 Scott Lewis 00:01

Oh, no, no, no, no, you misunderstood. What he said was aren't all the men that work in that kitchen Hispanic, which is true. The restaurant we were talking about. They were asking who, who had I slept with? It works in that kitchen. And Howard said, Well, he's Hispanic. I said, Oh, that narrows it down there all Hispanic in the kitchen. In that particular kitchen. It is completely staffed by Hispanic men. And so I'm talking about a specific restaurant and not not that all Hispanic men working in the kitchen. Certainly.

 00:30

Because, you know, I find you know, I, you're

 Scott Lewis 00:33

01:42

Actually, I'm straight. I was trying to get some information on where my wife could meet someone to satisfy her. By curiosity.

S Scott Lewis 01:53

Oh, I'm at a straight bar. I don't know. I don't know. That you've caught me off guard. I have no idea.

02:10

Isn't it? Isn't there? Isn't there a bisexual network in Houston?

02:16

04:09

Back on the radio. I'm doing fine. All powered

Scott Lewis 04:12

play. It's staying out of Jr. So late every night every time I go I never even go to Jr. Every time I'm there. Who do I see? Sandhya Jennifer? Oh wait, it is absolutely

04:21

only one thing that we kind of quit going on. How come we stay home and play Monopoly or poker or drink and talk?

04:28

If you ever played naked Twister

Scott Lewis 04:34

now Sandy,

04:35

seven months 13

Scott Lewis 04:37

Sandy and Jennifer met here on the love connection seven months ago and it's been up and down. But mostly pretty good. Getting really good now.

04:51

What's getting good um, our

04:53

relationship everything's good.

04:54

You see commitment in the works well, no,

04:56

no commitment. Still. We're just you know, we're You know I really care about her a lot and and I'm crazy about her and that's about it for she goes

05:05

every time I see you to you to just look like you're haplessly in love. Exactly.

05:09

I'm not sure. But the feelings, you know, I'll admit I have some muscle. Trauma her but still we have a great time together.

05:16

Maybe we should ask Dr. Antonio about this. Um, it seems like you're you don't want to commit to a relationship?

05:22

I do. But I'm not gonna think she's ready yet. Oh,

05:25

she's not ready. Are you speaking for Dr. Antonio? What do you think?

05:28

I think she probably should be given equal time.

Scott Lewis 05:32

The other partner is Jennifer there. She's Is she listening?

05:37

I'm sure she's listening. Jennifer, you give us a call.

05:40

We have. I mean, we have like, you know, we're not we're never tired or sick. So we have a great more than normal people, I think.

s Scott Lewis 05:51

Not more than me and Howard. Today, me and Howard three or four times a day. It's just there's not ever anybody else in the room. Yeah. We're always by ourselves a day four years ago, you know, does a video count

06:07

the songs in the film was great as a great song.

s Scott Lewis 06:09

Great. It is a great their new album comes out in 10 days and there'll be in Houston the first part of April. She said,

06:15

You come into the free concert. I don't know if it's June 25 1900 95 Right

s Scott Lewis 06:20

after the gay pride parade. Oh,

06:23

we'll see you there American Reagan. You can run one of those dunk dunk a lesbian booth

s Scott Lewis 06:31

you know Sandy and Jennifer rent when we first met at when they first went it was at Jr's right at the first of the year, when we first met and coffee presented me the slot of the Year Award for 1994. And which I have many Hispanic men who helped me achieve that accomplishment. None of them will admit to it. No, this is true. They all say it's not true. But they all say I'm a liar. But a BombBomb liar. A sexy Bon Bon but anyway. No more though. What

07:04

new name was a coffee said the other night. Once you sexy Bong Bong. Yeah, don't you have a new name that not taking my money anymore?

**s** Scott Lewis 07:13

What is it now? I forget what you said. Who knows so much. Sexy bonbon. Let's not get into that story again. But, um, and so they offered to hook me up with Eddie, you know, they said Hispanic guy attractive, blah, blah, blah. So they gave him my number. And he called me a couple times and left messages on my machine. Well, then I called him back. And I talked to him for a little while. And then I never heard from him again until like, I guess about two weeks ago. Yeah. shows up on my caller ID that he called. But he didn't leave a message.

07:49

If it was out of town when he came back.

07:53

They were broke up. Isn't he the one that works in your building or something?

