C

Chris Harrison 02:43

A surprise? Yes. Yeah, we love surprises. Well, yeah. Sometimes. Yes, we

J Jimmy Carper 02:48

do. Yes, we do. I want to say a special Hi out there to all my MBBS I have maybe been remissed the last few weeks in mentioning them at the beginning of the show. And I know that those guys listen and and they take in every word because several right. And take us to task for things we've said or make comments about things we've said we had somebody new right in Russia, yo yo. And it was very interesting writer. I really liked it. He would like to get hooked up with a bi female. Yes. And you know, I'm gonna try my best but you know, our track record. We we have yet to really hook up anybody with a pen, pal. Yeah, we want to we ask folks to call in because we've we've got a whole list of folks that have been writing to us for years. Yeah. Yeah, we know these guys are good. Smiley had another really interesting and confusing letter.

C Chris Harrison 04:00

The back page of Smiley's letter is a rebuttal. Yes, it is to another letter from our MBB. So we're gonna be doing a little MBB mail emails back and forth here. We got Yeah, we'll

J Jimmy Carper 04:12

be doing that in the roundtable. We got a letter from Alana when of course from Tigger and will be timed. I really,

C Chris Harrison 04:20

I mean, Milanos letter, we need to make a photocopy.

J Jimmy Carper 04:24

Yeah, it's a poem. We're going to be reading it. Okay.

C Chris Harrison 04:26

That's, that's that one's got to be handed off to the powers that be?

J Jimmy Carper 04:30

Yeah. That's because that is that is that that

C Chris Harrison 04:34

just give you a heads up. That's why we're here. Exactly. That letter is why we're.

J Jimmy Carper 04:39

The music that we heard in the beginning of the show. The beginning

C Chris Harrison 04:43

was some new music. That was temptress. Oh, and that was from the CD Odd Squad and that was queen for a day. I

J Jimmy Carper 04:52

see. Well, that cover is kind of interesting, but if we got there,

C Chris Harrison 04:56

it's basically three scary drag queens. Try tend to do the Charlie's Angels pose. Really? I thought when was real? I? Well, I don't know. They're not showing off their Adam's apples. Oh, I'll tell them maybe we'll tell them maybe the one in the middle though is definitely older drag queens. Definitely, uh, he, yes. And some very cutesy songs on here. A couple that we're going to be playing here eventually, after a couple of weekends. Once we ended out the, the FCC word, you know, I really emphasis on the F. Yeah. I mean, it showed us the trans valve. This is one that I definitely have got to get in. Yeah, I

J Jimmy Carper 05:37

know. You've been talking about that. When that is

C Chris Harrison 05:39

a cutesy song. Yeah, we're definitely gonna. We've got some wonderful music coming in. We're gonna be sanitizing for your protection.

J Jimmy Carper 05:51

Gosh, don't we have some things to give away somewhere? Oh,

C Chris Harrison 05:55

what don't we have to give away?

J Jimmy Carper 05:56

I don't know. I'm gonna look

C Chris Harrison 05:58

for that. And I know we've got something here. This is the beginning of Pride weekend. Next week. This time we're going to be broadcasting live from the hot and sweaty confines of even closer to the well a little south of the throbbing heart of Montrose.

J Jimmy Carper 06:14

Love how was Rob's Yes.

C Chris Harrison 06:16

We're gonna be sitting there getting laid in between South Beach and Jr. Right. It's a Hawaiian event. Yes. And so we are going to be out there. coming a long time since I've been late. And Jimmy says you don't need to get that when you get to Hawaii anymore. Yeah.

J Jimmy Carper 06:35

So gotta buy your own. Byo

C Chris Harrison 06:37

L for your leg. Yeah.

J Jimmy Carper 06:41

Just not treating people. Right. You know, it's just just like walking down Whitney street now. Yeah. Oh,

C Chris Harrison 06:46

honey. It's been a while since you've been on patrolling Whitney. It's Hopkins. It's Hopkins napkins and Pacific. Okay, that's the gallery. That's the gallery. That's where everybody goes to shop. But now we're going to be out there in the parking lot and intent. Be easy to find us. So yes. We're going to have any Parker is going to pop

J Jimmy Carper 07:06

in. He's gonna be there at the beginning of the show. Robert, I've asked Jack Wolinsky, maybe

he'll show up. Robert Gant from

 Chris Harrison 07:17

course vote the professor from queers folk will be there. Yeah.

 Jimmy Carper 07:20

And Michael has a lot more surprises and he'll be coming in any minute now. So before he gets here, let me go over some of the other things that are going on around it's gonna be a busy week. Now. It's gonna be a very busy week and Joe will be telling you stuff about what's going on for product week.

 07:38

But more news to jewel Sunday,

 Jimmy Carper 07:40

Sunday, Sunday, here we go. The daddy of Montrose contest. It's Father's Day, so that means it must be the daddy of Montrose gun test. Yes, indeedy. Of course, it's held at Mary's naturally at five o'clock. And Sue finds out who the new daddy of Montrose will be. Oh, my, my, my I'm gonna be there. I'll tell you. And that's hosted by. No, it's it's put on by Sir Corwin Goodman, who is the daddy of mantras. 2003 Sir, and he served her when Yes, he has a daddy. And always he is also granted to have ICRA space city empire and then right after that. Take your fun buns over to the Brazos River bottom for icy awaked presents summer sweat fest in honor of our second anniversary that begins at 830 It's a fundraiser for rain to hosted by Apollo Emperor Keith Vivio. And reaching Gemini Empress Regina Dane. Then let's see. We've got some something really interesting going on by the er the era sickies the Empire of the Royal Sovereign imperial court

 Chris Harrison 09:04

the single star as if the name wasn't long enough ever as it was. added another one

 Jimmy Carper 09:09

okay, it's introducing the Tada thon 2004 I

 Chris Harrison 09:13

was just gonna be pulling up that information. See,

J Jimmy Carper 09:15

yes, there's that one too.

C Chris Harrison 09:20

I wasn't sure if we've run out there. Tada thought it's a new concept in fundraising starting at 6pm on Friday, June 25. The empire of risk and leather pup Productions is kicking off a 48 hour benefit to community based organizations. We'll be keeping a teeter totter going for the 48 hours continually on Montrose Boulevard. Well,

J Jimmy Carper 09:42

their butts be sore.

C Chris Harrison 09:46

And that's going to be different how?

J Jimmy Carper 09:49

Because it will be so on the outside this time.

C Chris Harrison 09:51

How many of you don't know what how the teeter totter is formed? How many ups and downs it's

J Jimmy Carper 09:57

going to take? go oh my god, it's just tend to be sore

C Chris Harrison 10:01

asses and ups and downs. Yeah, it's to raise money in the Montrose who would have thought of it on a teeter totter, how do you figure this top and bottom? They're all versatile hunting. This event will take place in front of the key star event complex. Good during Gay Pride weekend. festivities will start on Friday with a kickoff party, the doors are opening at five. The teeter totter will be revealed at six. They'll be appetizers, music, drinks, and a kickoff show the starts about seven. Come by and help us get a great start to the long weekend. There is a suggested donation of \$5 that goes towards the fundraising efforts

J Jimmy Carper 10:36

sure that they'll they're going to have things to raffle off and things to bid on and all kinds of goodies Saturday

C Chris Harrison 10:44

before the parade pictures will be taken on the teeter totter. And Sunday,

J Jimmy Carper 10:47

Sunday, Sunday, Sunday will be a twisted version

C Chris Harrison 10:51

of Mel's diner with a barbecue buffet dinner with all the fixings and dessert that's bright as big as Texas they have a Texas sized barbecue. Of course, tickets are \$12 and there'll be some door prizes at the barbecue. As for the barbecue, the doors open in three and they'll be serving until six. And the fabulous weekend will end with the breaking down of the teeter totter. And all the events are gonna be held at the key star event complex at 3209. Montrose. Yep, that's the the alleyway between the condom shop and interfaith ministries. Yeah,

J Jimmy Carper 11:24

they had to have some sort of buffer in between. You mean it counterweights? Not enough? No. No, I bet you know,

C Chris Harrison 11:32

I mean, actually, the condom is kind of a barrier between the burritos you get next door. And the Yeah.

