The theater donates the space. They don't take a penny all of the ticket sales go to that organization. And they have raised money for gay organizations, many of them in the past including the Colt 40 fives I believe. We'll ask Falcon about that a little bit later.

25 is a Saturday. Saturday. I

C Chris Harrison 12:31

thought June 24 was the pride for it. No,

J Jimmy Carper 12:34

that's our next show. Well, the last show of the month, Saturday, June the 25th I'm sorry, is pride day. Yes. So this is in competition with the Pride Parade. What were they thinking? They weren't

C Chris Harrison 12:49

that's about as smart as as having a big event in the Montrose during the Pride Parade. Yeah. It's gonna be right here. Next paragraph. G L YP. Day at the compass game is on Gay Pride Day. Oops. The game will be long over before the parade. Ah,

J Jimmy Carper 13:07

immediately. So it's a daytime parade. No, no, the daytime. Daytime game is at night. The

C Chris Harrison 13:16

games at 130 in the parades at night. Okay, so in other words, if you're building your float, you're screwed. If you want to go to the festival, you're screwed. Yeah. The game will be long over before the parade. And immediately after the game everyone will be off to the festivities in the Montrose.

J Jimmy Carper 13:31

Everyone. Well, we expect 250,000 Here.

C Chris Harrison 13:36

They're offering tickets free coke and hotdogs and a great day call 713-758-7296 and ask for the GL yp comments pack. Hmm. Okay, internet is still down. Steve, if you're ever in Mary's,

J Jimmy Carper 14:04

how do we have a piece of music queued up? No. Okay. Merlin is speaking of people in the hospital. Yeah.

C Chris 14:18

Play this CD.

J Jimmy Carper 14:20

Yeah. Wow. The first one on that CD. What about hospital unplugged? Well, your ad if it was talked about last week, and you're doing okay, so far, so good, girl. You gotta get closer to the mic.

M Merlin 14:33

I know. I've been here a while. Yeah. I've been here a little

J

Jimmy Carper 14:39

bit Groys in here tonight. And I know he's still recuperating. He's still alive. He's still alive. I talked with him this week. Yes. In fact, he called me last night. I had company and couldn't do what he asked but there was a women's chorus program on channel eight.

M

Merlin 14:56

See ended up ended up in the hospital twice and you in less than a month and you end up on the triage report and then it's your job to do medical stuff every time you're on. Exactly. There you go.

J

Jimmy Carper 15:09

So who else is in the hospital? I don't know if Kendrick is still daddy Joe. Yeah,

C

Chris 15:16

it's not in hospital. He's in the convalescent

J

Jimmy Carper 15:18

convalescence care now, and he can't talk on the phone, but he can get a damn good visit. Call up during the day at five to six 4000 to find out where he is. So you can send him a greeting card Big Daddy J. A Dag

M

Merlin 15:34

gummit. I'm bound and determined to not have any more episodes of any more crap until after the pride parade at the very least. Okay, because our pagan group is in the parade again. Yes. And you're wearing and I am wearing a new pair of horns which I am in the process of making the world horny. Yes. Well, I haven't had sex but twice in seven years. Oh, God, you while we're on that subject, but it has as of this past week, it has been officially seven years since the breakup with demon spawn. Good. Yes. Good. And I was recently told by yet another source. Yes. That they have the departure from this mortal coil of my Oh, yes.

J

Jimmy Carper 16:20

He just hasn't been really confirmed yet. Well,

M

Merlin 16:25

two sources have now told me okay, that's that's too. I'm waiting for a third. You know, because

these things are coming through. You're ready. You know,

J Jimmy Carper 16:32

what you're really waiting for is a copy of the death certificate. Dang. Right.

M Merlin 16:35

I want to I want proof that he has Indian name was strikes with a fist is gone. Yeah. And I don't say that with the least bit of bitter. Oh, no, no, she's

J Jimmy Carper 16:45

not bitter at all.

C Chris Harrison 16:48

There's British drinks that are less bitter.

J Jimmy Carper 16:52

Okay, let's go to a piece of music, then we'll be back with Falcon. And for those of you who are waiting to hear the transgender segment, unfortunately, you know, with the change in date of after hours from Saturday nights, which had been for like 17 years to Friday night. Not everybody always remembers including me sometimes. So Kristen couldn't make it tonight. And she was she had forgotten thought it was tomorrow,

C Chris Harrison 17:22

man. Unfortunately, with we've we've had to lose Sarah and we

J Jimmy Carper 17:27

had to lose Sarah because of the change and the later time. So

C Chris 17:31

So April, if you're listening, you can come early. Yeah, there we go.

