SUMMARY KEYWORDS

houston, leather, give, talking, people, southwestern bell, community, brian, children, dallas, weekend, toys, bears, mla, texas, coming, workshops, group, put, october

SPEAKERS

Lori Clark, Brian Keever, Peter, Big Roy, Jimmy Carper

 B Big Roy 00:00

I do want to say to Mr. Hill that give it a shot. Because if you got the if you've got the right stuff, believe me, the people will vote for you and Judah and Boney does not have the right stuff. I hate putting it like that. Well,

 J Jimmy Carper 00:18

a lot of us feel that way, though a lot of other folks feel that he's done a lot to secure AIDS funding. So I mean, there's, there's, there's good and bad with everything. Right.

 B Big Roy 00:33

And President Clinton is going to be the keynote speaker, on November 8, at the Human Rights Campaign. Again, this is very important, because this is the power of the White House to power of the president of the United States. Getting behind us. Yeah,

 J Jimmy Carper 00:50

this is the first time a sitting president has is going to attend to function like this. And

 B Big Roy 00:54

this is, and this is, this is very exciting. And I see here, we have a thing from the Houston lesbian and gay community center. And this that's a nonprofit organization dedicated to serving the needs of the Houston lesbian, gay, bisexual and transgendered communities. And it has a

board of directors advisory board and volunteers who work on programs, community relations, and fundraising. And hatch is going to be having a 10th anniversary awards dinner. And I'd like for Scott to give a little plug for that. Okay.

01:36

What we're doing is every year, during October hatch, does an awards banquet for different directors, hatch members and people in the community. And so what we'll be doing on in October, and we can get a specific date for you and the next hat show is we'll be having the awards and it is banquet, there will be food served. I'm not sure who's doing the catering just yet. I haven't gotten that information, but it's free to all hatch members. There is a \$10 Charge \$10 Charge for the tickets.

02:13

I have ticket number 101.

02:15

You do I do? Well, good for you. But definitely come and show your support for Hatch. You can meet some of us and see what kind of work that we do when you're there.

Jimmy Carper 02:26

We'll be talking about more that more.

02:29

Yeah, we'll be talking about that more. Next next week. As a matter of fact, when we will be when you'll be here. We'll be continuing our coming out theme as October is always the month where you cannot not talking about coming out and loving is national. Yes,

Jimmy Carper 02:48

it's also empower, which is a business ex gay and lesbian business expo being held at George R. Brown Convention Center. Yes. That's very exciting.

03:02

Well, we'll be back next week and listen and also in November because I believe we've decided that the topic is going to be sexual behavior and etiquette for gay youth

 B Big Roy 03:15

sexual behavior and etiquette for gay youth. Now that sounds interesting, doesn't it? Let's see what else we have here. The women's group that's a feminist group that meets every Sunday at 1045 in the morning at the Sojourner Truth room the third floor of the First Unitarian Universalist Church church on fan and that sophomore we having a they have their weekly meetings there and have the same for Project Caesar.

 J Jimmy Carper 03:47

Oh, absolutely. Project Caesar those guys have been here. Randall and Oh god, I can't remember southern Hey, Ben been been on the show several times talking about projects Caesars, which is safe sex. And they're also usually at the Midtown on Wednesday nights. So for the strip contest. Yeah,

 B Big Roy 04:07

that's Philip and Randall, Philip and Randall. Yes,

 04:09

yes. Oh, Philip is going to be so pissed at me. Gonna

 B Big Roy 04:13

be what? Yes. Oh. Anyways, we've got the gay rodeo coming to town. Oh, yes. Okay. And that's gonna be on November 6 to ninth here in Houston. where's that going to be at? That's way

 J Jimmy Carper 04:27

out and toward Katy. Oh, yeah. It's gonna it's probably going to be the last time the rodeo is in Houston to because it's very, very, very hard for us to obtain a place to have it. That isn't going to charge us a fortune. You know, we can have it at the dome but they went \$35,000 and and teach era kind of feels that you know that \$35,000 could help our community a whole lot, rather rarely than to rent the dome. Yeah,

 B Big Roy 04:54

maybe I can get one of those Cowboys to ride me.

