01:58

Hello, Houston and welcome to after hours. Queer radio with attitude heard every Saturday night. Right here on KPFT Houston, and ke O 's College Station. We are the sound of Texas. I'm Jimmy Carper. And with me tonight is

P Peter 02:18

Peter, Peter and Peter and got some I'm trying to move my bed around. You know how this machines out and whatever? God knows.

02:32

Little Big move around. Yeah, no, it has this been a night or what?

P Peter 02:36

Has this been a night I must say.

02:39

We are celebrating what happened and what happened in 1969. Actually, right about now, the police had entered the Stonewall bar. And they were harassing the patrons. And, and in a few minutes from now, back in 1969. The patrons fought back. That was the first time that happened. And that is why we celebrate Stonewall. That's gay pride.

P Peter 03:07

That is that is we celebrated tonight are 102 floats worth Whoa. 112 112 112. I knew there was a two in there somewhere. Yeah, yeah. I mean, we're

03:20

pride queer pride.

P Peter 03:22

Oh, Lord, and there was lights and cameras and 1000s of people and we were I was with the crew float. And we were number 14. And I mean to tell you those people went crazy. We must have been the first people gonna throw something. We had beads and carrying on and whatever. And it was just, oh, the crowd was an enthusiastic to say the least. I think it was just too fine. Oh, yeah. Oh, yes. Jimmy's running around here scurrying about trying to look for music. Try and look for something. I'm not sure what he's doing. We're a little late set up here. But that's okay. And I understand that the crew of Olympus won the Stonewall trophy? Sure did. They did and I also understand that the Community Church wants something bearing on something but we don't know what they won. And I went by the judge's booth just before I ran literally on hoof down here to get to this on time. And I was asking everybody I could find for a list of who won one and we could announce on the radio. Oh man. Nobody, nobody had nada. So I said, well, and so just a minute ago. I'm Bruce the Commander in Chief of the curriculum has flowed called in and said that they want to Stonewall

04:36

Oh, trophy too. That's why was it Becky?

P Peter 04:38

Yeah, that's good. Well, yeah, big

∅ 04:41

nificent floating like stained glass

P Peter 04:44

that while it was nice one Yeah. And it was a lit up lit up and we were running alongside throwing beads

∅ 04:50

now that now.

P Peter 04:53

Yeah,

∅ 04:54

like that.

P Peter 04:55

And all I need to do is be cut on TV for this little number. Guess what's going to happen? Oops, oops, I could just imagine my door anyway. And so I, then a number of us since we were number 14, we went back and broke to the phone and dashed over for a refreshing libation. Because, oh, my God, it was hot running him down those streets. And then we watched the rest of the parade from the venerable marriage. Oh, yes. 10,000 of the rest of the floats off float by X ray. And it was just too fun. A lot of smoke this year.

∅ 05:31

Did we KPFT had a float

P Peter 05:37

after hours, but on that beginning gay

05:39

voices Joan Devlin was there. And she was a virgin. Because her first night she was in a gay pride parade. Okay, it was great. It was great. And of course, we did the usual when you go, I don't know if you know this, but this is a tradition. When you go by Mary's you bow. Show respect. Is that right? Yes. Yes. Because, you know, in years past every Pride Month, Mary's got rated. Really? Yes. Yes. They've they have taken the brunt for us. They've been there for us for years and years and years and deserve respect. Yeah, no kidding.

P Peter 06:17

Really? Let me tell you, I had gotten there for a refreshing libation to cool that

06:24

I ever got one.

P Peter 06:26

Well, let me tell you, you just walk up with money in your hand. You can be anything.

06:31

But it was so crowded. I mean, rough. I thought it was

P Peter 06:35

on the roof and in the backyard and in the cemetery and in and everywhere and inside now. It's a great group of people. Yeah. And everybody was having big time. Fun.

06:45

Big time. Fun. No kidding. Cute people. Yeah, yeah. Oh, yeah. I

P Peter 06:50

think I met my ex lover. Oh, my next ex. We're

06:52

next

P Peter 06:54

to that he's already married. But hey, listen. Oh, well, yeah, no. Well, you're fishing through music like you know what you're doing?

👤 07:00

I have no idea what I'm doing.

👤 07:10

Oh, no. KPFT after I was resonating, gave horses float. Had a smoke machine.