J Jimmy Carper 17:35

But we've got the after hours crew around here. So we'll be kind of doing a little. We've got stuff to do. We have freight train groups to talk about. We've got items to talk about, especially. In fact, before we go I want to mention this because I got this just tonight after going to the Rae Hill roast was happening at 1415 either way. me speechless. I missed something.

 Chris 18:09

Yes, you did. But

 Jimmy Carper 18:15

of course they waited until it was over with before they told me. Yeah, a way the ministers and pastors of the Tomball area are deeply concerned as we are sure you are over the kk k rally set for June 11. In our community center, we are saddened that there are groups in this great country that believe in hate and discrimination, while we Viet vehemently oppose all that kk k stands for we live in a country that allows even the voice of prejudice and ignorance to speak, and we respect their right to be heard. As ministers united together through the grace and love. We feel that our voice needs to be heard as well. We will not stand by and let hate paint a portrait of our community that isn't true. We therefore ask all fellow citizens to join us in the following in prayer. And in stance of non confrontation. The kk k oftentimes wants violent protests against their presence so they can justify their extreme views. We ask our community not to respond to any antagonistic or evocative actions that are witnessed in the Spirit to spirit of Christ, we must turn the other cheek cheek. So the location is starting at the railroad track tracks on 2920 at Main Street progressing West 1130 And on June the 11th, which is Saturday 11:30am. The Tomball ministerial alliance is holding a civil nonviolent United Christian protest against the white Camellias of the kk k lecture and exhibition that is being held On June 11 12, noon, at the Tom ball Community Center, signs will be printed and available for one to hold up during the protest assigned for every fourth person. The Downstairs station will start promptly at 1130 and continue until 1230. And they're going to be singing Jesus loves the little children, and be there, be there and save your community. We know there are very good folks in Tomball. And we know what it's like to have the kk k come into your community, because they did that in the Montrose and we did something very similar.

 Chris Harrison 20:40

I guess they visited this, this radio station when it first opened up. Actually

 Jimmy Carper 20:45

they bombed it off the

 Merlin 20:47

air. You know, when, when when the protesters in the parade and stuff get all worked up? We were threatening to sing a slightly different version of that song.

J Jimmy Carper 21:00
Okay.

C Chris 21:02
On that note on that note

J Jimmy Carper 21:16
you won't believe who that was. Ladies and gentlemen, that was the incomparable Deena Deena K. Now, if you were around in the late 70s and early 80s, mid 80s Dena K performed in lots of lesbian clubs around town. I haven't seen her for a while she's from Tennessee, Dickson, Tennessee. And I happen to get a copy of a CD of her work from JD Doyle, the guru of queer music. It's called he's free by Dena K. And there's not really anything out on it. In fact, he was probably making this for general consumption, you know about the masses. So there's a lot of songs with he and stuff like that. But hey, read

M Merlin 22:08
that statement as straight people.

J Jimmy Carper 22:10
Yeah, yeah. So I am very proud to be able to play Dina Kay, I've been looking for her music ever since. I've been with after hours, your family. So with us tonight. We have Falcon from Colt 45. Welcome. Welcome. Welcome.

♀ 22:29
Thank you. Thank you. Thank you.

J Jimmy Carper 22:30
How are you doing?

♀ 22:31
I'm doing pretty good. How you doing? Great.

J

Jimmy Carper 22:33

Great. Great. The CO 40 fives I mentioned they're having their 29th anniversary celebration coming up. Like this Sunday. Yeah. Sunday, Sunday, Sunday.

∅

22:45

Yeah, it's gonna be this Sunday dinner will be at six and the show to start at 8pm. Okay.

J

Jimmy Carper 22:52

And what kind of show was it?

∅

22:55

We pretty much asked the entertainers to keep it as a western theme. But anything goes. You know, we were not being very specific. But we are a Western Levi organization by one c three charity. Right? So this is going to help us immensely with raising funds for our three or charity organizations.

J

Jimmy Carper 23:17

The CO 40 fives raises funds for AIDS charities in what way? And what do you do with these funds? So

∅

23:27

we have three specific funds right now. The first one is the AIDS trouble fund. The purpose of that fund is really to help people with their housing expenses. A lot. Now times people get their social security stuff that just does not cover all their expenses. So it could barely cover the prescriptions out the door.

J

Jimmy Carper 23:51

I know sometimes when you're on SSI, sometimes it's Gee, do I get my meds? Or do I eat right?

