00:35

Saw this load is fabulous. Thank

00:41

 Gigi 00:51

Yeah, the first time in six year. Wow. Thank you. Well, actually, we went to J sister's wedding. Yeah. And her. has new husband. Brother is gay. Oh, disappointment because he's gonna have to miss the gay pride parade in Denver. Oh, we said Oh, come with.

 01:17

Yeah. Love the good. Yeah, it was it was the biggest ever 112 entries.

 01:24

Oh, yeah. You even had a flag? I

 01:27

didn't get to see it. I didn't even see any of it. But I've already sent in for the video. Oh, yes.

 Gigi 01:35

I hope they don't blitz us this year. I know.

 01:38

Well, there's probably going to be a couple of different videos, but I sent in for already the I mean, even before you could order the video from the pride committee. Ah, and it was very inexpensive. Oh, cool. So that's how I'm gonna get to see it. Some of those I did see like the crew of Olympus float as they were starting and it was just magnificent. Some of those floats were incredible. Oh, they were gorgeous. Yeah. And so that happened. Oh, Saarland. Made me wobbly in the nice boy. around your neck.

 02:22

I wanted to kneel down.

 Peter 02:24

I'll bet you know you did too. Would be thrown your neck if I remember it was low.

02:30

What was you remember what riches was like? Because last year they had those those guys in those little flesh covered? Oh, suit things?

Gigi 02:40

No, ma'am. It's such a dizzy bland.

02:42

They were all beautiful. Okay. We'll take it at that.

02:46

But such a fabulous.

02:49

Yeah. And how about the people around you? What kind of mood were they in? Oh, it

Gigi 02:54

was like, as soon as we saw the first cop car coming down leading up to pray. Everybody just started screaming.

03:04

Yeah, Jim was we had music on our float. And Jim said I didn't even hear it because everybody was screaming so loud.

Gigi 03:11

Yeah. Oh, it was like the crowds were going wow.

03:15

Yeah, really? Were it was great. Just just great

G Gigi 03:19

∅ 04:40

I have that music request. Let's do that song by your girlfriend and it's on their album. We won't

I have one music request. Let's do that case by your suggestion and it's on their album. We won't be silent which is one of my favorites because I love the title song. And I like the second song called Full Moon. It's a beautiful ballad. This is called The Ballad of Kevin And, Kevin, if I'm reading somebody's writing here, it looks like dec in the Montrose is requesting this and dedicating it to Kevin because it's his birthday.

 Peter 05:13

How sweet and that is sweet. Yeah.

 05:15

Okay, and you're hearing it on after hours. Queer radio with attitude on KPFT Houston and ke O 's College Station. We are the sound of Texas. Ah, yes. Happy birthday, Kevin.

 Peter 05:35

 Peter 06:02

I feel so assured. And our country will be protected.

 06:07

Absolutely. We'll be I don't know, Merlin sexual orientation and it doesn't really matter. But because of this show, you know, we have an affinity and a lot of straight people calling. No matter what your sexual orientation. I'm proud of anybody who wants to serve our country. True. It's very important and

 Peter 06:28

whether say to gay, but at least he has an affinity for an understanding of the gay community. You bet more so calling bad show your bad so I feel so protected. Yeah. Everyone will be in the Navy protecting Merlin. Merlin. The Magician.

06:44

Merlin is that oh, is that I bet that's friend of big Roy. Merlin.

Peter 06:51

Oh my. Okay. Hey, I've got one more little story for you. Okay. During WWII, that's big world war two big wine, the big one that all of our little daddies fought in all of our older brothers and things because we're all such young kids. The Germans and the Italians were allies. Oh, and the Italian commander Giuseppe met with a platoon commander the German soldiers shouldn't was leading the German platoon well Giuseppe who was curious that shoots was wearing a red shirt goes over to talk to him and he asked shoots How can we get away wearing the red shirt rarely shirt says if I'm wounded, my blurred does not share and the mean continue to fight without fear. I see my Giuseppe. That sounds like a good idea Schultz and because the we need the men to continue to fight. Well, while they were talking one of the soldiers brings Giuseppe a message received on the radio. And Giuseppe reads the message indicated that there was an American tank heading in their direction. Oh, and Giuseppe quickly calls over an aide and he says, Donnie, uh, bring me my brown the pencil that's been a slow week. Bring up my brother Ben. Okay. Okay,

o

13:32

Stanley would love that. Paul said yeah. Well, you know, my lover is Jewish. He would love that. Oh, no. Yeah.