 P Peter 04:58

Back to the phones before Hi, Roy.

05:00

Thank you, Ron with that this week's edition of the news and we'll be trying to do that every week. All right Okay a little

P Peter 05:07

so we get everything in Yes. Did he get in faded though? Yes, we got that. We got that we got that and but that we did he announce again just for the heck of it. It's October 4, October 4 Saturday, Saturday at Mason Street over there by where Fairview turns in to to him and all that over in that little area. And then the great party of course, yes

05:30

to die for Vinci do aware on

P Peter 05:32

the 12 No,

05:34

I didn't. Why didn't you do aware that's there.

B Big Roy 05:38

I'm trying to figure out okay, let me get let me get to where and

05:41

what we get Laurie in here.

P Peter 05:45

Well, Laurie in there. Oh, Laurie.

B Big Roy 05:47

Come on in here.

05:49

Drop by. Did you hear aware thing.

Peter 05:51

Laurie do your word thing?

05:53

Oh, well, let me make you all aware. How's

05:55

that? Okay. Got a special guest coming up, don't

L Lori Clark 05:58

you? Yes, we do. That's what I came in to tell you some information. Sunday at the Hobbit Hall. Rick Schroeder who started the shells. Gay Lesbian group is going to be our guest speaker. Great. It's our first programs meeting ever. So it's a first for us? Yeah.

J Jimmy Carper 06:15

Because you've just had it's just been like getting work organized. Right.

L Lori Clark 06:19

Right. And actually, I came to tell about two other things if you don't mind. Okay. We're having our first meet and greet at 2pm October fourth at 7pm. And we have extended the invitation to not only Southwestern Bell employees, but we've invited Shell employees and Texas Commerce bank employees to come to

J Jimmy Carper 06:38

Texas Commerce Bank. Whoa. Boy, you better have it on the patio. There. They've got a lot of folks.

P Peter 06:46

This is a where

06:48

is the Southwestern Bell Telephone, gay and lesbian group? Oh, now we know there are lots of careers at Southwestern Bell,

L Lori Clark 06:57

I guess. Last Sunday, I went down to Dallas and we marched in Dallas is gay and lesbian parade. That was fun. And this was the first time Southwestern Bell has acknowledged not not acknowledged but allowed us to do this with their name and they gave us giveaways and everything.

07:14

Hey, that's cool. So you are making progress?

L Lori Clark 07:17

Sure are we are just and we are just really just kind of blossoming at this point. That's great. New glory. That's great. And I have one more announcement for Houston Community College has started a they're calling alternative human sexuality Student Association, the man who started this wants to be very inclusive. And he's a little conservative, and he didn't really like the word queer what I voted for the word queer, but didn't go for that. Well, hey, but they are having their very first meeting. And that will be Thursday, October 2, at room 136 at the East Wing at Central Campus at 3pm. And the phone number for that is 713-718-6337. Here I am giving phone numbers for HCC not even given Where's phone number? What is uh, where's phone number? Where's phone number 713-235-7929 If you want to be on the mailing list, if you want any information, and we've had some technical difficulties, if you have called in the last month and a half, your number got lost. So please recall again, we did not ignore you. We just had technical difficulties that happens you know, that happens. Modern technology. When

P Peter 08:26

you're done it to bees, honey, you got to grab all that Southwestern Bell gang and come over to Fado. What a party that would be Yeah. What Fado it's this wild, incredible Cajun festival put on by the crew of Olympus where it's a Mardi Gras. It's a Mardi Gras thing it's it 2405 Mason that's kind of like where Fairview and meets to them and then down about a block greater than Hyde Park in the corner Mason Hyde Park Sherwood

L Lori Clark 08:51

Texas Commerce Bank and shall we could just be Oh,

Peter 08:55

it is to fun. I mean, wonderful Kate, the crew can throw a party child they do not throw a party. And it's great because they're gonna give away or airfare for to anywhere in the US and it's gonna benefit patrol, Q patrol, b2b Holiday fund Stevens out. Big fun. Great. They have a great time you get that game together and come on down, grow with it plays it rock. Thanks, Lori.

