Queer radio where with attitude were right here on KPFT Houston and KEOS College Station Bryan, I'm

S Sarah G 02:22

trying to be dominant.

J Jimmy Carper 02:25

Oh, Sarah, yes. Be dominant with me. I need to be dominated but my key to the shoes that I just got last weekend. Hey, those are kind of fluff. Hold them up to the microphone so people can see them. Oh, yeah, see? Oh, they are kinda now

S Sarah G 02:44

maybe nail Carter.

J Jimmy Carper 02:48

Well, I felt here I saw that and they're in there at the door. They must be. And while we're doing that, I forgot to play the KPFT sports minute. It's a new feature by one of the other programmers and I promised to play it at midnight. So let's listen to it right now.

03:15

Listen to the 1995 World Cup. South Africa has turned the tables. They've answered their critics. They shown the bookies that they didn't have it right. South Africa the winners are magnificent contests. Welcome to

03:31

the cape is fortunate in Johannesburg, South Africa. After the flooding opening ceremonies and dressed by President Nelson Mandela. The 1985 Rugby World Cup began including fashion with South Africa upsetting the world champion Australian side 2718 Every year more from in Carter.

03:52

Decision to halt this tournament here

03:56

in predicting rugby have an exceptional standard. President Mandela was absolutely right. The match was a thunderous occasion, South Africa brilliantly responding to the home crowd

04:07

in cricket. West Indies defeated England by far we've taken a one nil leave the test series in New Zealand and this has been Richard Hanna for the KPFT

J Jimmy Carper 04:26

so so where are the q patrol guys?

S Sarah G 04:29

They were outside with the fresh coffee and no doughnuts,

J Jimmy Carper 04:32

no doughnuts, kick them out of

S Sarah G 04:36

Roy Roy made the coffee but he didn't make donuts so he's going to be banished.

J Jimmy Carper 04:40

Hey, it looks at I know. Hey, can you patrol come on up to a mic here? Hey, how you doing? Okay. I wanted to ask you because there was a What was going on last night?

∅ 05:03

They had a arrest that sheriff's officer was making I'm not sure exactly where and when and all that. Well, I

J Jimmy Carper 05:09

mean, we were here at I was here at the station last night and I saw the police helicopter and it was like going around and around than it appeared to be in the area of cuties.

∅ 05:18

Basically, that's pretty good area for trouble spot. Yeah, it seems to be like, hey, they basically had an officer sheriff's officers making an arrest and got into a scuffle with the guy that guy pulled one hand out of a cuff they thought was under control. The officers had cut his hand up where it got pinched in the cuff and then somehow or another he leaped over a fence and took off into the dark bushes and such and they had about eight or nine patrol units and helicopter and all kinds of things out here look Whoa, stupidity point of it was that they had already got the guy's driver's license so he they know his name. They know everything about

J Jimmy Carper 05:57

him so he can't go home or have time

∅ 06:00

off and assault on a police officer and a few other charges into the minor drug problem that he was in to start with.

J Jimmy Carper 06:07

Yeah. Oh, man. So how are the streets tonight?

06:13

It's a little bit busy. It's it hasn't really gotten going yet. We're we're still waiting for our peak. We were kind of lucky last night in some ways. I hate to say that the rockets game wasn't all bad that oh, do great on that one. Because we we have a problem with a weekend night with a winning team. Everybody psyched up and they decide to come down here and play. Oh, okay. We're pleased that they didn't do that great on a Friday night so they didn't bring a lot of problems into the neighborhood same time here. We gotta get the other side one every once in a while. You know, as long as we take

J Jimmy Carper 06:51

out those championship we

06:52

make more money. You know, we sell sell tickets now. Yeah,

J Jimmy Carper 06:56

yeah. Yeah. James, what's up? Well I know it and visual.

