01:34

God probably wouldn't recognize I haven't seen her in like eons. Yes. She was like, a small, small teeny Well, she's

01:42

a She's grown up. Oh, yes. As they normally Yes, they do. And she's in a play at actors workshop. Cool beans over there

01:53

on actors workshop Tartarus.

01:56

It's kind of the feeder to the freeway, Chartres street there and much in Chinatown. Oh, yeah, this workshop. They're doing the last play they're ever going to do there because the building's going to be torn down. Oh, kids called the big story. It's a brand new play. It has not been performed anywhere else. And it's, it's a whole lot of fun. She's in it as long as well as a good friend of the community. member of the community. Fancy paste Lawrence. Otherwise known as? Yes,

02:29

yes. You've seen him in place before he

02:32

is hysterical in this one. Really, really funny. Funny, funny. I've always known that he had talent for comedy, but his timing his delivery is just in cry.

02:46

Just remember saying that? Was that? The play on Cinderella? Oh, yeah, we're playing something after after the

02:56

ball after the ball. The ball he played one of the ugliest steps. Actually

03:00

stepsisters after Cinderella gained all this power from marrying the Prince and all like had her sisters locked up. Yeah. And of course the prince dies of syphilis. And it's fantastic. It's great. And the big song Cinderella has no business and again,

03:21

that's it. That's it? Yeah.

03:25

So so that they it goes down. Did they do that again? That's you have

03:29

that? So since we're talking about productions, why don't we give away some movie tickets? Hot dang hot. Dang. Got Dang. head on. Either boys don't cry or head on. Now. If you want to. If you want to pass the boys don't cry. This is only for the Monday, October 18. Performance at 730 at the landmark River Oaks. That's it 2009. West gray. You must come to the station to pick it up. Because we can't get it to you. Yeah, five to 65738526 KPFT. And you'll have to explain it to big Roy because he has no idea what I'm doing.

04:11

Because you do tend to free Yes.

04:13

So he gets so mad at me or forehead on the the one with the great guy who is trying to work out. Yeah, discovers homosexuality and how it fits in with his Greek life. And that is that started yesterday, Friday, October 15 at the River Oaks theater. Both of these complimentary are from Sara Gish, who heads up both of those places and just as a terrific job. She Oh yeah. She often is a guest on lesbian and gay voices, which is hard now, in case you don't know. It's not Friday anymore. It's Monday night Monday eight to 10 right here on K PFT

05:01

that's kind of the O. I. an old time slot for them isn't it? Wouldn't like Wildenstein on Monday night

that's kind of the 9.1 an old time slot for them isn't it? wasn't like wildenstein on Monday night. I forget. There's been so many it was on Monday night was it? Eons ago?

05:14

I'll bet you know it was on like, one time or another any every night right anyway, movie tickets are yours for the asking. We will mail the ones for head on. But for boys don't cry. That's, that's only for that one performance. You must come to the station and pick them up. Five to 6573852 6k p f t. And now

05:43

another piece of music. That's Jordan

05:45

Jordan. Yeah, she's not a lesbian. By the way. This is a straight woman. Right? I just have to say that because normally if I don't say it, you just assume that these people are queer. Yeah, Jordan is not that.

05:59

It's like father's very strange. Yeah, it's

06:01

like all her all of her friends are gay. It's incredible. I don't know what's going on there. Anyway, Jordan, you don't love this. I love this song. I love it. I love it. And she's working on an album. Another one she asks she's going to have a whole album of songs that she's going to be doing in you'll be hearing them here first. Probably. Cool. Okay.

06:33

Commercial Free and listener sponsored Houstons. 90.1 KPFT. The sound of Texas, a Pacifica network station. KPFT. Houston. KOLs College Station.

06:45

Jordan, Jordan with just a taste. That's the name of this little mini CD that I've got with take my breath away. That's a really nice, yeah. Lush version, isn't it? erlin Yeah, yeah. Gosh, love that. I do love that. And I can't wait for more. Michelle has been on the phone waiting. And the way we they have the phone set up. We can't put anybody on. On the air tonight. Yeah, but two things. Two things. I want you to know the eighth annual old sixth Ward Victorian Houston. Home Tour.

