That means standing up for yourself, taking responsibility for your own life and being proud of who you are. Realistically, we know not everyone can do that because of a job or frame of mind. That's okay. We're here for you too. So sit back, relax, and enjoy this week's edition of after our.

S

Scott Lewis 02:05

S

Scott Lewis 02:12

I tell you after that long promotional tour that kept us out of the saddle last month. Oh, we oh, it was so cold and windy. I know. But you know, it wasn't as windy as I thought it was gonna be they say all the Windy City. It was it was downtown. It was kind of windy but

02:27

they only the police only chases for like four blocks at one time.

s Scott Lewis 02:30

I know. Well, that's because their car got knocked over by the winds.

02:33

I hate it. We did. We really didn't have a good time in Chicago. much about Chicago except for the eagle. The eagle was fine. There weren't there. Were there were only white boys in that town.

s Scott Lewis 02:42

Exactly. No Hispanics, not a single one. And what the hell are we gonna do at a town with no Hispanic? Who wants to speak Polish and eat sausage all the time, which was my favorite part.

02:55

I love chicken. We had a great grade here we I got that new hair weave and I'm sporting 12 inch hair

s Scott Lewis 03:02

on your body. That is 12 inches.

03:06

they have and their new single which is already in the record stores is called Where did love go? And it sounds like it's gonna be a big hit. It's a lot it's a neat song and so she's going to call him we're going to talk to her for a while.

03:56

And congratulations the pride committee for signing

s Scott Lewis 03:59

him yeah you all over the pride committee. They're going to have a big festival and outdoor and outdoor festival and so far FEM to film has been booked or signed and they're working on some other some other another big

04:16

s Scott Lewis 04:20

just right after the parade right

04:21

there in Montrose right in Montrose is kind of neat. Then they have the the AIDS awareness warehouse party at numbers following so it is just gonna be a

s Scott Lewis 04:29

 04:40

I'm sure are big. I

 Scott Lewis 04:41

tell you, I started. I start can I say what program it is. I started diet gourmet, which is you've probably seen because they've been on TV all over the place lately and they're really promoting it. And what it is you go in and you pay this guy, obscene amounts of money every week, and he's a gourmet chef and he prepares all your meals for you, and you just eat it and that's it. And what's

 05:05

his name calibration or shipboard?

 Scott Lewis 05:10

Don't laugh too hard. Well, your teeth fall out on the tabletop again,

 05:13

you don't look that much thinner bitch. Hey, listen,

 Scott Lewis 05:15

I'm down about 20 pounds from the diet gourmet bit about 10 pounds from the gym and I think about 10 pounds from the drugs. That Yeah, well, you know, speaking of drugs, What's tomorrow?

 05:27

Tomorrow? What's going on tomorrow night? No

 S

Scott Lewis 05:28

blackout party,

 O

05:29

I thought was the burnout party.

 S

Scott Lewis 05:31

It will be about 738 o'clock. We'll be crawling to the streets of Nairobi, literally hands and knees. But it'll be fun.

 O

05:39

I can't wait. It'll be fun. Benefiting this year to

 S

Scott Lewis 05:44

benefiting the Michael Mosley Foundation, as well as a stone soup. So we'll be I guess down at Kroger tomorrow afternoon buying a big ol bag of groceries and or reading my cabinets one exactly. And going down to do a tampon. Probably you could wear ms earrings like you did last year.

 O

06:03

 O

06:28

We bought our sex therapist and from Dallas flew him down so so all of Houston can talk about their sexual problems. And the doctor will have advice and we will have our chuckle chuckle right along with it. Of course, when it comes to sex, we were always talking but anyway,

 S

Scott Lewis 06:42

so that'll be a little later in the show. Probably about about the one o'clock hour. I guess we'll be doing that. And 1230 Do we already mentioned the restaurant review restaurant review tonight about 1230 that

06:53

we're doing this year kuleana

s 06:54

kuleana, Italian Italian Cafe down on Richmond. So why are you looking at me like that? Was it good? What we're not going to tell you until the review. I guess it must suck.

07:06

All I can say though. I'll

s 07:08

tell you this month in six months. Have we given a good review yet?

07:13

I don't think we Yeah. Oh, yeah. That's

s 07:17

the only good review we've given. This is something we need. This is just a stitch. Oh,

07:22

we're gonna talk about cleaners over No, not until 1230. Oh, I thought Oh, should we save that to the end or say that?

s 07:28

We need to do this in prime time for you. This is

07:31

prime time 112 30.