Lori Clark 09:17

Thank you so much. You

Jimmy Carper 09:18

betcha. And I want to thank you, Peter, for being here.

Peter 09:23

We want to thank me for being Yes. Yeah. Thank you. Thanks for having me. It was a great little break at the

09:32

county next month. Yeah, find out whatever happened to her?

Peter 09:35

Well, I'm thinking to call them the jails when I leave. It's always big fun yesterday. We just love the fourth. Saturday, hello. And on a Monday, but there's earnest Saturday when there's five Saturdays in the month. We don't know what to do.

Jimmy Carper 09:57

We have Music Nights, who knows when well, we'll

Peter 09:59

save Our top 10 reasons for being an American Until next month, okay, fine. So thank you out there, Houston land and if you find Connie, don't if

 - - - - -

J Jimmy Carper 10:11

you're listening to after hours quit radio with attitude on KPFT Houston and ke O 's College Station coming up will be John Bennett VTEs with leather news. And the President of NLA. Houston is here.

P Peter 10:26

And our very little studio folks out there. There are the folks going, Man and I know that's why I was like getting back in here. Well, yeah, I

10:35

don't think you're probably going to leave right away. I don't think I probably I don't think so either. But in the meantime, here's a little little number

P Peter 10:43

for the women. This tiny little number for women, yes.

10:46

Performed by Melissa Etheridge and Joan Osborne, her favorite. This is my favorite Melissa Etheridge song, bring me some water

11:09

Melissa Etheridge, Joan Osborne bring me some water, you're listening to it on after hours queer radio with attitude on KPFT Houston and ke O 's College Station. And as I told you earlier, this is our anniversary month 10 years on KPFT for after hours. And we have in the studio tonight. One of the first people to ever work on after hours.

J Jimmy Carper 11:34

You must be talking about Brian Coover. I am talking about Brian Keever he used it to the news here long, long, long, long time ago when I was young when I'm pretty. That was a long time ago.

11:47

I had hair then.

J Jimmy Carper 11:50

You just have roots. I heard that one time you had earlier. John Bennett VTEs is here with leather news. I know you've been waiting all month to hear it. How you been? How you doing, John? I'm okay. Yeah, move that so I can see. Yeah, what's been going on? Oh, not a whole lot. Just working.

⌚ 12:05

What do you got on tonight?

J Jimmy Carper 12:09

More than I usually do I get

⌚ 12:11

the most abbreviated outfits on. I don't know right now. I

J Jimmy Carper 12:15

just, I just have jeans with a big hole. But

⌚ 12:19

Oh, damn. Okay. Where's

⌚ 12:21

the hole?

⌚ 12:22

Right, right. Anyway, right where it needs to be. So you have Brian here and you have at the guest.

J Jimmy Carper 12:31

Yeah. What else you want to know? Actually, I've been waiting on a phone call. We're spelling. Cisco international drummer was this evening? No, and I haven't heard anything to tell me who won.

B

Brian Keever 12:45

We're bringing it back to Texas, hopefully. Of course Think positive. Okay. Don't be positive. Just think positive.

J

Jimmy Carper 12:53

Well, you know, some things I just can't help. Okay, anyway, we have Brian Cooper here. We also have Doug Decker. Is he going to be speaking at all back there? Oh, he's hiding. Okay. We have Doug Decker. And

o

13:09

we have various other people strewn around.

B

Brian Keever 13:11

We have all these other people hiding in corners.

o

13:15

We even have Glen Holt here. I don't know. Anyway,

J

Jimmy Carper 13:21

we brought Brian keeper and Brian keeper is Jewess, president of NLA. And he's got lots of information here. In fact, you probably can't even list it because I have his list that we're gonna talk about about it. Well, I especially wanted to talk about one of the things that NLA Houston does that I think is one of the most marvelous thing is the toy drive at Christmas. Oh, yeah. Never too early to promote that.

