Roy 00:23

was just gonna say that. Glad to hear it. I'm just gonna say that I'm so happy to have my partner in crime back with me.

Michelle Meyers 00:29

Oh, yeah, I'm feeling a lot better now. I was sick for a little while.

Roy 00:33

Yeah, you've been under the weather. Yeah, I had an umbrella.

Michelle Meyers 00:37

Oh, wow. i Oh, my God. And then to top it all off. Last Monday, I was getting ready to go out to a meeting. Yeah. Because I had to go with this retirement thing coming up. I had to go and sign all my papers.

00:54

That's right. You're going to be you're going into retirement. Now I

M

Michelle Meyers 00:57

said there. I was sick as could be. But I was all dressed in my power suit, ready to go and sign all these official papers? Yeah. And I felt awful. And I walked out my turned on my car. And he didn't know. Yeah, it was just totally dead. And so I went back, I got on the phone, I cried. I actually ended up crying. And I said, I can't do this. And I went back to bed. And it was the best thing that ever happened. Probably Probably. Yeah. Because I would have been working and then I would have really gotten sick.

R

Roy 01:30

Well, you know, that's why I tell everybody, make sure you go out and get your flu shots. I had that last year.

M

Michelle Meyers 01:36

I didn't get my flu shots. And you told me to get my flu shots.

∅

01:39

Yeah, that's right. And you know how we nags? Yes.

R

Roy 01:45

You know, one of our friends from from after hours who used to be here quite a bit. Yeah. Tom Richards. He was sick for a week.

∅

01:56

I know. I know what the flu and I can't get a hold of him. I've got an apple pie for him.

R

Roy 02:00

Well, if you won't take it, I will. Hey, it was about apple pie. Thank you.

M

Michelle Meyers 02:05

So I came in here tonight, to first time after two weeks. And I thought I saw Roy in costume. But it was just somebody had brought their dog. So I thought Roy was gonna show up in costume. Oh, well, he's just got his rainbow Texan flag on

R

Roy 02:28

my birthday present. Do

o

02:29

you know what? We've got somebody on the line that would like to, like chat?

M

Michelle Meyers 02:36

Oh, go to this. Well, okay. Yeah, well, why not?

o

02:40

Okay, wait a minute here. Wait a minute. No, no, that doesn't work that way.

M

Michelle Meyers 02:45

Jimmy pushes the button behind him.

o

02:47

Okay. And he's on to

M

Michelle Meyers 02:51

push to this. And then.

o

02:55

And he should be there. Hello.

o

03:00

I hope you can hear me. We're on a cellular phone out here

o

03:03

we can hear

R

Roy 03:08

oh, Chris, how you doing now? Fine.

♂

03:10

We figured we'd give you a little traffic report here in the middle of the news segment with the Q patrol.

♂

03:15

Oh, yes. You are doing the Q patrol thing tonight. And where are you?

♂

03:19

We are at Pacific and Crocker right now in front of the T. 's club. And it's starting to slow down a little bit but the costumes out here. were amazing. We We are some of our tongues have stepped marks on I'm

♂

03:34

pretty excited. I was out much earlier and I got to see some of the beginnings but I didn't get to see you know, towards the end yet more flesh going?

♂

03:43

Yeah, I think for some reason it tends to get warmer at night. The Weather Channel hasn't caught on to that yet. But it does get a little

♂

03:49

warmer or it doesn't Pacific straight. So what's going on is Has there been any problems or?

♂

03:56

Well, we had a little incident earlier this evening. Some of our lovely neighbors are most likely the suburbs came down and daddy's truck and decided to make street sidewalk omelets for us.

M

Michelle Meyers 04:11

How did you get a license plate? Oh, we've

HOW DID YOU GET A LICENSE PLATE? OH, WE VE

04:13

got more than that. Oh, these young gentlemen were picked up by some of the ladies in blue.

Michelle Meyers 04:23

That's what we want to

04:24

say. And that's gonna be really hard to explain to Daddy.

04:28

Oh, yes. Because then they were came loaded for a long evening and they got them kind of early.

Roy 04:34

Oh, they're longing for them. Oh, yeah. Oh, yeah.

04:37

But unfortunately, they're not going to have their two and a half dozen eggs with them.

Roy 04:42

I understand that processing the process the recruitment process and takes about eight hours. You're kidding.

Jason 04:49

Just wondering if they're gonna like being in a cell with bubba.