P Peter 18:22

like we only knew what was going on. Because we're in here and they're out there. But you know, it was we were just talking to her about how many people were in the parade that weren't like bars and yeah, normal things. And yes, that have we expect to see, you know, tears and riches and well, yeah,

18:37

you expect to see, you know, and basic brothers and, you know, to see

P Peter 18:41

that, but there were just tons of other people

18:43

...

there sure where I mean, churches that weren't in there before,

P Peter 18:48

which is Chase, Chase Bank. There was insurance crowds and a bunch of I mean, lots of businessy things.

∅ 18:56

Yeah, we're trying to think of all who were sick because everybody was talking about he was a child. They

P Peter 19:01

had a truck that was a block and a half

∅ 19:04

long, big ass truck.

P Peter 19:06

I mean big truck I've ever seen.

∅ 19:10

It was their employees on there.

P Peter 19:13

Well, I'm telling you, they're out in the big O store here and they want everybody to come where are they

∅ 19:16

throwing food out? Well, yeah, at the Health fest they were there and they had a huge table and they're giving away free food fruit. Isn't that cute?

∅ 19:28

They were really nice because I was not too far away from them. RAID route. You know an hour

or two before you know there's this like,

19:35

19:38

Peter 19:50

Hello, I know million dollars with the pharmacy later.

19:57

20:00

Ah, but do you know the people that are in Chase? They've been in before? What was a Texas Commerce Bank use? Ah, yes. So that and they've gone to Dallas, Texas Commerce Bank. Oh, yeah. When they further parades. Okay, and that's another thing you know. Yes. Dallas comes down here for our parade. I think

Peter 20:25

Dallas people here tonight. Oh,

20:27

gosh, that cheer dapped Oh my god. It

Peter 20:32

but one one really cute doctor from Dallas. I met it's just yeah. Oh, honey. They made me wear

20:44

things I like.

20:46

slide right off that chair.

20:49

was one of the things I liked about this parade. Yeah, we found an idea from Dallas. And that was the the metal gates or the metal. What do you call those? The fences? The metal fences? Yeah, there was a lot of metal fences. To keep the crowd back. Oh, floats.

Peter 21:08

Oh. Horses in Mountain. Oh, man.

21:13

But in front of you. Yeah. Yeah. So it's great ideas makes it safer. It was and we have the cleanliness parade after Oh, absolutely.

Peter 21:22

We were talking about hang on it may be tomorrow but if you walk down that street tonight,

21:26

I walked down I drove by it

P

Peter 21:27

it really does Xander out there you haven't been

♂

21:31

to Dallas his parade well well I haven't been there after the parade. It's a foot deep of trash. So we've

P

Peter 22:15

The brain guess what girl?

♂

22:16

They fed them a lot of cheese. They

P

Peter 22:19

said big bolts.

♂

22:22

So what number were you

so what number were you

P Peter 22:24

Jimmy 1440 No, I

♀ 22:27

was number 29 When he was 20 I was right behind United cab.

♀ 22:31

And they're fabulous. They were given up those rainbow stickers with the

J Jimmy Carper 22:39

United cab has been in the parade for years. And they are the only cab that the game lesbian switchboard will recommend because they are the only cabs that come to the bars. That's right. That's right, because they are good to our community.

♀ 22:55

And we need to be good to them and we order a cab make sure you take the catcher I think that's unfair that yeah, drivers drive and come to the bars and then you say Oh, I don't want to go.

♀ 23:08

Oh, Jerry. Jerry who was driving that cab? Yeah, he's

♀ 23:12

really he's a sweetheart.

♀ 23:13

Stickers. Oh, incredible.