07:58

He's really really cute. Yeah, beautiful blue eyes. The white dude and he's into that stuff, too.

08:06

Yeah, Dave. Yeah, that

**s** Scott Lewis 08:07

was pretty cool. What's that big white girls?

08:09

No, he likes big white men. Like rich big white men.

08:12

Oh, he would talk to us.

08:15

Ya know, and two out of three. I've been trying to stick around a couple other dudes a new out here but I'll never seem to find them anywhere.

08:21

Where's that Huntsville?

08:26

Got a liking?

08:28

I've been trying to help him for years to tell him drive your car.

Scott Lewis 08:35

Oh, thank you.

08:36

Were there in Hong Kong. Say hi. I'm glad you're back. I know. Well, we

Scott Lewis 08:41

missed y'all too.

08:42

We need to get a really sexy voice woman on there to get some women to call in. Hey, we're always looking

Scott Lewis 08:46

for women to call and hey, look, you've got Jennifer settled down Sandy. We just wanted to call in to meet other women. Well, when we Hey, we got you hooked up. We'll hook up anybody we often talk is recently she said no. I'm getting a mental picture. Oh, it's not food poisoning

09:05

brings to mind.

09:07

Love was there and she brought it with me like crazy.

Scott Lewis 09:09

Lindsay she's a mess. She is a mess. Well, we thank you for calling in Sandy. We love you. And hey, keep on that Hispanic hunt for me. Okay, I need a man.

09:19

Oh, Jennifer called to another woman.

Scott Lewis 09:25

Oh. Bye. Bye bye.

09:30

Dr. Antonio, what do you do? We got to second to ask him. When do you think is the right time frame to make a commitment? Since insanity them are going out now for what seven months, seven months instead of months. They see that their feelings tend to be every time

Scott Lewis 09:47

we see him together. It's like they're just like a newlywed couple. I mean, they're just so in love and deadly incident

09:52

sounds like they take the relationship to one point and then they stop. Well, what do you think is the right time to do it? To commit to kind of commit

10:03

I kind of like to wait for that year thing. You know after after you I think a year pretty much well covers a lot of what you should know about a person I believe. I usually I have always waited a

year I will court someone to this. The years is up and then I'll say okay, well then it's time to go ahead and move on and do even bigger and better.

s

Scott Lewis 10:31

Did you say move on or move in? Okay.

o

10:35

One whole year? Sure. Short doctor.

o

10:41

That's why they all end up in divorces.

o

10:43

Yeah, that's because they think the grass is greener on the other side. Well, in a

o

10:48

year you'll find out.

o

10:51

Really, any other grass tastes the same in your backyards. It just down the road. Still comes out green and stinky. All right,

s

Scott Lewis 10:59

let's take another phone call. Okay. Caller Are you there? Yeah. Who's this?

o

11:03

Hello. Hello. This is Bobby. Hi, Bobby.

s

Scott Lewis 11:08

This is Rob Bobby. Almost got it. Okay, here it is. Right here.

11:14

What topic? Would you like to restaurant the bisexual?

Scott Lewis 11:20

Tes would be transsexual.

11:22

Oh, what topic we want to talk about?

11:24

Because I'm up for any of them. Well, I can start off with a restaurant chain. Because I have a problem that I'm having in the mattress area at a restaurant.

Scott Lewis 11:34

Oh, well. It's not about being ageist Is it because it's burned down?

11:37

I didn't want to use names. But we don't care mind. I will use a

Scott Lewis 11:42

name. Hey, use the name. We don't care. Oh, what's the point? You're having problems?

11:49

The cockroaches don't even eat there.

Scott Lewis 11:51

Let me tell you. The last time I was at Charlie's was about two years ago. And I knew things were awful when I'm sitting at a table with Brian Bradley, one of Houston's most renowned activists, and he drags the manager over to the table and he says look, if she comes over here one more time with that attitude. I will pick that bitch up and throw her through that plate glass window. We're talking about the waitress. I mean, it's

12:18

said that I had walked out on a bill that was

**Scott Lewis 12:21**

just awful. It's awful. It's beyond me. I haven't been in two years you I tell you what. I will sleep with a white man the next time I set foot through that door you just it is not going to happen not go

12:34

there again. I have a vendor and month but I mean when they threw me through that door into the parking lot and I'm a legal female.

12:42

Hello, hello. We're with Yeah.

