## SUMMARY KEYWORDS

red ribbon, people, talk, heard, tonight, skate, homosexuals, night, skates, call, candidate, mike, t shirt, polo, minister, galveston, pansy, sting, wear, party

## SPEAKERS

Speaker 2, Jimmy Carper, Speaker 4, Speaker 3

---

### J Jimmy Carper 00:09

The following program contains language or images of a frank or sensitive nature, which may be considered objectionable by some listener discretion is advised. Whoa, it must be Saturday night at midnight because you're listening to After Hours, a continuing tradition on KPFT Houston 90.1 FM. The crew of After Hours is ready to bring you news, interviews, and music here for gay and lesbian people. Just as Gloria Gaynor says in this song, it's time to open up your closets. We at After Hours urge everyone to come out of their closets. By our definition, that means standing up for yourself and taking responsibility for your own life. But if you feel that you can't come out right now, because of your age, your job or whatever reason. That's okay, we're here for you too. So sit back, relax, and enjoy this week's edition of After Hours.

### S Speaker 2 01:34

You're here? Yes, we are. There we go. I got both of them on now. They're there. This is June. you've tuned into After Hours. And we've got some interesting stuff going on tonight. We've got Mike Morrow from the Minister Mike Show. And he's going to talk a little bit about is, is that me with the cold? Or is that? Like somebody with a cold? Get some feedback here? Oh, sorry. Okay. And he has a television program that you can catch on the Access YouTube channel. And we're going to talk a little bit about his program, his particular program and I would like to talk to him a little bit about the controversy going on over it Access about freedom of speech and the kind of programming that's been going on. It's been a hot conversations lately. And I don't use the word hot loosely.

### J Jimmy Carper 02:29

I know you don't.

### S Speaker 2 02:31

And we'll talk to him. And we're going to give away some tickets to film the film tonight. We're going to be at Heaven next week.

**J** Jimmy Carper 02:40  
Next Saturday night.

**S** Speaker 2 02:41  
Next Saturday night, and boy we have just connected with Fem2Fem here in Houston. We are really honored to have them here. As often as we as we've had them recently. That's at Ccooter over there at Heaven who they've really connected with they really have.

**J** Jimmy Carper 02:55  
Hi, this is Jimmy and Fem2Fem has been, they've been partying with Scooter on their night off and all kinds of stuff like that. So we've got a couple of pair of tickets to give away. We also are going to feature some music tonight by Pansy Division. They happen to be in town this week over at Kettle High Hook and wow what a show it was really fine. Everybody at Kettle High Hook was wonderful. We got an interview with Pansy Division that will be playing in the next week or so. Oh yeah.

**S** Speaker 2 03:28  
Great. All right. Can't wait to hear that Pansy Division. We've heard a lot about Fem2Fem lately but you know I haven't had the question answered yet. Which ones are single and which ones are part of a couple?

**J** Jimmy Carper 03:39  
Oh, and and which ones are gay and which ones are straight? Yeah, yeah.

**S** Speaker 2 03:43  
I heard, I heard something the other day that sounded vaguely familiar childlike femme to them when I heard it. But it it was a song that brought me to mind, "Woman to Woman." Have you heard, I cannot,

**J** Jimmy Carper 03:57  
"Woman to Woman?"

S

Speaker 2 03:58

Yeah, brought to mind when I heard this song. It was brought to mind, "Woman to Woman." Oh, I cannot name of it. But I wanted this. For lord, I promised myself I wouldn't forget the name of it. It was on a regular radio, and I, which really stung me, it was on like 98 or something like that.

J

Jimmy Carper 04:19

Oh, Fem2Fem are hot. I've had a high school, straight high school female asked me about their sexuality.

S

Speaker 2 04:29

Oh really?

J

Jimmy Carper 04:29

Because she likes the music and they're being played on top 40 stations and,

S

Speaker 2 04:34

Because I don't listen to top 40 often. I've heard them here on KPFT. But let's get back to what I was telling you about. I'd like to say hi to a few people because I know a lot of people are going to be crashing out pretty soon and that's okay. We love you anyway, but we really wish you'd stay with us. We've got you know right up to the last minute. You never know what we're going to do.

J

Jimmy Carper 04:57

We can just be the last bitches here.

S

Speaker 2 04:59

And we can talk a little about Halloween. You know, I was at a Halloween party earlier and it,

J

Jimmy Carper 05:04

Were you?