♀ 23:17

Back a car. Yeah, yes. Rosenberg. Rosenberg. Hey, you had someone on the air last week that

talk as a

J Jimmy Carper 23:28

matter of fact, because jewel, who was the co host here lives in Rosenberg yesterday. Yes. And the reason nobody knows. One of the reasons I like her on the show is because more people live where she lives. Now live in the Montrose so what there are more of her than there are of Me. There's what's the percentage of people who live gay people who live in Amman trips,

♀ 23:56

we're gonna find out because we're

♀ 23:58

10%

P Peter 24:00

Oh, and the mountain? No,

♀ 24:02

there's all the we

P Peter 24:05

live in. How do we know?

♀ 24:09

There's a huge number

♀ 24:10

to go down Antoine drive on the northwest.

P Peter 24:15

Phrase over honey. I know there's a lot but my house is predominantly gay. Oh, no, no, no. Oh, yeah. Yes. When we

24:27

come to party.

Peter 24:29

I think you have a little mistake there. But

24:33

we could argue but to see what I talked to you. The gay Political Caucus. Yeah, I made a motion in the last meeting. I would like to see some type of census done. We know how many gays live where gays living?

24:47

Well, that would be nice because

24:48

not everybody.

Peter 24:50

Then we'd have people coming in and No, no,

24:53

I don't want their names and everything. You know, no, no, no, no. But that because a lot of I don't live in Denver damaged. History. Everybody lives in Denver Denver. Oh, you're well I want these other politicians to understand where the gays live. Yes. Northwest they live in Rosenberg they live in Friendswood they live Okay. Dana Yes, we

25:15

do we oh wait

Peter 25:16

rainbow the clown here. Do don't take your pink thing goes out in Pasadena.

25:22

How do you let me tell you? That's how I know where they all live because they all got these little bumper stickers and I'm driving out after midnight.

25:29

We've got Oh God, we have got to call it a color. Three. Here we go. Hello. caller. Hello. Hello. Yes,

25:37

sir. Sorry. You are you doing? I'm doing good. Doing good. Thanks. The reason I was calling who

25:42

are you? Who are you? Oh, my

25:45

name is Andy. Hi, Andy. The reason I was calling is I was listening. And I've been listening your program on and off for a couple years now. Wow, for quite a long time. Thank you. I called before and basically wanted to call and y'all had mentioned or someone had mentioned that there were some straight men that did listen to the program. Oh, yeah. And I fall in that category. All right. All right. And the reason I wanted to call was, I want to tell you that I enjoy your program very much. And what it has done for me is, I was one of those straight men that had these preconceived notions of what gays were about. And I wasn't biased. I didn't go down and do anything stupid. But I was listening to a program one night, and a gentleman called in, and I really didn't know what program, it was at the time. And he was calling about how sad he was. He had had some problems with the person he loves. And he was basically really crying, very emotional and everything he said, You know, I had gone through at the same time, but for a woman, and I didn't know who he was talking about. But when he came out and said that it was another gentleman. And it hit me that I was like, wait a minute, everything that I've been taught, you know, when we think about, you know, the gay community is just sex acts, right? We don't think that wait a minute, you know, they love, you know, they cry, they got feeling exactly, you know, and it was like, it just made me have to sit back and you know, look in my world. I was like, wait a minute, you know, not everything is what I was told it was. So I've listened today. And I've seen a movie recently. I don't know if any of you have seen it's called Chasing Amy. And you know, the message in there? You know, I didn't I don't I don't think it made me question my own sexuality. But it made me more aware of how ignorant I really was. And so I was listening to the program tonight. And I was like, you know, I think for most straight men, we have this problem, at least when I listen your program, you all seem very in touch with your emotions, where you can talk about a lot of things that most straight men that I know,

can't talk to other guys about, you know, if my heart is hurting, because the woman I love doesn't return my affections. I really can't go talk to my guy, friend, you know, well go get another girl and you know, spend a night with her? And that's it. Yes. You know, and because you just, I think is straight men were pushed to you know, not talk about our feelings. It's not macho. And so you know, today, I was kind of depressed. And I was like, Well, I really didn't have anybody else to call. And I was like, Who do I think you know? And it was, it made me think of like, Who can I talk to that, you know, at least can be a little emotionally supportive. You know, and I just want to call on thank you, for even just this into the program, you know, made it a little bit easier for me. And, you know, I just want to let you all know that you've done a great job. And, you know, you do cross that barrier, you know, over to, you know, our, our side, our community. And that, you know, everything you do is very important. And I just want you to know that, you know, I think it's a great job. You're doing

 Peter 29:00

great, thank you very much.

