That's okay, we're here for you too. So sit back, relax and enjoy this week's edition of after hours.

02:30

a lot of Peter and we

P

Peter 02:31

I don't have a clue. paged her called her she don't write don't send flowers. She must be off on a surprise. You know ever since that boat docked in Houston. Yes. I think that's I think that's a happy lollipop line that oh, that now sails out of Houston. And now that that boat is closer, I think that girl's out for that midnight buffet again. You know how she likes to you know how she does that buffet heard them. bodacious thought I was all set to do a bunch of wonderful little things about lesbian things in here. She didn't here to do them. I know. I know. We just had a wonderful little things I was ready to do a test about femmes and and bags and stuff. Oh, is it gonna be fun kidding? They never called I don't know where she is missing in action.

03:30

We got to finish we

P

Peter 03:31

call the jail jeez Oh floor John that went up. Maybe?

03:43

You think she got a cell with our friend from prison? Who?

P

Peter 03:50

She went up and finally. Wouldn't that be a hoot? Oh, baby. There she is up there. Our friend who sent you those large yes with Yeah. Mo now I know. Yes. Time bed is still my bed still on the midnight buffet. Priority. They're probably she can eat all night at midnight buffet for us. Yeah, big boys

04:18

is after hours. Well, we're gonna have Oh, you got for what? We have got

P

Peter 04:25

things we have got a few really kind of cute little joke things. We've got some great pickup lines. In case you're sitting at home and didn't go out tonight because you just didn't know what to say no. Special person got

04:39

those pickup line we've got you know, and you you're never you're never too old to need new pickup lines. You know, really they do work. Your sign is just like, oh, yeah, you know, nobody cares. You

Peter 04:49

can't do that anymore. So we got some great lines for that. We're going to do some what's going on in our fab town. Oh, good. I mean, you know there's Phaedo coming and great things out I'm a really and let's see. Well and outside the pickup lines, I think there's sort of if you read the new book that's out which one? Well, it's called an insider's guide to the Gale may be the Hebrew, but they'll do that for me see if I can get my tongue out of somebody The Insider's Guide to the gay male vocabulary. No, yes. It's true. I got I got a few of those. So people will now be able to decipher what we queens are talking about. And we'll probably have a top 10 Ah, good old top two good old top 10. And oh, and tonight. Yes, we have giveaway. We certainly have a bazillion giveaway? Do we do we do and we're going to classify him by various sorts of things. You know, there is going to be this great new movie in town Tuesday night to open seats United Greenway three. Which is, do you say? Oh, yeah, Tuesday, the 30 at 730. That's what this is called different for girls.

06:05

It's a great movie.

Peter 06:07

Great. Have you seen it?

06:08

No, I haven't seen it. I know the synopsis. Two guys growing up once a jock one is a nerd. And the jock is always protecting his nerd friend from the bullies who want to beat him up. So they have this friendship when they're kids. They separate. I guess after high school does that they don't see each other for a long time. Then they run into each other years later. And the nerd has changed. Sex has transition become female. Well, we have and then the rest of the movie explores their romantic relationship. And what it means, you know, what does it mean? What is this gender thing? And you know, oh,

Peter 06:50

it says expect the unexpected. We have a to a beautiful little. Like, what are you posters and giveaway thing? Whatever, whatever. And it's invite you and a guest to this special advanced

screening of this great romantic comedy starring Rupert Graves, you know, and that

07:12

Rupert Graves was was Morris Maurice Murray's that 10 years ago. Oh, and he got all naked in that moment.

Peter 07:23

Is that in video? Oh, gosh. Yes. Oh, and

07:26

he gets on this one too,

Peter 07:28

07:42

The last time that we had one of these ticket openings, and they say you know it doesn't guarantee a seat. You know, it was only about three quarters of the house was full. So we could have taken Yeah, we could have had a lot more folks. This is sponsored by Lobo, Fox 26 KPFT. And the Houston voice and these these passes are provided by Sara Gish at Landmark. Oh, you know, it's like a 20 buck. subscription and every, every quarter they send you a CD with awkward music on it. Allah is experimental. Yeah, Christian Johnson is one Have the singers with trip records. And he has his own CD out called King Baby. And I wanted to play at least one heck yeah. Okay, let's go to it. It's called Steven.

Because that we have a really good chance of, of electing a nice to city council. And it would be the first time we had an openly gay person at the table at city council. And there's really no one more qualified than a nice. Well, I think she's been working in this community for hours. Yeah. But she did. She could use some people to help out, you know, do phone stuff, you know, call people up and say, Oh, that's fun, too. For Nice. Yeah. And I've got a phone number here. Her campaign headquarters is 713-521-7338 that 713-521-7338 Or if you've got a computer, it's Parker 97. At Neo soft.com

Peter 19:17

There you go. There you go. And that would be something everybody's looking for something to do. sitting out there with, you know, like, I don't have anything out and again, nice is good. But

19:28

yeah, she can see she's really good. And God

P

Peter 19:30

knows wouldn't it be cool? Yeah, to have somebody openly you know what, uh, you know, where and it's not

J

Jimmy Carper 19:35

that she's, she's just a lesbian. I mean, she has worked for all the people. Oh, yeah. Yeah, yeah. It's not just lesbian and gay issues here. No, no, she's not. Yeah.