07:14

But I was accused of half mooning you have something

J Jimmy Carper 07:23

that wasn't half assed Maroon. Yes. But I appreciate a call wondering what that means. I appreciate Yes, yes. Yeah. Well, you see, for weeks now keep a troll has been going by the station on their patrols and flashing a light. And so you know, I've had been talking about how I've been been flipped off by q patrol. So they decided to change it and moved me. And, and did I mean for real? Yes, yes. Hi, Stacey. How you doing? How are you? Oh, fine. Fine, fine. Good. So we have been moved by IQ patrol.

08:03

Okay. You haven't been moved until you hit been hit by?

J Jimmy Carper 08:07

That's right.

S Stacy Bolding 08:08

That's right. Been a full moon all week.

J Jimmy Carper 08:11

Speaking of q patrol, house participation from residents here.

08:19

Oh, doing pretty good. We always want more bodies. It's nice to have a few extras right now where you seem to be doing the same old people every week. The

J Jimmy Carper 08:30

I'd like to be able to do the same old people everywhere.

08:36

Jimmy's almost leaving me speechless. That's the big thing that we've got going. We're trying to get a group started in Dallas. So Oh, yeah, we probably will be going up there. In fact, we have it in the plans in the very near future to go up again and do another demonstration patrol and hopefully have a few of their locals to join in and kind of spur them on. We got real good response. Last time, unfortunately, it was yeah, the great when y'all come up here and do that. It wasn't we'll be out to see you next time.

J Jimmy Carper 09:06

Yeah. How about financial help?

09:09

That's always helpful. We have some fundraising things going on right now the raffle tickets and such. Where can we get raffle tickets generally out at the bars most of the weekend nights at least one or one of the Friday or Saturdays we'll have a table set up at JR specific street etc Golden Triangle area as we call my little glow thing he's various assorted glow in the dark devices to keep you safe walk in the streets and make it more noticeable in

J

Jimmy Carper 09:39

the glow thing is okay. I love things that

Ω

09:44

give you more details later. Okay, the other thing that we've got going right now the main fundraising emphasis we've got commercial radio system that we use, which is 1000 times better than our old CB the interference and limit range. Unfortunately, these radios cost us monthly on a service charge \$18 A radio per month. And on top of that, there's a \$6,000 bill outstanding on the radios are still paying on. So the more the merrier as far as the fundraising to get those liabilities.

J

Jimmy Carper 10:17

That's right. That's right. Because that stuff you gotta have man he I mean, you can't do the job without it. Yeah, that's great. So what's what is there a number if people want to, like, send a check or want to, you know,

Ω

10:34

we go into the whole pitch and then forget to tell you where we know everybody's just dying. We gave them time to get that and they write on paper ready? Peel box 58 131. That's Houston. 77258, they can drop it in the mail. Or since they probably didn't have it ready to write down the q patrol numbers listed in various publications. Oh, yeah, the 8718519. That's a message service that may even get lucky and get somebody to answer directly. But normally, you can leave a number and we'll get back to you about patrol, etc. I've been

J

Jimmy Carper 11:07

noticing really nice ads in the voice. Well,

Ω

11:11

we, we decided to try that a little bit, do spend a little bit of money and hopefully get some good results. We always need more bodies. The main thing is if we can't do a patrol safely, we have to cancel. We have had some occasions luckily none Reese real recently, where we've had two or three people show up. And unfortunately, we can't do a patrol with that few we're just not going to put ourselves at risk and summers coming up. We need those patrols. We've got got a definite need. It's gonna be crazy again,

J

Jimmy Carper 11:41

John Q patrol get this great t shirt. You know, the Q i love that kid with the lambda on it.

11:49

That was a design that came out several years ago that we've actually got trademarked and such No kidding. Have it as our official logo. So we're

J Jimmy Carper 11:59

sometimes you have to tell people that the lambda is the Greek letter L that was I guess it was the GA in New York in 1970 adopted it as the official official logo for the gay movement. Right?

12:16

We have a lot of people that think it's just a fancy why? Hey, you're wise upside down the print shop that did our original signs. In fact, you know, they they did substitute a Y for instead of making a little nice seal like they should have. It was a little tacky. We still haven't got that fully rectified. You know, we explained to him what it was all about. And they said, Well, we've got cues in our library we can use without all this extra stuff on him. Had to explain to him that that's the we want the extra. We've got to have that's the logo.

