 Kirk Keevert 00:09

were you talking about?

 Jimmy Carper 00:11

I have thank you do do you I have thank yous. Yes. Carol, Carol called up at the end of last week's show. Yeah. And said, Can you play Happy birthday by the Beatles for my husband? But we got on there, we talked about it, you know, it's got kind of cool. Somebody's having a birthday and all of that. And here's a straight couple who are listening to the show, which I think is pretty damn cool. Not as for and so Carol called back and pledged money to after hours. Thank you, Carrie. I think that's really great. And of course, Paul, thank you, Paul. Paul is here. Every

 Jason 00:52

harvest he's here more often than I do,

 00:56

to support after hours. Baba anonymous, gave us cash, which was pretty damn cool. Baba Anonymous. Anonymous. Well, and I also want to say

Kirk Keevert 01:11

that Thank you, Paul.

Jimmy Carper 01:14

Jack velinski. Who is the potential motion picture Institute? Oh, no, no, no, no, no, no, no, that's sorry. That's Atlanta. Yeah, yeah. This is Jack velinski. Who's the producer of lesbian and gay voices? Yes. Which is heard every Friday night at eight o'clock right here on KPFT. Houston, aka er West College Station. Well, actually, it isn't heard on K EOS College Station. Just ke it just nevermind. Jack has pledged \$90 to after hours. Well, thank

Kirk Keevert 01:50

you. Wow.

01:51

I you know, I just I'm speechless over that, of course. And I

Jason 01:55

You do realize he expects you to pledge this out to gay and lesbian voices. Well,

Kirk Keevert 02:02

I I don't think that that's

02:06

it. Well, sorry. But it's over by by Wednesday. So anyway, no, I'm just, I'm just know that that's part of the show's working together here. And we do work together.

Jason 02:18

Should we throw the number? Yeah.

02:21

And if you out there, we'd like to park with a few bucks. The number to call is

J

Jason 02:28

713526 KPFT. That's 713-526-5738. What does that money do? That money goes to keep us on the air. Yeah,

♂

02:38

it's right. There is electricity. Oh, yeah. And we've got Yeah, we've got lots of thank you gifts that Mike is going to talk about about

♂

02:47

\$35 You can get a bumper sticker \$60 and get a t shirt a mousepad a mug. So on \$60 You'll get a KPFT swing into tunes new music CD sampler. I include some by Jonny Lang, Sarah McLaughlin, so on so forth, and in from \$90, you'll get two T shirts or one to two

♂

03:07

T shirts and one. Wow, that's a Doc for 60. You get one t shirt. Or for 90 You get two so you know hey, that's half price on one. Clock. Oh, that's cool.

♂

03:22

With a base, and for \$500 You get the leadership leadership circle. And that includes benefits like the circle newsletter, one year, gifts, subscription for a friend Breakfast Club and a tour of the KPFT studios. Breakfast. I'm hungry navy blue golf shirt and special invites throughout the year. And some other great

♂

03:42

man Well, yeah, because they have like private concerts in the backyard.

K

Kirk Keevert 03:47

Yes, because you know, because like Janet Jackson and stuff.

♂

03:51

Not quite, not quite dear. No, no. But they do do that. And we are proud to have two leadership circle members

J Jason 04:02

to help out there. \$500 sounds like a lot of money, but it's really only \$1.37 a day. That's it. And for \$200 That's 68 cents a day. And they

∅ 04:13

do it on EFT I really do that without

∅ 04:15

taking off his shoes. I'm

J Jason 04:16

impressed. I'm really feeling like

∅ 04:19

I'm so impressed.

J Jason 04:20

I am feeling like Sally Struthers here I like looking

K Kirk Keevert 04:23

more like her

J Jason 04:30

that way you know what you you can talk when you have hair.

K Kirk Keevert 04:36

I Oh, oh, we're gonna talk about my hair now are we Tubby? Okay, then. We're taking the gloves off.

J Jason 04:45

And how would you know whether or not I'm tight but you haven't seen me with my shirt off?

Kirk Keevert 04:49

I don't want me to unless you're three months pregnant Paco, and

Jason 04:55

you'll never be that lucky bear. That's all That hatched number out there real quick.

