02:10

Hello, Houston and welcome to after hours queer radio with attitude. Her every Saturday night at midnight right here on KPFT Houston and ke o s College Station. We are at the sound of Texas. I'm Jimmy Carper. And with me tonight is

02:32

oh Peter, Peter and Connie Linda bang my my my and Miss Linga is that the ever so impressive? Flexi Lingus Alexei lingers as the ever so impressive Imperial core to the single Wizard of the star that David I don't know whatever. I can never say that one breath

02:53

it is the coronation night is coronation night. And this is where they announced the new empress the it is an emperor

03:00

and emperor. And we don't know who that and we don't know who that is. Now we've got big boy toy toy. We're trying to get it Yes. Trying to use his press pass to figure all this out.

03:11

And let's see, of course is a member. She's Imperial, Imperial Prince Princess Royal. Oh, well, Royal Sovereign and imperial court of the single star. You

03:22

can say that? Yes. How come God never blessed me with that little talent to say those little words in one sentence? I'd never do that.

03:30

I'll tell you something interesting. Yeah. It's a wonderful organization.

03:34

It is wonderful. I just can't say it

03:36

that raises money every weekend for different groups. The first wonderful first time I heard about the court was when I first let's say I just started with the Gay Lesbian switchboard and that was back in 1988. Early 1988 January 1980 years ago, we were on a bar tour because that's kind of what how do we know that you would

04:05

be doing a bar tour Hello.

04:07

Well actually they have with the switchboard because so few people on the switchboard actually go to bars that they have bar tours so that people on the switchboard know what the insides of the bars look like, so that they can tell people

04:20

not even gonna go there. You got an inside of the bar.

04:26

Anyway, we were at this at one of the bars on the tour and I picked up this new letter and it was by the from the royal court, Royal source,

04:37

material court. I almost did it. I almost said it right. Oh, but it was probably

04:42

hardly anyone at the switchboard had ever heard of this organization. Yet, in this multi page newsletter, there was a full page endorsement of the switchboard. And I thought that was I thought that was a class act. Really? I thought that really was because they just did it. and they have been doing fundraisers for the switchboard ever since how nice yes wonderful organization and so tonight is

05:12

well in one of my will not go there well, but I know some other princes people oh do you? Yeah,

05:19

yes very well.

05:21

So there's lots of royalty there are lots of things and it goes on till three or four in the morning yes it does. It only knows how

05:27

and I don't know when they are saying they announce who the new empress is they do toward the end of it isn't it

the end of it, isn't

05:36

it? Well, I got only nose through deserts at the end so I presume they're gonna heighten right to the right right but I don't know because maybe they get is tonight tonight. They name all their

05:47

their I can't I couldn't tell you. I've never been

05:51

in ditches is I think so. I think they just do that. And then later on they have the the other ones where they named the world, all their friends to high important royal

06:02

polish and not know I do not know. Thank God. I don't know that might just one day. Yeah. Speaking of someone in heels of vehicles, and we spent a time last week talking about the crew of Olympus

06:18

Did you couldn't be here. Well,

06:21

let's make them Why did you know oh, I've waited until this way shell and I talked about it because she was there last year. And then right after that I played a couple of songs and incomes some people from the switchboard who were attending bar and I was very proud of our switchboard. I think there were 12 people who were volunteering for the team to do do that. And the out of that 12 Stephens house provided for

06:55

well, we hadn't when that Ritu Yeah, well, yes, they did. Okay. And

06:59

the switchboard had eight.

07:01

Yeah. And that we had there was a bunch. Yeah, so I think money takers and BB absolutely 432. And as a

07:08

matter of fact, of the woman who was here, Evelyn Carroll who's on the switchboard, her lover who happens to be in the banking business, took over the bank there. And she said, Boy, that money was really pouring in.

07:22

Well, the bar did about five. Wow.

07:25

I'm bored. Yeah.

07:27

And so it'll be interesting to see where all this goes.

07:30

Good. Good. Good. Good.

07:32

Big fun night. By and we couldn't be here we'd know. Because because he was in it. Part of the entourage.

07:43

And I already talked. The theme of it was games, people play games, games people play and there were four. Just tantalizing floozies they're better known as the capacity so nasty sisters and dressed in two were dressed in black slips with red hearts and

08:06

diamonds. What do you call applique applicants

08:09

the other day we're in red slips with black applications

08:13

of spades and yes, yes, yes. And God knows it. Winner was the queen of hearts.

