J Jimmy Carper 03:21

Well couldn't wipe it off with sandpaper. Oh

P Peter 03:23

no baby couldn't wipe it off a sandpaper child.

∅ 03:29

We have finally found

J Jimmy Carper 03:32

I see the dry spell is oh oh

∅ 03:34

drought. What do you mean

J Jimmy Carper 03:38

the desert? Yes, indeedy. Well, how was it

C

Connie 03:48

for Peter to be speechless that really must be something must be are you speaking Spanish it
Oh,

J

Jimmy Carper 03:56

I bet he was speaking in tongues. Oh,

P

Peter 03:59

yeah. Thank you Jesus. Thank you Jesus. Wait no that's my boys

C

Connie 04:06

and girls prayers do get answered Yes. Might not be in the timetable we hope for but they do
get did

J

Jimmy Carper 04:13

use a lot less tense. Have you noticed?

P

Peter 04:15

And can you believe it? We have not even had a refreshing cerveza Oh,

O

04:20

wow, we are doing this that did loving

P

Peter 04:24

that. So don't come over which is a rarity for me.

J

Jimmy Carper 04:28

And the ratings are gonna go down. Well,

O

04:31

not yet. Come up with caffeine. So maybe

P

Peter 04:37

I've only done it one at a time that you figured out when? Yeah, we did. Okay, well usually stop for nice refreshing cocktail beverage prior to kick off just so we're loose and goosey and all that. And we just couldn't have didn't have time for that because we were working so hard. Hard.

o

04:58

This is our special A turkey day.

P

Peter 05:01

This is our special Thanksgiving Day Program.

J

Jimmy Carper 05:04

I have a mini rant about this. Iran. Have you been downtown?

C

Connie 05:10

Briefly all the lights around? Yes. Like, everywhere where everyone's forgotten about Thanksgiving.

J

Jimmy Carper 05:16

I know I hate that Thanksgiving is an important holiday. It

P

Peter 05:19

used to be damn near forgot about Halloween if you went to Christmas

C

Connie 05:23

used to start like the day after Thanksgiving and now it's like after Halloween. Right? Right sometime. Next year. It'll be the fourth of July. We'll be getting ready for Christmas. Gearing Up.

P Peter 05:34

Speaking of have you other sides of the coins and little piss off things and what whatever. Yeah. Did you see I thought there's so if you haven't seen it, look back and get the November 13. issue of the twip.

C Connie 05:47

Yeah, living your twit library.

P Peter 05:51

Right prior to throwing up the last day, the 13th

J Jimmy Carper 05:55

of November. That

P Peter 05:58

particular so I mean, you're going to be getting a new in this week. So before you throw the old amount if you haven't whatever I thought was a clever little article in here about personality plus what the astrologer books don't tell you. Uh huh. And you know, everybody runs and look checks over. We're not everybody, I'm sure but most random check it all horoscopes? Yeah. And it says in case you haven't noticed astrology is not in the business of telling you the complete truth. That's why traits like cheap and spiteful and the ugly, become thrifty and intense. And has a good personality. And why pay a buck? Why Bay goodhearted ready to be insulted? Unless she's that kind of guy. Anyway, before you send a bottle of champagne over to that mega hug at the end of the bar first find out what his sign is and consult the following and it gives the real other side I mean, oh, the total picture of different various sides, which I thought was just terribly interesting.

C Connie 06:54

You know what the scariest part is? Is that Peter and I are the same sign.

♀ 06:59

Wow, we are that some kind of weird

♀ 07:02

geological areas?

P Peter 07:05

Yeah. And tonight, Miss Connie and I went for a refreshing coffee beverage. Yes. Thank you, prior to early on to just discuss various things of the upcoming show before I went back to work.

C Connie 07:21

There's a lot of strategizing that goes into this. Yes.

P Peter 07:23

Well, and we had to put in calls to our research department and and we both have people on, you know, like we have our correspondent in San Francisco, we have people and we have to gather all that data that's been coming in. Okay, so

J Jimmy Carper 07:38

we strategize. So, we went and sideline here ordered. I want to find out how where are you? Where did you go for coffee? Well,

P Peter 07:45

well, we started at two peas. Oh good.

