And the whole thing is the hands are the focal point. Because they're very big. They're a huge yes that Michelangelo was trying to convey the strength of Michelangelo's hundreds of people that and his brow. Those are those are the two things that really stand out his determination and his strength.
- K

Kirk Keevert 00:20

I'll have to I'll have to look at my refrigerator magnets-.
- J

Jimmy Carper 00:25

On the floor and look up.
- R

Roy McCarthy 00:26

Oh, that-. I'll st on my kitchen floor.
- J

Jimmy Carper 00:28

Because that's the way-.
- R

Roy McCarthy 00:29

You're supposed to view it.

 Kirk Keevert 00:31
And you know, and, and I know about my kitchen floor.

 Jimmy Carper 00:35
I'll bet you I don't want to know what happened. But but you know.

 Kirk Keevert 00:40
Nothing yet because I just moved but I'm taking applications.

 Roy McCarthy 00:45
Now rainbow you. You used to be involved in the theological studies and all that.

 Speaker 1 00:50
I was a minister and-.

 Roy McCarthy 00:53
Am I saying right that the minister's back in David's day were very upset with him dancing like that. dancing naked.

 Jimmy Carper 01:00
He wasn't around there.

 Speaker 1 01:02
I just I it was talking about pornography. And Jimmy, if you want to if you want to read a soap opera, just read first set for Samuel. It's all about David's life. He was a voyeur. He committed adultery committed murder. He killed the husband.

 Roy McCarthy 01:18
So you're gonna have to have adultery.

 Speaker 1 01:20

S Speaker 1 01:20
Bathsheba is first husband he killed to cover up.

J Jimmy Carper 01:25
Yeah, I guess.

S Speaker 1 01:27
Yeah. And when I went to church, Oh, I did go that church. Ray Hill didn't make it the other day. You know? When was it? The Sunday before voting. I went to Second Baptist Church. Oh, and Jung said there's a difference between Babylon and Jerusalem. Well, in David's day, I don't think there was.

J Jimmy Carper 01:49
Okay, Roy well, what else you got.

R Roy McCarthy 01:51
Okay. I also have here the 1995 FBI hate crime stats that have just been released.

J Jimmy Carper 01:57
Yes.

R Roy McCarthy 01:59
Not too good news, folks. Sexual orientation has risen to becoming the third highest motivation, the act of hate crime.

J Jimmy Carper 02:07
You know why? Because we're reporting it. More people are reporting it. I don't think it I don't think it's gotten worse. I think it's just now people are saying no more. And I'm going to tell and they report it.

R Roy McCarthy 02:22
And if anybody's out there doubting these figures, okay. The figures released reports from 9500 different police agencies across the country, you know, from 45 states states and the District of Columbia, and covering 75% of the US population. Now, hate crimes, took the form of

intimidation, as the most frequently reporting, making up a 41% of the total vandalism and property damage came in at 23%. Assault 18% aggravated assault, which is means that the person had something in their hand, simple assault, they just use their hands. Aggravated assault means they had something in their hand, either a bottle or a stick or a gun or a knife or something. Okay, that came in at 13%. And, yeah. You know, just sort of really kind of sad that. You know, we have all this hate crime stuff going on. But we we need to keep reporting it.

J Jimmy Carper 03:45
Yes, we do.

R Roy McCarthy 03:46
And that's it. As far as the bad news. We got some. We got some. We have some good news coming. What. But I want to say hi to Eric out there. I heard he wanted me to give a shout out Eric.

K Kirk Keevert 03:59
Hi, Eric. It's Kirk.

S Speaker 1 04:03
There listening on the phone.

R Roy McCarthy 04:06
Hey, I want to ask you guys something. Yes. Since gay marriage, per se, Yeah, seems to have hit a sour note within our own community as well as within the straight community. What about changing the label to same sex unions, let the straights keep their marriage and we'll have same sex union? Well, it's I just changed the label and I think they modeled a different label.