08:21

Well, I'll tell you most I think all of those girls were girl so all those girls were chunky. Were yeah full figured women. Generous. Generously Orangetown

08:33

yes little production yes certificates now they know me by first name. Oh, it's running into Foley's and trying on slips on the floor. That was cute night. I'll bet yeah, I had four or five people looking at me like I was like, yes. Do you want me to tell you the real fun thing?

08:53

Well, I want I do want to tell the audience that that you were you are a large person or a full figured woman full figured okay. And you were in a wig with with makeup and short. Black slip and with

09:10

red feather feather boa at the bottom.

09:13

And he did not shave his chest hair or his mustache? Mustache. So it was it was sad. It really sad oh

09:24

my god if you don't get out of that. You make such a far better looking woman than you. So that was Eminem, makeup and mustache. It was every bit of that and they said get out of that you make a much better look at man. Did you see me before in my lovely gorgeous yes I did. Yes I gorgeous three plus \$100 some odd gown in green and beads and she was a drop dead.

09:55

That's right. However, then we had

09:57

to return to that

09:58

decidedly plus Sighs gowns,

10:01

but it was beautiful. Yes, it was gorgeous. Our music was, she's beautiful. She's beautiful. She's beautiful. Dammit. And we were beautiful. And rip that off and put on these gorgeous little things. And out we came and it was a show. So it was well, you know that I mean the crew ball is is to die for yesterday. I mean it is a cross between a Mardi Gras parade and a Las Vegas show. Yes, it is. And when you have some of those costumes are 1000s of dollars with I mean, when you go by and feathers, they're like 12 for like 200 bucks. Yes. And I mean to tell you this, they've gotten rave reviews this year. But some of those costumes are just just hundreds of feathers. Yes. And 100 1000s of dollars and Yeah, put on so I mean, these guys really knock themselves out. And they give all their money to charities to and then yeah, and they do their own stuff to make these gigantic, very expensive costume. But what you needed after just being having your palate inundated with gorgeous costumes was for portly ladies. Oh master nothing, just to Cleanse the palate. And so out. We came in various occasions to Cleanse the palate.

11:19

Our palate was so cleansed.

11:22

But we made big duckies Hey, big spender number. Just see me with my high kid. Well, rather high kicks.

11:32

Fortunately, I was way up front. So you were ahead of me. And I didn't. Oh, the new sauce from the back. I saw it from the back. Oh, I did not get the thrill of looking up your dress?

11:43

Well, let me tell you. There's many people who

11:48

did oh, and I'm sure they're really happy about

11:51

that. Well, we got loads of there was a woman from a very from Enron. Yes. Who I ran into the other day. And she found out what I did, and yada yada and she knew this ahead of time. And then I walked having been previously talked about, and I walked in all this woman did was take one look at me and go, oh. And I was just you know, regular street things. And I went, Oh, my God, my fly's down or something. I can't believe this is you? Jesus, I was in the front row. Don't you remember me I was in the silver dress. And I went I was not trying to look at anybody at that point in my life. came up to the guy next to me and shoved his face into your business and I went Oh, no. So yeah, it's out and I've ran across some other somebody that in the bar the other night said to me, I can't believe you didn't shave your pits. And I went, you obviously miss my jester mustache. Give me a break.

12:59

That person is too kinky. Well,

13:02

they obviously were wrong. Yeah, I mean, you know, they also missed a load of other things

13:11

they were many things that weren't shaved and were hanging and very centered other things that they could have very easily been looking at. I said you sick little thing I know it I know. But it was a fun fun fun night and we've got nothing but rave reviews on the end I have seen yes the rough draft of the video. Oh, oh not pray there was a video there will oh it is there's a video every year there's gonna be just too cute for words. I managed to stay out of the camera because I knew where it was. Yes. So I managed to get out of it. A lot of times they got me doing that man on the front row. And there's a still of me in the dressing room. But my address I and my legs are sitting there dying with these heels. Yeah, so when everybody I mean the briar patch you could not squeeze up another piece in there with all those people. And everybody says you got to wear your silver dress I thought Yeah, right. I am so anxious to get out of these heels. Yeah, thing off my heads right oh no baby No. No makeup. So there I was in tennis shoes, jeans and full

14:25

face makeup. And I love it. We love it with one of the persons with you as fancy pace Laurent better known in our community as Bill O'Rourke,

14:35

indeed,

14:37

was one of the candidates was a hoot was a hoot also, she just couldn't keep her headdress on. Well,

14:44

she didn't want to and then we had some real stage presence from because one of the other canasta sisters completed diamonds is also in this camp America. Ah, so she's got previous runway experience. Yes, it were I I

15:00

thought a couple of those girls looked like they had been Oh, that wasn't a friend around the block.