04:54

The craziest thing is they pulled up right in front of a police. Police roadblock out here for the parties and death I just sat there and waited.

R Roy 05:04

American strikes the

♂ 05:08

best part is just as the officers came up, they all had an egg in each hand. They love it. We're literally caught red handed. That's

R Roy 05:16

good. No, that was yellow handed.

M Michelle Meyers 05:20

You didn't do this. Did you get a video of this? I wish we did

J Jason 05:26

an insert into America's Dumbest criminal. No kidding.

♂ 05:29

This is a hilarious thing for this to happen. Unfortunately, that's not all we've had around here. Good pretty. It's been pretty flattened. There's a lot of people that came out I know.

♂ 05:39

A lot of straight people come out because of the the judging in the middle of Pacific street right in front of Jr's It was packed with technical Yeah, 10 o'clock. It was just packed, packed, packed.

♂ 05:53

Well. The cutest thing we saw is this couple that Jimmy would like to hang around with that made him young. And a man Oh, thank

R Roy 06:01

you. So nothing to do that.

06:03

It was a grandmother and a grandfather. And they're walking down, walking down Pacific street going like peeking around street corners, they're going to see what I saw. was hilarious. She did honey,

J Jason 06:15

I thought the only person older than Jimmy was Methuselah. Hey,

R Roy 06:21

Chris, I want to say that we really do appreciate you guys being out there on the on the Q patrol. It really y'all really do make a tremendous difference.

06:30

Now we really enjoy it. And we've been doing it now for seven years. This is our seventh year of existence. And we are we feel we're doing a pretty good job out here. We don't have the big problems, we occasionally get these crazies coming in. We didn't want to play it on it yet. But most likely as kids from Pasadena are

J Jason 06:50

bullies from Conroe.

06:53

Our last people were so but now we it's pretty quiet. Everyone seems to enjoy themselves. And it's still early enough. I don't see too many people staggering around yet.

M Michelle Meyers 07:04

So do you still have your table in 10 set up?

07:08

Well, we just folded up our tent. We did pretty well. I got a couple of people who calls who came in and said they'd be willing to join us. So we walked around a little and saw the sights and that it's it's a great thing for people to come out and do if they didn't consider it a free walking tour of the Montrose

M

Michelle Meyers 07:25

area with guided walking tours. That's

♂

07:29

right. If you go to San Francisco, you can get a tour of the Castro but it's gonna cost you 30 or \$40. You go we're free.

♂

07:37

Now you are

♂

07:42

in patrol right now I come over there speak to you in person. But now we it's a lot of stuff out here. They was wondering the number one costume I think was a cross between Romans. Yes. There's a lot of Romans out here. A lot of military men especially nailer. That

M

Michelle Meyers 08:01

Well, let me let me try to explain why. Okay, yeah. Remember, the Pride Parade was Greek. So maybe you were seeing leftover costume from the Greeks. Yeah. But next week is the military ball. Oh, okay. That explains. So we even have our own kind of military man here. He's

J

Jason 08:25

I wasn't the only

♂

08:27

one over here. Oh, if you could see the sights I was seeing there. We couldn't be on the TV.

M

Michelle Meyers 08:34

If people if people want to come out and join you. During this a guided walking tour. How do they get in touch with you?

♂

08:42

Well, you can just contact us at 713528 safe. That's good.

M

Michelle Meyers 08:49

That's, that's 71352872337

♂

08:57

Unfortunately, I'm gonna cordless phones. I can't peek around every few secondaries he was a number of letters

M

Michelle Meyers 09:01

are I can do it five to eight saved that's 528-723-3333

♂

09:07

♂

09:24

Oh, that's easy.

♂

09:25

And that'll take you there to our website. Fortunately, the the part where we put on there all the bad things that happened hasn't been updated in a couple of years because we really haven't had anything. So we really enjoy anyone coming out here. Just walk the streets with us. You can rock the drive your car rides with someone. If we get up people will rollerblade and bicycle. Oh, okay. Well, Chris, you want to come around and be seen in the neighborhood. We'll let you

R

Roy 09:53

okay. Well Chris, you want to thank you very much for the for the in report tonight when my Pacific street

♂

09:59

yeah Are we in fact, we used to get reports every week on cue patrol while they were on patrol? Really? Yeah. I'd like to get that, you know, get those reports and those flashers again,

be great, particularly the flashlight. You got it. That flashlight or just come on by again, but they have

J Jason 10:17

to be great at first. Okay.