12:45

Oh here and through me and then through my purse. That means that betcha you'll probably need your makeup because I was crying and bawling. And I showed them papers where I had gotten out of the hospital and I wasn't even there on the date. They claimed that I walked out on my birthday. And as far as being bisexual the best of both worlds right

13:05

here doing okay, that's

**Scott Lewis 13:06**

right. I'm bisexual buy me something I'll be sexual. Hey, and and

13:15

you food and you'll do anything?

13:17

This is true. This one I just want somebody to love me and take care of me.

13:22

Hey, don't we all that's what we're all after. Dr. Antonio, do you think everyone wants someone to love them and take care of them? Of course. Our genes have been taken taken care of. Doesn't it sound somewhat subservient? I don't want anyone to take care of me.

13:36

Well, you see, I'm trying to do the female thing and you think you can't control? You know, I'm not I don't know if I want to see a bit. I want to be more of a yes baby. Is that what you like? And you know what I would like?

13:53

Could you do that for me?

13:56

saying oh, all women are bitches.

13:58

And be that well, if they give me a hard time I can be that way. But I don't want to do that.

Scott Lewis 14:04

I have to interrupt you just for one second to let the listeners know that You're listening to Scott Lewis and Howard Big Daddy McHale on after hours of continuing tradition on KPFT Houston 90.1 FM, the radio program and the DJs that will not die.

14:20

Can I give a question to the doctor? Yeah. Familiar with transsexual?

14:26

Remember, he's a therapist therapist.

14:29

Ever. Give advice or listen to you know, they call that psychotherapy to maybe transsexuals?

 S Scott Lewis 14:39

No, no, no transactor little actus it's more, it's more. It's more sex therapy,

 14:47

sexual sexual functions.

 14:49

Okay, because I'm just rediscovering my body. And you know, we're like when you're going through transition. The hormones tend to make them shriveled up

 S Scott Lewis 15:04

would those be the testicles? Testicles? Right? Okay,

 15:08

you know that happens. And then

 S Scott Lewis 15:09

I mean, you want to get rid of them don't yet and you

 15:11

get to a point to where nothing comes out. And all you get is just the feeling. And that's all. Really. Oh, you know? I don't know. So after a while, it's like, you're a woman, and you have orgasms, but only the ceiling. How about multiple orgasms? Well, my heart starts beating so fast. Like, I don't know if somebody could take it. Hey, absolutely. So different. Is it really, and trying to rediscover your body? And, and how things work? And what turns you on? And what, like, a porno movie, I could care less about a porno movie, or a magazine or anything like that. Nothing turns me on except for somebody touching they are acting like they care for me. And you know, what is terrible is that in the morning, when it's over with, then it's the crying game. It was all just, you know, it was curiosity, or this or that. And anyway, not very much fun. I just want somebody to take care of me and be there that afternoon. Not gone the next morning.

 16:23

I think sometimes we all feel like that. And hey, I know I don't want someone to leave. The next morning. No one leaves the night before. Get off and get out. I know what you said. Yes. We all need that.

 S Scott Lewis 16:36

We all go through that.

 16:38

All right. Well, I'll take it.

 S Scott Lewis 16:39

Thank you, Bobby. We have a next caller. Is this. Quincy? Yes. How are you? I'm fine. How are you? Wonderful. Are you still trying to find a boyfriend?

 16:50

Quincy still? Yeah. It's got to find one that either, so don't feel bad. Yeah,

 S Scott Lewis 16:55

that's right. And I am wait was this letter say a pillar of the Montrose community. Being a pillar of the Montrose community should afford you the luxury of an occasional date. You know, I think I'm gonna have this framed and send it to my mother.

 17:14

Why she didn't want to date to. You're not gonna date your mother again.

 17:17

I have no

 17:20

I thought you had her wands.

SCOTT LEWIS 17:23

So quick. Where's my pen? I can't even read.

17:28

This is Jennifer. Oh, Jennifer.

Scott Lewis 17:31

Oh, Jennifer. Okay, so

17:33

I'm about to tell her boss that she stays on the phone all the time at work.

Scott Lewis 17:39

We won't tell Okay, where's Quincy is piece of paper. Okay, Quincy. Quincy. How old are you? Quincy? Why the hell don't you go out with what's his name? Where did his piece of paper go? Jeremy Jeremy.

17:52

It wouldn't work out. Why? Sounds kind of cute. I'm not here to hide. Why did you yell already been out? Well, you're the second or the first one.