S

Speaker 2 05:05

Yeah, this, one of my friends had a Halloween party in my apartment complex and he really went on nine yards and decorated that house and hung things. I mean, I have not been in a place where I've I really enjoyed just the decoration as much as I did his place. But I do want to say that I have Buddy, Alan, Robin here with us tonight there. Evelyn's children and Evelyn's out in the lobby and I'll try to get her to talk about fundraising over at the Switchboard tonight if I can drag her in here. And I do want to say hi to Evelyn's friends, Kathy and Kathy. Is that difficult? I mean, but you only have to buy one towel right? That says Kathy on it. You don't have to buy like his or her kind of.

J Jimmy Carper 05:50  
That's funny.

S Speaker 2 05:50  
And I do want to say hi to Dennis and Dennis's friends out there. Dennis was the one who gave me the idea of calling the minister Mike and talking to him. And I really appreciate that Dennis and

J Jimmy Carper 06:00  
Hi, Dennis. Yeah. I remember Dennis

S Speaker 2 06:05  
Jimmy asked me is that that redhead Dennis? Is that that redhead Dennis? Yes, it is. And I want to ask people tonight because we're going to be giving away tickets. I want to ask those people who won things last week. If you had any difficulty getting those things from us at KPFT in the last two, last week, give me a call tonight and we'll, we'll try to make sure that,

J Jimmy Carper 06:25  
We still have two books to give away.

S Speaker 2 06:26  
That's what I thought.

J Jimmy Carper 06:27  
Compliments of Half Price Books.

S

Speaker 2 06:30

That's right. Diane over there at Half Price Books and her manager I have a little piece paper somewhere for manager Lloyd.

J

Jimmy Carper 06:38

Lloyd. Yes. I've known for I've known Lloyd by face for years. He's known me by face for years.

S

Speaker 3 06:46

Your face? Got that moon going down the street?

S

Speaker 2 06:51

No, no, no, no, you don't do that kind of stuff, least not any more or any less. Okay, so we want to remind you that we're going to be giving away tickets to Fem2Fem and the way we're going to remind you, are you queued up for that?

J

Jimmy Carper 07:03

I am.

S

Speaker 2 07:04

Alright. The way we're going to remind you is play a little Fem2Fem. And we want to remind you that Pansy Division is going to be in town soon.

J

Jimmy Carper 07:10

No, they were already here.

S

Speaker 2 07:12

Oh, that's right. That's right.

J

Jimmy Carper 07:14

We have, we're gonna have the interview next week.

**S** Speaker 2 07:15  
Next week. So we want to remind you of Pansy Division was here by playing these two back to back. Yeah. Are you ready?

**J** Jimmy Carper 07:22  
I'm ready.

**S** Speaker 2 07:23  
Do it. Okay, we're back. Let's see. Did we get that mic fix you were telling me about.

**J** Jimmy Carper 07:34  
Did we?

**S** Speaker 2 07:34  
Oh, that's your mic? Oh, I thought it was my mic. It's your mic. Yes, we did. You get your paper all laid out?

**J** Jimmy Carper 07:41  
I've got, I think what I need.

**S** Speaker 2 07:43  
I want to say something. Of course I do. Diane. Of course, of course. Diane is out there somewhere. And I know she's listening. And she told me she was gonna be here. And I want her to know I'm mad. She's not here. And we have such a great lineup tonight. I'm just upset. She's not here to help us enjoy. Halloween. Halloween. I love Halloween. It's the what it is the gay Holiday,

**J** Jimmy Carper 08:09  
National Gay Holiday.

**S** Speaker 2 08:10  
National Gay holiday. And there are parties afoot all over town. And I was at one this evening and there's going to be a couple more.

J Jimmy Carper 08:17  
Did you do drag or anything?

S Speaker 2 08:19  
No, I was gonna go as a ghost. But something came up and I didn't get to put my like ghost cutters on but I was up there.

J Jimmy Carper 08:27  
Ghost toasty.

S Speaker 2 08:28  
I was up there rubbing and touching and squeezing. And just like everybody else. There was a sign on the door outside of the door said it said the house rules. And one of the rules was there was no sex allowed unless the host were involved.

J Jimmy Carper 08:41  
Well, I can understand that. It's my party. And I'll have sex if I want to.