P

Peter 19:47

Well, lesbian gays are just people. Yes. They're just bad people point.

19:51

And a nice is a people. That's cool. We need to get that people.

P

Peter 19:57

orks. Good. God. Our listening audience just took a step down, orks. Sounds like some new year for the nine year olds. We don't play in nursing homes this hour. The night precious.

20:40

We play everywhere, baby. Oh, I

P

Peter 20:42

know. I bet you played the nursing home. I don't want to go there though. Oh, Jesus. Oh, I have a great line. But if you think I'm using I'm not. Okay. Did you know there was an Aggie from Texas a&m college that was down on his luck. And in order to go figure Yeah, really. And in order to raise some money, he decided to kidnap a kid and hold him for ransom. What? Really? So he went to the playground and grabbed the kid and took him behind the tree and told him I've kidnapped you. And the Aggie wrote a note saying I've kidnapped your kid tomorrow, put \$10,000 in a paper bag and put it beneath the pecan tree next to the slide on the north side of the city playground. And he signed it and ag the Ag then pinned the note to the kids shirt and send him home just shows parents it gets better next morning the Aggie checked and sure enough a paper bag was sitting beneath the pecan tree and the Ag opened up the bag and found \$10,000 with a note the note said how could one egg you do this to another

21:59

that's pretty fun isn't back you

P

Peter 22:01

Don't you just love yes I do. Yeah. Oh there we are a low egg you jokey just bought a Joe please call? Yeah Hispanic for two movie five movie tickets in a number. Oh

22:17

he's desperate Fox. He's given it all away.

P

Peter 22:20

Oh, got it. Well, any would do. But don't you think how? Oh, I won't even go there. Oh, yeah, you will. The office would be such a more happy place.

22:33

I mean, if you are getting some regular now but it'd be Oh, I have a bad joke. All right. You ready for a bet Joe? Really bad Joe.

P

Peter 22:41

Okay. I'm gonna tell them what you do. Don't

U

22:46

ever remember it but somebody, somebody printed it out for me. I couldn't read it.

P

Peter 22:54

A dramatic reading James carpet. Yeah.

U

22:56

This is one of the weirdest jokes I've ever heard in my life. Okay, go baby on a farm out in the country lift a man and a woman and their three sons. Early one morning, the woman awoke and while looking out of the window onto the pasture, she saw that the family's only cow was lying dead in the field. The situation looked hopeless to her. How could she possibly continue to feed her family now, in a depressed state of mind? She hung herself. When the man awoke to find his wife dead, as well as the cow, he too began to see the hopelessness of the situation. And he shot himself in the head.

P

Peter 23:38

She's talking about if it weren't for badnik be No, no, no.

U

23:42

Now the oldest son woke up to discover his parents dead and the cow, the cow and he decided to go down to the river and drowned himself. When he got to the river, he discovered a mermaid sitting on the bank. She said, I've seen all and no the reason for your despair. But if you will have sex with me five times in a row, I will restore your parents and the cow to you. To hell with it. Well, the stellar grades to try Oh, okay, but after four times, he was simply unable to satisfy her again. So the mermaid drowned him in the river. Now the second oldest son woke up. After discovering what had happened, he too decided to throw himself in the river. Their mom Ray mermaid said to him, if you have sex with me 10 times in a row. I will make everything right. And while the son tried his best seven times, it was not enough to satisfy the mermaid mermaid and so she drowned him in the river.

P

Peter 24:44

So far, we're about mom, dad, a cow and two kids.

you did always do an old favorite

26:44

from after I know let's an anniversary show. That's right. That's right. This is what Johnson used to play all the time. And

Peter 26:52

while this song is playing Yes, we would like you to call in for your free passes to different for girls Tuesday September 30. Greenway we have a bunch of those to give away tonight. And we will take your calls preferably ispanani oh

27:10

five to 657 3am I listening inside Montrose give us call. Five to six KPFT and now Romanovsky and Phillips with so many gay men, and so go there yet. All these people who ask for straight looking straight acting people, you know really how straight to somebody look when they're underneath doing stuff. Anyway Romanovsky Sorry.

Peter 27:39

It's art weeks later, honey is in town.

27:43

Got about half a dozen CDs out there. That's great stuff. gay stuff. They're celebrating gayness celebrate.

Peter 27:50

Oh, if we're gonna celebrate gayness? Yes. I have some coffee. Yeah, I'm

27:58

sure they love that. You're

Peter 28:00

like that out there and radio land. I have some great pickup lines. I did some research. Did you? Well, you know the research staff. I think Connie took them on the good ship lollipop with down to eat it. Eat out the wild man. Oh, yeah. Why not? Cafe? She's not here. At face. I knew that's

what they're having.