Is Sunday October the 17th. That's like tomorrow. Yes, indeed. Yes, indeed. It is one to 5pm sponsored by the old sixth Ward Neighborhood Association. And the first annual antiques fair 2411 Washington Avenue with RNs antiques noon until six. No. Okay. And I've got just got some information here. You can visit homes in the in Houston's first historic district 19th century community. This is really great. And as matter of fact, I've got some info on that because Michelle is buying a home in that area and restoring it.

08:14

Yeah, so

08:16

this is gonna be this is fine. This is the real stuff, folks. This is the real history of Houston. Live In The Heights, the sixth floor, it is very queer friendly. Oh, yes. And there are a lot of old Queens up there. Otherwise, she'd never seen anybody there. That's what Michelle says. Yes. Sunday, Sunday, Sunday, October 17 \$10. Tickets may be purchased on the day of the tour at 2100 Memorial Drive, or the old sixth Ward community park at Lubbock and Trinity behind St. Joseph's Catholic church, or RNs antiques at 2411. Washington Avenue. So we've got the antiques fair, going from noon until six and the Home Tour one to five. That's that. I just wanted to give that that information because I'm really into the history of Houston and it should be preserved.

09:17

Well, yeah. Because there's not really think it should. Well, buildings, especially that much of a No, I know. It's like I don't know what it is like something was 10 years old on tear downs. And I know it

09:27

drives me crazy. Yeah. Also, Michelle. They famous Michelle grant. challenge here for her. Oh, yeah. Oh, yes. She has. Yes, yes. Yes. Michelle is going to donate \$25 For every pledge of \$35 and up. Basic membership pledge is \$35 If you come in and pledge \$35 She will match she will put in 25

10:02

Okay, for that's for everybody. So that's like six, like, is there? Like, is there a time limit on this thing

10:11

for this show? Only the show for it for

10:15

\$25 For anybody who pledges above,

10:19

above 35 and 35 bucks the basic membership basic membership, and she's she's gonna put in 25 bucks. I think that's pretty damn good.

10:29

Yeah, that's cool.

10:31

Yes, yes. Thank you, Michelle. So that number is 7135265738526 KPFT. And remember, it's Michelle's math here. If you pledge \$35 \$35 becomes \$60. Okay, just immediately, when you call it in, it's Michelle's math. So there you go. There you go. And, Michelle. Here we have one from Paul, and, and four.

11:11

Yep. Yeah. Along with the low hanging pennies. Yes. Yes. I don't know. I think he can use that thing as a club or something that's pretty dangerous. Like

11:23

Paul likes after hours and the British news, BBC. Yes. That is cool. So Michelle, there's one and of course we have JD Doyle. That's to an okay. Okay, that's that we're working on it. We're working it okay. 713-526-5738. Remember the Michelle math. We'll be talking about that throughout this show. And as you heard, it's we're on where this is, after hours on Jimmy and Jim is here, too. We are dualist though we are Joe we are dualist. And you're listening to KPFT Houston and ke O 's College Station. A lot of things come over the internet these days. And I am a member of hand net. It's how I keep in touch with with what's going on in the queer community because it's it's there. The fact sometimes too much of it is there. But they're always got kind of little things that come through and, and saying that really caught my eye from Brandon, who operates it Brandon Wolf. Perception is not always based on reality. And it is not always fair. But it is real. And that's true. went Okay,

12:45

one more time.

12:47

Perception is not always based on reality. Yes. In fact, it's seldom is and it is not always fair. But it's real. It's how we see things, not necessarily how things are so we see things or we're told to see things. Gosh, and I'm sure rainbow will be in later he's he's had some the Lola set twos here because he's noticed this thing about the side councilman, ya know, no, he has this thing about signs on right of ways, you know, like boulevards and, and the city property that's like on the other side of your sidewalk and stuff like that. Right. It's against the law to put any sign in those places. Okay, now, anytime people are running for office, there are signs going up all over the place. Oh, yeah. And so rainbow and many other people make it their, their, their job to go around and remove these signs. Okay. And he got into a little problem here with the county chair. County Jeopardy. Deputy over that. Mr. J. M. Henning number 2279. So we're gonna kind of follow and see what happens with that. See how how he fares with that.

