Oh yes, you've

00:24

tuned into after hours queer radio with attitude right here on KPFT Houston 90.1 FM. The crew of after hours is ready to bring you news interviews, dialogue and music geared for gay, lesbian, bisexual and transgendered people and their friends. Hear it after hours, we may be diverse, but we have one thing in common. We are all out of the closet and urge everyone to come out of their closets. That means standing up for yourself taking responsibility for your own life and being proud of who you are. Realistically, we know not everyone can do that because of age job or frame of mind. That's okay, we're here for you too. So sit back, relax, and enjoy this week's edition of after hours.

01:47

Hello,

01:48

Houston and College Station, and welcome to after hours queer radio with attitude. Heard every Saturday night right here on KPFT Houston and ke O 's College Station. I'm Jimmy Carper. And this is the October 16 edition. In the studio tonight, we are dualist we are dualist but before I tell you about why we're dualist I want to tell you about the music did a couple of long cuts. So we're coming out a little bit later but but but they just went together so well. The last one you heard was from Believe it or not a group called Yolanda and the plastic family and that was called a right to surrender is a beautiful beautiful song written by Yolanda and the plastic family and done by them and they're kind of like out of I don't know New Hampshire or something you know she's a bill drag queen and

02:51

and the plastic family and the

02:54

plastic family. Yes. And they certainly are before that was so crazy. So crazy was raised. He's raised, Raissa you know Racy ZR a zy that wonderful two lesbian women group from Scotland who come here every year for the women's festival. This is off of their new CD called Private wars. And the whole CD is kind of more on a jazz theme. And that was a beautiful, beautiful version of God Bless the Child. Their own version, nothing can take away from the original. This is also membership drive. That's why Jewel isn't here.

03:37

Yeah, it seems to be a pattern.

03:41

No, she called and she said she's sick and when you're sick and you live in Needville you just don't want to make that trip. You know, just in case things get a little dicey. Yeah. Yeah.

03:51

It's a long trip. Sure is you don't want to have to clean out the vendor.

03:56

You don't no, no, no, no, no.

04:01

This is kind of that kind of stuff out.

04:04

But I did talk to Jewel earlier. And it seems that anyone who happens to be on hair net on the computer, that's H A N dash N et

04:16

gosh

04:20

what's been birthday week? Oh has it? Yes, yes. Because this week has been it has been re Hill's birthday and the 13th I believe and everyone's been saying Happy Birthday Happy Birthday Happy Birthday and like, you know 24 emails on your realtor Happy Birthday to Ray and jus wants to also wish Ray Happy birthday he is. He was born in 1940. Everyone market on your calendars. It's October 13 1940 Ray Hill's natal day because he doesn't want to be reminded of it ever again. Then, so I need to tell everybody about it.

05:06

So it's the array over the hill birthday. Oh.

05:13

That's so obvious and I didn't even catch.

05:17

To say it some evil force took over my body. Yeah, say that.

05:21

Yes. Oh gosh. Okay, so So we're Julius but we have Jim. Yeah. Oh, joy shouldn't you be here?

05:32

How did I get stuck doing this? Good bass

05:36

because you work well with jewel. Oh, yeah. You both cruise for the same kind of women.

05:41

Well, actually, that was. Oh, God, I can't believe I can't remember her name. We used to go out and cruise women together. She had real short blonde hair worked at the switchboard and stuff. Oh, yes. Well, yeah. Oh, I remember now. But he can't say people's names if they've worked at the switchboard. They may

06:04

06:01

Yes, I forget. Yeah, maybe not. Yeah, all right. Okay, whatever. Okay. Right. You did go? Oh, well.

06:13

Yeah. But

06:15

anyway, you want to work well together and you weren't bisexual. So? Yeah. So that, you know, that's, that's part of the queer umbrella.

06:22

Yeah, that and I have achieved honorary lesbian status.