S Speaker 2 08:47  
That's right. So it was it was that kind of party. And I understand that Bering Care Center is going to have a great party Friday and then again on Sunday there. They're going to open their doors and there's going to be another party there. They're actually not hosting that party. Another volunteer group is hosting a party there on Sunday for the clients and their friends. And I understand they're going to make it quite a party. Yes. And it's gonna be from noon to three for those clients and friends of clients a Bering Care Center. And they, we're also having a party on Friday during lunch hour we usually do our party during the lunch hour. And then we're going to have games and frolicking and giveaways at the Care Center for clients the Friday before. So that's, I'm really looking forward to that means I get to wear makeup twice. My costume is just a giant and I mean giant and those are for those, that's for those of you who know, you know me, giant. I have these people who call me. Yeah, and they think they're in love with me. Okay, but I keep telling you, you haven't seen me. You don't see me. My voice is very skinny, but I'm not.

J Jimmy Carper 09:59  
Oh, that,

S

Speaker 2 10:01

That's why I had to have a giant sheet. Okay. I wanted to say that because when people were talking to me the other day on the phone, who had listened to the show did not know me and made several references to what I might look like. And they were just like, really often. I am gorgeous, but I am a large gorgeous person.

J

Jimmy Carper 10:20

That's absolutely correct. I'm a woman you should know.

S

Speaker 2 10:28

And my sheet was not white, not white, but it did have two holes cut out of it.

J

Jimmy Carper 10:32

Not white. Was it kind of pink or ivory or what?

S

Speaker 2 10:35

Very anal retentive,

J

Jimmy Carper 10:37

Excuse me?

S

Speaker 2 10:38

Yes. Their anal retentive spacing of large black dots on the sheet.

J

Jimmy Carper 10:44

You were a polka dotted dot, polka dotted ghost.

S

Speaker 2 10:47

Well, my other sheet was nice.

J Jimmy Carper 10:51  
Gotcha.

S Speaker 2 10:52  
And it was I just I was unfortunately, I didn't get to wear it. Of course, it wouldn't have been hard to wear it over anything. It goes with everything I say. But I'm going to wear it at the Care Center. I'm going to wear it at the Care Center.

J Jimmy Carper 11:03  
I think I might have to drop by and see this.

S Speaker 2 11:05  
I'm sure there'll be many people who drop by to see this. Jewel in a sheet. But I do want to tell you that there's going to be hell on wheels Skate Night Halloween.

J Jimmy Carper 11:20  
Isn't that cool?

S Speaker 2 11:22  
Yeah, can't, those people have some fun. I know people that go there, and they really enjoyed even people who have never skated before have told me about going there the first time and being received so warmly. And no, yeah.

J Jimmy Carper 11:36  
Yeah, that's happened to me, because I'm not a skater either. And I had a good time.

S Speaker 2 11:40  
And you know, even for the non skater who just you know, skates on that rare occasion who even those who've never put on a pair of skates. These people are really cool. And it's Skate Night. There is a small charge. I mean, small. It's 7:30 to 10:30. And, you know, darn it. I don't know, I remember that they moved, here it is, Hobby Skate World. 6804 East Haven. East Haven is somewhere off the Gulf freeway in Monroe somewhere.

J Jimmy Carper 12:08  
Oh, that's not. That's not so far out.

S Speaker 2 12:10  
So if you are looking for a hell on wheels,

J Jimmy Carper 12:11  
Costumes encouraged.

S Speaker 2 12:11  
Yes, encouraged to wear and decorate your own skates, a contest is open. And they're gonna give a contest. There having a skate, costume contests. There'll be cash prizes. Everybody has to be registered by 45. But there will be cash prizes. And they hope that you will skate in costume. And that's how they will be judged. So it looks like.

J Jimmy Carper 12:38  
Even if you don't skate, just go and watch. Yes. And it's kind of a benefit thing. There's, there's a group that benefits from this.

S Speaker 2 12:45  
Oh, really? Yeah, don't make that clear today.

J Jimmy Carper 12:48  
They don't no, no, but that. Yeah. This is, this is a benefit thing, it always is, all the skate night are.

S Speaker 2 12:56  
But it does say use your best discretion with your costume.

J Jimmy Carper 13:00  
Oh, that means you have to wear something. Yes.

**S** Speaker 2 13:04

You can't march down, you can't go to the skate party like you can march down the street in the middle of June.

**J** Jimmy Carper 13:12

I see.

**S** Speaker 2 13:12

Yes. Did you tell me that you thought somebody was going to be dropping by tonight? And talk to us about this ,you know I don't have the right paperwork but,

**J** Jimmy Carper 13:22

The old Take Five groups?

**S** Speaker 2 13:24

Take Five group and that they're having a fundraiser.

