S

Speaker 2 00:01

You come out with us some time. We're going to take one more phone call before we go to a song. And after that if we have a couple more calls we might take them at 526-KPFT, 5265738. Caller? Hello?

S

Speaker 3 00:19

Hello. Hello. Give them the breathalyzer, give 'em a breathalyzer test.

S

Speaker 2 00:27

Are you there? I'm hearing nothing.

S

Speaker 3 00:32

I'm hearing nothing.

S

Speaker 2 00:33

I'm hearing nothing either. I'm hearing crackling noises. Howard, what's going on in your underwear?

S

Speaker 3 00:39

That was like my Froot Loops.

S

Speaker 2 00:40

I tell you. Eight inches soft. Hmm. You know, I saw this great film. Remember that great movie we saw the other day?

S

Speaker 3 00:49

Jeff Stryker?

S

Speaker 2 00:51

No, Mrs. Doubtfire. It was Robin Williams, Harvey Fierstein. So and what a camp. I saw another film the other day. The, this film you've got to see. Remember that, until now, I thought Torch Song Trilogy the greatest gay film right? The greatest.

S

Speaker 3 01:10

I thought Cruising was.

S

Speaker 2 01:12

Just because that's what you like to do. I went and saw Farewell, My Concubine, which is playing at the River Oaks 3. This is the finest gay film I've ever seen.

S

Speaker 3 01:22

What's concubine?

S

Speaker 2 01:22

It left me breathless. It's kind of like a princess to a king or like a queen to a king kind of relationship. I don't know. But anyway, it's really good. So in the spirit of gay movies, I thought I'd throw in a little Harvey Fierstein.

S

Speaker 3 01:42

Go West.

S

Speaker 2 01:43

No, we're not gonna do- no, we're not going to do Go West. We're gonna do Harvey Fierstein and crew doing Dames and after this, we'll come back and take some more your phone calls at 526-573-8526 KPFT. It's your show tonight. We'll talk about whatever you want.

S

Speaker 3 03:03

Only on late nights KPFT. Houston

S

Speaker 2 03:10

Why don't we play that again?

S

Speaker 4 03:11

Hey, I want to I just want to say hello to someone. Can I? Yes. Hey, Chris. I know you're out there. You just called you wonderful beast. You animal calling me to say that. How could I give up a night the Ripcord?

S

Speaker 2 03:23

Who was that Chris Bacon?

S

Speaker 4 03:24

No, that's not Chris Bacon a friend of mine, Chris from the Ripcord. You animal.

S

Speaker 2 03:28

It could have been Chris Bacon, you know, of course. Wait. No, it couldn't have been it's 2:30. He's at the Ripcord. I'm sorry.

S

Speaker 3 03:34

How can you girl?

S

Speaker 2 03:36

Because I'm here with you girl.

S

Speaker 4 03:38

Oh Chris. What the hell you doing sit at home?

 Speaker 2 03:41

It's the first three weeks of December. it's the worst. It's the very last one. What? Yeah, it's the first week of December. It's are, the first three weeks of December are like the slowest weeks.

 Speaker 4 03:54

I think it's just not warm. And it's not cool enough yet. People just aren't staying home yet.

 Speaker 2 03:59

I mean, if you had to save your pennies,

 Speaker 4 04:02

I know for Christmas. Where you going for Christmas, Scott?

 Speaker 2 04:05

Oh, I'm in Dallas.

 Speaker 4 04:06

I'm going to I'm going to Miami. Did I tell ya?

 Speaker 2 04:08

Yeah.

 Speaker 4 04:10

All Jews go to Miami in wintertime. I'm heading down baby. And what? Why would you go to Hawaii?

 Speaker 2 04:19

You're going to Hawaii for Christmas?

S

Speaker 3 04:20

So far away?

S

Speaker 4 04:21

Because that's where my Jewish lover is taking me. Oh, happy birthday.

S

Speaker 2 04:27

Let's take a couple more phone calls. And we have some song dedications to do.

S

Speaker 3 04:32

I love calls don't you?

S

Speaker 2 04:33

I do too.

S

Speaker 4 04:34

Gay Houston, you're alive tonight. We love you. We love you.

S

Speaker 2 04:37

Let's try six. Okay. Hello. Oh, I gotta turn them on. Hello, caller. Hello. Hello. Hi. Who's this?

S

Speaker 13 04:50

This is Mike.

S

Speaker 2 04:52

Mike?

S

Speaker 13 04:52

Yeah, I'm a white Christian. I'm straight. I was wondering about--

**S** Speaker 3 04:58

So are my parents. So are my parents.