15:07

Well, this was my virgin period.

15:10

Well, it was an appearance.

15:13

Oh, you had to go there?

15:14

I did. I did. I had to go there. Oh,

15:19

think you know, I have something really fun. But

15:22

the first we need to tell people or remind people I mean, yeah, I know people just don't tune in just for this show every week.

15:30

Oh, no, they don't listen to be missing it this week because I was supposed to be on last week.

15:35

Kpf because they listened to other shows on KPFT. So they know what's going on right now, which is our winter THON.

15:43

When to THON if you can't go ski and give us your money.

15:47

It's right. It's our winter. pledge drive. It is and we are looking for your pledge of support for this show. And for KPFT.

15:56

We need it, baby. We need it. We have a little gold tonight. We got to reach. So Eric, yeah, sitting out there. And did you land? If you haven't done it, pick up your little phone and call us at 526 KPFT 5265738. That's your little pledge. And it can be something really simple. You know, anything is fine. We can do your credit card, we can you know, pick your wallet. If you come to the station. Yeah, you can get extra freebies if you come down here because I've known Jimmy to take \$10 out of various places on people's body when they've showed up.

16:29

Yeah. And I'll even grope you for free.

16:31

16:31

Oh, hey, I'll give you more than that anyway. And so if you come down here and you can pay or you can we'll take it from your credit card. We'll take it from well with you can give us a check. And a little teeny dab like you can give us like, say you gave us 35 bucks. Yeah, for your membership. Yeah, that's gonna get you bumper stickers. Yeah. Now, if you stop and think about it, that is nine cents a day. That's incredible as I spend more than that, you know, now the real one, what I would give would be like the \$75 pledge, because that's 21 cents a day. Yeah. Which is like six a month. And for that particular little \$75 pledge, you could get in lots of fun little things like that, because it's 60 you get T shirts and mouse pads and all kinds of stuff. So your gifts. Yeah, but I go to bars, and I don't buy packs and cigarettes. Hmm. As you just do, like, Give somebody a quarter and have a cigarette? Oh, well, because I would rather spend like to go and have eight and not smoke a pack when I get home. So I mean, that would be like a cigarette.

17:33

Okay. Sure. Or actually, the \$90 pledge would be like a cigarette. That's 24 cents per gram.

17:39

Exactly. You're the 90 \$90 plan. If you just give us that little dab of whatever you can give us even if all you can say I've only got five bucks. I really you know love what y'all doing? Sure, that'd be great. That'll help us get over our goal. And it will keep KPFT on air now. Now and this is you may listen to this show. But trust me if you are up at all our anytime tomorrow, turn on and catch the blues. Every Sunday. It is sigh just all the way from early morning Claire to Nui Nui now, Nikki Nikki went all the way down to the afternoon. It is just too fun. When he does I just love I call it and having to Stevie Ray Vaughn cuz I love He loves Stevie Ray. You too. Yeah. And I've seen more than one live concert from that man up in New Haven and Arbor

18:25

Yeah.

18:26

Oh boy. Well, my brother before dead.

18:30

Oh, yeah, yeah, I am. I

18:31

mean, it's hot. Oh, it's so good all day long. We do that. Oh

18:35

my god. Oh my gosh. Oh. My guy is Joe's Roadhouse. Joe Montez Yeah, he gets that kind of rock in the blues you know, it's

18:46

just I know and I mean ever show it is all day ever seen this man? Which what Joe Montana is the one that does the show. Were the ones Yeah, the

18:55

one that Yeah, the one that does the drills Roadhouse. What are hot looking little number there. Really? Yeah. Oh, yeah.

19:03

God, all the good liquids. Yeah.

19:05

But you know, you can look

19:06

Hey, hey, anyway, anyway, the other theory shows on this particular station, that, you know, I don't care what you know, you don't have to be just gay to listen to the stuff. There's just 1,000,001 Yes on. And if you would give us your little support that will keep us there. And you will continue to hear all your favorite little shows.

