding 14:06

Okay, so we were down to 28 people. And once you said hi to everybody and learned everybody's name, it was really friendly. So it turned out to be really good.

o

14:17

Well, that's and that's that. And I think the biggest compliment we get from a lot of new people is that we're so normal. You know, that's kind of, I guess, people are expecting sadistic scars, people, you know, that's the thing you know, and, and walking around with cattle prods or whatever, but, you know, we get a lot of compliments from new people that walk in. And if I can say that I'm season has three purposes. And there's a setup locally as well as when we go nationwide. Our first and foremost purpose is education. To us, it's like driving a car, you know, you just don't give a 16 year old keys to the car and say here, go, go drive.

S

Stacy Bolding 14:58

So you're gonna put one legislation out now that everybody has to have a certain IQ and get a license to practice. So

o

15:05

wouldn't that be nice?

S

Stacy Bolding 15:08

Yeah, it would.

15:10

Register I'm a top switch.

15:17

But the third thing is that our classes are open to the public. Okay, what classes are these? There? Well, we meet that Fantasia at 200 My

15:25

coffee is on the way. Oh,

S Stacy Bolding 15:27

I thought that was Karen. Money and do you have a seat?

15:32

Well, believe it or not, we meet at a nude modeling studio, which is a legal SOV.

S Stacy Bolding 15:37

Okay, ladies, lesbian ladies wake up.

15:43

But the thing is, is so slow that we get it there. We get to use a class facilities every Saturday morning. Oh, good. So the classes are free. And we try to keep it on an impromptu basis. And usually we have about 20 people at our classes. Oh, good. And the theory behind the classes. We don't have an authority. We do have different moderators each month, but that's just so they can voice different opinions. And we get a lot of our voices from different s&m books. SM 101. Send me a thorn I set a screw the roses send me the thorns,

S Stacy Bolding 16:21

my Bible and

16:25

the bottom book and matter of fact, Karen is going to be doing a moderating next month. That one of the books from the Annie rice series

S

Stacy Bolding 16:34

Oh, which one? Which beauty series?

Ω

16:38

The first one. I opened up that which was people coming in and I was like, okay, yeah,

S

Stacy Bolding 16:45

you'll love it.

J

Jimmy Carper 16:47

I didn't hear that.

S

Stacy Bolding 16:50

Yes, yes. Yes. The

J

Jimmy Carper 16:52

first one out of this. Yeah, beauties.

Ω

16:54

Yeah, she does. Oh, they're.

S

Stacy Bolding 16:57

They're great. They're great. Have y'all read Sarah Adamson's latest. trilogy? The slick the? What is it? The trainer? The slave or the marketplace? The slave in the trainer. It's great. It is great. It is excellent. The beauty series is good. On a fantasy level, this trilogy is good on a realistic level. Right? You've read them, Tony? Oh, the great. You got to read them. It's almost like the beauty series. Pick a page. Yeah.

Ω

17:29

This girl was going. I was like she was like whispers she's like, but he might hear me. So he

might like it.

17:41

She was like, I can't believe this. I've never seen anything like this. I know you have to show you this kind of stuff.

S Stacy Bolding 17:47

I know.

17:50

Well, one of the drawbacks to the community about our classes is that we don't offer nudity demonstrations or sacrifices.

S Stacy Bolding 18:00

Okay, good. I feel better now.

18:02

But no, a lot of people that come to the class are looking for a show, right? What we're offering is information. Right. And plus autumn season has also written a book, which will be nationwide by the end of the summer, and what's name, surprisingly, the autumn seasons guide to bondage and discipline.

S Stacy Bolding 18:18

That makes sense, logical.

18:21

It's a compact little book. And it just takes about an hour to read. But it gives you the basics of how to get started and some etiquette and protocol and things to expect and not to expect. It's not as detailed as sm 101 or the roses book is not meant to be when

18:39

these originally came out. They weren't either.

s

Stacy Bolding 18:43

They weren't meant to be guides. Yeah, they were just

o

18:48

and as you know, we started practicing more, visiting our heart friends or in friends doing all that it did grow. Right? Because you know, the more you interact, and the more you practice it, the more you're going to be put in situations that maybe haven't been written about. Right. And that's what we need to get information about out.

o

19:08

But unfortunately, a lot of people are not looking for information. They're just looking to get laid and as as well.

o

19:15

That's where we need to we need to stop under you know, playing in an s&m scene and getting laid or two different things. Yeah. Because you could play in an s&m scene and not get laid. Oh yeah. Not physically, maybe mentally but not physically, physically. And we've been doing this as far as saying that we've been saying that for years, because of the situation as far as transmitted diseases and safety issues.

