so happy that Arlen Specter stood up. George W. Bush pleased me. I'm getting more and more respect for Arlen Specter as it goes on. He keeps saying no, we're gonna do this right. And it's making me happy. And he's pro choice I would have I would have no one else in charge of the judicial committee.

Harris votes dot Harris. HC voter.net And also I will remind everyone there's a lesbian running for city council. Her name is Su level she's running for city council at large position to and I will say this, the straight community the conservative community will be looking at SU levels race, as well as prop two in the city of Houston. And if the gay community can't turn out to Alexiou level and they can't turn out to vote no on Proposition two, they will put someone a strong conservative up against a nice Parker when she runs for mayor. So if you want a nice to be mayor, go out and vote now in these elections.