C Connie 07:48

But there was some kind of lesbian Fest and it costs \$5 to get in so not only

P Peter 07:52

that, but it was jam you couldn't talk to if you had so we went to a neighboring coffee shop.

J Jimmy Carper 07:56

Okay. ordered our

P Peter 08:00

order and guess what the bill came to what 666 Oh, it was dreadful. And we had to have a

chocolate

08:12

biscotti talk it was

Peter 08:14

666 numbers just so the show wouldn't go right down the toilet.

Connie 08:18

So we ate that Biscardi for everyone out there's benefit it was we didn't enjoy it.

Peter 08:24

And you didn't need it

08:27

Ms. Girl

Peter 08:29

were starting to jump in while the jump and was good.

Connie 08:34

Can you jump out? I can't Oh no, we're gonna listen to this. Um, maybe? Well, you kind of started talking about earlier but I didn't hear you say actually hi to anyone in particular. No, you won't either.

Peter 08:51

Nice tried to tried to talk to you. It didn't work.

Connie 08:57

Why have you sent a couple of shout outs while we're saying hi. Well shout out to Greg and Edie who are supposed to be listening to straight boys I went to high school with so No

J

Jimmy Carper 09:07

kidding. Yeah,

C

Connie 09:09

they listen occasionally. Are they married? I guess they didn't know it was me. But you certainly

P

Peter 09:15

look ravishing. Tonight for some particular reason why? We have gorgeous eye makeup and our little

♀

09:20

puckering lips are just spread and I got my nails.

P

Peter 09:24

My nails done today.

♀

09:26

They're a little bit lengthy. They're kind

J

Jimmy Carper 09:27

of especially for a lesbian like no, they are not saying

P

Peter 09:31

no, they. We almost look like we're lipstick lesbian.

♀

09:34

Well, we try.

P

Peter 09:37

We've done a wonderful job tonight. Speaking of lipstick, lesbians and blood, whatever. Did you hear that these three blondes got washed up on an island? No. They did. Well, I don't know they got washed up on his own and suddenly this fairy appears and offers to grant each one of them a wish

J Jimmy Carper 09:52

or we're real fairy.

P Peter 09:57

Carpet fairy anyway. And so the First been asked to be intelligent. And instantly she was turned into a brown haired woman, and she swims off the island. And the next one asked to even be more intelligent than the previous one. So she's instantly turned into a ravishing redhead, and she builds a boat and sails off the island. Wow. And the third blonde has to become even more intelligent than the previous two. And the fairy turns her Indra into a man he walks across the bridge.

C Connie 10:30

I protest that joke. That's

J Jimmy Carper 10:33

the one that she didn't want you to do. The one she didn't want me to do. Here's the one last all the lesbians are white. Nobody. Here's the one.

P Peter 10:46

Yeah, just the blonde. Yeah, the brunette and redhead state. No, listen, some of those girl I would do it. Anyway, here's what she did. Let me tell you. Oh, yes. We may even repeat this one later. Oh, yeah. It seems that this man marries this woman had been made three times before.

J Jimmy Carper 11:06

I have heard this. I gotta tell you. Yes, I heard this. And I told it to the general manager here. He loved it. And the program director loved it to me. No, it was.

P Peter 11:17

That was the one I told you that. Yeah. And so on their wedding night. She says no, honey, be gentle. I'm virgin. And he says, Wait a minute. How can you be a virgin? You've been married

three times. She's one that believe it or not? It's true. She's my first husband was a psychiatrist. And he only wanted to study it. And my second husband was an optometrist. And he only wanted to look at it. And my third husband was a stamp collector. Yeah. Oh, boy, I miss him. Now that one was for all my little lesbian friends.

 Connie 11:55

I think the correct punch line would be Oh, boy, do I miss her?

 Jimmy Carper 12:02

Probably right.

 12:04

Now that we've regained all of our lesbian release date, girl girls.

 Peter 12:08

So anyway, what's new about with you, Mr. Jim?

 Jimmy Carper 12:12

Oh, not much. I'm just getting ready for a nice quiet Thanksgiving with friends. But there's really a lot going on. I think Roy is going to touch on that later. I can hardly wait during the new segment when he talks about all the different bars that are going to have Thanksgiving feasts.