J Jimmy Carper 11:38

I bet after 48 hours on the teeter totter, they're gonna want to burn that sucker. Hopefully

C Chris Harrison 11:46

that's gonna be a tag team are gonna rotate in and out, say something down. Something's gonna be broken down. Advanced tickets call Patrick at 832-423-8999. And also tickets will be available at the teeter totter during the event. Ah.

J Jimmy Carper 12:09

And don't forget, say that what the what I

C Chris Harrison 12:13

thought I thought we had to think at all what the who was sponsoring who the proceeds were going to. Not

J Jimmy Carper 12:18

on the one I got. Okay. Okay. And don't forget, every Friday and Saturday night or most Friday and Saturday nights. There is a sort of fundraiser actually not sort of it is a fundraiser for the Gulf Coast archive and museum. It is that keys West and it is Jackie Thorne dealing blackjack. Jackie has decided that for at least the rest of the year, that all of the proceeds from the blackjack game are going to come to Gulf Coast archive and museum because Jackie feels very strongly about the museum and keeping it going. Yes, it's very important because we don't have very many sustainers like that one or two, and it doesn't really pay the rent. So we have two big groups to do fundraisers for us. And as a matter of fact, there's going to be a big one coming up in August, August 22. I want you to put that on your calendars right now. Because that will be Don gills live 2004 It's a fundraiser for us and a another organization

C Chris Harrison 13:19

to be named later. No. I

J Jimmy Carper 13:21

don't know what off. Hey, okay. I asked the group simplicity to drop by tonight, but so far, they haven't shown up. Do we have anything queued up? No. Because all the music is behind me, isn't it? Yeah.

C Chris Harrison 13:35

Ah. And under Yeah. Would you? It's behind and under you. Oh,

J Jimmy Carper 13:41

I see. I see. My, my my, and you end up when you end Oh, yeah, we can do? We can do any window all we want. Yeah, actually we can. That's the problem.

C Chris Harrison 13:57

Yeah, I'm looking at the prince, he still got the thing with the totter. They're cute little, or they've got Okay, trying to see what the events are. Something about something about HIV. Okay, let's

J Jimmy Carper 14:12

go down memory lane and play number seven. Now that particular CD. Yeah, kind of get you into the disco mode, or actually the kind of music you're gonna hear along the parade route, because most of those folks play, you know, the kind of music that everybody knows and can sing. So yeah, it's more fun when you actually know the music and it's something that reminds you of something from your past and this certainly does to a lot of people. Not this version, though. Because it's Jimmy Somerville Singing an old Supremes number called someday we'll be together and you're listening to it on

C Chris Harrison 14:52

after hours queer radio with

J Jimmy Carper 15:02

Jimmy Somerville rep brings back a lot of memories. Not only if that song but the original. I think we better turned on their mics before they fix the eight in their rumble. Yes, Ryan.

J Jewel Gray 15:14

Lord we thought we'd been forgotten. Ryan in here where we rainbow?

R Rainbo de Clown 15:19

Yes all four ladies are here

J Jimmy Carper 15:21

off. Well actually my first thought was boy we better get them on before rainbow gets tucked out. And then I thought that ever happened not gonna happen. No

J Jewel Gray 15:30

Not gonna happen. Have you seen his hat? His little bump his little hat. First

J

Jimmy Carper 15:35

of all, first of all, who do we have in there? Oh, well,

J

Jewel Gray 15:37

we have Carol we have jewel. We have rainbow and we have a an anonymous friend. That Anonymous. Anonymous stranger friend? No. No. The anonymous friend is not really supposed to be here. So she's gonna be she's gonna be anonymous tonight. Okay, are he she or he? She are here. Like if you didn't figure it out. I love this little button on his head. It's

R

Rainbo de Clown 16:11

okay. What's the Democratic Convention? That's where I got it.

J

Jewel Gray 16:13

Is that when you got it? Yes. Good for you, girlfriend. I'm a delegate. All right. Yeah, that's right. You are I'm so proud of you. I swear to God, I am so proud of you. I'm proud of you. I am. You know, I was really proud when you sent me an email and asked me for a reference letter for a job. I thought I you know, I'm, I'm on top of the world. This man asked me for reference. I thought how cool. You went to the end? And you did all your stuff. Is that all done and everything? It's all Yeah, everything's done. And you did all your voting. And

R

Rainbo de Clown 16:40

guess what? My car was on display on the floor convention. Oh, wow. You know, they have booths and stuff like that where they sell things, either like one or two people. I think there was six park cars. Seven seminar cars. And one of them was mine. We had cool sunflower. I named them all but those are the man. The car the car. The light buster.

J

Jewel Gray 17:05

Yeah, my heart is just I love them. And I met the guy that still got a Kathy Whitmore sticker on it. I love that man. Oh, I

R

Rainbo de Clown 17:11

know. I still got the original.

Ω

17:13

I know.

R Rainbo de Clown 17:15

There's what about Ann Richards? I know. Yeah.

J Jewel Gray 17:19

Yeah. So you went you did your thing. You just sit on committees and do any help like that, or just go in and vote.

R Rainbo de Clown 17:24

You're constantly my vote. You know about stuff like that. We talked about stuff. You know, I

J Jewel Gray 17:28

talk with, you know, well, I don't really talk with but have talked with in the past Carl Whitmarsh. He was very well, yeah, he was a solid. And you know, he he said, Yeah, district. He's part of everything. You know, he does, you know, he put so much in out there. So you went in and did your competence, and you're happy about it. We saw a percentage this morning. You want to share with just what what do you vote for? You have to? Well,

R Rainbo de Clown 17:51

yes, I do. Yes. You do work for Kerry, of course. I like Edward Sosa.

J Jewel Gray 17:59

You know, that's, that's

R Rainbo de Clown 18:03

no, that's a match there. Okay. And last night he spoke. And he is cute. Oh, man.

J Jewel Gray 18:11

He's cute. He's bright. He's got to be a little bright.

R Rainbo de Clown 18:14

He's bright two very, very, very well.

J

Jewel Gray 18:17

He looks very young for his age. He's older than me. Which means he's in his early 50s I think he's 50

R

Rainbo de Clown 18:25

he's younger than me. Well, thank

J

Jewel Gray 18:27

God somebody's older than me. But this button I love this button. It says love a Democrat who ever heard of getting getting a good piece of elephant?

C

Chris Harrison 18:38

I've seen that bumper sticker.

O

18:41

That was on my van. Oh, I

J

Jewel Gray 18:42

saw the best shirt but I can't tell you because it had the major, major, major dirty word in it. Well,

C

Chris Harrison 18:47

if it's if it's a certain one, instead of saying that word we're saying it I say beep Well what we're saying is FCC. Oh,

J

Jewel Gray 18:54

well no, that's too close. I'm sorry that word we've come out. But it said Bush Cheney 2004 And then it said blank the children you infer

R

Rainbo de Clown 19:05

Blanev use of carnal knowledæ.

J

Jewel Gray 19:09

There you go. Better to go. Well, so I wanted to

R

Rainbo de Clown 19:12

share with you what about the other button? I like the other button. You do?

J

Jewel Gray 19:14

See Oh yeah. Bush the job. Does the job of three men will learn Larry good early and I hated them when I was a kid. No, no. See, that was definitely a male thing. Oh, their identity. What we were discussing earlier what kind of words we can get away with? Were you part of that conversation? And generally we decided that just can't get away with that major word that I just didn't use minute ago. It's called

C

Chris Harrison 19:42

the bondo effect.

J

Jewel Gray 19:43

Yes. The bottle can't use that word can't slip out with that word anymore. But I don't use that went off and find someone I just used a lot. So it slips out slipped out when you were here and I don't you know, you've been here with me lots of times. I've never slipped. I

R

Rainbo de Clown 19:55

never said you know what I usually don't use swear words in public. You know, like, on a microphone or anything like that, when I worked with Eastern union, you sort of had to not do that. And so it

J

Jewel Gray 20:09

was world renowned.

R

Rainbo de Clown 20:11

And so really, I was trained to do that. But off the stage, I can say the mail falls on the floor. I'm so so

J

Jewel Gray 20:24

what's going on tonight? We might have a

C

Chris Harrison 20:26

girl group in here. Well, they have not shown up we haven't heard from one drag. But what we need more drag. It's it's there to actual women. They're not drag, replayed the drag earlier.

