P

Peter 13:54

Did you hear? It seems that God was just about done creating the universe. And he had a couple of things sort of like leftover in his little bag of creations. Yeah. And so he stopped by to visit Adam and Eve in the garden. Oh, yeah. And he told a couple he said that he had a couple of these things to give away. And one of them was the ability to stand up and pee. Oh, hey, that's a good one. Yeah. And it was a very handy thing. And God, you know, told me even he found him hanging around the apple tree and he sort of said, Listen, I was wondering if either one of you wanted that particular ability. Wow, of course. Adam was beside jumped up and bagged. Oh, please, please, please, please, please give it to me. Give it to me give it to me. Wouldn't that just be great? I mean, he was just going nuts. You know, when I'm out working in the garden naming animals and plants and trees and things be so cool. I could just, you know, let her rip wherever you give it to me, I want us to believe deeply believe so. And I just sort of smiled and shook her head and, you know, kind of looked at that and like what a display And she told me that if Adam really wanted it so badly, it seemed, you know, an okay sort of thing that just didn't make him happy to go ahead give it to Adam. Okay. And so it was Well, I'm glad and so it was well, and it was good. Fine, God said and looking back into his little bag of leftover gifts. So what's left in here? Oh, yes, multiple orgasms Adam, you idiot. You full full full fans. area. I am really blessed with that little Wait, give me I know. You had to have your big mouth open my knees. Main little thing

15:58

that's pretty funny. Do you like that? Yeah, like was better like how Joe

P

Peter 16:07

Couto just took a while to would have been easier certainly.

16:11

No way

Peter 16:21

oh, we do have a good time here. Yes, we do. It's getting to be about that time. Some folks are gonna

16:26

be top 10 list. Oh, what do you know? What do you have one this week? Well, we do.

Peter 16:35

We do? Oh god. I say like, typically, we do. I

J Jimmy Carper 16:41

see frantically searches through his paperwork here.

Peter 16:46

That was let's see. Oh, you know What? What? I'm not gonna do that. We found some now. Yeah, really weird. It's just way too messy. It's just way too messy. Yeah,

17:03

we have the kind of audience that likes that kind.

P Peter 17:05

I know. I know. But I think multiple orgasms. I mean, I don't want to I want to just sort of let that one sit there for a while. It's getting to be about time on 17 Queens be right now that bar obviously don't get picked up on the way home you know, some leave early to say don't get stopped.

17:23

That's probably a good idea. Well, you know the guy

P Peter 17:27

115 And I quit that till 130

Q 17:30

Oh, I don't know. Listen, I work that Q patrol thing and they're out there Are they those guys are out there. Those lights are flashing. Here comes the raining. Oh,

P Peter 17:40

I How about let's do a little Insider's Guide to the gay male vocabulary. Oh, okay. And come back at that top 10 list in a little bit. Sure. Okay. Would you like to translate? Or make a guess at what Oh, see? This would be like okay, this is like an insider's guide.

Q 18:03

Okay, so you're gonna get the slang and I'm supposed to interpret what it is. I will I'm gonna give well I'm gonna sound like a real dumb but

P Peter 18:13

you can move over anyway, and it's like a little like, what it's like things you may hear out, you know? And then what it really translates into gay language. What that really means is you know, gay people can sit there and carry on a whole conversation if you're straight you no clue what they're talking about. I mean, sounds like a regular thing. But if you're gay, there's like 14 meanings

Q 18:36

what is that? Something bizarre

P Peter 18:39

something bizarre. I hear something bizarre to everybody out there and radio lands. Well, I'll do that. Okay. So if you're out in a bar like we're wired my other fun little pickup lines. And somebody says to you haven't I seen you before? That translates into nice ass or did you get that one?

19:03

No, I missed it.

Peter 19:05

Oh you miss well it said Haven't I seen you before? Yes translates into nice ass I know you'd like that one especially then that when when you're talking along and after a while the person leans over and says to you I'm a romantic

19:21

what does that really mean? I'm poor that's exactly why

Peter 19:32

and you know what? When you're talking along and somebody says to you, you know I'm different from all those other guys. What does that really mean? I'm not circumcised

19:49

that's

Peter 19:51

have a different for girls. So yeah, I guess I guess not lesbian thing. You're the only man I've ever cared about.