B

Brian Keever 13:47

As we've already had two fundraisers for that already. Jim Halbert, who's with the imperial court system already had two fundraisers for the toy drive. This will be our seventh year for the toy drive. We can't say Toys for Tots I get some troubles so we so we say La Houston's toy drive. But we have boxes where people can put toys in across the city of Houston and various bars, businesses and excetera and then people also donate money. So is

o

14:19

there a list of the places

B

Brian Keever 14:21

Yeah, there will be this year is probably this year will probably change up I'll bring you a list but I mean, we most of the clubs like Pacific Street and ripcord venture in Mary's naturally have we also do things like Mary's we bring people in we do show so I mean, you know throughout throughout the course of we used to started around Thanksgiving. And this past year, we we had so many toys we tried to we tried to take pictures of all the toys so we you know we can like show people what you're really giving away. And we put all the toys all the stuffed animal wasn't toys, and Mike and Neil's back bedroom and it filled the bedroom. And as a matter of fact, jayven Put that on his pick of the month, but we went to our target warm, we went to the PWA coalition, and we went to oh, what's that lady's name? I just forgot this mental blank on air. But we do children with AIDS. And so

J

Jimmy Carper 15:25

you're talking about a shoot now? I forgot. So forget it.

♂

15:32

No, no, I can't say it's

J

Jimmy Carper 15:35

just keep talking

B

Brian Keever 15:37

about hey, so you know, people's loving arms. Foundation, thank you so much. You're good. Yeah, I'm

♂

15:43

not even a leather man. But I mean, this, this is just such a wonderful thing. organization does it, it permeates the whole community.

B

Brian Keever 15:51

It just it just, you know, so many people have such conceptions about the leather community, good, bad, or for whatever. And we just tried to at one time of the year, you know, get together and show that you know that the other community does care. And we do care about children, you know, in this community, and it's also affects families because there are some families that are you know, affected through HIV that we also help out. And trust me, you've never, you can't

imagine what it feels like to go to a facility where you're taking boxes of toys, and you've been told that you will be you know, you know, giving them to children, and have these people like when you walk inside the gate at loving arms, they come up and they wrap their, their, their bodies around your legs going Thank you. Thank you, thank you in they think you're Santa Claus. You know, and these are these are children. They're fighting a terminal disease that is just unbelievable. You know, and so trust me inlay Houston, you know, is there and wants to help out, you know, and make sure that you know, these people also realize, you know that the leather community is there and wants to help them out. Brian, Brian is loving arms for children. Yes, they are. Yes, they are. It's kind of set up. If I'm not mistaken, like a daycare. It is just, it is a daycare center. And it's matter of fact, we went in there and they got out. Two of the people that were in charge told us, Neil and I both went and we were little Santa hats and they actually told the children that that Santa Clauses elves were there to deliver toys from the North Pole. And

 Jimmy Carper 17:27

didn't they pick the right elves? And obviously didn't.

 17:31

comes to my thank you.

 Brian Keever 17:33

That's what I was thinking I was going right enough. I've heard we were fairies before but never elves. But you know,

 17:40

I guess you don't call that their daddy's fairies? You

 Brian Keever 17:42

know, your leather elves? I don't know. But it's like, you know, it was it was it was it was unbelievable, to say the least. But, Jim,

 Jimmy Carper 17:48

have you ever been to the loving arms fan? No, I haven't. It's truly unbelievable. Amazing is number one to realize what these children are having to go through. And it's actually surprises me how most of these children, they don't have a care for anything, especially in this facility that really make that's okay. in stereo. They really they really make these children feel loved.

18:21

Very tight fit.

Jimmy Carper 18:22

Do you know we're talking about two totally different things. You're talking about? Big fans. I'm talking about children.

Brian Keever 18:30

We have totally red faces over here. But hey.

Jimmy Carper 18:34

So what were you doing? Well,

18:37

just can't leave.