K Kirk Keevert 04:33
I think it's all about the whole. I mean, if you're going to call it unions, whatever, it's it's in my mind more about getting the legal rights that that married straight people have. As far as I mean, hell, the income tax for for God's sake. Yeah, I mean, two gay men. In a long term relationship, I can't file a joint income tax return.

S Speaker 1 05:04
I know it-.

K Kirk Keevert 05:05
You know it.

R Roy McCarthy 05:07
I'm gonna take the current drug and straight and go out and pick up a hooker on the street go down and get married. No problem.

K Kirk Keevert 05:13
But you know what I was this close my old roommate my straight girl. We're this close to get married just to save on our income tax.

J Jimmy Carper 05:20
I know couples who have done that.

R Roy McCarthy 05:22
And, and the, but if-

K Kirk Keevert 05:25
You know what, it's legal. If it's not it's as long as as long as as long as they're not like an illegal alien.

R Roy McCarthy 05:34
And don't work hard. This isn't going to happen. But if you and I were into a long term, 10 year relationship, we would not we cannot get married.

K Kirk Keevert 05:42
I'm so crushed that that's not going to happen.

R Roy McCarthy 05:45
Oh, you look at. No. But okay, no, but not just on income tax. But let's say God forbid, at work you used to get injured, you know, which could turn frail or something. Right. And you were incapacitated, you were no longer conscious. You and me we lived together for 10, 15, 20

incapacitated, you were no longer conscious. You and me we lived together for 10, 15, 20 years, I would not be allowed-.

K Kirk Keevert 06:09
No rights.

R Roy McCarthy 06:10
I would have I would not be allowed to make any kind of medical decision on treatments for you whatsoever.

K Kirk Keevert 06:15
And calling it a union is not going to is not going to help that.

R Roy McCarthy 06:20
Well, if we get the same rights given to us as what's given to a gay marriage. While we can keep the label union and the states can keep their-.

K Kirk Keevert 06:29
Look for the union label.

J Jimmy Carper 06:34
I'm gonna hit em.

K Kirk Keevert 06:35
Don't hit me. Look for the union label. When you are marrying your straight your gay boyfriend.

J Jimmy Carper 06:48
Whether you're thinking of gay boyfriend's dropping, oh my goodness.

K Kirk Keevert 06:54
Gosh, there's nobody. There's never I read droppings and there's never anybody I know. And rodent droppings. Scott's in there a lot. Oh, is he really?

J Jimmy Carper 07:02
Yeah, yeah.

R Roy McCarthy 07:03
The chief cheese.

J Jimmy Carper 07:06
Oh, careful and has rodent droppings. That means rumors and dirt that she's heard along the way. And she I do like reading this because I do I- Yeah. Yeah. And there is something here for Scott Lewis. Oh, really? This week? Yes. Says it's been how many hours since you suck down what? Just how many hours? Here you know.

R Roy McCarthy 07:36
All my all the dish on that.

J Jimmy Carper 07:40
What do we what do we got in the way of fundraisers going on?

R Roy McCarthy 07:42
Well, we got the Aid Foundation, Houston and the Texas Children's Hospital with the University of Houston, Texas Health Science Center. They're all teaming up to make the holiday season a little bit brighter for the kid. He's up to age 15 infected and affected by HIV AIDS. And they're having a red ribbon toy drive. Oh good, which is going to take place from November 11 through December 13. And people are being asked to share their holiday spirit and to bring a new, unwrapped toys to the AIDS Foundation Houston office, which is at 3202 Wesleyan annex. And there will be another drop off location at the divers works at 1117 East freeway during the performances of the yellow boat.

J Jimmy Carper 08:34
Okay, you know NLA National Leather Association has a toy drive every year to run down there too. If you've got a toy, you can probably just drop it off at the Ripcord.

R Roy McCarthy 08:45

Right under the Mary Mary's have one too.

J Jimmy Carper 08:47

I'm not sure. No, no, no. No toys.

K Kirk Keevert 08:56

You can also pick up toys at the Ripcord.