P Peter 07:17

Well, and listen, there was smoke going down that street. Like I couldn't believe in

👤 07:21

music. We had music. We Oh, KB. Oh, yes. And it was kinda you know, the hatch. Kids really put it together? Really? They hatch because they had their own float. I know. But the catch kids who do a segment on the show, were instrumental in getting that float together. Well, they have their own flavor. They just work like, they certainly did. They certainly did. And they had their own little tape of music. And it was all this wonderful cheesy dance music from the 70s and 80s that you love. You know, that it was great. It was great that people were just getting into it as we went by it

P Peter 07:58

was really? Yeah, it wasn't really enthusiastic. And when they see somebody you know something for nothing like beads being thrown or other people throwing other things T shirts and Lauren Yeah, 1000s stuff being thrown away. ratable Hey, they just go crazy. They do. But you know, the fun thing is when you're I wasn't writing and I was walking, carrying one of these electrified thingies. And throwing beads in from the side and running around in the crowds and mixing and mingling, which was kind of fun. I'll bet Oh, yeah. And you know, if you got beads in your hand,

👤 08:28

oh, they want you honey there.

P

Peter 08:30

Thank you. They want you can well now you know I put it on every beat I give it and you could just run over and you'd be surprised when they give you for a little bead. Oh, it's easy. Oh, fun. Thanks. Oh, it's fun. Yeah, it was really cool. I don't think I ever want to get on a

o

08:46

streak. I want to do that next year. Well, instead of sitting on the float,

P

Peter 08:50

I mean to tell you and you run over to the sidelines with something you get stuff. You do well, and I was just more than happy to get off.

o

09:04

All right, I'm sure you were Oh my

P

Peter 09:07

God. Jesus. Yeah. It is much.

o

09:14

So what have you been doing all month?

P

Peter 09:15

Oh, I have been in Los Angeles. I have been in San Francisco. I've been in Sacramento. I've been in Detroit. I've been in. I've been running Have you

o

09:25

been in Houston? For three days

P

Peter 09:26

between between between Sacramento and Detroit it was there for three days. See we've been busy. Busy busy. Yes. Having big fun running around. I you know what? You know how we carry on about how Houston doesn't do it. Right. With like, we you know, you think about San

Francisco and all the AIDS funding. Our you know, and we think and everybody's on Houston and the county and the city and the yada yada yada and all the agencies and blah blah well i went to a meeting of what would be considered the Ryan White thing or research or some big major agency that there were like 35 or 40 EDS of major organizations in San Francisco and I said on this meeting, honey they don't have it any better than we do. Oh, you're kidding now is just the second most silly business that you ever wanted. I said I could have stayed home and done this girl

10:28

You thought you're gonna see

P Peter 10:29

I was gonna see the pit I was gonna pinnacle of it all I thought I was at Mecca. I thought I was at the place where it was done all right, want me to tell you there's crazy as we are. I was out there and and the biggest thing when I was there, which I think I saw written up in the paper here, if I'm not mistaken, was the Salvation Army. Had to put like \$500,000 back on the table because they could not buy into some of the rules and regs Wow out of you know, it goes federal goes state city. Well, San Francisco obviously has this partner thing so you well, Salvation Army cannot buy into the partner thing cannot insure your male personage, whatever, whatever. So they're running for big programs in the city. And they've got to like give up. Well, when you have dollars on the table child, you ought to see these screaming Queens Taran after this cat match mine to me, the runway Blanding Council, it reminded me of the resource group runaway birthing goes on around here. I gotta run, everybody. Well, we need to well, we need well, we need and will our programs best wars? Oh, my Lord. Exactly. It was so funny.

11:36

So they're just as branched out as we are. Well, they,

P Peter 11:41

they do a damn good job. Let me tell you, they really do and they're a tad bitter Morgan as we are, but when you see \$1 thrown on the table, child, it looks just like it does here. 10,000 screaming people, I need that. Oh, Lord, it was funny. And I was like, Oh, I have been through 1000 of these meetings. What am I doing doing this? But I had a great time. I really did. Good fun. Girls. Big fun. I need a little break. And we have another little break coming up to we do and we're going back. Oh, and then we're going out to LA again. Hey, and I can move with all this traveling. I know by time about the damn time since I'm like, Oh, this bottom. And I taught to the the wonderful and loving and large and bodacious one. Oh Miss Connie, who said she will come and do a guest appearance. She has been strung out wrung out drag out and on the life raft, I think to put her out there after that got her eating the day to try and move the enemy to tell you honey. She said she'd come back to a guest by so honey. They're writing and asking for you.

12:49

Absolutely. She's we miss our Connie.

P Peter 12:52

I know. I know. So she may come back and do a little something.

12:56

I hope so. I hope so. I

P Peter 12:59

didn't see her at the pride but it was hard to see everybody's were

13:02

thrown. I know. I know what I did see

P Peter 13:04

a lot of people see the 1000s and 1000s of little children. It was amazing, fam. I mean, fam family.

