 J Jimmy Carper 00:01

That was the menstrual tango. She's got a new one coming out pretty soon. Okay, yes. Chris is with me now. You are listening to after hours. I'm Jimmy Carper and Chris is with me. We're just gonna hang out, have fun. Play music, your requests I hope at 5265738 We'll take your pledge and or requests.

 C Chris 00:25

We swear Marbella. I got a feeling she doesn't like us.

 J Jimmy Carper 00:28

I don't know. I don't know.

 C Chris 00:29

Pat Robertson. Musta. Got to the phone died. Yeah, it's sad.

 J Jimmy Carper 00:34

It is sad. I've got a couple of things I want to do here. Let's see. Have you been by the way?

 C Chris 00:40

Oh, a little bit of my voice. If you heard me last week, my voice is getting a little better. I've been getting less Butch

J

Jimmy Carper 00:47

laryngitis or whatever it is. You've got creeping cred? I don't know.

C

Chris 00:52

Oh, the doctor says bronchitis one week. The next week acid reflux. I'm waiting for next week. I'm gonna wonder what he's going to call it then. Oh, my. I'm just waiting for him to give me the really good pills. The kinds of pills you go to bed and it's like you wake up three days later. Oh, that kind. I could use a good three day coma. We're gonna now it's been that kind of year.

J

Jimmy Carper 01:16

Been to any good restrooms lately? Hey, just asking

C

Chris 01:21

developer like a member quack to you. Hey, ladies and gentlemen, proof positive. We actually are listening in the lobby for a change. Yes, yes. Unlike the news reader who wasn't?

J

Jimmy Carper 01:31

I see. Okay, well, I've got a list of some some actual things that were unrest room walls.

C

Chris 01:38

Some of the best reading you can find is on a restaurant wall.

J

Jimmy Carper 01:41

Yeah, from a women's restroom. In Murphy's in Champaign, Illinois, was the best way to a man's heart is the saw his breastplate open.

W

01:51

Oh,

J

Jimmy Carper 01:54

well, even worse. The men's restroom at Murphy's in Champaign, Illinois, says don't trust

anything that bleeds for five days and doesn't die.

 Chris 02:07

Ladies and gentlemen, we've sunk to a new

 Jimmy Carper 02:09

Yes, we have and you can stop this. It's a great follow up, though to the minstrel tango. Yes. You must. Yes. You must admit that.

 Chris 02:19

Jamie Anderson, and maybe she'll include that. She can make that her tango, I bled for five days. And still, I'm kicking.

 Jimmy Carper 02:29

Actually, Jamie Anderson is president of tsunami records. And

 Chris 02:36

for the Jeopardy questions, spell tsunami,

 Jimmy Carper 02:38

TS is something tsunami and she was the one who provided us with those tapes that we gave away. of women's music.

 Chris 02:48

Oh, yes. The was at the December promo.

 Jimmy Carper 02:51

Yes. Yeah. Well, it may have been before that. Oh, that was right. That was another one you were giving. Yes. But it's, I still have a couple of more. If anybody would like them. All they have to do is give us a call at 713-526-5738 and tell Roy, what you want. That's

 Chris 03:10

what you want. He'll usually try and accommodate you as best as he can.

J Jimmy Carper 03:14

Now this is my personal favorite of things that were written. i Well, maybe I'd like to read this one last because it is my personal favorite. Okay. Okay, well, this is why you've probably heard this is in the women's restroom of Dick's last resort in Dallas, Texas. Hello. A woman's rule of thumb. If it has tires, or testicles, you're going to have trouble with it.

C Chris 03:42

old tried and true.

J Jimmy Carper 03:43

Yeah, yeah. And that's that was go for guys here. Yes. How about from our mom's pizza in Washington, DC. If life is a waste of time, and time is a waste of life. Then all let's all get wasted and half the time of our lives. What do you think of that one? But then this is it. This is my favorite from the Perkins library at Duke University in Durham, North North Carolina. It says and for us older people who's who are fading fast beauty is only a light switch away.

C Chris 04:31

That's a good one. That's

J Jimmy Carper 04:36

we all look better in the dark County. Yes, we do.

C Chris 04:39

And some of us it's just different degrees.

