SUMMARY KEYWORDS

gay, call, jesse helms, girls, marlboro cigarettes, listen, hours, give, job, radio station, radio, promoting, years, home, boys, hear, hang, houston, killed, people

00:05

Five to six 4005 to six KPFT waiting to take your call your pledge of support. No, wait a minute. No,

00:12

that's coming up.

00:13

That's in September September. The mirror program guide will be coming out soon too. So you need to stay tuned for that. Five to six 4005 to six KPFT if you'd like this kind of music listen to my brand new, almost new show on Monday night.

00:36

Tranquility Base. Come on days at 10 o'clock.

00:38

Tranquility Base. I play lots of nice quiet music and don't say anything radical. Can you believe so your mama and daddy can listen

00:48

to six 4000 Monday night at 10 o'clock, or five

00:50

to six KPFT? That's the number to call lilia?

to six eight four. That's the number to call. Julie.

 00:55

No. Hi. Oh, Joey this Julie. Oh, hi.

 01:01

Story truly, what's my best friend's birthday and they're very young and like, they're afraid, like next year that anyone will find out that they're gay.

 01:11

They're afraid someone's gonna find out. They're gay. And like, they

 01:15

haven't usually Christian. And so it's terrible for them.

 01:21

It is. It's tough for a gay teenager. Because being under age, you're living at home. You have to go to school. So you're in an environment, not of your own choosing, and one that you can't change and maybe changed for you. How did you how to be kicked out of the house?

 01:40

How did you find out they were gay? Oh,

 01:43

no. I mean, when I took this,

 01:47

I mean, they come out to you?

 01:50

I don't know. It's just kind of an old thing. I've always

01:53

been you should consider yourself very lucky. That means they trust you a lot. Yeah.

01:58

Very much. I'm just worried about them. Because they would be so I don't know. Their parents would just protect everything. Anybody ever.

02:07

Do. They listen to our show.

02:09

I don't know. I listened to your show. But I never told him about it. Girl.

02:16

You need to tell him about it. Yeah.

02:21

My friends are like tonight. He's like being gay is just something he doesn't want anybody to find out about. And it's like, it's something just for little boys to do and frightened of the lifestyle when he grows up and everything. And I don't want him to be afraid of it.

02:42

Pretty sad. And listen, tell your friends to listen to us. That's the only way out.

02:48

It's no but yeah. Okay. Thanks. Thanks for calling.

02:56

4005 to six KPFT. Ricky Are you?

 03:13
See, that's the kind of

 03:13
stuff you get for baby has a problem.

 03:16
And isn't it amazing that we still haven't had any gay and lesbian people calling us? Hello?

 03:22
I was curious about something.

 03:26
Hang on a minute. You need the radio? Yeah.

 03:31
Got it down now. Yeah. If a person has AIDS knowingly, and they have sex with somebody, is that a crime? Is that premeditated murder?

 03:42
Oh, no, we don't have the answer for

 03:44
that. That. You mean, as far as the laws are concerned? Not yet. However. What would you think?

 03:57
I mean, it seems like it would be Yeah, they know what they have. I mean, even if somebody's wearing a condom, you're taking the chance. Exactly.

 04:04
.....

We don't know we don't have the answer that I wish we did.

 04:08

Okay, I have a second question for you. What is this video I've heard about with Mr. Perot.

 04:15

Oh, okay. Philip Morris, who was a large contributor to Jesse Helms, the senator from where North Carolina, Philip Morris, South Carolina, Carolina girls contributes a lot of money to his campaign and since Jesse is always trying to enact anti gay bills or curb aid spending or cut out the NEA and stuff like that

 04:47

Jesse Helms promote and encourages the hatred and the bigotry right hang about tonight.

 04:53

So the gay community is getting together to boycott Marlboro cigarettes which is filled Maurices biggest seller that that's pretty much it.

 05:06

Doesn't he make craft products and things like that, too? They make

 05:10

lots of stuff. Yeah. But we're concentrating on the one big moneymaker for Philip Morris. Which is that tobacco right? Because having a boycott over 50 different items, what might not be as effective? I mean, if you go to the store with this list of 50 items saying I can't buy these, you might not do that. But if it's like, okay, I'm not going to do Marlboro cigarettes. That's a given sort of like the orange juice thing with the native Brian two years ago.