Kirk Keevert 05:05

While we're on the subject of the fundraiser, let's give that number again, 526-573-8526 KPFT. And I also want to point out that you can pay for that with cash, you can pay for that with a credit card, or money transfer, electronic funds transfer, which is just the craziest thing in the whole entire world, isn't it? It is the coolest thing in the whole entire world anyway, you don't have to give us your bank account number over the phone or anything like that. We send you a form, you fill it out, you send it back and they take a little bit out of your checking account every single month. And \$500 That's \$41.66 And that's not bad to support the kind of programming that you find on KPFT every single week. You know why it's a which is after our sneeze sneeze boy. Y'all looking like

Jason 06:00

most of y'all probably don't even have bills that are that low. I know I don't have any bills that are less than 4166 Most of my bills are way over that.

Kirk Keevert 06:11

And I don't think my lube bill is that hive.

Jason 06:14

No calm and but that's right. You buy you buy the econo lube. Anyway, what you got to keep up with Yes, but the hats number if you'd like to become a member or find out about having a hatch panel comm or just get general information is area code 713-942-7002. It is a voicemail line and all calls are returned completely confidential. I have still got to remember that number. Yes, you really do.

Kirk Keevert 06:43

And also answering that phone these days.

J

Jason 06:45

Jeremiah, Jeremiah, Jeremiah, Jeremiah, you have to meet Jeremiah. Okay, you know, the peroxide blonde with real short hair that comes in here. That's Jeremiah.

K

Kirk Keevert 06:58

I've not met Jeremiah,

J

Jason 06:59

you have a drummer? I know you've I know you have met Jeremiah. Anyway, we're done with the conversation. If you have any comments to say about the topic tonight, we'd like to hear we'd like to hear what your what was

K

Kirk Keevert 07:11

that again?

J

Jason 07:14

the Matthew Shepard. Yeah. And I mean, a lot of people in Houston, forget that. That's a very real threat for us down here to even you. Even down here, please. We're in the Deep South. It's a real big threat down here. And we don't hear too much about it on the local news. But it does happen and you need to be aware of it. And after we play this music, we're going to talk a little bit about how you can prevent them to play music. We're gonna play music. But if you have any comments about the Matthew Shepard issue or hate crime issues in general, call 713-526-5738. Okay, and Ben is going to introduce this song because I have no idea what it is. I'm not sure if he even knows the title or artists. I'm really

O

07:59

not sure what the title is, but it's really kick ass song. Okay, it's number five in

J

Jason 08:03

okay, you're fired Ben. Anyway, okay, so we're on with the music. That's it, and I'm the only one who's in here right now. Oh,

K

Kirk Keevert 08:16

you're not?

J Jason 08:17

They finally rolled back. Oh. Anyway, well, I've got a really cool note here.

♂ 08:23

Let me read that you saw on read that? What was that you

K Kirk Keevert 08:26

play? And then you stole it from my fingers?

J Jason 08:29

I don't know. And it was Ben CD. And Ben has no idea what it is. I have

♂ 08:34

to talk to him. You do have to? We do not play music. We don't know what the hell it is.

K Kirk Keevert 08:38

You. You gave it to me to read. I gave it to you to read out there. I'm reading. You know, you said do you want to read it on the air?

J Jason 08:47

On the air. I said, You were such a you can tell this is a really cool letter because we're arguing over who gets to read. This is from Jamie in spring and he's listening. And he says I'm a straight listener and appalled at the killing in Wyoming. I get more information from here after hours than from the normal press. I'm really angry about this. You do have support from straight people. What if it was one of my gay friends who got attacked or killed? I really love your show.

♂ 09:13

Thank you, Jamie. No kidding.

♂ 09:16

I want to know that dude is cool.

J

Jason 09:20

If I had anything to give away, I'd give it to

♂

09:22

you. But I don't have anything to give away. No, we don't want the truth. We don't want to recruit. We just want to be

J

Jason 09:26

friends. No, I'm talking about like free tickets or a CD. Oh, okay. But I don't have anything. And this is actually

♂

09:36

I do have the penis in here, because it's just

♂

09:42

It's what he's talking about a balloon that has been molded into a shape of complete male genitalia is an

J

Jason 09:53

errant anatomically correct blue eye as long as we don't have the other type of anatomically correct well They're not in fine. Yeah. Which for me,

♂

10:03

was one of the Billy dolls. Yeah.