J Jimmy Carper 04:43

Some of us need it, like pitch black,

C Chris 04:47

wait for the total eclipse of

J Jimmy Carper 04:49

it and then go to Carlsbad Caverns.

C Chris 04:55

Where's someone from the Institute of the blind? Yeah, sometimes that helps.

J Jimmy Carper 04:59

Oh, boy. Okay, let's see. Well, you

C Chris 05:03

really have gotten rid of your computer virginity. Yes, I

J Jimmy Carper 05:05

have I have. I'm having a trouble though. I'm having trouble. And I'm starting to get pissed off with AOL. Join the Club. Well, no, I've had AOL, you know, ever since on what, four or five months now. And everything's been fine. But all of a sudden, I can't get on the net. And that's where all the good pictures are. Well, that's where everything else. I mean, I can get emails and send emails. But I can't get to the net. It gives me the strange signs. It's a thing that says i e, three.proxy.aol.com. And then then tells me that

C Chris 05:45

okay, that's starting to sound familiar. When you told me that before, I wasn't sure.

J Jimmy Carper 05:51

And then later on, you get the small window in the middle that says they can't find the site. And it's just driving me crazy, because I can't. I mean, that's half the fun. Oh, yeah.

C Chris 06:05

I go in and look play on the computer for hours on end there.

J Jimmy Carper 06:08

So I've, you know, I've been writing them little memos every day, and they've been sending me

little memos back, which are totally useless. The latest one was on the fourth day, after I've, you know, been writing to them fourth day. And they say to me, they say, Well, it sounds like a problem with the connection. And most of the times, if you sign off, and then sign back on, it goes away. And you also lose, and I say, Okay, wait a minute here. For days, I've been telling you about this, you know, how many times I've signed on and off? Give me a break here?

 Chris 06:52

Well, that's unfortunately, the the horror stories of AOL, when you market yourself and get millions and millions of people in there and you can't handle a million, well,

 Jimmy Carper 07:02

then, you know, they got about three days left, and then I'm going to another carrier. That's all there is to it.

 Chris 07:08

As long as you can get your pictures, that's the strange thing

 Jimmy Carper 07:12

is, I discovered that I could get a discount on AOL on AOL. And so I, you know, I went in, and I changed it from the the regular 2195 per month, 290 95 a month with the discount. And this problem has been happening ever since.

 Chris 07:32

So \$2, you do get your money's worth for \$2? I

 Jimmy Carper 07:36

don't get on the net. is what it sounds like. Okay, a rant on AOL. Who else is there to go with, though? I don't know. I guess there's a lot of different

 Chris 07:46

Well, there's a lot of local places, but at AOL, unfortunately. What you do, you're able to talk easier and chat rooms to people from around the around the globe. Yeah, you get something local here. You're only going to be able to talk to the guy across the street.

 Jimmy Carper 08:02

J Jimmy Carper 08:03

Well, that's not what I want. I like I like the global thing. Because I'm on different lists.

C Chris 08:09

Yeah. Well, if you're, if you're, if you're doing spending a lot of room in your chat rooms, then you're probably going to want to stick with

J Jimmy Carper 08:16

actually, no, I find them boring.

C Chris 08:21

And I always just eavesdrop and look and go, okay, and sit there for 20 minutes watching no one writing a single thing. And then I look at everyone's little screen names. And there's no one interesting that I want to talk to. And I go through and I go wait a minute. And it's that's the downside to it. You know,

J Jimmy Carper 08:39

the other thing that I find very interesting is that you don't have to get on any website. You have to type in everything precisely. The precise address.

C Chris 08:57

Well, yeah.

J Jimmy Carper 09:00

However, when they start, when people start typing the message after it, it's like, what the hell happened to the grammar here? I mean, half of these things I can't even read. I just have to. It's like a foreign language. What does? What does this idiot trying to say? Oh, y'all don't understand. Yes.

C Chris 09:22

Actually, Jimmy, I have an email from you that you had a typo in so we won't bring that up, though.

J Jimmy Carper 09:26

I'm not talking about typo. I'm talking about you know, you can't even read it.

