07:02

And I'll tell you what the gay movements about after I got elected, I got the phone call. I knew I'd ventually get got quite a few of them. One was from a 17 year old child in a small town in Minnesota. And the boy is handicapped. And the boy's parents found out he's gay. And they want to put him in an insane asylum. That boy needs help. In the gay mood is about the letter I got from Southwest Africa when he read about a gay person getting elected here. And that person has hope. And that 17 year old kid in Minnesota has hope. And we have gay leaders not understanding that and are more worried about their own personal power. They're not Elite is offensive.

07:53

Those began with a routine police raid on a homosexual bar the Stonewall on Christopher Street in the heart of the West Village.

you know some people got a lot of nerve. Sometimes I don't believe that things I see in here. Have you met the woman who shocked by two women kissing and in the same breath tells you that she's pregnant. But gays shouldn't be blatant. Or the straight couple sits next to you in a movie, and he can't hear the dialogue because of the sound effects. But gays shouldn't be blatant. And the woman in your office, spend your whole lunch hour talking about her new bikini drawers and how much her husband likes them. But gays shouldn't be playful. Or the hip chick in your class. rattling a mile a minute while you're trying to get stoned in the John about the camping trip she took with her musician boyfriend. But gays shouldn't be blamed. You go in a public bathroom. And all over the walls. There's John loves Mary Janice digs, Richard Pepe loves the Loris, etc. But gays shouldn't be blamed. Or you go to an amusement park, and there's a tunnel of love and pictures. The streets painted on the front and grinning couples coming in and out. But gays shouldn't be blatant. Fact is blatant Heterosexuals are all over the place. Supermarkets, movies, at work in church, in books on television every day and night. Every place even in gave us and they want gay men and women to go hide in the closets. So to you straight folks, I say Sure. I'll go if you go to, but I'm polite. So after you

17:53

What do you think of the gay liberation movement?

17:55

As the the gate Oh, as a game of Right. Right. Right. This is um, I think a person I think I mean, I think first of all, we're gearing up in the bill in the constant in the in the Bill of Rights in the Pentagon Papers, someone has some important documents. It says I mean, there's there's there's a passage about minimum about me about to has an inalienable right you know, has the has the right to be to be I mean, I think that includes being rare means you should be able to do any cut you should I think that has to do with if you want to practice your own Purina in whatever, any place I mean, wherever the effect takes, I think that that certainly is your I mean, what I mean what is what is freedom of speech, everyone's freedom of speech, I mean, without without, without freedom of freedom of sex. I mean that not much to speak of, I assure you and personally in my I think there's there's in my view, the I mean, after I mean after all, pervert pervert the pervert ASA I mean, it's in the it's in the eye of the beholder.