K

Kirk Keevert 10:07

I haven't actually seen one. I mean, I've seen him but I haven't seen him like make

J

Jason 10:11

oh yeah have and you know why? He is hung like a horse really, he really is. I mean, it's kind

10:18

of like Barbie Barbie was a woman Woman she'd be like six to like 40 chest and a 20 waist.

Jason 10:24

You know, it would almost hang down to his knees if it was real. If it was to proper scale, it would almost be down to his knees. I swear. It's about as thick as

10:35

not what I read was that if, if the Billy was the full size male, his genitalia would be 18 inches

10:43

and you want to put what where?

Jason 10:47

That's, that's when you just sit back and you go you go boy. Nice to you.

10:52

Mike has been reading a email that I got. From my out voice group. It's queer music digest.

11:03

A little bit of a starts off with Matthew Shepard. The candlelight service tomorrow for Matthew looks like some of the people that are gonna be attending will be not only the mayor, but not only mayor but I'm sure nice will be there. Well, Sheila Jackson Lee also seems like we're bringing out a crowd.

Jason 11:20

Speaking of speaking of a nice, not so yeah, at least.

11:25

For me, Sheila Jackson Lee, also Houston city council member, a nice Parker. And

J

Jason 11:31

not to take away from the other big names but a nice was at the awards banquet on Friday night. And she sat at our table. Yes, she I felt so. Yeah, she's such a sweet girl. Woman woman. Hello. I refer I refer to those who I love his girls. You know that. Girl, girl. Girl, please. She's

K

Kirk Keevert 11:53

worked hard to be lucky me.

J

Jason 11:56

I don't I don't know that she would take offense to that term. But if she would, I'm sorry, woman. But,

♂

12:02

ya know, she she's a lot of fun to talk to. She has done a lot of things bent a lot of places. And she's

J

Jason 12:08

very anxious. She's going

♂

12:10

to China. She's going to China. What do you got big Roy.

R

Roy 12:19

I just want to thank Rick here in Houston, for his very generous gift after hours. And he did it on the EFT. Who was this? Rick? Rick? Hey, Rick. He was very generous.

K

Kirk Keevert 12:34

Thank you, Rick.

J

Jason 12:36

We can't say dollar amounts

12:38

that would be earlier. I know when I wasn't supposed to know you weren't all or amounts. I don't like to do that. Because you know, if somebody gives a whole lot of money and then somebody gives a small amount of money, then it looks like hey, some bad and they said more. Seems like somebody who gives a lot of money loves us more than somebody who doesn't but that's not it.

J Jason 12:55

You know what, it doesn't matter. It has nothing to do with it doesn't matter if somebody only sends \$2 Because \$2 is \$2 more than we had. Oh, I

13:05

know this queen.

J Jason 13:11

Queen. You know, all the Queen's like I said if anybody would like to call in about their views on the Matthew Shepard incident while

13:19

he said he said we'll meet with May we say thank you on the air for your pledge and it's yes, and it's brainbow de clown.

J Jason 13:27

Well, who will give you the bird on your birthday?

13:31

That's right, 50 flamingos in your front yard.

J Jason 13:33

Wouldn't you love it?

R Roy 13:34

Now, I do want to say that when it comes to donation size does not matter.

13:41

That's about the only part where donations.

13:43

Don't give them a line like that.

J Jason 13:46

I still love the button that Lobos it says we lied. Size does matter. And then there's the other one. It's not the size. It's Oh, yeah, well, it's not big. Have you found that to be true? Well, well, to an extent that's true, but when they're only as well endowed as your middle finger wealth, and that just hadn't cut it. I'm sorry. Oh, that was wrong. No, it wasn't.

R Roy 14:11

It's true. Nevermind. People take the show.

J Jason 14:18

Well, I know I know a lot of people who are who are taping this show at the top because I'm sure they're taping this show tonight. Yes, my topic was changed last minute. It was a little controversial.