06:26

Yes. Yes. Yes. From lesbians. Yes. And I don't want I don't think we should go any further with that. How you obtained that. Thank you very much

06:37

is only honorary Darn it. Darn it all to Hill Street fest today. Yes. We're

06:49

going to have a report later in the show from big Roy and Bobby. And possibly Chris if Chris went to it. More

06:57

mileage of tattoos and snakes than anywhere else in the city. I am sure

07:03

okay, I'm gonna get I'm gonna give I'm gonna get my impressions and I didn't go yet this year. Stanley and I may take a walk around

07:10

07:13

tomorrow. Well tomorrow of course the trash is going to be much deep well that's you know that's what you really want to experience the street Fest and my impression

07:21

is always the same too much silver not enough skin

07:28

No, but the ones the people I saw a cruise and by the apartment today because I am kind of close to yes yes we are to the street fast. Yes, there was yeah, there was some there's some scare was some skin edge. I'm gonna say

07:46

oh, oh my oh my oh my oh my let's see since we're talking about birthdays. It's Ray Hill's birthday. Deborah Bell has also written in on email to talk about October 16. Tada is her honeys. Birthday Donna her sweetheart. Cutie pie darling Angel beloved honey. That's the quote.

08:14

Oh man, I kind of remember that.

08:15

It's also begins the three month count that countdown to Deborah bells 50th birthday, which is January 16. And you know what that means?

08:26

January 16. Yeah,

08:27

when it's Deborah's birthday chocolate until you cannot stand it anymore. Oh rooms have it? That means Oh, yes. Oh, yes.

08:37

Another Capricorn is it

08:38

Oh yeah. Oh, yeah. You know about Capricorns Yes, we do is one Yeah. Okay. Yeah,

08:50

two brothers who are oh my god you're kidding no. When and the house actually stayed together. Yeah, I'm

09:00

raising Yeah, we can be anal but there's Capricorns usually fall into two categories I've noticed

09:09

you're either separate your clothes or wash them all together

09:14

that's one way of putting it. I usually put it you're either a virgin or a sloth

09:21

No, I have found with astrology you could just say the extreme

09:26

will buy Well, that's that's that's a personal

09:29

year. They're just completely blow up fly off the handle or you just handle things really gracefully.

09:35

Nobody does that. Anyway. What's the let's say we've got let's say it's a marathon right? Drive.

09:42

Yeah, I did. I

09:42

did I say that. It was membership drive.

09:45

Yes, you did. Do they distinctly remember your saying it is membership drive?

09:50

I bet I didn't give the number. No you did not. And what number would that be? The one that you did not give

09:57

713 five to 657-387-1352 6k P F and T

10:04

at 713. Jam KPFT. Big Roy.

10:10

Roy is standing by oh

10:11

and they're running.

10:13

Running boy. Yes you go. That is the weirdest that is an odd collection he has on tonight. Don't

10:21

let's not go through the ensemble. Please don't Don't make me go there.

10:25

Okay, it's a white t shirt red maroonish looking sweatpants and black patent leather shoes.

10:34

He's only half Barney looking tonight. Not enough was shiny feet. Yeah,

10:39

it was the patent leather shoes that really it goes. He had that kind of casual thing going until I got down to the shoe. And then it was like, okay, like, wow, that's interesting. You know, we've

10:49

got movie passes to give away too hot. Dang, we do in the end later on. Let's see. Let's see. Here we go. Let me look at these. One movie is for a specific date. Wow, Monday, October 18.

11:05

I'd say you better.

11:07

I'd say yeah, you better get your butt down here. If you win these. It's gonna be the only way you get them. And let's see, I got another one for for any time, any time. began today, okay, and the movie. And in case those of you are in, you know, in kind of doing the movie thing. The one that started today and I have passes for any time, Monday through Thursday during its run. The movie is called head on. And it stars airy, airy. The Matrix. It's a Greek name, a 19 year old Greek who is in conflict with his background, his heritage and his future. Arie jams all his energy and defiance, pain and joy into one hivelocity night and dancing sex and drugs. It is during this night that Ari tries to discover who he really is and how he can come to terms with his homosexuality.