18:40

It doesn't fit in that holder. It's just kind of sitting there. And if you touch it, make strange noises and gets everybody embarrassed.

Brian Keever 18:49

Are you nervous? Like he just thinks he's at school. So hey, anyway,

Jimmy Carper 18:53

going back to what I was telling loving arms. Yes. It's really something most people should experience just going in there and seeing how they run the place and how the children react to people that they really don't even know. There's a lot of love in that place.

Brian Keever 19:08

But also also the PWA coalition Houston, through their works over at Thomas Street, does a lot of work. We took three huge bags of toys and all over to Thomas Street. And we actually got to see some of the families at Thomas Street and Oh, wow. It's like the entire kitchen was full of

families that were sitting there waiting for us to get there. And that was that was just a little nerve wracking. But But I have to admit I enjoyed going over there because of someone that I ran into that at the time was working over there that I used to work with here know Mary Helen,

19:48

no kidding. That's right. Mary, Helen, Mary

Brian Keever 19:49

Helen, who used to be here at KPFA radio. Yes. That's like, that can't be the same here. How do I get over there and it was so so you know, Mary Helen Merce Bakker, you know talks about a small world but no Analy Houston tries to give back to the community and do work and all and we do workshops, we do seminars. Other thing

20:11

in LA Houston as well. From an outsider looking in, that's what I think of MLA Houston as an educational forum.

Brian Keever 20:19

Yeah. And this year, you know, we've gone through good years and bad years, you know, we're working on our seventh year and I want to, I'm one of the two original steel charter members left. Wow. That's almost scary. But a lot of people have moved away or a lot of people moved away, you know, Dean and Glenn. I live in Dallas, you know, and I saw Calvin today the gym, I can't believe he was back in Houston. But so you know, people move away, come back, then we have young people to get started, you know, with Emily like, like dog and dogs gonna be helping out this year a lot with, you know, seminars and workshops and things.

20:56

I've seen notice, you're young,

Brian Keever 21:02

you're only 30 years old. You've

Jimmy Carper 21:04

got to think about who's saying thank you. I'm

Brian Keever 21:07

46 years old. Shut up.

21:08

I got up baby.

21:11

Yeah, but he's got the white beard.

Brian Keever 21:14

Yes, I quit using just for me.

21:16

That's why I shaved mine.

21:21

Just to meet a show, but Hey, Jimmy, when did you start shaving? Just last year,

Jimmy Carper 21:27

when do you start picking up the toy boxes,

Brian Keever 21:31

we're gonna start putting those out. Probably this past year, we put them out Thanksgiving weekend. This year, we made it a little sooner than thinking to try and putting them out a little sooner than that. Because that really doesn't give you enough time to pick them up. They actually we pick everything up like the second week of weekend of December. Yeah. So that way man earlier. So that way, you know, the week of Christmas, or the week before Christmas, we're distributing the boys and the money, we also get people to donate money. And so what we'll do is we'll turn that money into gift certificates. So that, you know, they're not really getting money, per se, but we give them gift certificates. So that way, you know, you know that they're actually spending it where they should. I know that's sad to say but in this in this time and age, you know, you have to do that. So and this year, we're still looking, you know, if anyone out here in the community, this listening may know of a group of of people that need our services, and we have not heard of them. Let us know. You can contact me, you know,

through the magazine at twit magazine what I do for a living unfortunately, but not on Wednesdays but not on Wednesday so thank you but or you can call you know God you can hard spending bar in the city and find someone in a way but you know, we hang our callers at the venture in Houston. And so and we and we bought in the second weekend of every month Friday and Saturday night upstairs that's it. Are we ever put a plug in but

 Jimmy Carper 23:06

was that Friday and Saturday night of every month? Yeah, I've ever thought that you would have to log in

 Brian Keever 23:11

every month we would never do that but that certain that's also a bear social but

 Jimmy Carper 23:17

yeah, we want to push the bears to do one night was their anniversary? Yes. I just want to tell people that they're listening to after hours on KPFT Houston and ke O 's College Station. And what happened for the bears anniversary? Well,

 Brian Keever 23:32

it was it was a very harsh suit evening to say the least.