 Connie 12:30

Oh, yeah. Yeah. Do people like go and have Thanksgiving dinner at a bar? Sure. Okay. You know what? I guess that's a bit weird.

 Jimmy Carper 12:43

But you know, so many bars. Offer it. Wow. That I mean, if nobody's partaking they wouldn't have it. So right.

 Peter 12:52

Well, I know Jr. is doing it. And I know there. I need a man with the well, she is yeah, she's doing it down to venture.

J Jimmy Carper 12:59

Right. And that's for PW ways. Right. Right. Right. Oh, good. And

P Peter 13:05

so that's going on there. And I know, I've seen some other ones. But we got invitations. I could, you know, a lot. I mean, I've seen a lot of those. Right,

J Jimmy Carper 13:11

right. It's incredible. Just incredible. This, this community really opens up at this time of year from now until January, it's just gonna be an outpouring. And so you're having dinner? Yes, two different places. Actually. I feel blessed that I'm invited to two different places. Well, you

P Peter 13:28

can make it three you can come to my house and we're having a big audience, and I'll bet you

C Connie 13:35

anybody in particular? Oh, is it gonna have a fiesta theme?

J Jimmy Carper 13:46

Talk I want to remind you that you're listening to after hours on KPFT Houston and Capo s College Station. This is me Carper. And Peter Gotti Lingus show our number four, because later on, we'll be doing music and you can make a career musical request at 52657385 to 6k P F T. You know what? What

P Peter 14:16

outside of calling in for the things this will be our third annual question.

14:21

Yes. Annual not annual. No. Wow, what

P Peter 14:25

~~annual would I say? I didn't say silly rabbit~~

annual would I say; I might say only twice.

J Jimmy Carper 14:29

Not sure though.

P Peter 14:30

Anyway, for the last three years. Now, if anybody's been listening to us this long, they're gonna we're gonna know because old time callers just might remember back in the old days as Howard and I. We asked this question for giveaway. Oh, I remember that. And then we did it again. Two more years. And now this will be your third or fourth annual time we're gonna ask this question. Do we have any little giveaway? CDs or anything?

J Jimmy Carper 14:55

Actually, I do have a CD to give away

P Peter 14:57

to you. Well, I'll tell you what may we ask that same old question that we've asked every Thanksgiving for the last three years to find out if anybody know and if they will know if we have any longtime listener actually

J Jimmy Carper 15:08

you know we have we ever given it I don't think anybody has ever answered yeah because somebody

P Peter 15:15

had listened but last year somebody okay called in and got out it was like a buck 56 Call or something but it was like they got coffee it at two Bs The question is

J Jimmy Carper 15:28

why happened to have a car

15:30

well, I didn't know you're gonna go right into it well, but this is what we're giving away. We're giving away Rhino Records as just put out a compilation called *lesbian favorites*. Women like

us. wow. And it's cuts by k.a. lang temme to ram jiii Sophie and Anita Franco calling on the baddie. Disappear fear Ferren, Frank, Richard Phillips, two nice girls, Andrew Bernhardt and a few straight women. Do

 Connie 16:03

you just have one of those? can make one for a husband?

 Peter 16:07

Yeah, really? Can we call him Antara?

 Jimmy Carper 16:11

Fabulous compromise sounds like certainly, especially if you're just getting into women's women's music.

 16:17

Well, damn the essential.

 Peter 16:20

Do we have any Krabi when we can get away?

 16:25

Maybe some of those records in Chicago. Anyway,

 Peter 16:29

here's, here's the question. Okay. Now if you know the answer to this question, you call it and you can have that fabulous CD girl of all those fabulous feminine artists from Rhino Records and the number is five to six KPFT right 5265738 Look at the phone. Anyway now the what's the question? The question is what did the Pilgrims bring to the first Thanksgiving dinner?

 Jimmy Carper 17:03

Yeah meal but of course you have not informed a big Roy that this is going on Have you

P Peter 17:01

well he didn't anything else he busted out there to answer the phone Yeah, move chairs around and be calling in we're now he formed Well, whatever. If he calls any can bring the answers in and we'll know who's right. And that what he always does. Me so busy calling already chairs and tell me how to charge that room out there. You gotta have something to do. Oh, he's

J Jimmy Carper 17:26

got plenty to do.