14:18

These are the signs that were placed in a yard or

14:22

know that on city property or on telephone poles, right. Which you cannot do it the city ordinance against putting signs like in a Boulevard, an island in the middle of Boulevard or city property which is the other side of the sidewalk. You have to mow the grass but it's still the city property.

14:42

Hmm. Well, they do that all the time. Well, why did they just blatantly break loving?

14:50

Well, yeah, that's what rainbow we'd like to know. How that interesting? Yeah, yeah.

14:56

Is it one of those things where it's one law for us or another one And then

15:00

something like that. I have a whole bunch of little tidbits here. Let's say this is kind of the kind of the, the artists that you will hear on after hours because we hardly ever do anything like this. But a email came into hand net. And you can if you want to get on hand that that's H A N dash

n e t at one list.com Easy enough, and you can get on it. This is from Phyllis Frey. Oh yes, she put this out to the Houston sisters. It the subject is women's suits, sizes 14 and 16. Okay, now, I have simply outgrown some of the very nice women's business suits that I have been wearing to the courthouse, Summer 14 Summer 16. Unfortunately, I am now an 18 W 220 W. Well, that happens with age. Some of the suits are regalia, some Worthington and others, I originally play paid \$150 to \$300. And I'm willing to let them go for \$75 each. I also have some everyday dresses and skirts that are mostly 16 some 18 that I have also outgrown, I'd be willing to let the lot of these everyday dresses and skirts go for 150 bucks total. I'm not running a dress shop and will not be selling dresses individually, individually. I will not I will sell the lot as Allah to anyone interested. Yeah, we don't usually do this kind of thing. But I mean, it's interesting. And we know I know, I thought about this after I read it. And I thought, you know, there's a lot of transgender people out there who probably haven't had the courage to go into a store to buy clothes yet. That is true. Is this if they're this size, this would be a good way to to kind of bridge that gap. Oh, yeah. So you can contact Phyllis Frey P R fri P r frye@aol.com. Or Phyllis Raj. She's listening. She's a lawyer here in town. She's you can get her phone number in the book. I just thought it'd be an interesting thing to do. Yeah. Okay. Next. Jump in here anytime. Oh, okay. Let's see. Let's see. Let's see. Let's see. The Royal Sovereign and imperial court of the single star Houston Incorporated. Yes, yes. The Board have has hereby announced the candidates for rain 16. They're the candidates for Empress 16 are Lexy Bowen, stellar link Seville and Selena St. John. How Stella links been around a long time. I didn't know she had the last name. I thought Link was her last name. Who knew? And there's going to be a candidate's reception and then a formal announcement party and it will be held Sunday October the 24th. At the courts home bar chances reception is at 6pm induction of candidates at seven followed by a benefit show for the Houston gay and lesbian community center. We congratulate each of these candidates and wish them every success as as they vie for the title of Empress the 16th and and get

18:49

to wear the little crown on the shoulder.

18:51

No, no that's the Emperor.

18:52

Oh stamper.

18:53

Unfortunately there are no approved people running for Emperor

19:01

so the little tiara will be shoulder up

so the little tiara will be shoulder LIS

19:05

No, no. In that case, so an emperor is kind of there's a acting Emperor that's assigned by the board but there's not going to go into why there isn't but there'll be talk about that. I just want to let you know that these people are running our Alexei Bowen is running for Empress the 16th show fantastic. She'll be here next week. We'll chat about it some more because that'll be you know, there'll be the next day that they have this this thing. Something else I wanted to talk about this and forgot it right after I talked about the philosopher I dress thing but the community resale shop fifth 515 Richmond is always looking for your stuff.