o

19:37

Well, here's a true story. And I won't mention any names but one guy came to our class and he was very impressed me joining he got the book. And one of the things that Autumn seasons does is that we interact with all the s&m and BD clubs and fetish clubs in Houston that we possibly can. And so he got the book, he came to the class. Then he met Another lady and another club. And they got together. Well, when we went to their republic function, she kind of read me the riot act like what kind of people are y'all producing here because he couldn't follow protocol. He didn't know anything. And I asked him all these various questions, and he act like he knew what he was doing. I assume since he was one of your members, that he wouldn't be able to follow some kind of a guideline or outline, right. I said, Look, there's no excuse for his behavior. He had the book if he won't read it. That's right. There's nothing. That's right. So when she found out that he had the book, and that he did have some kind of a guideline and just refuse to read the book. She just dropped them. Good. And I'm not saying that our book is great, right? I'm just trying to say that the individual wouldn't put forth any initiative, right to find out about the lifestyle.

J

Jimmy Carper 20:53

I want to remind you that you're listening to after hours on KPFT Houston and ke O 's College Station, and John called in and wanted to know where you could get the autumn seasons guide.

21:06

Okay, you can get them at Delaware leather by boots leather forever. Both Fantasia is an all and three different bizarre bazaars.

21:15

Okay, now, have these been released already? They've already gotten these.

S Stacy Bolding 21:20

Yep, they're already released, or you could join and you get the book for free. Right. Okay. And how much is the membership?

21:27

\$15.

21:29

Now, how did these people perhaps

S Stacy Bolding 21:30

wait? One, five? Yeah. Okay. It's what I thought you said

21:34

\$15 per household.

21:36

For? Oh, that's not for individual. It's minor 1010 \$10

S Stacy Bolding 21:44

you end on \$10 month, mine stand ons is 10. So it's \$20 a household a month.

21:49

It's however many people who are in the club. I'm out there three of you. And you're living the second household and it's 30. Okay, but for that's good. I

S Stacy Bolding 21:59

like Yeah, I like that.

22:00

Well, like I said, In the beginning, we're looking for active people. Right, you know, and basically the \$15 what it does cover the buck. Yeah, you know, so

22:09

and then have a pan that you're going to put out. I'll get you in touch with some people that will make these wonderful little enamel pins cost you about between 250 300 bucks, but they're wonderful.

S Stacy Bolding 22:22

One of the you remember tonight we were there with a couple of girls and they were both wearing vests. Right? And they had all these pins on their best. Okay, that's what he's talking about. And gay, Assam gay leather club,

22:36

a lot of a lot of motorcycle clubs that practice the same thing. Thank you. Starting motorcycle club. Yeah.

S Stacy Bolding 22:42

And motorcycle clubs. You go to a particular function, or you go to a particular group or meeting, you get a little lapel pin is what it is. Right? And you put it on your vest. And since you were wearing a leather vest, I guess that's why John asked, because you had no decor on it.

22:59

A lot of people decide not to wear them. But even if you've never heard of them before, or if you were wanting I was just telling you

s

Stacy Bolding 23:08

something that people you're used to seeing. Well,

o

23:11

we've looked into pens and you know, once again, it's just another expense. Yeah. And that, that, you know, between the patches that we have in our T shirts and the books and the random dungeon and all that is

o

23:23

Yeah. Was there an entry fee to your play party? Yes. Yeah.

o

23:26

For a couple. Yeah. garlis If you were heterosexual, bisexual or homosexual a beer or a couple

s

Stacy Bolding 23:33

was fine. What is this? Where can one get a third book if he's already, too so? Oh, the trilogy? Sara Adamson's. I got it at Delaware. Crossroads has had and those are about the only places I've seen him. Crossroads just recently got some in a couple of weeks ago. No, that was my true ledger. Yeah. Yeah. That was at Delaware. Delaware and crossroads. hasm. So far. Okay. Sorry.

o

24:11

Sorry about that. The second

o

24:15

I was wonderful on the air. Thank you.

s

Stacy Bolding 24:18

is gorgeous.

o

24:20

The second person

24:24

just took off her garter in her house.

S Stacy Bolding 24:26

Yeah, that's right. I forgot to shave tonight again. It's getting sorry, we're embarrassing our guests sorry.

24:42

Was the play part

S Stacy Bolding 24:47

of the play party there was another person there that was DMing beside you, which I thought was really refreshing because that left you some freedom to play. Right. But you could also DM and play a little but this other person had more DM responsibilities. So basically, they were to DMS. Right? That was neat.