19:59

Boy i What does that mean? You're the

Peter 20:02

only man who hasn't rejected me. Oh, I really want to get I really want to get to know you better. What does that so I can tell all my friends about it he's kind of cute. Yeah, I want to have sex with him till I'm blue.

20:26

That's usually what that means. And

P

Peter 20:28

you're talking along and somebody saying that what about that needy guy that you're with? Me You go. I don't know if I like him. Translate translates to he won't sleep with me.

♂

20:43

Boy, that's the choice.

P

Peter 20:46

And the age old line that we always hear was a good for you. Which means I'm a little insecure about my manhood.

♂

20:59

Yep, Oh, yeah. Oh, or in

P

Peter 21:01

that same vein. How do I compare with all your other boyfriends, honey?

♂

21:05

Oh, don't answer out. Don't ever answer that question. Because it

P

Peter 21:10

usually means is my penis really that small? Oh, yeah. And yeah, when you see the person out in the bar, the next afternoon like, a tee time on a Sunday after you had been together on Saturday night. And you run across him. You go, oh, I had a wonderful time last night. translates into Who the hell are

♂

21:41

we have been there. Yes.

P

Peter 21:43

And then we have a little series. And these are. Are you ready for these? Yeah. Do you love me? Means I'm done something stupid. And you might find out.

22:00

Actually, how much do you love me? Oh, no. Do you really love Oh, okay. I've

Peter 22:07

done something stupid. And you're going to find out sooner or later. And how much do you love me translates into? I've done something really stupid and someone's on their way to tell you. Yeah. And this is one of my most favorites. The one about I'll give you a call translates into I'd rather have my nipples turned off by wild dogs but never see you again.

22:49

That's exactly what that means. Yes. Oh

Peter 22:51

God. And this is one of my most favorite. I've been thinking a lot.

22:58

Yeah. Yeah. means you're

Peter 23:01

not as attractive as when I was drunk. Ouch. And I think we should just be friends. Oh,

23:15

who hasn't heard that line means you're ugly.

Peter 23:19

Or I've learned a lot from you. Next so that is our little Insider's Guide. For all the little gay male vocabulary you may need to know so are you I should give a copy of that turtle hats friend so that be sort of like a little training lecture. Yeah. What to say what not to say. Oh great think of lines that's a good flow lectures. So I thought that some of those were kind of cute they are and that's that's translation gay translations that we learned there. We have been there and they have heard just damn near each and every one know what was embarrassing?

J Jimmy Carper 24:05

Was the amount of ones that I've said

P Peter 24:13

bye. Geez. I've learned a lot. I think we should just be friends. Yeah. Give me a call Yeah. I think that is just too too too funny. That is funny. Yeah, but might really I just have a sick mind tonight but I'll give you my brother and my nipples. By wild

♀ 24:50

my god that's so true. So true.

P Peter 24:54

What do you blame with over there? No, not that that other thing. Oh, the cassette thing? Yeah. Yeah, that's not your thing this will ever tie if I was afraid to say What are you playing with? I thought I might get an answer. So I thought I'd better clarify that. The windows are opened up. She is ambidextrous. Hi, I'm the work with what do you find? There? That's the best. What do you got? I gotta quit. Get me out of here. Give me more coffee.

♂ 25:26

I have a new CD in my hand that's

P Peter 25:27

only had one cocktail before I did this. That is why it is not right tonight.

♂ 25:31

We need the best of lesbian comedy on

P Peter 25:35

the best of lesbian comedy volume one or two volumes of lesbian? Well,

♂ 25:39

I guess the the Volume Two is forthcoming. But, you know, all of that does does fallopia things with that we do those two women. Yeah. And they do that you know the equal rights definition

WITH THAT WE DO CLOSE TWO WOMEN. TEAM. AND THEY DO THAT, YOU KNOW, THE EQUAL RIGHTS DEFINITION and mutual orgasm.