R Roy McCarthy 08:58

And well our roads are our community police station. Well, on Westheimer we'll be more than happy to collect unwrapped toys.

Celebrating the Soiree Aubergine at the Soiree Aubergine is a is a group set up to to raise money for Bearing that operates the daycare center and the dental clinic for AIDS patient.

K Kirk Keevert 11:29

Well, speaking of speaking of the Bearing Care Center, yes, there the Bearing Care Center art department is holding its first art show and sale. It was today and it's tomorrow or Sunday as it works from 10 to 5 at the Bearing Care Center. And that's behind Bearing Memorial United Methodist Church at 1440 Harold.

J Jimmy Carper 11:52

MCC that this is Montrose Counseling Center holiday gift baskets. Wait a minute now I'm confused here-.

K Kirk Keevert 12:02

As well you should be because.

J Jimmy Carper 12:04

It's MCC holiday gift baskets 1919 Decatur which is MCCR information is 5290037 which is Montrose counseling center. So I'm confused here on this note.

R Roy McCarthy 12:19

Oh, I got something here.

K Kirk Keevert 12:22

I'll find out. Okay. Yes.

R Roy McCarthy 12:26

Now, if if you receive public assistance, including aid, as you know, AIDS Foundation, Houston, or the Harris County, the Harris County Hospital District, gold card, your dogs and cats qualify for free service through the snap mobile clinic. And for a calendar and listing of locations just call them at 5222337. That's 5222337. Okay.

J Jimmy Carper 12:59

So what is this snap the web?

K Kirk Keevert 13:00
It is MCCR okay. It is MCCR.

J Jimmy Carper 13:04
That's the wrong number. Definitely. That number is for the Montrose Counseling Center.

K Kirk Keevert 13:11
The number for MCCR is being looked up as we speak.

J Jimmy Carper 13:17
Yeah. Yeah. When you're looking at

K Kirk Keevert 13:21
8619149 Okay, frame MCCR. 8619149. I'm sorry.

J Jimmy Carper 13:27
I want to talk about some people who have been honored by our service, which is the Amigos volunteers and education and services for for HIV AIDS issues. The Chronicle supporter Joanne Zuniga has been honored by AVES for her coverage of HIV AIDS issues. She was honored for her articles about the impact of AIDS among Houston's minorities and government response to the crisis. The other honorees are physician Patricia Salvato, Chief of Medicine at 12 Oaks hospital and social worker, worker Joel Martinez. Salvato, who received her MD at the University of Texas. Houston is a clinical researcher who has worked with AIDS patients for more than 10 years. And she has quite an AIDS clientele, really. Martinez was graduated from Rice University and the Columbia University Yale Law School. He is co founder of body positive Houston, the AIDS equity League and the Center for AIDS and as a trustee for the Texas Human Rights Foundation. So those three people were honored by AVES, congratulations. Yes. And Thank you always for honoring them.

R Roy McCarthy 14:49
Yeah, really.

K Kirk Keevert 14:51
Absolutely. One more thing Tom wanted to mention about the Bearing center. Yeah, is that they are always taking money for or taking food for Thanksgiving. Oh, coming up soon.

- S** Speaker 1 15:07
Yeah, they they feed a lot of people. Oh, hundreds every day. Yeah. And so and so take something special. Take a turkey Take. Take some vegetables and whatever.
- K** Kirk Keevert 15:20
Make some cranberry relish.
- S** Speaker 1 15:22
Yeah.
- K** Kirk Keevert 15:23
And donate your time.
- R** Roy McCarthy 15:25
Yeah. And you can also donate your time-.
- S** Speaker 1 15:27
A whole lot. We sure did.
- J** Jimmy Carper 15:29
Yeah. Now, when it comes to the court, we had court people on last week. That's the Royal and sovereign input imperial court of the single star. We had Jerel McNeal on.
- K** Kirk Keevert 15:41
And I have to admit, I was listening but like I said, I moved last weekend, so I was very tired in and I just went to sleep. Well, not that it wasn't interesting.
- J** Jimmy Carper 15:51
Some of the things going on. We talked about the show at hances for that Jennifer Ellsworth is hosting on the 22nd. But on the 23rd at nine o'clock at the Venture Inn Jerel McNeal is hosting candidate show

candidate show.