S

Scott Lewis 07:34

We love our fan mail. We love we got a rare piece tonight. We're going to talk about this tonight. We'll talk about this a little bit later in the show. But I have gotten an offer. I have gotten an offer that I might not be able to refuse we will see. But we'll talk about that a little later. Yeah.

o

07:58

And yes, we did get some fan mail was a wonderful letter. We

S

Scott Lewis 08:01

S

Scott Lewis 08:21

know, you know, and why is that that I

o

08:25

think you have a bigger mouth.

S

Scott Lewis 08:26

Well, this is probably true. And I think I might be able to use that on this letter here. According to Courtney.

o

08:33

It looks like you've got a date woman. Husband hot pays off here in Houston

S

Scott Lewis 08:39

SCOTT LEWIS 08:45

bias about time. wild night, wild night.

08:45

What will Thomas feminism calling

SCOTT LEWIS 08:47

she's supposed to call in about six five to six minutes. Dr.

08:51

Antonio, you okay back there. Yeah, he's back there. And Jimmy is in the main aisle and I'm sitting here and phones are ringing as usual.

SCOTT LEWIS 09:00

Let's take this phone call. Okay, go ahead. Put this on this.

09:06

Well, it's so good to be back in the saddle again. Anyone saddle?

SCOTT LEWIS 09:10

I tell you. Are you there? Yeah, I'm here. Who's this? Jeremy? Hi, Jeremy. How are you?

09:16

I'm fine. How are you? Hey, if

SCOTT LEWIS 09:18

it was any better than this, it would take a prescription.

09:21

Well, y'all I'm Lauren anima.

09:24

Anyway, I'm looking for husband.

Scott Lewis 09:28

Oh, see, we didn't even advertise yet. And they're already calling in for Jeremy. Haven't you been trying this for months and it's just not working? Well, I've tried it twice. And I don't know aren't you? What? 17 Yeah, but

09:38

I'm 18 now.

09:41

Oh, well.

09:45

About gel bait anymore.

09:48

I've only been on here twice in the last two days. I got whatever. Did you get a date? Yeah, they weren't for me. They were just not my type. They were dogs.

09:59

Tell us what happened. Oh, don't say dogs.

Scott Lewis 10:01

Well, all our listeners are beautiful. That's right. We are created.

10:06

Well, okay, the first one, the first one, I went out with this one dude that called in. Can I say name? No, no. Okay. Well, we went out, we went out twice. And then the second time the first time we had a good time, because we got into some of the clips. You got me a fake ID. And how

s

Scott Lewis 10:21

old? Yes, we love to encourage that. illegal activity. It worked,

o

10:25

though. But it was cool. You know, I had a good time the first time but the second time, he was just a total. I'm not gonna say jerk. Yeah.

s

Scott Lewis 10:35

Now How old was he?

o

10:36

I think he was 23.

o

10:38

How age spots.

s

Scott Lewis 10:42

So that just didn't go that way. Okay, so then you met somebody else? Yeah,

o

10:46

this other one was I think was back in October. And we never really met but he was just we talked for over the phone like for about a couple of weeks and was like, now

s

Scott Lewis 10:57

what what did what? What did what was it about him that you didn't like?

o

11:01

Which one the second one? Because I felt like he kept lying to me because he couldn't get his age straight first. Overseas 19

o

...

11:10

versus the wrong of that 14 admirable

11:12

first he's 19 Then he's 20. Next thing he's 23

11:17

Well, smart man.

s Scott Lewis 11:20

And when you meet him, you take him to cash his social security check.

11:25

He doesn't deliver newspapers. You're okay, honey. Yeah.

s Scott Lewis 11:29

So Jeremy

11:33

I haven't told a single person in the last 12 years my Rite Aid, so don't hate him for that.

s Scott Lewis 11:37

And this is true. What? So Jeremy, are you you're you're 17 and you're looking for a boyfriend or just a sexual relationship. No boyfriend had a sexual relationship. Well, now a boyfriend is gonna come along with a sexual relationship. Yeah, but but not just sex. Yeah. Okay. You're not like abstinent? Are you?

11:59

Safe sex of course.

12:01

Yeah. Anyways, would have been anyways. I just want them. I just want a man. No

team. Anyways, would have been anyways, I just want them. I just want a man. No.