M

Michelle Meyers 10:19

Thank you very much, Chris. We will appreciate the call and the information.

O

10:24

Okay, bye.

R

Roy 10:26

Okay, moving on with that little thing. Yes, we're having a big Halloween festivities out there on Pacific street tonight.

M

Michelle Meyers 10:35

So would you say you were out there?

R

Roy 10:36

I was out there last night. I didn't know I didn't make it out tonight. But I did make it out there last night. And it was it was pretty packed. It was pretty packed. As a matter of fact, I have spent Halloween for the last 10 years at the mining company. And I've never been disappointed. It's just such a fantastic floor show of watching everybody from outside come walking in. They just sort of cut and parade around.

M

Michelle Meyers 11:03

So any favorite costumes that you saw?

R

Roy 11:07

I saw this one guy who was dressed up like kind of like a there was this one guy who is dressed up kind of like a one of the vampire guy with a great big hair and a beehive and all that sort of stuff. Okay, the Francis Ford Coppola. Vampire guy.

M

Michelle Meyers 11:23

Oh, yeah. Well, that was Gary Oldman was the one who played that,

R

Roy 11:27

and whoever, whoever it was who that was, was on the thing last night. They obviously spent some serious bucks on makeup. And because it was just so good. And of course, I got to see a lot of, you know, we had a lot of people coming out in drag, who normally don't come out. And Greg and this is why one of the reasons why Halloween is like the national holiday pay people is because it was the one day a year that we could actually dress up without being hassled by the police.

M

Michelle Meyers 12:04

Oh, yeah. Well, I did that once. Back in 67. And I was hassled but I was hassled by the people whose party I went to and some of the people at the party, including my former spouse. Well, they thought I was trying to hide. Well, you know,

R

Roy 12:24

believe it or not, it's always kind of been like a secret fantasy of mine of dressing up, but I don't know.

M

Michelle Meyers 12:34

Okay, well, yeah, Halloween is always a lot of fun.

R

Roy 12:38

Now talking about a lot of fun. What is the caucus raucous up to? Now I know some of you may be out there listening that may be members of the gay caucus, the Gay Lesbian, Bisexual, Transgender. We're the caucus. And so what's what's happening with the caucus rockets, and it's always a rock is there.

M

Michelle Meyers 12:58

The next meeting for the caucus is going to be this Wednesday, the day after Election Day. Because we always have our general meeting the first Wednesday of the month. So that's the fourth, or is that the fifth? That's the that's the four. It's going to be Wednesday night at seven o'clock. officially starts at 730. Right on the stroke of 730. Yeah, right. And will last probably

about 45. And it's going to be at it's it's going to be at the Houston lesbian and gay community center, which is located at 803 Hawthorne. And that building is two blocks south of Westheimer to box east of Montrose.

R Roy 13:46

And another easy way it's catty corner to Lucky Seven. This little convenience store.

M Michelle Meyers 13:53

Oh yeah. I've never figured out what the name is. It's like a stop and go or 711 but it's got a different name.

R Roy 13:59

It's got a different name, but it isn't. This one's kind of catty corner. Yeah. So

M Michelle Meyers 14:02

that's again, the caucus. Next meeting first Monday of first Wednesday of the month. this coming Wednesday, seven o'clock, you can get refreshments 730 We start right on the dark. only be about an hour or so or less and a lot of fun. And we'll talk about the results. Okay, so I hear there's some news out of Austin that really kind of a little bit disturbing. You're gonna tell me what's going on there.

R Roy 14:35

Unfortunately, we do have a little bit of craziness out there and also not the kind of craziness I like or most of the listeners like but it's one I do need to report on. Well, gay men in Pablo Zuniga was killed, murdered on the streets of Boston and supporters of Pablo Zuniga who was a gay Are you deaf and mute? Man, you know crowded a sidewalk in front of a Travis County Courthouse during rush hour this past Monday to criticize the recent sentencing of the 31 year old killer. Charles Edward Lowry who was 24 told police that he killed someone in self defense after this deaf and mute game and threatened him. The killer got probation.

M Michelle Meyers 15:30

Oh, no probation

R Roy 15:33

probation. The jury found Laurie not guilty of murder in late September, but guilty of tampering with physical evidence, which is a third degree felony. And Laura was sentenced to five years

on probation and he could have faced up to 10 years in prison and a \$10,000 Fine.