**S** Speaker 2 05:01

Yeah, my parents were too.

**S** Speaker 13 05:04

I just had a question. Earlier you stated that there are homosexual Christians.

**S** Speaker 2 05:12

Right.

**S** Speaker 13 05:14

In the Christian bible, it's states that all, I don't want it to show to be put--

**S** Speaker 4 05:18

--that all gay people commit sodomy.

**S** Speaker 2 05:20

That's right. Well, we're gonna, we're gonna let you go and we'll answer that question on the air if you want to listen to your radio. Okay, thanks for calling. Brings up a good question that I really don't want to get into here. But Christianity, Christian is derived from the word Christ. Christ is the, well, if you're preachers preaching the gospel of Christ is your Lord and Savior, and if you want to go through the New Testament, Christ never once preached against homosexuality. Christ never said it was wrong. There'll be a lot of other people who preach through the Bible that it was bad or wrong. I think Paul did. Paul was also a rapist, among other things, so I don't give a whole lot of credence or credit to what he had to say to the Corinthians. But or the Ro--I think it's the Romans Romans won 25 to 39 I think where he preaches against it. So you know, your your preacher will probably also tell you that interracial marriage is bad. Moses was married to an Ethiopian and black woman, you know, the Bible tells you to build your church in seven days. Only Jehovah's Witnesses do that. It says don't eat pork. It says not to cut your hair. For a woman. It says something about makeup also the all these things? How did they go through and say, Okay, this page we're gonna believe in, this page will enforce. But let's skip the next three, and then believe the following four. So I don't understand that ideology.

S

Speaker 4 06:53

And to all you Christians, you have to believe also that adultery is a sin and adultery, you will go to hell according to the big 10.

S

Speaker 2 07:01

And let me let me just will end the whole Christianity thing on this note, because I don't want to get into the Christianity thing. But the Bible says, And this is what it's all about right here. This is the one quote that you've heard more than anything that we all have embedded in our brain. If you've ever been in a church, you've heard this bottom line. John 3:16, for He so loved the world, that He gave His only begotten Son, for that whosoever believeth in him should not perish but have everlasting life. Didn't say whosoever white, whosoever straight, whosoever male whosoever, Jesse Helms, just who so ever Honey, I'm part of whosoever I believe in him and I'll see you in heaven. Let's take another phone call.

S

Speaker 4 07:45

Hey, I believe in Jesus Christ to Mona.

S

Speaker 2 07:47

Let's take eight. Hi. Are you there? Hello.

S

Speaker 14 07:53

Hello.

S

Speaker 2 07:54

Hi. The Pasadena man.

S

Speaker 4 07:58

Is that in California?

S

Speaker 2 07:59

No. Are you there?

S

Speaker 14 08:01

Hello.

S

Speaker 2 08:02

Hi. Can you hear me?

S

Speaker 14 08:04

No.

S

Speaker 4 08:05

We can hear you.

S

Speaker 2 08:06

The how are you answering my question. Now?

S

Speaker 14 08:08

I have my radio on.

S

Speaker 2 08:09

No, I can't hear you. But I heard what you're asking. No, I have the radio on.

S

Speaker 3 08:14

Well, turn the radio off because that's a three second delay.

S

Speaker 2 08:17

Is it now? There's no delay. Is there. Oh, there is, there's FCC rules. Anyway, so outing youth. Were you outed? You go to school in Pasadena?

S

Speaker 14 08:26

Yes I do.

S

Speaker 2 08:27

Where do you go to school? It? Oh, well. You don't have to tell us that. You gotta like high school? Middle school?

S

Speaker 14 08:31

High school.

S

Speaker 2 08:32

High school in Pasadena. Oh, god. What's it like?

S

Speaker 4 08:38

Do they still have wooden desk and pens with ink wells?

S

Speaker 2 08:41

No, that was when you went. He went to school. Ben Franklin was his teacher right before he opened the supermarket. He doesn't know anything. Were you outed at school?

S

Speaker 14 08:52

Yeah.

S

Speaker 2 08:53

What grade are you in? I'm a junior. Oh, God. Do you remember that year, Howard? Is that going back too far?

S

Speaker 4 08:58

There are only 42 states.

S

Speaker 2 09:02

I remember my junior-- so you were outed?

S

Speaker 14 09:04

Yes, I was.

S

Speaker 2 09:05

What happened?

S

Speaker 14 09:06

Well, like I told a couple people that I thought would handle it pretty well. And they handled it pretty. They handled it great. But they just decided to tell other people. And it got around to the people who wouldn't handle it as well. And it kind of got out of hand.