P Peter 17:29

Really? Anyway, yes. So So

O 17:31

oh, look, we got we

P Peter 17:33

have we got family. Oh, cool. And we have a top 10 list for tonight. that'll knock your socks off. Miss Carper.

C Connie 17:40

We got a theme night working tonight. We

P Peter 17:41

got a theme night we had a Thanksgiving theme night working. And we're gonna have a top 10 ways Thanksgiving would be different if the Indians and the Pilgrims at the first Thanksgiving were gay and lesbian and lesbian. Okay, or lesbian or and or both end but anyway, they were all queer. So that would be just too cute for words. Right. So we're have

J Jimmy Carper 18:03

Roy has to know the answer. You know, for people who call in so he can say yes, that's correct or no, that's not correct. Oh, that we like we

P Peter 18:12

like hearing all the we like hearing all the answers anyway, because we got the most

interesting ones like corn chowder recipes from mom kettles cookbook, and we just got all kinds of just write it down.

J Jimmy Carper 18:23

Somebody's on the phone right now. Oh, good. Oh, yeah. And what answer did they get here? Right.

B Big Roy 18:28

I've Maryland on the line right now. And she's wanting to know if corn was what the Pilgrims brought. No, Carolyn, we're sorry.

J Jimmy Carper 18:36

No, Maryland. But give us another try. 55738. What did the Pilgrims bring to the first Thanksgiving dinner?

P Peter 18:45

He just put them on those little slips in hand here. No. Okay. Read this one in that one. And when we get the right one, we'll tell him.

C Connie 18:51

No cream corn. No. Corn on the cob. No candy corn.

J Jimmy Carper 18:55

None of that. No, no, no.

Ω 18:57

They're good guests. And thanks for calling.

P Peter 18:59

Yeah, Marilyn, I know everybody's gonna want that. Um, so it's gonna be and I was telling you, we have these top 10 ways that Thanksgiving would be different if the Indians and the Pilgrims had their first Thanksgiving regained lesbian. Oh, yeah. So we'd stay tuned for that. Because, oh, it's fabulous. You got to hear the fun things we've got for that.

19:17

It's better than the I was thinking. I was hoping that you would put together a top 10 list of things that we're thankful for. But you know, there would just be one or two on that list. And you already got yours. Well, Christmas.

Peter 19:33

Turkey gets tough soon to

19:38

the lines lighten up.

Peter 19:40

Everybody wants to stuff Tommy's turkey. Just call us. Larry said beer. Well, Larry, you're just real close. There's one other thing that goes when it wasn't really beer, Larry, but they didn't have it back in those days. You sound like Verizon Larry is our beer honey. Did they? Yeah, they've been having this for a long time. Oh, yeah. Damn.

20:05

That's why they wireless funky clothes. They were

Peter 20:11

I thought they look pretty cool. Anyway remember a few weeks ago we were doing these incredibly we're into heaven motif or something. All of our jokes are about hey, we had a religion show. Yeah, well, this week's our Thanksgiving show but we had a leftover

J Jimmy Carper 20:26

we've got oh

Peter 20:27

my god if we have one really cool. Kevin disease. Well, you know what, what? It's real close to it's like two things.

J Jimmy Carper 20:43

A diseased be.

C Connie 20:48

Kevin callback if you can get a little more specific and know that there's really two things that we're looking for.

P Peter 20:53

Oh, yeah. Well, yeah. Well, what did they bring? We that's all we ever said. Oh, and everybody knew or some people knew.

C Connie 21:01

You know, had we said what one thing did they bring? Yeah, what

P Peter 21:05

did they bring? My birthday baskets full. Michelle

J Jimmy Carper 21:10

was gonna lose weight.

P Peter 21:11

I will listen that'll work. Larry, callbacks and beer and wine Well, Larry, you know, it's it's close. but no

J Jimmy Carper 21:20

cigar. No cigar. Actually, it's close. But no CD.