**J** Jimmy Carper 13:27

They're having a fundraiser tomorrow at the Lovett Inn from three to six.

**S** Speaker 2 13:31

And these are the people who are running for our, from our communities. I don't want to narrow it down to just us because it's not just this whole Montrose and,

**J** Jimmy Carper 13:42

No and these are not just one issue people either.

**S** Speaker 2 13:47

Right and as matter of fact I heard Ray say the other day that I think he said girl, he said girl, we're as diverse as we come and, and I thought I thought he was making a joke to us. So I thought about it so he was suggesting that, cause I've known Ray too long, I always assume that Ray is making a joke. Not that Ray, not that Ray is a jokester, but that in private company

with people that he's familiar with he's very, very jovial. So they're having the Take Five benefit tomorrow. It's going to be at the Lovett Inn 501 Lovett Boulevard from three to six. They requested a donation but are all, are all are welcome.

**J** Jimmy Carper 14:37

That's right. Well, the whole thing is a fundraiser. I mean, the fundraiser for all five candidates, right? Which is the really cool thing because they're all in one office which is, talk about saving money, right? So pretty cool thing and they'll be here about 1:30, 2 o'clock,

**S** Speaker 2 14:56

And you think that maybe Annise might part of that little,

**J** Jimmy Carper 14:59

It's Annise and Jim Owens.

**S** Speaker 2 15:01

Be still my heart, and he's back in this room. So close, so close. So close and she'll be sans her lover tonight, right?

**J** Jimmy Carper 15:09

Oh probably.

**S** Speaker 2 15:11

See oh that's dangerous it's even more dangerous than it was before. Okay it says the proceeds will be divided evenly among the candidates but if you prefer you can designate half of what you contribute to a specific candidate. So that means, you know, you're not just giving to everybody, if you want to specifically support one candidate, half of what you will donate for for the evening will go to that candidate. Okay, let's see. I did want to say a couple other things. I want to tell you a little about what's going on with Polo. Polo, if you're out there listening you can give me a call anytime we'll talk a few minutes about the red ribbon if you want. Polo sent me a wonderful postcard. I love it. It's the best postcard I've ever seen.

**J** Jimmy Carper 15:53

That is so cool. You know I,

S

Speaker 2 15:55

My picture on it.

J

Jimmy Carper 15:56

Yeah, I can you know, like,

S

Speaker 2 15:57

Imagine all those male people like touching my picture. It really, just the sensation's strange. I didn't think that. I mean, it's like people who don't know me have seen me. Yes. Okay. And they wonder who is that? Oh, God, why would anybody take that picture? Oh, come on. I'm kidding. I'm kidding. Self depreciation. But it's Polo sent to me to remind me about what the Red Ribbon means to you. He's taking, making a film on his meager budget he makes somewhere in the neighborhood of \$400, \$450 a month on his SSI or SSD. And from that money, this man has promoted and put together a video about the red ribbon. That's one of the reasons we use that particular question last week, who was the first celebrity to wear red ribbon in public and it was Jeremy Irons. So he's just a frugal little thing, isn't it? Yes. And he managed to put together this video that I went down with one of the other people that I work with last week and did a piece for and they're going to be distributing this movie for a small charge, just enough to cover the movie, cost of the movie, actually, most, I think it's just postage covering. And so that people will know about what the Red Ribbon is instead of, there was a line on Beavis and Butthead recently about and I talked about this last week. Beavis and Butthead, where one of them turned to the other end said, you know, there was a Denise Williams concert. Video on, is I heard Miss America that they took the crown away from? Black woman.

J

Jimmy Carper 17:34

No.

S

Speaker 2 17:35

What was her name? Vanessa Williams, right. And she had a video that she was wearing a red ribbon and one of them turned her head and said, What does that red ribbon means. And he turned around and said, Well, that's something rich people get into words. And people out there don't know what's red ribbon is and this is what Polo wants to do. He wants to educate people and let people know what the red ribbon means. And he wants some help from us. He'd like some people to call a 1-800 number, listen to you, and just speak after the beep about what the red ribbon means to you. And they're going to edit this and use that as voiceover background and add on pieces of this video that they're putting together. Oh, and he's been taping people, various people talking about what the red ribbon means. And filling it with details about what the ribbon, red ribbon is little history, some trivia, some interesting stuff. So I'm looking forward to video. And let me give you the number or you can call and tell Polo, Polo and his film crew who I think consists of Polo. Okay, the red, red, what the red ribbon means to you. You can call 1-800-494-0009.

