And I've noticed that either AIDS Foundation Houston or Montrose clinic has started to go to Rich's on on Yeah, or occasion. Yeah. And they also have the tubs. Yeah, when

00:13

it goes to the tubs for testing,

00:16

the Montrose clinic has a regular schedule of places like, which is BRB process like that where they travel around and so Tuesday night it's someplace and then Wednesday night it's someplace else and Thursday night someplace

00:33

where we're still doing the news.

00:35

You read whatever you want to do. Oh, okay.

00:38

No, I wanted to talk. I had some things. Yeah, I have the 10 top reasons why trick or treating is better than sex. That's possible. I know. It really seems that way. Well, number 10.

 Jason 00:52
What kind of trick or treating? Are we talking about?

 Roy 00:55
Treating the tricks this

 00:57
going out and getting that candy?

 01:00
So what's number 10?

 01:02
This is the 10 top reasons why trick or treating is better than sex. Because you're guaranteed to get at least a little something in the sack. Okay, number nine. If you get tired, wait 10 minutes and go at it again. Well,

 Jason 01:17
I'm only 20 sets. You can do that. I know. I know. For you. It's 10 days.

 01:22
Thank you. So number eight. Here's a good one a reason. The uglier you look the easier it is to get some

 Jason 01:34
I saw a button that said the ugly there alcohol was invented so ugly people could get laid today.

 01:40
Number seven. You don't have to compliment the person who gave you candy. Number six. The person giving you candy doesn't fantasize you're someone else.

 Jason 01:54
I'm just waiting to hear that you don't have to cook the person cooking or making candy.

 01:58
Oh, wait a minute. Wait a minute. No. Really. Number five. If you get a stomachache, it won't last nine months. Well, that's for those straight folks. Okay, well, we need something for straight folks. Yes, we

 02:12
have had a

 02:13
bunch of break last year and it's really cute, but he was straight. Oh, well.

 Roy 02:19
Then it was stopped. For

 02:23
if you were your Batman mask, no one thinks you're kinky. Okay, three, it doesn't matter if the kids hear you moaning and groaning. Guys. I'm loving. Thank you, Caitlin.

 02:44
We're down to number two.

 02:47
There's less guilt the next morning. I've never felt

 02:51
really if you're on a diet

Jason 02:55

when you weigh 10 pounds more after eating all that chocolate.

02:59

And the number one reason trick or treating is better than sex. If you don't get what you want. You can always go next door

03:13

No, thank you. That's a sound on the net. Now. You're getting these like all the time. Well, I

03:19

remember. I've noticed

Jason 03:21

you're on the net a lot. Now. I never can ever call this man anymore because the phone lines always busy.

03:27

This time I know. And that

03:29

that email address a Merlin is Jim Carper. One word@aol.com. Or if you want to get fancy, and this is my fancy address after hours. jimmy@angelic.com. That's my fancy

03:50

saying you have to mailboxes. Yep. Yep, cool.

Jason 03:54

I have no email I need to get I need to get into the 90s when I was in college, and it was free. I had an email now I don't have email.

Rev 04:00

 Roy 04:00

Wow. Well, that's all we have folks for this week's edition of hours new

 04:05

edition of the news. Boy I just had. This is a great joke. This is just a great joke. I have to tell it. Okay, go ahead. High tech bar, high tech guy walks into a bar and sits down and it's a really crummy bar in a really tough neighborhood. So he starts dialing numbers like there's a telephone in his hand, then puts his palm up against his cheek and begins talking. Well suspicious, the bartender walks over and tells him hey, you know, this is a really tough neighborhood. And he doesn't I don't want any trouble here. The guy replies you don't understand. I'm very high tech. I had a phone installed in my hand. Because I was tired of carrying the cellular. The bartender's out Yeah, right. So Wait a minute, the guy dials up a number and hands his hand to the bartender. The bartender talks into the hand and carries on the conversation. That's incredible, says the bartender. I would never have believed it. Yes, as the guy, I can keep in touch with my broker, my wife, you name it. By the way, where's the men's room? The bartender directed him and he goes off to the men's room. Well, the guy goes in and 510 20 minutes go by, and he doesn't return. Fearing the worst, given the neighborhood. The bartender goes into the men's room to check on the guy. When he walks in, the guy is facing the wall up against that spreadeagled. His pants are pulled down. He has a roll of toilet paper up his butt. Oh, my God says the bartender. Did they rob you? Are you hurt? The guy turns around and says, Oh no, I'm okay. I'm just waiting for a fax.

 Roy 06:03

Oh, oh, that's That's it.

 06:09

Thank you. worked hard on that one.

 06:14

Then you did it very well. You could have done it on TV with all the gestures. Oh, yeah, I was on articulation and everything else. I mean, this was just made for video. We're gonna have to bring video in.

 Jason 06:26

We should bring your camera in here one night and record. And then so it was hey, yeah,

 06:31

nobody would know we should

Jason 06:37

they only saw us in person. Well, so I'm glad.

06:41

What some people did. Now. We're gonna get back to the music. We have 20

06:47

minutes to go downtown. Live with Neil by the conventions. How

06:51

am I hold on here?

06:52

What's happening down there?

06:54

This is this is Neil coming to you from down by the convention center where the new stadium is being built or obviously their kickoff at a theatrical I don't know performance in the playoffs. What was left to the new stadium. Oh my God. They took about a few months to put this up in these. These monitors have taken seconds to destroy this trying to come back. Where do we park? Where do we park this crap? It's gonna suck

07:21

When will this end? That's not just the loss of a good news, Ben but a close personal friend of mine. Oh, well, I

07:28

just testing the levels here. Oh, no, I think we're going to have an we're going to have an interview with the aliens here.

07:34

Well, yeah. Go ahead, set it up away.

07:37

I'm gonna go over to the side where left field used to be

07:40

a rubble or what appears to be Rubble. And we're going to go over there and have an interview with these these alien creatures. All right,

07:46

Neil will now attempt to talk baseball with the aliens.

07:52

Okay, how do I look on

07:57

now we're here with the you are the alien creature and then you've come to us.

08:04

If I could ask you one question. What do you think we down about the Microsoft trial and go gates monopoly?

08:20

I think a baseball question would have been better.

Roy 08:27

Oh, my goodness. Oh, gosh,

08:30

the aliens you know, well, it's Halloween, folks.

08:34

Do we do a station identification?

08:36