25:06

Do you have a nurse that is on now? Because there, we don't want our parties to get that severe? Well, even so, I mean, I don't know, I don't know how much he'll play and what to what lengths you go to.

25:17

Well, believe it or not, our play parties are very mild. And because autumn season has attracted a lot of new people, that's just getting into it. So a lot of stuff like like the needles and the razor blades, and knives, and piercings and bloodletting, we don't allow that.

25:33

I mean, that's, that's good. Because a lot of the dungeon parties I go to there, that's not allowed either, but there's still a certain amount of flogging, right? And there is, you know, people being suspended, there's certain amount of bondage electricity is used, and so on. And I think, in any situation where you've got someone being a submissive for someone else, not only should you have a dungeon master, it'd be I mean, it's not mandatory, but it'd be wise to have a nurse there. I can being that being that, you know, or the reason why I said that is because there's a lot of women that I know, that are nurses, they that's what they do, when they go to dungeons, because a lot of them will do anything, just waive the fee

S

Stacy Bolding 26:13

for your information. I believe your DM had some EMT training, too. And I sat and talked to her. Well, nobody, this wasn't public knowledge. So Sue's had tons of EMT training. And then one of the girls that came with this is also a nurse. So in case you didn't know it, you had three people there ready, just in case. So,

Ω

26:37

but the thing is, I really don't know how to explain, explain our play parties. It's just everybody knows everybody. Yeah. I mean, when you come to a class, we go around the class and everybody gets introduced. Usually, when you come to a play party, everybody gets introduced. So there's a certain amount of friendliness there. And we've had people say, Well, I'd like to come but we're not gonna play. And then 15 minutes after they're, they're playing

S

Stacy Bolding 27:01

Yeah, so it was it was very, homey. Very intimate, and very nice. Very nice. John, or Don. John. I had it right the first time. I don't it's another note. As far as I know, it was light play. As far as you and I are used to this was light. What I would term as light SM light play. Right. There were some pink backs, pink butts, things like that. John is Martin from Delaware.

J

Jimmy Carper 27:31

The John has been calling in with all the questions. Oh,

S

Stacy Bolding 27:36

feel better now. John. I hope you're happy said that.

Ω

27:41

You can get a Medicare were three times. We said again. I said again?

S

Stacy Bolding 27:48

Sure. 123. Delaware.

J

Jimmy Carper 27:52

Martin says sweetheart.

S

Stacy Bolding 27:53

Yeah, he is he really is. So it was very light. I mean, there was a lot of pinking but there weren't really any quote unquote welts like you and I are used to seeing and again, there was no piercings, no bloodletting, no razors. No 15 It was just flogging caning holding Tyneham. Oh, I heard there was a beautiful rope display. I'm sorry. I missed it. I heard it was gorgeous. The woman was I heard she had the rope. While she was a beautiful woman too. I didn't see her. I missed that, too. Got all the fun. All the fun. She had the rope wrapped around her wrist like yarn. And that's how she was folding it back up. I don't do not ask me the logistics of this. This is not my department. No,

♂

28:45

it's probably just beautiful watching,

S

Stacy Bolding 28:47

I guess.

♂

28:48

Well, the thing is, we attract so many new people. Because we promote autumn seasons to the public so much that we get a lot of a curious and a lot of people that's been fantasizing about this for years. So those are the kinds of people that

♂

29:03

we get, you want to keep it light enough so they can handle it on their first time. Right? If it is their first Yeah,

♂

29:08

well, I've taken some women to play parties in Houston and about 11 o'clock there Bolton for the door. Say, well, it doesn't have to be this way. Right? Well, if you're into this stuff I'm not playing. So, you know,

♂

29:21

I remember when I turned on to his first play party. It was kind of like, we're not going to do any of us. You're just gonna watch.

...

— · · · — — —

S

Stacy Bolding 29:28

Yeah, I remember my first it was like not new. No. Of course, here I am.

♀

29:38

That's why we try to keep it like, yeah. Okay, and letting people know if they want more advanced stuff. You know, this is where there's other parties and things like that available.

S

Stacy Bolding 29:49

Yeah, it was really nice. So how did you and Karen meet?

♀

29:52

Oh, the phone thing one of those dating services on the phone.

S

Stacy Bolding 29:57

Oh, how nice. How

♀

29:59

long have y'all been together?

S

Stacy Bolding 30:02

before Thanksgiving, oh, good, good. Oh, anyway, they were hilarious together. They were funny, where I watched them. watch them play twice. And basically they laughed. That was it. They laughed. And I was just giggling right along with them and you think I'm a smartass? Oh, no, no, this woman has got it on me. She almost came up at him. At one point. I was like, well, please don't do that.