S

Speaker 4 09:23

First of all you have to understand and puberty you handle nothing well.

S

Speaker 2 09:27

How old are you?

S

Speaker 14 09:29

I'm 17.

S

Speaker 2 09:29

Okay. So your junior, you're in the middle of your junior year now. Right. So you have another year and a half of school to go? Yeah. Oh, the worst. So you know what I did? Do you get harassed at all?

S

Speaker 14 09:43

No, because I mean, I'm known throughout the school and people really liked me even though the people that know who I am and what I am, they handled it really well except for the people who don't know me.

S

Speaker 3 10:00

First of all get over the myth that people should dislike you because of your sexuality. Get over that myth and rejoice in the fact that you can be yourself.

S

Speaker 14 10:09

Oh, I don't bother with those people.

S

Speaker 3 10:10

Great, great. You're over the first hurdle, my friend. Go ahead.

S

Speaker 14 10:17

I've started a group at school. They have different counseling groups called Start, taking a right turn, right. I put in a form for a gay and lesbian group and I got so many people to sign up.

S

Speaker 2 10:32

You go.

S

Speaker 14 10:34

I got about 15 people in our, our first meeting is next week.

S

Speaker 2 10:38

You know, some exciting news. Did you read in the paper this week that Massachusetts Governor William Weld signed into law that it is illegal? This is the first state that has done this. It is illegal to discriminate against gay and lesbian youth in the school.

S

Speaker 14 11:01

Maybe my school should find out about that.

S

Speaker 2 11:03

I don't think it's going to happen yet in Texas.

S

Speaker 14 11:06

Three second delay there too.

S

Speaker 3 11:09

Just think you are on the the turning point. You can't go back anymore.

S

Speaker 2 11:15

How, you're 17 How long? When did you come to the realization that you were ready to start dealing or going through the process of knowing that you were gay?

S

Speaker 14 11:28

Well, as long as I can remember that I've known that I was gay.

S

Speaker 3 11:32

Since birth. Right? Good. Good.

S

Speaker 2 11:34

But when did you start dealing with it as like as an--

S

Speaker 14 11:37

About my freshman year?

S

Speaker 2 11:39

And have you told your parents?

S

Speaker 14 11:40

No. They're not ready yet.

S

Speaker 2 11:43

No. Please, they never are.

S

Speaker 3 11:47

They pay the bills. Don't tell them.

S

Speaker 2 11:48

Don't tell them yet. They pay their rent, the electric, keep your mouth shut. Educate them.

S

Speaker 3 11:56

Educate them, though in subtle ways. I think that's really important that is young gay and lesbians we should do because you sound like you have such a grip on yourself. And I would have only wished at my age. I would have that same grip.

S

Speaker 2 12:09

Please you did Howard. It was called masturbation, please.

S

Speaker 14 12:14

I didn't hear that.

S

Speaker 4 12:16

I wasn't ashamed of that either.

S

Speaker 2 12:20

So are your parents pretty conservative, living in Pasadena, I guess.

S

Speaker 14 12:24

Pretty much.

S

Speaker 2 12:26

Oh, my ex husband lives in Pasadena. He hasn't told his parents either.

S

Speaker 14 12:35

But um like, my OUT magazine comes and my Advocate comes.

 Speaker 2 12:41

You subscribe to OUT and to Advocate?

 Speaker 14 12:44

Yes.

 Speaker 2 12:44

You go girl.

 Speaker 3 12:46

Your parents know.

 Speaker 14 12:47

My dad is kind of in the dark he thinks out is like a fashion magazine.

 Speaker 2 12:52

Like details or something. Yeah, it is fashionable.

 Speaker 4 12:56

To get his political, more power to you. You're solid, you're good. You're good head on your shoulders. You don't need to do stay in school and study and go places because you might be the next gay leader in this state. And we're counting on you.

 Speaker 14 13:09

Well, thanks a lot.

 Speaker 3 13:10

We're counting on you.

 Speaker 2 13:11

Oh, how something to be. This is what it's all about. Right? So this is why I do this show. I got

these kids right here.

 Speaker 14 13:19

I got a lot of my strength from HATCH.

 Speaker 2 13:21

Did good. Great organization. Great. Alright, thank you so much for calling.

 Speaker 4 13:27

I only hope that this radio station in this show has has had some kind of influence on you and in a positive way. Because that's why we're here. And in the long run. That's why you're going to be here after we go.

 Speaker 2 13:41

Thanks so much for calling.

 Speaker 14 13:42

Thank you.

 Speaker 2 13:43

You know, that is why I do this show every week is for that kid. And for the kid that I was five years ago when I was 17. Five. Yes., I was 17 Five years ago queen, you old hateful cow.