12:09

And it gets in a car there is

12:10

head on masturbation scene in this film that is more realistic than any masturbation film you've ever seen. Yes. Whoa. Really? Yes. Yeah. And we have a note here

ever seen? Test. What? Really? Test. Yeah. And we have a note here.

12:31

Shall I shall I quote this? Bigger I came in with a note that says my Raphael says hi to Jimmy. And he'll be here next week and his tight pants. So my

12:46

speaking of masturbation saying

12:48

yes. Yes. No. Yes. Yeah, he'll be one. Gosh, oh, and the other movie is boys don't cry. That is the preview screening that's going to be held Monday, October 18. And we know what that's about. Don't wait. Excuse me? No, that's the movie about Brandon, Tina, the transgendered? Well, transgendered man who was killed in Kansas? I believe it was,

13:20

Oh, man. Yeah. No,

13:21

I did not know that. There was an interview with the woman who plays the part, Hillary Swank, and all the things she was there to do this part. I mean, she she's a married woman, but I mean, she had her hair cut. I mean, she was really into the park. And she would get out go out in public, you know, once before she started and you know, and to see if she could pass. And she could Yeah, interesting. Yeah.

13:51

Is that relax is just sex. Is that out yet? Or is that?

13:57

That's, I think that just left the theaters just left. Oh, just left. Because that was cool. Yes, it was. That was real cool. Yeah, it was it was.

14:06

It was a lot heavier than I thought it was. Yeah. The

14:09

first part was, you know, kind of lightheaded that light and then it got real heavy toward the second half. I was really surprised at that. Whoo. Gosh, so did I mention it's marathon? Yes, you did? No. When did I do that?

14:26

Just mere moments ago. What do you know? Moments? Well, I'll tell you didn't you have like Rocky things too? No, no, you're shaking your head violently.

14:37

No, no, no, no, no, not. I can't I can't you know, just one at a time

14:42

here. One at a time. Right. Okay.

14:47

Nevermind is right. This is the second week the last week of our fall fun drive. And that's the last time this year we will be coming to you this millennium That's it. That's it. You won't hear from us until 2000. And this is your last chance to become a member of KPFT. And support after hours, let management know that, hey, I think this is a pretty damn good show and want to see it continue. That's kind of that's money talks. It's kind of like voting, you know, your dollars, or your votes, you know, and he who gets the most votes, you know, gets the best time slot or something. I don't know why. It's not how it works at all. But it does. We all try to pull together even especially the overnights. Because we know that we have a smaller listening audience naturally. And, but we know that they are very loyal in their listening. And we like to show management that we can pull our weight to.

15:57

Yeah, because it's all let them know that we're out here. That's right.

16:00

It's, it's all about paying the bills. And that's about all it is. Yeah. And the number, that number is 7135265738526 que PFT the same number that you'll be calling when I tell you about the movie tickets and things.

16:22

And their various Thank you. Thank you. Yes, pledge levels, but you know, big Roy can fill you in on all that. The nifty business, when you call in and play to your 1000s let's say how much is it? We got about another 30,000 or something like that to go for the whole marathon?

16:43

Oh, I didn't even look 40,000 So somebody Yeah, somebody send us a check. And just yeah, just call up. You know, donate the whole 40,000 and we can just shut up. We

16:53

can just end it. Yeah, right here. Oh, it would be great, wouldn't it? Yeah. That'd be cool. That'd be way cool.

17:00

I don't hear the phone ringing. I don't need it. Okay, Robbie.

17:07

Yeah, we're waiting. Well, and while we're waiting, actually standing by

17:12

who knew? Oh, there it is.

17:15

There it is. And he's off. He's off again.

17:18

They're making him run. Gosh, who's gonna lose weight at this?

17:22

We're gonna have to be calling him skinny roll. That'll

17:24

never happen. Oh, man, I know. It's tough. It's tough when you're on this show.

17:36

he swallows a lot of aggression. Yes.

17:39

Things Yeah. Well, obviously a lot of us Oh, there's

17:44

people flashing.