12:08

Oh, hey, don't we all what age?

12:10

Probably okay.

12:11

But at my age of about 2028 I don't know. It really just depends. I don't know.

12:23

And what's one edge little over the hill for

12:25

you? Know, I've been out with people

Scott Lewis 12:28

that are older than that. Wow. So older. You've been out with Howard?

12:33

To drive me to the nursing home.

12:35

Oh, hold on. What did you say that I've been out with you, Howard? I had been out with a Howard.

12:41

Jeremy puts your mouth right now. But

12:42

12:43

12:43

no, I didn't meet this dude over the air. So that's

s

Scott Lewis 12:48

right now now we know. Now we know you go to the bookstores. Jeremy.

o

12:51

Was that the Houston Zoo? Was it?

s

Scott Lewis 12:54

In the gorilla, the new grill exhibit. So Jeremy, you're looking for somebody? 17 to 28 a boyfriend. Tell us about the ideal. What's your ideal date? I don't know. Well, that tells us a lot

o

13:10

about you're right. Sorry. people's hair on fire throwing Brexit children. Something fun.

o

13:15

I don't. I don't I just want to. I just want someone that's wild. And I just wanna have a good time with. You know.

o

13:22

That sounds fun. I'm just blown up building. I'm

o

13:25

a party animal. That's all you know. I like to party. Go to college. Now. High School. Yeah.

o

13:32

Oh, are you a jock? No. Okay, soccer, volleyball, cake decorating.

s

Scott Lewis 13:40

What's your What's your nationality? Danny? Do you have my number? You don't want it?

13:50

I'm Hispanic, but I don't look Hispanic at all.

s Scott Lewis 13:53

Oh, are you?

13:54

Are you ashamed to lose your parents?

s Scott Lewis 13:55

Did your parents believe in circumcision when you were born? Would you say yes or no? Yeah. Okay, well, you don't need my number. Just kidding. Just kidding. So you're Hispanic but you don't look Hispanic?

14:11

Yeah. So what do I mean? What do you mean? What doesn't?

14:17

I'm like skin. So I, a lot of people have told me just that. I look like I'm Filipino. A lot of people say I look like I'm white. You know, I just get different

s Scott Lewis 14:27

little. Yeah, a lot of people are on drugs.

14:29

Yeah. People say I look white too. But I have learned

s Scott Lewis 14:36

a lot of people say you have a full head of hair. Right after their ex kicked in. Jeremy.

14:42

Don't you egg her on?

Scott Lewis 14:45

Okay, okay. All right, Jeremy. Keep listening. And we're going to try and find somebody for you another one. Please try me Okay. Okay. Jeremy Jeremy.

14:56

He sounds a little picky.

Scott Lewis 14:58

Hey, just sound a little picky. I mean that Two guys you went out with had a pulse. I know. I mean, I tell you in a car, we don't ask for anything more than that. You know we're a good resource for him would probably be because they tell me that it's just a big dating extravaganza over there. We're

15:15

hatch hatch.

15:16

Where's the phone number we can get this gentleman

Scott Lewis 15:19

in at 940 7002 I believe she's going from memory insurer, which stands for Houston. Houston area teenage coalition of homosexuals.

15:30

I think I'm a charter member.

Scott Lewis 15:34

Yeah. Yeah, Howard hadn't seen anything teenage The only thing the only thing you know about teenagers your underwear? I think they're about 18 years old.

15:45

Hey, this is late. A teeny,

15:48

teeny, there's this on hold.

15:52

They're not ready yet. That's okay. Feminine femme. Where that?

Scott Lewis 15:57

It's only 1216 She said she call it 1215 Now,

16:02

and daylight savings time.

Scott Lewis 16:05

Now she's. She's in New Orleans as a matter of fact. Oh,

16:08

hey, did you go to New Orleans this year for Mardi Gras on a promotional tour. Do you there too. You want to we want those big balloons in the parade. Snoop Dogg Snoop Dogg. Oh,

Scott Lewis 16:28

I'm just hearing weird noises.

16:30

Yeah, I'm hearing that too. Is there a phone off the line here and a phone off the hook?

Scott Lewis 16:35

.....

Oh, it is it's in the headphones. I'll

16:36

be darned. The government's bugging us that they were communist. Now. I tell you. Hey, the good news. Maybe Phil Gramm will win after all. Why? Well, you know that Senator Dole is leading the poll of voters in New

Scott Lewis 16:54

Hampshire is better than feel great. I told you you know what, while we're while we're should we do this, do it now. Let's do little announcement. So

17:04

I do that letter. Okay.