Jimmy Carper 18:51

Let me let me have that again. 4-9 nine. It was 1-800-494,

Speaker 2 18:55

Correct. 0-0-0-9.

Jimmy Carper 18:58

Okay.

Speaker 2 18:59

Okay. 0-0-0-9. All right. And you can call anytime before the 31st at the time, I guess the 1-800 number expires? The 31st? Perhaps not, perhaps that's just the deadline from getting in the film.

Jimmy Carper 19:12

Hurry, kids.

Speaker 2 19:13

Yes. So if you have a particular feeling for the red ribbon, or if you've never heard of the red ribbon, I guess that would be as, as important to the film

Jimmy Carper 19:24

Or you've seen stars with them on TV and don't know what it means.

Speaker 2 19:29

So you can call Polo and tell them what the red ribbon means to you. Okay. I'm gonna put on an album, a record, are we gonna record film? No, we don't. Oh, that's right. I wanted to talk about the Fem2Fem tickets. What we're going to do is for those people out there listening, of course, that means everybody who hears me. We're gonna, we're gonna play a Fem2Fem. We're gonna play which one? Are you queued up for?

Jimmy Carper 19:50

 Jimmy Carper 19:58  
I'm queued up for it.

 Speaker 2 19:59  
Which one

 Jimmy Carper 20:00  
One they know.

 Speaker 2 20:01  
Oh, that one?

 Jimmy Carper 20:04  
"Switch. "

 Speaker 2 20:04  
"Switch," okay yeah when you hear "Switch," first two people would call us we will give two tickets?

 Jimmy Carper 20:10  
Two pair, a pair of tickets each.

 Speaker 2 20:12  
A pair of tickets. two tickets.

 Jimmy Carper 20:14  
Yes two tickets each. And the Fem2Fem concert which is next Saturday night at Heaven.

 Speaker 2 20:22  
Saturday night, maybe Scooter will bring you over here afterwards. Cool and later we're gonna give away some books, we've got two books that we want to give away that that we got from,

**J** Jimmy Carper 20:31  
We're just giving away tonight like nobody's business.

**S** Speaker 2 20:34  
And when I would like to go to to something, you've got something queued now, something else queued now? No not something else queue now. I'd like to get a minute and and talk to Michael and then we will get Michael on the air.

**J** Jimmy Carper 20:48  
So okay, so let's go to some music. All right. Now remember first two people who hear from the fam. Call us at

**S** Speaker 2 20:59  
JAM KPFT Hi. I'm fretting over this button. You guys know we said this and so

**J** Jimmy Carper 21:06  
573838. Okay. And we're back. Yes, we are. And she's coming into the room folks and she's got a new T shirt she wants to tell you about.

**S** Speaker 2 21:26  
Yeah, Tom just brought me a t shirt brought me a nice t shirt. It says feminism is the radical notion that women are people. I love this t shirt. He got it at a t shirt shop in Galveston run by a, but she has a shop in Galveston. Yeah, he got it at the street festival recently. She had a booth put up there. And he picked this t shirt up. And I appreciate it. He says she has a shop in Galveston. We'd like to say hi to, what was her name? You didn't get the name. But she runs not so subtle tees. And I like some of the T shirts that are on this little flyer. Students are not visitors in school. They are the school. I'd like to remind people that. It says there's a couple, a couple of other ones on here: an I for an eye makes the whole world blind. I kind of like that one too. Anyway, if you're down a Galveston, you might look her up. I don't want to be a promotion. But we'd like to let people know when there are other businesses in other cities, other businesses in other cities that we, we can frequent, you know, I always say if you can you should buy from our community. If you can't then try to get as close to someone who appreciates our community as possible. I have with me tonight, Mike? It's Morrow. M-O, double R, O double W. No.

**S** Speaker 4 22:52

Morrow.

S

Speaker 2 22:53

Oh, okay.

S

Speaker 4 22:55

Tomorrow without the to.

S

Speaker 2 22:56

Gotcha. Okay, we got Mike here. And Mike is with Access Houston has his own program there called the minister Mike Show. And I've heard a lot about your show on Access. And I've heard it, especially from some friends of mine, and I've heard it from an occasional stranger, people I don't know might be mentioning it enough. I regret that I have not seen your show. But I understand that it has as much irreverence to it as, as our show does.

