03:31

That's what we know. We know. I didn't know that. Well, I did. I knew it. Well, I

03:35

always thought it was the last weekend.

Peter 03:36

I mean that the thing to do, but Posies on the grave and go to a barbecue. Yeah,

03:45

I've been going to the same barbecue now for about three years. And I just realized I didn't get an invite. So I don't know that that happened.

03:53

Who knows? Hey, ran out of my whole

03:55

world is up in the air.

Peter 03:56

Well, you know what you can do? What? What you can do? You can just turn me down just to tear down this part of your thing. Okay. Oh, good. Oh, that's so much one little bit. But you know what is going on? Well, you can do the Sunday.

04:13

But just in case these people that are listening now aren't going to be listening later. Ooh, it is going to be too fun for words. I'd love to tell you the exact address but I know the day that later because I'm not looking at it at this moment, but it's somewhere down town. It's at this new new thing. Yawn. Oh, no kidding. 112 Travis at Franklin in the heart of no dough well north that down. Yeah,

05:17

05:23

Yes, as a matter of fact, you can.

05:26

If you're at the right window you can pay

05:31

and you probably will.

05:34

And then we go from the sublime to the ridiculous yet. Oh, because on Monday, yes. Mary's 28th anniversary. No, it is that effect? Oh, you know how sick that's gonna be.

05:46

Oh, God. When does that start? Ah, all day. All day.

05:51

The sickness starts all day

Peter 05:53

on Monday. Oh, now your day. Labor, baby. I can see about four hours of work in the office and about 12 hours. At the other office. That's myself though. Well, it's gonna be too fun for words, then. Yeah. And oh, and another thing I know you won't want to miss. Well, this weekend. Did you notice all the jocks in town, baby. Yeah, what's the deal? Oh, there's that big softball thing is tatted entation. And the Montrose softball league has this big thing at the Colin field. Oh, honey, hot, sweaty. jockstraps everywhere in this town.

07:00

She will make everything bigger. Yes. Big everything all around. She did. And the following week. Yeah. Not to be missed. wigs on fire. Yes. Oh, yes. Is there just no, no,

08:03

there's just too much going on in June,

Peter 08:06

then is that that's I mean, you know, we're the way Gay Pride stretches out in Houston. It starts in the beginning of June goes all the way. And you know when we're going to be on next don't show following gay pride.

08:20

Right. That's right. That's right. You are we are on right after the parade.

Peter 08:25

Do you think anybody in the world is going to be listening at that? They're all going to be still standing out in the street corner.

08:29

Well, they'll they'll be taping it.

08:33

Will they have an audience the tapes? I love that.

08:36

Well, I keep telling people, you know how to do it. You just hook your stereo to your VCR. It's very easy. You can tape six hours off the radio. It's great.

Peter 08:48

Well, aren't you just the cleverest damn thing since sliced bread?

08:52

It's what I do every week.

08:54

Oh, my God. Oh.

08:57

Oh, yeah. Oh, yeah. The other thing going on? What's that on the 13th? Is the hatch prom.

09:04

Oh, that's right. I heard a lot about Yes. That's

09:06

happening over at love it in right here.

09:10

I wish I had a date to the prom.

09:12

I know. I wish I you know this. This would be a great time to go to the prom with the date. You always wanted to go to the prom with

Peter 09:19

Jafar I'd have to go to to find him. Yeah, he's now living in Salt Lake City.

09:25

No, you just have to go to the bar.

Peter 09:27

Oh, well yeah, I know. But when I was in high oh that a particular date that I always is now living in Salt Lake City with a wife

10:03

Oh God, are they going to do it? Like what you call it did

10:07

10:18

Oh god wet. Oh no. Oh, now

10:23

hello,

10:23

Ella. We get to what we've decided to do.

10:26

I'll pay \$5 for that. I'll tell you

10:30

I'll have him do and then go to dig into the garbage when I'm done. actually

Peter 10:34

cares but they do a damn good job on your car.