13:10

This was a family thing. Well, I

P Peter 13:11

mean, it was amazing. Yeah.

J Jimmy Carper 13:12

In fact, I kind of old, old queer myself, I was kind of almost disappointed that you know, it's like, Hey, where's all the skin? You know? Oh, I saw

13:12

13:13

P

Peter 13:27

plenty of that. I didn't see any Oh, baby you. But the hotter it got the worse the more there was. So

o

13:32

you know, this really is a family career really is

P

Peter 13:37

just a ton of families. Mama's and kitties and debt. Oh, yeah. I mean, I was amazed. I mean, I was amazed. It was really kind of

o

13:47

fun. It's a second largest parade in Houston.

P

Peter 13:50

No, yes. Well, 112 floats on your 12x rays. That's right. Gotta be bigger than the rockets braid.

o

13:57

It started at nine. Yeah, it always starts exactly at nine o'clock. Yeah. Well, it always starts on time. Whatever the time is, when it was around

P

Peter 14:04

a day for a bunch of weeks. I know it. I don't think anything in Montrose started on time since time began. You got

o

14:09

it. But it starts exactly on time. And it looked like it broke up when it entered. What?

P

Peter 14:16

Listen, I was at Maria's barn cantina at a Levin who live in 2015. there and I saw the pride crew on their float go by and a few horses and that was into that. And I struck out on hoof to the studio at about 20 of and I probably said goodbye for 15 minutes. So I mean, it was a low. Yeah,

J Jimmy Carper 14:46

it was. Yeah, I was in stuck in the traffic there and it was about 1130 Terrific. Oh, traffic was incredible. Yeah, when you get I don't know how many what 2030 40,000 People

P Peter 14:59

I wouldn't have even somebody looked at me and said, You know, I don't even think I could begin to estimate this crowd. I know that was somebody that walked with me the entire parade like, ah, and it got bigger and the beginning there was, you know, when more people at the time you got to the end I mean they were like Oh 30 and 40 deep

∅ 15:19

Yeah, packed in there all the way down all the way to almost the cuties Oh,

P Peter 15:23

yeah, well, I was still throwing me to cuties. And so there was plenty people there and but way back up like it I'm trying to think where it really got thick, thick thick. It was it would have been oh my god a long ways up. I mean, it was way before basic brothers it was before. Yeah. Oh, yeah. And deep at the normal spot from Amazon, to all the, you know, the wherever the OfficeMax parking lot and all that. I mean, it was just throngs.

∅ 15:55

I loved it. It loved it and they loved it. Everyone was having a good time. Frowning face, but I

P Peter 16:02

mean did Hey, you walk through your house and bullshit up to my

∅ 16:09

end. Did you? Did you see all the cardboard garbage cans that were provided by a lubricant company

P Peter 16:17

that nobody used? They thought this stuff was gonna slide out or what? Not pretty. It was more so. Oh, well, it's about this time and I had one thing I was gonna throw in like you were looking around for some music that a friend of mine had sent me and it goes like, this blonde

guy gets home from work

16:47

that oh joke time, joke time. Joke time. A blonde guy.

Peter 16:51

If you can imagine one of those. He gets home from work early. And here's the strange noises coming out of the bedroom. So he rushes upstairs and finds his wife naked in bed sweating in any business. What's going on in here. And she's having a heart attack. I'm having a heart attack. Oh. And he rushes downstairs and grabs the phone. And just as he's dialing his four year old son comes up and says Daddy, daddy, uncle Ted's hiding in your wardrobe closet and he doesn't have any clothes on. So the guy slams down the phone and storms upstairs in the bedroom and pass the screaming wife and rips up in the wardrobe door. And sure enough, there's his brother. Totally naked, cowering on the wardrobe floor. And he says, yeah. My wife's having a heart attack and you're running around naked scaring the kids he's not well on man. We love Him. Amen. Okay,

17:51

well let's take a break.

Peter 17:52

Let's do YouTube you're

17:53

we do have a winner of course. Ah yes, that's deli boy by velvet mafia. And they're on Trip records. It's a small little queer record company. In southern Maine or something another strange place and we want to honor him. Sorry, already won that and I'll be sending that out to you already. Ernie. Ernie. Yes. Where's Ernie from? him he's

P

Peter 20:19

a far are we talking outside the loop inside loop,

o

20:23

bro 7779

P

Peter 20:26

I want to know I don't know where that is. I just don't know. What else are you doing? I know I

have some hot little.

20:34

We have a request. Oh, do we do we want to do that now? Oh, yeah, let's do okay. Because this is a great song. I love this song. How cool by David Sarita David Sarita and the request is from a good friend of mine, Jay D. He and I kind of trade music stuff.