P Peter 21:27

But it's real close. These people all

J Jimmy Carper 21:29

right, that number 526-573-8526 KPFT was fun. Oh, this

P Peter 21:35

is yeah, we've had said loads calls. When you might remember that religion show we hit Yeah, well, okay. I got a fan. Oh, you want to do fan mail? Oh, I

♂ 21:43

was just okay. Let me do the Saints

P Peter 21:45

fan sent me this. Somebody who lives well, I guess this matter of fact they did. And somebody who lives quite far away. Oh, so evidently either a they were in town listening. Or B. We go a lot farther than we think we go. Well, I

C Connie 22:02

think we're we're just gets out.

J Jimmy Carper 22:04

Well, every once in a while we they can hear us in Austin. Well,

P Peter 22:08

this is farther than that.

J Jimmy Carper 22:11

It must have been in town or shortwave

C Connie 22:13

sent them a tape. Yes. I think people are taping the show running it out. Yeah.

P Peter 22:18

Well, whatever it is. This is from quite a ways away. Oh, anyway, and so he said he'd like to add ~~this on to this. The shy gentleman was preparing to board a plane and when he heard that the~~

this on to this. The shy gentleman was preparing to board a plane and when he heard that the Pope was going to be on the same flight. He thought boy, this is really exciting. And he thought you know, I've always wanted I'm a big fan of the Pope's and Kala, you know, maybe I'll be able to see him in person. Well imagine his surprise when the Pope sat down in the seat next to him for the flight. No. Yes. Still, the gentleman was too shy to speak to the holy pontiff. And so shortly after takeoff, the pope began doing a crossword puzzle. And so this is fantastic about this guy, cuz he's like, No, this is really cool. Perhaps if the pope gets stuck, he'll ask me for assistance. Oh, yeah, that'd be you know, so almost immediately. The Pope turns the gentleman he said, Excuse me, he said, but, you know, a four letter word referring to a woman that ends in Un t. And although my only one word left to his mind, he said, Oh, my goodness, that he thought Jesus, I can't say this to the Pope. He said, You know, there's got to be some other word. And so I thought for quite a while and then it hit him and he turned to the Pope. And he said, and the gentleman said, I think the word you're looking for is and of course of the Pope. Do you have an eraser? Oh, I like that. Phezzan Harold called in and said fasn

 Connie 23:42

know, a truly clear answer, but not the right one. pheasant

 Peter 23:46

underclass. How precious? Anyway, the feathers. Feathers will use them. Anyway. Um, I know. We were closer running along those other lines. Yeah, we were closer a minute ago. running those tells pop viewer mail con. All right.

 24:02

Well, we got a little note here from Lou. Hey, Lou.

 24:06

How's it Hey, Lee.

 24:07

What's that blue?

 Jimmy Carper 24:09

Lesbians not hanging at all? Yeah, we were trying to

 Connie 24:13

figuring out if we well Jimmy thought it might be a straight man but I think it's a lesbian. Well it's

figure out if we well Jimmy thought it might be a straight man, but I think it's a lesbian. Well, it's in pink ink. I don't know if many straight men that would write in pink ink.

J Jimmy Carper 24:23

Jimmy, I'm not

♀ 24:28

straight. Oh, anyways, it's

J Jimmy Carper 24:30

almost everybody on this program is queer unless we tell you specifically right. Okay. Unless we say otherwise. Yeah, otherwise. I'm alright. So. Yeah, wait, I think we'll go ahead.

C Connie 24:44

Lucena, some jokes and some top 10 that we might use in the future, but not kidding. Let's see. Let's do one of the jokes here. Cool. How many lesbians does it take to screw in a light bulb?

J Jimmy Carper 24:55

Oh boy. Oh

C Connie 24:56

my god. 1550 me He's one to write it down for the newsletter to to argue that natural candlelight is better three to discuss the nuclear power issue for debate putting in a dimmer switch and five to be supportive. Bad

♀ 25:14

♀ 25:17

We're not sure if you're listening called Colin. But

P Peter 25:20

that sounds kind of cool. We're gonna use some of these little Okay, sure. Yeah, well, we'll just keep running

J Jimmy Carper 25:24

these shell keeps running it.