19:51

That's pretty close to the spur to the 59 sure isn't, ya know close Richmond Jack? Yeah, yeah, as great big ribbon, things on the building a trip and

20:06

yeah, it's an old house. Yeah. And they're looking for always looking for your stuff because they have a deal going with AIDS patients that they can come in and AIDS patients can come in and get free stuff up to a certain amount. I don't know what the seizures a month sometimes three months

20:31

\$25 worth of clothes for every three to four months,

20:36

every three to four months \$25 worth of stuff. The new year it's gonna be 35. Okay, then the next year will be 35. Okay, we're getting this from Bobby. And and well, actually, I am too. But, you know, and that 2535 is kind of negotiable depending on what's going on. But I mean, that's we're talking about a resale shop here. And most real resale shops or resale shops for their own profit here is one that is helping the community and has been helping this community for over 10 years. And what hours are they open? They are open seven days a week. Until five I didn't know when they opened I tend to know whenever they never knew when it was open. Yeah. And Sam is now living on the property. So okay, he's there all the time. Like I said, this place opened up and they expected to be in business for about four or five years. And now it's 10 over 10 years later and they're still going strong. They're looking for not only your stuff, but come in and buy stuff or they're also looking they want to buy the property and so they're kind of looking for a building fund and ways to make money or if anybody has any ideas or hey, the court might want to do a couple of shows for them. That Hey, that would work. Yeah. But 515 Richmond rich Richmond at Jack Yeah, I'm not going there. Okay.

22:22

We're still fun driving. We certainly are. And I hear the phone ringing occasionally out there.

22:29

Yeah. Well, it does ring every time somebody dials 526-573-8526 KPFT and we have not only big Roy, we've got Chris out there.

22:41

So that means they have five wide open phone lines. Well just waiting to be filled.

22:47

That's because I've got a couple of wide open folks out there. answering phones. Chris just came in. See Yes. My my mind

23:02

23:06

23:11

23:14

Yes. Thank you.

23:18

And oh, yes. Let's all stop talking while carpet reads No, no, no, no, no, no, because this is radio and

23:21

23:53  
are they here to hurt and on the other mic? I'm

23:55  
sure. Yeah, so I don't know what that deal

23:58  
is. Now who got it?

24:02  
Well, for female it's cherry Wolf. Oh, good. And Tiger it was a tie in Tiger. And Chris still for mail. I guess these

24:16  
are class J's. Yeah, these Yeah. Yeah. Chris used to I think that's the same Chris. He used to be at the BRB and now he's doing all kinds of things. He's very knowledgeable.

24:27  
Oh, yeah. Yeah. And let's say ultimate gay female socialite. At least Parker, of course. Oh, well, yeah. That goes without saying hottest female mover and shaker partner again. Well, let's see what else goodness I have a favorite drag queen is coffee.

24:56  
Good choice. Yeah. Oh, she is great. Right and she was on the show, remember?

25:02

Yeah, yeah. Oh, actually, I listened to that show. I didn't come up. Oh,

25:07

she's fun. Yeah, I have in fact, I made a tape of of her. I just haven't been over and over to give it to her.

25:15

Yeah, yeah. Always remember, the her entry in the parade is always interesting, huh? Always interesting.

25:25

Let's go to a piece of music. And we'll come back and do a couple of things. And then the news folks will be here. Okay. All righty. And in the meantime, that number is 52657385 to 6k. t f t. This is Bob Hartman and song for the community

25:52

Oh, yeah. Oh, yeah. Bob Hartman. I'm coming out from his album The very sexual man. Nice looking guy too. And you're hearing it all on after hours queer radio with attitude on KPFT Houston and ke O 's College Station. Oh, we had a call from Candice from hatch. Yeah, and she stuck in the woodlands and can't get into the Montrose

26:20

stuck in the woodlands and can't get up.

26:23

Yeah. Car died or something. Wow. Okay,

26:27

are you familiar with that?

26:30

Yes you are in that position right now. Fortunately you don't live too far away. Yeah that's

Yes, you are in that position right now. Fortunately, you don't live too far away. Yeah, that's true. So we we are not we were hatched list this evening. Okay. I miss hatch. I miss my hatch. Hate to go a month without without hatch. But anyway, the news guys are probably getting pretty close to ready.

26:56

Oh, yeah, they're absolutely ready. And when I walked out there, Chris so ready. What we were hoping no, actually. I don't know. The Yeah, they'll do their their usual. Fantana fantastic job, I am sure. And you're fishing fishing. For the disco music. That's the one. The official Oh, boy. The official Whoa, that they leave this? Sure. Yeah,

27:25

that's just folks. So we sleep at this desk or two.