P Peter 20:54

Yeah. Okay. That works. And

20:57

tradies in the Galleria area, and he wants this played because he's celebrating his first one year anniversary. Sweet, sweet. Okay. And this. He's probably he probably didn't hear it on the show. But I have played it many, many times from David Sarita. It's a beautiful, beautiful song called powerful love. And you're listening to it. After our powerful love on KPFT Houston and ke O 's College Station. Oh, yeah. Powerful love by David Sarita. And we do have a correction. Tiny correction. Well, a huge correction. Actually. It's good. Well, JD called back and said yes, it's an anniversary but not have a relationship. It's, well, this kind of a relationship. It's the first anniversary that he's been listening to KPFT.

P Peter 22:01

Well, now that even better than Well, maybe it's better than an anniversary. Now, yes, it's Wow. Hey, you know, we're breathing in your ear, David.

22:12

Thank you, JB. Really? And that the anniversary? And actually if I may, you know, brag a little bit. Oh, go for Jay. It's my anniversary today. It is it is this week is the end of the 20th 20th anniversary of my relationship. With all Stan, you met him

P Peter 22:32

on the Gay Pride festivities? Yes. Yeah. Is that a fact? Where is he?

22:39

He's in Seattle. Well, happy. I know. Well, you gave me Yeah. A nice present.

P Peter 22:47

Oh, how nice. Would you give him? My undying loyalty? Oh. When's it gonna be bad to pick that up? Oh.

∅ 23:01

Dan, and I have a great relationship. That's well, for 20 years. My

P Peter 23:05

God, it must be Yeah, it is. Well, that's good. That's good. So I have this little interesting there was a fellow out in this in the ante room here. Yes. Right prior and he was a Native American Indian. Yes, he is. Yes, he is. And I told him that I would tell a little story, especially about the Native American Indian Okay, being the fact that it's Dakota Sioux Tribe to be exact. Oh, yep. And the northern part there. And tribal wisdom holds that when you learn you're riding a dead horse, you should dismount and save got it all together. And I don't think

∅ 23:48

however, sounds good.

P Peter 23:49

In some businesses, alternate strategies might be tried, right? Well, you know, the Indians were pretty smart. If you're writing a dead horse get off but in business today, I think we've managed to screw it up. This is why our worlds a little screwed. So what are some of the things you might do in a business of your own? Today? One might flog the horse harder to you might review your company's core processes for riding dead horses. Three, you might create a tiger team to revive the dead horse for upgrade the qualifications needed to ride a dead horse. Well, okay, five, tell the one on the dead horse to ride smarter not harder. Say that that's the way we've always written that horses. Yeah, that's seven. The rider This is so corporate. I love his corporate fire the writer Yes. And after you do number seven, yeah, get an expensive consultant to ride the horse. And number nine, hire an expensive consultant to teach debt. Horse riding. Let's hear it for business today wisdom of the and I know it. I mean, have you ever been caught up in one of those little messes honey?

∅ 25:12

Oh, yeah. Oh yeah. Oh, yes. Oh yeah. I'm so glad I got out of that

P Peter 25:20

reminds me of these long meetings with the city.

25:25

We got we got a Pride Week card. Do we write Day card? Yes. Pride Day card. Let's go for it. It's to the crew of after hours Best Wishes during this pride season happy stonewalled day. A fan from the outer loop. The all Dean area you are unified. diversified and by golly, you are electrified. Hey, Rainbow Decleor

Peter 25:51

rain Bo D class in that sweet isn't she just this bang walkin. She's probably out floating flamingos in somebody's backyard. Well,

26:01

did you see her in the break? She was this tropical depression. And

Peter 26:08

all by herself all by herself. She was her own interest. He

26:11

was her own entry walking entry. She's always the last entry. The last well, I don't think she made it the last while she was the last, you know, real entry. I had a couple of things behind her.

Peter 26:22

But she probably did a couple things. It was great. She had

26:25

this she made this like clam shell. And you know, she was in it. So she was like, as a mermaid. Oh, I see. So actually, you know the body but she was standing you know, so she's wearing this shell around her waist you know in the one on the top. So I believe

Peter 26:43

I did see she bowed.