P Peter 25:26

Oh my god. Kaffee just called in and said chicken pox. Chicken pox or smallpox, chickenpox and smallpox. Well, she's correct with the smallpox she

J Jimmy Carper 25:40

gets half a CD. Yeah.

P Peter 25:43

And I wonder pardon me side by side the plays good for you. I like that. That's really good. Now if if if Larry and Kathy

J Jimmy Carper 25:58

could get together they could they could share this see they can share the CD

P Peter 26:01

break it in half and run it or maybe they one could play it and tape it and give it to the other?

C Connie 26:07

Y'all remember what Larry maybe they could share custody like one can have it on one weekend and somebody Yeah, we

P Peter 26:12

got all the right answers, but they're just not in this for the one person so the first one that calls him with all the right answers get well, that was fast

C Connie 26:19

decision has been made. Well, that's not fair. Well,

P

Peter 26:23

then okay. It's not fair. Then do whatever you want. I don't care. Then you decide you're the producer.

J

Jimmy Carper 26:30

by another CD.

P

Peter 26:33

Damn, we don't have to get on base our expense account. I wonder if

J

Jimmy Carper 26:36

Larry with like a pansy division CD?

P

Peter 26:39

Well, if Larry could call back and tell us if you'd like that, sure. Because

J

Jimmy Carper 26:43

yes, pansy. Division is going to be here next Saturday night in the studio. Well, they're playing at Fitzgerald. Uh huh. They are I heard that and then they're going to come to the KPFT studios and we're going to talk with them live on the air.

P

Peter 27:01

Oh, my God, NCAA Division

J

Jimmy Carper 27:03

will be in the house folks.

♂

27:04

That's pretty cool.

J Jimmy Carper 27:06

I am excited I am to well fab that really really is fab No kidding. Oh,

P Peter 27:12

do we get to come back and watch so

∅ 27:15

I hope

J Jimmy Carper 27:16

Larry calls back and ask you know I can I've got a pansy division

P Peter 27:21

Well Larry if you if you call back and let the pansy division thingy for your half of the answer and Kathy wants the other thing you for her half of the answer then we got it all right.

P Peter 32:34

Right before you take your break. Here it is. You're

C Connie 32:36

the reason our kids are so ugly. Very nice thing to say

P Peter 32:43

that to cute honey. Well, I

J Jimmy Carper 32:45

happen to have a little something in the in the recorder here that I'm going along these lines. It's by a very strange group called pajama slave dancers.

P Peter 32:57

Oh, is this gonna be another one that has real good ones or what? Yeah, it's gotta be a real good.

J Jimmy Carper 33:03

Short, so don't worry about it. Okay. You're listening to after hours on KPFT Houston and ke O 's College Station. I'm Jimmy Carper. And our number is 5265738 and now learn to call it now the pajamas slaved answers with the HOMO truck driving man Oh and it isn't playing. I have it on cassette. I have it on turning and nothing is happening. It's right maybe it's not hooked up. Okay. We'll try something else. Back to you.

P Peter 34:05

Well, that was quick.

C Connie 34:07

It was so bad that the the tape player decided it was wasn't worth listening to me

P Peter 34:12

that one time we did that wonderful song. What

C Connie 34:15

which one? There's only been one wonderful song in the history of it. I

P Peter 34:19

mean, that one that was just we went Oh, Jimmy. How could you play that?

C Connie 34:22

Oh, yeah. Oh Jimmy's on the chair. He's making me nervous. Oh, oh, he's climbing always climbing way up and look how he looks. Are. He's

P Peter 34:30

having a bunch of tak I can't stand Oh my god. He's looks like Hansel and Gretel getting in the oven. What is he doing? Oh, we're going to lose our producer.

∅

34:39

He's got his butt in the window. Maybe he's looking for a day tonight.

P Peter 34:43

He does his butts in the window and his head's in the cassette thing or some damn plan. Oh my god, this is so scary. Well, Connie, you know what it's been

∅

34:51

a little bit out of out of words.