♀

30:33

She's come close, though. Yeah,

S

Stacy Bolding 30:35

very close. Very close.

30:37

I think when people play they take it way too serious, right? It should be fun. But you see all these all this serious, serious

s Stacy Bolding 30:43

stuff right

30:44

now and so

s Stacy Bolding 30:48

it was fun. Is it time for us to do some music? Now I'm happy talking. Okay, great. We'll talk some more. tuk tuk tuk tuk tuk gets all that caffeine.

30:58

Another thing that I'd like to bring up about autumn season is our second purpose. We talked about the first one we talked about the third one but we kind of missed the second one. The second purpose is that that we network it with all the BDSM clubs in the Houston area.

s Stacy Bolding 31:15

Oh good.

31:16

So what we do is we promote their public functions in our newsletters, which is quite public. And we also make it a point to go to their functions. The Brotherhood of pain at a slave auction we were there for that to support them. Oh, have fun. Fifth meets the last Sunday of each month tomorrow night adventure in we're going to be there for that. The only thing is you know we get about 15 Autumn seasons members showing up they say well where's the fifth girl and say Well, half their membership is there and it's three and so as not to say nothing bad about fists, but they are they are an organization and

31:54

organization that there are two of them that are really big here and they have a large amount of members be in LA

32:01

we go to their second Friday adventure in

32:04

for an organization called the court cope revise.

32:06

Right? Oh, come

Stacy Bolding 32:07

on. The bears are like huge. Yeah, they probably have a lot. They're huge. What last year, two years ago they started and they by Louis weekend. They were up to 65 members. I mean like overnight. They were huge. So are some of their guys.

32:25

Oh, she got a pink or she got a purple flower. Oh,

Stacy Bolding 32:28

a blue flag or bringing in gorgeous let's see it Oh, y'all know each other? You know,

Jimmy Carper 32:38

I think Jim would be a prime candidate for

32:43

you. Thanks. Yes. Thank you.

Stacy Bolding 32:46

Yeah. Oh,

32:48

cool. Good color. Yeah,

S

Stacy Bolding 32:51

nice colors. Because the handle big enough. He's a

J

Jimmy Carper 32:54

bisexual novice.

S

Stacy Bolding 32:59

How's it balanced out? I like did you make it? Oh, Garrett did Oh, how nice. Oh, look

o

33:06

at Hey, I didn't know. We had garter. Yes, I

S

Stacy Bolding 33:09

really have gardeners and stockings on. As a matter of fact, this is gorgeous.

o

33:21

I'd let you hit me. But when's the last time you've done it to somebody?

o

33:33

Loves don't tell anybody.

S

Stacy Bolding 33:35

Oops. Sure. Give it to me. Go ahead. Okay, in case you don't know. John is beating himself to do it. That's why electricity was brought up earlier. That is his area of expertise in play.

o

34:00

I don't know if it's my area of expertise, but I just love to play with it. I may not know what the hell I love to play with it. Like

34:09

me, I like to play with fire. But fireplace fun. Yeah. Don't do it on replay parties. Because not every fire. Yeah, well, not so much that but like I said a lot. We get so many new people has been reading penthouse letters or whatever. And, you know, these are the kinds of people thanks a lot, dude. Thanks.

34:29

We enjoyed that flogger. I'm sorry. Alright.

34:35

So one of the last things we want to do is scare new people off.

34:39

Remember the first time I saw a fire? It's beautiful. Sorry, if you just look at it. If even if you're not planning on playing with fire to just look at it in the right mood with the right fantasy it is just beautiful. Just fine. It's fun to because I've done it. I've done it. I've done it. I've had it done on me.

S Stacy Bolding 34:59

Yeah had it. I was thinking have I ever done it someone? No, no, but I've had it done on me. It's fun. It really is. And I still have all the none of the hair got cinched off. It was nice and safe. But I didn't have any burns. You don't have any hair in the first place. Yeah, you got smelling when they were three right here up here just under his neck

35:26

right? Yes, that's

S Stacy Bolding 35:29

what do we want to go there? No, no, I'm getting away. No, we're not going there. So when does autumn season's meet as far as club fun as far as meetings? I know you have the classes every morning.

35:47

Yeah, I got one of these little small radio technical things. Okay. You need to get a lot closer.

 Stacy Bolding 35:57

Yeah, that's it.

 36:00

Yeah. Am I okay, Am

 Stacy Bolding 36:01

I loud enough your experience?