J Jimmy Carper 12:49

Get a clue here. Now that coffee, no kidding. No kidding. No. It's pretty quiet tonight.

12:58

So far. We need to get back out on patrol and keep an eye on Okay, get running.

J Jimmy Carper 13:02

I'm glad you stopped by I'm glad you stopped by every week. We try to and you know if you can't flip me off and Moon me.

13:10

I will probably just wave down for a while we we build back up to

J Jimmy Carper 13:14

how boring just a way, all of this time and that we're just waving at each other that we've shared so much. Oh, well. All right. All right. That's my Q patrol. Okay, we'll be back in just a few minutes. I'm gonna give you a piece of music right now. It's something brand new from

Bronski be? Well, not exactly brand new. It's a wonderful remake of a tune from the 70s called and if you're listening to us tonight, you'll agree with it. I love the nightlife show. So you like that song? Oh,

S Stacy Bolding 13:58

I like it. She sounds really close to the original.

J Jimmy Carper 14:02

Very and it's not a she? It's not Bronski beat. Oh god. Oh, yeah. Wow, they made a big splash in the 80s with small town boy. Yes, that's when Jimmy Somerville was with them. And then they Jimmy left and went out on his own and had a couple of groups and now was you know, doing stuff on his own. And they kind of faded for a while and they've come back with this new CD. I like and I really liked this remake that they did. I can't remember the name of the woman who did the original one. I've got it at home. Like Viola wheels are some

S Stacy Bolding 14:42

okay, I was going totally the opposite direction. I was thinking down to summers

J Jimmy Carper 14:46

No, no, no, it wasn't Donna. Okay. So I think it was Viola Well, okay. Or Wales or

S Stacy Bolding 14:53

something. one hit wonder.

J Jimmy Carper 14:54

Yes, I'd say exactly. But she but they just she has that kind of voice. voice

S Stacy Bolding 15:01

so today, they have a couple

J Jimmy Carper 15:03

of others on here they have a remake of the small town boy that they do kind of slow. We may do that.

S

Stacy Bolding 15:09

Can we do it on the QM z is my request. Sure. Cool.

J

Jimmy Carper 15:13

Be glad to. And we're gonna go to another. What about Matthews daughter? Matthews daughter you may Matthew Momo. She's graduating. That's right. That's right Western

S

Sarah G 15:29

Southwestern Texas I believe. Oh, yeah. She's she's gonna

J

Jimmy Carper 15:32

be a pediatrician. I didn't hear that part.

S

Sarah G 15:35

Yes. Well, you know, you don't listen anyway. So.

J

Jimmy Carper 15:40

Yeah, it's that time of year. In fact, remember a couple of years ago when Buddy was still here, that I read this this essay on gay life that was written by an eighth grader. This girl named Sandra Corcoran. She's graduating from from high school now. Yeah, yes. I I've known her since she was one year old.

S

Sarah G 16:06

You've known a lot of people. I think all of us have been one.

J

Jimmy Carper 16:14

Anyway, she, she, she she's been around gay men all of her life. And so she had to do this ESA essay in the eighth grade and she wanted to do one on on gay life and how it evolved and I loaned her my library and she did this great thing got an A plus on it.

S

Sarah G 16:32

Yeah. You know like you know that you know. Tracy. what is it? Tracy Ultman? Yeah. I don't

Yeah, you know, um, you know like you know, Stacy, what is it? Stacy umm... Yeah, isn't syndication door watches are everyday now that she's a housewife? Oh, and she's she, she has a character. And she has a father and her William. And she was doing a class report one time and you know, her teacher was saying, Well, this is really good. But why don't you leave out the William part. And she was having a battle with and she talked to her dad and her dad was like, you know, we love you. We love you. Blah, blah, blah. And so you know, it's up to you if you want an A or if you want to, you know, have William in. So she did her thing and made a special thing to her. Really. I mean, even you know, sweet life and all these different things is coming out on television.