P Peter 34:56

Well, what would you be interested in Jimmy's but for I'm not

♀ 34:59

okay. Spin. Thanks for asking. I

P Peter 35:03

just thought I'd check. You know what, what I need to say hi to Fran. Fran shout out there, as you put it. And we have a couple of you

C Connie 35:17

know, Fran from

P Peter 35:19

just all over the everywhere. All right. Hi, Fran. Danette does feel good and you're your friend. Anyway.

♀ 35:27

Do we got a couple of lawyer jokes? Oh, always good.

P Peter 35:31

Always good. What's the difference between a tick and a lawyer?

C Connie 35:36

What? A tip falls off you when you die?

P Peter 35:41

And why are lawyers prohibited from having sex with their clients?

C Connie 35:45

To prevent clients from being billed twice for essentially the same service? Oh, yes.

P Peter 35:52

What's black and brown looks good on a lawyer. A doberman. Girl you bet. Thanks

C Connie 35:59

for setting me up. I'm glad I just happen to know the punch line.

P Peter 36:04

All right, let's see then I'm gonna do this. Why are lawyers like nuclear weapons?

C Connie 36:11

If one side has one, the other side has to get one. Once launched, they cannot be recalled. When they land. They screw up everything forever. Like I just screwed up that.

P Peter 36:23

Right off the top of yours. Did you hear that? The post office just recalled the latest stamps. You read that? pitches the lawyers on them and people couldn't figure out which side to spit on. Okay, let's

J Jimmy Carper 36:38

go back to this homo Truck.

⌚ 36:41

Truck driver. One

J Jimmy Carper 36:42

more time.

P Peter 36:44

Did it work? Well, is it working? It's working?

J Jimmy Carper 36:52

Ooh, yes. homos truck drive and man, otherwise

C Connie 36:57

known as a lesbian.

P Peter 37:02

In that one line of that song, take little boys and oh, that was naughty.

∅ 37:05

I missed those.

P Peter 37:10

Did you have good memories of your little Thanksgiving things?

J Jimmy Carper 37:13

Yeah, well, gathering

P Peter 37:14

low gatherings? Well,

J Jimmy Carper 37:17

for the most part, it was all family kind of stuff. And you know, you have to put up with the aunts and uncles. She can't stand right. That kind of stuff. But other than that, it

P Peter 37:26

was the man. Yeah. Well, you know about those aunts and uncles that you can't hardly put up with something.

C

Connie 37:31

For some people, the holidays are really rough. They really are. They have to put up with people that they just don't care to see on a regular basis. And holiday just tends to bring those people together. It does. So and so we're trying to help people survive through that kind

P

Peter 37:45

of where you have developed a list of Thanksgiving relative comparisons, right? Sort of kind of, you know, when

C

Connie 37:55

you're kind of sitting at the table or gathered around the TV, watching the football game, and you just know you're in the midst of some idiot really can't help it. It's all

P

Peter 38:03

those dweeby cousins that you only see one bazillion years nosey. And now they're all getting older. So when you were kids, like, you know, you could play and it wasn't so bad. But now you're kind of getting a little older. And it's like, oh, well, I

J

Jimmy Carper 38:15

don't have to put up with that. And many, many years. Well,

P

Peter 38:18

some of us haven't. But we have a young audience out there. Yeah, that are just getting to that point where they're going. God this is so boring. And how much longer can I stand this? Yeah. And you know, oh, and they're feeling kind of unique anyway, right? And they're just waiting for somebody to, you know, catch on and like, Oh, please, and how much and how much boring can this be? And they're all dying to go to riches or something and you know, haven't somewhere anywhere out of there. Get out of dodge, you know, well, even older ones are sometimes dying to get out what anyway? Well, yeah,

J

Jimmy Carper 38:51

in fact, sometimes it's really hard to or near nearly impossible to say no. attending these functions, it's Yeah, I think that's