 Speaker 3 13:55

Me too.

 Speaker 2 13:57

Five years ago when I was 17 listening to this show under a pillow and not you know, scared today.

 Speaker 3 14:04

You were still reading a penthouse under that pillow. Oh man. You look like Cindy Crawford. I'm

going to do we've got more phone calls to take but I'm going to do some songs. There's another young man that called in and he is also what I do this show about. He called in and I might be off base but he wanted to hear the song we're getting ready to play and I asked him what his name was and he kind of stammered and stuttered a little bit and then spit out Jake. So this is for Jake. I don't really know that Jake is his real name, but I think he might be a lot in the same boat with the young man that we just talked to live in at home young and in the closet, but that's why I'm here every week and every show that I do is for you guys, for the people that I was 17 years old and scared to death and no it's not Go West. It's something so Something Inside So Strong by The Flirtations. This is for Jake. Oh, that was good, Howard. That was for Jake. And we're gonna take we're gonna breeze through these phone calls real quick because we're getting down on time we are just had, I've had so much fun tonight, Howard. Listen, I have never penetrated a woman in my life. So it is unlikely to be me. You know, he could have used my quote my quote is, I haven't seen the inside of a woman's legs since birth.

 Speaker 4 15:38

Would you steal that from Mona?

 Speaker 2 15:40

Boy George, who is openly gay, was quoted as saying this when denying a court, at a court hearing in London, a woman's claim, a US woman's claim that he is the father of her seven year old son. I've never penetrated a woman in my life. So it is unlikely to be me. Can you imagine? Line six. Let's go real quick. This phone calls real quick. Hi. Are you there? I guess if I put my headphones on, I might be able to hear him.

 Speaker 3 16:09

I haven't heard him yet.

 Speaker 2 16:11

Hi. Are you there? Caller Are you there? Hi. Caller you're on the caller go ahead caller. Let's go to seven what a seven. Hi, caller. Are you there? Let's go to eight.

 Speaker 3 16:27

Oh, let's go to eight.

 Speaker 2 16:29

Hi. Hi. Caller Are you there?

S

Speaker 15 16:31

Hello.

S

Speaker 2 16:31

Hi. Who's this? Who's this?

S

Speaker 15 16:35

This is Elizabeth.

S

Speaker 2 16:36

Hi, Elizabeth. You're on the air.

S

Speaker 15 16:38

Hi. Um, I was just like calling to contribute my two little bits here. I'm like a bicycle youth.

S

Speaker 2 16:43

Oh, yay. How youth?

S

Speaker 15 16:45

Oh, I'm fine. I can't like--

S

Speaker 2 16:49

No, I said, how youth? She thought I had a southern drawl. How youth? How old are you hon?

S

Speaker 15 17:00

Fifteen.

S

Speaker 2 17:01

Well, you go. I am so glad hearing from all these young people tonight recruit recruit.

S

Speaker 3 17:07

Do you have driver's license? You have a driver's license?

S

Speaker 15 17:11

No.

S

Speaker 3 17:11

Do you have a paper route?

S

Speaker 15 17:13

No.

S

Speaker 3 17:14

Do they have still have home, Home Economics in school?

S

Speaker 2 17:20

Is your school still a one room log cabin? That's his next question. You know, when you deal with old people, it's just not the same. So what's on your mind tonight, Elizabeth?

S

Speaker 15 17:29

Oh, well, you know, I was just listening and thinking about like how difficult it is especially being like you know female, A lot of discrimination because okay, there are a lot of like openly gay guys at our school.

S

Speaker 3 17:42

You're in high school right?

S

Speaker 15 17:44

Yeah.

 Speaker 3 17:44

What High School?

 Speaker 15 17:45

Clear Creek.

 Speaker 3 17:47

What Creek?

 Speaker 15 17:48

Clear.

 Speaker 3 17:49

Clear Creek.

 Speaker 2 17:50

Is that like in Clear Lake?

 Speaker 15 17:51

Like in League City.

 Speaker 3 17:52

League City. Oh, girl, Elizabeth, how do you do it?

 Speaker 15 17:55

It's not easy. And I mean, it's like it's an okay thing for them. No one really says anything. But if anyone says anything you know about like, females. It's like, oh, God, that's disgusting. You know? And there's like, nothing to do down here. We have to hang on at the Atrium.

 Speaker 3 18:13

The Atrium, in Montrose?

 Speaker 15 18:16

Yeah.

 Speaker 3 18:17

Oh, have your head examined. Call us. We'll take you out.