Scott Lewis 17:07

I have gotten a very interesting letter. And it is it is quite intriguing. Dear Scott Lewis. I have been listening to after hours for several years and I enjoy the program. What I can't figure out is why you and Big Daddy can't get a date.

17:29

Why he hasn't seen us

Scott Lewis 17:34

learn from them to famous on the phone. Good. Let's get that. We'll continue this letter in just a minute. Lynn, are you there?

17:43

Yeah. Hey, Lynn, how

Scott Lewis 17:44

you doing? That's not land. Because this is right. Up Ricky. Wrong line. Hold on.

17:51

When did he become a member of one of them?

s Scott Lewis 17:53

I don't know. Hi, are you there? Hi. Scotty Yes, darlin. How are you on? This is your mother. What are you doing?

18:03

sitting out in the rain in Louisiana? What

s Scott Lewis 18:05

are you doing in Louisiana? visiting

18:07

s some friends. Yay. Wonderful.

18:10

s lotsa How did you get how was Mardi Gras?

18:13

s It was great. Actually. I came a day late. But it was the remnants are pretty if they're pretty evident.

18:18

s They're probably just laying around still. Hey, hey, exciting news urged coming to Houston.

18:23

s Yes. I'm so excited. I can't wait the beginning of April. Yeah,

s Scott Lewis 18:26

s right. But how are we know you're coming in the beginning of April. And what you might not already be aware of is that you have been excuso me. I'll have been signed as the headlining

already we aware of is that you have been excuse me, y'all have been signed as the headlining act for free concert at the end of the gay pride parade at the end of June. Oh, you're in Houston. Yeah, here in Houston. And it was just announced this week. And I know that y'all, y'all don't get your schedule that quick. That you would know it yet. But it came out in the paper this week.

18:52

Folks, I want to have you tell me what I'm doing. That time they used to play a price,

18:59

outdoor concert, even to be in the parade, the last car in the parade. Wearing

s Scott Lewis 19:08

tell us now you tell us a little bit about what you're up to that we don't know about y'all have a new single out. It's in the record stores. It's called Where did love go? Yeah, it's really great. It's a fabulous song. This

19:18

album is so much better than than last year. And I'm not I'm not, you know, minimizing the power of the last album because it was great methods and stuff. And the music was fun. But this next album, the music is so much deeper. And there's more meaning because you know, we've all been touring for a long time. And a lot of a lot of our experiences are were put into this album. So it's a lot more meaningful to us. And I think you'll see that it's really great. And we just got back from London.

s Scott Lewis 19:45

Excuse me, I'm sorry. Tell us about London because y'all did four nights you did like full shows. Yeah, well,

19:51

you know, you guys know what you've seen that show many times. It's like 25 minutes long or something or 20 minutes, and this was over an hour 16 songs And so it was a lot different than the things that we're used to doing. But it was it was amazing.

s Scott Lewis 20:05

Now y'all, y'all raise quite a controversy over there because y'all were banned from from the city proper in that right?

20:13

Well, you know, we had to do a show privately before we did any public shows for the Westminster Council, now Westminster, you have to understand this very, very prude. And I, we were all under the impression that Europe was much more open minded than America. So we get there. And we do this show full fledged, you know, no holds barred kind of naked women and strap ons and but it was very spiritual. There's a song, worship polytheistic. And it's about sacrificing. And in the old pagan days, they would do rituals where women would wear strap ons, and the men would actually sever their penises off it. So it was kind of like a reenactment of that. And it was very beautiful if you listen to the story, but there's all politicians that need to get laid really badly. We're sitting there with trying to hide their erections during our show, and so it was so hard when you don't sacrifice yourself. So God wearing lingerie. So we had to completely censor the show, which kind of, you know, upset us. But then again, it made quite a controversy. When I told one of the first night we got there, we did a show called the word and I told the host get screwed us Life TV.

s Scott Lewis 21:27

You're just winning friends and influencing people everywhere.

21:31

He really respected there.

s Scott Lewis 21:33

The The new album is called animus, right? What does that mean? It's actually

21:38

it's the male side, excuse me as a female psyche, with all of the tests. And in your case on the female side of your male side of your females

21:50

male, he would have to hide his erection. Anyway.