G

Gary Norman 09:30

It's incredible. Michelle wanted to jump in. Oh, I thought you were complaining about having to type the address just perfect. No, I don't mind that. But it's like television. If you have just a regular television like I do not. If I want to listen and watch PBS, I picked up because there's a lot of space on either side that's not being used. If I put in Channel Nine instead channel eight, I won't get anything. But if I put in channel eight, and I sit there and listen, it could just be a bunch of garbage. So it's the same thing. Yes, times when you have to be extremely accurate.

J

Jimmy Carper 10:17

Well, if people can be extremely accurate, accurate there, why can't they type a sentence that that's readable?

G

Gary Norman 10:24

Well, I mean, they get your address and zip code, right and get it to get the letter. Right. And then what's in is a bunch of garbage. Yes, exactly. It's the same thing.

J

Jimmy Carper 10:33

It's too weird. It's just too weird.

G

Gary Norman 10:36

So I mean, I've never really talked on I have gone a couple years ago to chat rooms, and they're all right. If you want information, you can be on any of the servers, either local or, or national. As long as they have the total connection, as long as you get on to the if you're not interested in chat rooms. In go almost anywhere. Well, yeah.

J

Jimmy Carper 11:01

I'm not interested in chat rooms after I've been on a couple.

G

Gary Norman 11:05

Or whatever that is. I mean, that's what Sarah you

C

Chris 11:10

know, she's,

G Gary Norman 11:12

she's like, well, that's flash net. That's part I think that's part of Hotmail,

J Jimmy Carper 11:18

Hotmail Yeah.

C Chris 11:20

We've got, I've got a personal issue with Hotmail. Oh, here we go. Yeah. I lost all my emails. He sent me breathing on them.

∅ 11:30

Maybe it's me, who knows? It could be me. It's pretty bad. We

C Chris 11:33

need those windshields indoors.

J Jimmy Carper 11:37

That's all the hot air. Anyway.

∅ 11:41

So I find

C Chris 11:42

here anyway. I'm watching love or compassion here.

J Jimmy Carper 11:48

Anyway, it's 231. In the AM. You're listening to after hours? The front phones are asleep, and the phones are asleep. And we want to hear from you at 713-526-5738.

C Chris 12:02

Or it's worth the money just to hear him actually have to say 713.

J Jimmy Carper 12:05

Yeah, it is. I

G Gary Norman 12:06

know, we've always done that when we ask people to call in and give money, not a certain person.

J Jimmy Carper 12:13

Never mind. I have a publication in front of me called Houston's other news weekly. And I think it it's taking the place of the one that just the public news. Yeah, the public nucleobase news

C Chris 12:28

that it's the resurrection of sorts

J Jimmy Carper 12:31

it Yeah. And the whole issue this this week, January 27 is called it's a queer thing. And it's about time, and it looks like a negative of the community center. Is that right, Michelle?

G Gary Norman 12:48

Oh, yes. Yeah, I mean, you could actually read the 803 on

C Chris 12:51

Oh, that's what threw us we didn't know about and I look at we look at a little bit closer. We're going, Wait a minute, this this building was a little familiar.

J Jimmy Carper 12:58

It's a big article about it, isn't it? Yeah. And I see a name in here many times.

G Gary Norman 13:04

Well, what? When, when Chris saw it, Chris said, Oh, here's the thing on the community center, and I said, Oh, give that to me right away. We'll use that in the news. And I started going through it. And I went a little further. And I saw a name. And I went a little further. And I saw the same name again. Michelle

J Jimmy Carper 13:21

Meyers. Michelle Meyers. Michelle. Michelle.

G Gary Norman 13:23

Okay, embarrassed? No, but this guy called me up and wanted some information. And yeah, so I talked to him I talked to him for about 15 minutes. I said, Well, cool. I don't really have been given some I can give you some deep background. You know, I was just trying to do you know, Deep Throat, you know, all that stuff. So I gave him the background. And I gave him some information. And then I ended up as making quality than the article over and over and over again. So it was embarrassing, but I'm gonna send it home tomorrow. That's great.