17:46

Oh. Oh, it's cute. But draw. Hey, they are on the street tonight. And I'm glad that somebody's out on the streets. I wish I could. But no, anyway. Actually, rose and Jules said that they would be listening tonight. Oh, yeah. Hi, Rose. Angele. I didn't hear

18:13

I didn't hear response

18:14

now. No. Well,

18:18

yeah, listen, real.

18:21

Close. Anyway, there's a song that jewel wanted to hear again, and like, you know, I kept forgetting to bring it like the last time she was here. But the Texas City you back to Texas City dyke by Jean Kelton in the diehards. He was in town. Friday night. Oh, yeah, that's right. Mr. Yes. And I didn't get the notice until this week. So I didn't have a chance to talk about it last

week. So Jean Kelton in the diehards Well, if you went, I'm sure you had a good time. I'm sure you did. And if you want to hear more Jean Kelton, I'll tell you what. Give a call to big Roy. I know.

19:05

You're thinking

19:06

the blues. The blues guy. The Blues guy. The afternoon. Joe's Roadhouse. Yes. There you go. Can Joe. Joe Yeah, that's where I got it from. And smokin Joe plays Jean quite a bit. There's there's one that Jean likes to play that Joe likes to play. Which you might like that too. It's called My baby don't wear no panties. Yeah, it's uh, well,

19:33

well, it's self explanatory. Yes. Yes.

19:37

Go through various different routes. Yes, they do. Anyway. Yes, the Texas City dikes is a song that I thought you know, I think this is funny. But gee, is this going to offend people? And so I played it first for for Jul, and said, Tell me what you think about honestly and I kinda I walked out of the room because I didn't want her to. And she I just, you know, when I when I was out of the room, I heard her laughing and I knew, Okay, this is good. And this is one that she wanted to hear. So let's hear it. And while you're listening to it, or if you've heard it to Gander, if you happen to own it, or if you're Jean Kelton, and you can give us a call at 7135265738526 KPFT with your pledge of support for after hours and this radio station you're ready. Absolutely. Okay. She's got tattoos be straight

20:49

that was not paper being that was not me. That's J

20:54

tell you you did not have to be a straight guy that

20:58

hey,

21:01

what are you trying to say here?

21:02

Because anybody who's been around car for more than 15 minutes knows that guy can burn. There's just no doubt about it.

21:11

I resemble that remark.

21:14

Coming from such a skinny little person. He like just really belt out today.

21:21

Well, hey, Jamie Anderson there with I want to be a straight guy from her latest album. drive all night. And of course, as we were talking about gene Kelton with Texas City dike and we

21:36

already have a pledge and and Paul came in with his low hanging

21:39

key. Yes, he brought in pennies. Pennies in the sack it pennies and actually a stock and so yeah, but it depends on how you hold them. It looks rather enticing

21:55

or rude. Yeah, not how you're looking at.

21:58

I don't know. Anyway, anyway, JD called in with his pledge of support. He Yeah. And you will not only

22:09

what? He's He's grabbing. Yes,

22:12

I might go. Ah, let's see here. May we thank you on the air. Good thing. She

22:22

said his name. Yeah.

22:23

He's a previous member. First time donated two years ago, and I only pledged during after hours. Thank you, Jake. JD JD will be here in two weeks.

22:37

Yeah. Is there gonna be any more of those? Music? History history thing?

22:44

Well, we have one in the can, so to speak. Though that was pretty neat. It's already taped. Yeah. For you know, an emergency. Even though jewel showed up. This is not quite the emergency. Since we have marathon and stuff, right? Yeah. But we have a number two, ready to go. Anytime. And he's going to be here in person on the 30th, the fifth Saturday of the month. And we're going to do all kinds of fun music things because he's got incredible amounts of queer music that I don't have. Yeah, yeah. So we're gonna be playing stuff. Yeah, we're gonna it's gonna be lots of new music. And lots of fun. Because I've invited I don't know, four or five other people to stop by I forget who so it's just going to be a whole lot of fun.