21:55

very confused. But anyway, it's that's what it is. And it's really a it's a it's actually a story to the whole album. It's about a woman named Jane who a girl she was born naked into in to the band and then goes through a lot of different changes in our life. And it's it's pretty much all of our

and then goes through a lot of different changes in our life. And it's, it's pretty much all of our experiences put together into one woman. And it's really great. It's a great storyline encounters an evil thing. As we have, as you know, mom's

 Scott Lewis 22:24

right. You know, one of the questions that I've gotten in the from people that know that I know y'all when they heard there's a new album coming out and stuff people think that the entire group is different and that all the women have changed and, and I've had to explain over and over No, it everybody's the same, but one.

22:44

Yeah, just one is different. LD Christina and Lynn and Lalizou

Scott Lewis 22:49

who has an absolutely incredible voice.

22:53

He's got a great stage presence. Great. Great. Okay.

Scott Lewis 22:57

Yes, you can. And they're great to house. Oh,

23:02

that's a disrespect her voice. But she does have a beautiful voice. We're lucky to have her with us.

Scott Lewis 23:07

What can they expect in April when they when you come? Because you premiere? I think you'll y'all debuted the new show here in Houston at Blue Planet. What was it about a month ago?

23:18

Yeah. And that was the first time we've sung any of the new songs on the album. So you know, we had been rehearsing for the London shows, which, like I said, was over an hour. So we kind of picked which ones we were gonna sing in Houston and did them. And we were a little rusty,

because, of course, they're new. We'd never sung them live before but it went really well. I loved it. Blue fine. It was great outside and all the people it was really fun. So it'll be it'll be, you know, like that. But as you know, depending on our mood or our performance, always change

23:51

how the crowds treat John here in Houston at Blue Planet.

23:53

Oh, great. Great. Yes. Wasn't it true that it was mostly straight, right? Oh, yes.

s Scott Lewis 23:59

Yeah, it was I think about 3000 straight people. Yeah,

24:03

they were really great. Actually. They were really really great Lesley LD p right on this page, because there was

s Scott Lewis 24:12

because she couldn't get to the

24:13

bathroom. No, no, no, she couldn't and so she decided to pull that her pants right there and she got a big cheer for everyone on stage. And hilarious. She's a little over you know. It was fun. I really did have a did a stage dive banned all stuff, and then came up complaining oh my god, I was falling gold and I say you show your breath with nipple clamps on it to 3000 drunk men and you complain about getting funnel.

s Scott Lewis 24:44

How? How are you different a year a year later?

24:47

Our completely jaded sweetie.

 S Scott Lewis 24:50

That's Christina said the exact same thing. I'm jaded. That was her exact answer. I am jaded.

 24:55

Yeah, I've never heard her say that. But it's the truth. I mean, obviously at it's different. I mean, I think that you grow anyway, even if you're not touring, but if you are touring, and you just go through a lot of different things, you know, I feel more in touch with myself. Because there's a lot of times you have to deal with, with a lot of crap. And you have to be around people, you don't want to be around excluding you guys, of course, because when we come to Texas, it's like coming home. But with the record company people and bless their hearts, we wouldn't be here if it weren't for them. But the business that you have to deal with, and you have to kind of detach yourself and go inside yourself, and you're forced to, to, to be comfortable alone in a big crowd, if you can understand that, right? So at the same time, we've been jaded, and much more in touch with myself. And it's nice. If you're forced to do that. It's really hard to tour it's really, really hard to get homeschooled it's like people like you, Scott are great.

 25:54

Hey, well, the gay community down here in Houston is waiting anxiously. I mean, the excitement that that has been produced with just the announcement of you doing a free concert here is unbelievable. I mean,

 S Scott Lewis 26:05

it's free to the people, you're getting paid. I know how y'all worry about that.

 26:12

You know, it's not even that today, of course, is an element, this is a necessity.