14:32

We'll get into it later.

J Jason 14:37

I asked you if I could say that.

14:38

Yes, that's That's true. It's a topic that we need to think about and and plan a lot more for a later date. And it will eventually get aired. And I know we will present it because I believe it's a good topic. Yeah. We just didn't.

J

Jason 14:56

And now that we've given everybody a tease, they have to listen to it. The topic is well that's the whole deal. So now all of y'all out there listening in radio land have to listen every week let's let's talk a little bit about how to prevent gay bashings. Q patrol, comms Q patrols come into hats and talk to us about it before. And I mean, there's some fairly common sense rules. Basically, don't go clubbing by yourself. You know, don't go home with somebody you know that you don't know just by yourself. And just always keep your eye out. You know, if you if you're looking around and somebody looks something looks suspicious or somebody looks suspicious, go somewhere where there's other people go where there's good lighting, you know? And it helps a lot. As far as prevention goes, not all of them can be prevented, but some of them can't. And none of y'all are talking in there. And in clinicals isn't even talking why you're also quiet,

K

Kirk Keevert 16:06

because every time I try to talk, you tell me no, no, no, no, no, no, it's my turn to talk. It's my turn to talk. Shut up.

Q

16:13

I love the name. curdles.

K

Kirk Keevert 16:18

querque sounds stupid. critics is just it's just my accepted nickname. Okay. Yeah, it's it and it just makes me sound so much cuter than the I in fact AM. So

J

Jason 16:31

just because I can't actually look at cars. I'm waiting for some evil comment to come out of his mouth. But that's okay. I could

K

Kirk Keevert 16:42

care less. I got somebody who can look at me and he does just a fine job of it. It's easy to look at him to I precious.

J

Jason 16:53

Y'all y'all go on talking. I mean, y'all. This is

16:56

like a Matthew Shepard. I'm sitting here reading this email. It's really interesting. First of all, interesting, interesting.

17:02

Thank you. Okay, well, there's been page left on taught you good. Yeah, no.

17:07

23 men murdered in Texas alone over the past 10 years just because they were gay. And that is including eight in 94 alone. So far this year, there's been about four killed so far. I'm also reading something down here at the bottom about let's see here. We're gonna go. Well, here we go. Okay. Therefore, county, city or county proclaims that the kind of the crimes motivated by hate will not be tolerated in our community and joint communities across the region in declaring that that week of November 1 98 will be declared city or country hate crimes Awareness Week, we hope that our community will teach others a lesson of peace, understanding and harmony

17:49

does have anything on there about what perpetrators were caught. And like, what was the conviction rate or anything like that most

Jason 17:54

most of them are in their early 20s. Most gay bachelors are in their early 20s.

18:00

Yeah, but how many say got convicted of it or were like actually caught?

18:03

It has not it doesn't say anything like that. If anybody's interested in this information, see, while he's reading the call, give us your email address. And Jimmy would be glad to find out some information about it's 1-800-995-7575. And just follow the instructions and it'll give you anything you need.

Jason 18:26

While we're throwing numbers out there. They line to the station is 713-526-5738. That 713526

KPFT. And I'm so glad they put that sign up this I didn't Yeah,

K Kirk Keevert 18:38

if you if you want to join the growing number of people that are making their support for KPFT known in a monetary fashion. That's the number that you would call 713-526-5738. We got bills to pay around here. And we need your help to do it.

J Jason 18:59

And if you have any questions about hatch, or if you'd like hatch to come and speak or if you'd like to become a member of hatch, call the voicemail line at 713-942-7002. All calls are returned confidentially. And Michael wanted a song played Do you know the name of this song?

∅ 19:18

Actually, it's number 15. It should be paradise. It's really good songs by Sonia data. I'm pretty interesting. He actually really interesting.

J Jason 19:28

Anyway, Michael at least knows the names of his songs.

∅ 19:33

Excuse me while I nap. Okay, here it goes.

J Jason 19:41

Okay. All right. That was a pretty good selection. Michael, I'll give you

∅ 19:46

credit. Yes. Yes, it was.

J Jason 19:49

Timmy had something to say.