 05:42

I wish people would put more effort towards the Allianz during containers

 05:46

as well. Boy, isn't

05:48

that the truth? We're not going to leave much for our children or that hurts all of us. Thanks for calling. Thank you. Thank you. Five to six 4005 to six KB of t. That's the number to call. KPFT. Hello, hello. Oh, yeah. Hi,

06:06

Gary. Hi, Gary. Hi. I just wanted to call because I'm in the minority. I'm gay. Yay. Well, it's nice to hear from we were afraid no one. Yeah. I guess we are here. I guess that 10% percentage is holding true tonight.

06:25

Isn't it? Seems that way.

06:28

I just wanted to call and say how much I appreciate the program. And it takes a lot to really call in and talk on the radio. Sure does.

06:38

Yes, it does. I've done it my own sales.

06:41

My arts pattern it's like I've seen Tom Cruise. Where where? Not just watching the Torch Song Trilogy to on. If I can say that it's on cable.

06:56

Yeah. What is it on cable right now?

06:58

Yeah, it is. Yeah.

06:59

Was it on? Showtime? Oh. hov to run home and get it aood for Showtime?

was it on Showtime. Oh, boy to run home and get it good for Showtime.

 07:02
What?

 07:04
I can watch their program.

 07:05
I've seen it so many times. I know exactly what they're saying.

 07:10
What part of town are you calling from?

 07:13
Just north of Gracepoint. Whoa, it seems like we're often part of the town.

 07:18
Lots of green points, people tonight.

 07:21
Listen, thanks for calling.

 07:22
Verify girl, okay.

 07:25
To six 4005 to six KPFT. That's the number to call. I don't understand really why gay and lesbian people don't call straight people. Practicing homosexual

 07:27

07:57

is far more dangerous to society than a person who commits a murder per se. If an employer doesn't want to have homosexual employees, I think he ought to have that right. If you want to sell on burgers against a bunch of coolers robbing each other, I think it's as quick as anything can be. You can't be a fake alive, be family oriented. That's a contradiction in terms. You guys are guys who have just never matured sexually retarded, totally repulsive through the gay community who cares? Right.

08:13

And you're bothered with that? 24 hours a day, seven days a week, 365 days a year on most commercial radio and most commercial

08:23

television. So

08:27

you know, please give us our little four hours on Saturday night and our hour on Monday night and our three hours on Friday morning. I

08:34

just don't understand people who must promote hatred.

08:37

Five to six 4005 to six KPFT it's 14 minutes after three o'clock contained to the 90.1 FM Pacifica radio in Houston. And this is after hours. Wildenstein of course moving to Mondays at 9am going to leave a nasty note in Jacqueline's skis box and tell that queen to do a promo so we can play and poke in Cherry hopefully the girls will be back from love

09:03

and women. The women

09:04

will be back on Friday from Vancouver the Gay Games and well we'll have to tune in I know I will anyway to find out what happened in Vancouver. Yeah, five to six 4005 to six KPFT we've only got Richard in the lobby I

09:20

know and poor girl has Harris.

09:23

Jimmy out there right now to take your call. Get out there girl, okay. And we'll we'll listen to the flirtations while we're lining Yup. So if you're calling hang on and someone will get with you. Put you on the air in just a second. But 264 1005 to six KPFT that's the number to call.

10:00

Ah

10:23

five to six 4000 Or five to six KPFT. If you're on the line Hang on, we'll be with you in just a second five to six 4005 to 6k P F T after hours Pacific radio 90.1 FM KPFT. Houston. That's the legal way to say it. Hello. Hi, Dwayne.

10:48

I was calling about I heard y'all talking about talking about cigarettes. Yeah. Yeah. I was wondering, you know, what you're meant by that.

10:56

What you were talking about? I didn't quite catch on that.

10:59

There's a boycott nationwide now against Marlboro cigarettes because they support the campaigning and doing the Bon Jovi. Here's the Republican Jesse Helms from Carolina. I mean, but what why? Why? Because they give a lot of money to Jesse Helms, and we don't think they should sponsor someone who's so hateful, who promotes hatred as much as he does. He's a senator in North Carolina. He's the one that don't didn't want you to see certain paintings hanging in galleries and things are funded by the state.