S

Speaker 4 23:24

As much as possible, as much as we can possibly get away with. We started airing it about three years ago, we produced our first show in 1990. And basically, it's just a comedy. It's a satire about fundamentalist Christians, I got real tired of turning on the TV on Sunday morning and hearing Jerry Falwell rant and rave at me about you know, the homosexuals going to hell. And by his videotape, and you can see people, you know, homosexuals kissing at the wall. Yeah. And so we made a video that really sort of just makes fun of that, that whole mentality. And it's really interesting. We have a phone number at the end of our program. And it's basically, it just goes to an answering machine. It's just so we can get feedback. And of course, anybody that's going to bother to call at all are either going to have to feel very strongly one way or the other about this, right. So it's either Oh, we love the show, it's funny or you're going to hell. I had a woman suggested only Satan could have produced such a such a program.

S

Speaker 2 24:42

We know better. We know better. We we produce those programs ourselves. Yeah. Well, tell me a little bit about what what the show was about. I mean, what do you do, how, what is your setup?

S

Speaker 4 24:54

Well, it's it's Tammy Faye Bakker, Jim Bakker, sort of a deal. Minister Mike and Linda, his co host, they have a studio audience and they deal with issues, they deal with issues about

**S** Speaker 2 25:22  
Gay, I mean, Christian,

**S** Speaker 4 25:24  
Yeah. well, making, yeah, just making fun of that mentality mentality that makes fun of homosexuals.

**S** Speaker 2 25:31  
So you have a kind of a talk show kind of show.

**S** Speaker 4 25:35  
Yeah, we had sort of a talk show format. Linda is also an entertainer. But she has no talent and she, we take Madonna songs, old Madonna songs, we rewrite the lyrics. From her, Papa don't preach. And we changed it to Pro-choice don't preach, right. Yeah. Well, it's really funny. A lot of people. A lot of people don't get that it's a satire. And a few people think that it's real and get, get really mad.

**S** Speaker 2 26:03  
I seen some of those at night late at night, I thought might be a satire, but weren't real.

**S** Speaker 4 26:07  
Well you hope they weren't real?

**S** Speaker 2 26:09  
Yeah, they weren't real. Yeah. Have you caught that guy who does the chair, the horse show all the time? He's on on station real late at night. He's always talking about his horses. And he's always at some horse show while he's showing video, while he's talking over it. Yeah. Talk about vile. So you do you have guests that come on? And,

**S** Speaker 4 26:31  
No, no, no. It's all scripted. I mean, one person show well, well, actually, there's Linda, Minister Mike. And then we have Millie, who's our assistant. In one of our shows, like we really go after Jesse Helms. With the maple for photographs. What we just try to do is, is just, just portray how ridiculous,

S

Speaker 2 27:00

To an extreme?

S

Speaker 4 27:00

Yeah, to an extreme that these people can be. And just how absurd it is that there's so many more real issues to be concerned about. Yeah. And of course, if these kinds of people really aren't Christian at all right. And we hope that that comes across, too. Minister Mike, all he wants his money. He's always got gimmicks. You know, he's always selling something for \$19.99.

S

Speaker 2 27:26

Well, it sounds great. I wish my cable station my cable company got it. But I'm on a very small cable company in the middle, in the heart of the seminary.

S

Speaker 4 27:36

Well, if you catch it anymore, it'll have to be after midnight. After midnight. Yeah, Access Channel has, ironically, we won in 1992. We won their best show award. And then in 1993, we were kicked off the air. If that doesn't say anything about the climate changing in Houston after, well, what do you think of that one there?

S

Speaker 2 27:58

Yeah. You were talking. We were talking earlier about what we've talked about. And you said, you want to talk about Lanier and I said, you know, we want to talk about that whole political thing. Yeah. What what what went on?

S

Speaker 4 28:09

I mean, well, I don't know. I heard that he personally saw the show and had a fit. In one of the Minister Mike shows we have some simulated homosexual oral sex. And as I say, it's simulated but apparently he saw it and considered it pornographic, which started the whole sting. Another producer had a video that had, I think that showed a woman's vagina. I hadn't seen that video. And so our two shows is over what really caused the original sting, they felt like well, what, what it is is that they were, Lanier is trying to say that there's just no control but that's the whole point of the Access channel.

S

Speaker 2 28:57

Yeah that's what I thought it was free and then if you didn't want to watch it you knew that

Yeah, that's what I thought it was free and then if you didn't want to watch it, you knew that this was locally programmed and turn it off, right.

S

Speaker 4 29:04

Right. They they wanted to compromise, they, you know, I'm not gonna deny that my shows a little racy. Definitely adult