26:46

Absolutely everybody. Yes, she depression on the half shell

Peter 26:55

is great. And now she's out sticking flamingos in somebody's day. That's right. That's

27:01

our right No, we're doing don't we have a great community? We do. And that's what I was thinking, you know, all through this this parade. It's just this is these are my people. Right there. I mean, you know, can you just so wonderful and there were 1000s and 1000s of them and it's I've said this before, but I'll say it again. Pride Day is is like the only day of the year but you know because we're so diversified as a community

Peter 27:33

well you could say that and pride dads about their flow Yeah, we had the Queen we had drag queens with wet hair we had EPA we had the first time for the first time for APA because that was a very closed societies and and somebody they were walking by us and a number of people in the area that I was at really cheered them and they said way to come on out of the L Yes.

28:01

You got it you got EPA standing for the executive and professional of Houston

Peter 28:06

well and they had big T shirts and everything wow that is great because the T shirts it was windy really really cool. And so you got that in clear on down to no no things I never saw before

28:16

like I said this is the one day of the of the year that we almost agree on everything

Peter 28:23

we all agree how to get away and

28:25

we all agree on the on Pride and that at that we're we're we really are prideful of our community. Oh, yeah. I wish we could No, it's to me it's better than Christmas. That feeling on Christmas Day. So I wish this feeling could be like 365 days a year.

P

Peter 28:41

When That'd be nice. Yeah. Yeah. Nice if everybody felt that way.

28:46

However unified you know, walking down the street and with all the things that were going on, just about everybody is really tired.

P

Peter 28:56

Oh, really tired. Not described my feet. Oh, baby. Yeah. We had it. Oh, and you had to be out there so early. We're at six o'clock with your little floating. Oh, hell no. No. Evidently, we were a little behind network. So I don't know we were there.

29:14

Not well, actually. The float left for that area at about 630 I see. And I got there a little after seven. O to help you know, and and from seven until nine. We put it together.

P

Peter 29:32

And then it rained. All time that was really fun. We'd love that. Everybody was already well

29:37

everybody had a bad hair day

P

Peter 29:10

Oh, Jaime, did you see some of those drag queens talking about a bad hair? Oh poor things. Not enough Aqua net it well. I couldn't have that defied in the rain and it just went all the hill. Big here with the little air went to nothing. Just too much. Mascara running. Damn cheeks. Oh, it was bad. But everybody had big fun time. Oh.

1

20-04

30:04

yes, yes. At the rain. Yeah, it was a little disappointing. But it cooled everything down. Yeah.

Peter 30:10

And it quit. Quit just about the time it started. Yeah, yeah. 15 minutes before I got everybody nice and wet. Whatever. Talk about

30:19

that. Well, you would have been wet anyway, because you would have been sweating.

Peter 30:21

Oh, so everybody did that in? I think we were the first. I mean, I couldn't believe we must have been the first one crew that Yeah. Number four, to throw. Or to give away some ah, because people evidently, I mean, they were going like crazy.

30:38

You mean that the oh,

Peter 30:41

I mean, I hadn't seen them. I mean, if somebody had thrown something before that, that either a been holding it or B wouldn't have been so nuts. But when you start throwing beads at people, I mean, they love it. Crazy.

30:52

I was the grand marshal last year and I through beads. Well,

Peter 30:56

let me tell you, they people love

30:57

that. Just they went Yes, I did

P

Peter 31:01

it over and given him all the there were all these little kids. I mean, oh, no. And they love that. Yeah, right route. I mean, not just in the beginning. And the I mean, everywhere. Yeah. In the thick of it. And we'd run over to the sidelines and hand them all their own. Yeah, no, it was fun. So cute. And then of course you could run over and yeah, yes, that was good. Whatever. Such good time.

Ω

31:26

It is it is. Yeah. I didn't see anybody upset.

P

Peter 31:31

Oh, no. Big time party. Yeah. Good time. The stuff is still laying there to prove it. Well, we'll

Ω

31:39

P

Peter 31:48

It'll be pretty good. And it was fun. It was so fun. And let me tell you the kitties at Maria's Oyster Bar and Grill. We're having a really good time. They looked like they were having a great time. I had to walk a block to get across the street to get around because there is not a drop of libation on the south side of the street. NEW NEW NEW NEW so you really have figured out a way to run underneath horses legs and dismount Mounties to get to the far side of the street.

Ω

32:17

And they weren't too thrilled with that either.

P

Peter 32:22

There was this most gorgeous Asian policemen I've ever seen. Oh, oh, honey. Let me tell you, it was fine. Well, do I see you queuing up these fabulous pieces of me?

And but they were telling us that we had to walk through this they were they were lining up across some street bear laying down and doing all these wild things to roll over and of course everybody's ready to drive over him so we got it but when we I never we rounded all the corners did all the thing never saw him anywhere. So I thought well wonder where they disappeared to me there's somebody before it's rolled over and killed over the neck got there anymore. But I didn't see a one and last year there was some and they were in a very inappropriate spot.