R

Rainbo de Clown 20:39

And guess what you were

J

Jewel Gray 20:40

we're going to talk a little bit about the Pride Week, which is next weekend. See I get to jump on everything because I'm here the weekend before. So I get to do all that stuff. I'm here the weekend before Christmas, so I get to play all the Christmas music. I love

W

20:55

Venus envy. Oh, yeah. I

J

Jewel Gray 20:56

love that album.

R

Rainbo de Clown 20:58

I can't wait. I can't wait to Christmas. All the Christmas. All the queer Christmas songs. They're fantastic. I

J

Jewel Gray 21:06

love them. We ought to have a Christmas and I think we have Christmas in July. That's right. Let's think about a Christmas in July.

C

Chris Harrison 21:12

Sometimes it's difficult putting together with the ones with Christmas because last year

Christmas I also filled in for Jim squared on esoteric. And that was I know they have some really odd that that was really weird doing that because I also brought in a bunch of albums. And I was playing vinyl of children's Christmas songs from the 70s I kept tossing in there. And we do like 30 minutes of themed music. You know, these are all ones having to do with animals. I mean, the barking dogs, the chipmunks, mores, the moose, Snoopy. I forget which version of Rudolph we all have. And when again, when I gave the list of Jimmy and he looked at it I go I also did 30 minutes of Hanukkah music.

R Rainbo de Clown 22:01

Oh, he's that's

J Jewel Gray 22:02

hard to find. 30 minutes. That's what he said. That is hard to find. And the amazing

C Chris Harrison 22:07

thing was this. I pulled it all out of his collection. Yeah, we just went through everything we go. That's nuts. Sounds that. I could. I was at the Astros game. So they played Hava Nagila. It's right.

R Rainbo de Clown 22:20

I mean, it's a party song.

C Chris Harrison 22:23

It is a celebration song, but I was just so worried. I'm sitting there in the middle Minute Maid Park going. That's half on the Gila. What in the world?

J Jewel Gray 22:32

It's a good beat and you can dance to it.

R Rainbo de Clown 22:35

I didn't Bar Mitzvah one time as a raisin. We did have a gala. We all Oh,

J Jewel Gray 22:39

yeah. See? It's better than than what was that one this one that would that? It's better than my

steps.

R Rainbo de Clown 22:47

I did this at the Warwick. We had a party with the like it's always

J Jewel Gray 22:50

good for a big crowd. We used to do it in high school gym. It was a nightmare.

R Rainbo de Clown 22:56

I love party songs. Oh, let's see what's happening. Look at Sunday, Sunday, Sunday,

J Jewel Gray 23:01

Sunday. I don't know what's going on. I've been terrible. No, see. We

R Rainbo de Clown 23:07

have a brunch tomorrow.

J Jewel Gray 23:09

We have an a brunch here.

R Rainbo de Clown 23:10

I believe we are let's see what it says here. The brunch pride committee Sunday brunch Berry Hill Baja grill, or Bhaja Baa Baa green. At 3407 Montrose and 7pm is exalt. It's e x al t 2004. With a community Gospel Church. 4305 miles. And then at 7pm We had the 2004 Pride Week interfaith worship service and community reception at the very most Memorial, United Methodist Church 1440 Harold Sunday. Oh, God

J Jewel Gray 23:51

told me I'm prepared. Why don't we this is probably the first parade. I have paid no attention to the years.

R Rainbo de Clown 23:56

Is that a break? No. I'm Tesla. It's a month of activities. Can you believe it? We have a month for

J Jewel Gray 24:02

a whole month. Yeah. And I have been totally up out of the way Mr.

R Rainbo de Clown 24:05

Barry's rate

J Jewel Gray 24:06

you live out of a marriage again.

R Rainbo de Clown 24:12

They always used to love it when we were there. I love Mary's the old day. Yeah. Montrose Oh, there, you know, the area. The era I was here. It was it was the 80s early 80s. That was when Montrose was kicking for me. I mean, you didn't have to have an organized parade that wasn't prayed every day. It was a parade every night on the place all up and down. Traffic EOC the midnight sun the chicken coop down to numbers or Babylon or whatever they call it. What was that lesbian

J Jewel Gray 24:47

s&m bar across the street from the chicken coop or the midnight sun? Was it a pink pussycat. There was no there was a straight there was a behind it was it was Remember,

R Rainbo de Clown 25:00

what was the name of that bar?

J Jewel Gray 25:01

That's what I asked you. Does anybody else know? You think we're paying attention? Oh, God, no.

R Rainbo de Clown 25:08

Jimmy would know Jimmy Jimmy has been here said lesbian s&m

J

Jewel Gray 25:12

∅

25:21

I can't believe it

J

Jewel Gray 25:23

was one there.

R

Rainbo de Clown 25:26

And then you had Mary's I mean, you could. I mean, there was traffic, and he had dirty Sally's and mothers and Michaels and all these bars. There was traffic on the table. There. You go up there now. Nobody's walking up. Everybody looks pretty

J

Jewel Gray 25:39

nice, right?

R

Rainbo de Clown 25:40

I mean, the girls,

J

Jewel Gray 25:41

the traffic got so bad. Nobody could move. That's right. And they had to they had to do something

R

Rainbo de Clown 25:47

and Halloween was the best I was. I regret how students didn't have to have an organized parade for Halloween because you'd have a parade up and down Westheimer I mean, it was fantastic. Those were the days Mary Yeah, what is the name of that bar? Can anybody call it yeah

J

Jewel Gray 26:01

there you go call in to on tell David to put you on that we want we want to know the name of that bar was somebody was there

R Rainbo de Clown 26:12

I think it was in the same building as Yeah,

J Jewel Gray 26:13

it was in the chicken coop. It was behind it. It was in Boston It was no no Bacchus was on the street behind there. But yeah, Bacchus was on the Yeah, that's right. It was love it. Yeah.

R Rainbo de Clown 26:26

Can you believe that? There now? Yeah. Then you had Marian Panters bar. What was that name of that?

J Jewel Gray 26:35

Mirror parents, Maryland. Yeah. Since I moved over to that place and became Romeo's? Yes.

R Rainbo de Clown 26:41

I think he had the silver bullet. Or the truckstop I remember as a truckstop as my first experience with poppers

J Jewel Gray 26:50

numbers, and I loved it

J Jimmy Carper 26:56

depository

J Jewel Gray 26:57

Oh my goodness. That's going back a few years going

J Jimmy Carper 27:01

back a lot of years because it was in a bank building. Rich No. Wasn't a timer on Westheimer

BUCK & ILL OF YEARS BECAUSE IT WAS IN A BANK BUILDING. RICK HOG WASN'T A CLOSER ON WESCHMIDT
right above Shepard.

R Rainbo de Clown 27:12

What was that name of that bar

J Jimmy Carper 27:14

and the dance floor was in the vault. It wasn't poppers. It was the real thing. Yeah, really?
That's a wall that is Yeah.

C Chris Harrison 28:36
it was something he hadn't seen since he was a little child they're just fresh out Yes Yeah We

it was something he hadn't seen since he was a little child they're just fresh out test. Yeah, we were

J Jewel Gray 28:41

discussing that this morning about I mean this this evening about guys and breast to Mother thing Yeah,

R Rainbo de Clown 28:49

it's another thing to Mother thing. Minority my dresser I mean, your

J Jewel Gray 28:55

most people are shoved up into their mother's breasts. You know, from the time that they're born till the time they start you know, eating normal food or drinking formula whatever was in there fed right there. So what does that mean? That it's a man thing that they they, you know, they fascinated by boobs out

J Jimmy Carper 29:12

of Francaise and had the three boys I was the only one who was breastfed the only one who was gay.

R Rainbo de Clown 29:19

It must have been the milk

J Jewel Gray 29:21

my mother didn't breastfeed me either. I got coke in my baby bottles you wonder why I'm this big baby bottle was joking let me talk Carol minute What do you you were talking about you're gonna be in the parade aren't you your guys gonna walk you know I thought you're gonna be in it you're just gonna

R Rainbo de Clown 29:43

be a well we'll monitor

J Jewel Gray 29:46

we'll monitor we have our daughter we have bad girls going on so why went up we're just gonna go that was just a cost to get in. You know you said

you paid you paid was just a cost to get in. You know you paid

∅

29:56

\$100 For and enter business way late for that. Yeah. Sure,

R

Rainbo de Clown 30:00

deadline for that was,

J

Jewel Gray 30:01

well, you know, they're always short and cash. You want to make a donation to you some bad girls give people an email just later wasn't gonna say so you're not gonna be in the parade you're gonna go watch and have a good time in party.