J Jimmy Carper 13:55

That's great. It's wonderful. And it's it's usually kind of a club magazine newspaper kind of well really it's taking trying to take the place of the Houston press and find all the good news yeah where you find all the alternative stuff and they have some some really terrific the articles the best

C Chris 14:15

part about it is the news of the weird

J Jimmy Carper 14:17

Oh there they have the news weird weird because that you know, I really missed that from the I even

C Chris 14:23

went and started getting it getting it emailed to me at work at my email address really, you can get they'll they'll email you have an issue from a couple months ago. And I was getting it there for a while and for some reason it kind of stopped. But that's the whole issue. Know this

J Jimmy Carper 14:39

Dahveed. Garza played tonight at Fitzgerald's and that's I played his music here. He's He's a gay artist. He has the Texas sound. It's not so much openly gay or anything but he is a gay performer. Ooh,

C Chris 14:57

I remember you heard it here last

J Jimmy Carper 14:59

Saturday. Garza the the six months ago,

G Gary Norman 15:06

what's this news of the weird?

C Chris 15:08

It's where they take real headlines. Yes, the real story Jupitus things you can find in the news. And they tell you the whole story. It's like, if it wasn't for the fact that it's an actual news story, you would swear these were made up. I mean, story of a guy or woman who found out her husband was cheating on her. She poured a pot of boiling grits. On his genitals. He was sitting on the commode.

J Jimmy Carper 15:36

Ouch.

∅ 15:39

On the command, it's

C Chris 15:41

read the paper.

J Jimmy Carper 15:42

Yes. It's real story. It is bizarre things that that have happened around the world.

c

Chris 15:49

It's kind of like where Jerry Springer does his research. It's that sort of

J

Jimmy Carper 15:54

good, good. It could be that yes, yes. Why don't we got a piece of music and come back and chat some more

c

Chris 16:01

amazing music during the q&a? Yeah.

G

Gary Norman 16:05

You're listening to music. We'll be practicing our spiels

J

Jimmy Carper 16:08

Yeah. Yeah, that's 713-526-5738 Kpf. Boy, something KPFT Oh, yeah. We're still looking for that in \$90 pledge. I really want 120 But we'll settle for 90 120 Well, hey, 90 new 90 is the deal though. You can get two T shirts. Isn't that deal? So in the meantime, how about something by two nice girls a group that's not around anymore, but Gretchen Phillips is lesbian who's He's done a lot of other projects. This is the first one I ever heard of Gretchen's and it's still my favorite. And we do get requests for this so enjoy it ah two nice girls spent my last \$10 on birth

c

Chris 17:17

controlling beer. Sounds like we're getting ready for a rodeo. Oh,

J

Jimmy Carper 17:20

you know that is coming up, isn't it? I don't know when it is telling you the true

c

Chris 17:26

crazy advertising our newspaper for some reason you're trying to get us down there.

J

Jimmy Carper 17:31

Well, you know and good old T gra Texas gay Rodeo Association. Does one of the concession

stands at the rodeo every year everywhere. They get a lot of money for that. I mean, that. That's one of the nice things that people may not know about about the rodeo, the Houston rodeo livestock rodeo livestock show is that their concession booths they give to charitable organizations as a fundraiser.

 Chris 18:02

I didn't know they did a specific I knew the whole thing was scholarship. Yeah, right. Yeah, but

 Jimmy Carper 18:07

so the tgr right Texas gay rodeo has one of the the concession stands and they run it and from they can always use volunteers to do that too. You don't have to be a member but you you know it's it's it's a nice thing to do to help teach era and get lots of bucks in because T gra lets in that they get like 20 \$30,000 a year that they give away too.

 Chris 18:37

Okay just think of all the tight jeans you get to watch oh yes there may be saw the legs down a little bit on the concessions they're gonna bend over there. Yes, people some ideas start taking notes.

 Jimmy Carper 18:53

I had a request for music from a group I have not heard about and looks pretty good to me John and beatdown wanted to hear stereophonic Frey called Hoover phonic I'll check that out. phonic Hoover phonic. I used to be called Old Hoover mouth but hey, that was a long that was long, long ago long ago longer

 Chris 19:24

back when J Edgar was stay you two were fighting over the last pair of pumps, I believe. Oh, bad so bad. I'm taking a pledge we're gonna try and be nicer to you next week. What

 Jimmy Carper 19:36

Wednesday we're gonna happen.