 23:37

Brian had something blue. Thank you.

 Jimmy Carper 23:41

Are we talking about a cocktail or a person? This

 Brian Keever 23:43

call 40 fives and all of them. They're lovely next year to see evening of beverages. But no, they dedicated their trophy case this evening. And so that was very nice. You know, they had they brought in bears from hot heart of Texas and from bear county bears in San Antonio. And from Dallas bears so they were just bears galore.

 24:08

guys probably have to sweep the hair out of that place by tomorrow morning.

 Brian Keever 24:12

Oh sure. I see me and it was it was of course. Needless to say there was a very large Boothbay go figure and two large cakes but and they weren't on stage. The

 24:27

bears always have a good good spread.

 Brian Keever 24:30

They really do. You know, great food too. They really do but something else we have coming up for for MLA as interlay International. He's got living in leather, which is our international conference, which is coming up Columbus Day weekend in Portland, Oregon. So you can go to the far northwest and and be able to wear your leather and not be 99 degrees. But it's Columbus Day weekend, which is October 9, nine through 12 Excuse me, and there will be People from Texas going up there because it's amazing how MLA has kind of La Texas. That includes MLA, Austin, MLA, Houston inlayed, Dallas has more or less taken over international as the fact that we do the treasurer, the co chair, the newsletter, the membership committee hours seem to come out of Texas, but we do have quite a lot going on. So you know, it helps, but and then we have people in town that are eager to get started and work out. And John's been to a few of those before. A few of what, a few of our local get togethers. Oh, yeah. I just wonder in fact, you even did a show with the holiday Evo. Yeah, a couple of them. You know, that was more than amazing details.

 Jimmy Carper 25:50

I was at I taught electric workshop. Oh, yeah. See, you've talked about both on the lightning hands in the fall some equipment. A lot of fun. Something, oh, go ahead. Something I wanted to lament is the passing of the map. But hasn't been totally off road. I didn't even hasn't been around in three or four weeks. I really I really, really miss it. Because it gave

 26:21

two weeks ago. I think they cut down their circulation. Is that

 26:23

it? Yeah. Because I couldn't find it anywhere.

J Jimmy Carper 26:26

Yeah, I guess right now, because I have every issue. It's not appropriate for me to ask if you have a map, because I was going to ask for the list of I know because what I love about the map is that you can get all of the things that's going on in the leather community and all the things that are going on with the court

B Brian Keever 26:46

are true. This is true and I haven't seen vana so I don't know but so maybe they maybe they're taking a hiatus or they're on vacation or something. I hope they're I hope they're not out of business because I really rather enjoyed that location. Yes. We need all the publications nice city, we can get it helpful to the community that also

♂ 27:08

said you saw it a couple of weeks ago.

♂ 27:10

Yeah. sold over. I think crosswords. Oh, really? Yeah.

♂ 27:15

Okay, I'll keep that's amazing.

♂ 27:17

I'll keep looking. But

♂ 27:19

also up.

J Jimmy Carper 27:22

Anyway, you wanted to move on to something else.

B Brian Keever 27:24

Dallas, is is doing beyond vanilla, which is their ongoing workshops, which are which absolutely quite good. Yeah,

J

Jimmy Carper 27:32

they are. And they're real good.

