The following program contains language or images of a frank or sensitive nature, which may be considered objectionable by some listener discretion is advised. Oh yes, you've tuned into after hours a continuing tradition on KPFT Houston 90.1 FM. The crew of after hours is ready to bring you news, interviews and music geared for gay, lesbian, bisexual and transgendered people. Hear it after hours, we may be diverse, but we have one thing in common. We are all out of the closet and urge everyone to come out of their closets. That means standing up for yourself, taking responsibility for your own life and being proud of who you are. Realistically, we know not everyone can do that because of a wage job or frame of mind. That's okay. We're here for you too. So sit back, relax, and enjoy this week's edition of after our. Hello, Houston, it's Jimmy with the QMZ the queer music zone, which is heard every Saturday night on after hours queer radio with attitude. Heard right here on KPFT Houston and KEOS College Station, Bryan. Yes, you heard right. Tonight is an all queer music show. It's usually the fifth Saturday of the month. But we kind of had a schedule conflict. I'll tell you it's usually the Bi people are here along with LuJack. But it happens to be GiGi's birthday. So she's throwing a big bash. And in fact, I'm going to read you something in the in the by the way, which is the bisexual newsletter. A couple of things going on for bisexual folks I want I want to do this in case you were expecting bisexual stuff first, you know, cuz we kind of pulled this on you. But hey, first of all I want to talk about the pagan party which is going on right now. It's Gigi's birthday. So she's having a pagan party. He's having a pagan party. And it's going to have a drum circle and all of that kind of good stuff. So I know they are having fun right now at Gigi's. And the byline or by the way, is a monthly newsletter put out by Houston buying that. And they're they're going to be here next week. And they're going to feature black sheets, which is published by the black book. And I'll give you the address and stuff later on. But what JJ says it's queer, kinky, intelligent and irreverent. And here's what he has to say about black sheets, which is a zine put out by a bisexual editor and focusing on sexual aspects of the community. And this month they focused on bisexuality. He says Jimmy gave me a copy and it's great. It has pictures, nude women and man editorials, letters, interviews and everything about bisexuality. It is totally rude in sections, black sheets, talks about sex parties and politics, monogamy and masturbation. There is not a topic that they shy away from. If you are into being bisexual. This is a wonderful magazine. It will keep you up to date on what is happening in California. If you are interested in seeing a copy CGG or if you want to get your own copy. The address is the

black Book, PO Box 31155 San Francisco, California 94131. The cost is 20 bucks for a four issue subscription. And the contact person is Bill Brandt. He's also the editor. And I have an issue of him with a nude photo. quite revealing. Anyway, Gigi and the gang will be here next week to talk more about black sheets, and bisexual community. But for right now, let's see we've got new music coming up. Frank has a new CD out. It's a short one, but it's good. I'll be playing something off of it. I'll be playing the Fred's later on, I got a great letter from them that I'll be getting together with the threads so that we can have a full interview and maybe do some live stuff here. And I do want to mention that the Fred's will be at the Lone Star women's music festival that's coming up October 6, seventh and eighth. Don't miss that. But for right now, it's the QM Z queer music zone. And we're going to start off with a kind of a mini concert of romanovski and Phillips, and then later in the show, we'll get into some of the newer stuff some of the punker stuff, huh? You know how it goes. But right now, a tribute to RNP this is kind of the first queer music I ever heard. And this happens to be the first queer song I ever heard. The positive, positive anyway. So RNP with the Prince Charming tango?

07:18

knew from that moment that you were in my parade.

07:26

Finally, on life is always a big surprise. I thought a man of my dreams would have blue eyes and I thought you'd be taller. I thought you'd be rich. I didn't think you'd be moody and a time such that.

07:51

I thought you'd be brilliant.

07:55

A real eye. But you'd rather watch TV. Then challenge my mind. I thought you'd be happy.

08:09

And never complain. But you're so neurotic. You make me feel sane die.

08:21

I dreamt about you? Did you dream about me? You are shining armor. And you rescued me, buddy. Dreams are not always as they

09:45

But don't hear my darling because you know, I

09:52

and I know you can be blame. If at times you're right. I

10:14

guess that I was destined to be the kind of guy who never really fits in and same time so now I've started scanning the question in my mind what kind of self respecting baggage

10:38

moved to San Francisco it seemed the place to be but I'm not in school. And bars intimidate me and I own lincat of Costco is where it's supposed to be. What kind of self respecting Fagin? We don't own a single record by Barbara or Judy. Betty Davis guests Guess I'm in a responsible duty what kind of self respecting I don't read magazines like GQ. On my clothes and when the conversation goes to runway show all I can do is to dance. I don't punch on Sunday. don't own a set of weights. I wouldn't dream of screwing until after several days I know it's quiet I might as well be straight. What kind of self respecting bagging

12:41

it's hard to win here you don't own a poster of Marilyn and I know it's hard to find it's really quite a shame what kind of self respecting bag?

Jimmy Carper 13:49

Oh yeah romanovski And Philip so a little mini concert of them there we started off with the Prince Charming tango. And then we went to what kind of self respecting faggot Am I guilt trip and give me a homosexual and we ended up with what did we if there's a God, he's a gym queen. Isn't that the same thing? Sarah G is in the house with me tonight. Yes. And so is big, right? Yes, you are listening to after hours queer radio with attitude. Right here on KPFT Houston and KEOS College Station Bryan. And we are taking your requests for queer music. Roy is he is standing by he's usually sitting by but you know, Hey, it's 526-573-8526 KPFT. We don't want your money this week. That was last week.