 Kirk Keevert 16:10
Oh, really?

 Jimmy Carper 16:10
Yes. So I wanted to get that in.

 Kirk Keevert 16:14
Well, I'm so glad you did.

 Roy McCarthy 16:17
Oh, my goodness.

 Jimmy Carper 16:18
You want to talk about this?

 Roy McCarthy 16:21
Yeah, haven't had a chance to look at it yet. We've got a new magazine here, folks.

 Kirk Keevert 16:26
Do we really?

 Jimmy Carper 16:27
Have the Map issue number 01-.

 Roy McCarthy 16:30
That means it's a keeper.

 Jimmy Carper 16:31

It's a new publication in Houston, concentrating on showing gay, lesbian, bisexual, sexual and transgendered persons, where they can go in Houston and be welcome. This planned inaugural issue was scheduled in mind for mid December 1996. But they came out early. The editorial includes four politically correct words that are unnecessary to infuse our meaning, which are to the reader, gay, lesbian, bisexual and transgender. Oh, you the reader will see very little of them together in this paper, this does not mean that you will not see stories about each and every one of them. And the first issue is, is is dedicated and totally about. Lady Victoria Lust. That's why this issue was a keepie. Not only the first issue, but several wonderful articles about Lady Victoria Lust and some wonderful pictures.

R

Roy McCarthy 17:31

I hate to say it, but I am so thankful that we have a publication that doesn't try to be politically correct, because it's already understood that it is inclusive. We don't have to go through a long litany of-.

J

Jimmy Carper 17:45

I say the hell with being politically correct. We all have differences and what we need to do is just respect each other.

K

Kirk Keevert 17:52

Yeah.

R

Roy McCarthy 17:53

There you go. There's one thing that my-.

S

Speaker 1 17:58

Check out the map girl, I know that you are-.

R

Roy McCarthy 18:02

Great, man. Great. I really-.

K

Kirk Keevert 18:05

Do they really good.

J Jimmy Carper 18:06
Yeah. Looks good. Right? Even without glasses, I can read this.

R Roy McCarthy 18:11
You even you can read that.

J Jimmy Carper 18:12
Yeah, it's fantastic.

K Kirk Keevert 18:17
Very cool.

J Jimmy Carper 18:18
We're gonna be hanging this up at the game lesbian switchboard.

R Roy McCarthy 18:21
Oh, yeah.

J Jimmy Carper 18:22
Better than the maps we have there. I'm not kidding. It's great. And there's an entertainment map and the business map.

R Roy McCarthy 18:32
Well, you know, that's nice.

K Kirk Keevert 18:33
In case you're looking to forget this and be entertained or purchase entertainment.

R Roy McCarthy 18:38
You know, there's always been a huge map located in the guy which is a national published a nationally published magazine

K Kirk Keevert 18:47
that often you can pick up for free in in bars and stuff.

R Roy McCarthy 18:52
Right. And they always have clubs. They always include Houston in their list of maps. But the problem with that is that when you have a big magazine like this, they usually do their advertising, what three months in advance, at least. So Changes reason Changes won't show up on this whereas something like the Map this, this new one,

J Jimmy Carper 19:14
this is gonna be coming out every week, but they won't be having one next week because of the holidays.

K Kirk Keevert 19:20
I think we're going to do one and take a break. Yeah. And then the next one will be Friday November 29. Yeah. early is because because of yet because behind it too. So pick this up. They're everywhere. Charlie's at the bars at the twit and voice building. Just cool name it they're everywhere.

R Roy McCarthy 19:47
Or here at the station even here at the station. Oh, incidentally, here at the station in our lobby. If you don't get a chance to pick up the Voice of the Triangle or the Twit. We always put them off in the-.