Scott Lewis 18:03

I'm not sure. But you've been out with Jeremy already. Well, no, but we've talked. Oh, you're the second one. So Quincy, how old are you and tell us the truth. Well, that's why you kept telling him 1928 T.

18:25

Go for girl you lied to your 40 Take my word.

Scott Lewis 18:30

Howard still lie in it for 35 Knock

18:34

s 18:35

You should knock them off.

18:37

I did have something for a while. Would you have?

s 18:43

Oh right. Francisco Francisco. The guy that brought us Big Macs or something.

18:47

He had the McDonald's. Yeah. Yay. Where do you go? For how long ever never? I don't know. Hey, I know. I called them once and I never hear from again either. They always tell me they're moving. Don't feel bad. You see him in six months. I don't remember your name. Or a year.

s 19:09

Well wait, Quincy. 16. Is there anybody else out there? Who is that young? Give us a call. 526-573-8526 que Pft? Yes, please. All right, Quincy. We're gonna go to Jennifer now on line nine.

19:26

Hey, that Quincy sounds well, what do I sound like?

s 19:30

He sounds desperate. I tell you. I'm Jennifer. Are you there? Yes, I am. How are you darlin? So are you at work? Yes. Why are you only so so? I had an allergy attack and it's left me with a little cold. You sound a

19:47

little different. Yeah, yeah. A little congested.

s

Scott Lewis 19:51

Your your your other half was on the phone earlier. We were given her a rough time.

o

19:55

Yeah, well, when I get home with her, I'll give her a rough time too.

o

20:00

You weren't listening. Were you? Yes. Oh, yeah. So how come you won't come in? Yeah, what's

s

Scott Lewis 20:05

the holdup? Where are the men who introduced you? We can ask. We're just, it's just the three of our family. It's just Esther and Dr. John Antonio is sitting in a sex therapist, a sex therapist, and obviously that's not the problem four times a day, my God, four times a week and I'm worn out,

o

20:25

Hey, that's not counting the orgasms we have.

o

20:29

How many permitted

s

Scott Lewis 20:33

so what you little scared to commit? Or? Or? What's the just want to take it slow? Or what's the scoop? Take it slow. That's smart, smart.

o

20:44

Okay, is there something that's kind of blocking you? From from from going over the edge? You mean? Nothing? If I could take my time? Okay. When do you think when do you think is the proper time?

s

Scott Lewis 20:57

telefono you'll just know, seven months

21:00

s Scott Lewis 21:05

Okay. And she had she had tell us

21:08

Yeah, really? Because we'll call the cops

s Scott Lewis 21:11

21:32

sex is good companies good food. Cooking is good.

21:36

Wonderful. Who cooks? Well, she does more of

21:39

a girl I'd be living with her by now. Please. She

s Scott Lewis 21:42

cooks. Good. That's right. Get hit by a metro bus tomorrow. Trust me. I mean it they people don't you talk about people who don't know how to drive. Those are those Metro bus drivers.

21:51

You could be gone tomorrow and look at you would have missed out on sleeping every night with someone.

 S Scott Lewis 21:56

Do you spend the night over at all are she with you or

 21:59

days I'm over at her place?

 22:02

No commitment. Yeah. Coming from two gay men. Wow. That's kind of weird. Yeah, let's let's talk Jasmine's into moving in together.

And he sees his true love across the bar and Baba Baba or she does whatever. What a neat little song. Your heart goes zoom. The first time MacArthur's Park is playing in Melton, whatever.

s Scott Lewis 29:55

the way to here I have your sheet here.

30:03

Is someone tickling you know,

s

Scott Lewis 30:05

you're 19 you like fast food and you're a weepy woman. This is this is your own description of yourself. I mean, we could have given it to you but but here you've provided it for us. You want you're looking for a man with no felonies and no prison time. To stay at home, watch cheesy, scary movies. Listen to Tori Amos and Kate Bush. Now what what is this about chunky chicks? Oh, that's me. Oh, you are a chunky chick. Yeah. Okay. With the Susan powder hair cut. Well,

o

30:45

um, I made it short like hers, but I don't spike it up like she does. Have you ever thought about doing cartoons? Um, well, I've been offered for Minnie Mouse, but I declined

o

30:56

by I just saw a big special on on Discovery Channel the other day. And they went into the lives of people. The voice is behind the cartoons. Oh, this sounds so nice.