R

Rainbo de Clown 30:19

So where you going to be located? Where do you want to operate before? Oh many minutes okay what was your best location you would say kind of Mary's that's it. We love to get there I always salute Mary's at the end when I come in many times and I've watched old movies where they always saluted Mary, she, you know your vehicle when

J

Jewel Gray 30:41

they hit those big old cherry pickers. That's where they lift those cherry pickers out and weigh those

R

Rainbo de Clown 30:46

strong Charles Armstrong bars, that poster they had for years. That was 81 wasn't ready to do that. Yeah. But the ripcord used to do the flags, all the flights, and everybody was in leather. Yeah, they always saluted Mary. And you see some of these videos on You know, at the G camp golf course Archives Museum, they've got the ones like from 79 or 80. And the first three years the major color of the parade was not a rainbow. There was no rainbow flags. It was all red, white, and blue. Everything was red, white, and they had big flags, big, big American flags or little flags, but it was always American flag.

J

Jewel Gray 31:40

We can talk about history. The more you know dune today. You know what I really like about Gay Pride Month is what Sundance independent film channels do? rarely put on special programming all month games, movies and films and documentaries and interviews of famous

game either. Wow, you know, so oftentimes, Harvey Milk again, I can't stop watching it. Every time I see it. I you know, tougher day, watch it. And a couple of odd movies that were to film festivals. Like I said, this is the time when you see the stuff that you didn't see when you went to the film festival, or they used to play in Sundance Channel or IFC, the next summer, during pride month. And there were a couple of those. There was a really interesting one. And I can't remember, I think it's called the garden. And it's about a Palestinian boy and an Israeli boy, who were both prostitutes on the streets of Tel Aviv. Oh, yeah, I've heard of that one. Excellent. They got Richard Dawkins, a documentary. It's not they just follow these kids around and they're like 1615 years old, and living on the streets and you know, not I mean, living on the streets here has one kind of connotation living on the streets there was entirely different and the fact of I mean, just have helped me you can be shot on the street at any moment. You know, there are people roaming around with guns all around

C

Chris Harrison 32:56

everywhere and considering the fact you've got a Palestinian and in Israel, right. So connection,

J

Jewel Gray 33:03

and they discussed the kind of lifestyle that led the little pal stealing Stinney and boy, you know, they had translation underneath, you know, kept talking about how his family you know, have deserted because, you know, they know he's gay and you know, he's tricking on the streets and that if he went back is his brother and his father would kill him it would be and you know, legal yes not legal but expected Yeah. I mean demanded back if he went back was be like committed suicide, he talked about that, you know, how horrible that wasn't, you know, they they just had no future. They were in that spiral where they could just barely get enough money to live that day. And till they could get to the next day and make enough money to live that day, you know,

C

Chris Harrison 33:41

when you look at when when you consider like, you know, the boys that work with streets here in the Houston area, most of them are trying to get enough money for that next rock. Or sometimes they make their you know, maize cans where these or was trying to get like

J

Jewel Gray 33:55

big drug to them was he the big drug to them was he walked a little pot, but the big drug that they you know, fighting and debating and dealing over in this was even I was like, really surprised. That was the big drug. So, well, my

R

Rainbo de Clown 34:12

favorite is wild.

J Jewel Gray 34:15

I follow Stephen Fry. We were talking about him earlier. He's

R Rainbo de Clown 34:18

excellent in that love. No, he's

J Jewel Gray 34:20

a comedian. A real British comedian. Yeah, he does a lot of work with

R Rainbo de Clown 34:27

Mr. Bean, which isn't okay. Have you seen you said you saw the show time right? Well, if you get to read it, like Netflix or whatever they have like, on the background, you can watch the movie in the background. They talk about every scene they you know, the actors talk about what they went the DVDs Yeah, they comment about that whole thing and learn about

J Jewel Gray 34:47

the whole film. Yeah,

R Rainbo de Clown 34:48

I kept that movie for about two weeks. I thought he was watching anybody that wants to watch a good movie during Gay Pride Month. We thought it would

J Jewel Gray 34:57

be an Oscar for the wild. because he deserved it. I've seen him do a lot of other stuff. He's famous in England very famous. I mean, he can't walk down the street. He's that famous in England. Everybody liked

R Rainbo de Clown 35:11

the young guy. I did too. Boy, not what was his name? Lord, Lord.

J Jewel Gray 35:18

Pardon Jude Law isn't that that's who it was. It was Jude Law. Thank you. That was Jude Law.

R Rainbo de Clown 35:23

The young guy though

C Chris Harrison 35:24

the young guy that was with him. Yeah, that guy's but you always got

R Rainbo de Clown 35:30

worth watching.

J Jewel Gray 35:33

It's pretty factual about what happened to him, too. It's not just, you know, gay guy about this gay guy. It's about that, you know, that life of this very creative, bright genius of a man who happen to be gay and how he was tortured because of it, and

C Chris Harrison 35:47

having to go to prison for for pet history and the, you know, the ancient the the old way, not the ancient way. I mean, the way that they confirmed that sort of thing. I mean, if you thought the, the old military method of you know, sticking a dog depressor down your throat and singing

J Jewel Gray 36:03

over a table and exposure. Yeah.

R Rainbo de Clown 36:09

That was like 1902 or 1900, wasn't it? When he went to prison? You know,

J Jewel Gray 36:13

I'm saying this was like, years ago. Yeah.

R Rainbo de Clown 36:16

Everything you know I don't know if they think this but it's like the gay lifestyle today How

EVERYTHING, YOU KNOW, I DON'T KNOW IF THEY THINK THIS, BUT IT'S LIKE, THE GAY LIFESTYLE TODAY, HOW COULD I? WHAT WAS IT LIKE,

J Jewel Gray 36:23

they don't know, I talked. Everything they got now for granted. And I'm thinking, you know, there were people who were led late deadness streets for the people that

R Rainbo de Clown 36:31

were just go bars where you congregated. What was it like to be killed another

J Jewel Gray 36:35

great one, there was a movie about this famous raid in Australia was there was a stone wall. It was called tasty, bum. Tasty. Oh, I can't it's on IRC. I don't know, it's something the reunion of the tasty bum bar, something like that. And then it was a big rave kind of club. And I think this happened in 93 or 94. And it was a rave type of club, there were 400 people 450 people in there. And they were, you know, the whole spectrum of personality, including stripe people in there. And they came in the Victoria Police came in and busted this place. And they had these people in there seven hours, you know, frisking and doing strip searches of all this anyway, each one of those people got \$10,000 from suing, oh really the police so that of the that state of Victoria police got to know each one of those 400. I don't know, I think it was a 93. But it was very famous when it happened. And it was their what they call their Stonewall. And it's a really interesting documentary where they interviewed the people who they did this class action suit, and it fell to certain name and it turned out to be the stocks name. And you know, nobody really wanted to get it. This was before anybody was willing to stand up and you know, beat their chests and say, These are my rights and you're gonna listen. And so she was really the first one. It wasn't what she really wasn't, didn't really want to do this. Her name is the first one on the list when they looked at the stack of class action. So she was the test case, instead of doing you know, a case, you know how they do a class action, she was the test case. And if she lost, she would lose her house, everything, everything, she would lose everything that she owned if she lost the case. And when they went into this, they went in about 20 or 30 of them went into the class action and the you know, but when they picked that test case, it was her name. So she was going to lose everything she lost and they lost his case. But fortunately, they won the case. They were you know, straight people there. There were professional people there. There. They didn't find any drugs. I mean, they strip searched and did cavity searches of some people at this at this bar, they would hustle them at the bar at the bar and every seven hours some of these people were there till the sun was up the next morning. And you know,

C Chris Harrison 38:53

there's some there's some clubs here that you know, you pay a cover charge for the strip.