 Jimmy Carper 17:17

So Dora is a housewife now. Yeah, she quit her job. She's staying at home watching TV. Yeah, how big is her button now?

 Sarah G 17:29

Not as big as your face.

 Jimmy Carper 17:31

It's gonna be No, that's right. I know Dora. Know Dora. And I'm gonna hear about it. That's her probably on the phone right now. What? Oh? Okay, music. Here we go in there. Okay, yes. The International is that rough? No, the fabulous PopTarts it's queer dance group. Okay, have a new CD out and we played this one before for Yeah, it's number 12. And, and I really like it and it's called Planet pop. And here we go. To planet pop. Is good dance music, fabulous. Pop Tarts. And you're hearing that on after hours radio with attitude on KPFT Houston and KEOS College Station. Bryan. And with me tonight. Well, I'm Jimmy. I felt

 Stacy Bolding 18:32

that was queer radio with that. Radio with attitude.

 Jimmy Carper 18:36

Oh, it's queer radio. We're radio with attitude slapper. After hours gives a permanent voice to the gay lesbian, transsexual bisexual leather community. Yeah, that's that's why we use it. Because it's all of those things. And Stacy's with me tonight.

 Stacy Bolding 18:57

Hi. Yeah, back no time. Yay. Yeah. And I'm loving it.

J

Jimmy Carper 19:03

So So what have you been up to? I mean, here she is all in black. Brand new collar collar. Cool.

S

Stacy Bolding 19:11

I sneaky way to wear it. Where you have you have this is the new one. What do you

J

Jimmy Carper 19:17

have around that?

S

Stacy Bolding 19:18

I just got this one tonight. Some kind of like a leather choker with a heart for silver harbor heart and silver bands. Okay, I just got this one tonight.

J

Jimmy Carper 19:31

So what's the meaning of the okay the sober heart that's okay. Little bands on either side pretty okay. Profession Jim. Yeah, like in the means and this means

S

Stacy Bolding 19:51

it No, she this. This is the collar right ankle with the law.

J

Jimmy Carper 19:56

It's a chain with a lock around your ankle. Yeah,

S

Stacy Bolding 19:59

we were talking about it. Last month, the different ways that callers can make the different types of callers

J

Jimmy Carper 20:04

Yeah, que sera, sera de Palma wears one around her neck. Yep. It's very similar.

S

Stacy Bolding 20:10

Yeah, it's plain old chain collar and I was gonna be out and not be in a. I was gonna be out at the airport. So I figured it was a neat way to wear it.

J Jimmy Carper 20:21

That is anyway. Okay. Yeah, we're, during the music. We were talking about what we were going to do tonight, right about trying to give a kind of a semi schedule here,

S Stacy Bolding 20:30

right in about what 17 minutes, we're gonna have about a 4045 minute interview with Don Gill, one of the grand marshals of the Pride Parade. Yay. How

J Jimmy Carper 20:41

did you scope that?

S Stacy Bolding 20:42

I called him and asked him. Actually, that was easy.

J Jimmy Carper 20:48

And did you tell him it was for after hours? And he said, wow,

S Stacy Bolding 20:52

definitely. Yeah. Oh, cool. So that that's about 4045 minutes.

J Jimmy Carper 20:57

Okay. So we'll be starting that about quarter up.

S Stacy Bolding 21:00

And then we're going to slide into QM zero and z around 130. Yeah. And that's usually what about an hour? Well, half

J Jimmy Carper 21:08

hour. depending on, you know, because I do take requests. Okay. good requests for queer

music. And you can call them in right now at 526573852 6k P ft. Clear radio with that. That's right. That's right. Well, that's right. For the Kate. The K EOS folks.

 Sarah G 21:30

Right? Well, not only that door, and I've been going to Austin for the past, like three weeks or maybe three months. I don't know the difference. But

 Jimmy Carper 21:38

we've been listening for she's been out of work that long, huh?