15:52

Oh, there's gonna be problems about that. problems. People are not happy with that. No, not

Roy 15:59

at all. Laurie told police that he stabbed Zuniga once in the chest with a letter opener in self defense after being ordered by Zuniga to drop his pants and his wallet. deaf and dumb. A Devon a deaf mute guy telling somebody to drop their pants wallet. I don't think so. Now police said Laurie threw the weapon into a trash bin after the July 96 Killing zookas pants were unzipped and his genitals exposed when his body was found at 3am. Once again, and I hate putting it like this. But if you're gay, or if you're Hispanic, and the justice system is in this state, you don't matter at all.

16:49

It can be that way depending on the court and you're used to sounds like that. That da really sucks. And like

M Michelle Meyers 16:59

That's awful. Absolutely. To be kicked

17:01

out. Yeah. I mean, that's just a deaf man ordering you to do something and you have to stop them because they ordered you. Hello. How about saying no and leaving?

M Michelle Meyers 17:17

It just doesn't make any sense.

17:19

No, it doesn't make any sense. It makes it just makes people mad makes me mad. The more we talk about it the matter, I guess.

Roy 17:24

Yeah. So that's why it's important to get out and vote for justices. Because it is a matter of

justice.

17:32

Yeah, it is. Certainly is it? Yeah,

Michelle Meyers 17:36

the most. All these elections, all these positions are very important. It's important the vote, and isn't one of the most critical positions. As rainhill always says, when it comes to your personal life, the thing that you're going to run up against in terms of officials in government

17:58

is judges judges, Justice of the Peace. Yeah, that's,

Michelle Meyers 18:02

that's where you're you're going to rub with government, you're going to some something that affects your life is most of the time is going to be a judge or a justice of the peace. Right. And he's going to not a congressman derived Governor directly, it's gonna affect your life. And so it's most important to vote for judges, the right judges to understand and intelligently make a decision.

Roy 18:28

Now, this is one of the reasons why back in 82, I left West Hollywood, California, because my lover that I had for 11 and a half years whose Hispanic was killed by a drunk driver and that guy got only six months.

18:42

Yeah, it's that kind of crap. Hold on just a minute.

18:48

The sound of Texas KPFT Houston, have a civic radio network station 90.1 FM 89.1k e os College Station,

18:58

and you're listening to actor hours queer radio with attitude. And we're right in the middle of

and you're listening to after hours queer radio with attitude. And we're right in the middle of the after hours news with big Roy and Michelle. I'm Jimmy Carper.

R Roy 19:09

And this is our first time we had a commercial. Well, that's because you

19:13

know, the timing is usually a little bit different. And you

R Roy 19:17

are having a ball here tonight with you, Michelle and talking about balls as a military ball coming up.

M Michelle Meyers 19:22

Oh, yeah, I think I mentioned that a little bit earlier that the military ball is going to be this coming. Sunday, November 8, it's going to run from four to 8pm. And it's going to be sponsored by EPA. EPA is the executive and professional association of Houston. And that those guys, they finally went out and marched in the Pride Parade. I had flashlights and briefcases so they are really professional and they're supporting both the Colt 45 Age Trouble fun and awesome Stephens house, right. And the, the tickets are \$10 and maybe be purchased in advance at Lobos bookstore, or basic brothers or crossroad markets and from any APA members at the door. So that turned out was really gonna go a long way. Oh, yes. And oh, just in case I have, I forgot to tell everybody, the annual event will be held at Rich's nightclub when, next Sunday, November 8, between four and 8pm. Now, just before that, between two and five, the community center, the Lesbian Gay community center of Houston is having its grand opening, hey, hold up, the community is invited, there'll be some speakers, but this is the official opening. They're now open six days a week. Now they're going to have the ribbon ribbon cutting ceremony. that'll that'll be a lot of fun. And definitely you may go into that one. And then the next Sunday also, and that was from two to five. So if you want to go to both you can you can come dressed as a military man. And you can go to the community center, and then you can leave about four o'clock and show up at Rich's

R Roy 21:21

cutting. I do want to say though, that military ball, you do not have to be dressed in military. Well, I've

M Michelle Meyers 21:28

actually been there. I was at one of those at Rich's to Military Bowl. Oh, really? Yeah. But it was for it was later in the evening. And a lot of the people were still there. It was about 930 10

o'clock. And I thought this was a couple of years ago. I thought they were really military.