J Jewel Gray 38:59

You go to so yeah, I was

R Rainbo de Clown 39:00

in there long. Long ago here in Houston. I mean, you could lose your job for being gay if you were in a raid. And they they posted your name I remember we get when your place of work and whatever, where you live and all that summer when

J Jewel Gray 39:14

lesbians could go to a bar but if if the police came in and you were wearing zipper pants it for French pants, you went to jail. And that's gonna zipper on your pants in the front of your pants. You went to jail. When

R Rainbo de Clown 39:25

no one's huh was the head

J Jewel Gray 39:29

I don't think they had five on ones back then. Do I don't think so. The ones are still the three Oh ones back then. Three months. That's right. Okay, it was right. And they went to do the tally fold. Yeah. Front pants.

R Rainbo de Clown 39:46

Dry queen. You had to have three pairs of men's clothes. Yes,

J Jimmy Carper 39:49

sir. Find out about last night at the special tribute to none others and Wendy Chicago.

R Rainbo de Clown 39:56

Oh, there you go.

J Jimmy Carper 39:57

Was there 70 Your old drag queen. Yes. Ground was a bunch of groupies. I was there for Gulf Coast archive and museum. And you taped it. It was it was a film plus you know, they taped it all right to people putting it on. And we are promised a lot of the raw

R

Rainbo de Clown 40:21

footage cool raw footage. Yes. Yes. Yes. Yes. Yeah. How raw? It was

J

Jimmy Carper 40:26

a very good very good film. It's a 70 year old drag. Then when he came out and did he does bad drag?

J

Jewel Gray 40:35

Yeah, that's when it was 17 It's bad right? Yeah.

J

Jimmy Carper 40:38

She stopped her foot and everybody went crazy

J

Jewel Gray 40:42

up and it got to be serious drag.

R

Rainbo de Clown 40:43

Yeah. What I like is variety. You can have your serious drag your fun drag whatever. I think that's what it should be. We need

J

Jimmy Carper 40:51

You know, it was a riot. It was a struggle. It was something physical that took place. That's why we marched down the streets of a of the bar district on a hot July, June day now night in New York City that happened in New York City. It's commemorating that it's the you know 969

J

Jimmy Carper 49:03

That was our year. If it was

C

Chris Harrison 49:07

something if it was something that we were planning here in Houston you know, we wouldn't have done it in June. This was an act of rebellion that occurred in New York City in June sweltering there and we have sweltering here but we do ours at the nighttime. Well let's let's kind of like when the riot occurs.

M

Michael Williams 49:20

Let's just hope it's not too hot and sweaty.

C

Chris Harrison 49:24

Well yeah, it's a little warm out there right now so

M

Michael Williams 49:26

it's pretty hot but we're gonna be intense and we're gonna have some fans if it gets too hot for all those guys because you know we like well you know sweat He's not bad, but we just want a second you know, liquid and you know hot it's not that bad either. But there's gonna be food there's gonna be drinks there's gonna be will not alcoholic beverages but there'll be water in Coca Cola for all the good guys and if you want something to drink, go in the bar and buy something drink. It goes like come back. Yeah, but we're gonna be in the tents out there and it's gonna be absolutely a great time list of VIPs which I really can't confirm. I can confirm but I you know, I just can't do it can't Talk about it on the air, you just have a surprise

C

Chris Harrison 50:02

you need to show you just need to show up pop in and you know, absolutely. And it's always well worth the price of admission. Are we ever and it's free.

M

Michael Williams 50:12

It's free, you know, stop by.

J

Jimmy Carper 50:14

We want to talk to you about what you saw and how you felt about the parade.

M

Michael Williams 50:19

Exactly. You know, it's all about gay pride that night and everything that we speak about that on the radio that night is gonna be about gay pride. Yes. So we'll have a special microphone set up for everybody that wants to give a comment. You know, this is your local radio station. We want you to be able to have your voice we want to hear what you got to say any feedback positive or negative want to hear

C

Chris Harrison 50:37

and don't try and hide from us because you know, we've done bathroom microphone reporting. Yeah. And we're not afraid to do it. I

M Michael Williams 50:42

have actually I did that. Did I die? I did that over a jungle. I thought that was absolutely fabulous.

C Chris Harrison 50:46

Yes, that's right. It's gonna be the tea room. I

50:50

heard what you heard was point

J Jimmy Carper 50:52

of view. What you heard was good.

M Michael Williams 50:54

What I saw was even better. Oh,

c Chris Harrison 50:56

you know, we're gonna, we're gonna share next time.

M Michael Williams 51:00

Okay, but you know, our event isn't the only thing that's going on. We've got some other pride committee officials, guys, either.

J Jimmy Carper 51:07

There's gonna be lots of women there. Yeah. You know.

c Chris Harrison 51:09

that's why we're outside. If you're afraid to go into the clubs, or if you're too young to go into the club. We want to talk to you.

M Michael Williams 51:15

Michael Williams 31.15

Exactly. I agree. You know, we're not in the clubs and anybody it's not there's no age limit for the parking lot.

J Jimmy Carper 51:21

That's our girls. Yeah, my girl I cut you off. You're about to say something. Oh, I

M Michael Williams 51:26

was talking about the official pride committee party. Our event isn't official pride committee event isn't. But you know, the product committee does have some official events going on. I sure want to give them some airtime on that. Pride committee of Houston presents D fuel event Friday, June 25. With Grammy Award winning hex Hector that's Friday at the Boca bar with Justin Stevens as well in the mercury room. So stay tuned here in a little bit. We'll give you some tickets to that event. And then on June 26, the Star ball the main event actually after the parade, which is the same time as our event is going on. So whatever you want to do, whichever you think is best you just choose pop

C Chris Harrison 52:09

in see us pop over there. You know, there's plenty of time for everything. There's plenty

M Michael Williams 52:13

of time for everything. But the star ball is the main event and that's Saturday, June 26. Direct from New York City is Warren. How do you say that last name Warren Gluck that's it Warren Gluck? That is going to be at Club go and that is that to 2001 commerce street downtown near Minute Maid Park. So got some tickets for that as well. So stay tuned. And then Saturday night after hours party which kicks off about 330 ish the doors open. That's a spoiled boys.

R

Rainbo de Clown 58:41

Where there's so many good looking.

C

Chris Harrison 58:45

Well, it's somebody we met at jungle party while he was in San Diego. He was in San Diego, picking up an amoeba and meanwhile, we do the mean meanwhile, we had a we had this cute guy from San Diego at jungle who came up and spoke to us as we were broadcasting live there and I've got to go and get the pictures down.

J

Jewel Gray 59:11

We weren't Oh, that night. I almost went home. You were

C Chris Harrison 59:14

R Rainbo de Clown 59:49

I haven't been a practicing homosexual lately that I've been practicing that much. I've been to the bars. And I was just wondering I mean I remember last summer at the Not only 14 celibacy. Oh, celibacy. Oh yeah, it

C Chris Harrison 1:00:04

works for the Catholic Church.

J Jewel Gray 1:00:05

Oh yeah. Oh yeah.

R Rainbo de Clown 1:00:12

Let me get my chastity belt. Or does anybody have a key for my chastity belt?

J Jewel Gray 1:00:17

That's it.

C Chris Harrison 1:00:18

chastity belt? Isn't that when was that when Sonny used to beat his daughter? Oh,

J Jewel Gray 1:00:28

awful. You know, we have to erase one of those smarts, this marks on your chalkboard for that. You

R Rainbo de Clown 1:00:33

say people can listen to this on the computer or sorry, if your computer right.

J Jewel Gray 1:00:38

That's how I listened to it. It's on the computer. Well, let's get back to some of these events because shortly we're going to be out of here. So I want to make sure we talked about where did we leave off, Jimmy?

C Chris Harrison 1:00:48

We'll well we did yesterday, I think yeah. So tomorrow. We talked about Monday's yesterday. So that Sunday, so now we need to talk about tomorrow's tomorrow, which is Monday.

R Rainbo de Clown 1:01:01

And those guys at the White call of the VMs are really busy. They're really confused. Like, tomorrow is yesterday. Yesterday is tomorrow.

J Jewel Gray 1:01:15

Oh, they used to do a film festival in conjunction with the

J Jimmy Carper 1:01:19

film festival is now going to be held in September. It's cooler and it doesn't have the competition.