19:27

Now there's something else I want to mention to these people please do we have we know that there are public other Public Radio's stations and TV stations, you know, yeah, that stuff like that. And they also do fun drives and we recognize that but you know, I was I was enjoying one of these other public venues and during their fun drive and it's like they had the these incredible programs that they were they were putting on during their fun drive. It was just it just You know, he just couldn't, couldn't stay away. You just have had to be there for it because there was just these fantastic things. And then the next week when when you tuned in it was like crap,

20:11

really. And one of them with my lovely FM station, which I listened to regularly a lot. But isn't it amazing that it's really, really fine. Yeah. And then all of a sudden I have that on they go, where did they get this? This crap? Yes. That by the end of the month. Yeah. That's usually their bad week. I've just noticed this just

20:31

Yeah. And what I want to tell everybody out there that that we don't do and a special show, four out for fun drive. This is the way we are all the time. But you see, it is what you get. What you hear is what you get to

20:45

hear your year, your button in your nose and whatever. But anyway, wherever you'd like it wherever you want it. Put it but the that's true. And we don't, but it's just really solid breaks all the time and the fabulous alternative to some of the other things. Yes, yes. Yes. Those many wonderful shows like on Thursday. Oh, yeah. Oh, yeah. We have a great show on Thursday night, which you have a lot to do with you humble thing.

And I came back and just you can't download. I hate it. I hate it. I hate it. I hate it. 713713 Can we just say 771371713526573852 6k P F T,

21:59

Oh my god just himself and things and it's he don't want to say we don't want to say no, that's they don't have to say we do. So keep him busy and his little nibble digits on my phone. So he doesn't have to like do lewd and lascivious things. And it just there are

22:23

several other people in there who you would who would love to hear from you.

??..??

11 22:27

Anybody who wants to come out tomorrow Guess who's going to be tending bar? Mary?

-----

25:50

Who is? Me? No kidding. What's the deal? Well, it's

25:54

PTB how they charities ah, I'm helping my Mr. Wonderful dog Gill.

26:01

He is Mr. Wonderful.

26:02

He does everything every day. So yes, he's nice and he is great friends and really is a nice guy. We're gonna be crazy. Hair salon owner there's

26:12

art. Yeah, yeah,

26:13

we're gonna be nuts. Yeah, so people can come out with it. Don't want to watch the boys love each other. So anyway, in honor of that,

26:20

go to Mary's and watch the boys

26:24

but sleeping Super Bowl a dad. Anyway. Yeah. I have this wonderful. In honor of Yeah, Super Bowl. We have a soul. Those though football story. Al Davis had finally put together the perfect Raiders team and 98. Yeah, the only thing he was missing was a really good quarterback. Well, he's got it all the colleges and even the high schools and he couldn't find a ringer quarterback that would ensure Super Bowl win. Then one night while watching CNN. He saw a warzone in Bosnia. Yeah. And in the background. Out of the corner of his eye, he spotted this young Bosnian soldier with a truly incredible arm. Oh, he threw this hand grenade straight into a 15 storey window at 200 yards away and kaboom while he threw another hand grenade into group of about 10 soldiers and a good 110 yards away and community and a car passes go at 90 miles an hour, a bull's eye right into a barely open window. I mean, this guy is great. You know, bigger houses. Yeah, have this guy. You know, he's got a perfect arm. So it brings him you

know, to the states and searches him out, finds this guy brings him to the states and teaches them the great game of football. Wow. Predictably, the young man breaks all NFL records for complete passes and the Raiders go on to win the Super Bowl. And that's nice. Well, the young Bosnian is, you know, just lionized as the great heroes Super Bowl 31 or whatever it is. Yeah, whatever when it was and when Al asks him what he wants. All the young man wants to do is to call his mother. Ah, that's nice. Well, mom, young man says into the receiver. I just won the Super Bowl. I don't want to talk to you. The old woman says in her Bosnian accent. You just deserted us. You're not my son. I don't want I don't think you understand. The young man. Please. He said I just won the greatest sporting event in the world and I'm in the middle of 1000s of adoring fans. Now let me tell you the mother implores at this very moment there are gunshots all around us. The neighborhood is a pile of rubble. Your two brothers were beaten within an inch of their lives last week. And this week your sister was way raped in broad daylight. Neil lady pauses into tears and she said I'm never forgive you for moving us to Oakland.