10:38

Oh, that's that's next

10:39

week. Yeah. And they wash it to be their

Peter 10:43

job my car didn't do a job on you know what we're gonna do what? Since Connie went down with the Titanic or is overboard she's just not going to be matches not no. We've lost at sea cow lost at sea. Gosh, like Moby Dick or something. I don't think they'd be able have washed up on shore. So to find that island. I know she's floating somewhere because those boobs do big. Anyway, they're

11:13

humongous. Well, you know, she's fit them through the door. What do you

11:17

Well, you know, we pushed her. squeezed her tightly. Anyway,

11:21

we can talk we can talk we can

11:22

talk about now. She's gone down with her. Oh, no.

Peter 11:26

No, I read that. And I leverage that too. I wish she was co2. But you know, shit happens. Yeah. And I say mass will say that word. No. Oh, sorry. Oh, well, it's after a minute. Yeah. Anyhow, so guess what? We're sorry. We're sorry admin him. Anyway. Oh, it wouldn't do. Tonight we have I have for you. Did you know there's a contest going on? No. Yes. contest going on. It's a limerick contest. No, and the two words that you have to use and Limerick. Yes. Are Lewinsky and Kaczynski. And I have for you. The four top winners from the contest in San Francisco. Always wanting to keep you in tune. Yes, I have a clever little few other clever little thingies here. Little little, little things. Got a little Jewish humor, not when and research we still have have the Harv have have our large research network in place. Well, it's not as large as it used to be. Well, no, true. Ms. County was a rather large portion of that network. However, we do have this vast assembly of characters hooked together. And you know, the new drug Viagra. That's such a chat about town. Oh, yeah. Well, you know, it came out it was so wonderful to make everything erect. And then it had a side effect that you could go behind. But you know, you couldn't find it even if you had it up. And now you don't know why kids can't find it. So you're going blind on

13:04

your finances? Yeah, find a place to put it.

Peter 13:08

Braille now. Anyway, so Well, Pfizer, another drug company? Yes. has put together a number of other drugs. Have they now they have they they've got direct project, the Viagra. I have a bunch of these. I'm going to give you stats on a lot of drag race. Oh, I need to know that those

are going to be good. And then we have our ever most famous top 10 list. Well, you you know you're gay is oh, we have a few more though. Oh, okay. And just a couple of other silly, silly, silly ass things.

13:45

You know, I have a little thing too.

13:49

That's not what I hear.

13:51

Well, no. I've been talking to the folks over at Lobo. So Happy Valley in particular. We've been talking about

Peter 14:01

going to sandwiches by what's your call?

14:02

Yeah. Great.

Peter 14:04

Ready to go to lunch? I love that place. Yeah. The coffee

14:07

is great, too. Oh, but Sally was saying we were just talking and we got on the subject of adult film titles. Oh, and so I have a couple of the more humorous ones that we'll be talking about later held

Peter 14:24

film dialogue. Okay, good. That sounds fun. We can do that. And we always have good music. Oh, we do. And after many, many writings and many many requests, we are again going to take

14:40

phone yes we are. Phone call. We are live on

P

Peter 14:44

the air. We want to hear from you. We want to hear from you out there. We want you to call in we'll put you on the air to chat about whatever and that number is. That number is 556573852 6k PF T And we can do that. Yeah, we're going to do that now. Because people have said they have missed chit chatting about this and that, and or asking live for their requests. And you know what I had a major big request for why I got a letter that said they really wanted to do the love line thing again. And it was from a woman. I know,

15:19

management doesn't like that. They don't like that. They don't like that.

P

Peter 15:24

But if somebody called them and said something to the effect of, and then it just sort of happened, it wouldn't be like, thing, but they were really wishing we could do that again, like just to let people know that, you know, well, I know

15:37

it was fun for a while, but then, you know, you get into the problem of you don't know the ages, some of the some of the folks calling in and

P

Peter 15:44

well, yeah. And so turn on your computer. Well, I mean, you know if you can't find a date on that, I mean, I everybody out here in the world says you know, so

15:54

yeah, well yeah, but that's computer and this is radio

P

Peter 15:57

well true and but we will take calls we are take off yeah. And about stuff that people may want to chitchat about and or questions they may have to ask. And or they could just call them harass us. Yeah, whatever. We'll turn you off here really quickly. Yes, we come nasty. Yeah, we

don't

16:10

go for that. No.