R Rainbo de Clown 1:01:29

They need a cooler drive. It

J Jimmy Carper 1:01:31

was a philosophy rainbow. It just not Sunday until you've gone to bed. Right. It's still Saturday. And if I don't go to bed at

C Chris Harrison 1:01:44

night, yeah. So try using that app. Try calling in on Monday going. You know, I haven't been too bad yet.

J Jewel Gray 1:01:52

In my job. I lose days a lot. I was days. Wow. I think it's Wednesday. It's really Friday. It's like out of

R Rainbo de Clown 1:01:58

that as hump day. Right? Hump Day.

J Jewel Gray 1:02:00

Well, no, that's something No, that's the day off for you are anonymous today.

R Rainbo de Clown 1:02:07

Trying to figure who knows. That's why

J Jewel Gray 1:02:10

the phone didn't okay. That's why the phones. They were trying to get anonymous.

C Chris Harrison 1:02:15

And we still haven't had a caller to tell us what the lesbian s&m Club was.

J Jewel Gray 1:02:18

I don't think there's a lesbian out there. Who knows?

R Rainbo de Clown 1:02:20

Was it really Amsterdam, though? I thought it was just a lesbian bar.

J Jewel Gray 1:02:25

chains on the walls. He doesn't ask the N bar.

R Rainbo de Clown 1:02:27

That's why I never went in there. One, hey, whenever I first came to the Montrose area, I was sort of scared of Mary's and all these motorcycles outside and all these guys. Imagine you're scared. I mean, I came from Central Illinois where, you know, motorcycle.

C Chris Harrison 1:02:46

My dad always wanted to go into Mary's during the Westheimer Street Festival. He kept trying to dare me to go in there. And it was like, no, no, I hadn't come out yet. And it was like one of the things. You know, you're a little twisted. There's

J Jewel Gray 1:02:58

this note all over the world. Yes. It's

C Chris Harrison 1:03:02

all over the world. Yes. And if

R Rainbo de Clown 1:03:03

you're on a computer world, www dot whatever. gov you probably. And it's just a small building. Now. That's what amazes me is a small building, but everybody in the world knows about it. It's gotten

J Jimmy Carper 1:03:17

a big old backyard. big backyard.

J Jewel Gray 1:03:22

Playing volleyball.

 Chris Harrison 1:03:25
You can play with a lot of different balls to

J Jewel Gray 1:03:27
volleyball when we lose. We lose the ball. There too. Yeah, yeah. We're not

R Rainbo de Clown 1:03:39
know what the people in the world know about math. So we don't really have to talk about it.
And

J Jewel Gray 1:03:44
you don't know if you can't figure it out.

J Jimmy Carper 1:03:49
You see? Yes.

J Jewel Gray 1:03:53
So there's no film festival until

R Rainbo de Clown 1:03:55
September, but it's cool. Well, I

J Jewel Gray 1:03:57
mean, you know, there'll be tambor and that is not okay, is that they wipe off summer here because it's not cooler. Start doing everything that summer oriented back into the fall

J Jimmy Carper 1:04:06
like it's really cooler in September.

J jewel Gray 1:04:09
Right and like it's cold cooler.

J Jimmy Carper 1:04:12
Like they're gonna show up

R Rainbo de Clown 1:04:14
until the second week of December, and then heat back up.

J Jewel Gray 1:04:19
We only have two seasons here. fall and winter, fall and summer.

J Jimmy Carper 1:04:22
Are we talking about the pride events or?

C Chris Harrison 1:04:25
Let's Yeah, let's let's kvetch about September.

J Jewel Gray 1:04:28
Did we turn profiles and we did weed profiles and protein Sunday?

C Chris Harrison 1:04:32
Yeah. Now that's Monday. Let's roll into Monday. Okay, Monday.

J Jewel Gray 1:04:35
Well, that is Monday. And Friday.

1:04:37
Let's talk about Monday.

J Jimmy Carper 1:04:39

Okay, what's profiles and pride?

J Jewel Gray 1:04:46

No, I'm so ashamed. I haven't read this. I am so unprepared tonight. That such a new thing you

♀ 1:04:58

can do like oh wow. I

C Chris Harrison 1:05:00

think your mind was distracted for some reason coming into the studio. I think so too.

J Jewel Gray 1:05:05

I love those tattoos. Have you noticed? Yeah, I

J Jimmy Carper 1:05:08

can give you two reasons why she

C Chris Harrison 1:05:12

♀ 1:05:14

That was rainbow. Oh, tonight screen. Okay. That's Monday, Monday.

R Rainbo de Clown 1:05:18

It's Monday in June. The Texas triangle presents a series of stellar documentaries on GLBT people in entertainment. Tonight screening is out of the closet

J Jimmy Carper 1:05:30

Monday, Monday, Monday. Monday, Monday out

R

Rainbo de Clown 1:05:34

J

Jewel Gray 1:05:48

No, it was really a big thing. Yeah, theater was a big thing.

J

Jimmy Carper 1:05:51

Yeah. Because there wasn't any other. There was no TV. No. Everybody wants to the movie. When TV came. There

C

Chris Harrison 1:05:58

was no TV. You know, there wasn't a lot of radio. And those places were air conditioned. So you can go there during the summer. Yeah, your houses weren't air conditioned. Yeah. And

R

Rainbo de Clown 1:06:07

it was dark. They had air conditioning in

J

Jimmy Carper 1:06:10

public.

R

Rainbo de Clown 1:06:13

See this commercial? Remember that guy? That used to be an announcer on one of the TV shows. He said come in, it's back. This time we didn't have air conditioning like that. We had like 200,000 people here in Houston back then. And we didn't have air conditioning.

C

Chris Harrison 1:06:26

I remember. I remember before air conditioning was around. Yeah. Ron stone. Okay.

R

Rainbo de Clown 1:06:29

Yeah Ron 1930 Billy Haynes was America's number one box office draw He seemed to have

Yeah, from 1933 Billy Haynes was America's number one box office draw. He seemed to have what every actor wanted. fame, fortune and a film career with nowhere to go. But however, however, there was one thing really wide even more a young man, like no, not all of his rainbow named Jimmy shields. Jimmy was the love of Billy's life and as out of the closet off the screen and reveals Billy wasn't about to keep him hidden in the closet just for the sake of his career. There you go. How about that?

J Jewel Gray 1:07:07

Wonderful. That's Monday, Monday, Monday, Monday. And when does that start? It starts

R Rainbo de Clown 1:07:12

at 7:30pm. Where's it at 1415, California. And

J Jimmy Carper 1:07:17

after William Haynes gave up his film career for his lover, he became the most celebrated interior designer in Hollywood. Are you kidding? And his marriage, in quotes to Jimmy lasted longer than just about any other Hollywood marriage? How long was he was looked up to until death?

R Rainbo de Clown 1:07:41

I mean, how many years would that be? Right? Probably 3040 50. Goodness. Yeah.

J Jimmy Carper 1:07:48

I mean, it was it was a William died first. And, and Jimmy remains a widower until he died.

R Rainbo de Clown 1:07:57

Well, you know what some of these state representatives in Congress people should watch this movie. Yeah, absolutely. My real marriage is about Yeah. I think the president should watch it. Oh, you know, Hollywood

J Jimmy Carper 1:08:06

look up to this. Because they were the most stable couple around. Okay, so what's going on Tuesday? Tuesday,

J Jewel Grav 1:08:15

Tuesday, Tuesday, and there's volunteer

R Rainbo de Clown 1:08:17

pick up the big thing. Oh, wait, wait, wait, there's one more thing on Monday night at 8pm The Houston theater open house at the meteor 2306 Genesee experience wonderful vision nets. What is the vision and

J Jimmy Carper 1:08:32

R Rainbo de Clown 1:08:39

I don't have my dictionary you can see it I can like Virgin it's very much like you know where my mind is going a little slit

J Jimmy Carper 1:08:55

Cheers, everybody. Well, we're all we're all virgin nets, aren't we? reversions and we got it.

C Chris Harrison 1:09:01

Okay experienced sorry. Where is the FCC to shut us down when we need them?