P Peter 25:58

Orgasm. Remember those? Yeah,

♂ 25:59

those are all on here plus some stuff by K Clinton, Georgia Ragsdale, a boy Karen Williams, and a whole bunch of other lethal area even, and a whole bunch of others. Oh, really. But there's really a clever one by Kate Clinton that I like. And I really liked Amy Boyd when 2k Clinton

P Peter 26:18

just can't figure out which one you want to play. No, I

♂ 26:21

know. I know. It's gotta be the K. Clinton this way. It's gonna

P Peter 26:23

be the K Clinton this week. Yes. You're excited about this. I'm very

♂ 26:26

excited about this. Because she does things about Read. Read these lips. Are you ready for this? Oh, good. Okay, here we go.

♂ 26:41

The New York gay pride parade this year was wonderful. One of my favorite chairs, and we do excellent chairs was we're here we're queer, get over it. But I went to the Washington Peace March, which I kept calling a parade because I am queer was very grim until we found the queer contingent. Because those straight people don't know how to march. They don't have to march. I mean, we have to march every couple of weeks. Don't worry, we've got to be out there. So we know how to have a good time we had kickline marching down the streets, and I loved how they reported the peace part. And the paper was like, well, there were 400 people there. And they were using mirrors. But I know many of you have checked in your rhyming dictionaries and know that the only thing that rhymes with Saudi Arabia is labia.

27:37

We had some good chairs read these lips, you know it's my gender gap. My favorite was the acronym that said labia and it was lesbians against boys invading anything.

28:05

Gave visibility nights are important. I'm dreaming of Dyk night at the local waterslide I can see a slide with pride. I went to the Gay Games. They were great. There were 7000 participants. There were 40,000 people at the opening ceremonies. Vancouver will never be the same. I told my dad I was going to the Gay Games. Actually, I told him I was going to the games decided by him. But no. Then I told him that I was going to the Gay Games. I'm trying to share the rich and full details of my life with my father. Because I just came out to him

28:56

but I know you're sitting there going honey, you go around the country talking about being a big old lesbian for 10 years and you didn't tell your dad yet. I forgot

29:11

so I told my dad, and even though you're on the phone, I could see this look on his face. It was like the Gay Games. What in God's name are the events? It does make biathlete sound different. It does. And so I went right along with him. I said well, there's the triathlon for gay men. It's tanning brunch and tea dance. And then I'm trying to explain to him about the sperm carry, which is a woman's event. Very unusual. Yes. The poor deer he's 79 years old. Do you think he needs this? So I came out to my family and when I first came out to them, they shunned me. Which one I think about I kind of enjoyed. I mean I had more time then. Now they want to come and visit. Now we're getting to be friends. I'm not sure if I like this. When they first would come and visit I would go through that whole thing where you go around and you die clean apartment. We call it straightening up. Yeah. Homophobia does begin at home. I used to go through that whole thing and friends would come over and they would want to give a good impression to mom and dad. They would be like Eddie Haskell lesbians. Oh, Mrs. Clinton. You look beautiful in that blue

30:47

my family had a great time. Now I get calls from them. Well, honey bee got the supersaver ticket and we're going to be there from Tuesday to Tuesday next two weeks? I don't think so. Now I noticed that instead of d diking. The apartment I crank it up leave out old copies of on our backs opener around the house. It begins dialogue Well, Mom, I don't know how anybody could get their legs behind their ears like that. She is clean. You're absolutely right. No, I've never done anything like that. Well, not kneeling. And then you leave on a big 10 speed variable vibrator by the bed.

31:46

And my dad and dad give it a whirl. So Black and Decker go ahead big fella. Get your safety glasses on things are gonna fly Come on.

32:00

And does work may came on Tuesday. They were gone on Friday. My mother said um, Honey, I've got a sweater soaking at home. You better go

32:15

Oh, yeah. Kate Clinton from the best of lesbian comedy volume one. I picked this up I believe at Lobo.

Peter 32:25

That's good stuff. Yeah, it's

32:26

not good stuff. That

Peter 32:27

is really good stuff.

J Jimmy Carper 32:28

She's funny. She's funny. She's funny. Are we going to kind of

P Peter 32:34

Yeah, we're going to kind of do whatever your little heart desires. Okay.

B Big Roy 32:37

Our desires. Oh, well,

J Jimmy Carper 32:40