11:32

That's pretty bad. Both ways.

11:34

Yeah. For all of us.

11:36

Anyway, that's what it's all about. Thanks. Thanks, Rudy. You're on after hours?

11:42

Yes, I decided to be one of the 10% Tada. surprised to hear so many heterosexual people calling up? Like just sitting near the phone and

11:57

ah, yeah, me too.

12:01

And I have one thing to say to all the kids in school. Stay in school. It's worth it. I just graduated from unbelievable places.

12:12

Boy, that was that kind of tough. And it

12:15

was because there's nothing but you know, Hicks over there. And then there was me.

12:22

Well, you sound like you turned out okay. You know, I

12:24

bet there are quite a few more. You just didn't know it. I found

12:27

11:57
I found out that there were before me up on that clothes afterwards.

12:34
With you, yeah. People

12:38
funny when you run into them in those places, and you go,

12:42
I didn't know you were

12:45
surprised me completely. I know. It's a cosmetology school. And all the girls were always like, willing to theory room and they're like, how is it? You know, what are you doing? Who placed the girl and who placed the blame? Brother? Popular questions.

13:04
I don't want to get into that. Maybe Thanks for calling.

13:07
Thanks.

13:08
What part of town are you calling from?

13:10
Southwest?

13:12
Southwest. Thank you, Josh. Yes. How are you? Pretty good. How are you? Tired, actually, but what's? Oh, no.

13:22

Like I called like, I didn't call the like, station.

13:26

I'll listen. They'll every Saturday night.

13:29

So great. I love the way they like gays are band together to on the station. It's great. And it really is. I mean, gives a warm feeling in my heart. Anyway. No. It's talking about the Gay Games. What are they in Houston?

13:46

No, they're in Toronto, right over Vancouver. Over there.

13:52

They're wrapping it up.

13:54

Actually. Yeah, it was sixth through the 11th which was yesterday today. Yeah. Yesterday was the last last day. Oh, really? Yeah. There was a nice write up in the voice about that. These Gay Games being the biggest ones ever

14:07

watch C span because I saw so I mean not C span watch CNN because I saw something about it on CNN about a level. Yeah. So CNN will have something.

14:15

Oh, is it just like a regular Olympics?

14:19

Yeah, they just won't let us use the word Olympic. Yeah, I don't like gay people use the word

Yeah, they just won't let us use the word Olympic. Yeah, I don't like gay people use the word Olympics that everybody else use the word Olympics would not give a won't. Oh,

 14:26

they won't allow us to. Wow. We have a gay rodeo is unused and we're gonna be

 14:33

in use. It's going to be in Houston this year. Sam Houston Coliseum downtown in November. It'll be great to gra is coming in. In September, August. What do they come in October.

 14:44

They are coming in October to talk about it.

 14:47

Hey, guys. Yeah, I have a friend of yours. I mean, it's like one of my close friends. He's like a really big fan. He all he really wants to talk to you that Okay,

 14:56

sure. Put them on. Okay,

 14:57

hold on. Huh? Hi there. I'm hetero but I was just calling to say that I

 15:06

think that it's great that y'all have right now that y'all can have a radio station everything

 15:10

we don't have rights and we don't have a

 15:12

radio actually, this is not a gay radio station. We just have you know, it's a radio station for like, everybody. radios. PD, we there are three specific gay programs.

15:26

Pacific Asian and Pacific has been for free speech for 40 years. So we're just glad Pacific is in Houston. Yeah, there's a lot of good stuff on Pacific and it's not gay stuff. In fact, the blues ladies come on it for

15:38

a while. I'm just glad that you're geeking out. Because, you know, I may not be gay but know that y'all are in a lot of my friends like Josh are and I just think it's bad that y'all are exploited and stuff, you know.

15:51

Thanks for calling. Hey, guys. Have a good night. All right. Okay. Bye. Bye. Bye, Michelle. How are you?

15:57

Yes, I'm doing all right. How you doing? I was really focused on the adults. Aaron. I have the issue. What I'm going through right now as far as my girlfriend, and I'm black. And she's the Italian. Mother found one of my letters and found out that she and I was messing around.