R Roy 21:49

God well, you don't

M Michelle Meyers 21:51

want to be an army base around here or navy base.

R Roy 21:54

Many of you may have been in the military.

M Michelle Meyers 21:58

Oh, no. They probably weren't. But

R Roy 22:04

well, yes. I will not say well, I will get this clean.

M Michelle Meyers 22:09

And it took me about more than five and less than 10 minutes to figure the whole thing. I was so embarrassed. And so naive. Oh well. Hey, well. Okay, so what's happening with TV monitors and the Wizard of Oz.

R Roy 22:29

Okay, well, let me first mentioned that the for all I am looking forward

o 22:33

to TV Montrose being back I have missed TV Montrose.

R Roy 22:38

Well TV Montrose is going to be back this well, Monday November 9, which is not this Monday, but next month. Again 8pm channel 54 Okay, now this new season Montrose is also going to be shown live at Isle Bar and Grill every Monday night or eat your girl. Also not this coming Monday.

Show live at Ji's Bar and Grill every Monday night or get you girl. Also not this coming Monday. Okay, this is Monday doing? Baba Jaeger is hosting TV, the TV monitors party. Oh, and it's going to be this Monday, November 2, from six to 8pm at

23:13

Baba jaegers. Cool. That's also steak night.

R 23:17

And viewers and friends of TV Montrose are invited to celebrate TV monitors this new season. And to watch a taping of the first show.

23:26

I'm gonna be there, free finger food

R 23:30

and a drawing for TV monitors T shirts. And they're also inviting you to participate in their new public mic, as they're having a public mic segment. And they're gonna invite you to be talking about issues that concern the community. And this will be your chance to let your opinions be known give you a chance to have your 15 minutes of fame. So this is like being in the audience. Now. Reservation. Now this is important, but reservations are required. Oh, wow. So call TV Montrose at 713-523-6302.

24:08

Wow. Is there any requirement? What's that number again?

R 24:12

That's 713 Yeah. 52363020 It says reservations are required. Okay, so get you well, I

24:23

guess because I don't want you know, 5000 people showing up because the restaurant couldn't hold it.

M 24:29

Right. Not enough chairs. One table, right. But it's free.

R Roy 24:36

And long. We're talking about entertainment. Normally, we do not endorse commercial programming and stuff like that. But I do have to say that The Judy Garland version of The Wizard of Oz the original 1930s There's another 139 version of The Wizard of Oz is being rereleased at the movie theaters. It is digitally enhanced and all freshened up and for all of you who have never gotten to see the Wizard of Oz on the big screen that

∅ 25:10

makes a difference.

R Roy 25:11

Oh, I'm telling you plus the news. I am going to go somehow or another I am going to because this is really such a landmark movie,

M Michelle Meyers 25:24

so they re re re re

R Roy 25:28

it was really done originally done. Just enhance the color and they digitally remastered the soundtrack and all this stuff

M Michelle Meyers 25:40

okay

∅ 25:42

oh yeah, that's right the Dark Side of the Moon Have you ever heard about that? Kirk Kazmir

R Roy 25:50

Well, Kurt here Yeah,

∅ 25:52

no, no, no no Kurt. Oh, Kurt. There's this thing about you know, you know the the CD or the record Dark Side of the Moon by Pink Floyd. It's classic. It's a classic. Well, you take the tape of Wizard of Oz and you start it but you turn off the volume and right at which point which point the lion roars right when the lion roars you start the Dark Side of the Moon and I know it well you know who you know who told me that? What you Yeah. And then what happens it just it flows with the movie.

M

Michelle Meyers 26:30

Okay, I'm sorry you're not listening. You're not listening to

Now, I think what we need to do is an on the spot reporting. I mean, there's Jimmy, Jimmy's got his head underneath the nun's habit. Oh, my goodness. I just don't believe it. I mean, look that crosses vibrating. Oh, my God. Yeah. And we're getting pictures of it all.

J Jason 31:41

You know, since we've kind of gone off subject if there's any cute blonde boys out there that want to charge this charm this boy scout out of his uniform, give a call up here?

M Michelle Meyers 31:48

Oh, yeah, we do have we do have a young man and a Boy Scout uniform, which he earned all those badges for real on his own. So not to get left at home. Oh, he actually has more. He has more badges than he even brought with him. Oh, and I see the Blues Brothers. There they are. Well, at least I saw a Blues Brother.