s

Scott Lewis 31:06

What do you do now for a living? Oh, I'm

o

31:10

selling Avon.

o

31:14

Thank God, you're not a Houston police dispatcher.

s

Scott Lewis 31:17

Um, I think you could make more money if you take in the Minnie Mouse job. Well, just a hunch. But if

o

31:24

you have a sweet voice you sound 12 Oh, and you always sounded like this? No. Oh, sounds need. Would you like to get her on your phone recording message? Hello. Have you read Scott? Hi, Scott. Oh my now if you do message me back, I'll be looking for a man huh? Big Man small man brown man black man, white man, you name it with one

31:53

big hairy white guy. Oh, boo. To look at me. Can I ask them therapists a question?

s Scott Lewis 32:01

Hey, you got it? Okay, got it? Um,

32:05

well, I've had boyfriends. And it's really weird. I haven't been able to achieve the ultimate moment with any of them. But I can on my own and it doesn't seem satisfying. And it's, is it because I know they don't love me or what?

s Scott Lewis 32:29

You know, don't Dr. Antonio don't a lot of women say that they don't achieve an orgasm until they're like in their 30s with a partner. Isn't that true?

32:40

That's very true. It just

s Scott Lewis 32:44

don't you think maybe it's a lot of it's communication that they don't communicate to their partner how? Or you know, how, what, what they need to achieve an orgasm,

32:53

right? A lot of times, you know, you need to express to that to your mate, what you want. And there's nothing wrong with that. I mean, you know, just it's called, you know, just self fulfilling, you know, and if you don't like with what he's doing, well change that and tell him what to do like to do, you know, try that. See how that works.

33:15

But but you know, she has a valid point there. She She says that she knows that she doesn't love the partner. So that first says an orgasm.

33:22

Um, it's just like, it's, we can't take her time. It's like I'm in the back of my mind if they would have mom find out. stupid stuff like that. And I'm at an age where I should be able to like have a mature situation. Great.

33:43

I think I think I personally think that you're just still a little young and you're still experimenting. And I think when womanhood blossoms into something a little bit more refined, that you'll take your time slow down, ease into it, and really enjoy it and have one hell of an orgasm. Doctor, what do you think?

34:00

I agree. Very good. It sounds like like you big daddy.

Scott Lewis 34:07

Melinda, we're gonna be on the lookout for a man for you tonight. Okay, so keep listen. And if we find somebody for you, we'll we'll give you a call back. Okay. Thanks. It is just a wild night out in the Montrose tonight. She She sounds so sweet. She does sound

34:24

like my little my little sister. Well, we have another one.

Scott Lewis 34:27

Hey, 526-573-8526 KPFT Scott Lewis and Howard Big Daddy McHale Caller, are you there? There's not a there's not caller. Are you there? I'm here. Who's this? This is Lloyd. Hi, Lloyd. How are you?

34:44

Doing? Fine. I'm on the air.

Scott Lewis 34:47

You are on the air. Okay,

34:49

got a question for you. Okay. Concerns my ex wife's boyfriend.

s Scott Lewis 34:55

Uh huh. I'm not sleeping with him. What

34:57

a sweet either.

s Scott Lewis 34:59

Neither one have us I don't

35:00

worry, I know who he's sleeping with.

35:02

Okay. You don't want to shoot him? Do I've already considered

35:05

that question? It's my ex wife.

35:09

Oh, okay. Your ex wife's boyfriend? Yes. Okay.

35:12

The deer trap has a small problem. That is he tries to do anything with her. He doesn't quite hit the right spot right away. And as soon as he tries a couple of times, pokes the right area, but doesn't quite get in. He panics and everything goes into a holding pattern and kind of collapses. on you, how do you go about getting the guy past that problem?

35:41

Sounds like he's somewhat uncomfortable in the whole situation. He's hurting and trying too

Scenes like he's somewhat uncomfortable in the whole situation. He's fumbling and trying too much.