 Gary Norman 19:39

We're gonna try. So we've gotten one pledge.

c

Chris 19:43

The pledge Well, we got that pledge and there was a can of furniture polish floating around here.

J

Jimmy Carper 19:53

That was yes, there are. It is 243 and a half in the am Coming up at the top of the hour at three o'clock will be Big Daddy j with

c

Chris 20:06

the Red Eye especially. That's right. I wasn't sure if you're looking for me to fill in the blank. See if I was paying attention.

J

Jimmy Carper 20:11

No, no, it's just, you know

c

Chris 20:16

actually knew that one all the servers in the back of my head the other show was coming in there.

J

Jimmy Carper 20:22

Here's here's some things, actual facts. Actual it's true. You can look it up. 12 newborns will be given to the wrong parents daily.

c

Chris 20:35

12 newborns yes in the world.

J

Jimmy Carper 20:38

Okay. 315 entries in Webster's dictionary will be misspelled.

c

Chris 20:47

Now where do you go to check that? Is that a pledge sheet I see in your hand.

J Jimmy Carper 20:52

You betcha. You betcha. And I'm really happy to get it.

C Chris 20:58

We certainly can tell if you're in the studio.

J Jimmy Carper 21:00

Yeah. Thank you, Mark. Oh, that's cool. And on credit card to oh, that way we get their bucks right away. And that is so so cool. I appreciate that. Oh, thank you. Thank you. Thank you. Oh, that's nice. If

C Chris 21:15

you want to know what you've done to Jimmy it's we can't describe it on the video.

J Jimmy Carper 21:20

So that number is 713-526-5738 Did you know that a 10 gallon hat barely held six pints.

C Chris 21:31

Someone actually fake tried to There you go. But depends on the cowgirl who's wearing some of those hats. Some of the hair that they put up try and put a tag on.

J Jimmy Carper 21:40

That's true. Yeah, that have to be a different hat. A cow produces 200 times more gas per day than a person

C Chris 21:49

that I think everyone here in the military was checking out that is that really I remember being one of those things there was a federal research on the effects of Cal Gas on the environment area. Yeah. Your tax dollars at work

J Jimmy Carper 22:04

at ducks quack. doesn't echo. Nobody knows why.

c

Chris 22:09

Well, if it is if it's in the quack bath.

J

Jimmy Carper 22:11

Well, I screwed up. Whoo, boy, you had to be listening about an hour ago to get that joke.

c

Chris 22:18

It probably wouldn't have helped.

J

Jimmy Carper 22:21

A quarter has 119 grooves on its edge. Hope in the world counted them and a dime has one less. Time only has 118.

c

Chris 22:34

So if you want to really groove it doesn't matter if it's coin or if it's a quarter or a dime.

J

Jimmy Carper 22:38

Yeah. Here's here's another one that you actor Tommy Lee Jones and Vice President Al Gore. were freshmen freshman roommates at Harvard. Isn't that incredible?

c

Chris 22:56

That kind of gives you a reason for not wanting to go to Harvard

J

Jimmy Carper 23:03

Oh, well. Oh, well. There was something else here. That was kind of kind of funny. I'm gonna get it folks. Hold on. Yeah, you can say Mr. Lars, here we go. Mr. Larson hired himself a new secretary. Here we go first. She was young, sweet and very, very polite. One day while taking Dick tation No, no. Just just taking dictation. She noticed

c

Chris 23:32

become the president. Well,

J

Jimmy Carper 23:35

she noticed that his fly was open. When leaving the room, she said Mr. Johnson, your barracks door is open. He did not understand her remark. But later on, he happened to look down and saw that his zipper was open. He decided to have some fun with the secretary calling her in he asked by the way, Miss Jones. When you saw my barracks door was open this morning. Did you also notice a soldier standing at attention? And the secretary who was quite witty replied why No sir. All I saw was a little disabled veteran sitting on two duffel bags. Oh oh whoo whoo. Yeah, that was like that. That's a girl that okay, well, whatever. Okay

C

Chris 24:34

it's almost as bad like when we wanted to get this guy to go into the doctor's office and took off his shirt and doctors because of the hairy chest you could tell he was bold enough for all the benefits of social security? Yes. And the wife said well, why didn't you put on your pants and go for disability there? Yeah. We're sinking to new lows and so far we are we are and surprisingly it's not Peter sitting here for the thinking of a new low.