 Sarah G 21:42

Yes, but I have to go to work.

 Jimmy Carper 21:44

Okay, so you've been going to Austin, and

 Sarah G 21:46

we've been trying to see how far we can hear KPFT. And on a good day, we can hear it in Austin. So it's not just Bryan College Station. I mean, you could pick up 19.1 far. So for all the people out there in, in bum. That's the legal way of saying I see. I mean, really, we were just out there, you know, in the middle of night. That's incredible. Oh, we don't have a live What are you looking at?

 Jimmy Carper 22:15

Nothing else to do?

 Sarah G 22:17

See, just see how far KPFT will go. You're that

 Jimmy Carper 22:21

type. Okay. So that then what are we going to do? Hey, Paul, I know. After two and in the two o'clock hour

S

Stacy Bolding 22:29

that I was going to do give information on negotiations when you start a scene, or even when you start a relationship with somebody, you need to lay some ground rules, you need to talk about how you feel where you're at what you expect, what you don't expect, what they expect, what they don't expect. negotiate your code, word, things like that.

J

Jimmy Carper 22:51

Okay, and this is mainly for the leather scene, but maybe not. Maybe you can use some of these things in your everyday life.

S

Stacy Bolding 22:58

You can use it in your everyday life. Just talking about okay, this is where I'm coming from. This is where I'm coming from. Okay, great. We're thinking along the same lines.

J

Jimmy Carper 23:07

Yeah. Because it seems to me as someone on the outside looking in that the people in the leather community have much better communication skills.

S

Stacy Bolding 23:19

Yeah, have to. You seriously have to? I mean, I would want I would not want somebody I don't know, and I don't trust doing to me what I enjoy. I just would not put a knife in a stranger's hand and say, Oh, please, yeah, right. No, that seriously has to be somebody I trust and I care about you otherwise. And what you find out is it carries over into your daily life. Sure. It just does. You're not thinking about it. You just do it. It carries over. So I was gonna do a little bit of information on negotiations.

J

Jimmy Carper 23:58

Okay. Okay, that sounds good. All right.

S

Stacy Bolding 24:01

You popped another city, and

J

Jimmy Carper 24:03

yes, I did. It's one of my all time favorites. This is Holly Johnson lead singer from Frankie Goes

to Hollywood. Yeah. And they're relaxed. Well, you know, a while back, there was a big rumor going around that he was dying. Uh huh. Well, that was about a year ago. And let me tell you, the kid ain't gone. He's back and with a vengeance. He's doing a song called legendary children, all of them queer. And when you listen to these names, see how many that you knew? Were queer, legendary children. Holly Johnson. Oh, yeah, Holly Johnson. Does that sound like the man who's dying? No, I don't think I think he's gonna be with us for quite a while. Yes, Holly Johnson in a who's single? It's out on CD, legendary children all of them. We're not the only one. I didn't have it that that handbag person I don't know if you heard that one. No, I didn't. I don't know who that is. I know just about everybody else and he mentions in there. Okay, so what's going on kid?

S

Sarah G 25:20

Oh man,

S

Stacy Bolding 25:21

all kinds of stuff is going on this weekend. We are looking at Sunday, May 28. At br Bs is the Miss Gay Pride and No kidding. Yeah, that'd be fun.

J

Jimmy Carper 25:35

Oh, yeah. To be unsure. That's a fundraiser for somebody. I mean, it's like every Sunday night BRB does fundraisers for somebody sometimes. Yeah.

S

Stacy Bolding 25:46

Oh, yeah. Always. The other thing is pet patrols birthday party. Is that venture in? What's the Saturday June 3?

J

Jimmy Carper 25:57

Oh, okay. That's that's next Saturday, next

S

Stacy Bolding 25:59

Saturday. Okay. And I'm sure you can just show up at any time at venture in.

J

Jimmy Carper 26:05

Oh, yeah. They'll be nice just to stop by to support pet patrol. What a great organization. Yes,

S

Stacy Bolding 26:11

it is. One of their members lives right around the corner from me. Oh, yeah. Yeah, Jill, she's really sweet.