∅

23:57

And we have a lot of people who have children, and they may begin some social security to offset that food stamps. But when you have children and a single parent at home, and sometimes the parents sometimes the parent and the children with HIV. And at this point, usually when they need help from us, they've already exhausted all the other charities in the

local area. Yeah, we are their last hope you're the mayor. Emergency Fund. We are the emergency fund. Yes. And that's, that's yeah, that's the age trouble fund. And then we have this, we contribute towards the stone soup fund. Yes. And that's basically a food pantry. And then our last fund is the tilt backer Fund, which is the one fund that we hate to use, believe it or not, because that's that's to assist with burials. Yes. So we hate to lose anybody out. Actually

J

Jimmy Carper 24:49

the tilt hacker fund. I don't know if it was called that at the time, but it helped bury my best friend who did some work at BRB Bill Gaddy. He died back in 93 or 95 I believe so. And he he was on SSI and exhausted everything and his family was poor. And so the Colts came in and and not only bear helped gave money for for the for the, for the burial but had a plot right for his ashes. So I am eternally grateful to the Colts. And

♂

25:33

that's what we're here for. Yeah, thank you, we it's amazing how much money we get in but it all goes out really, really fast. This time of year, we're doing okay. But as the local agencies start to replenish their money because they get all their government government funds at the beginning of the year. Yeah. So usually about this time of the year is when we start to get a lot of applications in for the A's trouble fun. Yeah. And by Christmas, we are depleted. And we go through almost \$80,000 A year and assistance. And so and it's all by community donation. Yeah. We do get some grants. We just got a Hollyfield grant. Oh, very good. Shawn Carter worked on that. And he did a fantastic job. And kudos to Sean You bet. But we just we rely on the community for everything. So this show coming up on Sunday is not only an anniversary show to celebrate 29 years of cold service, but it's also a fundraiser, of course. Now,

J

Jimmy Carper 26:42

I don't know if you still do this. But I remember in years past the Colts provided the stone soup with produce or meats or something like that is incorrect there and that thinking or

♂

26:57

Well, I'm one of the newest members of the Colts winning or not. I pledged last October I became a cult in January. And I became the secretary of the Colts in February. Damn. Yeah. Just moved you right along. Yeah, I jumped up the ladder real quick.

J

Jimmy Carper 27:13

Yeah, Jason's with this. Yeah, we didn't introduce you. I'm sorry. Okay, that's okay.

♂

27:18

Oh, by the way, happy anniversary. Well, thank you. 29. And holding? Yeah, that's good. This is the you in the future? Yeah, we will be. Our motto is until the secure will be here.

J

Jimmy Carper 27:28

Yeah. You know, it's what's amazing is that, that this is done by so few people. And plus, no one is paid, right?

♂

27:45

There is no. Nobody's paid for administrative. We are strictly a volunteer organization. We have nobody that is a paid secretary or a paid president or pay treasurer. Everybody in this organization is totally volunteer. We. As far as active members, I think there's maybe 15 of us at the moment. We are doing a major membership push right now. But it's just on the big hearts of few of us. There's a lot of other calls that are considered lifetime members. Yeah.

J

Jimmy Carper 28:26

But that's the amazing thing. This you know, this is handled by a handful of guys and ladies who donate their time, yes. There is no overhead for the Colts, right? Which is just amazing to me, that you can do all you can do with that few people. But I think a lot of it is that the Colts have an excellent name in the community. And and people are happy to raise funds for the Colts because they know every cent is gonna go to people in need, right?

♂

29:01

California fives you know, like we said it was started 29 years ago. And it was actually started as a social group. Yes. And what happened was, you know, that was 1976 before the big AIDS epidemic hit. And as the AIDS epidemic hit Houston, the Koch 45 saw need to raise money. And so they kind of changed their focus. And that's why the name is there because from the beginning of AIDS hitting the newspapers in you know, starting to get into people's minds and this is a serious situation to co 40 fives focused in on it started raising money. Absolutely. They were one of the I believe they're one of the people who don't quote me on this but I believe they were one of the reasons why the mattress clinic is so successful. Yeah, I go to the monstrous clinic to get tested and and also go there for some classes and stuff. I actually go in and actually sit and support some of our friends that go there. So yeah, they've been For a long time, so I think it was just kind of like a, you know, the idea of community service. And I do have to tell you, I, I lived in four major cities. Yes, I've lived in Detroit, Orlando, Atlanta, and now I'm here in Houston. And I have never seen a more put together community that here in Houston. Really? Yes. I mean, I'm actually proud to be living here in Houston. Because the barriers are kind of down.