J Jewel Gray 1:09:09

No one said a bad word. verges

R Rainbo de Clown 1:09:11

In fact, they named their

J Jewel Gray 1:09:15

Do you think

J Jimmy Carper 1:09:19

services taching plays Attention please. Fresh from the hospital? None other than our regular

irregular regular. Stay say Hey, show me your scar, baby.

1:09:31

I've got pictures. So I want to see the real thing

Chris Harrison 1:09:34

he got stuck in not in the good way in the truck. Oh,

1:09:38

yeah. My line in the ER is I got stabbed without lube.

Rainbo de Clown 1:09:43

And you talked about my virginity.

1:09:46

My friends responses. Can I put my thing in that?

Rainbo de Clown 1:09:53

I told you it'd be the last track

1:09:56

for the bathtub. Oh, No,

Jewel Gray 1:10:00

go there the van. No, you just have to let your mind go out the bathtub. Stacy

Chris Harrison 1:10:05

was attacked

Jimmv Carper 1:10:07

the lake. Honey,

1:10:09

I pushed him up against the car door with one foot. Okay,

c Chris Harrison 1:10:12

get closer. Get closer to the microphone so people can hear this. When

1:10:17

I was attacked, I pushed him. I managed to get him wedged in between the car doors with my feet. And so I had a hold of him here. Oh, and I had a hold of the knife. Yes, with my left hand. Oh, and I kicked him in the face with my right foot while I pushed him against the door with my left foot. You go girl. It was an attempted robbery that ended with me with stab wounds and one cut across my hand but him screaming just let me go and I will

J Jewel Gray 1:10:45

bet he'll think twice. Yeah,

1:10:46

I think he freaked out and ran away.

J Jewel Gray 1:10:49

I think he'll tweet.

J Jimmy Carper 1:10:50

US gonna hit on you will be an easy hit. You know little skin. Yeah. What was it that they don't know Stacy? It was it was

1:11:02

outside my apartment off a Hawthorne and Garrett.

c Chris Harrison 1:11:07

CHRIS HARRISON 1:11:07

should use the towel to cover the other leg when you took those pictures. Right.

Jewel Gray 1:11:11

So we expecting Dean to call him a few minutes. We are good.

Rainbo de Clown 1:11:14

Okay, let's go to Tuesday, Tuesday, Tuesday, Tuesday, Tuesday because we need to mention this great need volunteers parade volunteer orientation? Yeah, that's

Jimmy Carper 1:11:24

a parade.

Rainbo de Clown 1:11:25

I mean, pride committee office at 1415. California. That must be a happy place. You

Jewel Gray 1:11:30

know, and it was one of the one of the things I did was last year, Tiffany and I volunteered, we drove a golf cart all around. We got we talked to the mayor and

Rainbo de Clown 1:11:39

all kinds of people. You get to meet all that was great. You have fun. Yeah,

Jewel Gray 1:11:43

the mayor needed my help. Or you know, thank you. But I knew where the keys were. They were they had him in his car to drive down the street. And then he couldn't find a key. So

Rainbo de Clown 1:11:56

we do that for found. We do that for information. You know, in the future. You don't like little tidbits like, did you know that? The mayor lost his key.

Jewel Gray 1:12:04

That's true. This little tidbit of history.

R Rainbo de Clown 1:12:07

So 1415 California, it's Tuesday night at 7pm show your pride become a parade volunteer.

J Jewel Gray 1:12:14

And they do everything from you know, helping, I mean, it's just general gopher kind of stuff to very specific stuff like keeping the parade moving at a regular pace, standing out in the street and making sure that no one runs up on somebody else because you know when the Queen's get out in the street, you can't.

R Rainbo de Clown 1:12:28

Okay, there's there's something else. Thursday, Thursday. Today, it looks like we're having a Brit. Where's Wednesday?

J Jewel Gray 1:12:36

I don't know. But don't skip it.

R Rainbo de Clown 1:12:37

There's no Wednesday on this on this thing here. Thursday. Okay, so we get a break. There we go. Wednesday is probably the day you're probably going to work. You're gonna work on your float everybody's home home. And I guarantee you it will not rain on that day. That's because you're gonna be working on your float on your parade ideas. That's

J Jewel Gray 1:12:54

what we ought to name it. So

R Rainbo de Clown 1:12:55

float day float day, work on your float, get things tied together, have a party have a drink, whatever. Okay, Thursday night at 6pm is called tweak, tweak, tweak, tr EA ke D Okay, a community forum on crystal meth. And it's linked to HIV STDs again at 1415. California.

J Jewel Gray 1:13:22

What is that over there?

R Rainbo de Clown 1:13:26

Yeah, that's another that's where they had like, it's not simple anymore. It's something I had theater there. The Gay Pride Converse catches.

J Jewel Gray 1:13:35

Me girls can't really.

R Rainbo de Clown 1:13:38

Now it was cerebral palsy or video cerebral palsy building. Yeah, Austin was yesterday. But that's at 1415. California. Friday, June 25. It was the night before gay pride 8pm free will and wanton lust stages Repertory Theater, different location. 3201 Allen Parkway, Knott County, California. So there you go free we'll have one okay. Have

J Jewel Gray 1:14:09

we heard about theater suburbia? They doing anything? Jim? Kim is gone. And Judy are listening. Call me real quick. At

R Rainbo de Clown 1:14:17

8pm Ballet international 2004 guest house suites in i 25. Ohio 25 Airtex

J Jewel Gray 1:14:29

45 North. Texan 45 More by you.

R Rainbo de Clown 1:14:33

That's the Globo. It's a one Globo ballet, International Ballet ballet. Okay. Global national dance. Okay, yeah. Hispanic gays. All right. They usually always had something like the night before. Gay Pride Day. And then at 9pm The official pre parade party at MOCA? Right.

C Chris Harrison 1:14:56

Welcome bar. Yeah. I know if they weren't if they weren't did it correctly it's all the Cyrillic letters. Basically it's a

R

Rainbo de Clown 1:15:03

vowels in this case. It's

C

Chris Harrison 1:15:08

it's a bar has a lot of different types of vodka. And I love vodka. So it's a Russian. it when it's really written they usually use a Cyrillic font. So it looks like it's the Russian word, but I'm not sure what I'm not sure what Boca means. I mean, Boston stands for water your friends.

R

Rainbo de Clown 1:15:25

Okay. Bocce pre parade party at Boca bar Mercury room 1008 prairie at main downtown. That's right. Isn't that where the metro rail is? I mean, you can catch the metro rail and get hop on.

J

Jewel Gray 1:15:41

I'm free to get on it titled The

R

Rainbo de Clown 1:15:43

Metro Rail.

C

Chris Harrison 1:15:44

I haven't read into it yet. I

R

Rainbo de Clown 1:15:48

I love the metro rail. It's worth writing.

∅

1:15:50

I drive next to it. I've

J

Jewel Gray 1:15:51

been on it when it got hit.

R Rainbo de Clown 1:15:54

I've never been

J Jewel Gray 1:15:56

every time I drive already four times since they started it up. Has it been somebody hit? But

R Rainbo de Clown 1:16:02

how many other accidents have happened in this town? I'm sure there's a lot there's more than more accident. But when

J Jewel Gray 1:16:06

he when Dallas and San Francisco started their Metro lift eight, they're in the same ground. Ground 16 different, you know, accidents on both of them. Compared to Texas stubborn pride. I'm turning left here because

C Chris Harrison 1:16:24

we were Republicans and this is a national state. This is a national state of Texas. I got to turn left wherever I damn well,

J Jewel Gray 1:16:30

rich Memorial bank decided that they make their own rules as they're driving downtown. You know, the ones that cut through the parking lot.

R Rainbo de Clown 1:16:38

I have never had. I drive downtown a lot. And I just anytime I see tracks I stopped anyway. So I

C Chris Harrison 1:16:45

always get Gary whenever. Whenever I drive. Next one I just have an urge to make a left hand turn. It's just you know what,

J Jewel Gray 1:16:51

I want to be anywhere near it because it stops traffic anywhere around it. Hey, what

R Rainbo de Clown 1:16:55

is really fun is if you have an art car and you just go down the line, and the trade passes you by.

C Chris Harrison 1:17:03

When aren't you in an art car? He doesn't

R Rainbo de Clown 1:17:06

need them right in the metro.