 29:01

That is the best call I have had and again,

 Peter 29:03

thank you really well, especially on Gay Pride weekend. I mean, it's all about all being one. Everybody's got the same feelings. Well, I'm the same way we all go to the bathroom. Same way. Well, I mean, it's like, hey, there's no big deal here. You know, everybody feels everybody hurts everybody. It's all about we're all going in the same place. We learn in there, but you're gonna be surprised when we all get there.

 29:28

Exactly. Now you

 29:28

can call here anytime.

 Peter 29:30

Yes, sir. Any call here? Anytime.

 29:32

Thank you so much. I really appreciate it. And I hope you have a nice evening. Well, we will we will

P Peter 29:37

be at one two, baby. Take care. Take care, buddy. Bye bye. Bye. Bye.

∅ 29:42

Wow. That was incredible. That was that was such an Oakland. Wow, great

P Peter 29:53

and it couldn't have came on a Gay Pride weekend.

∅ 29:55

You know for the hat. Yeah, this is community rape. Oh, yes. Oh, yes. Oh do the radio and calls like that are what make me come here. Every Saturday. I just make you go

∅ 30:09

it's just we do things tongue in cheek. Oh yeah.

∅ 30:14

Like I've said a lot of times I like to bring three hours of queer life every week. Yeah. And you know we laugh and we cut up but we have we do memorials. We cry. We've got problems and

P Peter 30:28

I need one of those. It was just such a bomb.

∅ 30:33

What happens it's part of life.

P Peter 30:35

I really, really, really neat guy. Yes, refuse. He was just the funniest man I've ever known in my entire life. And he was the guy that I told you that told me the funniest I've ever heard in my

CHIEF: ME AND HE WAS THE GUY THAT I TOLD YOU THAT TOLD ME THE FUNNIEST THING EVER HEARD IN MY LIFE. NO. WELL, HIS MOTHER. EVIDENTLY, ONE OF HER OLD GIRLFRIEND CRONIES DIED. AND THEY END HER WISH WAS TO BE HAVE HER ASHES STREWN ABOUT GALVESTON BAY.  **Jimmy Carper** 33:05

Yeah, I think he has probably helped us grow as a community. Chief, because we've had to face that. Oh, yeah. We have somebody on line one. Wow. But long, very long distance.

 **Peter** 33:17

Very long distance like San Francisco. Long distance. San Francisco long distance. Oh, my God. Oh, my Hello, buddy.

 33:27

Hello. Johnston is the originator of this show, folks. And he now lives in San Francisco. And I know what's going on.

 33:38

Don't tell.

 **Peter** 33:41

I was just out there. Honey. We did a little segment about San Francisco.

33:45

Oh, how was the braid there?

33:47

The parade is tomorrow.

33:52

Okay, yes, we get

33:55

about 800,000 people this year. Because Northern California has been attacked by El Nino whoever that guy is. Ran for months and months and months, that the sun finally came out and the Castro is full of boys from all over the world. We're really excited about it.

Peter 34:14

Up on the red eye. Can you pick us up early in the morning?

34:18

I wanted to tell you something. Yeah. Yes, Harvey Milk is standing over the Castro again. Ah, it's beautiful. You're gonna have to come see it. It's a statue know that the city in the county of San Francisco and the arts department voted to have a mural put in the Castro to it. This is the 20th anniversary of his his assassin. Oh,

34:39

that's wonderful.

34:42

We had a lot of a lot of meetings and everybody's had a little discussion and the winning design came in and it was hands down the winner. We took Harvey's camera store in the Castro. And in between the two windows that originally stood there. They've painted a third window which is the mural and in that window stands Harvey Milk looking out over the Castro again.

35:04

Oh, how wonderful.

35:07

It's incredibly moving. If you looked at it at a glance, just walking around you think, Lord Hobbes up there looking down at it while he is in the window wearing a rainbow flag t shirt, which of course didn't exist back.

35:19

No Didn't

35:22

we're just really excited. There are a lot of wonderful things happening in San Francisco but I call to find out what's happening and

35:27
