do you know me? I have appeared in hundreds of one other cartoons with that Schooley wabbit who always does drag. Yet whenever I travel, homophobic troublemakers are always telling me that there's no booms and no hotels. No available seats in the West Juan's and no cars to went. It gets downright frustrating. At first, I wanted to cry. What's my sexual orientation got to do with my being a good customer. Then I got a gay man who can express cod. Now I use it everywhere. From crepes and flabs to tropical foods in Honolulu to pick up chicks in Australia might get American Express card does it all. Get now can express Don't be home or without it.

simonneau Kid written and read by Joe watts. There lies somewhere in the West Plains of Texas. A mysterious force that makes young boys grow so pure and sweet. It's not known if it's in the water, the air or the Earth itself. Perhaps looking without is not the answer. Need we look within the shell to find the pearl inside his very soul? must lie that wondrous force that makes his glow. So beautiful. to behold. He's peaceful. get exciting. Midnight Mass and New Year's Eve rolled into one. He loves to touch you with his hands. But does he know how deep his touch goes? His eyes dance and twinkle when making love. Like colorful rainbow raindrops bouncing gay Li on a carousel. His little elf ears and cherub nose look like spare parts from dolls Santas workshop. His body is warm and strong, like a flickering fireplace that shelters you cold winter night. His lips are soft and tender like the first rose at the birth of a virgin spring it's frightening

to know that one so young contains all these golden treasures but joyful to think that there is more to come in learning about that secret force that lies somewhere between his soul and mind

Here it is become butcher Nelly in less than a day simply by taking the little pink pill. There's no need to recruit, seduce or rely on environmental conditions anymore. The little pink pill does it all. Just one tap before breakfast breaks the cycle of heterosexuality for a full 24 hours for years. heteros have been asking gays if they would take a pill if it would make them straight. Well last queers Ville labs have responded to this dilemma by giving heteros a taste of their own medicine. Yes, the little pink pill does it all. The boring cliched life of a heterosexual can vanish in one gulp. Mrs. Betty Morgan of Gresham, Oregon talks about the little pink pill.

My life was a mess. Bridge clubs, Grace, husband alcoholism, you name it. Then one morning I got my act together and took a little pink pill in an instant my sexual orientation change, as did my desire to be married. Well, within a week I ditched my old man met a terrific woman and got joint custody of my children. All this without why retention headaches or loss of appetite? Thanks a little pink pill. You made a new woman out of me.