B

Brian Keever 27:34

Their next one is in November, and it's like the first weekend in November. And so any chance you get to go up to Dallas? For beyond vanilla. It's absolutely fabulous workshop that brings in lots of the in case anyone is not familiar what that means. If you're not in another community and you're, you're

♂

27:53

if you're a twink if you're a kind of sex you have if

B

Brian Keever 27:56

you go to juniors I didn't say that. But no, Brian, you didn't say that at all. There's a lots of Leatherman that go there in the skies. But you'd be surprised. I mean, I know I've been there. I know. It's like you see these ie these cute little boys, you know, and then you see I'm a couple of hours later, and they're not nearly as preppy. But anolyte Dallas does a lot of work. You know, in the in the corner, financial community that helps out and shows people that we're not all scary and want to like totally trash you and, you know, buy the new like, like certain sports casters do. But

♂

28:35

when Stacey was on the show, she talked her out there she always she always pushed beyond vanilla. Oh, yeah,

B

Brian Keever 28:41

it's really it's really I would love to get those guys down here in Houston. And do a segment down here in Houston also, because I think they're very well. You know, we've got a few things here but I don't think we haven't quite together as well as they do for beyond vanilla. But

♂

28:55

you know, with a little help. Why don't you tell them what else is good if they can't go to Lille or

B

Brian Keever 29:01

if they can't go to that same weekend. You can go down to the Crescent City because the nice Dr. Lanes is having their anniversary the same weekend.

29:11

Oh my God, that's also gay pride. That's

B Brian Keever 29:13

also New Orleans Gay Pride weekend. Oh kidding. Yeah, yeah. So so if you can't make your way to Portland, I'm sure you can find your way to

J Jimmy Carper 29:23

New Orleans. And you know, the Knights know how to throw a party. I

B Brian Keever 29:27

also you know, is in the same weekend that they had that contest. No, that was during DECA Oh, the second this weekend. Okay. I'll be talking about Louisiana live and die. Yeah, Sue is the new. I have no idea. Now we don't know. So we have to move on. We have to move on. Oh my god, but you know, on your little list. Oh my goodness. anolyte Austin, we forgot to mention them. You'll never guess what they're doing.

J Jimmy Carper 29:55

What are they doing?

B Brian Keever 29:56

They are doing a photoshoot for a calendar. For 1998 This should be an exciting calendar to say the least because there are two people from Houston that drove up to to Austin this past Sunday to do the photoshoot. Who are they? Well, Mr. guns or Mike guns or who is a former president? Oh yeah. And in his boy Neil went to also to do their photo shoot and I have to tell you what they did.

J Jimmy Carper 30:29

It was kind of out of character. It was just a little

30:32

30:34

they kept closing.

B

Brian Keever 30:34

No, what I did was I traded traded clothes they they had Neil and a pair of fish nets dressed as a dominatrix with the way up and they had my dress as a slave boy with a slave collar on his knees, and they jumped out of the van got in front of the governor's mansion and took a roll of film of of Neil and Michael doing Michael being the slave boy with the dominatrix attached to the fence of the governor's mansion. That's perfect. I cannot wait to see the patriots from that. You'll see them talk about a role reversal or at least a hat or at least for a few years for my for the governor to watch for Mike are the governor for the governor. But it's like so so in like Austin, you know is is doing a calendar that should be exciting now.

J

Jimmy Carper 31:40

Will it be available across the state? Oh, yes. We're

B

Brian Keever 31:43

going to be selling them throughout the different inlay chapters. Cool. So if nothing else that should be exciting just to see what this looks like. But they they have done a bunch of hit people they did transexuals they did leather man. They did just a little bit of everything but and then if that's still not to your liking, we can move on down to the East Coast. You know what's coming up why prowl you're probably have no idea whom I can see I'm on an associate member so I can I can get to plug that. It's the it's the Panthers in Atlanta, Georgia. And the Panthers is a Levi leather club in Atlanta that comes to Texas for Louis just about every year and they have prowl versus the name of their leather or run which is Halloween weekend in Atlanta, so and I know a bunch of people Well Dean and Glenn from Dallas are going to prowl. And so we will be well represented proud. This year, there's usually three or four Renegades that go to prowl. So you know it's it's quite festive, but

o

32:51

well then again, if we if we let you do a plug from every group that you're associated with, we'd be we'd be here a while. Well,

B

Brian Keever 32:58

you know, I'm just just as involved but not quite as involved as John is nowadays. So you

J

Jimmy Carper 33:05

know, is there some hair could hit him

 Brian Keever 33:09

but see I'm trying I'm trying to I'm trying to push a bunch of this stuff. Oh, and I'm sorry

 Jimmy Carper 33:14

I thought that wouldn't stick

 33:17

it depends on where you put your pants on the

 Brian Keever 33:18

thank you we're super gonna be pushing a bunch of Mr. Dekkers he's you know since he has nothing to do you know

 Jimmy Carper 33:30

give me your list

 33:33

take my other half would beat you if I came up with anything else to do.