23:34

And next week is the buy conference.

23:38

Yes, it is. And I should say this now that we're going to be doing interviews over the phone, for from all kinds of people at the conference live during the show. Peter is not going to be able to be here. Next Saturday night, he's going to be out of town. So Lexi will be here. We'll have phone in interviews from the by conference, find out what that's all all about. In fact, we'll be

talking about it later on. Because you can still go you can still registered. Oh, absolutely. It's not that expensive. And all kinds of people from out of town are gonna be here for it. I'm just, I'm excited. And I'm not even by.

24:25

Yeah, it's cool. They're authors from all over the country. And people that I saw at the bike conference in Boston. Yeah. Yes. It was cool. And, yeah, this was

24:41

right here in town, right here in town. Yes. At the

24:44

think it's the Sheraton. There's some 610 up past the gallery, kind of where the 290 and the 610 kind of split up there, that kind of area up in there. And you're busily Looking for something? Yes. Well, I see in the Houston press here that the body scarification is kind of making a well, I don't know if it ever made a comeback or if it's, it's, it's a thing that's Yeah. kind of new to this. This neck of the woods. Well, in a way. Yeah. I mean, you know, sure the scarification has been around for hundreds of years. But, you know, it's kind of new to Houston.

25:33

It's kind of new to North America. Yeah.

25:38

Then there's an article in here about that. And I just, I don't know. It's,

25:44

I mean, I don't know about any of that other stuff. Well,

25:47

there's, they say, you know, their thing is that tattoos can be lasered off. And piercings can close up. But scars are

25:56

forever. That's right. Once you do that, that's it.

26:00

Yeah, so it's like, Yeah, you better like that design for however long you live. Because here with it, man. I don't know. I just I'm not quite. I don't know if it's, it's not a generation thing. Because a lot of older people have piercings and tattoos and Oh, yeah. and such. Yeah, I just never never quite want to get back to that buy thing. never quite got it. Just never quite got it. Well, there's

26:34

a guy with the earrings thing. Yeah.

26:36

These humongous earrings. I mean, he has like, three gigantic. Well, you can put guest house through that guy's ears. Yeah. It's incredible. But anyway, the by thing, you finally found the piece of paper you were looking for?

26:54

I guess I have. Okay. Well, I

26:56

mean, I was you know, since you are looking through paper. It's just

27:00

all kinds of things like, what is bisexuality? And what do bisexuals have to do with the queer community? A lot. What is polyamory? And what about what about bisexual myths? Oh, and there's a lot of those. Some of the questions that that's some of the questions that will be explored at this year's bisexual conference. Come and learn about bisexuality the movement and meet national bisexual activists. Yes, there's going to be a lot of folks there. The conference has a little bit of something for everyone. There'll be workshops and parties here that parties we have built in a wide, diverse set of events and workshops. While we realize that some of the events are not everyone's cup of tea, we present a wide range of activities for the purpose of mutual education and enlightenment. And that means that different things are going to be going on at the same time. So sometimes it's tough to

27:58

Oh, yeah, you're definitely gonna make a Yeah, I know. It's difficult for bisexuals to choose

anything. But that's not true. You do have to choose you do have to make some some event to be at that's that's the difficult thing. What's client is going

28:17

to be here. Dr. Carol Queen when Bryant? Gosh, it's it's incredible. And it's only like 45 bucks. Yeah, I can't believe that. And that's for you know, for the whole weekend. Gosh, and it's, if you're, if you've disadvantaged or something, you know, they'll take that into consideration and maybe pare it down or maybe put you in for free. Welcome all sexual orientations. And that's a big part of it. Because I think other than bisexuals need to go to this type of thing to get educated. Certainly bisexuals need to go. Especially if you feel that you're out there and you're all alone. You don't know anybody. You don't know what life is about for bisexual you just know that you have these feelings. This is a good place to go. It really really is. And it's happening at I'll give you a phone number 713546771346743808 That's

29:33

the by net number that's the by

29:35

net number and that's where you can get

29:41

that by net that meets on