 Speaker 2 18:20

Yeah, go out with us. You know, the Atrium is moving next door to my apartment building.

 Speaker 15 18:25

Oh, scary.

 Speaker 3 18:27

Okay. You're wonderful. Keep going. Because what happens is that is that things are gonna get better number one and number two. Like I said, You are so have you are so far advanced. Many years than other people. Lesbians do have a harder in especially in that situation because you're dealing with puberty, adolescence. You're dealing with all those hormones raging and going on and no one knows what's going on. It doesn't get better until you're about 27. Believe or not, whether you're straight or gay. Okay, but--

 Speaker 15 18:57

There's one more thing. Have you all heard about the Tom Cruise being in the Interview with the Vampire movie? And how he had the script adjusted?

 Speaker 2 19:12

Anne Rice is furious about it too. But there's nothing I don't think she can--

 Speaker 3 19:16

--she can do. She's been, she's just just her being vocal about it is enough. Yes.

 Speaker 15 19:20

I was just so mad. My friend says I should be a little activist. I was like, Yeah, my parents would love that.

 Speaker 3 19:25

Do your parents know?

 Speaker 15 19:26

I'm like hiding in the kitchen.

 Speaker 2 19:29

Oh, God bless you, Elizabeth. Oh, God bless you.

 Speaker 3 19:32

Yeah, you are the next one.

 Speaker 2 19:34

You're the future.

 Speaker 3 19:35

Yes, we love you.

 Speaker 2 19:36

Be strong.

 Speaker 15 19:37

And also I think you should play Go West again.

 Speaker 2 19:40

Okay, we're gonna play Go West.

S Speaker 15 19:43

I recorded it but I accidentally hit record again. I messed it up.

S Speaker 2 19:46

We have gotten several phone calls. Elmo called a little while ago we're gonna play her friggin song.

S Speaker 3 19:51

Love go west.

S Speaker 2 19:52

Thanks, Elizabeth. You take care of we love you. Let's go down to that next blinking line down there. I believe that's nine. We have to give credit to our wonderful wonderful. Wait til I'm finished talking queen. We had to give credit to our phone button. Our button pusher. She is in there. Look at those long fingers. She's pushing my buttons with. Anthony Rios down here pushing our buttons. Yeah. Tony. Caller Are you there? Poor Queen's insulted now I read her. She's probably not gonna talk to you. Hello. Hi. Who's this?

S Speaker 16 20:28

Hello.

S Speaker 2 20:28

Hello. Can you hear me? Papa, can you hear me?

S Speaker 16 20:33

I don't know. Which line is this, my line?

S Speaker 2 20:35

Yeah, you're on. Okay. Can you see me?

S Speaker 16 20:40

Okay. Hi, my name is Eric. And I'm 24.

S

Speaker 2 20:42

Hi, Eric.

S

Speaker 16 20:43

And I definitely want to meet you guys.

S

Speaker 3 20:46

I'm Howard, I'm 24.

S

Speaker 16 20:49

I heard you telling this guy earlier about meeting you guys at one of the bars or whatever. It is difficult to meet people in bars. I don't know if it has anything really to do with the part of town they live in or whatnot. But it really is difficult to get people to talk.

S

Speaker 3 21:04

It's difficult in straight bars is difficult and gay bars, it's difficult in grocery stores.

S

Speaker 2 21:08

Only place it's easy as in Howard's bedroom. He never shuts up.

S

Speaker 3 21:14

You animal.

S

Speaker 16 21:15

But no, you know, in order to foster that sense of community, it seems likely you know, should be able to bond a little bit better or--

S

Speaker 3 21:23

Well, we put too much emphasis on meeting people in bars when there's a whole life out there beyond that.

 Speaker 16 21:28

Where else do you meet people other than bars?

 Speaker 3 21:31

Of course we do. Oh, you meet us right now we're talking to each other right now. We've met not in a bar, haven't we?

 Speaker 2 21:37

I think we've got a I think we've got some going here. I think we need to throw a big after hours bar party. We do.

 Speaker 16 21:43

That sounds like a great idea.

 Speaker 3 21:44

No, with no alcohol. Maybe Maybe, maybe not. So we can invite all our friends who out there are under 18 under under 21. And just get together have a big ol meeting.

 Speaker 16 21:47

There you go. That's great.

 Speaker 3 21:48

If K104 can do it. Hey, we can, too.

 Speaker 2 21:58

That's right. You hold on well, we'll talk to you in a minute. See about arranging a going out with us. Okay, hold on. Okay, bye. Bye. Bye. Put him, put her on hold and go to, what's that six?