∅ 19:51

No. Well, I think Mike has something to say because we want to wrap up and talk more about the the Well yeah, I do have some savers. Mike's gonna talk about some more details about the the thing tomorrow night, but I got a call from the lady who called me last week and pledged money and she's home listening. We're glad she is. And I hope her husband had a happy birthday.

J Jason 20:21

I hope so too. Happy birthday from me and all those all of us. It's so cool.

♂ 20:25

I mean, you know, we got that call from that other straight listener. What's his name? Jamie. Jamie. It's so cool to have straight listeners.

J Jason 20:38

And we got another call. We got another call. I'm not sure if she straight or not. It's from Lori in Conroe. Yeah. And she said, shepherds, Matthew shepherds bashing was wrong and shouldn't have happened. And she's very upset about it. I think most people are, I really do. And it's been great to see the straight community supporting us as much as they have.

♂ 20:59

Well, because I think we've said it, it goes beyond sexual orientation. It's, it's how it's horrible, cruel thing that when human has done to another,

J Jason 21:10

but you know, what a lot of people don't realize is that it was mentioned on the Deborah Duncan show. The thing about the thing about gay bashings is that they usually are extremely brutal and violent, and that's why they're so appalling. Because a lot of people are beaten to death. A lot of times people are mutilated.

♂ 21:32

And, and you know, something else. It's, I think, 95% of the time, it's a very cowardly act, because it's never one on one. Oh, no,

J Jason 21:44

it's 3456 on one.

21:47

These people are cowards. And they're there. Please don't let me get into it. Mike wants to go on with the details of

J Jason 21:59

oh, wait, their mics aren't

22:00

on. The Center on the rock wall church is the Rothko is that the chapel is that the name of

22:05

the

22:07

church. We're meeting volunteers for security monitors work during the visual on Sunday evening. And if you're interested in that, that number would be 5299100. Again, that's 5299100 Area code 713. Also, if you would like to give any tributes to Matthew Shepard, they can be left on the memorial service sites on the ground of Rothko, where you can leave them at the candlelight memorial service on Montrose in Westheimer. Also, this service will go on rain or shine. So bring an umbrella if you need it.

R Roy 22:42

Okay, I just want to bring one more. Thank you in here to Jack hear us. Oh, yeah.

22:49

Oh, yeah. We talked about that earlier. You just hadn't had it written up yet. Oh, really? We haven't used his last name on that. Oh, we did. Sure. Did.

R Roy 22:58

You mean Jacqueline's? Keep that? Up. Okay. Thank you, Jack.

J Jason 23:04

JASON 20:00

And it's about time for us to wrap up. You've been listening to the hatch segment of KPFT. After hours. That's

♂

23:09

right. And after hours queer radio with attitude is heard every Saturday night at midnight, right here on KPFT Houston, and ke O 's College Station. I'm Jimmy carpet. And let's see next week. Oh, we're not into the marathon next week. So we're gonna have smart next week, because it's kind of a fun show, because we have Peter from the Peter and Connie. Peter in the X Connie Lingus show. And so it's we have lots of fun. We laugh and we tell jokes. And maybe we get an age match message in there for you. Oh, yes. And it's four hours long, because there's a time change. So while you clubbers. You got an extra hour next week. Also, I won't be here.

J

Jason 24:00

No, I'll be here again. We'll be here again once on the first Saturday of November.

♂

24:06

Yeah. That what do you do on the first Saturday?

J

Jason 24:09

It's just the hatch. Talk Show. We just talk about whatever's on our mind. Don't say oh, it's music music. But But between music we're talking. Oh, yeah. But this song that you hear playing in the background is Depeche Mode, blasphemous rumors, and you can get it on their singles CD and you can do it on a bunch of their Greatest Hits CDs. And I'd like to tribute it to Matthew Shepard because sometimes we wonder a little bit about what's going on.

♂

24:42

And I want to thank you, you are kind of the you are the co host you are the producer of the hatch segment. And you now have been there's your co producer. Hey,

J

Jason 24:54

our bins off. Let's say it's off. What's this Dan? Say? Hi.