28:24

That's right. Her eyes are rolling back in her head right.

Peter 28:28

Now the ship channel. You didn't can't finish. Anyway. So she took the entire research department on the cruise or something. So I had to personally know yes, do market research and go out to each and every bar in this town.

28:43

Oh, I bet that was a job. It

Peter 28:47

was a job. It was hard work. Well, it was and all I had to do was stand around. Listen.

28:57

You can help with some new pickup lines.

Peter 28:59

I came up with some of the cleverest little lines I overheard couple were trying to meet didn't go anywhere of course, but overheard.

29:07

There must not have been Hispanic. Yeah,

Peter 29:10

well, you got that right. Anyway, so as we have heard these great lines, and here they are. I was standing at the front little watering hole by the mining company there, you know, which is like you go around in circles, which is Oh, yes. And you can either stand in one spot and everybody walks by you or you can walk around look at everybody either. Walk. Grow up, I'm sorry. Anyway, I heard this one guy walk up to this other guy and say, Do you believe in love at first sight? Or do I have to walk by again? Just guessing I said oh no.

29:58

And then maybe I'd have Have another couple of beers

P

Peter 30:00

I think. Yeah, well, it was not a match. Then I dashed across the street. To Jay Yvonne right. Junior's Yeah, with the foreign bar, different bar. And there was some guy standing there in a very pressured queue. Yeah. And this guy walks by and said, is that a mirror in your pocket? Because I can easily see myself in your pants. Oh isn't that just so all you little people out there looking for brand new lines?

30:39

God that's really oily. Yeah,

P

Peter 30:41

yeah, yeah. Oh God. And then you know, taking a step down. I toddled across the parking lot to cousins. And there was person just a little too dry. I've seen that and this young little fella came in and he says to him, Your parents must have been bakers because they shared put out a great set of buttons at which time the person meetly left you're really so when I left to when dashing back across the parking lot and let's see this. I thought this was real clever. I was on the Santa Fe side and this guy was standing there and everybody's having drinks whatever and somebody was signing the little number thing oh yes, it will card ask the bartender for pencil and this guy says to him as he's writing away says pardon me. I seem to have lost my phone number can I borrow yours like that when I hear that out I'm gonna you know of course I was ran over to chances real fast somebody somebody's just really ready now it wasn't chance it was Mary Mary Mary Oh my right I did I thought I might as well go to the end and work my way back right whenever there and this guy was standing at the bar and he says would you like oh I don't know if I can say this word on the air. But I always do anyway. The f1 No, you

32:26

cannot say that we can say the F No. You cannot

P

Peter 32:29

well then Okay, can I say would you like to go on for a pizza and an F? Yes, you can Okay, and then he slapped himself and he said what you don't like pizza and with that I said Ooh, quick stop at the burger. Yeah. And back I went

32:50

that sounds like a Mary's pick a really? Yes

Peter 32:52

it does dashed on back and stop did stop off at the barn and I'm working my way toward chances are and there was this lovely they mean in there who was hoping that God was going to be with I see and she wasn't and she was well of course not. She's out eating cat thing. Anyway And so this person says to this other cute little lipstick lesbian the blog been then your legs must be tired. Cuz you've been running through my mind on that. And with that I left

33:33

I couldn't have gotten you know it was only gonna go downhill from Yeah,

Peter 33:36

it was time to go. Let's see him all that well. And then I thought I needed a little pep me up. So I dash to the Ripper. Oh my went to the court went to the went there. It was 30 it was time to go. And in the back. Oh, words down and dirty in the back in the back. I heard this guy go. Hi. My name is Mike. Don't forget you'll be screaming and all night. Oh oh, I said Oh, no. Oh my God. Where am I God? Oh, with his ego. No, no. And he and and if the person hadn't said that to didn't just dash right out the door with him. I would have been working. But no anyway. Um Oh, so having enough of that. Yes. I decided by Miss chances. Oh, you did? Well, I did. I did the barn and then. So I ran back over, just wanting to catch them all. And there was this lady at the bar there. And there was another lady kind of came up and sat down and said She says to her, well, she really kind of saw across the bar. Because, you know, she did come to her, but she kind of did the little finger thing like, you know, come here and shake a little finger, you know? And she said, I just made you come with one finger. Imagine what I could do with the rest of my body. And I said, Oh, I think I found a home. And with that, the woman responded back to her and said, Have you ever been linked to tears? Roll down your eyes? And I said, Oh, time to run, run, run, run, run, run. Oh, so I ran back to you know, where?

Jimmy Carper 35:45

PS? Oh, no. Oh, back to the mind. Okay, mine. Yeah, you kind of like that mind. Kind of dark and that narrow aisles there. It's

Peter 35:56

cool. And you know what, I heard there, why? This guy goes up to this younger guy and says, No, I you should use these two fingers to masturbate. And the guy goes No. Why? He says because they're mine. Got a cute little line. So after a weeks of research, and running to every bar in the local local area here and there were a couple that I didn't use.

36:24