J

Jimmy Carper 26:18

I know, they had a they had a problem with with Pet Smart store a couple of months ago. Yeah, they were. The people at the particular pet store says Petsmart store that they went to were kind of snippy. And, you know, for, for them spending as much as they do there on a monthly basis. You know, like, not get a discount or anything like that and get snippy with. Yeah, it's kind of tacky, but it sounds it. I've heard that they've since ironed it out. So I'm not here to say let's let's boycott Petsmart or anything. But you know, you shouldn't have to put up with snippy

S

Stacy Bolding 26:58

in any No, no, no, no. Anything you do? Absolutely.

J

Jimmy Carper 27:02

Oh, you know, Priscilla plays every Saturday at midnight now. You know, I think that's really damn nice of me to talk about Priscilla playing every Saturday at midnight at River Oaks three when we're here every Saturday night. But you know, hey, what a great movie. Yeah, if you get a chance to go you know if you haven't seen it, or it's gonna give competition to Rocky Horror, because it's gonna be playing every every Saturday night at midnight.

S

Stacy Bolding 27:32

fest What's this stuff too fast is gonna be out and about loud and proud. Yeah, Wednesday, May 31st. At 9pm at Bacchus

J

Jimmy Carper 27:43

oh, what's going on at Bacchus? Just, there's just gonna be

S

Stacy Bolding 27:46

out there. Yeah, we're gonna be out. We're gonna be loud. And we're gonna be proud.

J

Jimmy Carper 27:52

That's great. Yeah.

∅

27:54

You have something else did I? Oh, oh,

J

Jimmy Carper 27:58

terrific film. But this is coming up June 14. This is like two weeks away. So but it's a terrific film that I've rented before. And it's going to be at the Women's Network June 14. And they made every second and fourth Wednesday's Forbidden Love the Unashamed story of lesbian lives. This is a great film about lesbian lives from the 50s and what it was like sounds like fun it's that they interviewed a bunch of women in Canada and native Native American Native women and and other women and it's just terrific.

S

Stacy Bolding 28:41

where's that going to be showing out?

J

Jimmy Carper 28:42

I'm looking this is gonna be film Night. I guess it's at Yeah, Montrose counseling center. 701, Richmond.

S

Stacy Bolding 28:53

Okay, great. Well go. Yeah,

J

Jimmy Carper 28:56

let's go all out. Make sure you're saying now.

S

Sarah G 29:01

No, girl. I'm just saying for other things that might come up.

J

Jimmy Carper 29:05

Oh, yes. Absolutely. Five to 9037 You know, I just I just being with the switchboard. I thought everybody knew that Montrose Counseling Center's 5290370 I know it's just like, I know, switchboard numbers five to 930 to 11. And the hate crimes hotline is 5299615 and Jim's home phone number. I'm listed. I've been listed last 25 years same location and then it's same price. No, no, no, no. No, I erased that.

S Sarah G 29:42

Honey, it's embedded.

J Jimmy Carper 29:43

Oh. Anyway, this this film is so good. *Forbidden Love*. It's got an interview with an Banyan. Okay. Wrote series on Bebo. Bebo, Brinker? Yes. She talks about her coming out In the 50s, and you know, things that were expected, and he was just really good. And throughout this movie, they've got like two women who they've got their meeting in a bar in the 50s. And all this kind of it's like a *Pulp Fiction* type thing. It's really clever. And at the end, they finally get together and they get in bed and it's kind of they do the nasty. Yes, they do. There's much less. Sounds like fun. It's a great, great flick. Do

S Sarah G 30:28

you have OUT magazine?

J Jimmy Carper 30:30

Yes. Not with me. But why? I just

S Sarah G 30:33

was on the cover. OutSmart No, not outsmart Out. Out. just outed somebody. Oh, no

J Jimmy Carper 30:41

kidding. Yes. Maybe I don't have the new edition.

