Hello, Houston, it's Jimmy with a que MZ the queer music zone heard just about every week, on after hours, queer radio with attitude. And we've had quite a few requests so far. Unfortunately, either I don't have the music or the artists aren't gay, or queer, or whatever. But I want to start it out with something I've been playing the last couple of weeks that I really like Holly Johnson legendary children now to the person who called up requesting Laurie Anderson. I don't know what Laurie Anderson is. I know she's gonna be here Monday night and I'm gonna be there to see her. And I really like her music and especially on her last album, bright red. She has a great eight song, but I don't have that album with me tonight. But call back and request something else. And now Holly Johnson, legendary children, all of them queer. See how many of these famous queers in history? You remember? Huh, Holly Johnson legendary children. All of them queer by request. And oh, hold on here. Hold on. Hold on. We have quite a few requests there. Got a couple by RuPaul we've got Michael Callen coming up and a little bit then we're still taking those requests at 5265738 You're listening listening to the QMZ? The queer music zone where we feature music by openly gay lesbian, bisexual or trans gendered artists. Yeah, we'd like to we'd like to hear from some about transgendered artists because I only know of a couple, Wendy Carlos and Wayne County. And I mean, that's about the only two artists I know who have anything on record. So if you know give us a call, and now by request shade shady by RuPaul

♀

24:22

click downtown goodbye. Or on your merry way. Roop all the shade shady by request, and I am taking your requests at 5265738 That's jam KPFT I'm taking your requests for queer music gay, lesbian, bisexual or transgendered artists. We'll play them. I've got Juliana Luking coming up. I don't have the cut you asked for but I'm gonna do something else got Melissa Etheridge coming up and right now. For James. It's Michael Callen.