R Roy 32:15

This is live. Ring. Yeah. I

M

Michelle Meyers 32:18

don't know how to do an interview with a microphone that has cables. I know that. This is not it's amazing.

R

Roy 32:28

This is as bad as this just reminded me of this. It reminded me of the on TV, the old Democratic conventions, you know, the Republican convention. Oh, the Cronkite and them all down there with their bag backpacks on their headphones.

M

Michelle Meyers 32:43

I don't know when the balloons and the confetti are gonna fall out of the sky over this.

∅

32:50

They're standing up because they wanted to see me with my head underneath nun's habit. You want to see it again?

M

Michelle Meyers 32:56

Well, I'm sure if we got pictures and we described it to everyone as it was occurring.

R

Roy 33:02

We gave we gave. We gave one here description.

M

Michelle Meyers 33:06

Oh, there we go.

J

Jason 33:09

I need to get out of this room before they get too out of hand.

M

Michelle Meyers 33:12

Yeah, well.

J

Jason 33:15

We have a guest speaker on next week's hatch segment who's dressed as pregnant none tonight, actually.

R

Roy 33:21

Oh my goodness. Mommy bagging

♀

33:25

really was fun.

M

Michelle Meyers 33:30

Somebody's in the other room.

J

Jason 33:32

I'm scared.

R

Roy 33:36

So Jimmy is obviously John. Jimmy here is treating his trick.

♀

33:41

Yes. This is three hours of her life. You know whether we have straight folks with us or not. And we just had a crew of four or five straight folks here. Dress really greatly. Oh, it was really great. So cute. Boy, that wasn't clear. From the back room? Yeah, we've got some stuff coming from the production room too.

J

Jason 34:06

I've got a question. Yeah. Why are they called tricks and not treats? I always thought it was more of a

♀

34:13

treat. Certainly is. Well, I was still doing the news. What's going on?

 Roy 34:19

Why this happy Halloween is in May none of your weenies be hollow. Maybe I'll be Greenfield. Ah, Jimmy, your segment was your part was next on the news. And you just shot it. Oh, I was busy. Yes. segment has turned into the Titanic. We do it all know.

 Michelle Meyers 34:37

Well, everything but everything on the names. Age thing.

 34:42

Oh, okay.

 Roy 34:44

No, no, no, no. That was the what the testing.

 34:48

Yeah, the testing thing we're gonna do, but I want to also tell people that God Tada. Sunday, Sunday, Sunday, November 8, which is not like today. It's like you Next week, yes. from two to 6pm Where should you be?

 Michelle Meyers 35:04

You should be at the lesbian and gay community center. 803. Hawthorne for the grand opening ribbon cutting ceremony. That's right. The community centers right.

 35:15

Ooh, some jewelry talk about that. Yeah, yes. Sorry.

 Roy 35:21

Jimmy, you are. You are preoccupied.

 Michelle Meyers 35:24

Let's see what else you've got there.

J

Jason 35:29

He's distracted again. Oh, boy. And

M

Michelle Meyers 35:37

he is he just falls in love. So

J

Jason 35:42

it's Halloween, and that's why Jimmy can't stick to one thing right.

M

Michelle Meyers 35:46

Now he has to go back. Get back into the habit.

R

Roy 35:51

Did hacks do anything for Halloween? Not really. You didn't?

M

Michelle Meyers 35:59

Well, I mean, Jason. Well, I well. I'm talking about

J

Jason 36:04

the group. Last night at the meeting. I think. I heard I was busy last night. But I heard they had a minister of some sort come and speak. I don't believe they had a party this year.

M

Michelle Meyers 36:19

But say you were busy. You've you've fallen in love again.

J

Jason 36:21

Oh, no, I wish here lately I've been meeting boys from out of town. I met a boy from Waco last week and then

...

...

...

MICHELLE MEYERS 36:30

we checked by the week before last

Jason 36:31

and then last week, I met a cute boy up in Austin, who was doing splits on the barstools doing like the John Claude Van Damme thing where his legs were 180 degrees. Oh, you're kidding. You know, you know, the first thought that ran through my head is you know, that's got to be fun in bed.

MICHELLE MEYERS 36:47

I know that. Oh, yes. The

Jason 36:51

second phrase out of his mouth was I noticed you have a tongue ring. Would you mind if I kissed you? I had a great time in Austin.