27:28

Yeah. And that's how we get our collection.

27:33

To take the ones No, I bring it back every year. But see there's a there's a new Big Brother in a holding company album featuring Janis Joplin

27:45

Big Brother in a mining company.

27:46

Yeah. said that one time didn't know. I don't know where they come up with the new gemstone. I know. You know. Yeah, you know if it's there, I'm gonna buy it because I have everything Joplin ever,

28:03

ever spoken to a microphone. You have it if you if it's been recorded.

28:10

You have a Fitz Yeah, if it's available to ya. And there's a new song I'll be playing later. And it's in Charlie Bacho, we haven't played any trail you can show you

in Charlie Pacheco, we haven't played any that you can show you

28:19

another. Another bisexual. Janis Joplin. Oh,

28:23

yeah. Yeah, that's where we play her. Yeah.

28:27

And she's cool. Yeah. Well, sure. Well, it's out of tune.

28:31

Yeah, no kidding. And probably will take your request for music, you know,

28:38

jail, you saying? Oh, yeah, it was here.

28:40

He was here last week. Yeah. The Castro cowboy. And he's talking about his new music coming out and he's doing something with with

28:55

it just completely like, yes. It was a group of people. Yes.

29:02

Doug Stephens in the outback. There you go. There you go. Actually, it's Doug Stephens is I don't think he's there doing anything with the band and I wasn't quite sure about Steven. Steve. They're doing Yeah, they're doing some stuff and he's putting out a and Doug's putting out a CD. Charlie's putting out you know getting ready for a new one. It's Hey, wow, stuff is happening. Yes, it is. about something kind of dicey before we get to the news.

29:36

Oh, and that is more hand net stuff.

29:42

Yes, of course. Well, this doesn't even have to necessarily be with hen net, but it's about the French Quarter. Good. Yeah, that's probably we're probably not going to have that much longer. If Q plays well, you sob ordinances, thank you very much do down Boney is kind of putting the screws to an institution here in Houston. Yeah, now a lot of people feel that if you go there, you should be in an institution. But hey, it's been there since the early 70s, providing a safe place for for men to enjoy each other. And for a long time, it was the only place where you could see male adult films on the big screen. Oh, there are other places now. But this, this was the first. And it's very close. And we're sorry to see that there's gonna be problems there. And that may or may not be around. So, you know, I've enjoyed the place over the years. And I'd like to let people know that maybe it's not going to be here. So they may want to drop in, you know, for their their last visit to an institution. Gosh, yeah. And I got an email from, from Scott about it. And he I think he's talking to me in check.

31:15

Because I don't understand any of it. So next time I see him, I have to ask him what the hell he was talking about. Where are those news? People?

31:28

Yeah, come on. I hear commotion out the Yes. I hear an ASHA. Chris.

31:39

That's what it's like, you know, when you're the big boss. Yeah. And here, you get so much respect.

31:44

Yeah, really? Picked up these cues a little faster. Yeah. Well,

31:48

and, of course, we know the Westheimer art festival is going on. We'll be hearing more about that. Even

31:53

miles of snakes. Yes, yes. Yeah, I just don't I still I do not get the snake thing. I mean, the snake

is just not a practical pet

32:04

for me. Well, maybe not for you.

32:07

But I mean, I cannot look my snake in the face and say, you know, my snake. My snake really loves me. Well, I mean, you know, it's not like a cat or a dog or something that, you know, they have expressions, you know, and all that kind of stuff. And they show affection and whatever. Fish but your your snake just doesn't do that. Well, yeah, but you don't take your fish out of the tank and go walk down Westheimer with it either.

32:33

Well, probably not. Would not be a good thing to do.

32:38

No, it's not for the travel tank to have on your back.

32:46

I don't know. Later on we'll be talking about. Yeah, this has been an incredibly historic week for for gay and lesbian for queer people. Oh, yes. All kinds of things have happened in an October No. Just during this past week. Oh, in the past. I'll be talking about those lately. Later about, you know, like

33:10

a walking cat. Yeah, that'll work. But you still Well, yeah. Okay.