28:58

Boy, you sleep Oh, weirdo. Yeah, well, you know,

29:02

it is Super Bowl weekend. sports. Sports. People are you know, they're they're not always the smartest. You want you? Well, now we know there's all kinds of stories about how you know when when when you go into sports scholarship, you know, you have a special curriculum and all that kind of stuff. So we have some sports quotes. Oh, sports quotes. Yeah, we can do sports quotes okay. For like basketball player Chris Washburn when he was commenting. Commenting on his ability to drive to the basket. He says, Yeah, I can go to my right and my left. That's because I'm amphibious.

29:49

Thing Thank you. Thank you and your basketball player at the University of Pittsburgh, saying, I'm going to graduate on time, no matter how long it takes. So yeah, that's our sports. Yes, yes, yes. And here's Joe Theismann, who the Big Joe Theismann. I've heard of sports football commentator and former player. Nobody in football should be called a genius. A genius is a guy like Norman Einstein probably said on the air on the air. Yeah, no. Okay. And you know the coaches are sometimes I'm not too swift either. Bill Peterson, a Florida State football coach was quoted as saying, You guys line up alphabetically by height.

30:43

The whole damn practice section. Let me figure that out. You need a computer to do that. I

30:47

get a couple here on Shererville O'Neal. Oh, yeah, Sher. Okay. Well, here, you know, he went to

got a couple here on Shaquille O'Neal. Oh, yeah, Shaq. Okay. Well, here, you know, he went to he. He took her on the offseason who went to Greece? Oh, nice, you know, went to play drop the so I don't know why. Oh, well, that's one way to pick it up

31:06

ever went there?

31:08

Well, he was asked whether he had visited the Parthenon during his visit to Greece. And he his reply was, I can't really remember the names of the clubs we went to.

31:20

He said, Yeah, let's hear for sure. I was in Greece. I probably never the clubs. I went to either, but Oh, well.

31:33

Probably bikini people out there. And the one thing I like about sports, you know, it's such a butch thing. I mean, you know, it is

31:42

straight. Yeah. And so absolutely. Like in 1991 tauren. Poke at University of Houston receiver. Oh, was commenting on his coach John Jenkins. And he says he treats us like men. He lets us wear earrings.

32:00

Hey, ballcap. Right. Well, they are all

32:08

very to that. Football. Did you now

32:11

want to know my real claim to fame? Oh,

32:14

you told me once. And

32:16

my ultimate claim to fame. Yes. It have one. It's not this radio show. Where I used to coach Tom Cruise.

32:24

That's right. That's right. That's what it was. Yeah. Yeah. He's he's kind of short but kind of cocky.

32:33

You could say that. In sixth, seventh and eighth grade. So at that point, it probably wasn't. It wasn't he was short. But that guy. Yeah. Yeah. Wow. That was my big claim to fame. I also coached high school football. Did you as junior varsity in Michigan? Whoa, is there just no into this?

32:51

32:54

Well, hey, we're very versatile. And it's been anything. But since football is such a such a you know, it's not just I have this non kind of gauge up anyway. I mean, just for all because we have straight people to listen to and I figured they might hell, half of our listeners are still really bad. Either the big fairy like you hear they'd all be good. Anyway, Henry Ford dies, did he? Well, he did well. But yes, he dies and he goes to heaven. And at the gates, the angel tells Ford. Well, you've been a good guy. And your invention, the assembly line for automobile changed the world, certainly. And as a reward, you can hang out with anyone you want and heaven. Whoa, that's really nice. So Ford thinks about it for a little while. And he says, Well, I want to hang out with God Himself. Whoa. Wow. So it'll be feathered Angel says at the gate, looks forward to the throne room and introduces him to God. For then ask God, Hey, aren't you the inventor of woman? God says? Yes. Well, Ford says you got some major design flaws and that invention. There's too much front end protrusion, it chatters at high speeds. The rear end wobbles too much, and the intake is placed too close to the exhaust. And God replies Hold on. God goes to the celestial supercomputer, typed in a few keystrokes, waits for the results and the computer printout slips of paper and God reads it. It may be that invention is flawed. God replies to Henry Ford but according to my computer, more men are writing my invention than yours so for all

your girls out there, my boys right you didn't get bored. So more people are writing my invention. I see so at the break time oh and as you see the great things they're going to do on Superbowl commercials

How many times you see their logo just repeat, or their initials? JF, Bev, what the hell anyway? And then you call this one? 800 number? Yeah. And give them your name. And how many times you saw that? And evidently, the first person with the right number, gets this Hummer. Wow. And somebody else is doing that too. There's going to be a commercial that has mistakes. In fact, that's matches Mac. Oh,

36:11

36:12