J

Jimmy Carper 30:30

Me like between drag and leather and between

30:32

drag and whether it's it is a community and, and a concern is there for everybody. You

J Jimmy Carper 30:36

know, I have heard that from other people from other towns coming in, and they're just amazed and awed, that the dragon weather communities get along so well and do so much together.

30:47

That's why like tonight, I'm wearing three different hats. While I'm wearing two hats in a wig tonight.

J Jimmy Carper 30:55

That's right. That's right. So

30:56

we're doing some other promotions tonight for a couple other groups. Sure. But um, you know, that's just said, you know, I, you know, I'm wearing leather right now. But tomorrow night, I'm gonna be wearing a wig to leather boots cow. Yeah. And as long as the thigh high and they're polished, and

J Jimmy Carper 31:18

well, you'll need that with the wig. But if you're just wearing leather boots, I

31:23

guess I would go Butch.

J Jimmy Carper 31:24

You're you are Butch. Yes. And you have a wife to prove it. Anyway, you do have a couple of other hats. And we want to talk about those other hats too. But the other thing I wanted before we go to another topic. I do want to mention that it starts at six with a meet and greet. Yes, that's our show at eight.

31:54

And we're asking for a \$5 donation for the dinner. Oh, absolutely. That's just you know, it's not really to offset costs because we are donating all the food. We have a lot of people in the community and the CO 45 I'll be cooking tomorrow morning.

J Jimmy Carper 32:11

So but and you'll be giving out the Colt awards. The coat

32:17

awards. Yes. The infamous cultural awards. Yes. Now, our MCs are based our TAs award members. We have the we have two entertainers of the years to the Colts we have the Giovanni Lemond Memorial coat 45 Entertainer of the Year and that's given to a cult member. Okay and then we have to be

J Jimmy Carper 32:38

done that's that's a big one because Yeah. Of Giovanni who is no longer with us right at was emperor of races, Rhesus and just a powerhouse. Let me tell you about Giovanni Lamont. You have seen Tom of Finland pictures. This guy was the walking image of a Tom of Finland. Drawing.

33:04

I never had the chance to meet up he

J Jimmy Carper 33:06

was he was gorgeous. And as nice as he was gorgeous. Really? That's

33:10

great. But of course, just talks about Houston again. Yeah, it's this community. Yes. Yeah. So but yeah, the dinner starts at six. The show starts at eight.

J Jimmy Carper 33:21

And what are the other awards? Well, there was the

...

33:26

J, we got the Giovanni Entertainer of the Year and that's, I believe, Shawn Carter right now. That's given to the internally to the cult, who does the entertainer and December I believe it is when we have our Christmas show. That's what a giveaway to BJ summers entertaining.

J Jimmy Carper 33:41

Yes, yeah. And so that's another awards.

33:46

awards you right when we say

J Jimmy Carper 33:49

I have I'm saying this because I have been honored to have the golden colt, the golden color.

34:01

We have some joke awards too. So we oh yeah, that's fun. Yeah, we have the luxury of the year and some other ones that we cannot say on the air.

J Jimmy Carper 34:13

But it's food and fun and a good show for a good cause.

34:17

And you have to come out to see the code 40 fives not ready for Greg time play. Oh my god, this is really scary, guys. I mean, come on out and check us out because we get made up and we have two numbers that we're going to do and it's not going to be pretty.

J Jimmy Carper 34:36

Sunday night at 6pm. Monday, Sunday, Sunday, Sunday, Sunday, Sunday, and 2400 Brazos and if you don't know exactly where that is, it's right behind that huge specs. Yeah, yes. Oh, yeah. People know where that is. Yeah. Okay. So what else do we have we got going from the agenda on the agenda on your agenda and my agenda? Yeah,

34:58

um, Well, another thing that I'm doing coming up on June 19. Go ahead. That's a Sunday,

J Jimmy Carper 35:06
Sunday, Sunday, Sunday.

♂ 35:08
That is Father's Day. And that is the daddy of Montrose contest. Yeah, Aries naturally. That's gonna start at 5pm. And I'm running for daddy.

J Jimmy Carper 35:16
No kidding. Yes. Cool. Very good.

♂ 35:20
I got to do the self plug. I got 20,000 visitors for it. So come on out and cheer me out.