P

Peter 39:03

you got that whole family gathering thing and everybody's working the box on his phone. And you got to kind of halfway dress up I don't know why people think get dressed up to be at home much. And then you know, I can remember some of those days when it was your own house wasn't so bad when you had to go over to the you know, and drag all that damn food with you. And it was cold because we're from up north and you know, and he had all these cans and and Edie and Uncle Ed god. Yeah. And then you know, listen to your grandparents, you know, breathe through their nose while they ate Oh, just enough to make you throw up. Anyway and you know, vivid never wipes the wiping the drool off, you know, Uncle Harry's, my somebody 10 Very well, and even to some of those, those sort of the gang was just a little older than you are. Especially some of the girls and or the you know, disguise any anybody you know, it's just and they were kind of 10 You thought where did this bunch, you know, this? We're related. And we related we Ask painful. Yeah, really. So we thought you know those great lines about, we've all heard a billion of them. You could sit there and remember maybe some of these when you're at that boring moment on Thanksgiving Day and you look around and you think, Oh God, I'm from this gene pool, and you'll look around it and you can see and hear a few lines, you could maybe fit some of these lines to a face in your family that you may see on Thanksgiving. And from then on, whenever you see that person, you're gonna giggle because it's just gonna make you wet. And that won't be such a bad day. Okay, so like you could look over maybe one of your cousins and say something like,

 Connie 40:40

well, he's a few clowns sort of a circus. Because a

 Peter 40:43

few counts sort of, or maybe he's an experiment in artificial stupidity.

 40:50

Or one of our personal favorites.

 Peter 40:52

Yes, her wheel is spinning but the hamster is dead

 Connie 41:01

he's one Froot Loops shy of a football really?

 Peter 41:04

Or just one tackle short of a combination plate.

C Connie 41:08
Maybe she's all foam and no beer maybe

P Peter 41:14
maybe his cheese slid off his cracker

C Connie 41:19
her bodies by Fisher and brains by Mattel There

P Peter 41:21
you go. He has an IQ of two and it takes three to grunt

C Connie 41:27
morning Objects in mirror are dumber than they appear

P Peter 41:33
look around your little family there they are all

J Jimmy Carper 41:36
sitting there that could you what applies to who might be

P Peter 41:39
paying one of those little labels on mother's stupid dweeby cousin Did you really not looking forward to sharing a drumstick with or

C Connie 41:46
look around your radio station and see

P Peter 41:51
why it's not the sharpest knife in the drawer baby. Did you get into the gene pool and no one

WHY IT'S NOT THE SHARPEST KNIFE IN THE DRAWER DADDY. DID YOU GET INTO THE GENE POOL AND NO ONE
was watching.

C Connie 42:05

You got a full six pack but yeah, like the plastic thing. They bind it all together. Peter

P Peter 42:12

you have room temperature for an IQ?

C Connie 42:19

Jimmy Do you know what aggress ignoramus what? 144 times worse than an ordinary
ignoramus is pretty bad.

P Peter 42:31

Or you could find maybe an old aunt sitting over in the corner. Knitting was just about as bright
as Alaska in December.

C Connie 42:41

The gates are down the lights are flashing but the train isn't coming.

P Peter 42:47

brains were DAX. There'll be a rebate.

C Connie 42:51

If you were any more stupid, he'd have to be watered twice a week.

P Peter 42:57

And I know just that bit

∅ 42:58

me too. Anyway I got it and that's why I'm over your water

P

Peter 43:10

I'm not into water sports

∅

43:16

I think Peter was left on the Tilton were a little too long as a baby.

P

Peter 43:21

Oh, funny. I mean, I mean we did the one about the wheels turning the hamsters dead didn't

J

Jimmy Carper 43:30

that was a personal favorite. Anyway his men would

P

Peter 43:32

move there's these other lines about little little the old uncle that's always talking about his war stories. Yeah, you read one of those in your family those they somehow always revert back to WWE at his disguise once he said his men would follow him anywhere but only out of curiosity of God and as this old uncle charged onward and upward through the evening talking about his whatever somebody went said that he carried out each and every one of his duties to his entire satisfaction. Sounds like Uncle I knew. And then of course we have that wonderful person in your family who sits there and looks really cool during the day and he would be out of his depth in a carpark puddle then there's that snotty little snippy nice or whatever. She that he she has delusions of adequacy. Oh, and then there is always the one. The old single Uncle Yes. Who never married. Excuse me, the old single uncle that never resemble

J

Jimmy Carper 44:57

that remark.

P

Peter 45:02

Driving a village somewhere have an idiot

J

Jimmy Carper 45:13

go there