16:12

We've done that before.

16:13

We have done it many times before. I've got a very fast finger. And I want to

Peter 16:19

talk to you about that fast. You and your bass finger and your little thing. I don't know. What kind of music you got

16:31

it is that right?

16:32

Oh, baby. Oh, baby. Well,

16:35

you know, this is not a gay artist.

16:38

Are you hearing a lot of static or is it my connection?

16:41

It's a lot. It's it's the wiring here. It's not it's not over the air. I

—

Peter 16:45

just had this fabulous campaign. We got to redo this the here and now. Okay, what are you talking about? Well, this is

16:51

local talent. But no, not necessarily. Gay. It's Big Mama cotton. Big Mama Big Mama cotton and the sugar daddies. They have a new album out called expect delays. And Big Mama cotton plays every Tuesday night at the briar patch. You can see her for free. No, yeah. It's kind of a wrinkle room.

17:49

17:52

Aren't those just the most gorgeous President and Vice Presidents you've ever want to look in?

17:59

Don't you just want to go along your knees and like something?

Peter 18:02

Yes, as a matter of fact, you're right. By those people running for divan? Oh, yeah, they are.

What a competition. That's gonna be the chair. I know. I know that Mr. T gra are just gonna it's gonna be Oh, wouldn't miss it for the world. I

18:18

know that. That was really, really a very, very nice show. That was a wonderful show. They tgr Ray gave money \$44,000 out to I think it was 11

Peter 18:31

or 12 or 13 or something charity to different charities. Wonderful.

18:35

And they did it at the BRB. They had a special show and for each charity, they had a table of fault for for setup, which I thought was very, very nice. It's wonderful. Yeah, was wonderful. It was a great, great time.

18:47

We had a great time. Yeah. Big, big Yeah.

18:49

Well, the switchboard does have I mean, it has his expenses paid through 1999. But we you know,

18:55

we got Thank You, Jesus.

18:57

I know. But when you know, we could use some computer stuff. Oh, well, hey,

Peter 19:01

yeah, I could do one more of those. Oh, yeah. Who couldn't hear me how I could almost give it I

19:06

need it. I'm still a virgin.

P

Peter 19:09

You get a computer you won't be a virgin lonja you'd be on the damn chat box. You BMB will run up your door knocking and carrying in fact, when I called you who was not going to your door, John, I'm going to ask you that. Was it a trick? It was

👤

It was due but lots of big hair. Lots of big hair and blue smock. It was not pretty. But I was in there. And I absolutely thought I was gonna fall on the floor. Not at late hour in the morning. And I'm looking for something and you know it, it wasn't a real pretty picture. But anyway, you know how every now and then on the story, you know, the they click on with somebody talking about the loudspeaker wanting help somewhere whatever, you know, yeah, like specials and all that. Well, this you know, like, I've got a customer in hardware that needs assistance. Peter 25:18

Really? Really? Oh dear god. Oh, it was it was just too funny for words. Oh god. Oh laughter laughter laughter

P Peter 27:34

Well, it is. Well it evidently Yeah. I was gonna tell you this. We just had a friend of mine just had some carpet put down. Oh, yeah. And the he was telling me that he just had finished selling carpet for this lady. And he'd stepped out for a smoke at the last job that he was at. And he only realized that he didn't have a cigarettes. Oh, so in the middle of the room. He went back in and in the middle of the room. There was this lump in the carpet. No any thought Oh shit. No us pulling all this up again because I cigarettes fell out of my pocket. And yeah, and they're under the carpet right now. And he said I'm not undoing this or cutting it to find Madame cigarette. So he proceeded to get a hammer out and flatten this damn thing to nothing. Just beat the shit out of her with a hammer. And as he was cleaning up, the lady came and she said here she said, Hannah, you have this pack of cigarettes. I found your cigarettes in the hallway. What? And then she said now if I can only find my parakeet Oh, I know. For a long beep oh god he ran out of there picked up is still right. I can imagine that if my dogs missing when you leave.