J Jimmy Carper 19:59
Half a dozen copies every every Saturday night. That's right.

R Roy McCarthy 20:04
And don't worry, we don't censor them. So you get to read everything that's put in there. We, you know, we figured that you're old enough to make up your own mind, right?

J Jimmy Carper 20:15
Oh, yes. And Rainbow wanted to mention that the Gay Pride- Gay Pride committee is meeting

on Tuesday. West Gray West grey at the multi purpose center at the multipurpose center.
Seven o'clock, seven o'clock. That's 1475 West Grey.

R

Roy McCarthy 20:31

And this year, it's going to be a nighttime parade. Yes. And we really want all that input because we really want this to be a because I get so excited just thinking about the parade it is your liver quiver-.

J

Jimmy Carper 20:43

It is your parade, so you know, get involved and help out with it. Our theme is glow with pride. Ah, yeah.

K

Kirk Keevert 20:52

A healthy glow about us.

J

Jimmy Carper 20:55

I didn't want to push. Rob Nash. He was supposed to be on tonight. But he was sick. He'll be on in the next two weeks. There'll be he'll be coming back on with Scott and I hope Scott's well, too. Yeah. But you know, Rob Nash has been on the show several times because he is the author of several plays the 12 Steps to a More Dysfunctional You-.

K

Kirk Keevert 21:16

You were telling me about that earlier.

J

Jimmy Carper 21:18

12 Steps to a more dysfunctional family or, you know, whatever. And then he's working on this third play, but what I didn't realize is that he's also a stand up comic. Doing mighty good gay stuff. Yeah. We've never talked about this, really. But yeah, he's travelled around. He does stand up stuff. He there was an article about him. Actually, he wrote it in men's style, the latest issue of men's style.

K

Kirk Keevert 21:43

Really? Oh, really?

J

Jimmy Carper 21:45

 Jimmy Carper 21:45

Yeah. He was talking about what it's like being on the road. And it was a revelation to me because I, I don't think of Rob is going on the road and doing this kind of stuff. I think of him as just doing his play, either here or in Los Angeles, or wherever. Talking about interesting things. trials and tribulations and relations of being on the road.

 Kirk Keevert 22:10

Well, how cool.

 Jimmy Carper 22:11

Yeah, it is really cool. And he is He is quoted in queer notions.

 Kirk Keevert 22:16

A quote which we unfortunately can't read on the air.

 Jimmy Carper 22:19

Ah, but it's a great quote-.

 Kirk Keevert 22:21

It's a good queer notions is is I've been looking through that. Isn't that funny?

 Speaker 1 22:27

You say blank this blank.

 Jimmy Carper 22:30

Maybe okay. It won't have quite the impact. But here's the first letter. This is it. This is in the section called people we hate. Jobs quote is Jesse Helms put forth an amendment to the existing National Endowment for the Arts legislation.

 Roy McCarthy 22:48

Oh, God, no goes.

- J** Jimmy Carper 22:50
No funding to artists who depict sexual organs or excretory organs. I think that's coming from a big dickhead who was full of you know what?
- R** Roy McCarthy 23:06
Oh, Jesse Helms.
- K** Kirk Keevert 23:08
You said dick?
- J** Jimmy Carper 23:09
I said it.
- K** Kirk Keevert 23:11
You never say-.
- J** Jimmy Carper 23:12
Well-.
- S** Speaker 1 23:13
It's my first name.
- J** Jimmy Carper 23:17
Why don't we go to a piece of music.
- K** Kirk Keevert 23:19
Oh, give me a piece.
- J** Jimmy Carper 23:21
Something I remember I was talking about-.

K Kirk Keevert 23:25
Yeah, I've been looking forward to this-.

J Jimmy Carper 23:27
To Lesbian and Gay Voices on last Thursday. They're on every Thursday night. eight to 8 to 10 right here on KPFT. Houston. Not KEOS, because KEOS is doing their own programming at that time.

K Kirk Keevert 23:43
Oh, are they is it gay and lesbian?