16:18

My mother sent her to

16:19

catch, brother. Yeah, we're still doing that. Yeah. And the psychiatrists pretty much told, just make your own

16:26

decision. Exactly. Speak to the mother. The mother went in. And he was like, you can't go see him because he told her she was the one with the prop.

16:37

Exactly. Isn't that great?

16:40

So the mother is going to look around for a psychiatrist to tell her what she wants to hear right now

16:44

if it's been a daughter in captivity.

16:46

Well, the American Psychiatric Association and colleges, they remove him homosexuality from their list of disorders years ago, so they're not he she's gonna have to beat the bushes to find somebody. Yeah, hopefully she won't find anybody.

17:04

Really out of it. But anyway, it's like, now the girl is going through. She got into some trouble with the police. possession of marijuana

17:13

or just hang in there. Hopefully things will get better. Oh, yeah. All right. Good luck, girl. Hello. Hi. Hi, there. How are you? Okay, what's on your mind?

17:23

I just want to call it because my friend Thomas had called earlier. Yeah, on the Greenspoint era. And he said we're too proud sisters. Yeah. Other proud sister. Well, girl, how are you doing? Okay. So I just want to say like, you know, we go to Eisenhower high school, you know, a lot a

17:41

lot of gay people. A wonderful they are a lot of gay people everywhere in the world

17:44

is actually a lot of gay people in every high school. Let's just get excited. You know, most of them are like,

17:50

you know, I mean, there's a few that are that you know, they're not, you know, embarrassed of it. But then a lot,

17:55

Mother Oh, I may just have to move up to the Greens Point area.

18:00

Like y'all are having fun up there.

18:02

Thanks for calling baby. Thank you. Hello, KPFT

18:06

Yo, this is Mr.

18:07

X. What

18:14

gave you a lot of action? What now? The game is about to ask. They aspects are not

18:20

not any more than anybody else.

18:23

What do they expect their penises?

18:25

See, we gotta go. You can't say things like that because the FCC won't let us suicide boys and girls but phone call time is over. Because of people like Jesse Helms and the FCC. We're not

going to allow any more phone calls because I just can't take it. You know what I mean? There are certain rules and regulations that we have to abide by by law and one of them is we don't shout obscenities and say things like that. So Mr. Action has ruined it for everybody. Thank you, Mr. Action for calling. Sorry. Now I don't have anything to play child. Well, I'll just play this. Okay. No, I won't play that.

 19:07

Don't play that. I don't want to play I didn't want you to prefer that either. Okay, I don't play that.

 19:13

Mr. Action. See, I knew that that's where I was taking the phone calls to me because I knew sooner or later somebody somebody would have to call up and shout obscenities so it makes them feel like a big man and ruin it for everybody. And they screwed it up for everybody. Thank you very much, Mr. Action. There's a lot of Mr. Actions out there. Just like Jim Westmoreland when he said nigger international talking about and Mickey Leland. There are a lot of hate filled people out there. And that boys and girls is what it's all about. That is the bottom line. There are a lot of people out there who are prejudiced and hateful and don't give a goddamn if you are dead and buried and ran over in the streets or whatever. They don't care. They're going They treat you like garbage because their lives are the only ones that count. The rest of us are going to hell. So let's just lay down and feel sorry for a ball Loni we are not going to do that we are going to continue to fight back. We're going to continue to speak out because we are gay and lesbian people and yes by God we are proud of who and what we

 20:24

are and eyes have seen the glory of the coming out of queers. homophobes have trampled on our rights they've done so out of fear. We have lost our rising anger. No, it's plainly clear that gays are marching on glory glory glory glory I'ma gay man. Go read glory I'm a homosexual. I was marching in our homes and on the street corners we have been condemned to die we were murdered in the Holocaust by Hitler and his lies age is killing all our people that God denies but gays keep marching glory

 21:39

Hi my homosexuals

 21:47

in the beauty of Allah We love you we will not we will keep on glory glory glory glory I smile glory glory glory glory glory glory I

22:56

agree with the guy will not call on an airport negative. I think all y'all gays and lesbians RB stood up against the brick wall. And shocked or not the gas chambers long with the Vietnamese and half the news and half Mexican. And screaming people were out of the world they

23:18

won't even care for us poor folks.