 S Scott Lewis 26:18

But if you got to pay the rent, just like everybody else, when I come

 26:21

to Texas, I don't even think about that twice, because it is like coming home, it's you know, it's just the people the support is amazing. And every talk show that we've done every radio interview we did BBC in London in England, which was an honor to do. But they asked how we were accepted in the United States and Texas, the first thing to say, oh, god is this where our family is, it's like, you know, none of us will LD is from Dallas. But when we go there, it's like

going home. It's really amazing, especially in the middle of a long tour. It's like a break for us to perform there. It's so easy. We can just be ourselves, you know? Yeah. Houston loves you. We love Houston, back Well, I'm

S

Scott Lewis 26:59

gonna cook a big dinner for you when you come down. Because I haven't done that I don't think since Thanksgiving last year. And I'm gonna fix a big dinner for you when you're down here in April. And I think I'm not sure but we're in the works of maybe you even visited me at my club so of

Ω

27:16

Scott Lewis 27:44

We'll see you soon Lynn. Thanks darlin. This is where did love Go? Yes, that was the Houston debut of the new film to film single. You can't hear it anywhere else. Well, it was kind of snappy. It is kind of snappy. It's called Where did love go? And I think it has just hit the record stores. I'm not 100% sure that it is in record stores yet but if it's not it should be in the next few days. And I think the full album hits record stores on the 14th of this month spent about 10 days

Ω

28:22

well sure is nice to know that some someone likes this town

S

Scott Lewis 28:27

because it sure as hell restaurant review, Russ, thank you. Thank you Lynn Pompeii before we just thank you go on. Thank you, Lynn Pompeii. We're going to come back to this Thank you Lynn Pompeii from film to film taking time out of her schedule to talk to us short sweet and it

was and we'll come back to this letter that we were reading before she called in just a minute and I promise you don't go away because you're gonna wanna hear this restaurant review Salinas Salinas Killeen is is how do you describe it? It's a little cafe right over on Richmond at Wesleyan in a little strip center. strip center. Little is the key word here. Because this place is

29:08

good. Your jockstrap sighs

s Scott Lewis 29:13

um, it's what? Tables 12

29:17

An old pizza joint. Just an old two gold pizza joint. So now it's a new pizza joint. Well, no, it's now a new pizza joint with tables. I'm not lying. Seriously? Well,

29:31

you know, I'm finding out that I like now from eating there. I now like Italian food just as much as I like Italian men. That was a good column.

s Scott Lewis 29:41

That is a very good compliment for Salinas. I think it's absolutely fabulous. First of all, tell us about the concept. The concept is excellent Italian food affordable, that you could bring a day that you could bring a friend that it's so casual, that The people at the table next to you, you ended up striking up conversations with them during pizza. Exactly. It's just great. And the neatest thing about it is they want what was the owner's name, his name is Paul and his wife's name. It slips me always want to say, Jan, because when I say Paul, and a woman's name, I always think of Paul and Jan on that Christian show. Kind of like Jim and tam anyway, Ronald and Nancy II or something like that. But he was saying, they wanted to make, you know, some good Italian food affordable for anybody to come in and have a good meal. And one of the things that I really like about it is that it's BYOB. And meaning that you go down to specs, or you run down to the grocery store, and you pick up a bottle of wine, your favorite wine, and you get a bottle of wine for six, or seven or eight or \$10. And you take it down there, they give you a corkscrew, you pop it up and they give you a couple of wine glasses, you get a bottle of wine for \$10 at the store, instead of going to a restaurant and paying 20 or \$25 for a bottle of wine. So it makes it possible dinner was inexpensive. Exactly, you know, and then you end up was great. I think you end up spending less than \$15 for

31:13

the waiter who kept trying to get a

 S Scott Lewis 31:16

waiter is the gnarliest thing you'll ever see in your life. He is a mess. I mean, we ended up down there because I'm being blocked by one of the kitchen boys. And which is a story in itself. Yeah, whatever. That's just a fart.

 31:33

But like you want a motorcycle. We'll talk about that later.

 31:35

But anyway.

 S Scott Lewis 31:36

But anyway, Billy is a waiter down there. And he it's just an experience in itself. It's almost the whole thing is very New York. And then you have Billy to top it all off, because he's rude the whole time. He's such a bitch, how God

 31:51

Oh, God grabbing that wine out of your ball. Exactly. Do I get a glass a lot. And then the boss knows he's drinking anyway.