33:17

You can walk your cat says yes.

33:19

Yeah, it does. Yeah. Well, kinda sorta. Like, you're kind of slow though. Yeah. Especially on a hot sidewalk. About three or four steps move by.

33:33

No, I've got some things from the Gay History list.

33:38

The Gay History list. Yes.

33:40

I'm telling you. I'm into this computer stuff.

33:43

I know my whole life. Oh, would you first got that thing? It was? Oh, yeah. I don't need a very fast machine. I mean, I'm not gonna be doing that much. And then a while a week later, I need a new modem. This thing is too slow. And then you get to new modem and then suddenly it's like, I have no, I have no memory left. It's all gone. I know. I'm mad if

34:03

a hard drive completely.

34:06

Really just emerged

34:08

down this hole. I know. I can't download any porn pictures anymore.

34:14

Yeah. And then you used to say with such pride that you were a computer virgin. I know. And all that and but no more. Well, you know? Yeah. Yeah, that's the

34:27

way it is. Anyway, we'll be talking a lot about some history and past history that's been happening.

34:34

There's just like a whole lot of commotion going on and people are leaving. People come

34:39

and go from this place so quickly. Don't understand.

34:48

Yeah, anyway, it's time. It's time. It's time. Finally. There. We go

35:19

Yeah, time for news and views with big Roy and Chris, you know, we

35:25

we might change the name to club and Sam. I know.

35:33

I'm still hanging out storing this

35:35

Chris is all in a snit over here.

35:39

Roy was over here ever since you all started talking about Raphael and those tight pain. He didn't do a darn damn thing on the news.

35:48

He's just been sitting there thinking about

35:50

even sitting there with a line of drool down. I thought he was trying. I thought he was trying to get the part of Homer Simpson in the live film production. So he's got the hair he gave me. He gave me one sheet of paper. And he took one sheet of paper and we're supposed to add live the rest. And so I've been tearing through finding some of the benefits that are coming. Oh,

36:11

good. I hope so. Yeah. Everything that the court is doing.

36:17

I think I saw their initials on here. Yeah, there

36:19

we go. I'm counting on you to do your jump in because I'm, I know you got the we haven't had

36:24

the farm and wow. Yeah, we haven't had the farm and market report in several weeks. On the contrary, we have one last week. If I wasn't in here to hear haha. I wasn't invited in for some reason.

36:34

Actually, we didn't have news last week. Oh, no. That's why we didn't have saris. So shall we have trolley for Cheerio?

36:43

And we it's fun.

36:44

Yeah. Isn't he got

36:46

Hi. He's cute. Ooh, not hard to look at it all really?

36:51

Anyways, I want to welcome everyone to this week's edition of after hours, news and views.

36:54

Okay, I'm gonna go now. Did you make coffee? Yes, it did. Okay, I'm gonna go get some, okay. If anybody calls it 5265738 to pledge support for, you know, Michelle's math, right? Whenever you pledge, she's going to put up 25 bucks. So as long as there's a minimum donation of dollars, see, you know, if it's, if \$35 becomes 60, you know, and if you have a \$60 pledge that becomes 75. It's just incredible. Which what can happen. So five to 657385 to 6k P F T.

37:35

Okay. And with us joining us in the newsroom today, we have Bobby who's going to be doing a special report with me tonight. And I have Chris my time. We all all heard from him already. And as always, I want to start off this evening by giving our shout outs to our captive audience way up here and Midway. You know, Tony up there and down there in Beaumont, we have brandy brandy and Larry and Michael and here in the Houston and Montrose area. We have our listeners, Raphael and a number

38:09

of others. Dan again.

38:13

Chris, and we have George and Charlie. Charlie, I would say a show like that.

38:23

We're just hoping to put it depends on where his head.

38:26

Anyways, I want to start start off this week's news part with mentioning about Empower 99, which I was fortunate enough to attend that last week at the Georgia brown there was a fantastic number of people from the community that had showed up and Charlie portrayal his concert and who was on the show last week he did a concert at Empower 99 And let me tell you, he was a major draw of people. And he had a lot of people coming up to him and asking him for copies of his CD so