35:46

Oh, he Terry's all right. He's like a rock. And he gets up there. And he hits the right area. And he doesn't get in right away. And after about three tries, it turns into spaghetti.

s Scott Lewis 36:03

Well, I would think wouldn't you want a you would you would let? Because I Well, I'm not going to drag myself into this. But the, I would think you would a Let the woman direct? You know, a little more. Maybe start with the woman on top. So that

36:22

kind of a small problem. She's rather large.

s Scott Lewis 36:27

Oh, yeah. And it's hard for us large ones to be on top. Yes. I don't like being on top. I mean, you know, I mean to like to ride on top. I don't like it not me. I do. Well, you're, you got a 28 inch waist. So that's part of the problem that that because it's a large woman. And so that makes it difficult.

36:49

I suggested we put him out. Let's stretch him out on the floor. And let her get on top. Is there a question whether the bed is soft or hard would be meaningless? Yeah,

36:59

right. Is there? Is there a problem with the size of his penis?

37:03

There's nine inches qualifies.

37:05

Well, I should be okay. That should be fine. Yeah, it's

37:08

like a Greek culture. There's little wonder nine.

37:12

Just just doesn't know how to hit the right. How old is he?

37:15

He's in his 20s.

37:16

Yeah,

s Scott Lewis 37:17

we'll see. There's part of the problem too. Yeah, he's still kind of young experienced. Yeah, see, I think in a situation like that, you have to let the woman take over. And, and let the I mean, if she's a large woman, and this is a little 20 year old kid, she should be able to just pick him up and stick him where she wants him. Just about. Yeah, tell her to guide him Don't tell him to relax, don't get flustered. And to once it's been my experience that once if they lose the erection because they get a little frustrated and think you know, you're trying to get in there and and so stop, back off, relax for a minute, you know, try oral sex again, try, you know, a hand job. Something else to re stimulate them without the stress of trying penetration. And then once you retrieve that erection with oral sex or through hand stimulation, then try penetration again.

38:16

We're working on that project. I'm trying because there's

38:19

a family. Everyone jumps in.

38:23

I guess it's my ex wife's got this problem. And I'm trying to give her encouragement I'm trying to give him Okay, so you just kind of like I want to make sure they stay together and get away from me. too happy together. Good luck, Lloyd. Good luck. Oh, listen. Yeah, you guys were

talking about restaurants earlier? Yes. couple places I want to recommend. Okay. Have you ever heard of

♂ 38:48

wok bow? Now?

♂ S 38:51

Is that like oriental

♂ 38:52

oriental place? A style all you can eat? Where's that? Okay, they got three locations. One is way out. 59 and

♂ 39:01

Milford area. And then there's two places up on the west timer. One outside of West outside of the beltway. And the other one is up near robbers right across from a house of pies up there in Westheimer. And what's it called? Walk bow walk though?

♂ 39:18

How do you spell that?

♂ 39:19

Let me Okay, Bo,

♂ 39:22

words. That's easy.

♂ 39:25

And the price range is what you'd expect for an oriental restaurant. Give an example. The barbecued ribs they have are a half a rib. B sliver things they normally hand out. And the sweet and sour pork is chunks the size of golf balls. Then they got about four or five different kinds of hot and spicy meals. You know foods and of course the noodles and your fried rice and all that. But they got about 25 items on the entree section.

39:58

Maybe we'll get there tomorrow.

s Scott Lewis 40:00

We will have to check that out for a restaurant

40:01

I would highly recommend you guys check that place out. And you walk in hungry. Oh, hey, we

s Scott Lewis 40:07

always do Lloyd we always walk out hungry to throw us out of there. No, thanks for calling Lloyd. We appreciate it. Please. Is it Outback pub? Oh, yeah. You've been great steaks. I had dinner with them defend there a month ago.

40:25

Okay, then you know that's kind of great food they

s Scott Lewis 40:28

have wonderful.

40:29

I can never find it.

40:31

Okay, listen this place on the corner. It used to be that it's like with no use bars. Yeah. Magnolia. Okay. Called in the parking lot there. And circle around behind the building. And back behind the building over on the other side street more or less is where your Outback Pub is. Okay. Yes, sure. Wouldn't be parking lot.

40:51

Oh, I see the signs off from but I never find the building

40:55

will just pull in the parking lot to the creep room back there behind the parking place. Howard's

40:58

gonna creep in and around and parking lots

41:02

DSBS right. Somebody in busters. David busters. You got that other place around the corner and either that back pub right there together.

And believe that we used to have to beg them and and tie him up and fold them into a car and bring him down here because he likes to come down and help us. And who knows one day he might be a permanent member here of our Houston staff at KPFT. Right Scott?

s Scott Lewis 43:10