J Jimmy Carper 35:26
That's a great, great way to spend Father's Day, bring your dad or, you know, if you spend the early afternoon with your family, then come on, come on out and be with the boys afterwards. Or like you said, bring your daddy bring your daddy. That's right. That's right. And we're hoping it's gonna be you. Do you know who else is running? Yes.

♂ 35:49
I only know of one other contest. I would pay to see that. Actually, we do have a female writing for daddy. Oh, really? Yeah, Shameless, overall. All right.

J Jimmy Carper 36:01
She could be Daddy.

♂ 36:02
Oh, she could be dead. Yes. You know, I'm sure she says that quite a bit.

J Jimmy Carper 36:09
I don't know if that thought's ever had a female Daddy. Yes, they have. They have they have?

I DON'T KNOW IF THAT THEY'VE EVER HAD A FEMALE DADDY. YES, THEY HAVE. THEY HAVE THEY HAVE?
Yeah,

36:13

one from my knowledge. So but shameless is running and I'm reading and who knows? It could be others walking in. You bet. You can basically come in off the street. Obviously you gotta be want to serve the community. Once again, this is

J Jimmy Carper 36:30

this is not just the title, a title? No, this is with this title you are obligated to put on? I don't know how many shows per year three or five, but I'm sure during the year, yeah. Fundraising shows fundraising shows. Yes. Yes. That's that's what it's about. Right.

36:49

You know, there's a mother Montrose, daddy of Montrose and a boy of Montrose. The boy Montrose is not through marriage, though, that is actually to the ripcord and that's coming up in July 3, I don't think it is. Or July 6,

J Jimmy Carper 37:01

many times the three of them work together. And oh, yes. The family

37:04

motto was the first family mantra. You know, and that's the idea behind it. You are actually serving the Montrose community or the gay community. Yes. And the idea behind is that it's not just another title, because mothers that have another title, obviously, yeah, right.

J Jimmy Carper 37:22

It's usually a drag. It's a

37:24

drag time, yes. But you really have to work together. You can put on your own shows, but it's really great when you can get the first payment mattress together to put on a big gala performance. And it's to service everybody that's bans gay, transgender, transsexual, transvestite, everybody, yes. And because that's what we're serving, once again, we're we're trying to go out there and educate people by HIV and AIDS awareness. And my big thing if I when I'm taking a step beyond, because with the co 40, fives when I'm reviewing applications

for money, one thing that I do notice is that sometimes people are not making it because they have, you know, a house and they don't have any roommates. And, you know, I was, I've been wondering if there's a service out there that provides HIV AIDS patients with a roommate type service, I don't

J Jimmy Carper 38:23

know that there is, I don't know, that there is ever heard of, and there are probably people with HIV who are spending way too much on rent, right, by living alone when they could pool their money pool their money. And

38:36

so I was thinking that, you know, even if I tried to do it on my little laptop, get and do it through the code 45. So,

J Jimmy Carper 38:44

it's an excellent idea. Yeah, yeah. It's

38:48

something I have to bring to the board of course in the membership. It's a thought for daddy of Montrose as a community service and extra community service other than the shows.

J Jimmy Carper 38:59

The current mother of Montrose, of course is Dee Dee DeMarco Yes. I love Detroit a Powerball she is

39:04

she she is well you know, anybody that would have won that those cutouts

J Jimmy Carper 39:09

between yeah between Joe either one and Joe. Joe better run again next year because it's that'll be his year.

39:18

Yes. Yes. Joe is really doing a lot for this community on the pilot does a lot Yes. I gotta tell you

the story about the past I've been that department DD departments actually chosen it. The driver decided to free his dragon DD I did my first show on this committee this January it was the anti caster anti social

J Jimmy Carper 39:41

that's that's your drag name.

39:42

That's one of them. One of them one of them? Yes, I got anti pasa Tasha deposit There you go. And the one coming out tomorrow will be heavy flow.

J Jimmy Carper 39:58

Watch out. That is going to be so sick. I can't wait. Well,

39:58 40:03

yeah, it's gonna be a surprise one. Yes. You know I look at Dragon I don't consider myself a drag queen or a No

J Jimmy Carper 40:11

you're not. I'm not. But you're a big ol Butch thing with facial hair.

39:58 40:16

Very chest tattoo across my back. I

J Jimmy Carper 40:19

got it all and this great unicorn tattoo on your on your shoulder. Yes, yes.

39:58 40:25

Myrna loves that. Compared to

J Jimmy Carper 40:28

Tod. I'm sure. Judy loves it too. Oh, does she go? Yeah, you ought to see her collection of

rea. I'm sure. Judy loves it, too. Oh, does she ever read, you ought to see her collection of unicorns. Oh, that's right. She has the biggest collection of unicorns of anyone I have ever known.