 Brian Keever 33:36

I feel this daggers coming in my back from the back of the room and I don't know why.

 33:42

So what what? What all are you doing that?

 33:47

I've been in school for last? This is my second year of school. That makes me a junior. Yeah.

 Jimmy Carper 33:56

— teaching or learning.

⌚ 33:58

Yeah, I take a bunch of classes are teaching actually,

⌚ 34:01

I'm What are you gonna be teaching?

⌚ 34:03

What are you gonna be when you grow up?

⌚ 34:08

Coach

B Brian Keever 34:10

he's gonna he's gonna be a fitness trainer. Or

⌚ 34:13

something with rehab or something like you've talked about this before on the show? Did? I don't remember? Yeah. Well, we're

⌚ 34:20

another year closer.

⌚ 34:22

We're another year closer. Good. Good.

B Brian Keever 34:26

And bodybuilding. So

34:31

not so much lately. It used to be hmm.

J Jimmy Carper 34:38

And Brian, what else is Doug doing? Oh, we

B Brian Keever 34:41

could we could go down a list. There's a few nono things we're not talking about. We would never talk about Luther. Oh, who's Luthor? Never man.

34:50

He hangs out at your bar.

B Brian Keever 34:51

Oh, you know, Luther. I do? Yes.

34:54

Okay. Ooh, it's getting dishy.

35:00

I would never do that. I

35:02

always do that.

B Brian Keever 35:06

If I if I didn't know when was like me so

35:08

the only thing that Brian didn't mention, and it's very far in advance as Mid Atlantic leather and leather, yes letter leather and DC and that's usually Martin Luther King weekend in January. So

it's very far away, but it's right after Christmas. So

35:26

it's January you need leather.

J Jimmy Carper 35:28

Oh, yeah. Last year, you needed more than leather, leather and skis

B Brian Keever 35:32

and skis. Yes. But at the same time there are like, it's a hotel run. So you have like 600, Leatherman and a hotel.

35:41

Oh, my,

J Jimmy Carper 35:43

you know, the hotel, right?

B Brian Keever 35:44

Do I need to say more? So you probably don't. And also that same weekend, they have a bear weekend, the same weekend in DC. And

35:55

then the hotel hotel has to shut down for six months after those two events probably

B Brian Keever 35:59

so then get all the hair out. But

36:01

hey, cleaning.

 Brian Keever 36:04

But you know, there's you know, there are those are those of us who enjoy her suits. So hey, a lot of folks,

 36:11

a lot of folks. Well, since this is the 10 year anniversary, we are giving away CDs, and some kind

 Jimmy Carper 36:22

of tickets. Yeah, some kind of tax like movie movie. Movie ticket. Yes. Different for girls. You can still pick, pick those up either at Lobo or call into Roy at 526-573-8526 KPFT. For those movie tickets, that's Tuesday night at the Greenway three sponsored by KPFT Fox 26 Lobo and the Houston voice

 Brian Keever 36:53

ever since it's our 10th anniversary, what are we doing? We're gonna

 Jimmy Carper 36:56

give away a CD of the music that I'm about to play. And what is the music? It's called?

 37:02

It's a group called driving blind. It's a gay group of crossing blonde.

 Jimmy Carper 37:10

Blonde, blind,

 37:12

Southwest free, right.

 Jimmy Carper 37:13

I've been playing this for quite a while and we've had people call in and request it that that they like it so much. So I happen to have one to give away to the second caller who calls it 526-

573-8526 KPFT. And while we're waiting for that, we're going to listen to a little bit of it