 S Scott Lewis 32:03

It's a great, it's a lot of fun. It's a real neat atmosphere. The only thing I don't like about colinas The only thing because I this is the probably the most positive review we've ever given on a restaurant. The only drawback to clean is, is that it's very and it's at the same time. It's one of their best features is that it's really, really small. And so when you go in there, you put your name on a list for a table because they're almost always on awake. And then you go, you have to go outside and wait because there's just not enough room on the inside of the restaurant. For you to stand around. You're constantly in people's way. Well, if the weather's not nice, then you're stuck outside or you're stuck in your car, waiting,

 32:40

but that Billy comes out and get you for an extra glass of wine. Exactly. You get that bill? A glass of wine. He's right. He'll skip you up the list. Let me tell you exactly remember

S

Scott Lewis 32:48

the night we went to Belize, right? We went in one night I had given my boyfriend when he caught a sky vodka t shirt. And he Billy liked it and wanted one. And he my boyfriend told me that Billy wanted one. And so I took one in one night, if you remember we went in it was 10 o'clock. I said, Oh, they don't close till 1030. We get there at 10 o'clock. And I go in with the t shirt in hand and say, Billy, you know, let's get a tape. And we look and like all the tables are put up. They're closing down a table. And so I said, Oh, we're too late, aren't we? Well, I just wanted to bring you in this t shirt because somebody told me that you wanted this. And he said, You brought this for me? Well, if you don't mind if we sweep around? Yeah, you know, we'll let you sweep around and they didn't sweep around us. But I mean, that's just the it's almost kind of like a family thing. And they're, you know, you're almost a part of the family and stuff and it's just, it's a neat thing and wonderful. We've gone back several times. And it's it's a lot of fun to go. It's almost become a witch who wants to know which boy in the kitchen.

o

33:54

I go to his Hispanic kitchens in Houston.

S

Scott Lewis 33:59

That's, that's do we want to take let's take her let's put her on the air. It was it. Go in there and pop that button. Don't you give any names? Oh, Buttons. Color Are you there? Yeah, you're on the air. Who's this?

34:35

Scott Lewis 34:39

Okay, how come? That's one of my great that's one of my favorites.

34:43

Because if you ask I'll give you a complimentary glass of wine.

Scott Lewis 34:47

Oh, now we know who you are. Now I know why you want to know which boy in the kitchen has been hiding his Italian sausage in me. Hispanic sausage reversed. Teresa, baby. I'm not telling him I'm being very secretive. But I will say this. He has a skyrocket t shirt. And it ain't Billy but any. Okay. Accomplished. We'll see now we're going in Tuesday night will or one night this week and we'll ask for Michelle because we want a complimentary glass of housewife. Oh, no, that's not good for everybody. Just celebrities like us. Hi, Michelle. We tried. Wait, what? You know, one time we tried to weasel a free dessert out of Paul and it didn't work didn't work.

35:36

We try to do it to get free food. Hey, we'll tell you. It's good. Service is fun.

Scott Lewis 35:41

The service is neat, Billy, how does he get away with being such a bitch?

35:45

You know, I don't know. I can't really answer. Now. I'm

Scott Lewis 35:49

gonna show you way down there as well. No, no, no,

35:52

s

Scott Lewis 35:54

paper so you're not a waitress there. See, I was thinking she was that waitress.

o

35:57

You know, this is confusing to us too, as well. We're pickled touched. He says being pillars of the Montrose community should afford you the luxury of an occasional day. Now this. This is true. We are pillars of the community pillars of salt. I am a straight 28 year old doctor who will take you out for a night on the town provided that you give me a tour of the gay bars and Montrose. We can either go on my Harley or in the comfort of my BMW convertible The choice is yours. You profess to be a bottom that's me. I might be the ultimate top I've got I've got he's got some things for me to feast on that I can't. Can't go into

o

37:56

big into how long? How many inches? No,

s

Scott Lewis 37:59

And he even sent a picture and he looks kind of rough and tumble in this photograph. Which is not necessarily a bad thing. No But honey I especially when you're two inches less than a foot

s

Scott Lewis 38:29

39:45

Yes, I'm here. Good morning. How you doing

s Scott Lewis 39:47

wonderful. Who's this train

39:50

and I know you know, I don't want to sound you know, bitchy or whatever. But sometimes we do have to find the balance between you know oaks and and giving out stereotypes and a while ago when y'all made that comment about what aren't all the Hispanics, you know, working in kitchens whenever that can that really made me

s Scott Lewis 40:11

No, no, no, no, no, you misunderstood. What he said was aren't all the men that work in that kitchen Hispanic, which is true the restaurant we were talking about. They were asking who, who had I slept with? It works in that kitchen and Howard said, Well, he's Hispanic. I said, Oh, that narrows it down. They're all Hispanic in the kitchen. In that particular kitchen. It is