40:39

I have quite a few. I have a my partner Scott would not let me put them all out. We have a small house. So if I put on all my unicorns if he would have a space either, so But what were we talking about? Oh. We get sidetracked here. We're talking about some of my drag names. Yes. But DD this was talking about DD. The first time I've put on the show. I've only lived here for like a year with my partner for six months. And I just joined IC O H, the October before. And I put on my first show and halfway through my show. I had Cheyenne and Diddy and Jessica Ben Shelton walk in. And they wanted to perform. They wanted to really help out with my show. I knew Cheyenne and Jessica but I didn't know at from Adam. Yeah, so just the fact that she came over and did that and we got to know each other and I was just so impressed with her. And I'm like given she is she is such a sweetheart. Oh yeah. And I just love

J Jimmy Carper 41:46

her. And for she can do a mean Barbra Streisand. Yes. Who she looks at and she's got the moves down. Although

41:54

she will give you a dirty look every time. You know, you walk up to her and say that was a great Ben Miller. I always do that. But um, yeah, well, going on to the whole drag thing. Tomorrow night. We have a

J Jimmy Carper 42:07

show. The mother trucker show

42:10

mother trucker. That is Lady Gracie. Actually

J Jimmy Carper 42:12

not by Count lady or by cam. That's true. But she is my counterpart. Oh, that's true. Yes. Yes. Your other

42:21

counterpart not promoted up? Yes. Yes. She showed Andrea Noah. Oh. Grand Duchess

COUNTERPART GOT PROMOTED UP? YES. YES. SHE SHOWED ANDREW TEAM. OH. GRAND DUCHESS something like that. Or Duchess. Duchess. See?

J Jimmy Carper 42:30

Yeah. I came in halfway through the year. And she and I met a while I knew her but we got together once and then she was promoted. Right? And Lady Gracie became vice count. Gracie, which I'm thrilled also because I can work really well with Gracie. Yes. as well. By her other half Chris. By

♀ 42:56

count is Gracie is fighting on that shelf tomorrow. She's actually the grand producer of it. She is. It's called the mother trucker review. And we got a couple of first time performers.

J Jimmy Carper 43:08

Yes, we do. I am going to be on the stage for the first time in my life. Doing a number I indirect No. Oh, no. No, that's what that's why it's gonna be all the more funny because it's a trucker sucks show. And it's a trucker song. And look at me. Well, if I could be a drag, you can come on. Nah, no, no, no, I'm not ready for that. Yeah, well,

♀ 43:35

my little drag thing tomorrow. It's gonna be kind of scary. Yeah,

J Jimmy Carper 43:38

it sounds like from the name. Yeah.

♀ 43:42

Well, that wasn't even my idea. Really? No, my partner Scott. He He's allowed the inspiration for a lot of my ideas.

J Jimmy Carper 43:51

So let me think about that for a while.

♀ 43:55

Well, it's got very creative, you know, my partner Scott Kenyon is the you know, the chair do

charity or he's the Council of clubs.

J Jimmy Carper 44:05

So just an all around nice guy.

♀ 44:07

He's Crown Prince Royal. Yes. Yes. For I so he's

J Jimmy Carper 44:12

busy. He's very busy. He's

♀ 44:13

very busy. He's got a number of organizations, but anyways, he tends to I give him an idea and he runs with it. And it's kind of scary when you put our two heads together. Okay, and sometimes we have to pull back because we're like, okay, that's a little bit too over the top. It's usually me who's going over the top. Okay, you need to calm down a little bit. Number one, you can't do that in public.

♀ 44:47

But I kind of teased him because he tells me stories of stuff that him and his friends have done in the past and don't even go there with me. Nothing is sacred to gay men. No.

J Jimmy Carper 44:59

Absolutely not. If it's if it's around, we will laugh at it. We will dress like Yeah. Yeah, he was just go over the top with everything

♀ 45:12

you just told me last night was at a friend's house. He was telling me last night that I guess after Christmas Grace died. Somebody came out with a Christmas Grace costume with a steering wheel around their head. We know. Like, okay, nothing is

J Jimmy Carper 45:25

sacred. Nothing is sacred. Yeah, I remember years ago, a friend of mine for Halloween, dressed up in a pink two piece suit with a pill but pink pillbox? hat. Oh, no. With big guard, yes. Yes. Yes.