J

Jimmy Carper 24:59

Bye If you could help us in in that sinking by giving us a call at 526-573-8526 KPFT. Let's go to a little song right now. While we're waiting for those phones to ring, it's a little something by Dean McBride from his album Molly Boy, you've heard it here before. But it's, it's it's fun. It's just a fun song. And you will recognize it too. No matter what age you are, and you're hearing it on after hours queer radio with attitude on KPFT Houston and ke O 's College Station Dean McBride my heart the lungs to daddy little Pepe little Yeah, I got I think we need a little pipping up here close to three o'clock.

C

Chris 25:56

Surprisingly we are I think we're a little more chipper than sometimes. Yeah. Yeah. Normally we try usually tone it down. They're trying to get people into the blues marathon.

J

Jimmy Carper 26:06

Yes, yes. That's coming up. Right in about less than 10 minutes. Big Daddy j will be starting the fabulous, fabulous blues Sunday.

C

Chris 26:17

And they come up with a fancy title for that. I mean, it's like, what? 15 hours of blues music.

J

Jimmy Carper 26:21

I know. It's incredible. And all different types too. Because big daddy start to get has kind of the he he's got a traditional old, older style and you go all the way up to Joe Vaughn Tez. He does kind of newer stuff with a lot of rock mixed into it.

C

Chris 26:36

Yeah, one thing a lot of people may not realize with think with all the radio programs you hear on KPFT. If you were here when the changeover occurs, it's like a military operation. Almost every DJ brings in their private library.

J

Jimmy Carper 26:53

Well, you have to

C

Chris 26:54

and I mean, Jimmy has got an airline bag from thin air. And this pink crate,

J

Jimmy Carper 27:01

yes, I bring in 150 to 200 CDs every week.

C

Chris 27:06

I mean, he does that Big Daddy J Maxx about five trips out to his car bringing in his stuff. One time we we covered for the next show. And was here for the six o'clock blues show. Yes, they bring in an army of like 10 people, the show before it brings in their own turntables. This is this is not professional radio, you are listening to people's private Library's Yeah, of music that they like and I think you'll like and that's one of the great things you get here on KPFT. And someone is feeding back again.

J

Jimmy Carper 27:38

I don't know why that's happening tonight. I only have one mic on. In in. Well,

G

Gary Norman 27:45

it shouldn't be feeding back. Yeah, no,

C Chris 27:46

I don't understand that for a moment. We had the one out in the lobby on like, Oh, great.

G Gary Norman 27:51

Oh, my goodness. Maybe we did know that I wouldn't make sure. You want to hear a funny story. Yes. I heard during the news that the Holyfield Foundation had a reception last night for the recipients of the grant, right. And I just kind of tagged along, kind of like because they gave money to the task force and then on the National Gay and Lesbian Task Force. And they were giving money to the community center and I'm on the board of the community center. So I just kind of showed up to talk to a few friends and see what was going on. The conference room is fantastic, are really and I mean I've been there for a couple of events, it is really nice to not only feel foundation just does a fabulous job. And they had their standard fare of orders and things like that. They put out through gifts, all kinds of really neat vegetables and everything like that and I was looking and of course I saw two things. I saw this pile of brownies gay look just delicious. And I was gonna get over there and get up but there were a few people and I didn't want to push over too quick. And so sitting right in front of me was just fabulous looking pie was all creamy inside and it had this covering on it. And I got a little taste of the covering and a covering was just delicious. Absolutely fabulous fruit gel on the top. So I went and I took one of the lives that was there and I cut a slice. It wasn't a huge slice of pie but it wasn't a small slice of pie. Anyway as it turned out, as sophisticated as I am what I had done as I cut a piece of the BRI pie, so I ended up eating this huge with a fabulous I thought it was I thought it was some kind of creamy thing. It was fabulous, brave I had this huge piece. And probably everybody thought, Where did she get a piece of dessert like that? It was. It was a portion of the cheese that people were supposed to be using the silly to honestly crackers. Well, I struggled and struggled, but I managed. And when I got finished, I had sticky fingers.