 36:04

Microphone that picks up

 Jimmy Carper 36:06

your your microphone picks up. I need

 36:11

to repeat everything for the last hour. No,

 Jimmy Carper 36:12

no, no, no. I just Yeah. Drawn I just crank you up.

 36:18

Cool. Yeah. Okay. Good. Crank. Feel better. Feel better. Oh, yeah. Okay, good. Need a cigarette you flush

 Stacy Bolding 36:26

to tell told you it gets pretty different in here. So when do your quote unquote meet as far as meetings?

36:40

Well, okay, we got the free classes every Saturday, at what time? 1030 and they are about just a group discussion about an hour alone. Okay, so and then we meet with Houston pet the first Saturday at La Hacienda, which is at braise wood in Maine. We meet the first Tuesday with peg the Pasadena group at Kelly's. Okay, then we meet the second Friday with NLA adventure in. And then we meet with fifth the last Sunday of the month. Adventure in your busy.

J Jimmy Carper 37:16

You are busy. When

S Stacy Bolding 37:16

did y'all have time to date? That's what I want to know. Yeah. That's exciting.

37:26

Nothing wrong with that. I had something interesting. That's true. Well,

37:32

will we also have to play parties. Aman says like the night we had our play party and we went to a private play party. Well, we can do more stuff because of the Texas laws, you know. And then we came over here. So we're still on a date.

S Stacy Bolding 37:46

So okay. Sorry. I didn't mean did are up.

37:54

off the hook. Yeah. I'll call you and ask you to do something.

S Stacy Bolding 38:01

Yeah, yeah. So what do you see in the future for autumn seasons?

38:08

Fantasy or realistic?

s

Stacy Bolding 38:10

Oh, let's start with. Let's start with fantasy.

o

38:14

Well, the fantasy is that we have established such a good network with all the clubs that I'd like to see chapters opened up nationwide and just network, you know, because I think that's one of the the, like, we put out a calendar and everybody's public stuff is in our calendars. And a lot of times a club members out, well, why has an art club done this, or why don't more clubs do this. I mean, they promote their own little circle. And there's nothing wrong with that. You know, but we just feel like, the more we interact with other groups, the more we're going to learn, the more we're going to get exposed to the more people we're going to meet, the more we're going to network with the best way we feel good. And so it's really proven productive. And we also believe that that meant that people people need to belong to more than one club. They should investigate all the clubs in town, find out which ones suit their needs, and be active with those clubs. But unfortunately, so many times people get one club. That's their home club there. Nobody doesn't like their club. There's no sense messin with the other clubs, right? Which is kind of sad, because a lot of each club has something good to offer in their own unique way.

o

39:23

That's right. That's right. Realistically now. Oh, I'll probably be throwing money into it the rest of my life. We all do. Yes. Oh, yeah.

o

39:35

Any person who wants to be active is they put a lot of money into it. And a lot of personal time, which you might want to another thing you may want to consider is traveling to statewide functions before you decide to go out of this day, traveled to statewide functions. Not only will you meet people that are in your area, but you will meet people that are from out The state, right and it'll get your organization known before you actually

o

40:05

now move out. You know,

s

Stacy Bolding 40:08

do you have a computer site? What's website website?

o

40:10

You know, I got a dinosaur for a computer

YOU KNOW, I GOT A DINOSAUR FOR A COMPUTER.

S

Stacy Bolding 40:15

Okay.

♂

40:16

I know that I can get to the news groups, but I can't get to the Web.

S

Stacy Bolding 40:20

Okay. Okay. Um, describe your patch.

♂

40:25

Oh, okay.

♂

40:27

And what is it? What's the meaning behind it? If any? Well,

♂

40:31

it's autumn seasons. And I suppose we're gonna start off doing an oak leaf, but it was a little hard to, for us to design ourselves. So one of our members came up with this is burnt orange has to do with autumn. So we're hoping that nobody else has one. Like it's a leaf. It's two leaves up, someone's upside down. Okay, so, okay, see that? I see it. If you don't see that, you can also see the X with another one going through the middle. Yes. Yeah. So but we just wanted something to where if we're at Westheimer art festival, that the members might be able to identify each other. Or if we do ever get to be real beggin', you're traveling through the airports, you know, you might be able to have some free time and see somebody with our logo and dash off to a Denver bathroom and you know,

S

Stacy Bolding 41:21

enjoy life and enjoy doing the Mile High Club. Is the patch part of the membership cost know how much the patch?

♂

41:31

Well, it works two ways. You can either pay straight up \$35 Or every time you come to a

private party. we knock \$5 off so if you come to seven parties, we'll give you one