Jackie Kennedy. That's, that's scary. But you know that I think that kind of takes the pressure off. Doing stuff like that. And it it's our creative juices run sometimes run amok. But I've

45:59

always said that, you know, it's, it's true with my family in particular, that whenever you're under pressure, or sad or anything usually throw humor at?

Jimmy Carper 46:07

Yes, yes. And that is really kind of the whole thing with this show. I mean, we put out a lot of information we put out a lot of we educate a lot of people. But mainly we do it through humor, because, you know, you learn a lot more if you're having a good time.

46:29

And we are sacred. We

Jimmy Carper 46:32

have a good time. Yeah. Well, you know, there are segments that are there that are serious. And sometimes we have to do things like memorials for people who have who have passed and write and talk about really horrible issues going on in our community. Right. So but, you know, we got to get in there with the humor and have fun, because it's life. It's too short. And if if you're not having a good time, you're not doing it. Right, right. Yeah.

47:03

No, I mean, there's some things I throw a lot of humor. I know, that's my defense. Because I swear I'd be punched in the wall half the time because it's something that I hear and, and see, you know, the injustice is out there. And oh, yeah. You know, it's just and

Jimmy Carper 47:21

the drama in our own community right. Now. It's there. Yeah.

47:25

I think that's why, you know, I do not watch the news. And I'm

Jimmy Carper 47:30

with you, you know, I don't want to see another stabbing. Well, you know, shooting and mocking and rape. Yeah, no, it's just every night. It's the same

♀ 47:39

thing. And it's like, it's all for ratings. Yeah. And yeah,

♂ J Jimmy Carper 47:43

it's sensationalized. That's, that's the part that really irks me. Yes.

♀ 47:46

Yeah. And it's really sad situation up there. And I stopped watching the news years ago, and it's kind of funny when I was living in Orlando, Florida. There was like three hurricanes in one season. Yeah, I didn't know what's coming at me. I was to work on a Monday morning people. Are you all packed up? For what? We're gonna have a company trip? I forgot to pack I've ever been to Aruba was a hurricane. And hurricanes are coming. I'm like, Oh, no. Well, so

♂ J Jimmy Carper 48:21

well. So that's tomorrow night at eight, eight o'clock, eight o'clock. EJ?

♀ 48:26

Yeah, we're gonna go back and talk about the show again.

♂ J Jimmy Carper 48:30

We're gonna do that. And you had a third hat you wanted to talk about was

♀ 48:34

that this is the third hat. Okay, this is the wig. Gotcha.

♂ J Jimmy Carper 48:39

Do accent. Yeah. So choke on the big ones.

♀ 48:50

Yeah, they made me do this naked, by the way. Yes. Yeah, we

J

Jimmy Carper 48:53

do naked radio. And that's especially why we had chuck in here because I've been wanting to see him naked.

Ω

49:03

Well, there's that internet website. Down, isn't it? Yeah. Don't go there. But yes, the mother trucker review. It is a it's in the show. It's kind of like a new concept. Gracie came up with this great idea. And basically, we're not delegated to just the stage. We're gonna grab, we're gonna have like five you don't really have like one or two hosts and do the whole show. Her concept is to have like five different hosts and I'm one of the hosts. I don't know where I fit in yet. But

J

Jimmy Carper 49:40

she didn't ask me to host she knew I was just petrified getting on the stage in the first place.

Ω

49:46

Yeah, you're supposed to co host one of my shows if I'm not mistaken. Yeah.

J

Jimmy Carper 49:52

get my feet wet. Give me Give me a break here. Well, I can do this in the studio. It's just in front of people. It's me Yep, yeah. But

Ω

50:00

like I said, just realize that these are your friends out there. That's exactly. Well. They've done scary things and anything you would ever do.

J

Jimmy Carper 50:11

Oh, I don't know about that. Yeah, that's good. I was here for the seven days remember?