♂

24:59

Hey, banana. Like saying May God rest Matthew Shepard, so that's so bad because

25:07

you've been listening to after hours on KPFT Houston and ke o s College Station. They daddy j is here and just in a couple of minutes, you will be hearing the Red Eye special

25:24

butterflies now we know some some plants and

S

Scott Lewis 25:32

because the other day I was over there I was talking to David Scott Kennedy and I went out a couple nights ago. And they had just laid the varnish over this floor kind of looked like a hardwood floor. Well, I guess it is hardwood. Six, if it knocks you in the head. It's pretty hard. Yeah. So anyway, so I'm looking at it. I thought, well, wow, that looks real nice. Hardwood Floor in here and everything. And so they had it all blocked off. You couldn't get in there at all. And David's DJ booth is in there. So they had just little area where you could walk right to where David was. It couldn't have been four feet by four feet. And they have plastic on the floor. Oh my god. And then somebody came over who? Yeah, I don't remember who it was at the owner of the bar. And

26:14

they said

S

Scott Lewis 26:17

in what some people may have taken as a snide tone. Oh ha. Yeah. The floor hasn't dried yet because we keep that traffic Tom Antoine. And I thought, well, you know, the floor it's a nice new floor and everything. You know, I wouldn't be upset too. And then I went back two nights later. They're friggin two by sixes for Christ's sake.

26:41

You put out 12 bucks for the whole room. Nerve to come over to me

S

Scott Lewis 26:47

Oh Miss thang get alive

26:50

Well, he needed to I love it. And he needed new inlines I guess I don't know. frigatebird the last time I saw him was at my barber shop. And he had that bird on his shoulder didn't know. He was He skated there?

s

Scott Lewis 27:06

He does he skates everywhere. Everywhere is everywhere on his shoulder. That's what it is

♂

27:12

a roller.

s

Scott Lewis 27:14

Disco for Ed. Love it a little behind on the trends here, sweetie. But what the hell a roller disco I see it happening. But anyway, so he was at the barber shop. Was he sober?

♂

27:26

Apparently, Hmm. Well, I didn't you know, kiss them or anything. So

s

Scott Lewis 27:33

I've seen it very effectively.

♂

27:38

AJs is one of the oldest bars around. It's been in several different locations.

♂

27:43

I didn't know that. Yeah, celebrated our 25th anniversary, say,

s

Their grand opening was in a cave. And so what happens is, the thing that's neat about EJ is that I really like about EJ. They have the stiffest drinks and the stiffest prostitutes in this town. To be had for 450 or 450. You can get blown and drunk for forfeit. They do very well.

those cocktails is when he cocktails he's not going to make a live in there with those ants and a half shots. Fill my glass with vodka. That's all I have to say. Hey, Grandma, love you mean it. And that grandma can make some burgers. I love grandma grandma's burger. That's one of the things I love about the gay community is you can eat everywhere real cheap, David now you can't tell by looking at us that we'd like to eat. And yeah, grandma makes a great double cheeseburger. Yeah.

And you know their steak night at the BRB and you know, burger night at EJ and the wonderful thing that I love about our community, the really wonderful thing is on holidays no on holidays. There's always a spread at the at the bars. Thanksgiving. Yes. That is like Thanksgiving,

Christmas, Easter. You name it. There's this cheese house. Miss JG spreads on? Oh, yes, please. Michelle. Yeah,

night. Oh, it's different. Yes. Yes.

Scott Lewis 29:40

Now Yeah. Most incredible. BRB, just steak night, and that's great and everything but you know the thing about the BRB

29:47

Scott Lewis 29:51

to get out there and you had to put it on a grill yourself. Oh, and that's not so bad because then you gotta get to control you get everything But you know your makeup runs over those coals. It's a bitch. Now Ej is is starting to stick night on Monday here and what I wanted to know is grandma gonna be cooking no steaks, no Lucy loose but somebody else cooks. That's what I love about the grandma give me a double cheeseburger. I'll be over here ordering another shot.

30:20

Or she brings you this great burger.

Scott Lewis 30:22

Most of the most of the places in town you have to cook the burger. So

30:27

Oh, yeah, remember? Lazy cow. Yeah. You know, even at denim party, you know? Your makeup is right off and you're out there.

30:36