J Jimmy Carper 23:45
No.

K Kirk Keevert 23:46
Boo. I'll be back.

J Jimmy Carper 23:49
Anyway, anyway, they did this great music dance music from mostly England and Europe. They threw in a couple of American things too. But mostly it was groups that I've mostly I'd heard of there were a couple that I was not totally familiar with. Because I'm not into the dance scene. That they did army of-.

K Kirk Keevert 24:14
So we have that in common.

J Jimmy Carper 24:15
Yeah. And they did who don't have their music.

K Kirk Keevert 24:20
Is our any lovers on there.

J Jimmy Carper 24:22
No, no, no, they're not on here. Okay, but-.

K Kirk Keevert 24:25
As I do kind of like them because they're kind of campy.

J Jimmy Carper 24:27
They are they are-.

K Kirk Keevert 24:28
Kind of campy. But rainbows kind of campy-.

R Roy McCarthy 24:33
Kind of, kind of-.

J Jimmy Carper 24:36
Anyway, let's go. It's an old disco hit and it'll get you moving. It's by Paul Parker. Who is part of Man to Man. Oh, for the man,

K Kirk Keevert 24:52
The man bar.

J Jimmy Carper 24:55
It's called Right on Target. Oh, yeah, Right on Target that old classic by Paul Parker.

K Kirk Keevert 25:07
Yeah.

J Jimmy Carper 25:08
.....

And you're hearing it on After Hours.

- K** Kirk Keevert 25:10
Queer radio with attitude. 90.1 KPFT in Houston 89.1 KEOS in College Station. That's right. It's almost time to get out of here.
- J** Jimmy Carper 25:24
We got a few more things to do, though I have a few more things to do and what are those?
- K** Kirk Keevert 25:28
Oh, I don't know. I will kind of talk about kind of talk about my audition Wednesday night. Yeah. I'm very excited before before I left Houston, I got involved with a group called Comedy Sports.
- J** Jimmy Carper 25:40
What is that?
- K** Kirk Keevert 25:41
Um, it's a improv. comedy improv. It's set up. It's set up like two teams competing against each other.
- J** Jimmy Carper 25:50
Is that like that TV show for -.
- K** Kirk Keevert 25:52
A lot like, Whose Line Is It Anyway? Yeah, but it's but it's set up like two teams usually three or four players on each team.
- J** Jimmy Carper 25:59
Wow.
- K** Kirk Keevert 25:59
And very, very audience participation. There. Right now they're doing their shows every Friday

night Tree Beards. Eight o'clock. Oh, Tree Beards on Market Square. Yeah. Tree Beards is giving them the they're upstairs room.

J Jimmy Carper 26:16

I've been there-.

K Kirk Keevert 26:17

And really, and I've been going to the shows on Friday night since I've been back in town and since I haven't done it for five years. They wanted that was a little rusty and and been going to the shows and and been going to some classes and stuff getting back into the improv frame of mind and have auditions on Wednesday night. And I'm back in with with another KPFT host Ian Hogan Hunter who hosts the beside here on Friday nights. As soon as soon as she gets out of the show at at 10, 10:30.

J Jimmy Carper 26:50

Kidding, she rushes over here right over here at 11.

K Kirk Keevert 26:52

This show's 11 show's at 11 then and the shows generally over there at 10. So she sticks around for notes and then rushes over here. She wants to have to Yeah. So I'm not playing yet. So anybody who wants to know what I look like, wait, wait until the time I'm playing.

J Jimmy Carper 27:10

And that's great.

K Kirk Keevert 27:12

Yeah, I'm really excited about it. It's, it's, it's so much fun. And, and it's I mean, it's therapeutic. You know, I mean, even yeah, I mean, even just even just going to the classes and stuff, just.

J Jimmy Carper 27:26

You know, I come in here every week, and I can talk into this microphone. Yeah. But you get me in front of 20 people, and I freeze up and I'm shaking, and I cannot talk in front of real life people.