Roy 36:58

You had a gay old time and I had a gay

Jason 37:00

old time in Austin. I got up to our lake house around. I went with a friend and we drove my lake house was about 50 miles north of Austin. And we got to the lake house around eight o'clock in the morning. We had gone clubbing all night and stumbled into the lake house around eight o'clock in the morning.

Roy 37:17

Oh my goodness,

Jason 37:18

I had originally gone up there to look at the marketing program at UT. But I ended up sleeping the day away.

MICHELLE MEYERS 37:23

Well, that's why you go and visit these things several times. Exactly. That's why

J

Jason 37:29

I'm thinking I might have to plan a trip again this week. Yeah, fine. Just to make sure it's the school I want to go to. Oh, of

M

Michelle Meyers 37:36

course, of course. I think you have to go to some of these schools three or four times to really know whether or not that's where you want to pay. Oh, yeah. And then eventually, you should also get some of the information from the school.

J

Jason 37:49

Well, it was great to be fresh meat once again. What we're what we're talking we were talking about Austin.

R

Roy 37:56

Jason, if your trip to Austin may have been good wracking time, it was nowhere near as gay old time is when I went to the Catholic boarding prep. years ago.

J

Jason 38:11

Well, when you offer all the little boys candy, I mean, what do you think?

R

Roy 38:15

I was voted one of the 10 best students in school. My grades are seeds. These

J

Jason 38:21

you know, Rory could just borrow rainbows ban tape lollipops to the side and drive by the school and you get plenty of boyfriends.

o

38:29

Oh, I've got stocking up on Milky Way's

J

Jason 38:37

JASON: 100%

now, the comments I could have just made are endless. And I'm just gonna leave the listeners out there can fill in the blank.

M

Michelle Meyers 38:45

Okay, so we want to get back on the

♂

38:50

the men's network? Ah, November 10 1988 1998. That's Tuesday. Yeah.

R

Roy 39:00

Is this just for men or people who want to be men or no boys who think they're men.

♂

39:05

Now this is men's network. This is for men's issues. Okay, okay. And then it's over at the Montrose community now, Counseling Center at 701. Richmond, and on over November 10. This is this has got to be a good one. It's called the condom code sucks. Now safer sex is supposed to be what we're all doing all the time. If we're having sex that is, this is an opportunity to meet with other gay and bisexual men to discuss the barriers to safer sex. These range from inability to communicate openly and comfortably about what we want sexually to fear of rejection. All gay and bisexual men are invited to take advantage of this opportunity to talk about how our sex, our relationships and our law lives had been affected by HIV AIDS and the condom code. And that's very important because in the age of bear backing, we need to reaffirm what's going on here and re establish establish re establish or re establish. Establish

R

Roy 40:18

Jimmy, you have so much in your mouth tonight.

♂

40:21

And condoms because they can go together. Do you know?

J

Jason 40:25

Are you good? Similar? And I think absolutely every question that people who can't communicate in bed in the bedroom to start off with condoms. How are you going to communicate like a little bit to the left a little to the right, exactly. If you can't do that, if you can't communicate, you're not gonna have good sight.

40:40

You're not You're not you got to tell them. But now if you need a bone check

Roy 40:53

Oh, the back room is love it.

40:57

Those Beaumont boys and there's some hot Beaumont boys. free HIV testing is going on at 2524 Broadway in Beaumont. And that's Monday through Friday, nine to five. Now also open five to eight on Thursdays that's free, free free HIV testing and get in while you can folks, because we've got that that hateful name thing coming around where it's not gonna be anonymous anymore. So get in there and get tested now

J Jason 41:36

41:37

It's gonna.

M Michelle Meyers 41:38

It's been it's a executor type order out of the Texas Department of Health.

41:44

So get in there now for that free testing free anonymous testing. We are very fortunate to be one of the few states that have an autonomous testing and we're losing it we're gonna lose it soon. So find out now is this

J Jason 41:59

hurting? Excuse me? Is this hurt out in Beaumont? Oh, yes.

Roy 42:04

I get call from Beaumont all the time. Well, you know,

J

Jason 42:06

And I think it's every two weeks, maybe every three weeks? Yeah, find out. I used to always go and get tested there. And I've noticed that either AIDS Foundation Houston or Montrose clinic has started to go to Riches on on more occasions.

o

42:30

Yeah. And they also have the tubs when it goes to the tubs for testing the mind