23:19

You weird right my husband and I'm nice clean hospital. You know, I lost mine. I lost my brother's street. That's right. They killed him on the street. 27 years old. They had dead on the street killed by a bunch of kids with baseball bats. That's why mom killed by children chosen by people like you because everybody knows that quiz don't matter. Those that don't want to be a part of my life. I'm not anything happened. We end this conversation. No. There's one more thing you better understand. I have taught myself to so cook, fix plumbing build furniture. I can pat myself on the back when necessary. Also, I don't have to ask anyone for anything. There's nothing I need from anyone except for love and respect. And anyone who can't give me those two things has no place in my life

24:24

woman mother I love you. I do but if you can't respect me, you've got no business being here

24:44

this is just raw you folks in just listen.

24:50

They're killing babies in the name of freedom. We've been down that sorry. A road for the let us hang around a little longer than they should have it's too late fool us anymore we've seen the ones who kill the ones with pleasure

25:28

before your eyes the day hold the power and the money and the gods hard to listen to God Oh Wonder what my daddy would have seemed the way they turn this dream around gotta go by walk me to the truth and stand your ground don't let the bastards get you down

26:50

27:00
just got a wonder what my daddy he'd seen the way his dream gotta go bow. He told me to tell the truth

27:18
don't let the bastards get you down

27:39
get your

28:16
Kris Kristofferson from the album, Third World Warrior, and don't let the bastards get you down, because sometimes they win. Well, they think they win, and they wind up losing.

28:27
Hello. All right. How are you, sir? That's fine.

28:31
I understand things aren't going to get at your house?

28:33
Well, no, it has been better. Considering what I had told you. It could be a whole lot better.

28:41
What's up? Well, I

28:43
had listened to the after hours at work. I was there on my own time. Let me add that. Two weeks ago when I want to record on the radio show

28:52
you were listening to our show and you want to record while you were at your job right? On

your own time. My

 28:58

own time I was getting the payroll ready because the other man I worked with had gone out of town. And one of the drivers at this transport company having to walk in and he heard the radio show and y'all were playing the I don't know what you call it. But you know, glory glory. I'm a lesbian. I won. And within a site of a week I had gotten noticed, you see my boss and I was terminated for promoting homosexuality on my job. You were fired from your job from my job that I had for eight years. And I was making 32,500 a year and for listening to a radio program listening to a radio radio program. And it dawned on me in the last three weeks while I'm out here job looking that these people that think that they have right I mean, if you can't even listen to a radio station in 1990 1990 you are screwed. This whole thing is is messed up. People think that we have rights and we're out here because we enjoy making scenes in the street. But if you do not stand up for what you believe in in this country They will walk on you and kill you, Steve, I lost a job after eight years, I had perfect attendance believe that or not perfect work record. And because I was listening to a radio station that dealt with gay issues, I was terminated for promoting on my job.

 30:16

So you have lost your job? Yes. Are you working now?

 30:20

Not Well, I do it out of my house. I do processing out of my house.

 30:23

Sure. So you're not stranded out there? Are you baby?

 30:28

Oh, no, oh, no, no, no, the only the only setback that it created is because my lover is HIV positive. And my income is, you know, he depends on that. And I depend on his and this is making a slight cut in our lifestyle. But we do not give up and we do not quit. We just keep right on going. My message to the people out there is if this should happen to you do not hesitate to contact American Civil Liberties and file suit. I have two suits against this company.

 30:58

You filed a lawsuit in court to give you any hope of winning

31:04

the attorneys. Yes, as matter of fact I do. I was very lucky my cousin who was their cousin by a to my he was my cousin by marriage to my straight cousin years ago.

31:15

So tell me the story one more time so that I get it straight of what about the guy doesn't know about you are listening to radio is

31:22

listening to after hours? And the question, you know, Y'all said the whoever can call him with the correct answer as to what the pink track triangle signified. That night, and I had called in and I said, this is Steven Channelview. And this and that. And I told you the answer to the question. I want the record, right. And then y'all had played that song. And one of the drivers that drives for the company came in. And I didn't think anything about it. I was there on my own time. You know, we're in shorts, and I'm been given, I don't care what anybody thought. And I never give second thought to this. And inside of a week, I was called into my boss's office and terminated for promoting homosexuality in the workplace. You know, I can hardly call it promoting. You know, if you do not have the freedom of choice,

32:11

and I work for the Houston Police Department openly gay Yes. Something isn't right here. Boys and girls.