S Sarah G 30:44

I don't know because they were saying it on another radio station commercial radio station that we will not give the name of. They were saying it this week. And they outed Keanu Reeves. No, really, and you know who she's supposedly going with? Oh Geffen.

J Jimmy Carper 31:03

Oh, David Geffen. Well, I'm not surprised that that you know, I'm

 S Sarah G 31:06

pretty sure what that money. Yeah.

 J Jimmy Carper 31:10

I was reading an article about without Jeffrey Gavin dealt Gavin Jeffrey, Jeffrey Gavin Dillard, a poet who has also done porn and all of that and Ben Geffen's boyfriend and he wrote a tell all book, and Geffen got the publisher to not print it. So he is finding an alternative publisher for his tell all book. Yes. Sounds good. David Geffen part of the gay mafia of Hollywood.

 S Stacy Bolding 31:44

Wow. Oh, I just picked up the copy of gender outlaw. Oh, yeah. I've read a little bit not enough to give a decision. But I like

 J Jimmy Carper 31:52

Oh, yes. Yeah. Yes,

 S Stacy Bolding 31:54

I like it. I'm gonna go home and read some more. Oh,

 J Jimmy Carper 31:57

terrific. Yeah, perfect. Well, it's getting close to that time. Yeah. For your interview.

 32:01

Yeah.

 J Jimmy Carper 32:02

Tell me how you did it. Did you call them up? And? Yeah, dude over the phone, or did you meet?

 S Stacy Bolding 32:08

No, no, I met him at his house. Cute, quaint little house and he raises chickens

J

Jimmy Carper 32:16

raises chickens. Like you mean like the feathered kind? Yes. Okay. Just asking, Hey, what do I

S

Stacy Bolding 32:22

do know, he raises chickens. And he's got a great little place. He calls it his own little pizza heaven. And I liked it. It was really nice. It's my first interview. And he was so patient with me and so sweet about it. So thank you, Don. And I thought I could do it. Like I usually do the radio show. Just bring everything in and go for it. No, no, can't do that. Oh, so for the next ones. We're already starting on three pages of questions. We've already started that. Okay, so a lot of this is from both of us off the top of our heads, but it turned out pretty good. That's great. I like

J

Jimmy Carper 33:09

it. Okay, interview with Don Gill, someone that the community needs to know more about, because I mean, he's just been quietly doing a lot of fundraising for this town for a long time. And it's about time he got some some recognition. And you're hearing it on after hours. Queer radio with attitude on KPFT Houston, and KEOS College Station, Bryan, and you're listening to Jimmy and Stacey. Yay. And now

S

Stacy Bolding 33:38

done an interview with Don Gill. When I'm here talking with our male grandma grant Marshal, for the gay pride parade, Don Gill. Hi, Don. How are you tonight? I'm doing just fine. How are you?

Ω

34:00

I'm great. Thank you very much.

S

Stacy Bolding 34:02

Oh, I love your home. It's gorgeous.

Ω

34:05

It's my little piece of heaven in the middle of Montrose.

S

Stacy Bolding 34:08

I like it. It's so convenient to everything. Well, the reason I'm here is because you are one of the

grand marshals for the pride parade for 9090 95. Yeah, 1995. How does it feel? I mean, do you feel honored?

34:28

With the things that which my community our community has bestowed upon me in the last year and a half? Someone asked me recently said Don, how's it feel? I said, Well, it's like a beautiful bait cake. Because cake is my favorite dessert. And then after I was nominated and selected as Grand Marshal, that same individual came to me and said, Now how does it feel? And I said it's the icing on that cake. Oh, honored very

S Stacy Bolding 35:00

Wow, I was wondering how that would feel. Well congratulations. And one of my jobs on the radio is to not only bring a female voice to the radio because you know, Jim Carver is my co host, but also to bring the leather voice. And the rumor has it which we talked about this a few minutes ago. Was you are the first leather SM fantasy Grand Marshal. If you are or even if you're not, how do you feel that has brought together our community? As far as unity because from the leather sem standpoint, we are a minority within a minority. And I know and you know how important community unity is