Ω

50:17

Oh, by the way, I'm going back to the code 45. Yes. Eartha is actually going to perform there. They're really

J Jimmy Carper 50:23

Yes. Wow. Yes. So soon, so soon, because she just got out of the hospital with a heart. So class,

50:31

I think she calls it a class to heart attack. Yeah. So she just got up maybe three weeks ago. Wow. So I'm not sure this

J Jimmy Carper 50:40

idea. I didn't know she was going to do anything for the rest of her brain. Well, hopefully

50:45

she'll do something really slow. And I don't want to overdo it. No, not at all. Yeah, we, you know, sadly, we did lose a performer on stage once a few years ago. Norms norm normal norms again, I couldn't pronounce his last name. Yeah. Enormous again. Yeah. died just after performance. Yeah, that's right. That's right. I remember. Yeah, I really don't want that to be a repeat for the CO 40 fashion. But she is going to perform and I just left her, you know, probably at about 1230. Tonight. She's bartending right now married. And I advised her I said, you do a nice, easy number. Yeah. So by going back to the EJ show, we're gonna bounce back and forth, kids, we're sure. The benefit for this shows gonna be the AIDS Foundation, Houston's camp hope and camp hug. Oh, thank you. And that is the ich beneficiary for this year. But the show starts at 8pm. Tomorrow evening, there's gonna be five different hosts. I know. I'm one of them. I'm not sure who the others are. But the idea of it is basically it is a truckstop. Yes. And we're going to be calling out like, you know, particular performers name is say your showers ready and you'll see them walk into a shower and stuff and come out two numbers later as a performer and I

J Jimmy Carper 52:13

do have a stage name. No, no, no, no, I'm not gonna. I'm not gonna say it. Well, you heard it. No. Okay. You'll hear it tomorrow night.

52:22

Hey, I tell you all my secrets on the radio stand up I'm probably gonna be locked out my partner's probably changed his locks. If

C Chris Harrison 52:31

you got it you have a dress and a credit card, you find out all the seats.

52:35

That's true. So what's yours thing, Chris?

J Jimmy Carper 52:43

But I also want to mention on the same day as the Colt 40 fives anniversary on Sunday, Sunday Sunday. If he doesn't choke, I want to say, I know I want to say very happy birthday to circor when Yes, his birthday. We

53:00

should have noticed his birthday plans that morning so we can get a whole 20,000 people

J Jimmy Carper 53:06

on that out, but it's on the internet. Before we go any further I want to mention that you are listening to after hours queer radio with attitude right here on good ol listener sponsored and supported. Commercial Free KPFT Houston 90.1 FM and KPFT Galveston 89.5 FM. Yeah, I know. I know. I know. Anyway, Falcon has been great having you as a guest. Thank you. And you're welcome back anytime, especially if you want to talk about cold stuff. Because yes, that's a that's a group that is it just warms my heart to know that the culture out here out there doing it and doing it for free. And working their butts off.

54:03

Yeah, that sounds kind of obscene. Did

J Jimmy Carper 54:07

they get finished with their work with equal 45? Right,

54:10

right. Did we put up our flag for free, but if anybody needs any information on the code, 40 fives they can go to our website. You guys can't but a boss can go to our website that has the internet up. Corp. 45. Is that org? I believe the application for assistance is on there. You know you can see some past pictures and contact information for myself and the other board officers. You know, we have a great group of guys, past board officers, past presidents Joe McNeil and past presidents Shawn Carter, who's our current treasurer. Our current president Stephen Bunche. In our current

J Jimmy Carper 54:52
president is so hot.

∅ 54:55
Well, now we come to the really hot person. Yeah, the Vice President Yeah, I mean, Alan. Wow. Yes,

J Jimmy Carper 55:03
that man can make guacamole.

∅ 55:08
Cajun mama. Yes. I mean to tell you if anybody was at the these days a couple of weeks ago and had the Cajun mama I believe it was Gumbo and sausage and rice is amazing. Oh my god. Then he's making the brisket for brisket and he's gonna be the chicken for this Sunday.

J Jimmy Carper 55:26
It's gonna be good call. It's

∅ 55:27
gonna be very good. We're going to have a very good, good old fashioned barbecue sandwiches, pulled brisket, pulled chicken breast and all the fixings and like I said, we're all basically doing it by hand. I don't think there's going to be anything, you know, really coming in. That's, you know, we open the jar and and pop it into a bowl. Probably not. No, no, no, we do everything by hand. Yeah. So that's it's good.

J Jimmy Carper 55:55
It's good. It's good. And you know, it's only five bucks. So folks, if you want to put in more than five bucks, a will take it there. They'll take it. Oh, yes, more than willing. So that's the place to be on Sunday. Falcon, thank you so much for being on after hours. Thank

∅ 56:11
you Jeremy. You

J

Jimmy Carper 56:12

are so welcome. You take care. Okay. And now we go to the headliner at the pride fest coming up the last Saturday of this month. It's Sophie B. Hawkins and this is from her CD called *Wilderness*. It's my favorite song off of it called *Beautiful girl* and you're listening to it. After hours queer radio with attitude.