32:18

This company, these are the and take no offense, people, if you live there, this is the only way I can describe it. Because I grew up in that area. That these are the people that on Saturday night are sleeping with all their neighbors and on Sunday, you're praising God for all the good things in our life and condemning us.

32:34

That's okay, child. It's okay for them. But we're the ones that are gonna go to hell. They're okay.

32:39

I just could not believe what I was terminated for. If you were to terminate me for anything else, but that.

32:46

Do you want to do radio with this? Sure. I'm serious next Saturday night. Sure. Be happy tonight.

32:52

Come on down. Hang

32:53

on a minute. Okay. Sure. Jimmy, I'll get right with you and get your name and everything. Can you believe this?

33:04

I can't believe

33:05

this. I am so angry right now. To think that someone was listening to this show, and won an album because he told us what the pink triangle meant. And then was fired from his job. I am so goddamn angry.

33:29

That's why we're doing it. Ladies and gentlemen. That's why I knocked myself out. That's why I put up with hateful, self centered gay and lesbian people who say they're leaders in this community. They're not leaders. As Harvey Milk says they're offensive. Because they're saying the same thing. Oh, just sit down. Relax. Take a deep breath. We can all come out of the closet tonight. It'll be okay. Maybe someday they'll give us their right mo Loni they're not going to give us nothing. They're not going to give us anything but grief. That's why we must follow Harvey Milk and continue to speak out. We have got to get angry enough to help this brother who lost his job. That is what it's all about boys and girls. I am so angry right now. I could spit nails

34:32

here I am openly gay working at the Houston Police Department doing a gay radio show. And no one anywhere has the Kahunas to say anything to me. And I have a young man listening to us having a good time calling in winning an album of all things. People call radio stations and win albums all the time. And they're never fired from their jobs.

 34:59
She's So

 35:02

 35:06
Not in this not here. Now. What do we got home?

 35:09
I can't believe this Jimmy I'm so upset. I can't even tell you how upset I am. Because the FCC is cracking down hard. They want everything to sound just like a Hallmark card. Jesse Helms wants us to live in this world of Disney Land. Okay, Jesse. You're right. We're just a bunch of baguettes and our lives don't count. Welcome to Disney Land boys and girls. Let's just all march around and have a good time. Life is gonna be perfect, right that's how it is it's not going to be perfect. It's just that screwed up. Does anybody out there give a damn Hello? Are we just like talking to ourselves? I can't believe this

 36:23
Yes, ladies and gentlemen, welcome to the fantasy world of Jesse Helms and all of those other right wing hateful, God loving Christian people. Come on out, join the homosexual community, be a part of what we have to offer. Not only will you be mistreated and turn it turn out by your family and hated by the church and hated by most of the people that you love. You can call a radio station in 9090 and be fired from your job. Sure, come on out. Join a community where it's full of hate fulfilled self centered people who are the only thing better than God. And they have all the answers and they rewrite them they give their own Christ I'm so angry. Oh, I

 37:03

Have a great week baby. He's coming next week and we'll talk to him right You bet I am so angry right now. I can't even tell you how angry I am. I would like to but they won't let me because they have us right by the you know what? You know what I mean boys and girls. It's called after hours radio celebrating life and once in a while we get really frustrated Yeah. And we are right now and we're going to go home and play with ourselves. Just like Jesse Helms is doing nevermind. Jesse Helms wouldn't do that.

38:16

Be probably get behind it.

38:19

Just tell all your friends that next Saturday we're going to be talking to the young man who want to record album and was fired from his job. It'll be great. Until then, have a wonderful week and for God's sake, don't tell anybody that you're gay, you might lose your job. If you do call me at the police department, I'll send a nice hunky cop out to protect you. Because we do have the Constitution and it's going to be okay and right now I'm just mad and I'm gonna go somewhere and hide. And I'll see you tune in Monday and you'll hear some good stuff. Okay. Bye. Have a great week trying