J Jewel Gray 1:17:09

He's in his art car. Okay,

R Rainbo de Clown 1:17:11

that was Thursday. It was Friday. That was Friday. It was that Friday. Then Saturday is parade day pre parade Festival at 4pm Westheimer in Yocom during the pride committee of Houston before the parade enjoy food beverages selections. And 2am Bring your sunblock sure this is still gonna be sunny middle of the day was like forever the parade was running there mascara

J Jewel Gray 1:17:45

rain just before and the cool things down

R Rainbo de Clown 1:17:47

oh like it never rained during rain just about enough to cool it down. We had like a Yeah, we had a remember one year we had so much rain before you like couple hours or rain parades started right before the brace our son came

J Jewel Gray 1:18:05

was proud of Jack for not pulling the plug.

R Rainbo de Clown 1:18:08

He has faith and then there was what this one time is a 1991 that was the year I went down the

street in the shopping cart. Or made one of my favorite not yours. Ad immediately the last entry goes by and it's the police department though it's not before the police

C Chris Harrison 1:18:28

oh the Street Sweepers usually used to be the one of the beer trucks now it

R Rainbo de Clown 1:18:31

was the pride committee like the drag queen club what's the drag queen club

J Jewel Gray 1:18:39

wigs on fire?

R Rainbo de Clown 1:18:39

No no no drag

C Chris Harrison 1:18:41

queen club Jimmy one of those you used to do they used to be the last one in the parade

R Rainbo de Clown 1:18:46

well this this year that we are

C Chris Harrison 1:18:48

was for one year it was

R Rainbo de Clown 1:18:49

oh god oh sovereign SAR

C Chris Harrison 1:18:54

the ruins our material quarters

R Rainbo de Clown 1:18:55

and right before we just as they got to the Mary's the downpour came in but it was hot when I was going down there their shopping cart. Jesus I think

J Jewel Gray 1:19:08

it's so much more fun at night. But I want to back up and highlight this about the proximity needed volunteers right so we could do that again because it is you know they need as many volunteers and for when I'm standing there's a new rule this year you can't drive down the parade without wheel monitors yes on either side of your vehicle this

C Chris Harrison 1:19:25

year this year you must have wheel monitors for your front wheels so you need to see soon it will be you'll need it for every wheel

J Jewel Gray 1:19:33

well you know word my visor been run over in the street

C Chris Harrison 1:19:38

well the problem is I mean I can see part of their trial the worry about the liability because you know people are throwing all this stuff and you give in certain parts of the pride

J Jewel Gray 1:19:47

pointless to make two miles an hour No. But yeah, it's one of those dancing so it's not like somebody's gonna get run over.

C Chris Harrison 1:19:55

Well what happens is you know there's so a lot of the parade does not have barriers doesn't even have tape. And that's

J Jewel Gray 1:20:01

what they need to store to keep the parade separate from the people

C Chris Harrison 1:20:04

and unfortunately I mean there there are there is a strong police presence but they have

and unfortunately I mean there there are there is a strong police presence but you know, whatever positive and warm I found, but whatever you bring down there is still going to be outnumbered no matter what. So that's one of the things to keep people away when you're throwing some of these because you know, you're throwing these people in the foot you know, these beads that some of the floats are throwing cost a nickel apiece if that and a penny apiece and you know these people are going after it like it's a real golden to blue. Yeah, I've

J Jewel Gray 1:20:35

seen many struggle in the middle of store.

R Rainbo de Clown 1:20:38

If you want to see some go to New Orleans, Mardi Gras have no fingers, girl. It's a deathmatch. Oh God, and they used to throw these things out of the Zulu parade. They were like Coca stop doing that. Coconut, coconut thing been listening people in the head now that now they just had him with a little plastic bag inside of that how sanitized? Well yes, what they do on St. Patrick's Day. I understand. They throw cabbage.

J Jewel Gray 1:21:07

I could do that.

R Rainbo de Clown 1:21:09

So okay, your volunteers are probably committee office 1415 at 7pm. Tuesday, June 22. Great. Show your pride to become a parade volunteer.

J Jewel Gray 1:21:21

And if you can't make that meeting, they understand that life is that life goes on call them and see when you can go. Just

R Rainbo de Clown 1:21:29

go to the website, go to the website, www dot pride. Dash, Houston.

C Chris Harrison 1:21:39

One word pride Houston o RG plug in. A hyphen just comes in. I think I think the hyphen comes in because it's the end of a paragraph.

J Jewel Gray 1:21:46

Just plug it into your search, Houston

R Rainbo de Clown 1:21:49

and Houston. It was a dash in there. But yeah, like

J Jewel Gray 1:21:53

that sounds like an og.org.

R Rainbo de Clown 1:21:56

And that comes from the Texas Triangle. Triangle the official print right there is a story that I did. Oh yeah. Tell

J Jewel Gray 1:22:05

us about your story just for Dean to call. Yeah.

R Rainbo de Clown 1:22:07

I worked for the US Postal Service. Don't tell anybody. Like we haven't talked about this before. But I had the honor and I did when I first posted it on the internet to Lonestar it was like an honor that I was able to put up a display for Pride month on their diversity board. Diversity board is a organization at the post office at our org that has different every month there's there's some history mulchers and Hispanic History Month women's history, universe things and diverse and a year ago, they were looking for somebody to put together a pride board. But we didn't get it off the ground. And this year I did. And what I did was I found an essay on the Internet, what would the world be without gays and lesbians. It's an excellent essay is an excellent essay. And I also saw a website stamps gay stamps, Paul, it's called Paul's gay stamps. You can get this on the if you go to Google type in Paul's gay stamps, you'll find it. And I found some stamps of images with of gay people. And I cut them all out, you know what copied him cutting them out. And I made a display. And I got permission to put this up from the diversity club. And it was taken down within 24 hours and the stories in the triangle. And I said the plant manager personally told me that gays and lesbians do not meet the criteria of diversity, their diversity. Well, I told someone else told me I didn't tell this to the Billy Graham he'll explain it to him. I didn't explain this to to plant manager I didn't want to have like a right that kind of talk right? But I did say to the person that did take it down. You wouldn't have a culture without us gay.

J Jewel Gray 1:24:35

what's the name of the song Star Spangled Banner? No, America, the

R Rainbo de Clown 1:24:38

American beautiful South America the Beautiful Catherine Francis Catherine Bates was the one who wrote that song and they

J Jewel Gray 1:24:45

chose to sing that song at Reagan's funeral. And Ray

R Rainbo de Clown 1:24:48

Charles and Ray immediately after the Reagan thing was over Ray Charles dies and what do you hear America the Beautiful I mean, as she was we talked about this one guy from Hollywood. She was with this one woman, Catherine Coram Catherine Corman for 25 years until she died of breast cancer. If you read the story you can get on the internet and

J Jewel Gray 1:25:09

things I want to thank you for is your

J Jimmy Carper 1:25:12

history little tip and yes, I'd love to do that.

J Jewel Gray 1:25:15

But I was dry, you add life to it? Well, the thing

R Rainbo de Clown 1:25:18

is, if the if you see my smiley face on the Lone Star activist, you know, who's who's awake or who's online, three o'clock in the morning, you know what I'm doing? Yeah. And I'm not doing what you might think I would be doing. I researching this, I can tell

J Jimmy Carper 1:25:34

the story about

R Rainbo de Clown 1:25:40

another interesting thing about the person that took it down and wanted it down and went to the plant manager. She said something about civil rights, you know, like history, civil rights is different than the gay history. I said, Did you realize in 1963, the architect for the March on Washington, was Martin Luther King's March was Baynard. Rusted Bayer, Bayer, Bayer

J Jewel Gray 1:26:05

man, and a genius not only openly gay openly get here's

R Rainbo de Clown 1:26:12

what she said. Finally, yes. It was out in the parking lot basically argued about her taking it down. I said they arrested have been arrested. They

J Jimmy Carper 1:26:22

are da y AR D. Okay. And

R Rainbo de Clown 1:26:26

I said, Did you realize he was the one who put it all together? Who's better rested? Oh, I

J

Jimmy Carper 1:26:33

can't believe she didn't know that.

R

Rainbo de Clown 1:26:35

I said if you looked at the board, you would have read all about it, because I had it all up there on the board, who he was where he started out with the bus, the bus situation in Mississippi where he was asked to do it
